ECLECTIC FEMALE INSTITUTE,

BRAMPTON, C. W.

This Ir stitution is situated in Brampton, a stirring Village on the line of the Grand Trunk Railway, about twenty miles west of Toronto, and in the rich wheat-growing County of Peel.

A MORE ELIGIBLE LOCALITY FOR A

FIRST CLASS LADIES' SCHOOL

COULD NOT BE FOUND IN

THE WESTERN PROVINCE OF CANADA.

The Building, of which we give a cut on our first page, is admirably adapted to the purpose. It affords ample accommodation for Fifty Pupils, and the Grounds about it are extensive and tastefully laid out.

We shall henceforth conduct a Ladies' School, EXCLUSIVELY. A Primary Department will be introduced, and a competent Teacher will be placed in charge. We are prepared to receive thirty little girls. Our object is to raise up a class, which in a few years we may graduate with honor from our Institution.

Students intending to complete the course will take up the French and Latin in the Academic Department, and the fee of the Classical Department will be charged.

If our friends will carefully examine our gradation of fees, it will be found that in reality but little change has been made in the yearly aggregate. We have now but two terms, whereas formerly we had four. Our present arrangement is similar to that of the Grammar School.

THE TEACHERS.

P

The Principal flatters himself that his long experience in his profession will enable him to conduct in a satisfactory manner such an Institution. Besides having taught, as Head Master, one of the Union Grammar Schools of the Province for two years, he was Principal, for nearly three years, of a Conference Seminary and Female Collegiate Institute in the State of Vermont. His success as a teacher and principal, in this locality, is so well and favorably known that the present enterprise has been urged by the most influential of his townsmen; and he trusts that his vigilance and scrupulous care in the future conduct of his newly arranged school will secure to him the confidence and the patronage of very many parents in the Province, who have daughters to educate.

Extracts from a recommendation from the Trustees of the Springfield Wesleyan Seminary and Female Collegiate Institute, Vermont.

1st. "Having written to the Rev. Dr. Cummings, of the Wesleyan University, for a suitable person to conduct our institution, Mr. H. H. Hutton, A.M., who was at that time at Vienna, Canada West, was introduced to us.

2nd. "In two years, he raised our school to a first class grade.

3rd. "Mr. Hutton takes a high position, and will succeed.

4th. "He has shewn himself to be eminently able in his department—the ancient classics.

5th. "We have the utmost confidence in him, and would have bee released to retain him.

6th. "We freely and most respectfully recommend him to the confidence of all the friends of learning, as a careful and reliable educator.

(Signed)

"REV. HUBBARD EASTMAN, President.
HON. SAMUEL W. PORTER, Secretary.
JONATHAN MARTIN, Treasurer.
HON. HERRY CLOSSON.
REV. ALONZO WEBSTER.
DANIEL RICE, ESq.
E. A. KNIGHT, M.D.
LEONARD CHASE, M.D.
FRANKLIN P. BALL, ESq.
REV. KIMBALL HADLEY.
REV. PINCKNEY FROST.
EPHRAIM WALKER, ESq."

From the Board of Trustees of the Vienna Union Grammar School.

1st. "The services of Mr. Hutton have been highly satisfactory to the Board of Trustees.

2nd. "Our school, under his care, has enjoyed a high state of prosperity.
3rd. "He has proved his efficiency before the Board of Public Instruction.

The Preceptress, Miss Eliza H. Hurlburt, was educated at the Mount Allison Female Academy, Sackville, N. B. She will bring rare talents and acquirements, together with experience, to her department. The Principal will devote all his time to teaching and lecturing. The Preceptress, together with teaching, will have the immediate care of the young ladies.

Mrs. Hutton, the Teacher in the Departments of Instrumental Music and Painting, was formerly Teacher of Music in the Mount Allison Academy, Sackville, N. B.

The Lecturers are gentlemen who stand high in their profession.

A familiar Course of Lectures will be given during the Michaelmas Term, by J. W. Corson, M.D., on the practical subjects of Physiology and Hygiene.

A Course of Twelve Lectures will also be given by the Principal, on Natural Philosophy and Chemistry. This course will comprise the following lectures, which will be more or less illustrated by experiments, viz...

In Natural Philosophy: The Mechanical Powers, Pneumatics, Acoustics, Optics, Experiments with Magic Lantern.

on

T: E:

it.

In Chemistry: Its relation to other Sciences and Nomenclature, the Laws of Caloric and their application to the Arts, the Gases, the Constituents of Bread, the Atmosphere, Colors and Dye Stuffs.

Fifty cents extra for each course will be charged, to defray the necescary expenses of the lectures.

TEXT BOOKS.

These, together with Stationery, will be kept on hand for the supply of the Students.

BOARDING.

Young ladies will be charged for board, without lights, \$2 25 per week. An extra charge of \$5 per year will be made for fuel.

They will be expected to bring an outfit for the toilet; such as mirror, combs, towels, brushes, &c. Also sheets and pillow cases.

Young ladies will be expected to arrange their own rooms, sweeping and dusting them, every morning.

The entire charge, per year of forty-two weeks, for board and tuition, including all the branches taught in the school, will be £40, or \$160.

WHEN ADMITTED.

If possible, let your daughters enter at the beginning of the term. We will receive Pupils at any time, and charges will be made in proportion to the time they remain.

WHEN PAYMENTS SHOULD BE MADE.

Our Fees are based upon the cash principle. All tuition fees, and one-third of the board, should be paid in advance.

REGULATIONS FOR HEALTH.

The laws of health and physical development will be duly regarded. The young ladies will have a daily drill in systematic Calisthenic Exercises.

Arrangements will be made for horseback riding, when parents desire it. Only the absolute cost to the principal will be charged.

TO PARENTS AND GUARDIANS.

We do not regard education as the process merely of adorning the body and storing the mind with information, but the cultivation and development of all the powers of the body, mind and soul. Its aims may be defined to be gracefulness, systematic thought, and correct moral action. No royal road leads to these. The way is a somewhat long one, and lies through study, through discipline, and through hardships. Therefore please do not regard the daughters whom you may place under our care as about to enjoy a holiday. They will indeed be only transferred from the labor and discipline of the cuisine and the more private family, to that of the study and the recitation room.

Study, to be successful, must not be interrupted, except by the regular vacations.

Protection from outward and injurious influences must be secured by wholesome laws and regulations, kindly but rigidly enforced. We append our

RULES AND REGULATIONS.

1st. Proper deference to teachers is required at all times and places.

2nd. Young ladies are required to rise as early as six o'clock in the
morning, and to have their rooms swept and put in order before

breakfast. A careful inspection of the rooms will be made daily. Any one yielding to indifference in regard to her person or her room will meet with reproof, and a persistence in it will incur exposure or a dismissal from the school.

3rd. The wardrobe must be marked with the full name and in a durable manner.

7th. No student may leave a class or change her studies without the consent of her teacher and the Principal, nor may she be absent from any school exercises without excuse.

8th. All are required to attend morning and evening prayer, to attend church each Sabbath, and to abstain on that day from all secular employments, and to observe every propriety becoming the Christian Sabbath.

9th. The Boarders are forbidden to go beyond the Institute grounds, unless permitted or attended by a teacher.

10th. At ten o'clock, the hour for retiring, all lights must be extinguished and all talking and noise cease.
