International Schooner Race

Creating Great Interest all over America

The coming great international ocean schooner race between the Gloucester and Lunenburg craft promises to be the nautical sporting event of the year. Interest in the contest throughout Canada and the United States is rapidly growing and the event promises to surpass the America's Cup classic in popularity.

The leading New York and Boston Papers give much editorial space in commenting favorably on the race, and hail it as a greater yachting affair than the Shamrock-Resolute series. American yachtsmen as well as New England fishermen are taking a deep interest in the race, and many are expected to come to Halifax to see the race.

The 1920 Series will be sailed off Halifax on Oct. 30th and Nov. 1st, and if a third contest is necessary, the race will be sailed the following day. The Lunenburg Schooner Delewana will represent Canada, and the Esperanto the United States. Both Schooners are approximately of the same dimensions. The course will be 40 miles and without handicap.

THE URBAN STOCK COMPANY

The three nights engagement of the Urban Stock Company at the Opera House was a great success. The plays presented, "The Woman in Room 13", "Cappy Ricks", and "Mary's Ankle", were all good, clean plays and were splendidly presented. The company is an exceedingly well balanced one and can always be assured of receiving the patronage of the people of Wolfville. The second night's performance, "Cappy Ricks", was the best of the three, and it is to be regretted that the attendance on that night was not as good as the other two. Mr. Urban took the part of Cappy Ricks and his portrayal of the character left nothing to be desired. Harry Martin, as John Skinner, Cappy Ricks' general manager, and Hugh Cairns, as Cecil Pericles Bernard, were also exceptionally good. The vaudeville between the acts each night was of a higher order than is usually found with companies of that kind.

Minard's Liniment for Burns, Etc.

Community is Shocked

By Sudden Death of Well Known Lady

Wolfville was shocked last Sunday when it was announced that Mrs. Herbert Henshaw had passed away during the early morning hours. Her illness lasted only a week and it was not until Friday that it was considered serious. A very sad feature was the absence of her entire family. Her husband, Commodore Henshaw, was in Philadelphia, her two sons on the high seas and are even now unaware of their irreparable loss, and her mother and sister in New Brunswick. But doctors, nurses and loving friends did all that was possible to make her last hours comfortable. Commodore and Mrs. Henshaw have been residents of Wolfville for nearly twelve years. She is survived by her husband, Commodore H. A. Henshaw, of the Pan-American Petroleum Co., her two sons Eldon and Vaughn, her mother Mrs. Georgiana Lovey, of Perth, N. B., and her sisters, Mrs. A. Ganter, of Perth, N. B., and Mrs. Jack Weaver, of Medicine Hat. A short service was held in her late residence before the morning train on Thursday. Dr. Macdonald conducted the service and a quartet composed of messrs. Bishop, Rand, Angus and Stackhouse, sang "Nearer My God to Thee". Interment will take place in Perth Centre, N. B., Sunday afternoon, Oct. 24th.

The passing of Mrs. Henshaw is a distinct loss to the community, possessing as she did an attractive personality combined with exceptional gifts of mind. She was widely travelled, both at home and abroad, well read, keen and alertly intelligent.

THE ACADIAN expresses the sympathy of the entire town for the family in this sudden and sharp bereavement.

REFERENDUM, OCT. 25th, 1920

Shall we allow liquor to be shipped into our Province? Not if the women can hinder.

Women!—Poll your votes!
Nova Scotia expects 75,000 majority.
Place your X after "Yes" in lower space of ballot.

The Windsor Tribune, which has appeared as a four page paper since 1881, was transformed last week into an eight page paper. We congratulate them on the change.

Send Newsy Notes From Important Suburban Centres.

GREENWICH NOTES

Rev. Mr. Dixon and Rev. Mr. Miller, of Wolfville, gave addresses in the Hall here on Tuesday evening, on the great and important subject of the day, the Referendum and how to vote on the 25th.

Mrs. Emma Harvey is having a well bored at her home here.

Mrs. Fred Forsythe left on Saturday morning for a visit at the home of her son, Chesley, at Bridgetown.

Miss Bowes our head teacher, spent the Thanksgiving holiday at her home near Brooklyn, Hants Co.

Mr. Harris Forsythe, of Mass., is visiting his parents, Mr. and Mrs. J. E. Forsythe.

Mr. Lovitt Forsythe met with a bad accident one day last week, causing him to be bed-ridden for a time.

Miss Verta Lantz, of Acadia College, visited relatives here on Sunday and Thanksgiving Day.

Miss Wallace, of West Gore, Hants Co., was a guest at the home of her uncle, Mr. G. Fraser, for the week-end.

Mr. Murray Forsythe returned home one day last week, having spent two months in the Canadian West.

A number were pleasantly entertained at the home of Mr. and Mrs. Burpee Bishop last Wednesday evening, in honor of Miss Bell, and Miss Buzzard, of Mass., who were guests of Mrs. Cutler Forsythe.

NORTH GRAND FIVE NOTES

Mr. and Mrs. N. B. Kileup, of Wolfville, spent one or two days with Mr. and Mrs. Maurice Dimock, last week.

Mr. Mosher and friends, of Halifax, motored through to Mr. James Allen's on Sunday.

Miss Mary Gillespie, of Halifax, spent last week-end with Mrs. ...

Mr. Harold S. Palmeter, of Halifax, spent Thanksgiving at his home.

Miss Josephine Allen, of Hantsport, is spending a week in North Grand Five.

Mr. and Mrs. Tucker, son Tom and daughter Daisy, of Halifax, have been visiting Mrs. Dimock.

Miss Margaret Fullerton gave a Birthday party on Tuesday afternoon. Her guests were the Misses Mabel Palmeter, Vivian Gould and Edith Palmeter.

GASPEREAU NOTES

A very mysterious accident occurred a week ago last Wednesday, when Mr. Watson Miner started for Prayer Meeting from his home. Shortly afterwards he was found by Avery Duncanson and Carmel Cleveland lying in the ditch. One rib was found to be broken. He cannot remember what happened and no one was near to see.

Rev. Mr. Bennett has been absent from his home attending the Maritime United Baptist Convention at Yarmouth.

The Women's Institute meeting was held last Friday afternoon in the church vestry. Miss MacDougall an eloquent speaker, Supervisor of the Institute of Nova Scotia, spoke to us on "Proper Foods", and also Miss Stuart from Grand Five gave a brief discussion on "Child Welfare", both of which were greatly appreciated. At the close of the meeting refreshments were served.

Miss MacDougall was the guest at the home of Mr. and Mrs. Wm. Eagles, who on Friday evening motored her to Kentville.

The Gaspareau Electric Light Co. are slowly having the houses connected onto the main lines and we are in hopes that in a short time the work will be completed. This will be a big boost for Gaspareau.

The pulp mill on the Gaspareau river is making fast progress, and more water is being conveyed into the Gaspareau river in order to raise the height of the water in the dam.

Mr. and Mrs. Renford Martin spent Thanksgiving with relatives here.

We greatly regret to hear of the death of little Dorothy, daughter of Mr. and Mrs. Lewis Patterson. The body was taken to Falmouth for interment.

Little Albert Coldwell, son of Mr. A. H. Coldwell is very sick but we hope now he is on the road to recovery.

Great regret is felt for Mr. Stanley Levy, of Black River, over the loss of his mill which was swept away by fire last week.

The apples are nearly all gathered in, the weather being so favorable there has been no delay.

The Referendum

Monday, October 25th, The Day of Glorious Opportunity

The residents of Wolfville and Kings county, in common with the people of Nova Scotia generally, have a privilege and a responsibility resting upon them on Monday next, when they will have the opportunity of deciding whether or not this province is to enjoy the blessing of absolute prohibition of the liquor traffic.

The question to be decided by the voters on that day will have to do only with the importation of intoxicating liquors into Nova Scotia from the other provinces of the Dominion of from foreign countries. The sale of intoxicants within the province is already forbidden by provincial legislation.

No intelligent or fair-minded person will deny that the presence of intoxicating liquor is a menace to public safety and productive only of loss to the community and misery to the individual. Your vote in favor of forbidding its importation into Nova Scotia would mean that you are doing your bit to alleviate personal suffering and promote the prosperity of the home land.

If you neglect this opportunity of outlawing the pernicious traffic it will be a long time before another chance to do so presents itself. You may be sorry when it is too late.

Even at a personal sacrifice every patriotic man or woman should go to the polls on Monday next and deposit a ballot for the betterment of the community in which you live. Persuade your neighbor to do likewise and the battle will be won. Let everybody help in this great movement for a sober and prosperous people in this our fair province by the sea.

SOME PRIZE WINNERS

Mr. H. D. Johnson, of Greenwich, was one of the largest prize winners at the Kings, Hants and Annapolis Counties Exhibition. Other prize winners from this section were: M. K. Perry, Wolfville; J. Charles Woodworth, Port Williams; J. O. Hardacker, Grand Pre; John Magee, Port Williams; Mrs. Oscar Chase, Church Street; A. C. Muirphy, Port Williams; W. S. R. Gow, O. L. Hardacker, S. A. Bowser, A. E. Woodman, Grand Pre; O. R. Kidston, Port Williams; C. F. A. Rathbone, Hortonville; Mary Chase and Margaret Chase, Church Street; Mrs. O. G. Cogswell, Addie M. Cogswell, Edith England, Hilda Thompson, Harold Chipman, Harry England, Budd MacDow, Port Williams; Douglas Neary, Maurice Bishop, Greenwich; Evangeline Poultry Yards, Wolfville; Parker Doyle, Wolfville; Albert Johnson, Port Williams. We hope to be able to publish a full list of the prize winners next week.

Mrs. Julia Ruffee spent the Thanksgiving holidays with Mrs. Judson S. Margeson, of Berwick.

Thanksgiving Service

Rev. R. F. Dixon Gives Able Address

A public Thanksgiving service was held at the Presbyterian church on Monday morning at 11 o'clock. There was a fair attendance. Rev. G. W. Miller conducted the service, and prayer was offered by Rev. W. H. Watts. Rev. R. F. Dixon was chosen to give the address which was most able and practical. With his advancing years he felt constrained every time he spoke at an annual gathering like that to ask himself is it the last? But it was not and that gave him all the more pleasure to speak very affectionately.

Proceeding he said his remarks would be rambling like the bird that hopped from twig to twig. He wished to mention a few of the things for which they should give thanks besides the bountiful gifts of nature for their creature comforts. There was the improvement in the outlook the world over despite their disappointment in the turn of events immediately following the war. Whereas before the war England loved freedom and France equality after it there developed in England a class-consciousness which could not have been suspected in the splendid unity to the absolute absence of class displayed by everybody who helped to win the war. But as the human race had successfully survived the fall of the Roman Empire the great Revolution and the Reformation so it would as successfully emerge from this war-after-the-war, which is even greater than the Great War itself; and let them all give thanks to God for this improved outlook. Then there was the fact of the present gathering which was part of the greater fact that people had become to realize that a religion that caused people to divide defeated the object, which the Founder of Christianity had in establishing a universal brotherhood of man. He loathed the mean, sneering, unkind remarks he had heard members of different churches and denominations pass on one another and he regarded it as extremely mean for members of one Christian body to agree to differ with members of another Christian body. What was essential was that they should agree to agree, and let all who were present give thanks for their being there and for the evidence of the dawn of the day when the co-ordination of all the Christian churches will be an accomplished fact.

Then again they owed thanks to God for their escape from calamities which easily might have happened to them but did not happen. Above all they must thank God for their creation. The fact of our having been created by God proved that He could not do without us and therefore we all must do our best to play the game and render thanks to Him for all our material, moral and spiritual blessings.

The first snowfall of the season occurred in the prairie provinces on Monday night. Three inches of snow fell in some parts of Saskatchewan.

**CONTRIBUTE TO
NOVA SCOTIA'S GREAT EPIC OF THE SEA**

In less than two weeks two ships swifter than those fabled craft of the Argosy, will spread their silver sails and race "to the seas rim drawn" at the mouth of Halifax Harbour in a contest between the "Esperanto," of the Gloucester fishing fleet, flying the stars and stripes and the "Delewana," of the Lunenburg fleet, proudly carrying the Union Jack—a contest whose story will be told in the fog'sles mid the mists and murk of the Grand Banks for a hundred years.

International in character it is a race which will overshadow in world interest the struggle of the fair weather craft off Sandy Hook for America's Cup.

Full blooded Nova Scotians have pledged themselves to raise the necessary funds to carry out the project. The winner takes \$5,000 and a silver cup donated by The Halifax Herald and The Evening Mail.

From coast and inland town comes the cheering message:
"Thus for the good of the people
"Thus for the pride of the race."

INTERCOLLEGIATE FOOTBALL GAMES ARRANGED

At a meeting of the Maritime Intercollegiate Athletic Association held at Truro on Oct. 5th a football schedule was drawn up and plans were discussed for track, hockey and basketball.

CANADA'S MOTOR CAR CENSUS

Many Automobiles in Use in Daily Business Life In Canada there are approximately 335,000 motor cars, and of these about 150,000 are in Ontario.

An increase in the price of newspaper paper of an additional one cent per pound came into effect October 1, which with the increase of forty per cent. on freight rates makes the cost of producing a publication under existing conditions a very serious matter.

Drawing On Your Reserve Strength

This is What Thousands of People Throughout the Country Are Doing.

Thousands of Canadian housewives are working from day to day on their nerve. They are daily drawing more and more on their reserve strength, knowing full well that they are using up that vital force which often means life or death in the crisis of disease.

The case of Mrs. W. Schooley, R. R. No. 2, Tilsonburg, Ont., well illustrates the value of Dr. Williams' Pink Pills in cases of health breakdown, through weak, watery blood.

Behold, she returneth, and the youth of the city fall down and worship. She picketh one, and lo, she picketh a lemon. But the Editor calleth him one of our most promising young men and getteth away with it.

TRULY A SORROWFUL TALE

Consider now the Editor. Yea, consider the Editor: he weareth purple and fine linen. His abode is amongst the mansions of the rich.

Behold, she returneth, and the youth of the city fall down and worship. She picketh one, and lo, she picketh a lemon.

Behold, she returneth, and the youth of the city fall down and worship. She picketh one, and lo, she picketh a lemon.

Behold, she returneth, and the youth of the city fall down and worship. She picketh one, and lo, she picketh a lemon.

Behold, she returneth, and the youth of the city fall down and worship. She picketh one, and lo, she picketh a lemon.

Behold, she returneth, and the youth of the city fall down and worship. She picketh one, and lo, she picketh a lemon.

THANKS

The members of the Wolfville branch of the W. C. T. U. wish, through the columns of THE ACADIAN, to thank the citizens of the town who so kindly assisted with the entertainment of the delegates to the Provincial Convention.

BY AEROPLANE TO PARIS.

A distinctly novel attraction has now been provided in the C.P.R. office windows at Charing Cross, an attraction which has been much admired by the crowds who have gathered to make inspection. The fine windows usually devoted to the exhibition of things Canadian is being occupied by an excellent model aeroplane of the Aircraft Transport and Travel, Limited, at London, together with scientifically accurate models of various types of aeroplanes and airships.

Such a display in a railway and shipping office may seem rather unusual at first sight, but is really a sign of the times, also marking much enterprise on the part of the Dominion Express Company of Canada. Realising the importance of maintaining a really "Express" service, if its name is still to be justified, the Dominion Express Company, the premier Express Company in Canada, made arrangements to act as Passenger and Parcels Agents for the Aircraft Transport and Travel Limited on their London-Paris daily air service.

It is thus possible for either passengers or parcels to be booked for conveyance by aeroplane to or from London and Paris through any of the Dominion Express Company's offices in Europe, and these, in addition to London are to be found in important cities such as Liverpool, Glasgow, Manchester, Birmingham, Bristol and Paris.

The advantages of this arrangement are many, for the Dominion Express, holding as it does the exclusive right of shipping Express parcels over the entire C.P.R. system, as agents for the Aeroplane Service can ensure that an Express package scheduled to catch a certain ship actually reached its destination in Canada in the shortest possible space of time. As time is money nowadays, more than ever it was, it is easy to realize what an important adjunct an Air Service is to an Express Company.

The time-table shows that only 2 1/2 hours is occupied on the journey to or from London and Paris—urgent letters are carried at 2 shillings and 6 pence per ounce over the ordinary letter rate.

Parcels for delivery in Paris on the same day have to be handed in at the London office of the Dominion Express Company, 62-65, Charing Cross, London, S.W., before 10:30 a.m. The parcels rates range from 1s. 6d. to 2s. 6d. per lb. according to quantity, while special rates are quoted for large and regular consignments. The single fare for passengers is 15 guineas which includes a car to convey the passenger to Hounslow the starting point. The Dominion Express Company's officials at Charing Cross have every reason to believe that a large proportion of Canadian visitors to Europe this year will take advantage of the ease with which it is now possible to book seats for a real flying visit to the Continent through their office. In fact, if they so wish, a motor car can pick them up in Trafalgar Square, and in under three hours they can be walking along the Champs Elysees.

A decline of fifteen per cent. in the price of all shoes is announced by the Shoe Manufacturers' Association of Canada.

Piles Cured Permanently Without Drugs

Internal Bathing Relieves the Cause

Mr. A. N. Steele, Cupar, Sask., writes: "I had been troubled with my Stomach, Piles and Constipation for years until I had become very thin and looked 20 years older. A leading Doctor in Regina told me that the main canal was badly ulcerated. I gradually became worse, until one day, when purchasing a threshing outfit from Mr. Russell of Regina, Mr. Russell noticed my condition and said: 'I can cure you. Get a J.B.L. Cascade.' Well, I did so, and the first night I used it I slept all night for the first time in weeks, and in a short time felt quite myself again. It also cured my piles, which had troubled me for years."

If you are troubled with constipation, don't drug yourself. Internal bathing with the J.B.L. Cascade is the only permanent way. This wonderful appliance is the invention of Dr. Chas. A. Tyrrell, New York. It is pleasant and easy to use, and will serve the whole family. It should be in every home. See the J.B.L. Cascade at A. V. Rand, Druggist, Wolfville, where it will be shown and explained to you. Ask for 32-page booklet all about internal bathing. It is free, or write Tyrrell's Hygienic Institute, 163 College Street, Toronto, Ont.

THE SEA MUSSEL INDUSTRY

A novel industry which promises rapid expansion and great popularity is no less than the development of a substitute for the succulent but somewhat costly oyster. This is the sea mussel, found in vast quantities along the low tide mark of the Atlantic coast, chiefly in New Brunswick. The Dominion Government, with the co-operation of scientists, has conducted experiments to this end in Western University laboratories and it is now claimed that mussels can be produced commercially and sold profitably at 75 cents per quart, as compared with the \$1.00 per quart around which oyster prices hover.

The mussel is by no means a new article of diet to the people of Canada, and besides being used extensively in coast towns has found its way to the tables of inland cities in Central Canada. Its delicacy of flavor and high food value have been much advertised, since the establishment of government investigation and experiment, and deserve to be much better known. There is yet much to be done in the line of research to ascertain conditions under which production would be most rapid and profitable, and to this end the Council of Industrial and Scientific Research is devoting its efforts.

A survey of the mussel beds of the St. Croix River, which constitutes the boundary between New Brunswick and Maine, has occupied the attention of a scientist of the council for three years now, and it is expected that this summer will see the satisfactory conclusion of the research. It is believed that the beds of mussels are practically unlimited, and the work occupying those engaged is merely the best conditions of development. It has also been determined that mussels become sweeter and more palatable the farther north they are found, and in this regard Canada has a distinct advantage over the mussel beds to the south of the Dominion. Those of the Hudson's Bay make particularly excellent eating.

The sea mussel cannot be produced in fresh waters so that there is no possibility of developing an industry in the Great Lakes. It is believed that there are possibilities, however, for the development of fresh-water clams there and the Dominion Government at the instigation of the Ontario Fishermen's Association is conducting a series of experiments which will probably result in interesting developments.

Ronald: "I always loved the good and the beautiful."

Queenie: "Oh, Ronald, what a pretty way to ask me!"

The Fall Weather Hard On Little Ones

Canadian fall weather is extremely hard on little ones. One day is warm and bright and the next wet and cold. These sudden changes bring on colds, cramps and colic, and unless baby's little stomach is kept right the result may be serious. There is nothing to equal Baby's Own Tablets in keeping the little ones well. They sweeten the stomach, regulate the bowels, break up colds and make baby thrive. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

This paper provides the best means of publicity obtainable in this vicinity. It reaches hundreds of homes for the advertiser at lower cost than any other possible way.

Nova Scotia Lobsters Tempt American Palates

This Grandfather is three feet long. — Compare with the man.

Seawall, St. Mary's Bay Hatchery, Nova Scotia

Canada produces 90 per cent. of the lobster supply of the world, and in addition, the finest lobsters. The lobsters of the New England coast are the little brothers of the noble crustaceans native to the more northern and colder waters of Labrador, and, indeed, Canadian female lobsters are selected for use in American hatcheries to improve the strain. The Labrador coast has the greatest known supply, but is too distant to be available for commercial purposes at present. The main supply now comes from the Gulf of St. Lawrence particularly around the famous island of Anticosti, and from the waters about Nova Scotia.

Nova Scotia is famous for romance apples, cherries, and last but not least, lobsters. The government has every intention that this happy state of affairs shall continue and maintains fifteen hatcheries in the province. The lobsters are also guarded out of season by strict protective laws. The Nova Scotia 1919 lobster season has been very satisfactory. The total catch is given as 5,825,096 pounds, valued at \$1,396,946. The catch was somewhat smaller than in 1918, when the quantity was 6,285,826 pounds but a much higher valuation is put on the 1919 catch. The value of the 1918 catch was \$799,397. In 1919 there were 1,020,864 pounds of lobsters put up in the canneries and 4,804,232 pounds of live lobsters were exported. In Nova Scotia the price for live lobsters was 10 cents a pound, but much higher prices were paid in Boston where canned Nova Scotia lobster brought 67.3 cents a pound. The 1919 season lasted only from March 1 to May 21, instead of from December 15 to May 31, as in previous years.

Their Glory Shall Not Fade

In the special order issued to the Canadian troops on March 27, 1918, General Sir Arthur Currie wrote: "To those who will fall I say: You will not die but step into immortality—your names will be forever and ever by your grateful country, and God will take you unto Himself."

The pledge thus given is being faithfully fulfilled in relation to employees of the Canadian Pacific Railway Company by the placing of bronze memorial tablets at over a score of its principal offices and stations. Furthermore two imposing bronze statuary groups have been designed for the great C.P.R. Stations at Montreal and Winnipeg to stand forever as tribute to the heroism and self-sacrifice of C.P.R. men who died in the cause of freedom. Far-flung and scattered are their graves, but single was their spirit and their ideal, the service of their country.

Out of 11,602 employees who were reported as joining the Forces, 1,096, or nearly ten per cent paid the supreme sacrifice. These came from every rank of the company, from every department, and they served by air, land and sea—faithful unto death.

The bronze tablet, replicas of which will be placed at the principal railway centres in each province of Canada, and also in London, Liverpool and the Orient, has been designed by Mr. Archibald Pearce, of the Chief Engineer's Department of the company, and is being engraved at Worcestershire, England, by the Bromsgrove Guild and Applied Arts. The tablet depicts an advancing army of infantry, cavalry, artillery supplies, munitions, tanks and railway transport flanked on either side by a warship and a C.P.O.S. liner with aeroplanes flying overhead. "Fighting men with outstretched hands to the Overseas Dominions and points out the road to death and glory, who underneath is a scroll with the list of the chief battles in which the C.P.R. men fell. The inscription commemorates: "Those in the Service of the Canadian Pacific Railway Company who at the call of King and Country, left all that was dear to them, endured hardship, faced danger, and finally passed out of sight of men by the path of duty and self-sacrifice, giving up their own lives that others might live in freedom. Let those who come after see to it that their names be not forgotten."

The large bronze statuary group which will be duplicated for the C.P.R. Stations at Windsor Street, Montreal and at Winnipeg, is the work of Coeur de Lion MacCarthy, the well known Montreal sculptor. In majestic and impressive allegory, it represents the uplifting of the soul of a hero from the battle lines to "that born from which no traveller returns." The armed figure of a soldier clad in khaki, battle-stained, yet tranquil in death, is borne heavenwards by a winged and laurel-wreathed Angel of Victory. The figures in the group are of heroic proportions: over seven feet high, supported upon a marble pedestal. The figure is inscribed with the words: "For all the memory of the great"

lance dead remain in inspiration to their comrades and to the world at large. By their sacrifice for the Empire, they kept clear and open the Imperial Highway, and on the stations of that Highway their glory shall forever be recorded.

PUBLICATIONS AVAILABLE FOR DISTRIBUTION

The Department of Agriculture at Ottawa includes in its available publications some four hundred titles which embrace practically every phase of farming in its broadest sense in Canada. The new list recently issued contains thirty new publications which relate to dairying, field crops, insect and plant diseases, live stock, the orchard and garden, and poultry. In the miscellaneous list is included "Farm Feeds", "The Use of Coarse Grain for Human Food", and a new edition of "The Maple Sugar Industry in Canada". All these publications are for the free use of the citizens of Canada and are obtainable for the asking from the Publications Branch of the Department of Agriculture at Ottawa.

AN INTERESTING WEDDING

A quiet wedding was solemnized at Truro, on Wednesday afternoon at the home of Mr. and Mrs. J. T. Nichols, when their daughter Miss Harriet Estella Nichols, became the bride of Wade O. Pulsifer, of this town. The ceremony was performed by the Rev. Brice D. Krott, pastor of Immanuel Baptist church, in the presence of immediate relatives and friends. The bride wore a travelling suit, and carried a bouquet of red and white roses. Mr and Mrs. Pulsifer took the train for Halifax to spend some time there and to other points before returning to Wolfville, where they will reside on Sea View ave. THE ACADIAN extends best wishes.

A SUGGESTION TO CONSIDER

To the Editor of THE ACADIAN.
Dear Sir.—A press communication from Budapest on October 13th states that flogging is the penalty for profiteering in Hungary. Such a measure might be successfully adopted here. The necessary equipment could be easily obtained. Posts upon which to bind those convicted are on every hand, as also are the profiteers, and, although the official flogger might lag under his labours I am sure that volunteers would not be wanting to carry on the good work.

Yours truly,
A VOLUNTEER.

A WORTHY CITIZEN

To the Editor of THE ACADIAN.
Sir.—At the last meeting of the W. A. A. A., Mr. Tamplin carefully explained that the item of \$21 placed against this name, was not in the nature of a salary but simply in reimbursement of moneys paid out by himself. It would have been in order in fact I think the occasion demanded it, for some member to have risen to his feet and proposed a hearty vote of thanks to Mr. Tamplin for his work as Secretary of the Association, work most efficiently performed. It is always a pleasure to listen to Mr. Tamplin's clear, succinct, crisply worded reports of meetings, etc. No one has contributed more to the success and continuation of the Association than our most respected Secretary by his painstaking work, and we owe him a debt of gratitude which should have long ago been acknowledged. Unfortunately we often think of these things when the psychological moment has passed. But better late than never and so Mr. Editor I ask your permission on behalf of all the members of the W. A. A. A., and the citizens of the town generally, our thanks to Mr. Tamplin for his valuable services so willingly and effectively rendered during the past year.

R. F. DIXON.

A Dyspepsia Cure

M. D. advises: "Persons who suffer from severe indigestion and constipation can cure themselves by taking fifteen to thirty drops of Extract of Roots after each meal and at bedtime. This remedy is known as Mother Seigel's Curative Syrup in the drug trade." Get the genuine, 50c. and \$1.00 Bottles.

ACADIA NOTES

The game of football played at Halifax on Monday between Acadia and the Wanderers resulted in a win for the latter team by the score of 3-0. The game was very loosely played, both teams showing lack of practice. Allan Parker, Acadia's star full-back was unable to play on account of an injured leg. A return game is to be played on the campus here to-morrow afternoon.

The Acadia Academy football team went to Windsor last Friday for a game with the Kings Collegiate School team. The game resulted in a win for the King's boys, the score being 6-3.

Mr. C. B. Lumsden, of the Senior class at Acadia, occupied the pulpit of the Windsor Baptist Church on Sunday last. Miss Sadie MacGregor, of the Seminary staff, spent Thanksgiving at Windsor with her aunt.

The annual reception given by the Y. M. C. A. and Y. W. C. A. will be held in Assembly Hall this evening. A most enjoyable time is expected.

Get your Hallowe'en decorations at THE ACADIAN store.

The provincial government has appointed a Royal Commission composed of Mr. Justice Mellish, chairman, Judge Allen, Macdonald, of Antigonish, and Mr. F. W. W. Doane, C. E., of Halifax, to conduct an enquiry into the highway construction charges. It will be interesting to watch the doings of the commission and to see if it is endeavoring to make a real investigation or to follow the usual methods of whitewashing. The charges are certainly of a sufficiently serious character as to warrant the people of the province in demanding a searching enquiry.

How to Save \$1200 ON BUILDING YOUR NEW HOME

Put in your foundation this fall so as to get your carpenter work done during the slack period of late winter when you will get good men cheaper and easier than you will get poor ones at any other season.

Save \$300 to \$500 by buying a lot on Kent Avenue --the finest part of Wolfville--NOW. Several of these lots are taken already and as soon as a few houses are built these lots will cost \$700 to \$800 each.

It is not a bit too soon to make your appointment at the Graham Studio for those Christmas photos.

Miss Rosamond Archibald returned on Wednesday evening from Halifax where she had been spending the Thanksgiving holidays.

Last evening at the Methodist church Rev. Dr. Ross, of Fort Massey church, Halifax, gave an able address on the prohibition movement and the coming Referendum.

Local theatre goers will be pleased to hear that the Majestic Players, of Halifax, will appear at the Opera House on Monday evening. See adv. in another column.

Mrs. Arthur H. Jones (nee Berta Cleveland) will be at home to friends Tuesday and Wednesday afternoons, Oct. 26th and 27th, from 4 to 6 o'clock, at her home, Wolfville Ridge.

Mr. W. E. O. Jones, manager of the Western Grocers' Co., Winnipeg, has been visiting his mother, Mrs. R. V. Jones, at the residence of his sister, Mrs. Judson S. Margeson, of Berwick.

At the 75th annual convention of the United Baptists of the Maritime Provinces held at Yarmouth this week, Rev. J. H. Macdonald, D. D., O. B. E., was elected president for the ensuing year.

A special Rally Day Service for the Sunday School took the place of the regular service last Sunday morning at St. Andrew's church. An interesting program was presented with an appropriate address by Rev. Mr. Miller.

The unusually fine weather of the past weeks has given the farmers and fruit-growers an excellent opportunity to bring in the crops and much of it is already stored. The work on the farms is very much better in hand than ordinarily.

In the Nova Scotia Egg Laying Contest, which was recently concluded, hen no. 60, owned by E. C. Griffin, Port Williams, took seventh prize with 209 eggs laid, and hen no. 24, owned by J. W. Williams, Wolfville, came ninth with 198 eggs.

A Hallowe'en Dance will be given by the D.A.R. Tennis Club, in old Nicklet Hall, Kentville, Monday, Oct. 25th. Music by the celebrated Harmonic Orchestra (Henri Mott), of Halifax. Don't miss this, the first big dance of the season.

The claim put forward on behalf of the refiners that the American Sugar Refineries Company is selling sugar at 22 cents a pound is contradicted by the sugar trade journal, which, on Friday, quoted refined cane sugar all over the United States at 11 cents, less 2 per cent.

The Provincial Referendum in Nova Scotia will be held next Monday, Oct. 25th. There will be 1,000 polls in this Province to care for the electorate. It is predicted the drys will have an overwhelming majority. Be sure to cast your vote and help make this prediction come true.

Last Sunday was Children's Day at St. John's church. There was an excellent attendance of scholars and parents. A special service appointed by the General Board of Religious Education was held and a good many hymns were sung. The rector stated that the Sunday School was in a prosperous condition.

On account of the prolonged dry spell the water in the reservoir has become very low and it was found necessary on Saturday to turn the water from the second reservoir into the main. A specimen of this water was sent to Dr. A. G. Nichols, Provincial Pathologist, and the Health Officer has received from him a report stating that the water tested out very well.

Commodore Henshaw arrived Tuesday on the afternoon train. He was met at the Yarmouth dock by three Wolfville friends, Dr. Macdonald, Dr. Cutten and Dr. Archibald, who extended sympathy and encouragement to him on his sad mission. On Thursday he, with Mrs. Henshaw's mother and sister accompanied the body to Perth Centre, her early home and final resting place.

At the recent meeting of the Presbyterian Synod at Truro, the degree of D.D. was conferred upon Rev. W. R. Foote, a native of this county and a graduate of Acadia in the class of 1894. Rev. Dr. Foote has been engaged in most successful missionary work in Korea since the year 1897, going there at once after concluding his theological course at Pine Hill College. During his residence in Wolfville he was a member and active worker in St. Andrew's church, and many old friends are glad to extend congratulations on the honor that has been conferred upon him by his church. We understand that Dr. Foote will visit his family who have been in Wolfville for the last few years, next spring.

FROM GENEVA

Organizer for League of Red Cross Societies Tells of Need of Europe's Orphans.

"While we at home are intent on industrial expansion and a place in the sun, Europe in its war-weakened condition is fighting for its very existence," said Donald W. Brown, director of the department of organization in the League of Red Cross Societies of the World, which has its headquarters at Geneva, Switzerland. He visited Toronto to learn the peace program of the Canadian Red Cross Society and to establish closer contact between it and the league.

Millions of War Orphans.

Having just arrived from Europe, Mr. Brown was able to give the Canadian Red Cross some first hand information concerning the people of Europe. He called attention particularly to the condition of the children, so many of whom are now orphans. While the exact number who have lost one or both parents during the war cannot be determined, the most conservative estimate places the number at over ten millions. This number seems quite consistent with the heavy war casualties among so many nations.

Dependent Upon Charity.

The condition of these children is in most cases very pitiable. Many of them have no homes and they are dependent upon whoever may be charitable and kind enough to help them. But there are few who are able to give such help for the mass of the people of Russia, Poland, parts of Roumania, Czecho-Slovakia and other countries are so poor that they have not resources for themselves. Consequently in the great area between the Baltic, the Black and the Adriatic Seas, there are millions of children who face the next few years, and particularly the coming winter, without hope of proper care unless outside assistance is given them.

Disease Prevalent.

In addition to the unhappy condition of the children the adult populations are in the direst of misery on account of disease. Suffering has been accentuated by lack of food and clothing, nursing and medical attention, and tuberculosis, smallpox, typhus and dysentery are continuing unchecked.

Typhus which has so often proved a scourge and menace to the human race is again prevalent, and unless checked will most likely extend its ravages to an alarming degree.

British Empire Appeal.

For these urgent reasons, Mr. Brown said, the League of Red Cross Societies has made an earnest appeal to the people of the British Empire and he was glad to hear that the cause of the suffering children was being taken up in Canada. He had learned that an appeal on behalf of the British Empire Fund would be made in Canada by the Canadian Red Cross during Armistice week and wished for it every success.

Typhus in Canada.

In its earlier days Canada suffered from the ravages of a disease then known as "spotted fever" but now known generally by the name of typhus. It is a disease that spreads rapidly and is very destructive of human life. In the years 1846-47 it was brought to Canada by immigrants and caused great loss of life. It is only by taking urgent measures to stamp it out in the centres where it is now raging that it can be prevented from extending.

TIRE CODE

- Keep tires properly inflated.
- Be sure to repair little cuts in treads regularly.
- Prevent blowouts by avoiding severe jolts.
- Have mud boils cleaned out and repaired at once.
- Be careful in placing tubes.
- Avoid sudden starts, quick stops and skidding.
- Use talk in casings, but not too much.
- Keep out of ruts and car tracks.
- Apply chains properly and take them off as soon as the need for them is gone.
- Remove grease, oils and acids from your tires at once by using a cloth moistened with gasoline.
- Examine clincher tins occasionally for irregularities and rust.
- Carry spare tubes in a bag.
- Keep spare tires covered.

CAN'T KEEP OUT THE PRESS

The mayor of New York under took to keep a reporter from his usual seat because his paper had published an article reflecting on him (the mayor). The reporter went to law and the judge ruled in his favor. He said "The press is the lever that moves the world as no other earthly power could move it. It should not be hampered while in the lawful pursuit of gathering news, or interfered with while honestly disseminating really important information for its readers." Attempts have been made in Nova Scotia by town councils and their committees to bar reporters out but it has been ruled that all meetings of town councils, school boards and committees of either are open to the press.

CRAZY TIMES

Strike and the world strikes with you, work and you work alone; our souls are ablaze with the Bolshevik craze, the wildest that was ever known. Groan and there'll be a chorus, smile and you make no hit; for we've grown long hair and preach despair and show you a daily fit. Spend and the gang will cheer you, save and you'll have no friends, for we throw our backs to the birds and ducks and borrow from all who'll lend. Knock and you'll be a winner, boost and you'll be a frost; for the old sane ways of prewar days are now from the program lost. Strike and the world strikes with you, work and you work alone; for we'd rather yell and raise blue hell than strive for an honest bone. Rant and you are a leader, toil and you're a nut; 'twas a bitter day when we pulled away from the oldtime work-day rut. Wait and there'll be a blowup, watch and you'll see a slump, and the fads and crimes of these crazy times will go to the Nation's dump.—Walt Mason.

The decision of eight hundred thousand building trades workers in France to work nine hours daily instead of eight, is one of the many proofs French labor has given of its determination to let nothing interfere with the rapid restoration of the war-devastated region. While that spirit rules in France nothing can stop French recovery from the effects of war.

Several fires causing damage of \$100,000 and over brought the fire loss in Canada in September to the exceptionally high figure of \$2,480,485, compared with \$1,857,800 for August, and \$1,940,272 for September, 1919. The loss for the first nine months of 1920, according to the Monetary Times' compilation, is \$18,747,398, and for the corresponding period in 1919 it was \$17,757,093.

Jack: "Is it true you've broken off your engagement to that girl at Catford?"
Sandy: "Aye—they raised the tram-fares."

A MEASURE OF PROTECTION

FOR a small fee, insignificant when compared with the value you place on your deeds, documents and other papers, you can obtain protection for your securities and valued articles by renting a Safety-Deposit-Box in the vaults of this Bank.

BANK OF MONTREAL

Established over 100 years.
Wolfville Branch

Total Assets in excess of \$500,000,000.
W. H. G. Phipps, Manager.

CURRENCY EXCHANGE TABLES

A book entitled "Currency Exchange Tables" by G. B. Snell of the Head Office Staff of the Bank of Montreal, issued some months ago, has been welcomed by the business houses of Canada as a most timely aid for calculating the Exchange on New York Funds. The table gives the exchange on all amounts from \$100 to \$1,000 at all rates from 164 to 1% advancing by sixty-fourths and from 1 3/32 to 1% advancing by five thirty-seconds. The exchange on larger or smaller amounts can be arrived at by simply moving the decimal point to the right or left as required.

The second edition, just issued, contains in addition a Table showing the comparison between the Premium on United States Funds in Canada and the Discount on Canadian Funds in the United States. Since the rates have reached their present high point, to the ordinary person it has often been a source of wonder that the Discount quoted in New York is a point or two below the rate of Premium quoted in Canada. This new table shows what the difference amounts to at all rates from 1/16 to 24% advancing by sixteenths. For instance, by consulting the table we see that when the rate of Premium in Canada is 12 1/16% the equivalent Discount in New York would be 10.76 or approximately 10 3/4%. The explanation is, that if the rate in Canada was 12 1/16 and one wished to convert \$100. of Canadian Money into funds, payable in the United States, the Bank would not, as one would at first glance suppose, deduct \$12.06; and issue a draft for \$87.94, but would deduct 10 3/4% or \$10.75, and issue a draft for \$89.25. If \$12.06 were deducted the rate of premium would be considerably more than 12 1/16%, as \$10.75 is exactly 12 1/16% of \$89.25.

On the other hand, a customer of a Bank in the United States asking for a rate for a \$100. draft, payable in Canada, would be given the quotation 10.75 discount, as the draft would cost him \$89.25. That is, for \$89.25 in American Money he would receive \$100. in Canadian Funds—an amount 12 1/16% greater than the sum he would be required to pay.

To return to the condition in Canada the layman must not become confused by this explanation and expect to go to his Bank for a \$100. draft, payable in the United States and pay only \$10.75 premium. For a \$100. draft on the United States he would have to pay a premium of \$12.06, that is, 12 1/16% of \$100.

The difference is, that in one case he is given \$100. in United States Funds, and in the other case, he is given the amount of United States Funds that \$100. Canadian Money will buy.

Bankers will no doubt find the addition to "Currency Exchange Tables" of great value, as it will be especially useful when they are called on to remit to United States correspondents, in New York Funds the proceeds of Canadian items sent to them for collection. The tables will also be of equal value to all commercial houses that have dealings with firms in the United States. The price of the book is \$7.50, and can be obtained from G. B. Snell, c/o Bank of Montreal, Montreal, Canada.

ELIMINATING THE POOR COW

The object of cow testing is to give the dairyman accurate knowledge as to the production of milk and fat of each cow in the herd. It is readily admitted that the average cow does not produce as much milk as she is capable of giving, and many dairymen keep one or more cows that do not even pay for their keep. Cow testing shows which cows are worth keeping in the herd and gives evidence against those that should be eliminated from the herd. "The progress of cow testing," bulletin 58, Dairy and Cold Storage Series by A. H. White, B.S.A. shows that many farmers rely on guess work to pick out their best cows from which to save heifer calves for the future herds. Frequently, these guesses are not correct, cows which have good conformation are not always the best producers in the herd. Dairy Records will do away with guess work, and the farmer can safely select his best cows for breeding purposes. The bulletin, "The Progress of Cow Testing" may be secured free upon application to the Publications Branch, Department of Agriculture, Ottawa. In addition to giving the essential objects of cow testing it outlines the details of organization and gives some of the results obtained, which shows that many farmers have increased the production of their herds from 30 to 75 per cent. and some have doubled the herd average in a few years. Wherever cow testing has been followed for a few years, a decided increase in the average production of each cow will be found.

A Promise that has made good

When KING COLE TEA was in its infancy we associated with it the slogan—"You'll like the flavor." It was a modest statement, yet when you come to think of it, it covers all that you are looking for in the tea of your choice. How well KING COLE has lived up to its promise is proved by the many thousands of users today.

Perfectly packed in bright lead foil and price marked on every package.

"YOU'LL LIKE THE FLAVOR"

BOOTS SHOES CLOTHING

BOY WANTED

An energetic and capable boy wanted for the composing room of "THE ACADIAN". First-class opportunity to learn the trade.

PROGRESS BRAND CLOTHES

In the Spring a young man's fancy lightly turns to thoughts of clothes.

The same thing happens in the Fall, and when it comes to "thoughts of clothes" we're all young.

Suppose you could buy clothes only at those two seasons. It might be possible to reduce the price because such an arrangement would reduce the cost of doing business, but would you approve of a reduction gained in such a way?

No, you would not. You want service; you "want what you want when you want it"; and we're here every working day in the year to supply you with the best of clothes and the best of service at the lowest possible prices.

Restriction on Importation Required

Since January 1st, 1920, there has been no Federal restriction on importation for beverage use, and now liquor pours into dry provinces to supply bootleggers, whiskey smugglers and rum runners. The enforcement of the Temperance Act is thus made more difficult.

Under WARTIME PROHIBITION OF IMPORTATION crime DECREASED. Since January 1st, 1920, it has INCREASED, because restrictions on importation have been removed.

The opportunity to stop importation of liquor for "beverage use" into this province and

Prevent Illicit Dealers Getting Supplies

is yours on October 25th.

Shall the importation and the bringing of intoxicating liquors into the Province be forbidden?	NO
Shall the importation and the bringing of intoxicating liquors into the Province be forbidden?	YES X

Mark your ballot with an X after the word "YES" if you wish to have importation prohibited.

The Bootlegger and the Whiskey Smuggler are disgracing the Province. They must go.

Published by the Nova Scotia Social Service Council, Office New Glasgow, N. S.
