## Pastoral Letter.

---

*To the Members and Congregation :*

DEAR FRIENDS,—Another year has passed and brings with its closing our annual statement. It is always encouraging to note progress. Our membership, including Catechumens, now numbers 611, showing an increase after deducting for deaths, removals, etc., of 45. You will be pleased to notice also, through your liberality, there is a reduction in our indebtedness. Let us continue a united church in faith and works. Fidelity in God's service never fails of reward. We shall continue, as in the past, to look for hearty co-operation in all departments of church work.

Make special sacrifices, if necessary, to be present at our mid-week service, Wednesday evening. This service, largely attended, is always helpful to personal religious life, and is also a marked indication of the spiritual life of a church.

Affectionately,

YOUR PASTOR.

*To the Members of Dominion Church Congregation.*

DEAR FRIENDS:—Assured of your interest in your own Sunday School, we have much pleasure in again placing before you the Annual Report.

May we not confidently hope, not only for a ready and generous response to our appeal *re finances*, but also for an increased membership? The presence of more of the adult members of our congregation would be a great encouragement to us. With God's blessing, our Sunday School may hopefully enter upon the New Year, confident that in this department of the vineyard there is an abundant reward.

## SECRETARY'S REPORT.

The work of the society has largely increased since last year. Meetings have been held every Monday evening and the attendance has been large. The membership now numbers 105. At the last Japan Conference a young native missionary was selected to work for our League and money has been raised to support him for another year. The Christian Endeavor and Literary and Social departments have been active and have all contributed toward making the meetings a home for the young people of our church. A delegate was sent to the convention of Methodist Young People's Societies held in London in March last, and the convention accepted an invitation to hold their next meeting in Ottawa. We extend a hearty invitation to all young people to attend our meetings and we can assure them that they will find the work carried on by the League both interesting and instructive.
