MAYOR'S REPORT

To the Ratepayers of the Town of Wolfville, Ladies and Gentlemen,—A perusal of the Auditor's Report and the Annual Statement for the past year published elsewhere will show that our financial standing has improved and notwithstanding the large amount of extra work put through in the different departments of the town's activities, we have kept well within our estimates. Some departments have over-run a little, others are well within the amount estimated at the beginning of the year. We show a balance on the credit side.

It is not my purpose to give financial details in this report, but rather a brief summary of the work undertaken and completed during the past year. The past year has been a busy one, giving work to a large staff of men all through the season. The installation of a new and up-to-date fire engine, a remodelled engine house and a thoroughly re-organized and equipped Fire Protection Company was one of the first and probably most important items. It has been fully demonstrated on several occasions that the purchase of this piece of fire fighting apparatus was a wise choice on the part of the ratepayers. We appreciate the co-operation and financial support given us by the Governors of Acadia in making it possible for us to acquire a machine of such value, which otherwise would have been beyond the ability of a small town to purchase.

One of the long delayed and much talked of improvements in the business section of the town was the widening of the sidewalks on the principal streets of the town were levelled up and improved. In response to the resolution passed at a meeting of the ratepayers to extend the sewer system to the western boundary of the town, the work was begun in May. It will be remembered that the sum of \$5,000 was voted for this purpose. Through a change of plans, we were able to give a satisfactory sewer service at a cost of about half the sum voted. This was another case showing the wisdom of having a practical engineer in the employment of the town whose services are always available. Another long delayed and important item was the solution of the difficulty we had been having for the past fifteen years with the western outlet of the sewer system. Threatened with a suit for damages caused by the overflow of sewage on private property, it was up to the town to remedy this condition at once. Our manager proposed a plan by which a basis or reservoir to be constructed to hold this matter at high tide and afterwards automatically discharge into the river. This work is well underway and will be completed in the spring. Although the past season was a very dry one, we had no shortage of water. The new reservoir was strengthened with a lining of several hundred tons of stone. The old houses near the reservoir will be removed in the spring and a proper fence erected around. Contracts have been made for clearing up a portion of the watershed lands to allow for a new growth. The timber cut off this year will mean some revenue which can be applied to the depreciation account of the water department. A larger water main was laid on Prospect street. Another main pipe from the reservoir will eventually have to be laid connecting with the system in the southern portion of the town. Also some scheme devised by which a better service can be given to the householders above Prospect street. With these improvements, our water system should be adequate for a number of years.

The Electric Commission report an increase of revenue. The street lighting service will be improved in a short time. The new system now being installed will give us a much stronger and better distributed light. This work will be completed in a month. The sale of the old electric light plant, which money we have on hand, will cover the larger part of this expenditure.

Among some of the minor improvements we might mention work done in clearing up and providing for a small camp site and picnic ground in the grove at the south of Mud Creek. We hope to see this matter taken up next season and some comprehensive scheme devised to make this a beauty spot instead of the eyesore that it has been for so many years. Tourist signboards were erected at the extremities of the town and at Government Wharf. Forty feet was added to the culvert at the bridge, by which the filling in process can be extended further out work. All the vacancies were filled with a competent staff. Another room was finished in the new building and equipped during the vacation. This room is being used for the High School and another teacher has been added to the High School department.

At the beginning of the year we were confronted with what looked like a serious liability for the town. We were notified by the Municipality of Kings County that we might be called upon to pay a proportion of the shortage in their accounts. Our arbitration committee with delegates from the towns of Kentville and Berwick had several conferences with the Municipality. After a thorough investigation of the whole subject, a satisfactory adjustment was arranged by which the claim was waived and a better working basis was arranged for the future. Full credit should be given to our Arbitration Committee as well as to Mayor Chesley of Kentville, for effecting this favorable settlement by which we saved at least \$2,000 for the town.

In conclusion I wish to thank the members of the Council, our Town Manager and Town Clerk for the support given me during the past year. After serving the town for eight years

WHEAT KING

James Cobden Mitchell, of Dahninda, Saskatchewan, was the grower of the wheat which made a clean sweep at the Chicago International Hay and Grain Show last year.

HARVEY-FULLER

The Lower Horton Methodist church was the scene of a very happy event on Thursday, Jan. 22, when the friends gathered to witness the marriage of Phyllis Grace, eldest daughter of Mr. and Mrs. Guy P. Fuller, Hortonville, and Graham, only child of Mr. and Mrs. Robert Harvey, of Grand Pre. The Rev. Wilfred Burdige, pastor of the church, conducted the ceremony in a very solemn and impressive manner. The young friends of the couple had decorated with cut flowers of different kinds an arch trimmed with smilax, wall-flowers, roses and California marigolds, all supplied from the Pickford Nurseries at Grand Pre, and never had the old church looked prettier.

Promptly at the hour, 1.30, the groom came up the aisle accompanied by the minister and followed by the ushers, Messrs. Trenholm, Woodman, Mitchell and Palmer, who took their places each side of the altar. As the strains of the wedding march pealed out under the skillful fingers of Miss Gladys Lang, the bride entered leaning on the arm of her father. She looked very winsome and lovely in her gown of white satin with pearl ornaments, veil and orange blossoms. She carried a shower bouquet of roses and carnations.

After the ceremony there was a reception of the immediate relatives at the home of the bride's parents, after which Mr. and Mrs. Harvey took the afternoon express to Halifax sailing from there to Bermuda where they will spend their honeymoon. The bride's going away gown was of caramel and cloth, brown marvella coat with trimmings of Tibet fur, and she wore a small statin of the same shade.

The presents of silverware, cut glass, china, cheques, pyrex and linen were very numerous and valuable, and testified to the popularity of the young couple. The staff at the Experimental Farm, Kentville, of which the bride had been a valued member for over five years, presented her with a handsome silver tea service.

The groom's present to the bride was a gold wrist watch, to the organist a silver vanity case with monogram.

We wish the happy couple a pleasant trip and a safe return to their home in Grand Pre.

Rev. H. R. Grant, D.D., the energetic secretary of the Provincial Social Service Council will spend Sunday next in Wolfville. At 11 o'clock he will speak at St. Andrew's church and at 7 o'clock will be the speaker at the Baptist church. Dr. Grant's addresses are always full of interest and it is hoped that he may be greeted by large audiences at both meetings in Wolfville. Admired for his deep interest in the advancement of social conditions and for his boldness in standing up for the principles which he holds in the esteem of his fellows. His visit to our town will be gladly welcomed by all loyal citizens.

Three medium sized apples weigh about a pound.

In the Council, three of which as Mayor in 1911-12-13, I supposed that I was through with public service, but in Nov. 1921 I was asked to fill the vacancy in the Council caused by the resignation of Councillor Whidden, and afterward to accept the Mayoralty for 1924. At the close of which term I announced that I would not seek re-election, and fully intended to retire for good, but the business of selecting a Mayor and Councillors for 1925 was apparently left until the eleventh hour. A great lack of interest was shown by the ratepayers in this important matter.

I feel that there are many citizens of our town who are much better qualified than I at this time to accept the office, and that they should assume the responsibility. In view of the fact that our Town Manager has sent in his resignation to take effect at once, which I very much regret, a larger amount of responsibility will be thrown upon the incoming Mayor and Councillors. In accepting the requisition recently given me, I may say that I am not pledged to any future policy. The estimates for the coming year will have to be carefully made, and every effort made to keep down expenses. We are now pretty well fitted out with everything a small town needs. When the estimates are made the rate payers should be present to criticize. Our Council chamber has ample accommodation and open suggestions will be appreciated. Let us get together.

I am yours respectfully,
J. D. CHAMBERLAIN,
Mayor.

FRUIT GROWERS HELD ANNUAL MEETING

At Annapolis Royal Last Week — Many Problems Discussed—F. W. Foster is New President

The sixty-first annual session of the Nova Scotia Fruit Growers Association convened at Annapolis Royal on Tuesday, Wednesday and Thursday of last week, with a large attendance of delegates.

The convention opened Tuesday afternoon with prayer by Rev. M. H. McIntosh, after which Mayor W. R. Cunningham gave an address, in which he cordially welcomed the Fruit Growers on their first convention in that historic town, and placed at their disposal the new Memorial Town Hall.

The president of the Association, A. FitzRandolph, of Beigniew, then introduced Rev. H. S. Shaw, of Berwick, who replied to the Mayor's speech of welcome, and spoke of the invitation extended three years ago, which was interfered with by the disastrous fire. He also tendered remarks of appreciation for the use of the Hall, with its well lighted, spacious room, and complimented the town on its energy in rebuilding.

The president of the Association then gave his annual report which was listened to with interest. Manning Ellis, in reply complimented Mr. FitzRandolph on his careful, well thought-out address. The president to his conclusion, showed the members in London, and was strongly in favor of stopping tree run. J. N. Chute also took up this important question with fruit commissioners while in London and was not in favor of changing marks on barrels. E. R. Clarke also spoke on the subject.

Vice-President, A. S. Banks was anxious to have fruit storage discussed, and F. W. Bishop, of Paradise, responded with an interesting talk on the subject of handling apples, and moved that this matter be brought up at a future meeting, seconded by Mr. Wyatt.

Prof. J. Shaw, of Truro, then read an instructive paper on Apple Stocks and Grafting, giving the system of grafting in London, and in France and Holland. Fred Chipman questioned points on this paper, and E. R. Clarke asked for information and authority for some of the statements made.

G. H. Vroom, Dominion Fruit Inspector, then gave an extempore speech and spoke of the potato crop as well as fruit, giving statistics of crops in New Brunswick and Prince Edward Island. He stressed the careful handling of the crops, giving as a slogan "careful packing pays". There has been shipped from Halifax this year 800,000 barrels of apples, with more to follow, and it was Mr. Vroom's opinion that more attention should be paid to local markets. A. S. Banks doubted the wisdom of cutting out tree run and asked questions regarding packing, etc.

Eric Leslie, of Woodville, King's county, then read a paper on Packing, and spoke of apples being known from the country in which they are grown, and the fine reputation of Nova Scotia apples.

The President appointed as a resolution committee, H. S. Shaw, V. B. Leonard and Manning Ellis.

Prof. W. S. Blair, of the Experimental Farm, Kentville, discussed Top Grafting, and A. S. Banks took up some points on Mr. Leslie's paper, followed by an animated discussion on the various grades of apples, particular attention being devoted to number three. Mr. Marriott discussed the reputation of Nova Scotia fruit in the British market, followed by speakers Prof. Blair, H. Ellis, J. A. Kinman, Secretary F. W. Foster, of Kingston, E. R. Clarke, F. W. Bishop and J. N. Chute and A. S. Banks.

A beautiful display of apples was conspicuous on the platform.

A banquet was held at the Masonic Hall after the meeting. Hon. R. E. Fink M.P., was expected to speak, but did not appear, so it was decided to hold a round table talk.

An old fashioned snow storm greeted the delegates at the session Wednesday morning, when there were seventy members present.

B. Leal, of Elmville, of Toronto, read a very comprehensive paper on "Results From Orchard Fertilizer", which he had previously read before the Quebec Fruit Growers, also taking up subject of off-year bearing, and giving statistics in the history of nitrate of soda in Nova Scotia, Quebec and Ontario.

The discussion which followed this paper took up the greater part of the morning session. E. R. Clarke and Mr. Wyatt took up experiments on several points, followed by Hartley Foote, on "The Value of Nitrate", and F. W. Bishop on "The Danger of Placing too Much Emphasis on the Value of Nitrate, and Neglecting Other Fertilizers". A. S. Banks, and C. S. Bentley, also took up important points in this discussion.

J. F. Hockley, a new-comer in the Valley, then gave a talk on "Some Plant Disease Problems", which he termed "Plant Pathology", dealing with the apple scab, and describing the process of spreading the fungus disease, locally known as "ink spots" and "Black Knot", and canker growth in plums. This paper was also discussed at length.

A. Kelsall took up the question of spraying, and F. A. Chipman, F. W. Foster each gave interesting experiences regarding Bordeaux mixture and other points touched on in the address.

Dr. W. H. Brittain, of Truro, then spoke on "The Fruit Pest Situation" for 1924, stressing the bud moth, the green apple bug, and the apple sucker, also speaking of the apple risk. He described the great damage of the bud moth last year in Berwick and Lakeville, where Bordeaux mixture was not used, as well as contact dust, and showed blue prints and a sample outfit that could be used by the farmer to make his own dust, giving the formula, and a humorous account of the spectacular effect of the application. A discussion followed regarding the kind of dust in use. A. Harris and others took part. These men then adjourned till afternoon.

The afternoon session of the Association was marked by bright, sunny weather, with a crowded hall, over one hundred and twenty in attendance, and a large number present from Moschelle and other nearby districts. Prof. W. S. Blair was the first speaker, explaining tests with nitrate of soda, and experimental work with fruit trees. Baskets of fruit from the experimental farm were exhibited, and the keep qualities of different varieties described.

He spoke of the careful judgment needed on the part of the grower to avoid the excessive use of nitrate of soda, and also described the characteristics of some new varieties. Many questions were asked on this subject, and Prof. Blair gave a list of desirable varieties to plant, among them Gajo, Ben Davis, Wealthy, Stark, Wagner, Golden Wonder, Golden Russet, and McIntosh Red. F. C. Foster, J. C. Chute and M. B. Davis were other speakers along these lines.

Fred W. Bishop, President of the Canadian Horticultural Council, spoke on matters relating to this organization, which was formed in 1921 with 16 members. He took up the question of Imperial preference, reading several letters relating to the subject. Fred Fisher, of Summers, asked questions on this paper, after which Dr. J. B. Hunt gave a stirring address on education and the Short Course at Lawrenceton, asking for the names of a dozen young men who might attend the next term.

C. H. Burchall, of Windsor, was the next speaker, who thought there should be a system of broadcasting some of the afternoon's heat and sunshine to colder places, and then gave a talk on soil culture and destruction of fruit pests through fungicides and insecticides.

Questions on this subject were asked by J. S. Margeson, F. W. Foster and Mr. Wyatt, and answered by Prof. Blair. Mr. Poinney described the operation of a pump and the formula used, after which Mr. Taylor, who had visited Nova Scotia ten years ago, spoke upon the manufacture and use of nicotine.

The Wednesday evening session was also largely attended, and opened with an interesting talk on "Bud Moth" and the spray used for it, by Arthur Kedall, Head Entomologist of the local forestry. He was followed by Mr. Fulton, Assistant Fruit Commissioner, of Ottawa, who spoke of the care necessary in handling fruit.

Malcolm B. Davis, of Ottawa, then gave a very comprehensive address on spraying, pruning, soil management and fertilizer. A letter from J. Elliott Smith on the apple question in England, was read by the secretary, and the rest of the evening was taken up with a thorough discussion of these subjects.

The closing session was held Thursday morning, with over fifty delegates in attendance. The meeting was called to order by President A. FitzRandolph, and the financial statement for the year bearing, and giving statistics in the

HON. D. A. CAMERON

Who recently resigned his position as Provincial Secretary, following the sensational developments in the financial conditions in the Municipality of Cape Breton, of which he had charge.

MRS. F. B. HARRIS

The death of Mrs. Fenton B. Harris occurred at her home at Lower Wolfville at 1.45 o'clock on Friday morning last. For the past two years she had been in failing health due to an attack of diabetes, but during the late summer and autumn appeared to improve. She spent a few days recently in town with friends, who were surprised and shocked at her condition. Returning home she was taken decidedly worse in spite of the loving care of her next of kin and finally passed away as it had before.

Before her marriage Mrs. Harris was Miss Annie Huggan. She was born at Frome, England, but her mother's death occurring when she was very young, her early life was spent in London with an uncle and aunt. Subsequently she came to this country to live with an uncle in Montreal and has also resided in Halifax, Boston and New York.

Ten years ago last June she was married to Mr. Harris, and since then she has resided on her husband's farm at Lower Wolfville.

She made many friends during her life here and was highly esteemed by all with whom she became acquainted. Of a hospitable and kindly nature she was ever pleased to welcome friends to her home, where they were always royally entertained.

She is survived by her husband to whom her death is a very great loss, relatives in the old land and many friends in the United States, where most of her life has been spent.

The funeral took place on Sunday afternoon, from her late home, which was thronged with neighbors and friends come to pay their last tribute of respect to one who was held in high regard and whose passing was deeply mourned. Rev. R. F. Dixon, rector of St. John's church, conducted the service and delivered an appropriate and timely address. Fitting music, as rendered by members of the choir of the hymn "Good Night" by the organ, being especially effective. Interment was made in Willow Bank Cemetery.

THE CIVIC SLATE

Notwithstanding the apparent lack of interest existing at the time of our last issue candidates have been found for the vacancies at the Council board, which are pretty sure to meet with public approval. Mayor Chambers has resigned his decision not to continue in office, and was nominated on Tuesday for another term. He is unopposed and in the case of most of the other towns of Nova Scotia this year is elected by acclamation.

Those who were nominated for the Council are Mr. Chester G. Coomb, Dr. J. A. Moran Hemmeon, Major John A. Macparson and Mr. Charles Porter. Three of them will be elected on Tuesday next, to complete the Council for the current year. Wolfville is to be congratulated on having among its citizens four young men who have manifested such an interest in the social and community life of the town, and who have consented to undertake the responsibility of civic government if elected. They are all well known and citizens are positively sure to make a good selection no matter how they vote.

Considerable disappointment has been expressed that Prof. Balcom is not a candidate for re-election as it was understood that he had signified his willingness to remain in office. As a member of the Council he has been active and industrious in his good service which he has rendered. As chairman of the Finance Committee and particularly as a member of the committee to adjust the joint service with the municipality Council, Balcom has been a valuable member of the Council.

Coun. Peck, who has done much to improve the conditions of our fire protection as well as along other lines, and Coun. Reid, who has also been an active member of the Council, will be missed at future meetings. They too have earned the thanks of their fellow citizens.

The death occurred on Saturday last at his home at Aylesford of James W. H. Robinson, one of the oldest residents of this county and father of Mr. E. W. Robinson, M.P., of this town. The deceased was 89 years of age and had resided at various places in Kings county, of which he was a native. His wife predeceased him less than a year ago, and he is survived by four children, two sons and two daughters.

Acadia played their first game in the intercollegiate hockey league next Thursday with Mt. Allison at Sackville. The U.N.B. team plays here on Feb. 19th.

KENTVILLE WINS OVER WOLFVILLE

In Closely Contested Game at Kentville—Score 6 to 3

KENTVILLE, Jan. 27.—Kentville stepped up one more in the Valley League standing, when they defeated Wolfville 6-3 at the Arena tonight. The visitors scored all three tallies in the second period while the home aggregation scored in each period.

Both teams set a fast pace when the whistle blew for the opening end after one minute of play, Corbin Kennedy, the Kentville centre, shot from centre ice and sagged the twine behind McKenna. Fraser, Wolfville defence, made a pretty nice cover the length of the ice to be stopped by Barnaby who flopped to his knees, thus saving a sure goal. Barnaby drew two minutes in the cooler for the violation of the rule. Corbin stick-handled through the Wolfville aggregation in spectacular fashion and denied the net for the second score. Shortly after this, "Black" Bennett, the Kentville right wing tore through the defence and sagged the draperies for number three. Wolfville tried hard to score out the end of the period found them at zero.

Wolfville opened the second period with good hockey and before the game was well under way Rand swooped down upon the Kentville goalie and notched number one for the visitors. Five minutes later Thompson added another and this was followed one half minute later by a third when Andrews lifted the puck to the Kentville goal, post where it bounced through Barnaby's hand for the third and last tally for the visitors. Barteaux played well for the Wolfville team in this period.

After the sudden outburst of speed shown by the visitors in the second period, Kentville opened the final stanza with some real combination. W. Kennedy received a pass from Bennett and banged in number five for the home team. A minute later he added another to his list taking a wicked shot from the wing. Both goalies put up a great game and made many sensational stops. However, no more scoring resulted and the game ended 6-3 for Kentville.

The line-up—

Kentville—Barnaby, goal; Corbin and Parker, defence; G. Kennedy, centre; W. Kennedy, left wing; Bennett, right wing; subs, Cox and Oyer. Score 6.

Wolfville—McKenna, goal; Fraser and Thompson, defence; Andrews, centre; Barteaux, left wing; Dick, right wing; subs, Rand and King. Score 3.

Referee, Ves. Laing. Attendance 400.

ACADIA WINS FROM WANDERERS INTERMEDIATES

In Local Rink Tuesday Evening—Score 8-6

Acadia defeated the Wanderers Intermediate hockey team here Tuesday night by the score of 8-6, coming up from behind in the last period. The game started out slowly but by the last period the boys were playing good hockey and Wright starting for Acadia on his long rushes. R. D. Johnson and W. R. Vincent also started for Acadia, but the collegians were generally not up to their usual good form. MacCoy and O'Brien played a great game for the visitors, stick-handling and checking effectively.

MacCoy started the scoring early in the first session on a rebound and was followed by Jones for the Wanderers. R. W. Johnson broke through for the first Acadia tally after fifteen minutes. The Wanderers made another by Melike before the period ended. This session was very slow both teams showing poor form.

The players began to liven up in the second session and Wright scored for Acadia off R. D. Johnson's rebound. Thompson scored for the Wanderers which was quickly followed by another. Acadia showed up better in the last few minutes. McLatchy and Vincent netting shots. The second period ended 5-4 in the Wanderers' favor. The last period began well for the collegians. McLatchy scoring after one minute. R. D. Johnson and Wright combined for another, followed by a seventh by Wright on a lone rush.

MacCoy netted the Wanderers' lone tally of the period at this time and was soon followed by Wright, who made a brilliant rush and sagged the twine for the local's eighth.

Wanderers—R. MacCoy, Thompson, O'Brien, forwards; Hill, Caldwell, defence; Bartlett, goal; Jones, Hanahan, Melike, subs.

Acadia—R. W. Johnson, Vincent, McLatchy, forwards; Wright, R. D. Johnson, defence; Elderlin, goal; Eaton, Mackley, Jenkins, subs.

Referee: Ted Strickouse.

FIRE COMPANY ELECTS NEW OFFICERS

At a recent meeting of the Wolfville Fire Company the following officers were elected for the ensuing year:

Chief—Wm. Murphy
Vice Chief—Stanley Murphy
Capt. of Pump—L. B. Fielving
Capt. No. 1 Reel—Alex. Stephenson
Capt. No. 2 Reel—Howard Rogers
Capt. No. 3 Reel—Edward Fraser
Engine Drivers—Frank Murphy, Wm. Lynch, Stan. Murphy, Geo. Stephens
Capt. Salvage Corps—Clarence Coldwell
Capt. Ladder Wagon—Aubrey Dakin
Secy-Treas.—Carl Angus

The company is now better organized than ever it was and regular monthly meetings are held.

THE VALLEY LEAGUE

The standing of the teams in the Valley Hockey League is now as follows:

Team	W.	L.	For	Agst.
Windsor	4	2	36	22
Canisig	3	2	21	28
Kentville	3	3	26	23
Wolfville	1	3	14	36

Camp Chocolate

Here's a new food confection, Moirs Camp Chocolate. It is a solid tablet weighing half a pound, in compact form, for hitch hikers, campers and outdoor sports generally.

The beauty of this chocolate is that it is a delicious eating chocolate, a sustaining food that tides over between meals, and in addition it makes a most refreshing beverage without the addition of sugar.

The price—25c.—is so low it prevents you from realizing how good Moirs Camp Chocolate is.

Editorial

Our pulpits are our work clothes. Each of us live some kind of a sermon every day.

THE MENTAL DEFECTIVE IN OUR COUNTY HOMES

AT THE recent meeting of the Municipal Council a delegation from the Children's Aid Society of Kings County presented for consideration a proposition of some importance. In conjunction with similar organizations from Annapolis and Hants county a change is urged in matters relating to the county homes of these municipalities. At present there is no provision for a segregation of the inmates of these institutions which include both sexes and all grades of mental responsibility. The proposition is that the three counties co-operate in the care of this class of their population and use the present homes under a more efficient plan.

It is suggested that the dependent portion of our people be divided into three classes, the unfortunate poor who require support, the adult mental defectives, and children of the same condition. It is claimed that these divisions might be effected and that much better provision could be made for these unfortunates without any very material advance in cost to the public. Under present conditions the former class are subjected to conditions which no person who might come to depend upon the charity of their fellows would be inclined to look forward to, while in the case of the two latter classes the present method of dealing with them is a menace to the economic and social conditions of the community.

It is neither good business nor good ethics to allow the present methods of dealing with the problem which the existence of the mentally incompetent creates to continue, and it is hoped that with the information placed before them the people of these counties will appreciate the wisdom of prompt action. The Councils have been requested to appoint committees to confer and discuss the proposed action.

NOVA SCOTIA'S FINANCIAL AFFAIRS

THE INCIDENT which transpired last week in connection with the public life of this province, ought to be of sufficient importance to demand consideration on the part of the people of Nova Scotia. That a man who for some time has held perhaps the most responsible position in the Executive of the province has felt obliged to resign because of developments which resulted from an independent audit of accounts which have been under his control is a rather serious matter. It becomes the more serious when the official in question admits the correctness of the finding and offers restitution.

Protestations that the offender received no personal profit from the transaction in no way improves the situation. The missing funds evidently benefited some individual or organization and it is up to the one who held these funds in trust to give an accounting. The people have a right to know all the facts and cannot be expected to be satisfied until these are furnished them. They cannot forget that it was only when it was impossible to longer conceal the conditions that the funds were replaced, and naturally are wondering what would develop if an investigation were made into the provincial funds which have never received an independent audit.

The statement made by Premier Armstrong that he and his former colleague were in complete accord concerning every item of government policy may mean much or little to the people of Nova Scotia, until they are permitted to know just what the policy of the government has been with regard to the financial affairs of the province. Naturally they would like to be shown.

SALE OF LIQUOR IN STREETS

UNLESS conditions in Wolfville have been grossly misrepresented it is certainly high time that the civic authorities should take strenuous action to prevent the sale of intoxicating liquor in this town. During the present week two persons who were before the police court charged with being in an intoxicated condition made the statement when questioned by the stipendiary that they had purchased the cause of their condition from a stranger who was offering it for sale upon the streets. In these days of "boot-legging" it is naturally difficult to apprehend many of the offenders, but it should be a rather easy undertaking to get the evidence on one who should be a rather easy undertaking to get the evidence on one who openly walks our streets and accosts those with whom he is not acquainted in the endeavor to promote his nefarious trade. It is said that one of the persons questioned stated that the man from whom he secured the liquor was a frequent visitor to our town and that he had come in contact with him on a number of occasions. Evidently the time has come for more aggressive work in the direction of law enforcement than has so far been in evidence.

TEAM WORK

PARTICULARLY in these days when athletics occupy such a large place in the public mind, we hear much about the value of team-work. A hockey club may be composed of ever so good individual players and yet fail to make good if the members of the team have not learned to play together. These are the days of co-operation and through its agency many wonderful things are being done.

In our town life we need more team-work. When citizens co-operate and work together for the advancement of community interests they progress and prosper individually as well as collectively. The same material which constitutes the solid rock is composed in the shifting sand. In union is strength. The greatest possible detriment to the success of any community is a policy of individualism to the detriment of its citizens. Petty jealousies and a failure to play on the part of its citizens. Petty jealousies and a failure to work together prevents the successful accomplishment of a great many undertakings in Wolfville as in other towns. Let our slogan during 1925 be "more team-work", and every citizen endeavor to take his or her place in the promotion of community well being.

LOYALTY TO THE JOB

LOYALTY is the obligation to give the best that is in us. When we are loyal to our business connections we must be true to every principle for which it stands, with a fidelity which nothing can swerve or deflect, and our loyalty must flow out to every individual who has a part in its activities as well as to all who may be influenced.

THE TOWN'S REPRESENTATIVE

LOCALS of men and some business men do not appreciate their local paper as a thing of value except to the owner of the paper, and that is where their vision needs doctoring. The newspaper travels, and is the only representative of the community that is always working at the job.

SENATOR NORRIS

Of the U.S., who is fighting for the Government operation of the great \$150,000,000 Muscle Shoals power plant. He cites the successful operation of great public ownership enterprises in Canada and asks why the people of the United States cannot do the same.

MARITIMES HAVE 11.4 PER CENT. OF POPULATION

Interesting Census Statistics in Latest Bulletin Issued by Dominion Bureau

OTTAWA, Jan. 23.—The Dominion Bureau of Statistics has released the first volume of the final report on the Census of 1921. The main results of the Census have been given out in a series of some thirty bulletins, each dealing with specific aspects of population and agriculture. The volume, however, contains the final detailed figures by local units, showing (1) the numbers, sex and geographical distribution of the population, (2) the racial origins, and (3) the religions. The volume also contains the administrative report on the taking of the Census. The main figures of the 1921 Census have already been made available to the public but the following may be noted: the total population of Canada in 1871 was 3,689,257; fifty years afterwards it was 8,788,483, an increase of 138.22 per cent. In the last decade the increase was 21.95 per cent., while in the first decade following confederation it was 17.23 per cent., in the second 11.76 per cent., in the third 11.13 per cent., and in the fourth 34.17 per cent.

It is also interesting to note that in 1871 Ontario possessed nearly 44 per cent of the population of Canada and Quebec a little better than 32 per cent, while in 1921 Ontario possessed 53.38 per cent., and Quebec 26.87 per cent of the total population.

The relative position of the Maritime Provinces as regards population in 1921 is strikingly illustrated by the fact that at the date of confederation they had 22.8 per cent of the total population as against 11.4 per cent in 1921. The explanation lies to some extent in the growth of the Prairie Provinces. In 1871 out of a total population of 3,689,257 only 18,000, or .42 per cent, dwelt in the Middle West; in 1901 they possessed slightly more than 3 per cent of the total population, while in 1921 they had more than 22 per cent.

The growth of urban population in Canada is forcibly illustrated by the fact that in 1921 there were 100 cities and towns in Canada with a population of 5,000 and over, as against 87 in 1911, 57 in 1901, 45 in 1891, 34 in 1881 and 22 in 1871. In 1871 the population living in urban centres made up 31.8 per cent of the total population; in 1901 it had climbed to 37.5 per cent; in 1911 to 45.4 per cent., and in 1921 to 49.5 per cent. From 1891 to 1921 the rural population showed a gain of 34 per cent, as against a gain of 183 per cent. in the urban population in the 30 years.

The effects of immigration on the

ethnic composition of the population is illustrated by the fact that in 1881, 59 per cent of the population was of English, Irish or Scottish origin, 31 per cent of French origin (nearly all native born), and 21 per cent Indian, leaving only about 81 per cent of the population as belonging to other races, while in 1911, or thirty years later, the proportion was as follows: British races 54 per cent., French 28.1 per cent., Indians less than 11 per cent., and all other races nearly 16 per cent. In 1921 the proportion was: British races 55.5 per cent., French 27.9 per cent., Indians 11 per cent., leaving all other races with 15.43 per cent of the total population.

The section dealing with the classification of the population according to religious beliefs shows that of the total population in 1901, the Church of England claimed 12.69 per cent.; Baptists 5.92 per cent.; Lutherans 1.72 per cent.; Methodists 17.07 per cent.; Presbyterians 15.68 per cent.; Roman Catholics 41.51 per cent., while the per cent. proportions were: Church of England 16.02 per cent.; Baptists 4.80 per cent.; Lutherans 3.28 per cent.; Methodists 13.18 per cent.; Presbyterians 16.03 per cent., and Roman Catholics 38.50 per cent. The Jews, which numbered 16,401, or less than one-third of one per cent of the population in 1901, had 125,190 adherents in 1921, or 1.42 per cent of the total population.

DECLINE IN APPLE PLANTING

Returns published by the Dominion Bureau of Statistics show that there was no increase in the planting of fruit trees in the year just closed in Nova Scotia or Ontario and a sharp decrease in British Columbia. The latter fact is explained by the number of small nurseries which have discontinued operation in the Pacific Province in recent years.

The total number of apple trees set out in Canada last spring was 331,917, compared with 338,616 in 1923. More than 200,000 of these were of winter variety, with 66,000 of those classed as fall. Over 14,0000 crabs were set out, mostly in the Prairie Provinces and New Ontario.

Cherries, plums, pears and peaches showed little change from the number planted in 1923, but a big increase in the number of grapes, 293,000 of these vines being set out last spring. Raspberry plantings, despite the damage being caused by Mosaic, were up to normal.

Prospects for the 1925 season point to improvement in apple plantings, especially in Ontario and Nova Scotia. Fairly good returns have been realized in both these provinces of recent years, in which fact is bound to be reflected in the acreage of new plantings. There were practically no new orchards set out during the war years and very few replacements of all cases. However, with surer markets, there has been a steady increase in the commercial plantings since 1920.

THE COST OF STRIKES

Strikes have doubled the cost of living of every American family, according to a statement made public by the American Economic Institute. Had there been no strikes in the last twenty years, there would have been enough surplus wealth in the country to pay the entire American war debt without levying a dollar on anything but surplus. The economic burden resulting from the cessation of industry and production is paid for at every meal in the increased cost of food, in the increased cost of buildings and rents, and in the increased cost of clothes. Thus the public is liquidating an enormous debt with the levying of which it had nothing to do.

It's Best for You a Baby too!
BABY'S OWN SOAP

(Faceless women will be seen in the coming winter when the new coats, with high fur collars, make their appearance.) "Excuse me—haven't I met those feet before?" —London Opinion.

WHEN OPPORTUNITY COMES

How much money have you "put by" in the present time?

Enough to pay a doctor in case of sudden illness in your family? Enough to make a payment on a home should you be offered a bargain? Enough to take advantage of a sudden business opportunity?

Ordinary opportunities, ordinary happenings, these, yet how many are ready for tomorrow's big chance—tomorrow's emergency? The man with a good bank balance is always ready for the unexpected.

Our booklet, "THE MEASURE OF YOUR INCOME," will help you. Ask the Manager for a copy.

KEEP IN TOUCH WITH YOUR DEALERS BY LONG DISTANCE TELEPHONE

"Oh, we hadn't a look in from your people for six months, and thought that perhaps you had given up working this territory; so we placed our order with another house in your line. Now we're stocked up."

That's the answer a travelling salesman got the other day from a village storekeeper whom he was canvassing for an order.

Rather a nasty knock!

How different it would have been if the salesman's house had been in the habit of giving the dealer a periodical call over the Long Distance Telephone Lines!

Then the dealer would have known the house was doing business in the territory, and the house would not have lost an order and perhaps a customer.

Imagination, Humor, Kindness, Athletics Attributes to Success

But Real Success Rarely Obtained Except Through Individual Effort, Says E. W. Beatty.

EDWARD WENTWORTH BEATTY

There are many exceptions to every rule in which accident or good fortune seem to have played a great part in a boy's or a man's life, but in the main, real success is probably rarely obtained except through individual effort. In addressing the students of Lower Canada College recently, E. W. Beatty, chairman and president of the Canadian Pacific Railway, enumerated as qualities and attributes to material success, work, self-reliance coupled with modesty, loyalty, imagination, humor, studied thought and human kindness.

"If I were to pick out for you the most admirable quality possessed by the students of this college, I would say that it is that of loyalty: loyalty to your family, to your school, to your university, to your country and to yourself. The second in the long list of qualities which are admirable is imagination; dreams mean idealism and idealism is often followed by constructive vision. Imagination enables a man to take out of life sometimes more than there is in it. Retain as long as you can your faith in other men.

"The third quality that I would mention is self-reliance, and I think that it is probably one of the outstanding characteristics of the Canadian young men. The field of athletics, Mr. Beatty considers as the most helpful contributor to the spirits of self-reliance and having cultivated the out-door spirit he would then "cultivate a sense of humor—not the harmful humor

that only takes delight in the confusion or humiliation of others, but that humor which enables a man to laugh at himself and hold himself in proper proportion, a man who sees the bright side and communicates the brightness to others.

"Now, most of you," he said, "will proceed from here to a university and into a profession, or maybe out into the university course into business, and you will want to succeed, and perhaps you would not mind my saying some of the things that I have observed that contributed to a man's success.

"At the outset come the qualities I have mentioned to you because they are so admirable in themselves. There are many and I can only mention a few. I have mentioned self-reliance. Couple it with modesty—that fast disappearing virtue—and you have a combination of invaluable value to any boy starting in life.

"Now there is a word, an ugly word, which has a great deal to do with a boy's or a man's success—Work!... This school and higher colleges can give you much. They can teach you to think, study and analyze, but your education in itself will not make you anything. This is a result which must come from your own effort. Do your own thinking. Advise and consult with others, especially older and more experienced people. Mental exercise is just as good as athletics if you are later to take your place in a contest where judgment and brains are your chief equipment and not physical powers.

"The last quality I am going to mention which helps a boy to succeed is human kindness," Mr. Beatty said. "Your own success will never be retarded by a kindly and neighborly spirit. Remember that you will go much farther through the good will of others than you can possibly go by climbing over someone's back."

NEW SHIP FOR BOSTON AND YARMOUTH SERVICE

Calvin Austin, President of the Eastern Steamship Lines, Inc., accompanied by Mrs. Austin, sails on the S.S. "Aquatania" February 21 for England where Mr. Austin will place contracts for building a new passenger ship to go on the Boston-Yarmouth, N.S., route.

The plans and specifications which have already been made call for a ship 365 feet long, 265 staterooms with bath and toilets and every other modern convenience, and many innovations which cannot yet be made public. The new ship will be of staunch construction, sufficient for her to make a round the world cruise if necessary. The specifications call for a speed of 18 knots. Immediately after contracts are placed work will be started and rushed through to completion in order to bring her out in the Spring of 1926. The cost of the new ship will be approximately \$1,250,000.

SLEEPING OUT OF DOORS

Sleeping out of doors the year round is being advocated by many recognized authorities.

It is admitted that one of the greatest tonics for tired minds and bodies is fresh air, which is also one of the greatest.

Personal and Social

Mr. G. Henry Ruffee, of this town, has recently been appointed Provincial Constable.

Mrs. W. A. Woodman and Mrs. L. P. Dennison, Grand Prix, are spending a few days with their friend, Mrs. G. W. Whitman, in Windsor.

Mrs. C. G. Newcomb and Miss Bertha Newcomb are leaving this week for Bermuda and the West Indies where they will spend several months.

Mr. Emmerson L. Curry, of the Faculty of Acadia Collegiate and Business Academy, was in Halifax on Sunday, where he preached in the Tabernacle Baptist church.

The Ladies' Faculty Club of Acadia University met Monday evening in the College Women's residence, Mesdames Bancroft, MacLean and Osborne being hostesses. The well chosen programme was given by Miss O'Leary. The Faculty of Acadia Ladies Seminary were guests of the Club.

Mrs. Carrie Parsons Ross, of Middleton, is spending a few weeks in town, a guest at the home of her brother, Mr. M. H. Parsons, Acadia street. Mrs. Ross was formerly an esteemed resident of Wolfville, first as a popular member of the teaching staff of the public school, and later as the wife and co-worker of one of the best beloved ministers that the town has ever had, the late Rev. R. D. Ross. Many of the old friends especially are always pleased to welcome Mrs. Ross back to Wolfville.

Five members of the Halifax Rotary Club visited Wolfville on Friday last to visit their old friend and former member of the Rotary Club, L. Graham, and were delighted to find him looking so well. The party also visited Mrs. H. H. Marshall, whose husband was a charter member of the Halifax Rotary Club. The party consisted of Wm. P. Webster, W. McT. Orr, W. A. Hart, R. H. Williams, and A. W. Robb. They returned to Halifax by the afternoon train, having had lunch at Linden Cottage.

Mrs. J. A. Elderkin is spending a few weeks with friends at Bridgetown.

Mr. Cecil Thompson was home from Halifax for the week. Cecil is playing considerable hockey at Halifax this winter, being captain of the Bank of Montreal team, and also a member of the Wanderers intermediate team, which played here with Acadia on Tuesday evening.

"DULCY" IS SLANG FOR DUMB-BELL

What's Constance Talmadge doing these days? Well, Constance is feeling sorta blue, to tell the truth.

She has several reasons. For one thing they made her play a "dulcy" in her latest picture.

You don't know what a "dulcy" is? Well, a dulcy is Hollywood slang for a "dumbbell".

"I don't want to be a dulcy," says Constance. "I want to play what they call strong, emotional roles. You know: I want to be a tiger woman with a long stiletto who meets a sheik out in the desert under the Egyptian moon. But, no, I must always be a comedienne. What a life!"

Constance's latest comedy is "Dulcy", and in it the Joseph M. Schenck star plays the role of a wife who insists on meddling in her husband's affairs to help him out, but who instead presents hubby with a basketful of trouble.

TOWN MANAGER RESIGNS

At a special meeting of the Council last Friday evening Mr. Gordon S. Stairs tendered his resignation of the position of Town Manager, which he has held for nearly two years. Recently Mr. Stairs received an offer from Windward to accept a similar position combined

with that of Town Clerk. The new position carries a larger salary and gives better opportunity for advancement, and Mr. Stairs asked that his resignation might take effect in a month's time so as to permit him to assume his new duties. The Mayor and Councilors expressed their regret at Mr. Stairs' departure from Wolfville but under the circumstances could not do other than accept his resignation.

During his term of office here Mr. Stairs has endeavored conscientiously to advance the town's interest in every way and has done much good work. Both in his official position and as a citizen his departure will be a decided loss to the town.

MOSCOW ARTISTS PLEASED WOLFVILLE

A treat such as is seldom heard by a Wolfville audience was given in the auditorium of the Baptist church last Friday night by the Moscow Artists, a group of four—Mme. Sadovskaya, soprano; Vanica Skolska, pianist; Yasha Garoy, tenor; Ivan Karoff, violinist.

These artists were brought to Wolfville by the Acadia Conservatory of Music and showed wonderful talent. The programme was extremely fine. A few English numbers were given and, with the Russian ones, made a well-rounded out programme. Each artist excelled in his or her own way.

Mme. Sadovskaya was one of the leading dramatic sopranos in the Imperial Russian Opera. Her voice showed great range and rare quality. The folk songs sung by herself and Yasha Garoy were extremely pleasing.

Yasha Garoy was called back by his audience many times in response to encores. His manner and personality captivated his audience. The programme

given by Mr. Garoy was arranged with fine taste. His choice of songs included old Russian folk songs and more modern ones in the English language.

Vanica Skolska held her audience by her brilliant playing. Her accompaniments were played in excellent taste while her solo performances combined rare artistic qualities with excellent technique.

Ivan Karoff proved himself a master of his art in his rendering of his varied repertoire, as well as his obligato accompaniments.

THE DAWN OF TOMORROW

Paramount promises us, and George Melford in his latest production, "The Dawn of a Tomorrow", which opens at the Orpheum Wednesday—Thursday gives us an even greater success than both "The Light That Failed" and "Flaming Barriers".

He has produced the picture with an all-star cast, headed by Jacqueline Logan and including David Torrence, brother of Ernest; Raymond Griffith, leading man; Guy Oliver popular character actor, and Marguerite Clayton, one of the most beautiful blondes in pictures. Miss Logan, Torrence and Griffith have featured roles.

The story is a love melodrama by Frances Hodgson Burnett—a popular novel and successful stage play. The settings are the drawing rooms of London society, behind the scenes in British politics, London on a foggy night, the Limehouse river front, the slums of Cheapside.

It's human and wholesome, with many melodramatic high-spots. And Jacqueline Logan—she just reaches right into the hearts of her people in her characterization of Glad.

THE TOWN OF WOLFVILLE, N. S.

FINANCIAL STATEMENT FOR YEAR ENDED 31st DECEMBER, 1924.

Table with columns for 'Abstract N. FIRE MAINTENANCE' and 'Abstract O. LICENSES'. It lists various expenses and revenues for fire maintenance and licenses, with a total amount of \$831.64 for fire maintenance and \$158.22 for licenses.

Table with columns for 'Abstract P.' and 'FINANCIAL STATEMENT WOLFVILLE ELECTRIC COMMISSION'. It lists expenses and revenue for the electric commission, with a total amount of \$79.00 for abstract P and a detailed breakdown for the electric commission.

Table with columns for 'OPERATING ACCOUNT' and 'PROFIT AND LOSS ACCOUNT'. It lists various expenses and revenue for the operating account, and a detailed breakdown of profit and loss for 1924, showing a net surplus of \$5,360.68.

Table with columns for 'BALANCE ACCOUNT'. It lists assets and liabilities, showing a total balance of \$47,951.00.

NOTE: Accounts receivable \$9,752.21 are subject to a possible discount of about \$1500 between Jan. 1 and Jan. 10, 1925.

Audited: M. J. Tamplin, H. E. Arnold Auditors.

REDUCED PRICES ON MEATS

My purchase prices on meats have been reduced so I am only too pleased to pass the reduction on to my customers.

Items of Local Interest

Blue Bird Tea brings Happiness.
The Acadia hockey team were badly beaten by the Kentville team in the latter town last Friday evening, the score being 10 to 2. The Acadia team was weakened by two of its players not being able to make the trip on account of exams.

In the account of the Kentville-Wolfville game in our last week's issue the name of Gil. Rand was inadvertently omitted from the Wolfville line-up. Gil has been a conscientious worker on the forward line all season and has several times scored for the local team.

A commercial traveller who was in town last week told a somewhat sensational story of a Wolfville boy who one cold night recently presented himself at the Hantsport Hotel and asked accommodation for the night. He told that he had been turned out of his home here and had walked to Hantsport, intending to proceed to Windsor. Mr. Wall, the kind proprietor of the hotel at Hantsport, put the boy up for the night and next morning telephoned the parents that he had provided their son with a ticket and sent him back to Wolfville. This, at least, is how the story was told THE ACADIAN.

FRUIT GROWERS BADLY HIT

The news that the affairs of the well known fruit firm of Notthard & Lowe, London, had been placed in the hands of a receiver was heard with consternation by many in the valley on Tuesday. For many years the firm, which is one of the oldest and was regarded as one of the strongest in England, has been an important factor in the handling of the apple crops of the Annapolis Valley. Formerly the firm was represented in Nova Scotia by Mr. C. R. H. Starr, of this place, and latterly by our townsman, Mr. J. D. Sherwood. Donald M. Barton, of London, has been appointed to look after the affairs of the company, and he is represented here by Col. A. Montgomery, of Halifax. Unless large assets are available the losses, it is said, will be very heavy, bearing in some cases upon the producer and in other cases upon the agent. The failure of the firm is regarded as one of the most serious crises in connection with business interests that has occurred for many years. It is understood that the Maurice Lowe Orchard Co. is in no way implicated.

THE APOLLO DUO

(Mr. and Mrs. Arthur Wells) Will be heard in the Baptist church, Wolfville, Saturday evening, February 7, 1925, in an exceedingly interesting and clever programme, musical and literary.

The programme will include readings, pianologues, pianoforte and Saxophone solos and vocal solos. While popular and most enjoyable the programme is strictly high class. "Mr. and Mrs. Wells gained fame and recognition as the leading members of the Apollo Concert Company which for more than ten years was one of the most popular lyceum attractions on the platform. This is the second year that they have appeared as a Duo and their programme is as entertaining and enjoyable as that of the larger group." They have appeared successfully in towns and cities all over the United States, Canada, Panama, Australia and New Zealand.

The price of admission is Seventy-Five cents. Tickets are on sale at Rand's.

MISS ARCHIBALD'S GIFT ACKNOWLEDGED BY QUEEN

Miss Rosamond deW. Archibald of this town has received royal acknowledgment of her book "The King's English Drill" in a letter from the Queen.

Miss Archibald had a copy especially bound in white kid with lavender shawl, surmounted by maple leaves in gold and surmounted by the British Coat of Arms for presentation to Her Majesty at Christmas. She did this at the urging of friends of her work who realized that it should receive acknowledgment from the highest authority in the British Commonwealth, having already been vice-regally received at Ottawa last January.

Kind letters of appreciation and encouragement are daily coming to its author from business offices, schools both private and public, parents in the home and from leading colleges and universities in the United States as well as in Canada.

Mr. Paton who recently lectured at Wolfville in his Canadian tour wrote a very enthusiastic letter to Miss Archibald, an excerpt being: "You are quite right. It is only by habituation that we learn the right use of language and your book gives us a Drill manual for the use of a Drill Sergeant".

The royal letter of acknowledgment is as follows: Buckingham Palace, 8th January, 1925. Miss Rosamond M. deW. Archibald, Dear Madam, I have had the honour of submitting to the Queen the letter

Coming Events

Notices under this heading are inserted at 10 cents a line. Each repeat, 5 cent a line; minimum charge, 30 cents. Contract rates on application.

The annual meeting of the Sir Robert Borden Chapter, I.O.D.E., will be held in the Parish Hall on Tuesday, Feb. 3, at 3.30 p.m. A full attendance is requested.

The congregation of St. John's Church are cordially invited by the Alexandra Society to meet Rev. Dr. Moore, President of Kings College in Hall Friday night, who will give an address, after which a reception, with refreshments, will be held.

A special meeting of the Social Service Council of Kings County will be held in the vestry of the United Church at Kentville on Tuesday, Feb. 3rd, at 7.30 o'clock, p.m. Dr. H. R. Grant will be present. A full attendance is particularly requested.

which you were so good as to address to Miss Knox on the 13th of December last. In reply I am to convey to you Her Majesty's sincere thanks for the beautifully bound copy of your work "The King's English Drill", which you have been so good as to offer her.

It gives the Queen great pleasure to accept your book, and I am to assure you that Her Majesty much appreciates the kind terms of your communication. I am, dear madam, Yours very truly, Harry Verney.

ELECTION CARD

Having been presented by a requisition signed by a very representative number of rate payers of the Town of Wolfville, asking me to accept nomination as councillor for the coming term, I have consented to do so.

I would appreciate the support of the voters at this time, and take this opportunity of stating, that due to the fact that I am rated as one of the largest tax payers, naturally I have in mind the successful financing of the town affairs.

I may not be able to see you personally before the day of election, but if elected through your support, I will do all in my power to further the best interest of the Town.

Sincerely yours, C. H. PORTER.

ELECTION CARD

To the Electors of the Town of Wolfville: At the request of a large number of citizens of the town we have consented to offer ourselves as candidates for Councillors in the forthcoming election. We feel that Councillors are trustees of the people and if elected, we pledge ourselves to work in every way for the best interests of the town.

Wolfville's greatest need today, under present conditions, is men who are willing to devote their time and energies to the Municipal affairs, regardless of personal sacrifice.

BAPTIST DISTRICT MEETING HELD AT CANNING LAST WEEK

The district meeting of the United Baptist churches of Kings county opened its sessions in the United Baptist church, Canning, Monday evening, Jan. 19, at 7.30 p.m., Rev. W. G. Heisler, pastor, presiding, Rev. H. E. Allaby, secretary pro tem.

Rev. H. E. Allaby, who had assumed the pastorate of the Berwick church on Jan. 1st, spoke of plans for development of work in Junior departments, and oversight of the membership of the whole church, and looked forward to a hopeful naotiry.

Mr. W. H. Brown reported for the Avonport-Lockhartville church, and said that the pastor, Rev. J. M. Blesedell, was doing splendid work, and reported on improvements in church buildings.

Deacon Charles Ellis reported for the First Cornwallis church, Upper Canada, that it had gone over the top in the denominational fund, adding \$50.00 to the amount asked for.

Rev. H. R. Boyer, denominational secretary, followed with an address of appreciation of Baptist history. The speaker urged that by the study of this we aim for a more intellectual grasp of the principles for which it stands.

Rev. G. D. Hudson expressed appreciation for the paper read by Rev. A. H. Saunders and the address by Rev. H. R. Boyer, in which were put forth the ideals that make for the highest type of manhood and womanhood.

Mr. Louis K. Payzant, of Dartmouth, was the next speaker. He stressed the importance of the trust that has come to us, that of liberty of conscience, for which the Baptist church has always stood.

The service, which closed with prayer, was an inspiring and helpful one. The second session was held Tuesday morning, Rev. A. H. Saunders, president of the district, presiding.

Rev. H. E. Allaby, the new pastor of the Berwick church, conducted a very helpful devotional service, speaking of the unifying power of the spirit of God.

Rev. G. T. Ayling reported for Cambridge church, where the annual meetings showed that progressive work had been done in all departments.

Rev. W. G. Heisler reported for United Baptist church, Canning. The financial standing and attendance were in advance of last year, with increased interest.

averaging about 100. During the pastorate of Rev. Mr. Heisler there had been six baptisms and seven additions by letter. The future was bright.

Mr. W. H. Brown reported for the Avonport-Lockhartville church, and said that the pastor, Rev. J. M. Blesedell, was doing splendid work, and reported on improvements in church buildings.

Deacon Charles Ellis reported for the First Cornwallis church, Upper Canada, that it had gone over the top in the denominational fund, adding \$50.00 to the amount asked for.

Rev. H. R. Boyer, executive secretary, emphasized the need of remitting denominational funds at least quarterly to save expense of interest on loans, made necessary to carry on work.

Rev. G. D. Hudson read a splendid paper on the Bible and the Baptist enterprise. The Bible, said the speaker, gives us a spiritual reading of our duty to God and offers the one solution of human life.

Rev. H. R. Boyer, executive secretary, emphasized the need of remitting denominational funds at least quarterly to save expense of interest on loans, made necessary to carry on work.

Rev. G. D. Hudson read a splendid paper on the Bible and the Baptist enterprise. The Bible, said the speaker, gives us a spiritual reading of our duty to God and offers the one solution of human life.

Rev. H. R. Boyer led the discussion of the paper, commending very highly the preparation and presentation, emphasizing some of the outstanding thoughts.

Rev. G. W. Schurman moved that the paper be published in the Maritime Baptist. This was passed. The session adjourned with prayer by Rev. Owen Chipman.

The third session was held at 2 p.m. and was led by Rev. G. W. Schurman, subject Soul Development, his text "Press On unto Full Growth".

Rev. G. T. Ayling reported for Cambridge church, where the annual meetings showed that progressive work had been done in all departments.

Rev. W. G. Heisler reported for United Baptist church, Canning. The financial standing and attendance were in advance of last year, with increased interest.

was in charge of the women's service held at 3.30 p.m., led by Miss Irene Rand, and seated on the platform were Mrs. (Rev.) W. G. Heisler and Mrs. (Rev.) G. D. Hudson. Mrs. Heisler read the scripture lesson, Isaiah 55, and prayer by Mrs. Hudson followed, after which Miss Josephine Harris sang a beautiful solo.

Rev. R. M. Gullison, returned missionary of India, was the first speaker, expressing the joy that was his in meeting with those who are working together with God for the advancement of His kingdom in the foreign field.

Rev. K. M. Gullison was followed by Mrs. Gullison, a charming speaker who cited an outstanding example of the power of prayer as seen in a convert of three score years and ten.

Vocal duets by Miss Ona Ward and Miss Lila Blenkhorne, of the Mission Band, accompanist, Miss Marion Eaton, added much to the beautiful service.

The final session was held at 7.30 p.m. The meeting opened with a service of song led by Rev. G. T. Ayling and the choir, organist, Mrs. Rufus Eaton, Rev. A. J. Prosser, of Bridgetown, and Dr. Patterson, of Acadia, leading in prayer.

Rev. A. N. Marshall, D.D., of Wolfville Baptist church, was the speaker of the evening, his subject being "The Baptist View of Soul Liberty".

Rev. H. R. Boyer, executive secretary, emphasized the need of remitting denominational funds at least quarterly to save expense of interest on loans, made necessary to carry on work.

Rev. G. D. Hudson read a splendid paper on the Bible and the Baptist enterprise. The Bible, said the speaker, gives us a spiritual reading of our duty to God and offers the one solution of human life.

Rev. H. R. Boyer led the discussion of the paper, commending very highly the preparation and presentation, emphasizing some of the outstanding thoughts.

Rev. G. W. Schurman moved that the paper be published in the Maritime Baptist. This was passed. The session adjourned with prayer by Rev. Owen Chipman.

The third session was held at 2 p.m. and was led by Rev. G. W. Schurman, subject Soul Development, his text "Press On unto Full Growth".

Rev. G. T. Ayling reported for Cambridge church, where the annual meetings showed that progressive work had been done in all departments.

Rev. W. G. Heisler reported for United Baptist church, Canning. The financial standing and attendance were in advance of last year, with increased interest.

CANNING AND VICINITY

Canning Literary Society resumed their weekly meetings in Modern Theatre, president, Dr. S. W. Spicer, presiding. The speaker was William Rand, whose annual paper is looked forward to with interest and pleasure, the subject this year being "Astronomy".

Mrs. Mammel has moved into the flat of Albert Harris. Mrs. Lawrence Slack is visiting in Windsor. Jacob Cohen, who has been confined to his home by illness, is improving.

Rev. H. E. Allaby, guest of Mrs. Newton Eaton, has returned to Berwick. Fine ice is being harvested. Mr. and Mrs. Russel McKean, guests of Mr. and Mrs. Charles McKean, have returned to Winnipeg.

Mrs. J. B. Lingley, Wolfville, who has been visiting Mr. and Mrs. Joseph Harris, left recently for Round Hill and other points in Annapolis county, where she will visit relatives.

Richard Corcum, Scotts Bay Road, received a bad cut in the elbow which required stitching, while engaged with others in felling a tree.

KINGSFORT

Mr. and Mrs. Roy Loomer entertained Kingsport Bridge Club Tuesday evening, Jan. 20th, Mrs. Glover winning the ladies prize and William Hiltz the gentlemen's.

Mr. and Mrs. Minnis are visiting Mr. and Mrs. Cowan, Regina, en route to Vancouver. Mrs. Frank Loomer entertained the Sewing Circle of Kingsport Congregational church on Tuesday afternoon, Jan. 20th.

Mrs. Sellars, Halifax, is the guest of Mr. and Mrs. E. B. Dickie.

HABITANT

Habitant Women's Institute met at the home of Mrs. Clarence Lingley, president, Mrs. John Ross, presiding. The program consisted of suggestions for needlework and was unusually interesting, as was the response to roll call, "Good Resolutions".

The plans for the School Exhibition were completed, the Home and School Committee—Mrs. Allan Melvin, Mrs. Payzant Cox, Miss Laura Eaton, Mrs. Frank Brown, Mrs. Clarence Lingley, Mrs. William Newcombe, Miss Winnie Ellis—in charge. Plans were made for the annual community gathering to be held in February, the convener of committee being Mrs. Payzant Cox.

CANADIAN CHAMPIONS OF CHICAGO INTERNATIONAL LIVE STOCK SHOW

"Chief," champion heavy draft Clydesdale (gelding) owned by the Manitoba Cartage Warehouse Company of Winnipeg, and a Shropshire Ewe owned by J. W. Gurney, Paris, Ontario, were among the Canadian stock winning championships.

Canadians won some of the most coveted honors at the International Live Stock Exposition and Hay and Grain Show. Farms from the Dominion, competing with the best exhibitors from the United States could produce, won a good share of the championships and blue ribbons.

One of the outstanding victories from a Canadian viewpoint, was the winning of the world's wheat championship by J. C. Mitchell, of Dahinda, Sask., a victory he had scored in 1919 and 1920. He won this championship in both entries with a bushel of Marquis Spring wheat. The prize nets him \$875, of which \$500 is given by the Winnipeg Grain Exchange, \$150 by the Saskatchewan government and \$25 by the International Show.

Canada's national parks in the Rocky mountains are nearly as large as Belgium and two thirds as large as Switzerland.

The letter "e" is used more often than any other.

GOOD ADVERTISING Pays Its Own Way

To Advertise Is One Thing---To Advertise At A Profit Is The Real Objective

Good and bad seasons are merely a state of mind. The man who is big enough to make his own condition never has any "bad" seasons. Equalizing business throughout the year is simply a matter of education—education by way of intelligent advertising.

WHO ARE YOUR PROSPECTIVE CUSTOMERS? Mail your sales message DIRECT to them and eliminate waste circulation. Don't wait for that "beaten path to your door", let The Acadian pave the way.

We are a nation of headline readers; therefore you've got to say what you have to say with a PUNCH. You might hit the bull's-eye with bird shot. You CAN hit it with a .44. You might reach your customers with general advertising. You WILL with direct advertising in THE ACADIAN.

Abraham Goldstein was almost reduced to tears when he met his old friend Patrick O'Brien on the Boardwalk at Atlantic City.
 "They won't let me in at any of these swell hotels and I can't find any place to stay. Oh, what can I do?"
 "Sure and ye aren't using the head the good Lord gave you. When you go to register, sign the name of the finest Catholic ye know and there'll be no difficulty."
 A few hours later Patrick came across him again. Abraham's nose was gory, his eye was blacked and his clothes torn and dusty.
 "Oh, yoy, vot a terrible business. I registered as you said and now look at me."
 "I don't understand. What name did you sign?"
 "Archbishop Corrigan and wife."

LITTLE GIRL'S FROCK OF PLAIN BLUE KASHA CHECKED WITH GREEN

Kasha makes as effective a frock for the small girl as it does for her mother. The little school dress made of kasha cloth is both smart and practical.
 Dark blue kasha makes the frock shown above, while the trimming treatment is supplied by dark blue kasha on which bright green lines form a cross-bar treatment.
 The little tie is made of green velvet ribbon, while wider green velvet ribbon puffed through white bows ornaments the bows at the waist.

Printing
 It is common to overlook what is nearby, keeping the eye fixed on something remote."
 Sam'l Johnson.
 Every alert business man constantly faces the attractions of distant fields, the enchantment being "something better" than the nearer home service.
 Needless to say—they quite often pay a higher price for inferior qualities and workmanship. This applies particularly to Printing.
 High grade printing may be had right here at home and at a price consistently lower than may be obtained elsewhere.
 No matter what the job may be we have the paper for every purpose—the type and the equipment to give you a guaranteed product—and much more prompt service.
 We are ready for that job of yours today. Phone 217

PORT WILLIAMS AND VICINITY

Mr David Hoag, of Toronto, spent Sunday with Mr. and Mrs. C. A. Campbell.

Mr. Alec Crowe, of Acadia University spent the week end at the home of Mr. and Mrs. O. G. Cogswell.

The many friends of Mr. Otis Jess are sorry to learn he is confined to his home through serious illness.

The death occurred on Sunday afternoon of Mr. Henshaw, of Church Street. The funeral took place at 4:30 Tuesday afternoon, Rev. O. N. Chipman officiating.

Mr. Stanley Clarke, who has been the guest of his brother, Mr. D. C. Clarke, left on Tuesday afternoon for his home in Sunnyside, Pictou county.

We are glad to report Mr. Grant McDow at work again after a serious attack of blood poisoning.

Mrs. Howe Harris, of Kentville, spent a few days last week the guest of Mrs. Manning Ellis, Belcher Street.

Miss Lucy Morse, of Kentville, spent Sunday with her cousin, Mrs. Cyrus Ellis, Belcher Street.

Mr. Manning Ellis attended the Fruit Growers' Association at Annapolis Royal last week.

We are sorry to hear that Mrs. Stanley Barkhouse, Belcher Street, is on the sick list.

On Monday evening, Feb. 2, the Lily of the Valley Division will have another public meeting, the speaker of the evening being Rev. H. R. Grant.

The many friends of Capt. Eldridge were shocked to hear of his sudden death on Monday morning, which took place at 4 a.m. The funeral service was conducted by Rev. O. N. Chipman, pastor of the deceased, on Tuesday morning at 8.30 (as the body was taken away on the 10.15 train to Yarmouth).

The scripture reading was the 23rd Psalm, followed by the singing of "Gathering Homeward One by One", requested by the family.

Mr. Chipman spoke comforting words to the sorrowing ones and paid the highest tribute to the deceased's memory. He was a consistent Christian and a man whom any one might be proud to call his friend. At the conclusion of Mr. Chipman's remarks Rev. E. S. Mason, of Wolfville, and Rev. R. E. Gullison, returned missionary, both former pastors of the deceased, spoke in the highest terms of his integrity and fidelity both to the church and his home. Capt. Eldridge was one of the men who could always be depended on at any time and in any place. Mrs. H. C. Burbridge then sang a solo, "Abide With Me", and Rev. G. C. Brown, of Church Street, offered the closing prayer. Capt. Eldridge was a native of Port Maitland, Yarmouth county, and came to Port Williams several years ago, purchasing the farm owned by the late Isaac Masters. He leaves to mourn their loss a wife, two children, L'wood and Alice; also one step-son, Burnett Goudy; also one mother accompanied the body to Yarmouth. The church and community extend to the sorrowing family their sincere sympathy.

FRUIT GROWERS HOLD 61st ANNUAL MEETING

(Continued from page 1.)

ending December 31, 1924, was read by the Secretary.

Considerable discussion followed the presentation of the statement, M. K. Ellis, as one of the delegates to the Farmer's Association at Antigonish, reported the result of the visit in regard to the Government grant and F. I. Fisher, C. H. Burchall, F. M. Chute, F. W. Foster, and others, spoke on various matters connected with the statement. It was moved by A. S. Banks, seconded by E. H. Johnson, and passed, that the report be accepted.

The Secretary's report was then read, F. W. Foster, of Kingston, tendering his resignation to that office after six years' service. It was moved by F. W. Chipman, seconded by A. Harris, that the report be accepted, and an animated discussion followed regarding life membership, and the annual fees, in which A. Harris, F. A. Chipman, Rev. H. S. Shaw, F. W. Foster and others took part. It was finally decided that M. K. Ellis, A. Harris and Eric Leslie be a committee appointed to canvass for membership.

Election of officers for the ensuing year resulted as follows:

President—Frank W. Foster, Kingston.

Vice-President—A. S. Banks, Waterville.

Secretary—Eric Leslie, Woodville.

GREENWICH

Mrs. A. K. Forsythe was hostess at afternoon tea last Wednesday, when a most pleasant time was spent.

Mr. and Mrs. Charles Forsythe entertained a few friends at a dinner party at their home last Wednesday evening, which was thoroughly enjoyed by those present.

Mr. Otis Jess, manager of the Fruit Company's warehouse here, is missed at warehouse, and on his regular duties, being seriously ill at his home at Belcher Street. We hope soon to hear of his recovery to usual health.

The G.C.L.'s usual meeting for last Friday evening was "called off" owing to weather conditions. Thus Friday evening's programme will be under the Dramatic Committee and "nuff said". A celebrated doctor writes "a good laugh is a good healthful tonic to anyone".

Laura Marsoli, of Wolfville, spent the week end at the home of Mr. and Mrs. George Bishop, and her sister Betty spent the week end at the home of Mr. and Mrs. T. A. Pearson.

Miss Molly Deage, of Kingston, arrived Saturday afternoon and is a guest at the home of Mr. and Mrs. T. A. Pearson.

- Not off.
- I and others.

CANNING DEFEATS WINDSOR

7-5

CANNING, Jan. 28—In the fastest hockey game seen here in years, Canning defeated Windsor by a score of 7-5 at the Canning rink and thus takes second place in the Valley Hockey League.

Three minutes after the play commenced, Lyons the home team centre sagged the draperies behind Kuhn for the initial score. Windsor retaliated shortly after by driving a hot one past Miller but Canning wing, put the home team in the lead by sending two shots past Kuhn in rapid succession. The first period ended with the score 3-2 in favor of Canning.

The second period opened fast with the home aggregation getting in some nice combination play which kept the Windsor team guessing. Lyons, who was playing a stellar game for the home team, scored twice shortly after the period opened. Windsor was unable to score and the Canning defense each sagged the net making it 7-3 in favor of Canning.

The final period opened with Windsor putting up a spurt while the home team anxious to maintain the lead went on the defensive. Windsor kept Miller, the Canning goalie, busy and managed to dent the twine twice during the per-

WOLFVILLE PLAY

Exciting Game Rink Monday Night

After battling several minutes without a goal and Wolfville hockey night decided to let the 4 to 4. The Evangeline Rink became crowded, and although key displayed was no indication was at time game greatly enjoyed.

The third period opened and although this time were played well to break the deadlock, very evenly matched, nigg boys had the edge and controlled the part of the play. A played a splendid game, Thomson and Rand all for the locals. Eaton, were the pick of the Splendid music was the game and between Wolfville Band, under Maurice Haycock.

The game, which handled by Referee L. far was very nearly penalty being handed minutes of play.

The first period opening the play to the relief of the situation, puck down the ice only visitors who brought five minutes of end to tenous secured the puck, nigg goal and passed who netted the first, encouraged the locals for kept the puck in the Canning goal for some more minutes of etc. more minutes of rat Dick scored number shot from centre ice. Thomson made the visitors then began rushed the play to where Huston secured pass from behind the number one for Canning the period ended Rand for the length of the ice at who made the score 4 to home team.

With such a commencing of the second appeared too constant, tions began to show the carried into Wolfville, Kemp was kept but goal. Fraser relieved, honorably by a rush up to score. Hoyt finally from behind the W scored for Canning. stickhandled the length another tally. The visitors the locals in tenous secured the puck, Lyons received a bad which necessitated his game, but although winning team kept up the Huston tied the score, bound. Although he had for the remainder of the length of the ice, score tied, 4 to 4.

The third period saw of the game. Both tiously aroused and pleased to break the tie. The score seemed inevitable, stopped by the brilliant defence. The sensation Thomson and Huston of this period, which further score.

After a period of rest, but although both their hardest for three the deadlock could not be was back on the Canning the deadlock work. Rand both played hard for was due to them in goal score for Canning W. The teams were as Canning: Miller, goal, defence; Grant, I Wolfe; Eaton, Bennett; Wolfville: McKenna, Thomson, defence; Eaton, forwards; Bishop, subs.

SOMETIME! Why not this time?

RED ROSE TEA "is good tea"

The ORANGE PEKOE is extra good. Try it!

Hardie Power Sprayer

Hardie power sprayers are now used wherever good fruit is grown. They are preferred by the largest and most successful growers, not only throughout United States of America and Canada, but in South Africa, and New Zealand, and in fact, they are found wherever there are all large orchards.

THEY ARE NOTED FOR THEIR Light Weight, High Pressure, Sturdy Construction, Reliability

the accessibility of all working parts, and the absence of weak and complicated contrivances. Hardie Power Sprayers are made in a number of sizes and styles. In fact, no matter how large an orchard you have or how small, no matter what sprayer problem you are up against, there is a Hardie to fit your needs.
