

Watford Guide-Advocate

Volume XLVII—No. 88

WATFORD, ONT., FRIDAY, AUGUST 19, 1921

\$2.00 PER YEAR IN ADVANCE
In United States \$2.50

LOCAL HAPPENINGS

EAST LAMBTON FALL FAIR WATFORD SEPTEMBER 22 and 23, 1921

Vote for the by-law on Monday. The next big local event is Watford Fair, Sept. 22-23.

Charles Potter has sold his house and lot here to W. L. Millar.

Congoleum Rugs—all sizes, in all the new patterns.—A. Brown & Co.

Service as usual in the Watford Baptist church next Sunday at 7 p.m.

The more expensive the cigarette the more it smells like refuse burning.

If all the garages were turned into houses there would be no shortage of dwelling places.

The Rev. H. Miller, rector of Essex, will preach in Trinity church next Sunday evening.

No more harvesters are required in the West and the railways have cancelled the excursions.

There are about 80 buildings in use for display purposes at the Canadian National Exhibition.

Miss Holmes will be pleased to show you the Early Fall styles in Millinery at A. Brown & Co.

The idea of two hearts beating as one is romantic, but unfortunately one dish of ice cream won't satisfy two mouths.

There will be no reduced fare for the Western Fair this year, but a special train will be run on two days of the fair.

"Travelling brings out all that is in one" remarks a writer. This man must have crossed the Atlantic in rough weather.

An expenditure of approximately \$600,000 is required each year to stage and prepare the Canadian National Exhibition.

Her dress aroused his levity; He almost had a fit.

Why so, you ask? Well verify You know's the soul of wit.

Attend the paving meeting in the Lyceum Friday night and turn out and vote for the bylaw on Monday.

It is now or never for paving Main street.

Opened this week—Ladies' Trimmed hats for Early Fall wear.—A. Brown & Co.

Lyndroute Groceries, Ltd., Toronto, having made an assignment, the stock inventoried at \$8,261.67 will be sold by tender. The chief members of the firm were at one time residents of Watford.

If you have any doubt about going out on Monday to vote for the paving by-law just turn back your memory and picture the state of Main street last winter.

After September 1 any person employing children between the ages of 14 and 16 not in possession of a work permit issued by the local school board will be prosecuted.

The Watford High School will open for the term on Tuesday, Sept. 6th. The Public School will open on Thursday, Sept. 1st. Students are requested to be present on opening day.

Miss Clara E. Carroll, Miss Gladys E. Shrapnell and Miss Nina Kelly have been granted assistant Kindergarten-Primary certificates, the results of the summer course conducted in London.

Mrs. Alma McLean of Sarnia, was granted an interim Kindergarten-primary certificate.

"When you notice the number of people who have automobiles aren't you amazed?" I am indeed. How true the old saying that one half the world doesn't know how the other half lives!

Fall webworms, which are identified by the web structures woven over the ends of limbs of fruit trees may be killed by using arsenate of lead which will also control other fall insect pests.

Coal dealers in town are unanimous in their advice to the citizens to secure their winter's supply of coal now. They declare that the present supply is adequate, but that a shortage may develop later in the season. They also state emphatically that there is no prospect of lower prices.

PUBLIC MEETING TO DISCUSS PAVEMENT

A public meeting will be held in the Lyceum on Friday evening, 19th inst, at 7.30 o'clock to discuss the Main street paving by-law which is to be voted on Monday next. This will give all citizens an opportunity to thoroughly understand the proposition. The meeting will be addressed by Mr. Muir, Chief Engineer of county roads for the province, L. W. Oke, M.P.P., and Warden Sproule. Ladies are especially requested to be present. Attend this meeting and ask an explanation of any point that causes you perplexity.

WARWICK

Under the direction of the Warwick Women's Institute Mr. W. Donald will conduct a Poultry Culling Demonstration, Monday, Aug. 22nd, at 6 p.m. on the farm of Mr. D. Ross Jr. Everybody welcome.—Sec.

The G. T. Railway will give special rates to the Toronto Exhibition good going from Saturday, Aug. 27th to Sept. 10th inclusive, return limit Sept. 14th. The fare will be \$6.90.

The Government August crop report on potatoes for East Lambton says:—Early varieties promise 20 per cent. of 1920. The late varieties are badly blighted and do not promise more than 50 per cent. of 1920.

Mr. Ed. Upton has leased the Queens Hotel, Strathroy, for a number of years and will take possession Sept. 1st. Mr. Upton has had long experience in the hotel business and the travelling public will be well looked after when putting up at the Queen's.

The Masonic Lodge of Instruction for Erie District No. 2 will be held this year in Watford and Mr. W. R. Dawson of Inwood, the District Deputy, is busy completing arrangements. The Grand Master of Canada, Col. Ponton of Toronto has promised to attend. This will be one of the largest and most notable Masonic gatherings ever held here. The date has not yet been decided on.

Elsewhere will be found the list of successful pupils of the Watford High School at the Middle School examinations. Of the twelve students who passed eight obtained honors.

This is an excellent record for our school and speaks well for the teachers. In all the examinations this year the pupils of the school

A 20th Century Suit made to your measure.—Fall styles and fabrics now being shown.—A. Brown & Co.

A meeting of the promoters of the new skating rink for Watford met last week and appointed a committee consisting of Messrs. Bate, Rogers, Howden and Connolly to receive tenders for the erection of same and to put the subscriptions in negotiable form. With this object in view subscribers will be required to sign a promissory note for the amount of their subscription.

Students who have passed the High School Entrance examination this year should not miss the opportunity of advancing their education by attending the Watford High School. There is no better school in the province as is testified by the inspectors and shown by the 100 per cent. examination results. Better plan to attend. You will never regret having obtained a better education. Watford pupils do not pay fees as heretofore, the law having been changed.

What are you getting ready as exhibits for the coming Watford Fair? The way to make it go is to get your name on the membership roll and then boost for all you're worth. Anybody can criticise but the man or woman who will get their shoulder to the wheel are the folk the officers are always delighted to see. 5 or 10 additional exhibitors in each class would quicken the pulse in good style. Are you willing to be one of the boosters in 1921 and prove your interest by encouraging someone else?

PERSONAL

Mr. Chas. Cliff, Arkona, was a Watford visitor on Monday.

Mr. J. D. Williamson, Toronto, visited Watford on Saturday.

Mrs. Clegg, London, is visiting at her brother's Col. Kenward.

Mr. Reg. Leach of Sarnia called on friends in Watford this week.

Mr. John Marty, Sarnia, renewed old acquaintances here Saturday.

William Y. Fitzgerald is visiting at S. H. Mitchell's in Toronto.

Mrs. Lilian Colburn of Detroit is spending her vacation at her home here.

A. Eleanor McIntosh returned from a two weeks visit with relatives in Sarnia.

Miss Lou M. Aitken is visiting her friend Rev. Joseph Philip, Hamilton, this week.

Mrs. L. J. Williams and children of Calgary are the guests of Mrs. J. S. Williams.

Mr. Geo. W. Hagle, Calgary, is visiting his mother, Mrs. Eliza Hagle Gold street.

Miss Eva M. Crummer, Sault Ste Marie, is a guest at the home of Mr. W. S. Fuller.

Rev. and Mrs. Copeland of London, visited their son, W. J. Copeland, this week.

Vernon White London, spent the week end with his grandparents, Mr. and Mrs. Alfred Nash.

Misses Bessie and Donald MacLean of Windsor are holidaying with Mrs. MacLean at Hillsboro.

Dr. Nixon, wife and two children, Holloway, Mich., were visitors at Mr. E. A. Brown's this week.

Mrs. H. C. Orme, Wallace Fowler and Bernice Halford, Hamilton, are visiting Mr. and Mrs. W. Cooke.

Dr. and Mrs. E. Kenward, son and daughter, Lacom, Ill. are visiting the doctor's parents, Col. and Mrs. Kenward here.

The Comox Argus, Courtenay, B. C. says:—"Mrs. T. G. Mitchell of Watford, Ont., is visiting her son Mr. J. M. Mitchell.

Mr. and Mrs. Herb. Vallis of Toronto spent a few days with their uncles Jack and Reg. O. McIntosh, and other friends in town this week.

WARWICK

Mr. John and Miss Lottie Craig, Glencoe, visited at Robt. A. Gault's last week.

Rev. H. P. Westgate, Sandwich, is holidaying with relatives on the fourth line.

Ross Kenzie who has been seriously ill for the past two weeks is now convalescing.

Boys' School Suits—New Fall styles. Special at \$6.50 and \$7.50.—A. Brown & Co.

Mr. and Mrs. Fred Mellor and little daughter Patsy, Detroit, are visiting their sister Mrs. George Brent, 12 Sideroad.

Miss Freda M. Hall has returned home after a three weeks visit with her grandmother, Mrs. Margaret Higgins, 6th line.

A number from this neighborhood attended the funeral of the late Peter Kingston, from his home on the 4th line to the Watford cemetery last Saturday afternoon.

Miss Mildred Brent and her cousin Miss Muriel Doan, Hickson, who spent a month at her home here, are guests at the home of their aunt, Mrs. Reid Crawford, London.

Mr. William Luckham, Sarnia, and his daughter Miss Pearl Luckham, Windsor, are guests at the home of their niece and cousin Mrs. W. J. Vance, and are visiting other relatives.

Mr. John Smith, Mrs. Smith, his daughter Jean and his mother, Mrs. Wm. Smith, Watford, motored to Sarnia last week for a couple of days the latter remaining for a visit with her daughter, Mrs. Burns.

Miss Amy Luckham, returned last Friday from a week's visit and motor trip with her sister, Mrs. Small, Mr.

Small and daughter Gwendolyn, Ridgetown, to Guelph where their brother C. F. and Mrs. Luckham joined them on the trip to Port Elgin to see their brother J. S. Luckham, druggist of that place.

Mrs. Roger Shepherd (nee Lou McLeay) left last week for her home in South Africa after a years' sojourn with relatives. She is in poor health and her friends were sorry to see her make the return journey alone. Mr. Shepherd who accompanied her to Warwick left some months ago to resume his duties as teacher in a collegiate where he has been for a number of years.

Russell, the little son of Mr. and Mrs. Harry Graham, Birnam, whose serious illness was noted in last week's issue, passed away last Friday and interment took place at Bethel cemetery last Sunday afternoon. Rev. Mr. Patterson conducted the services at the house, and at the church. A large attendance evidenced the sympathy of the whole community for the bereaved young parents in the loss of their only child who was a bright little boy of one year.

Miss Pheobe McNeil is visiting her uncle Mr. Jas. Dempsey.

Miss Bessie Dudley from Whitby is visiting Miss Harrison, 12 line.

Mr. John Scott and niece Hazel Bowie left for the West Aug 10th.

Erwin Dempsey has returned after a week's visit with his uncle, Mr. E. J. McNeil.

Mr. and Mrs. W. H. McLellan, of Detroit, are spending their holidays at his old home.

Miss Edith Dempsey has returned home from Petrolia after visiting her aunt, Mrs. W. G. Atchison.

Miss Pearl Miller has returned home after a three weeks' vacation with her aunt, Mrs. McPhail of Enniskillen.

Miss Vera Edgar has returned home after a week's vacation with her grandparents, Mr. and Mrs. J. Brown of Watford.

Mrs. Duncan McIntyre of Port Hope, Mich., accompanied by Misses Margaret and Annie Warnick are at the home of Mr. John Scott.

Messrs George Sutherland, Woodstock, and Hamilton Rosison, Ilderton, spent the week end with their friend Mr. Norval Woods, Wooddale.

Mr. and Mrs. Richard J. Lucas and daughters, Goldie and Mrs. Fred Peasley and son Lloyd, arrived home on Monday after a three weeks' visit with Mr. and Mrs. S. L. Lucas of Desbarats, Ont. The trip from Sarnia to Soo by boat on the Hamonic, they report a most enjoyable time.

The friends and neighbors were shocked to learn of the sudden death of Mr. Francis Morcom, ninth concession Brooke on Wednesday evening last. The deceased had been at his work as usual all day, and had just stopped at six o'clock, when death came suddenly owing to heart failure. Medical aid was at hand in a few minutes but he had passed beyond human help. Mr. Morcom had been a resident of Brooke township for a great number of years and was highly respected by those who knew him. His quiet, kindly nature won him many friends throughout the township. He was a member of the Johnston Orange Lodge for years. The Orangemen attended the funeral in a body, and took part in the service, which was conducted by Rev. N. A. Campbell of Ilderton. Besides his widow, he leaves to mourn his loss four sons and two daughters John and James at home, Frank at Oxdrift, Mrs. Slater, Brooke; Sam of Sarnia, Mrs. Moffatt of Courtwright. Deceased was in his 73rd year.

Wallaceburg is manufacturing artificial ice.

Wm. Robert Benner of Alvinston died Tuesday of last week in his 75th year.

A swimming pool is being constructed in the High School Memorial Park at Norwich.

THE LATE PETER KINGSTON

Peter Kingston who died at his home on Aug. 11th, was born Dec. 23rd, 1858, on the homestead now occupied by his brother John. With the exception of one summer spent in the west he spent his early days working on this farm with his father and brothers.

In 1890 he married Sarah Minnelly daughter of the late Andrew Minnelly of Plympton, and with her began developing the fine farm "Deer Lick" on which died. The present condition of his farm shows his industry and ability as a farmer and the many trees set out about his home tell of his love of nature.

In politics he was a Liberal and a great admirer of Sir Wilfrid Laurier. His keen interest in national and world affairs led him to read much and his splendid memory and his ability as an imitator made him an entertaining conversationalist. In religion he was a Presbyterian and he died trusting in his Saviour.

The death of his only son Fred Laurier, in 1920 was a severe blow from which he never recovered. Besides his widow, he is survived by two brothers, John on the old homestead and Dr. T. S., of Crosswell, Mich., one sister Mrs. Jean Campbell who lives with John and one grandson, George B.

In the death of Mr. Kingston the community mourns the loss of a friend who was ever ready with help and sympathy to his neighbors. The funeral services were conducted by his late pastor, Rev. J. C. Forster assisted by Rev. J. H. Graham of Avonton, an intimate friend of the family.

The pallbearers were John Williamson, Stephen Morris, James Duncan, James Harrower, Thos. Roche, and Chas. Chambers, all old neighbors. The late Mr. Kingston was the eighth child born to Peter and Agnes Smith Kingston and of their ten children now remain the two brothers and one sister mentioned above.

CHOP STUFF

Tomatoes were selling at 50c. a bushel on the London market Saturday.

The Colorado potato beetle made its first appearance in Ontario in 1871.

The Young Farmers' Judging Competitions at the Canadian National Exhibition will be held Wednesday and Thursday Sept. 7 and 8, starting at 9 a.m.

An Iowa lawyer has recorded his will on a phonograph cylinder instead of on paper. The names of the witnesses were recorded also, and the cylinder sealed in a box and filed.

A record yield of wheat was threshed by Fred E. Hatch of Duart, when from eight acres by machine run, 354 bushels were secured. As actual weight always shows in excess over machine tally the yield per acre can easily be put at 45 bushels.

Speech is silver and silence is golden, theoretically, but the Telephone Co. doesn't believe it. With that soulless corporation it is speech that is golden, as you discover when you get the bill for your long distance calls.

John W. Watson died at his home on the 8th line, Plympton, on Thursday of last week, after an illness of three weeks' duration. He was born in McGillivray Oct. 14th, 1849, and was married in May 1874 to Louisa Maguire. Four years later they moved to Stephen, living there for 10 years, then moving to Bosanquet, where they resided for the last 33 years. Funeral took place Saturday to the Methodist church, Theford; with interment at Pinehill cemetery. Rev. W. W. Shoup conducted the service. The bearers were:—R. Gibson and F. Gibson, nephews of the deceased; and four neighbors, Geo. and Curtis Fleming, John and Geo. Hamilton. Deceased is survived by his widow three sons and two daughters. Mr. Watson was tax collector for Bosanquet for 12 years.

HERE AND THERE

It costs \$50,000 to stage the night spectacle at the Canadian National Exhibition.

More than 10,000 persons were killed in the United States by automobiles during 1919.

The very hot summer presages a very cold winter, some of the weatherwise say. How is your coal bin?

The Mormon temple at Cardston, Alberta, has been over fifteen years in building and the total cost will be considerably over a million dollars.

A missing girl was found sleeping inside the muzzle of a 14-inch gun of the shore batteries at Fort Warden, Wash., just before the gun was fired.

A Vancouver despatch says that canned salmon is being offered there in any quantity at six cents a pound tin, or six halfpound tins for a quarter.

Next year's auto markers will have black figures five inches high on a white background. The Ontario Government has let a contract for the manufacture of 166,000 sets.

The U. F. O. government is proposing to fix a fee of \$50 a table on all pool and billiard rooms in cities of 50,000 or over; \$30 in other cities and \$20 in smaller municipalities.

The motion picture industry is one of the sickest in the world today. That is a good sign. It is an indication that the people are realizing that play must be secondary to work.

The printers' strike in Toronto delayed the preparation of the school text-books required by the Department of Education. It has been found impossible to complete the new geography for September, and arrangements have been made to continue the old one for another year.

A physician speaking to his fellow practitioners at a meeting in Chicago recently, warned against the excessive use of salt. He said that fifteen or twenty grains of salt a day made the maximum which should be taken into the human system, yet from a hundred to four hundred grains are taken by some persons, counting the quantity found in salt foods.

In prognosticating the chances of the dove being reinstated in Ireland some authorities hint that about Christmas will be the date of permanent peace. It might be well for every Hibernian to begin right now to play Santa Claus tricks so as to have his hand in good practice by December 25th. We doubt if the long whiskered annual visitor has found much joy in the blood and thunder program so many are working at in Erin during past year.

A Vermont bank has gone into the mail-order business to help its farmer patrons to dispose of their maple syrup at a better price than the seventy-five cents a gallon that the middlemen offered. For the bank it is merely good business to prevent a hitherto flourishing industry from being badly disabled; but for the farmers it is an enlightening experiment in co-operative marketing. The bank lends seventy-five cents a gallon on the syrup, and the farmer waits for a settlement as any ordinary retailer would.

Among the several important amendments to the Ontario Statutes as passed by the Legislature last spring, is one of outstanding interest to the average citizen. It deals with the revision of the fees allowed witnesses attending the criminal and civil court and increases the stipend from 75 cents to \$1.50 for each attendance. In addition the mileage allowed witnesses has been increased from 13 cents to 15 cents a mile, another item that should commend itself to outsiders citizens who have found the old allowances inadequate to meet the increased costs of travel.

Girls must abandon the concealment of their ears, therefore the ear muffs must go. The ultimatum was issued at the convention of the National Hairdressers' Association at Chicago. Ears must come out. They must not emerge timidly and reluctantly. Neither must they be half-revealed or half-concealed by curls. But the ear, the whole ear, singly or in pairs, must come right out into the open and declare itself. A return to the high, "dignified" carefully-constructed coiffure is predicted. Bobbed hair will be permissible only for the flappers. Thus saith dame fashion and there will be a rush to follow her.

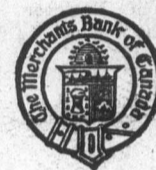

Butter is down; eggs are down; in fact every product raised on the farm is down in price, says the Kincardine Reporter, but the high cost of living has not come down in proportion. We don't want to see farm products go too low in price. A decent price for all products means prosperity to all classes. When the farmer is adequately recompensed for his labor, all classes in the community are more prosperous. It's up to the Government to find a solution. We know it's a hard job, but what are our legislators drawing their salary for if they can't solve these matters.

The Ontario Motor Vehicles Act has a clause to this effect, that it is unlawful for anyone to have an auto in which there is any contrivance that can be operated by the driver for cutting out the muffler on the car. Hundreds of autos have such cut-outs, and dozens of drivers let them run wide open up and down the streets every hour in the day, no matter whether it is 12 o'clock in the day-night, or 2 o'clock in the morning. It is an indictable offence to have a machine in one's possession with a cut-out, let alone running it wide open day and night. The practice has become a nuisance and should be stopped.

Do You Know "SALADA" GREEN TEA

has a far finer flavour than that of any Japan or China Green Tea? Send for a sample and be convinced. Address—Salada, Toronto.

By cleansing the blood and building up the system, HALL'S CATARRH MEDICINE restores normal condition and allows Nature to do its work. All Druggists. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

THE LAMBTON APPLE CROP

The Government fruit crop report for August shows that the apple crop will be small. The report from Forest says:—The apple crop will be about 50 per cent. of 1920 and indications show much scab. Spies and Russets are showing the largest crop. Kings, Baldwins and Greenings are fair, while summer and early fall varieties are very light. The fruit

is growing well and promises to be a fair size. Arkona.—Apples dropped heavily. In sprayed orchards there is a good crop, but as spraying was late this year the majority of the fruit is of poor grade. The crop will be approximately 40 per cent. of 1920 with quality much below. Baldwin and Spies in sprayed orchards look well. Wyoming.—Early apples maturing somewhat under size little change in condition since last report except considerable scab is developing. Baldwins and Russets are clean and a good crop, while Spies are showing short where not thoroughly sprayed.

A WARNING

The farmer has so often been the victim of the faker that it would seem almost unnecessary to warn him against the latest simple expedient adopted by the fraternity to relieve him of his hard-earned cash. That the warning is not unneeded, however, is proved by the fact that the trick has been successfully worked in several instances lately. The modus operandi is as follows: Two well-dressed men drive up to the farm in a fine-looking auto and suggest that they be commissioned to take a photo of the farmhouse which is to appear in some farmers' publication or county directory, and several copies will be supplied to the farmer at a charge which varies from \$14 upward to as much as the victim seems willing to pay. In one case which was brought to notice of the Farmers' Magazine, an unmounted proof was afterwards sent, but in most cases nothing further is heard of the get-rich-quick gentlemen after they have collected what they can get.

The village of Kingsville will put in sewers to cost \$37,000.

DUNCAN FAMILY REUNION

The annual reunion of the Duncan family was held on Saturday, Aug. 6th, at the home of Mrs. Chas. Craig on the fourth line South, Warwick, when in spite of the stormy weather, upwards of seventy-five members of the various branches of the family gathered for a very enjoyable time. They came from far and near; from Watford, Warwick, Forest, Plympton and Toronto in Ontario; from Austin and Gladstone in Manitoba; and from Port Huron, Mich., and Toledo, Ohio, in the United States. The guests of honor were Mr. and Mrs. James Duncan of Austin, Manitoba.

When the weather cleared sufficiently baseball, tug-of-war, jolly miller, and other games were indulged in by the young folks while the older ones exchanged reminiscences and family secrets.

Later as the shades of evening fell, the happy company adjourned to the parlors, where songs and speeches were in order. The Rev. T. DeCourcy Rayner, pastor of many members of the family who, with Mrs. Rayner was present by special invitation, presided over the gathering. Addresses were given by W. W. Kemp of Forest, Stanley Kemp of Toronto, and Duncan Smith of Plympton. Then in response to the calls for "Uncle Jim," James Duncan of Austin Manitoba gave an enjoyable little talk. Not to be outdone by the mere men several of the ladies made happy little speeches, notably Mrs. Dan Kemp, Mrs. W. W. Kemp, and Mrs. Chas. Craig, the hostess.

An old time trio by Mrs. Craig, Dan and James Duncan was much enjoyed, and, in response to the "encore" the two brothers Dan and Jim delighted the company with an old time duet.

A little later the guests began to wend their homeward way congratulating themselves that they belonged to the Duncan clan even if their names were not spelt that way.

CORN EAR WORM

The Corn Ear Worm, (and not the Corn Borer) has made its appearance in Lambton County; so announces W. P. Macdonald, Agricultural Representative.

Every year there is an outbreak of some injurious insect which had not been noticed for a long time. This year the Corn Ear Worm has been found in considerable numbers in corn fields in the vicinity of Sarnia and Petrolia. As indicated by the name, the caterpillar attacks the ears of corn and feeds upon the soft kernels, devouring a considerable number of them and rendering the ear unmarketable. The presence of the worm is seldom noticed until it has done much damage and when it is too late to apply any measure of control. In any case, it is a difficult insect to deal with working as it does inside the husk it is not accessible to any poisonous spray and cannot, therefore, be destroyed by any of the ordinary methods for biting insects. The caterpillar, when fully grown, is about an inch and a half in length and is very variable in color and markings; some greenish yellow with dark stripes and others are brown or almost black with the stripes obscured. The chrysalis stage is spent in the ground a few inches below the surface and there it remains during the winter and the moth emerges in early summer. The adult, like the caterpillar, is very variable in its appearance, usually it is a dull yellow with dark brown or blackish bands and crosslines. The only practicable remedy for the insect is to plow the infested field as late as possible in the autumn in order to expose the chrysalis to frost and snow and thus cause their destruction. It is well also to cut off and feed to pigs any ears that are found to be infested. This insect by no means confines itself to corn; in the Southern States it is called the Cotton Boll Worm and is one of the most serious pests of this important plant. With us it is occasionally found boring into the fruit of the tomato plant and it also attacks the buds of tobacco.

ANY PAIN OF THE BODY
Headache, Neuralgia, Rheumatic, Backache, Sciatic and Ovarian Pains. One or two DR. MILES' ANTI-PAIN PILLS—and the pain is gone. Guaranteed Safe and Sure. Price 30c. For Sale by Taylor Drug Co

TO WOMEN OF MIDDLE AGE

This Woman's Letter Tells You How To Pass The Crisis Safely.

Lascelles, P.Q.—"During the Change of Life I felt so weak and run down I could hardly do my work. The perspiration would pour over my face so that I couldn't see what I was doing. We live on a farm, so there is lots to do, but many who felt as I did would have been in bed. I took Lydia E. Pinkham's Vegetable Compound and it did me a world of good. I tried other remedies but I put Vegetable Compound ahead of them all, and I tell every one I know how much good it has done me." Mrs. DUNCAN BROWN, Lascelles, Prov. Quebec.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ear, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and dizziness should be heeded by middle-aged women, and let Lydia E. Pinkham's Vegetable Compound carry them safely through this crisis as it did Mrs. Brown.

You are invited to write for free advice. No other medicine has been so successful in relieving woman's suffering as has Lydia E. Pinkham's Vegetable Compound. Women may receive free and helpful advice by writing the Lydia E. Pinkham Medicine Co., Lynn, Mass.

If you cannot find the "Coolest Place in Town", drop in our icecream parlor these hot days.

All the best dishes and Sundae put up in the best and cleanest manner possible.

Don't forget our fountain ice-cream Sodas, all flavors.

F. H. Lovell's BAKERY AND CONFECTIONERY

WHEN USING WILSON'S FLY PADS

READ DIRECTIONS CAREFULLY AND FOLLOW THEM EXACTLY

There is only one way to kill all the Flies

This is it—Darken the room as much as possible, close the windows, raise one of the blinds where the sun shines in, about eight inches, place as many Wilson's Fly Pads as possible on plates (properly wetted with water but not flooded) on the window ledge where the light is strong, leave the room closed for two or three hours, then sweep up the flies and burn them. See illustration below.

Put the plates away out of the reach of children until required in another room.

The right way to use Wilson's Fly Pads

Do Your Bit to Prevent Bush Fires

YOUR co-operation—the co-operation of all the citizens of Ontario—is the biggest need in Ontario Forestry to-day.

History shows that impoverishment and national decline follows from the destruction of a country's forests.

Most of the area of this Province is non-agricultural, suited by Nature only for growing trees. This land remains yours but the Government sells the trees.

Every summer in Ontario an average area of 425,000 acres of forest land is burnt over, equal to a strip 130 miles long by 5 miles wide. This yearly desolation at the hands of her own people is gradually turning the northern part of the Province into a rocky desert. On thousands of acres, even the soil has been destroyed by fire!

Save Ontario's Forests They're Yours

The average yearly number of forest fires in Ontario is about 1,275. The vigilance of the Fire Rangers keep two-thirds of Ontario's forest fires down to an average size of less than five acres. But the others are big enough to raise the total average to 350 acres.

Forest fires in Ontario are destroying provincial assets of timber and pulp wood upon which the Province relies to help pay her share of Canada's War Debt. Forest fires destroy fish and game, decrease the regularity of stream flow, cause spring floods, land erosion and the crippling of water powers; turn revenue-producing areas into rock deserts.

Out of every 100 fires in Ontario's forests only three are caused by lightning, while ninety or more are due to man's care-

lessness. One thousand men scattered over 100,000,000 acres, have little chance of preventing fires. All they can hope to do is to see the smoke in time to check them and put them out before they spread beyond control.

The problem of adequate protection of Ontario's Forests from fire is almost entirely a moral one involving the whole public of Ontario. The vast majority of forest fires are caused by human carelessness due to lack of civic responsibility. The tendency is to leave all the responsibility to the Government for protecting the forests from fire. The Government cannot protect the forests belonging to the people of Ontario unless the people of Ontario cooperate. Forestry needs your patriotism, your public spirit, your regard for the general welfare of Canada.

Ontario Forestry Branch, Parliament Buildings, Toronto, Ont.

NOTE AND COMMENT

Some people's vanity is satisfied if they get a large mail and have time to stop in the post office and open it.

Eliminate the booze news out of some of the daily papers and the consumption of paper would be greatly reduced.

Russia, which was the first country to adopt Prohibition, is also the first to issue a decree permitting the manufacture and sale of beverages containing up to 14 per cent. of alcohol. Total prohibition was adopted in Russia June 1916 and has been strictly enforced.

The coal heavers of Kansas will go out on strike in sympathy with the high and public school teachers. Misery loves company and trade unionism makes strange bedfellows. The city white wings federation will also take a strike vote on the question.

The Bell Telephone Co., is hard up again and will make application to the Board of Railway Commission for authority to raise its rates. These applications are getting too frequent to please the public. As the Toronto Globe says "The favorite character in fiction of the Company must be Oliver Twist."

The ex-Kaiser declares that he is in want and threatens to return to Germany unless he gets more money. He has only had \$854,000 to live on since the armistice was proclaimed. Poor fellow, one feels sorry for him, nit. A Berlin Socialist paper suggests that his five sons should go to work and help support the old man.

And now the bootleggers are complaining about hard times. Probably they will be forced out of business altogether. Judging by the prices they have been getting the past two years they should have wealth enough to last them the rest of their lives. If they have not they might dig ditches which is a more honorable occupation and not so risky.

Newmarket Era.—The Postal Authorities at Ottawa have doubled the price of special delivery letters in Canadian cities. The result will be to divert this correspondence to the telegraph. It will only cost 5 cents more and give much better service in point of time. What the Post Office Department should do is to reduce letter postage from 3 cents to 2 cents, the same as it was before the war. People feel that they are being taxed to death.

The provincial Department of Education, according to V. K. Greer, assistant inspector of London Public schools, is considering important changes in the present system of superannuating teachers, under which it is expected increased allowances will be given, with special provisions based on age and years of service. Forty years of service is at present necessary before superannuation is allowed but under the new proposals it is anticipated that annuities will be given to those who retire after serving 25, 30 or 40 years.

The Vancouver Sun, speaking of the habit of calling the Atlantic Provinces "Maritime" says that "British Columbia is a maritime Province in a larger sense than any other. There is a greater extent of seaboard. In commerce, in shipping, in fisheries, British Columbia leads all the Provinces that are called 'Maritime.' Without British Columbia Canada could hardly be said to have a place in the sun." How these Western newspapers do talk. Is the B. C. liquor law responsible for some of this cranial swelling?

For cool deliberate nerve, the bandit of today, who robs banks and business places and murder when they are cornered, deserve to be handled without gloves. Neither the individual nor his home are immune. In broad day-light, along a public

street or thoroughfare these vultures pounce upon their victims, and regardless of the risk they run, carry out their program. There should be no tinkering with justice as such conduct should receive no quarter, and fellows taught the lesson that the way of the transgressor is hard.

Editor James of the Bowmanville Statesman says:—In the olden days the reports of the examining board of candidates writing on the Departmental examination for Entrance to the High Schools were sent to the newspapers in greater detail. For instance the name, school and teacher and the aggregate marks made by the candidate were given. Why should not this amplified statement be supplied for publication? We have never considered any argument advanced against his common sense method worthy of serious thought. If a girl or boy makes a high record at examination why not get credit for the work?

A new instrument has been invented to catch listeners on a telephone line. It reports at a Central when a receiver other than that of the person called is taken down and tells the number of the phone listening in. By this means an eavesdropper can be caught when poking his or her nose into other people's business. The cost of the instrument is small which will permit it being placed wherever a party line is used. It will be a good thing for business but hard on the butinski to have to lose his phone or pay a penalty. The only drawback to the invention is that the message must go through a Central not having yet been perfected so as to be of service when a call is for a party on the line, but this improvement is expected to follow shortly. The argument is used that if this instrument is generally installed it will lessen the number of phones. On the other hand it is thought that those who use the phone for legitimate purposes alone will be willing to pay a little more to get rid of the ill-mannered people.

OTT—COOKE

At the home residence of the Rev. H. Nixon of the Methodist Episcopal church, East Grand Blvd, Detroit, Harriet June Cooke, third daughter of Mr. and Mrs. Walter Cooke Sr., of Watford, and Mr. C. L. Ott, only son of Mr. and Mrs. F. C. Ott, spoke their wedding vows on Saturday evening, July 30th, at 8.30 o'clock. The bride was attired in her travelling gown of black canton crepe trimmed in gros-grain ribbon and wore a picture hat to match. She carried a shower bouquet of bridal roses and baby breath and was attended by Miss Christine Fraser as bridesmaid. Mr. Forest E. Brown, a former classmate of the groom at the University of Illinois, assisted as groomsmen.

After a short honeymoon in the Adirondacks the young couple will be at home to their friends at 3064 Seaburn ave after Sept. 1st.

MAIL CONTRACT

Libby, McNeil & Libby of Chatham having some twenty acres under cultivation here.

A lawn social in the interests of the Soldiers' Memorial Fund will be held on Mr. Lucas' lawn next Tuesday evening, Aug. 23rd, under the auspices of the Women's Institute. A fine program, chiefly local talent will be provided. Everybody welcome. Admission, including refreshments, 35 cents, children 25 cents.

KERWOOD

Miss Stevens of Shetland, was a guest at the parsonage.

Mr. Stoner of Warwick Village has moved to Kerwood.

Miss Reta Denning is spending a week with her aunt in Appin.

Mr. and Mrs. Elmer Langford are taking a trip to Plato, Sask.

Miss E. Ramsay of Montreal spent a couple of weeks the guest of Miss M. Barnes.

Miss Maud Jones of Watford spent a few days with her friend Miss Annie Richardson.

Mrs. Boug and daughter Miss Beryl of London spent a week the guests of Mr. and Mrs. A. Woods.

Dr. A. E. Morgan and wife of Toronto motored and spent a few days with the Doctor's mother, Mrs. Geo. Morgan.

Mr. and Mrs. A. Law, and daughters Misses Genevieve, Grace and Mae, left last week for the west where they intend to make their home in the future.

Mr. and Mrs. Meredith Morgan left last week by motor to visit Dr. Walter Morgan of Rossin. They will also visit friends in Toronto, Cobourg and Hamilton.

Rev. A. E. Moorhouse, wife and family of Windsor, motored and spent the day with Rev. C. J. Moorhouse, who has been quite ill. Mr. Moorhouse hopes to be able to take charge of his services in the place of worship next Sabbath.

A lively game of baseball was played between Kerwood and West Adelaide on Monday evening at West Adelaide. Kerwood claiming the victory. The boys are hoping for a return game to be held in the village.

The W. M. S. of the Methodist church will hold their postponed meeting Aug. 26th at the home of Mrs. Albert Fuller. A good attendance is requested as plans will be made for an open meeting for next month.

BROOKE COUNCIL

Inwood, Aug. 13th, 1921
Council met pursuant to adjournment. Members all present. Minutes of former meeting read and on motion of Sutton—McLean were adopted.

Report of A. S. Code, O.L.S., C.E., read on the proposed construction of the Lett drain. A number of interested ratepayers were present at the reading of the report.

Loosemore—Sutton, that report be adopted and by-law be prepared authorizing work and loan.—Car.

By-law authorizing the construction of the Lett drain, and to borrow on the credit of the Municipality the funds necessary for the work submitted and read.

Campbell—Sutton, that by-law be provisionally adopted, printed in pamphlet form, with a copy served on each party assessed, with a Court of Revision on same be held in Code's Hall, Alvinston, on Saturday the 10th day of Sept. 1921, to open at 3 o'clock p.m. L. McLean to be commissioner and to serve by-laws.—Carried.

Petitions received asking for the construction of a cement sidewalk, three and one half feet in width, along the west side of Park street, beginning at the intersection of Park and James street and extending north to the northerly limits of Lot number five, and on the east side of Park street, in front of lots 1 to 7 inclusive. North side of James street in front of lots number fifteen to fifty feet east of lot No. 30. Walk on James street to be four feet wide and payment be extended over a period of five years.

Campbell—Sutton, that petitions be received and A. S. Code be appointed to lay out sidewalks, make estimate of cost, the same to be assessed against lots and streets benefitted, and report to Council.—Carried.

Brooke Municipal Telephone System asked that \$2000 be advanced for telephone purposes.—Granted.

Petition received signed by a majority in number asking to have the Tait Award Drain No. 2 repaired under "Municipal Drainage Act." Title preferred.

Campbell—Loosemore, that petition be entertained and G. A. McCubbin, O.L.S., C.E., be instructed to make an examination of the area; submit a report, plan, profile, and estimates and to make an assessment of lands and roads liable for assessment under "The Municipal Drainage Act."—Carried.

Sutton—McLean, that tender of Geo. Patterson for repairs to the 14th con. Drain opposite lots 7, 8, 9 as per agreement of ratepayers; overpayment of \$91.14 from off lands and roads assessed for repairs to the Davidson-Bourne drain; overpayment of \$400.91 from off lands and roads assessed for the construction of the McIntyre-Zavitz drain, was passed in the usual way.

By-law authorizing the collection of the sum of \$501.72 from off lands and roads assessed for the repairs and extensions to the Davidson drain. \$390.17 from off lands and roads assessed for repairs to the 7th con. Drain opposite lots 7, 8, 9 as per agreement of ratepayers; overpayment of \$91.14 from off lands and roads assessed for repairs to the Davidson-Bourne drain; overpayment of \$400.91 from off lands and roads assessed for the construction of the McIntyre-Zavitz drain, was passed in the usual way.

By-law submitted and read to authorize the levy of the several rates required for County, Good Roads, School and Township purposes.

Sutton—Campbell, that blanks in by-law for levying annual rates be filled in as follows:—County rate, 3 mills; Good roads 5 1-10 mills; 4-4-10 mills to meet payment of \$600 to each school section; 5-10 mill for steel bridge debenture and 5 mills for all Township purposes, a total of 18 mills.

That the amount asked for by Trustees of School sections be levied on the respective sections less the \$600 to each, and by-law be read a third time and finally passed.—Car.

Trustees of the Police Village of Inwood interviewed the Council re amount of the Township rate due the Village. It was agreed between Trustees and Council that 1-18 of Township rate be placed to credit of the Village and that the Village and Clerk sign agreement to that effect.

Sutton—McLean, that Council do now adjourn to meet in Code's Hall, Alvinston, on Saturday the 10th day of September, 1921.—Carried.

W. J. WEED, Clerk.

KEEP CHILDREN WELL DURING HOT WEATHER

Every mother knows how fatal the hot summer months are to small children. Cholera infantum, diarrhoea, dysentery, colic and stomach troubles are rife at this time and often a precious little life is lost after only a few hours illness. The mother who keeps Baby's Own Tablets in the house feels safe. The occasional use of the Tablets prevent stomach and bowel troubles, or if the trouble comes suddenly—as it generally does—the Tablets will bring the baby safely through. They are sold by medicine dealers or by mail at 25 cents a box from the Dr. Williams' Medicine Co., Brockville, Ont.

The Petrolia school board has engaged three new teachers at a salary of \$900 each.

MARRIED
At the home of the bride's mother, Wednesday, Aug. 10th, 1921, by Rev. W. W. Shoup, Mr. R. John Hamilton, to Leila Bernice, only daughter of Mrs. Asa Wright, all of Bosanquet.

DIED
In Warwick, on Thursday, Aug. 11, 1921, Peter Kingston, in his 64th year.

In Petrolia, on August 10, 1921, Samuel Douglas, aged 67 years and 5 months.

In Plympton, on Saturday, Aug. 6th 1921, Mr. Robert Blain in his 73rd year.

In Bosanquet, Thursday, Aug. 4th, 1921; Mr. John W. Watson, in his 72nd year.

IN MEMORIAM
In loving memory of Myrtle L., beloved wife of Freeman Kersey, who passed away two years ago August 23rd, 1919.

We mourn the loss of her we loved, And did our best to save, Beloved in life, regretted, gone; Remembered in the grave.

—From Family.

Mr. Bert Pryor of Petrolia had a couple of teeth extracted. At two o'clock in the afternoon the gums started to bleed freely and although a doctor worked over him for several hours it was not until next morning at six o'clock that the bleeding was stopped. By this time Mr. Pryor was in an extremely weakened condition with a foot in one of the slippers that are parked at the bottom of the golden stairs.

GET READY FOR EAST LAMBTON FALL FAIR

Only Five Weeks More—September 22 and 23

BENEFITS OF FALL FAIRS

Every year sees an increase in the number of fairs and exhibitions held throughout the country and their success each year is greater, both financially and from the viewpoint of size. The popularity and success of these events can probably be credited to the fact that besides serving a definite purpose in the needs of a nation, it profits everyone who comes in contact with or is connected with them. The city, town or village receives much publicity and prestige, the merchants, railroads and others reap a harvest from the many visitors; manufacturers and agents are enabled to prove the merits of their goods to thousands of people by first hand facts and demonstrations; it stimulates competition among farmers dairymen and kindred producers and rewards them for their efforts, and last but not most important because upon them hinges the success of the event, it affords the big mass of the population an opportunity for a pleasant holiday, unloosens our purse strings, makes us forget our troubles and teaches us a great many things that we ought to know about our country and community, what they are doing, how they are doing it and how it compares with the work of others. Exhibitions and fairs are great institutions, especially for a growing country, and they should be encouraged and supported by all. School fairs are now being combined with the local fairs and are increasing the interest of both old and young.

SPECIAL PRIZES

SWIFT, SONS & CO.
The largest 3 heads Cabbage \$1.00
Best ½ bushel Potatoes \$1.00
Best ½ bushel Carrots, \$1.00.
Best ¼ bushel Onions, \$1.00.

PUBLIC and HIGH SCHOOL TEXT BOOKS

There are several new text books out this fall and you will find our stock as complete as it is possible to make it. Our assortment of Scribblers, Note Books, Inks, Pens, Erasers, Pencils, etc., is unusually large and prices are lower than in former years on account of the drop in price of paper and raw materials.

We are agents for the celebrated
WATERMAN'S FOUNTAIN PENS
which are sold under an absolute
guarantee. Prices range from
\$1.25 upwards.

TAYLORS'
WHERE QUALITY AND VALUE MEET

MIDDLE SCHOOL EXAMS. W. H. S.

The following pupils of the Watford High School were successful in obtaining their Normal Entrance certificates:— Marguerite Annett, Willie Coke (honors), George Chambers (honors), Jessie Cran, Gordon Johnson (honors), Nellie Kinnell (honors), Eulalie Logan (honors), Ellen Lucas (honors), Agnes McDougall, Gertrude Manders, Gordon Richardson (honors), Blanche Stapleford (honors). Also the three following obtained partial standing: Mabel Annett, Florence Edwards, Harold Roche.

The following obtained Junior Matriculation certificates:— Willie Coke, George Chambers, Gordon Johnson, Nellie Kinnell; Eulalie Logan, Ellen Lucas, Gordon Richardson, Blanche Stapleford, Florence Edwards (partial matriculation).

THE CAUSE OF BACKACHE

Only in Rare Cases Does Backache Mean Kidney Trouble

Every muscle in the body needs constantly a supply of rich red blood in proportion to the work it does. The muscles of the back are under a heavy strain and have but little rest. When the blood is thin they lack nourishment, and the result is a sensation of pain in these muscles. Some people think pain in the back means kidney trouble, but the best medical authorities agree that backache seldom or never has anything to do with the kidneys. Organic kidney disease may have progressed to a critical point without developing a pain in the back. This being the case, pain in the back should always lead the sufferer to look to the condition of his blood. It will be found in most cases that the use of Dr. Williams' Pink Pills to build up the blood will stop the sensation of pain in the ill-nourished muscles of the back. How much better it is to try Dr. Williams' Pink Pills for the blood than to give way to unreasonable alarm about your kidneys. If you suspect your kidneys, any doctor can make tests in ten minutes that will set your fears at rest, or tell you the worst. But in any event to be perfectly healthy you must keep the blood in good condition, and for this purpose no other medicine can equal Dr. Williams' Pink Pills.

You can get these pills through any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Everyone reads the "Guide-Advocate Want Column" on page 4.

Rub it in for Lame Back.—A brisk rubbing with Dr. Thomas' Electric Oil will relieve lame back. The skin will immediately absorb the oil and it will penetrate the tissues and bring speedy relief. Try it and be convinced. As the liniment sinks in the pain comes out and there are ample grounds for saying that it is an excellent article.

MIDDLE SCHOOL AND MATRICULATION EXAMS.

The following list contains the names, for Lambton, of the candidates who have been successful at the Middle School examination for entrance into the Normal Schools, and the pass junior matriculation examination. Candidates writing the pass junior scholarship examination for the University of Toronto, McMaster University, Queen's University or the Western University have been considered in the results.

Middle School Normal Entrance—

THREE REASONS WHY

—you should attend the
Sarnia Business College

1. It is a member of the Business Educators' Association of Canada, which was formed some years ago to raise the standard of Business Education. It sets the examinations and issues the diplomas similar to the Department of Education. Only schools of high standard, having proper equipment, the best instructors, and who are honest and fair in their business methods are permitted as members.

2. We do not ask the student to sign any binding contracts, or to pay for more than one month at a time. Then if he is unable to attend or dissatisfied, he has nothing to lose. We try to treat you fair.

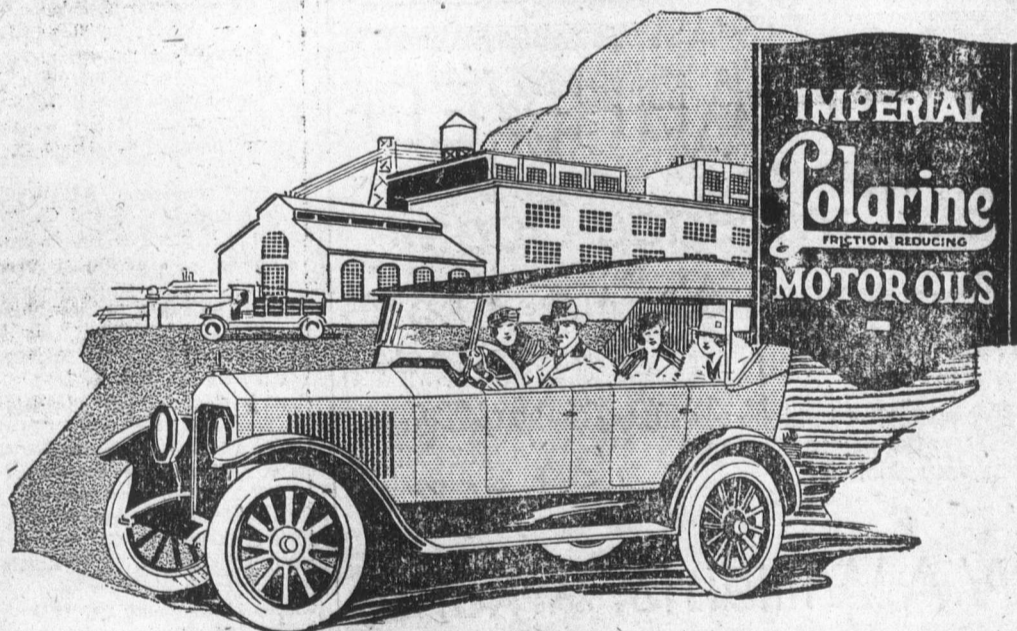

3. Our graduates are always in demand because their diploma issued by the B.E.A. is recognized by business men all over Canada.

You Save Every Way—

Quality maintains economy. No matter how much you pay "per gallon" for other lubricating oils you get more lubrication "per dollar" when you buy Imperial Polarine Motor Oils.

MORE mileage from every gallon of fuel and quart of oil; uninterrupted service from your car; slower depreciation; fewer repair bills and no lubrication trouble—these sums up the savings and satisfaction enjoyed by users of Imperial Polarine Motor Oils.

The uniform high quality of Imperial Polarine Motor Oils, wherever you buy them, insures you more miles of correct motor lubrication for your dollar than you can obtain in any other way. Quality *does* maintain economy.

Our Chart of Recommendations shows the grade of Imperial Polarine Oils required to correctly lubricate your car. Use this grade exclusively and you will get the years of service and satisfaction which you have a right to expect from your car.

Consult our Chart at your dealer's or write to 56 Church Street, Toronto, for a copy of "Automotive Lubrication," which contains the complete Chart and other useful information.

IMPERIAL OIL LIMITED
Branches in all Cities

FOR A CLEAN EFFICIENT MOTOR

Not even Imperial Polarine Motor Oils will lubricate properly if mixed with grit and dirt. Your crank-case should be thoroughly cleaned every thousand miles or less. Dealers displaying the sign to the left will clean your crank-case in an expert and workman-like manner. Such dealers use Imperial Flushing Oil, the modern scientific cleansing agent. Employ crank-case service regularly and you will save hundreds of dollars every year.

THE TORTURES OF RHEUMATISM

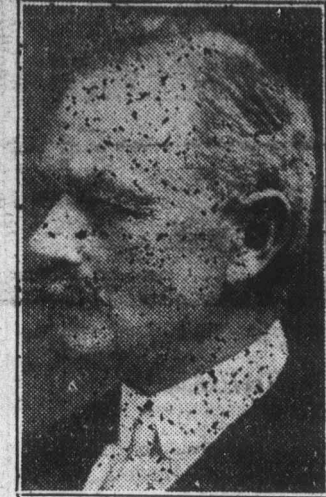

Happily Stopped When He Began To Take "Fruit-a-tives"

8 Ottawa St., Hull, P. Q.
"For a year I suffered with Rheumatism, being forced to stay in bed for five months. I tried all kinds of medicine without relief and thought I would never be able to walk again. One day while lying in bed, I read about "Fruit-a-tives" the great fruit medicine; and it seemed just what I needed, so I decided to try it.
The first box helped me, and I took the tablets regularly until every trace of the Rheumatism left me."
LORENZO LEDUC.
50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

"To him that hath shall be given"
Was the Biblical version of our modern saying: "Nothing succeeds like success." So it was with Dr. Pierce, of Buffalo, N. Y., who, over 50 years ago, gave to the world a Prescription which has never been equalled as a tonic for the weaknesses of women. Many women in every hamlet, town or city will gladly testify that Dr. Pierce's Favorite Prescription did them a world of good. Ask your neighbor. Another of this great physician's successful remedies is known as Dr. Pierce's Golden Medical Discovery and, like the "Prescription," is now sold by druggists everywhere, in both liquid and tablet form. This medicine was a success from the start, for the list of men and women all over the universe who have successfully used it for indigestion and as a blood tonic and system builder, makes an amazing total of thousands.

DO YOU KNOW HIM?

Even the Byng Boys will hardly recognize their former leader in the above. It is, however, Lord Bynng's very latest picture, specially posed for the Canadian National Exhibition, a few days before he sailed for Canada, for reproduction on a medal commemorating the opening of the 1921 Fair, over which he will preside on Aug. 27. Divested of his military attire the new Governor-General looks a very different person to the stern soldier Canadians knew through his war photos.

BOSANQUET COUNCIL

Council met Aug. 1st., all members present; minutes of last meeting confirmed. Application was made to have the Stubbs drain repaired and the clerk was instructed to notify A. S. Code to examine the drain with the view of putting it in a proper state of repair, etc. The by-law for the repair of the Dumigan drain was passed. The following orders were given:—Hanna, LeSueur & McKinlay \$85.75, bal. of Bosanquet's share of laws costs in appeal to Drainage Referee re North Street drain; A. Burch \$150, work on Gray drain; Geo. Smith \$17.60, cement for Gray drain; R. D. Thomson \$50, to pay John Wilson for culvert pipe for Gray drain, and \$70.50, to pay for drawing tile to drain; Gordon Wright \$30, W. Nutt \$35.10 and Jas. Palmer \$30.16 on culverts on Gray drain; Roy Mather \$245.25, tile for the Elliott-Moloy drain; A. Ross \$82.50, drawing gravel for bridge; Wm. Bryant \$5.50 printing Gray drain debentures, \$5.50 printing Haney drain debentures and \$111.50 printing voters' lists; Osborne Bell \$6, drawing gravel to bridge 9 s. r.; McFarlane Bros., 90c for tile for May drain; Geo. Coultis & Son \$59.80 for plank; Chris Borthwick \$20.54 for plank, stringers and work on bridge con. 2, and \$37, grading etc., con. 2; G. W. Down \$45.50 for gravel; Jas. Laird \$15.25, for tile on 27 s. r.; Geo. Borthwick \$2.21, supplies for E. Gerouard; Rich. Moore \$461.60, building bridge over Shawana drain 9 s. r., and \$336.60, building bridge over Russell drain 9 s. r.; D. K. Stewart \$52, drawing gravel and stone for bridges 9 s. r. & P. L.; Forest Free Press \$2.70, ad for tenders Haney drain, and \$2.40 ad. re Court of Revision; Forest Standard \$1, ad Court of Revision; A. Weir \$17, advice; Earl Stewardson \$1.50, work in gravel pit; Wm. Bright \$3, for tile con. 8; Burr and Russell \$1.50, work on Haney drain; Geo. Smith \$423, for cement; Sylvester Christmas \$275, work on Elliot-Moloy drain; Roy Mathers \$10 for engineer's assistants on Dumigan drain; E. Martelle \$6, auto hire for engineer; John Dallas, \$77.75 for gravel, and A. S. Code \$154.90, survey, etc., Haney drain. Council adjourned to meet on Monday August 29th at 9 a.m.

We Are Selling Cheaper Mileage

You may get extraordinary mileage out of any one tire—but that's not the way to figure mileage.
Get the average of mileage given by a pair of tires on a set—and you will get nearer to the actual cost of mileage to be charged to the upkeep of your car.
It's just because we've taken the trouble to figure values that way, that we recommend Ames Holden "Auto-Shoes."
We know they are giving real mileage over the worst roads in the country and their "average" performance leaves no doubt in our minds that Ames Holden "Auto-Shoes" will give you the cheapest mileage you can buy. And they are guaranteed without time or mileage limits. Drop in and let us show you and tell you about

EXTRA SPECIAL!

We have two TEAS which we are not selling enough of, considering the value. To get you started we offer
3 lbs. Special Blend Black \$1.00
2 lbs. Special Japan \$1.00
If not up to your expectation bring it back and get your money.

The N. B. Howden Est.

Are Klingtite Belts Too Good for the Farm?

Some say they are!
But no GOOD farmer will admit that he is satisfied with inferior belts. Farm power-work needs just as fine a belt as does the city factory.
That is why Goodyear Klingtite Belts are taking such a strong hold.
Klingtite Belts may cost more to buy. But they certainly cost less to use. They last longer. And they do their work better.

If better belts interest you, see us about Klingtite Belts.

SEND IN THE NEWS

PAVING MAIN STREET

To the Editor of the Guide-Advocate
Re Main Street Pavement.

On August 10th I wrote to the Hon. F. C. Biggs, Minister of Public Works and Highways, wanting to know why Watford was not receiving a grant of 60% instead of 40% from the Government to apply on the cost of the proposed pavement of Main St. After I wrote my letter, which was written before last week's Guide-Advocate was published, I noticed an item in your said paper which stated that although we were only getting 40%, the building of the 20ft. pavement mentioned would not raise our taxes one cent on account of the balance of the 60% being paid through the County for taxes that we would pay in any event under the Good Roads System. I think this statement is correct but we would not have the extra 20% to use on other streets. Mr. Muir, Chief Engineer of County Roads, who spoke here at a public meeting last spring, about the matter stated that we could receive 60% of the cost of the pavement from the Government by an agreement made with the County Council under an amendment to the Highway Improvement Act in the Ontario Statutes 1920. Under section 5, of Chapter 18 of the Ontario Statutes of the year 1919 it is distinctly mentioned that when no roads or streets exist within the limits of a Town that are connecting links with County Roads grants may be expended upon other streets or roads or portions thereof as the Minister may approve of. This bears out what Mr. Muir stated but unfortunately at the present time the matter has not been arranged with the County so that we could get the 60% and we are only getting 40% from the Government. The Hon. F. C. Biggs has written me a letter in reply to my letter to him which letter is as follows:—

Toronto, Aug. 12th, 1921

Dear Sir:

Your letter of Aug. 10th, re assistance to connecting link between portions of County Roads throughout the Town of Watford, duly received.

I am enclosing you a copy of letter to Mr. W. G. Connolly, of Watford, which I think explains the entire situation. You will note in that letter that I have stated if the grant is made, as set forth in your letter, under the Statutes 1920, whereby an agreement may be entered into between the County and Town receiving assistance, 60% should be paid. Now from the information I have gathered from the deputations that have waited on me, and also correspondence, that there would be some difficulty in getting the County to enter into this agreement. The letter also states that if you are dealing directly with the Department it would be impossible for us to grant you more than 40%, which is the amount granted on Provincial Highways by the Department.

I should very much prefer that the matter be carried out by agreement with the County, in strict accordance with the Statutes and then the assistance should be given on the 60% basis, when the yearly return of the County was submitted to the Department for approval.

Hoping that I have made this point clear to you, I beg to remain,

Yours very truly,
(Sgd.) F. C. BIGGS,
Minister of Public Works and Highways.
W. E. Fitzgerald, Esq.,
Barrister, Solicitor, Etc.
Watford, Ont.

Toronto, July 7th, 1921

Dear Sir:

Your letter of the 6th inst., re assistance towards your street, duly received. The Department is most desirous to assist you with the construction work of your street, but the system of giving this assistance according to the Statutes should come from the county. If the county will make a grant to your town to cover this expenditure, that is to say the Government's portion, whereby we may pay a subsidy on it, we will be glad to deal with you through the county on a 60% basis. However, now that you have entered into the work and are desirous of carrying it on, I do not see how we can possibly give you more than 40% assistance, if paid directly by the Department as this is the amount we pay on connecting links on Provincial roads, and could not pay more than this amount by this course. I think the day you were in my office we went carefully over the statements, which to my mind are very distinct in the matter, and should be greatly pleased if the statements should be followed, otherwise, the alternative will have to be used, as stated above.

Yours truly,
(Sgd.) F. C. BIGGS,
Minister of Public Works and Highways
W. G. Connolly, Esq.,
Watford, Ont.

I think if this matter is yet properly brought before our County Council that we may still get the other 20%

A. Brown & Co.

The
Belrobe
Method

If you can't have all
the frocks you
want—
You can have
more than you
planned.

Saves
50c
to
\$10.00
on
every
gown
you
make

Because the wonderful new invention
called The BELROBE METHOD

Saves from 1/4 to 1 3/8
yards of material

on every gown you make, which
means a cash saving of the price
of that amount of material.

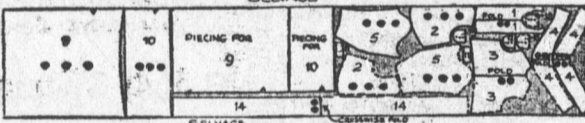

The BELROBE METHOD is a time-
saver, a money-saver and a material
saver. The BELROBE METHOD shows
you how to

cut out
put together
fit and finish

by pictures and directions the frock
you make.

Think of it—no more worry about
cutting out a frock! All you need
do is follow the layout, and in the
least possible time and from the least
material your frock is ready to be
put together.

VIEW B SIZES 36 to 40 on 56 inch MATERIAL

Such a layout, as the above for example, for a smart frock,
saves time, fussing and material. There's a layout for
all sizes and all widths of suitable material, for this is

The BELROBE METHOD

and be able to use that much more
on our other streets that we would
get from the County in any event
instead of having to use it on Main
street, therefore it is absolutely
necessary that we should not delay
this matter and I think our County
Council, when it will not cost the
County anything, will be willing yet
to allow us to get from the Govern-
ment through them the benefit of
the additional 20% in all 60% if
the matter is understood by them. I
would, therefore, advise every rate-
payer entitled to vote in this matter
to come out and vote for the by-law
that is now being submitted and
then let us try and get the other
20% that we should get in addition
to the 40% referred to. Main street
should certainly be paved as sug-
gested, from both a business stand-
point and for the benefit of the
town generally and we cannot afford
to not accept what is now offered
us even if it is not all that we should
get so that we could use it on the
other streets and especially when it
appears it will eventually not cost
the ratepayers one cent more in
taxes as stated for the 20 ft. pave-
ment referred to. I was speaking to
an outside County Councillor today
and he told me that our County
Council were willing that we should
get the 60% from the Government.
So let us get after the additiona-
20% after we pass the bylaw and
have that much to spend on our
other streets as stated.

Yours etc.,
W. E. FITZGERALD,
Dated Aug. 16th, 1921.

Orillia Chautauqua guarantors
were called upon to make up a de-
ficit of \$1098.00. There were 40 of
them.

Two swallows don't make a sum-
mer, but one "swallow" would bring
joy to some thirsty ones in the good
old summer time.

H. A. Gilroy of Alvinston thresh-
ed over 1,600 bushels of wheat from
55 acres sown—a return of nearly 30
bushels per acre.

Crows, blackbirds and robins have
started to come together in small
flocks. They keep this up for about
two weeks and at the end of that
time the flocks become extra large
when they take their flight to their
southern home for the winter. They
have started about a month earlier
this year and weather prophets all
say this is a sure sign of an extra
early and cold winter which will set
in before December and last until
May.

A product of Huron county in the
shape of a huge steer, Sir Douglas
Haig by name, has been on exhibi-
tion during the past three days at
Stevenson's rink, Wingham. This
mammoth animal, which is claimed
to be the largest steer in the world,
was raised by Charles Stewart, in
Ashfield township, Huron county. It
is a grade Durham, almost thorough-
bred weighs 3,570 pounds has a girth
of 10 feet, 9 1/2 inches and brought
the record price of \$5,000. The pur-
chasers were Messrs. Martin and
Bland.

Chas. Moore, of the 2nd con. Gos-
field tp., who by the way, is acquir-
ing a fine lot of Holstein cattle,
some time ago ran across a pure bred
calf at an auction sale, which he be-
lieved from appearances would devel-
op into an extra fine animal. That he
was correct in sizing up the animal
is proven by the fact that at 20
months old it is producing 40 pounds
of milk per day which by government
test shows 3.8 butter fat. She prom-
ises to be a wonderful milk producer
when she comes to her best. So far
as known there is nothing in Essex
Co. to equal the record made by this
fine young cow.
