There is plenty of water on the Blue Ribbon Ceylon Tea estates. Unsettled weather is extremely frequent—rain storms deluge the plants at the rate of a full inch an hour The golden sun soon dries the drenched vegetation when the storm passes—the tea plant grows its small delicate leaves in the cool, clear atmosphere.

It's different in the low country. There the water is retained in unhealthy swamps and marshes. In this steamy, simmering atmosphere the tea plant grows rankly and rapidly—great coarse leaves, fibrous and woody-full of tannin.

Blue Ribbon Tea is made of leaves selected from the superior "hill grown" Ceylon tea-delicate top leaves and flow'ry tips. It makes a most delicious tasting and fragrantly odorous tea.

Facts About Fit

CEMI-READY is made up to the "trying on" stage

The sleeves, shoulders, fronts and linings are "basted" so that a coat can be taken in, and let out before it is finished at any point where the fit requires.

The whole garment is conformed to your individual shape -not merely to a part alone. If a collar is altered, the shoulder is also readjusted so that balance will be restored.

Whether you are portly, tall, stout or thin, you can rely upon getting exact fit in Semi-ready a few hours after your selection. You can judge the pattern of the cloth and the expression of the coat-after it is made up. and before you pay a farthing.

RADWAY'S PILLS are a cure for this complaint. They tone up the internal secretions to healthy action, restore strength to the stomach, and enable it to perform its functions.

George S. Scally, of 75 Nassau street, New York, says: "For years I have been troubled with rheumatism and dyspepsia, and I came to the conclusion to try your pills. I immediately found great relief from their use. I feel like a new man since I commenced taking them, and would not now be without them. The drowsy, sleepy feeling I used to have has entirely disappeared. The dyspepsia has left me and my rheumatism has gone entirely. I am satisfied if anyone so afflicted will give Radway's Pills a trial, they will surely cure them, for I believe it all comes
