THE boat which was found outside of the Block House capsized some time ago, has been identified. She belongs the lobster factory of Mr. Lauchlin McLean, of Governor's Island. On Monday evening while she was being towed from Governor's Island to Point Prim by the schooner Ark, she filled with water and sank. A heavy sea was running at the time, and it was found necessary to cut the boat adrift. Shortly after being let go she was sighted by the St. Lawrence. There was no person

A serious fire destroyed the gold mining village of East Rawdon, N. S., on Tuesday of last week. A fire had been set on Monday to burn some brush near the village. It caused no harm until Tuesday about 1 p. m., when the wind began to blow in the direction of the town. The greater portion of the woods around the mines had been cut woods around the mines had been cut Liverpool for CHARLOTTETOWN, This gave the fire a good chance to get well started, and in a short time seve teen dwelling houses, a store, the crusher hoisting gear of the works, the orders in time were destroyed. The loss is about

\$20,000. An Interprovincial Rifle Match was held in Halifax on the 4th inst, in which teams from New Brunswick, Nova Scotia, and P. E. Island took part. The weather was fine but the wind strong and gasty: The firing was at three different ranges. At the 200 yards distance the scores were: Nova Scotia 239; New Brunswick, 235; P. E. Island 224. At the 500 yards range: New Brunswick, 223; P. E. Island, 208; Nova Scotis, 206. At the six hundred yards range, New Brunswick had a lead of range, New Prinswich and at a least 19 points over Nova Scotia, and 44 ove P. E. Island. The visiting teams were entertained by the Nova Scotia mer after the match.

YEAR'S EXPERIENCE

FTER nearly a year's use of Simson's Liniment. A I have proved it to be what I supposed at first it was, an excellent Liniment to have about a Stable. I have used it in cases of Cuts, Galls, Bruises and Sprains on my Horses, and in every case found it to give relief at once, cleansing the Cuts and Galls so that they healed rapidly, and reducing the soreness in cases of Sprains and Bruises in a short time. Nothing has presented itself to me that so effectively relieves and prevents the Horse Distemper. I have also found it of very great service, both in my own family and in the families of my men, in cases for which it is intended to be
