

STRIKING DISPLAY  
MADE BY C.N.R.

Pictorial and Panoramic  
Showing at Exhibition is  
Notable Feature.

Advantageously located at the north-  
end of the main building of the  
Exhibition the Canadian National Railways  
occupy the wide space between the  
stairways with a brilliantly lighted  
pictorial and panoramic display, such  
as has never before been attempted at  
the St. John Exhibition.

Following a policy of systematic ex-  
hibiting, a special effort has been made  
to give the St. John Exhibition a dis-  
play in keeping with similar ones the  
railway is making in the larger Cana-  
dian centres where annual exhibitions  
are being held. Thus the display at  
St. John was designed by the same  
senior artist who designed the recent  
British Empire Exhibition an ex-  
hibition that is attracting world-wide at-  
tention.

In a setting of finely constructed gilt  
panels the artist has placed a pictorial  
display that patrons of the Exhibition  
will find both entertaining and edu-  
cative. The centre setting is an allegori-  
cal panoramic picture, finely painted,  
and illuminated by shaded lights from  
the rear. It is a picture of the  
Park Lodge, the great Canadian National  
playground in the midst of the  
Jasper National Park, 4,600 square  
miles of scenic wonderland in this  
splendid forest reserve in the Canadian  
Rockies. The picture shows the fine  
location of the lodge and the cutting  
bungalows and camps, the walks and  
drives and the picturesque range of  
mountains with Mount Edith Cavell in  
the distance, and the crystal glacier  
lake in front with its emerald shores  
and inviting array of pleasure craft.

Looking down from the mountain  
trail in the foreground a group of  
Indians. There are also the early  
trapper, the first farmer, the  
rancher and the mounted policeman,  
all typical of the discovery, settlement,  
and development of the great west.

On the right-hand side is a setting  
of nine large photo films, artistically  
colored and illuminated from the rear.  
These depict mountain scenes, a logging  
picture in British Columbia,  
where the big trees grow, and three  
scenes showing how travelers on  
through C. N. R. trains are kept in  
touch with the world's events by the  
installation of radio sets on the obser-  
vation cars. These are very interest-  
ing pictures.

In the left-hand corner is a display  
devoted to a demonstration of "First  
Aid" and "Safety First." This is also  
most artistically arranged. Two  
some silver trophies recently won  
in competition by first aid classes stand  
on pedestals and between them is an  
array of first aid kits such as are car-  
ried on trains and kept at shops and  
stations. Overhead is a very suggest-  
ive painting that preaches the doctrine  
of carefulness. It shows a fast train  
nearing a highway crossing, and a  
motor approaching the same crossing  
by the highway. The "stop" signal is  
set to warn the motorist of the ap-  
proaching train. At the top of the  
picture is the significant text: "Any  
time is train time" and another sen-

CHANCERY CASES  
IN FREDERICTON

Receiver Named in Farmers'  
Co-operative Matters—An-  
other Case Deferred.

Fredericton, N. B., Sept. 2.—The  
Chancery Court met here this morn-  
ing with Sir Douglas Hazen presiding.  
In cases of Maritime United Farmers'  
Co-operative, Ltd., vs. Arthur  
United Farmers' Co-operative, Ltd.,  
and Bath United Farmers' Co-opera-  
tive, Ltd., J. J. Winslow, K. C., ap-  
peared for the plaintiff and moved the  
appointment of J. G. Kirkpatrick of  
Fredericton as receiver and for other  
matters connected with the winding up  
of the companies. The court granted  
this motion.

These cases are in connection with  
the winding up of the business of the  
United Farmers' Co-operative stores.  
On July 8 a similar motion for the  
appointment of P. J. Hughes, K. C.,  
appeared for the plaintiff and moved the  
appointment of J. G. Kirkpatrick of  
Fredericton as receiver and for other  
matters connected with the winding up  
of the companies. The court granted  
this motion.

OLDEST ACTIVE AERONAUT OF  
U. S. PROVIDES THRILLS  
AT EXPO.

To C. C. Bonnette, who provides  
some of the thrills at the great free per-  
formance at the exhibition belongs the  
distinction of being the oldest active  
aeronaut in the United States. Won-  
derful as are Mr. Bonnette's human  
ascension and parachute drop, his "slide  
for life" is certainly unique. On a 420-  
foot rope extending from a pole to the  
platform in front of the grandstand,  
Mr. Bonnette accomplishes the daring  
feat holding by his teeth, which are  
artificially held, with Hornbrook's  
"Cheerme Days" and other features  
will form part of this afternoon and to-  
night's free programme at the exhibi-  
tion grounds.

Yesterday's crowd at the exhibition  
taxed the eating places to the limit.  
In the large dining hall on the grounds  
more than 8,000 people were fed. There  
was some delay, but the proprietor an-  
nounces that he has made a change in  
the arrangements and will overcome  
that difficulty as far as it may be done  
when there is such a rush of people.  
The ladies of St. John the Baptist con-  
gregation in the tea rooms in the main  
building were also caught in the rush  
and found some of their supplies ex-  
hausted before the day was over. The  
lunch counters and booths did an enor-  
mous business.

ORCHARD FIELD DAY

Fredericton, N. B., Sept. 2.—(Special)  
—The New Brunswick Fruit Growers'  
Association is holding an orchard field  
day in Fredericton and the vicinity to-  
day. There is a large attendance.  
Orchards in Sunbury county were vis-  
ited for purposes of demonstration and  
inspection and a visit was also paid to  
the Dominion Experimental Station. This  
afternoon they will visit the or-  
chards at Springhill and Douglas for  
similar purposes.

DIED IN FREDERICTON

Fredericton, Sept. 2.—(Special)—John  
Crotty of Stanley died at Victoria Hos-  
pital here on Monday. He was 42 years  
old. Surviving are his parents, Mr. and  
Mrs. Michael Crotty of Stanley and five  
brothers.

The Eastern Steamship liner Gov-  
ernor Dingley arrived in port this  
morning from Boston via Eastport and  
Lubec with 80 passengers and a small  
general cargo. She will return to Bos-  
ton tomorrow. The S. S. Prince  
Arthur is due here on Thursday morn-  
ing direct from Boston on her last trip  
of the season. After sailing, on Fri-  
day evening she will be withdrawn  
from this route.

The dance under the auspices of the  
Millidgeville Summer Club will not be  
held this afternoon.

HAVE CLOSE CALL  
IN AUTO WRECK

Mr. and Mrs. Wilson, Ken-  
nedy Street, Injured  
on Monday.

Mr. and Mrs. John Wilson, Kennedy  
street, had a narrow escape from death  
yesterday afternoon about 3 o'clock,  
when a car which Mr. Wilson was driv-  
ing turned over on the Gondola Point  
road. They had with them in the car  
their grandchild and another little girl,  
but they both escaped with slight in-  
juries.

As Mr. Wilson was driving along the  
road the bank gave way and the car  
turned over twice, finally landing on  
the wheels. Mrs. Wilson had both ears  
cut and was badly shaken up and  
bruised and Mr. Wilson was severely  
bruised. Medical aid was summoned  
from Kingston and first aid adminis-  
tered and later they were brought into  
the city. The car was practically  
ruined.

At noon today both Mr. and Mrs.  
Wilson were reported to be improving,  
but both were still kept in bed.

MOTHER IS DEAD

Mrs. Blake, wife of A. F. Blake,  
manager of the Atlantic Sugar Refin-  
ery, has been called on to mourn  
the death of her mother, Mrs. Ed-  
mund Titus Benedict, which occurred  
at New Haven, Conn., on August 30.  
Besides her daughter, she is survived  
by her husband and one son, Melvin  
Benedict, of Akron, O. Mrs. Blake  
was with her mother when she died  
and Mr. Blake left last night for  
New Haven to attend the funeral.

**ARMY OFFICERS SAY FAREWELL**

Brigadier and Mrs. William H. Burrows and their children, and Staff Cap-

tain and Mrs. Ritchie, of the local Salvation Army staff, farewelled at special meetings held in the city Salvation Army citadels on Sunday and yesterday. Brigadier Burrows and his family will leave on Wednesday for Toronto where the Brigadier is to take command of the important division of Toronto West and will be installed in office on Friday by Commissioner Sowton. Staff Captain and Mrs. Ritchie

leave on the same day for Sydney where the staff captain is to take command of Sydney division and will be installed by Colonel Miller, of Toronto, field secretary for Canada East, Bermuda and Newfoundland. Major Thomas Burton, who succeeds to the command of St. John district, will arrive in the city from Halifax on Thursday and on that day also Adjutant John Eright will arrive from

Stratford, Ont., to take over the charge of the young people's work which Captain Ritchie leaves. These two new officers will be installed in St. John by Colonel Miller on Monday, next. Yesterday afternoon an officer's council was held in the Charlotte street citadel commencing at 3 o'clock and a farewell supper was tendered the departing officers at the close. In the evening all of the city corps united at

a service held in the Charlotte street citadel where visiting Salvationists were present from Moncton, Amherst, Sackville, Sussex and Woodstock. Some time Sunday night or early yesterday morning a break was made in J. Marzuc, Ltd., Dock street, and an overcast stolen. Entrance was gained by breaking a pane of glass in a rear window.

**Sani-Bilt Mothproof**

*Created a Sensation And a Flock of IMITATIONS*

A FEW months ago, our first advertisement appeared, announcing Sani-Bilt Mothproof Chesterfields and Chairs. It created a sensation.

The public hailed the news with delight. The trade, more conservative, were startled but thought the news almost too good to be true. Many dealers were skeptical.

Competitors were astounded. Some laughed. Some derided. Others said—"Mothproof? Why, it's impossible!" But soon the news was found to be true. The impossible had been accomplished.

Then, there was dismay and panic! Competitors knew that everybody would want mothproof upholstered furniture. And they had none to offer.

But it didn't take long to rush imitations onto the market. Some were soon selling their Chesterfields and Chairs as mothproof. "Just as good as Snyder's Sani-Bilt," they claimed. Even the wording of the Snyder guarantee tag was appropriated, almost word for word.

But copying the Snyder guarantee tag or claiming "just as good" doesn't make "imitations" mothproof or equal to Snyder's Sani-Bilt.

The mothproofing solution and process used in Snyder's Sani-Bilt Furniture was only discovered and perfected after years of research and experiment by a group of the world's best scientists and chemists. Do you think that another equally efficient mothproofing preparation and process could be discovered and perfected in a week or two or in a few months? Absurd!

We heard of the discovery of this mothproofing solution, investigated it, and found it to be as represented. We, and we alone, secured the right to use the preparation in the manufacture of upholstered furniture in Canada.

This mothproofing preparation is a closely-guarded secret. No one but the scientists who perfected it know what it contains. Imitators have made exhaustive efforts to analyze it, but without success. We purchase the solution from the makers and use their process of mothproofing in the manufacture of our upholstered furniture.

This preparation is not a poison. It contains no arsenic, no bichloride of mercury. It doesn't attempt to poison. It works on an entirely new principle. It renders wool, mohair, down, hair and other materials that moth-worms eat, absolutely and permanently uneatable. Moth-worms cannot exist in Sani-Bilt covers or interiors, because they provide no food for these pests.

Test after test has been made by the foremost chemical laboratories and all have definitely shown that the Sani-Bilt mothproofing process is a pronounced success. For instance, two pieces of the same woollen upholstery were placed in a

glass containing moth-worms—one piece treated with our mothproofing preparation and one not treated. The untreated piece was soon riddled with holes. It provided a banquet for the moth-worms. The treated piece was left untouched and unharmed. It was as uneatable as a piece of steel or glass.

This wonderful mothproofing preparation is harmless to the fabric. It is odorless and colorless. It lasts as long as the fabric lasts and is unaffected by dry cleaning, steaming or vacuum cleaning. There is nothing else like it in existence.

So, for your own protection, it will be advisable to make doubly sure that Snyder's Sani-Bilt guarantee tag is attached to the upholstered furniture you buy—and that the Snyder trade-mark is under the cushion.

**Clean Fillings**  
 In addition to being mothproof, Snyder's Sani-Bilt is stuffed with clean, new, sanitary fillings. The covers are handsome and stylish. The frames and springs durable and strong, built for service.

When you sit in a Sani-Bilt Chesterfield or Chair and sink down into those deep, soft cushions, isn't it a comfort to know that the interiors are so clean, the furniture so well-made and that no moths can destroy it?

Whether you secure one of our most moderate suites or one of the higher-priced, you will get guaranteed mothproof construction. We advise selecting a higher-priced suite if you can afford it. Snyder's higher-priced lines are exceptionally luxurious and handsome. Their decorative value in a living-room is alone worth the price, aside from the extra ease and comfort built into them.

If your dealer does not carry Snyder's Sani-Bilt Furniture, write us and we will tell you where to get it.

ST. JOHN, N. B., SEPTEMBER 2, 1924

### THE EXHIBITION.

The big event in St. John this week is the exhibition. It is a good exhibition. It is worth visiting a number of times, in order to examine more carefully its varied features. It is a community enterprise, and the directors should be made to feel that their work is appreciated by their fellow citizens. Particularly should the citizens spend some time with the Made-in-St. John exhibit. They will be agreeably surprised by the variety and the quality of the products of the St. John industry. Mr. Dyleman, in his opening address on Saturday evening, referred to gloomy remarks made about the loss of some industries, and pointed out that quite as many different products are in the present exhibit as in that of ten years ago. The fact is worth noting. He also referred to one industry which only needed more capital to give more employment and enlarge its output. In his view a larger patronage of our own industries in preference to those of other provinces and countries would prove that industrially there is nothing wrong with New Brunswick.

### HAPPY NEW BRUNSWICK.

Sir Douglas Hazen said in the course of his inspiring address at the opening of the exhibition that man for man and acre for acre he did not know of any people more fortunately placed than those of the province of New Brunswick. In that estimate he took into account all our advantages and the absence of the extreme destitution which is found in so many other places, but yet existent and causing severe human suffering. That Sir Douglas is justified in his estimate must be apparent to all who are familiar with conditions in this province and who read the news of the day from other countries. The comparison, or contrast, is not, however, a reason for content with our present lot. Every man and every woman knows that conditions should be greatly improved, to remove a few of the people a little farther from the bread-line, and make for very many others the task of meeting financial obligations less formidable. It is nevertheless well to make the comparison, because the spirit of pessimism has been abroad among those who do not pause to consider what we have come through in the last decade, or the burdens the war imposed. The first essential to improved conditions is faith in ourselves, and a clear grasp of the world-wide conditions which affect so many millions of people in Europe, whose prosperity is necessarily bound up to some extent with our own. The skies are now clearer in Europe, and that means a better demand for the products of this country, to materialize when conditions overseas have become more stabilized. Let the people of New Brunswick, however, not minimize their present blessings and advantages. We have no problem associated with alien immigrants. Our people are of good racial stock, intelligent, industrious, with few exceptions, native to the soil, and capable of doing good work in all fields of human activity. We have not been able to keep all of them at home, and that is so unfortunate that every effort should be directed toward building up our own province, in order that the export of brain and brawn may be reduced to the minimum. A movement of population there will always be, and the movement southward from Canada has been made greater because of the economically greater development of the United States, and the wider field offered to adventurous spirits and those whose ambitions could not be fully satisfied at home. We rejoice that so many of them have achieved success, some of them to a quite remarkable degree, but we do not want as many to go in the future as have gone in the past. To prevent their going the people at home must face their problems in the spirit of co-operation. Resources must be developed. Work must be provided. Places in the ranks of industry and commerce must be made. Many who have gone would greatly prefer to be in their own country. Doubtless, if the truth were known, some are no better off than if they had remained at home. They went, hoping for better things, but not realizing them. The task of the home-folk

### Press Comment

#### THE LAST WEST.

(Toronto Globe).  
 Sir Henry Thornton is very hopeful as to the prospect of the Peace River country, which has been called "The Last Great West." He says that if only 50 per cent. of its acreage were brought under cultivation more wheat would be produced than is done at present in all the rest of Canada, and poultry, cattle and sheep are also raised in abundance. Even if his estimate of the wheat-producing capacity be regarded as a little too sanguine there is no doubt that in the Peace River region and the surrounding country there is another western empire awaiting development. Even the Peace River may not be the last West or the last North. Elliu Stewart, who is familiar with the country, speaks highly of the productive capacity of the region north of the Peace River, and tells of wheat ripening at a point near Great Slave Lake before the end of July. It is Mr. Stewart's opinion that the country will require an eastern outlet on Hudson Bay as well as a western outlet on the Pacific. Once there is adequate communication with the Peace River coun-

try the way will be opened for trying out the possibilities of other fields. At present the transportation facilities are hopelessly inadequate. Grain routed to Vancouver from Grande Prairie has to be carried hundreds of miles around by Edmonton instead of by the straightest way, which is down the eastern side of the Rockies to the Yellowhead Pass. So long as this condition exists it will be impossible to attract new settlers, or even to hold those who have made their homes in the region. The chief advisory engineer of the Canadian National Railway has recommended a line which will have

easy grades, and provides the most direct communication from the Pacific to the Peace River country. It may be expected from Sir Henry Thornton's speech that more will be heard of this project, or some other means of tapping this rich territory.

Shortly after Saturday midnight a still alarm was sent into No. 1 fire station, King street east, for a slight fire which started in front of the Ritz dancing academy, Charlotte street. The fire was caused by a short circuit wire and was put out by the chemical before any damage was done.

### SAILORS DROWNED.

Two schooners put into Lunenburg last Friday with flags at half-mast and reported the loss of men. Gordon Tanager, of Stonehouse, was swept over-

board from the Marie A. Spindler near Sable Island and James Hiltz was lost from the schooner Jean Smith off the Banks. Both fatalities occurred during the storm of Tuesday last.

**WORTHLESS MONEY.**  
 The local detective department issues a warning to the general public to beware of worthless Mexican money which is being put in circulation in the city. The officers say that at least \$25 of bad money was exchanged on Saturday for good Canadian currency, and unless store keepers are careful other bills may be passed.

**MISSING BOY RETURNS.**  
 A report was received at police headquarters at 7 o'clock Saturday evening that Stewart Tait, aged 6 years, son of J. A. Tait, had been missing since morning from his home, 66 Spring street. About two hours later the parent reported that his boy had returned home.

**WEDDINGS**

**Sharkey-McDonald.**

A popular young couple was married on Sept. 1, when Rev. Eugene P. Reynolds solemnized the marriage at the Cathedral of the Immaculate Conception at nuptial mass of Miss Evelyn A. McDonald, daughter of Mrs. Annie McDonald, and Andrew G. Sharkey, of the firm of Sharkey Brothers, Waterloo street, St. John. The bride, who was given in marriage by her uncle, William L. Walsh, was attired in a navy blue suit of poret twill with an Isabel fox fur and wore a hat of amber panne velvet. She was supported by Miss Martha V. Gamble who wore a suit of navy blue tricotina and a golden fox fur with a hat of black panne velvet. The groom was supported by Arthur C. Sharkey. After the ceremony a wedding breakfast was served at the home of the bride's mother, 23 Clarence street. The happy couple left on the Prince Arthur for a honeymoon in Boston and New York. On their return they will reside at 95 Thorne Avenue. The beautiful array of wedding gifts testified to the esteem in which both bride and groom were held.

**Armitage-Crosby.**

A pretty wedding was solemnized Saturday at 11 o'clock in Queen square Methodist church by Rev. Neil MacLauchlan, when Miss Olga Jean Crosby, of Borden, P. E. I., daughter of the late Edmund Crosby and Mrs. Agnes Crosby, of Cape Travers, P. E. I., was married to Wendall Henry Armitage, of Sherbrooke, Que. In the presence of a few friends. The bride, who was charmingly attired in a traveling suit of navy blue with hat to match, was unattended. Mr. and Mrs. Armitage left by the noon train for Prince Edward Island, where they will spend part of their honeymoon. They will reside in Sherbrooke, Que.

**Smith-Kerr.**

The marriage of Miss Margaret M. Kerr, R. N., daughter of John Kerr, 74 Camden street, to William L. Smith, of the Customs staff, son of Mr. and Mrs. W. H. Smith, 16 Peters street, was solemnized Saturday evening at 7 o'clock in St. Paul's (Valley) church, the Venerable Archdeacon A. H. Crowfoot officiating. Percy Bourne, organist of the church, played the wedding music. The bride, who was given in marriage by her brother, Francis Kerr, wore a traveling suit of navy poret twill, with pippings of blue and white to match and necklace of stone marlin. She carried a bouquet of Ophelia roses. The bride was attended by her niece, Miss Alice C. Wray, and the best man was Ralph L. Beiding. Mr. and Mrs. Smith left on the Governor Dingley for Boston, where their honeymoon will be spent. On their return they will reside at 164 Queen street.

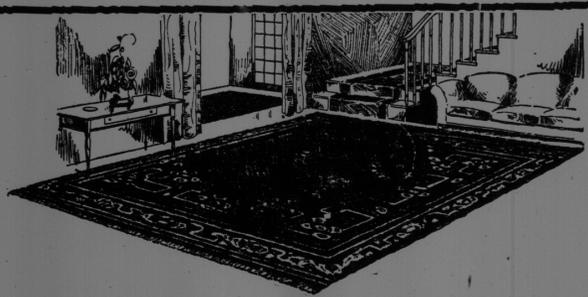

**Chambers-Irons.**

At the residence of the officiating minister, Rev. W. J. Johnston, 82 Cowry street, on Saturday afternoon a quiet wedding was solemnized when Miss Sadie Irons was united in marriage to George Walter Chambers. Both bride and groom are residents of St. John and both are active workers in the Douglas avenue Christian church. The ceremony was witnessed by only the immediate relatives and friends of the bride and groom. Mr. and Mrs. Chambers left on the Governor Dingley for a honeymoon trip to the United States and on their return will make their home in St. John.

No matter whether you prefer the plain school-girlie type of clothes, or the more dressed-up varieties, our fall stocks are ready to supply your demands in pleasing manner.

**Girls! How Would You Like Dresses Like These?**

A dress with top of powder blue wool crepe and skirt of black and white shepherd check velvet is very, very stylish and has trimming touches of red stitching with jaunty red tie to match.

A very stunning brown velvet dress for a 7 year old miss is made in bishop style with colored smocking on shoulders and dull rose piping around neck.

A beautiful navy velvet dress has hand-made red flowers and green foliage as decoration. It also boasts red ribbon streamers and a narrow red ribbon at waist.

A smart and serviceable wool dress is in two-piece style with tunic of powder blue and pleated skirt of grey. Tunic is banded with grey to match skirt. A sailor collar and soft grey tie make this frocks girlishly lovely.

For a Party Frock nothing could be handsomer than a pretty georgette dress in pale yellow over peach. This is trimmed with narrow ribbons and is altogether charming.

There are many more equally lovely frocks from which to choose a becoming color and style. Models for school, for dress-up and for party wear. Be sure and see them.

(Children's Shop, 2nd Floor.)

**Cosy New Fall Coats For The School Girl and Her Small Sister**

Little girls' coats for fall 1924 will be found altogether as smart and attractive as those for larger girls. They are fashioned from heavy coat cloths and warm, soft finished velours—belted, pocketed, with comfortable wrap-up collars and sometimes trimmed with rows of heavy silk rope stitching. There are plain, loose tailored styles too and many lovely warm fur collars of racoon, beaver or some other suitable fur.

For tots there are clever models in soft velours trimmed with narrow edges of beaver. Some hang full and loose from becoming round yokes.

For babies you may choose from an assortment of bearskins, white flannels and pretty white chinchillas.

BENJAMIN COLLINGTON ATTACKED IN STREET AND ROBBERY ATTEMPTED

Is Victim of Assault by Two Unknown Men in Magazine Street.

To be brutally assaulted by two highwaymen who attempted to rob him and then, when he resisted, to have them threaten his life, was an experience of Benjamin Collington of 71 Magazine street late Saturday night as he was proceeding to his home after having been out shopping.

The story as narrated to a reporter for The Times-Star this morning by Mr. Collington was as follows: "I was proceeding up Magazine street near the school house with a number of parcels in my arms. As I approached the school, I noticed two men leaning against the building, but I paid no attention to them. One of the men kicked me on the hip. I regained my feet as one of them made a grab at my watch. I struck him on the side of the head and as he fell away the other cried out, 'Let's kill him.' I realized then that my life was in danger. Owing to the darkness I was unable to follow their movements, so I cried out for help. Both turned and disappeared in the darkness towards the old cemetery situated in the rear of the school. I then went to the home of W. H. Ricketts, caretaker of the magazine, and told him of the assault. He accompanied me to the scene and assisted me to collect my parcels, after which we reported the matter to the police.

Asked if he could distinguish the features of either of his assailants, he said there were no lights in that section and, although he could get a general outline of the men, he was unable to see their faces. Both he said, were quite young and one was considerably taller than the other. He said it was time that the lives of citizens were protected and lights placed in that section for many residents of Magazine street had to pass along that dark and lonely stretch to get to their homes. While Mr. Collington was able to go to his work this morning, he said the side and hip were very sore from the kicks of one of his assailants. He said the blow in the head had been hard, but aside from a slight swelling it was not bothering him today. It will be recalled that Mr. Collington received word from England some months ago that he was heir to a large sum of money. Although he secured the services of a prominent lawyer to

look after his interests, he said he had not yet received any of the money and cannot understand what has occasioned the delay. Speaking of this, Mr. Collington said it might be possible that the men heard that he was to receive a large sum of money, and thinking that he might have some of it on him, waited and waylaid him. He said, as far as he knew, he had no enemies and he could not understand why he should be assaulted and then have his life threatened.

MONCTON RACES. Moncton, N. B., Sept. 2.—The second of two days races took place on the local speedway on a rather heavy track, Labor Day, but the three events were all keenly contested. The results were: Saturday's Card—2.30 class, purse \$400, won by Lloyd George, Sample Stables, Kingston, P. E. I. Best time 2:19 3/4. 2.18 class, purse \$400, won by Wilton Boy, Hodges, Halifax. CAR INTO LAKE Auto Crashes Through a Fence and Travels Into Lake Robertson.

As their car crashed through a barbed wire fence on the Loch Lomond road running along the edge of Lake Robertson, four people had a narrow escape from drowning last evening about 7.30 o'clock. The machine was being driven by a lady and was hitting quite a fast clip, when apparently something went wrong with the steering gear. The car broke through the fence and ran into the lake about 15 feet and stopped with the water over the running board. A fellow motorist coming along stopped and after about half an hour's work managed to pull the car out of the water. Had the car not stopped the rush of the car into the water, it is believed the accident would have had a fatal ending.

CHILD IS LEFT ON ORPHANAGE STEPS

The number of inmates of the Children's Aid Home was increased by three over the week-end, one being an infant found in the porch of the Wright street Protestant Orphan Home and the other two from a family deserted by the father. The first named is an infant about a month old and when found was in a filthy condition and weighed only 6 pounds. The second case is that of a mother abandoned by her husband, leaving her with three children and a fourth soon to be born. She has to leave her fat and arrangements have been made to house the two other children in the Home while a friend looks after the mother and other child until the baby is born.

TO DECORATE GRAVES.

The annual decoration day of the Odd Fellows of the city will take place on next Sunday. The service will be held in Cedar Hill cemetery in the afternoon. Graves in Fernhill and Greenwood will be decorated in the morning. The members of the order, with the Rebekah lodges, will meet at the lodge room of Oliver Lodge, Charlotte street, and, led by a band, will march via the ferry to Cedar Hill for the memorial service.

SUSPECTED OF THEFT.

Otto Vernon Northrup appeared before Magistrate Henderson in the police court yesterday on suspicion of stealing an electric drill valued at \$78, the property of J. Clark & Son, Ltd., German street. Otto McIntyre, who was in charge, testified regarding the loss of the drill, after which the case was set aside until next Thursday afternoon. E. J. Heeneberry appeared for the defendant.

EDISON MAZDA LAMPS

Reduction in Price EFFECTIVE September 1st, the price of 25 and 40-watt Edison Mazda Lamps will be reduced from 37 cents to 32 cents.

This is the second price reduction this year, and consistently follows our policy of providing the public with the best possible lamp at the lowest possible price.

While the cost of nearly every commodity is greater than before the war, the price of Edison Mazda Lamps has steadily come down—in 1920 they were sold for 50 cents, while the same lamp to-day costs you only 32 cents.

The Latest Lamp Achievement

Insist on Edison Mazda, and thus insure obtaining lamps of the highest efficiency, embodying the latest improvements—for example, the tipless bulb.

LOCAL ATHLETES WIN AT AMHERST

Drew Mulcahy Heads Seniors With Colin Thomas Close Up.

St. John athletes made a big clean-up at the Labor Day sports at Amherst yesterday with Drew Mulcahy heading the list. Mulcahy was high point winner in the senior class, winning the 100-yard dash, the broad jump and the hop, step and jump. He did the hundred in 10 and 9-8ths, the broad jump, 18 feet; and the running hop, 37 feet, 10 inches. George Spragg after following the official car for eleven miles in the 10-mile race and having a big lead over all other competitors, was forced to take second place in this event as the car led him over the wrong route. Spragg led the way and should have been given first place as his time for the ten miles was much better than the rest. The officials, however, decided otherwise in the face of a strenuous protest. Spragg has placed the matter in A. W. Covey's hands. Colin Thomas won the 440 and 880 and came second in the mile event. Errol Skinner won the junior hundred and Bayly won the junior 440 and 880 and came second in the 220. Bayly tied with Skinner in the 100 but defaulted in the run-off. Rice won the junior 220, was third in the 100 and second in the 880.

RESULTS OF WEEK END BALL GAMES

There was considerable activity in local baseball circles over the weekend and the holiday. Yesterday afternoon the Vets trimmed St. Stephen in a thrilling ten-inning game by the score of 2 to 1. Johnny McGowan's bat proved the deciding factor. Shannon pitched for the Vets and Davidson for the visitors.

On Saturday the Portlands won from the Royals, 9 to 2. Austin was suspended for the balance of the season during the game by A. W. Covey for refusing to continue playing after disputing a decision of Umpire Morrissey.

The Trojans took the Portlands into camp yesterday by the score of 7 to 4. Kerr pitched for the Trojans and Hannan for the Portlands.

In the Fair Vale-Rothesay series, Fair Vale secured the verdict by the score of 7 to 6 after fourteen hectic innings. This win gives Fair Vale the lead in the series, six games to four.

McCAVOUR A JUNIOR.

Halifax, Sept. 1.—At the annual meeting of the Maritime Rowing Association here Saturday, R. T. McCallreth, Halifax, was re-elected president. The status of Grenville McCavour was discussed and the St. John chairman was declared a junior. The association also took up the question of reinstatement for the Trojans brothers and found that the constitution did not provide for their particular case. The officers chosen follow: President, R. T. McCallreth, Halifax; vice-president, J. E. Burns, Halifax; and W. H. Turner, St. John; secretary, C. P. Matheson, Mac Mac Club, Dartmouth; executive, J. F. Gordon, Lorror's Congreg. Ch., Banook; O. Tobin, Mac Mac; F. R. Hart, North West Arms; T. W. Martin, St. Mary's; A. Halliburton, Jubilee.

EPINARD SECOND.

Epinaud, Pierre Wertheimer's great French colt, finished half a length behind the flying heels of Wise Counselor in the great Labor Day international race at Belmont Park, New York, before a crowd of 60,000 persons, including the Prince of Wales. Nine other horses started, including Zev, Haynes, up on Epinaud, watched Zev too closely and Wise Counselor furnished the real opposition.

FIRGO GOES HOME?

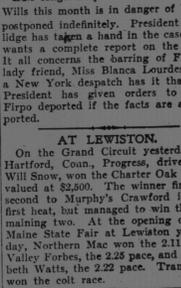

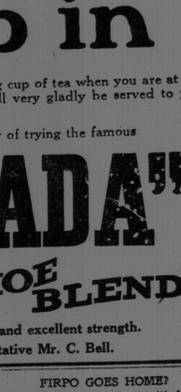

Luis Angel Firgo's bout with Harry Wills this month is in danger of being postponed indefinitely. President Coolidge has taken a hand in the case and wants a complete report on the case. It all concerns the barring of Firgo's lady friend, Miss Blanca Lourdes and a New York despatch has it that the President has given orders to have Firgo deported if the facts are as reported.

AT LEWISTON.

On the Grand Circuit yesterday at Lewiston, Me., Progress, driven by Will Snow, won the Charter Oak stake valued at \$2,500. The winner finished second to Murphy's Crawford in the first heat, but managed to win the remaining two. At the opening of the Maine State Fair at Lewiston yesterday, Northern Mac won the 2:11 trot; Valley Forbes, the 2:25 pace, and Elina won the colt race.

HILTON ON DUTY.

Hilton Polya, former maritime and Canadian amateur single scull rowing champion, was this morning sworn in as a constable and prohibition inspector and has taken over his new duties. The oath was administered by Magistrate Henderson.

Mr. and Mrs. William L. Hogan, accompanied by William J. Hogan, Miss Mary Hogan and Miss M. A. Ryan,

arrived in the city on Sunday from Chatham.

Mr. and Mrs. J. A. MacNeill were guests at the Toronto Exhibition and returned last week after touring in Ontario.

Miss Grace O. Robertson, secretary of the Associated Charities, left yesterday for Collegeville, Pa., and expected to be absent from the city for three weeks. Miss Robertson accompanied her sister, Mrs. J. W. Clawson, who with her children was returning to Collegeville after a pleasant vacation spent in St. John.

Mrs. O. E. Sunder, of Woodstock, who was visiting her cousin, Miss B. N. Boyer, 86 Princess street, returned home yesterday. Miss Boyer returned home a few days ago from a pleasant visit to Woodstock and Fredericton.

Mrs. Charles W. Weatherhead, of Boston, is visiting her parents, Mr. and Mrs. Charles Robinson, 16 Hordfield street, and will return home on Saturday.

Miss Winifred Green was the guest of honor at a novelty shower on Friday evening when the Wahaka Club, to which she belongs, tendered her a merry picnic supper, along with the presentation of many lovely gifts. The event was given at the summer home of Miss Helen Trearlin. About 30 guests enjoyed the afternoon and evening with dancing and bridge. The wedding of Miss Green will take place the last week in September.

Mrs. Edward Pratt, Boston, is visiting her sister, Mrs. Thomas Ingraham, City road.

Miss Maud Downing and her sister, Miss Mary E. Downing, R. N., arrived home yesterday from Boston by the Prince Arthur, accompanied by Miss Berna McDade, of Waltham, Mass., who is their guest.

Returning on the Boston boat yesterday were several teachers, among whom were Miss Joan Lawlor and her

**Finally found health in Kellogg's Bran after suffering long with constipation**

Mr. Patch writes that Kellogg's Bran "solved his problem." It has solved the problem of constipation—mild and chronic—for thousands of others. It has brought relief when all else has failed because Kellogg's Bran is ALL bran. Nothing but ALL bran can be 100 per cent effective. Read Mr. Patch's letter:

Dear Sirs: I have been a constant sufferer from constipation and have wondered what was the cause of it. I have tried about all the cereals I could think of, and finally tried Kellogg's Bran. This solved my problem. I feel 100 per cent better and I owe it to your Bran. . . . Thanking you very kindly for the great cereal, I am Very respectfully, Chester C. Patch, (Address on Request.)

For the permanent relief of constipation, eat Kellogg's Bran regularly two tablespoonfuls daily—in chronic cases, with every meal. It sweeps, cleans and purifies the intestines. It rids them of the dangerous poisons that lead to other diseases. It is guaranteed to bring results, or your grocer will return your money.

**RED ROSE TEA** "is good tea" and extra good is the ORANGE PEKOE QUALITY

mother, Mrs. John Lawlor, Union street; Miss Helen Harrington and Miss Alice Casey, all of whom have been spending their vacation at Cape Cod and other places in Massachusetts.

Mrs. E. Percy Olive and daughter, Miss Sybil Olive, left last evening by the Prince Arthur to return to their home at Arlington, Mass., after a pleasant visit with Mrs. Olive's aunt, Mrs. J. E. Beattie and Mrs. S. M. Wetmore, Martello road.

Mr. and Mrs. J. Charlton Berrie returned from Toronto on Saturday. BRINGS 150, TAKES 300.

The steamer Prince Arthur arrived from Boston yesterday morning shortly after 8 o'clock with 150 passengers, and after her return trip to the Hub at 8 o'clock last night with more than 300 passengers on board.

WARSHIP LEAVES. The U. S. S. Detroit left yesterday about noon, presumably for Boston, where she is to undergo inspection prior to being taken over finally by the navy department.

**NOVELTY SHOWER.**

A novelty shower was tendered Miss Annie Holston at her home, 154 Ludlow street West, Thursday evening, by Miss Tressa Bailey and friends, to do her honor previous to her approaching marriage. The room was prettily decorated with blue, yellow and orange streamers extending from the chandelier to a basket which was also trimmed with colored crepe, and contained a miniature bride dressed in white mull and orange blossoms. A large number of beautiful gifts were received. The evening was spent in games and music, followed by refreshments served in the dining room by the hostess.

**ORPHANS MOVE.**

The children from the Britain street orphanage arrived at their new home, the new Protestant orphanage in Manawagonish road on Saturday. They attended the Church of the Good Shepherd, Fairville, on Sunday, and were warmly welcomed by the rector, Rev. W. P. Dunham, who also gave them a very interesting talk. The children from the West Side orphanage are expected to arrive during the week.

**GIRLS NEED NEW COATS, SUITS and FROCKS**

It's a delightful coincidence that the New Fall Fashions make their appearance just when girls and young women are planning their school and college outfits—for the new is always of interest to youth.

Here they may be chosen from groups specially selected to meet the wishes and requirements of the younger set.

#### UNITED CHURCH SERVICES END

The United Meetings of the Fairville Methodist and Baptist Congregations, which have been held during July and August, ended on Sunday, Rev. A. D. McLeod, of Carmarthen Street Methodist Church preached in the Methodist church on Sunday morning and Rev. J. M. Rice in the Baptist church in the evening. He preached on "The Dignity of Labor." Miss Emma Schofield sang "Have Thine Own Way, Lord." The united services have been satisfactory and favorable comments have been heard from both congregations. Next Sunday the services will be held in their respective churches and conducted by their own clergymen. Next Sunday the Sabbath schools, which have been meeting after the morning service during the summer, will be again resumed at 2:30 o'clock in the afternoon in their respective churches.

#### HOME AT SILVER FALLS BURNED

The residence at Silver Falls occupied by Kenneth Black and Chester Black was totally destroyed by fire last evening. The owners did not carry any insurance. The two men and their families have lived in hotels for the past three years, having purchased it from Mr. Creighton. Both men were working in the fields when the men-ber of their families noticed smoke and called them. Within a short time, however, in spite of their efforts, the house was a mass of flames. It was only through the untiring efforts of fire-fighters that the barn nearby was saved.

#### TWO LIQUOR CASES

Two violations against the prohibition act were disposed of in the police court this morning. One was against Mike Vasiloff, who was charged with having liquor in his beer shop in Main street. He was arrested on Saturday night and then was allowed out on a \$200 bond. As he failed to appear in court this morning this amount was forfeited. In the second case William Gurn was fined \$200 for having liquor in his beer shop in Union street, West St. John. William M. Ryan appeared for the prosecution.

#### EIGHT ON LIST

Eight men were gathered in by the police over the week-end charged with drunkenness. The majority of them secured their freedom by putting up deposits of \$8 and as they did not appear to answer the charge this morning the money was forfeited. The others were held in jail.

KEEN CONTESTS IN MAJOR LEAGUES

Senators and Yankees, Pittsburgh and Brooklyn Fighting for Leadership.

New York, Sept. 2.—Washington and New York are fighting the main bout in the American League with Pittsburgh and Brooklyn challenging the Giants in the National.

Washington took two from the Athletics by scores of 5 to 3 and 4 to 3, but the Yankees kept within a game and one-half of the lead by trimming the Red Sox 3 to 0 and 12 to 2.

In the National, Pittsburgh advanced to within one game and Brooklyn surged to within three contests of the Giants in first place.

McGraw's team lost a decision in the 11th to Boston 8 to 4, but came back with a 10 to 2 victory.

The Pirates went into extra rounds to win from Chicago, 9 to 4, and dropped the Brain again for a count of 4 to 3.

With Hornsby still out of the game the Giants took two on the chin from the Reds 8 to 0 and 9 to 0.

Detroit slipped another game away from the rank of contender by splitting with Chicago winning the first 10 to 5 and losing the second 10 to 2.

Cleveland and St. Louis also divided arguments as the Browns won the first 11 to 8 and lost the second 15 to 2.

With Hornsby still out of the game the Giants took two on the chin from the Reds 8 to 0 and 9 to 0.

GIGGEY AND LOGAN WIN AT HALIFAX

Former Wins Senior Singles and Latter a Match Race.

The annual Maritime Province Amateur rowing championships were held on the North West Arm course, Halifax, on Saturday afternoon when the Lorne senior four-oared crew flashed to victory in the record time of eight minutes, 59 2-5 seconds, breaking the record of nine minutes established by the North Stars in 1910.

Willie Logan, of St. John, defeated Frank Penn, of Halifax, in a match race by four lengths. The local boy took the lead at the start and was never headed.

Harry Giggey, of the Millville Club, won a hard race in the senior singles, winning by almost a length with Joe Reardon, the pride of Halifax, in second position.

In the junior single scull race, Gravelle McAvour rowed a winning race to the turn but lost his advantage by rowing a bad course on the home stretch and finished third.

A BUSY WEEK END IN RIFLE SHOOTING

The week-end was a busy one in local rifle circles, several shoots being carried for Saturday and yesterday.

The Artillery Rifle Association held a practice shoot Saturday afternoon on the North End range.

The Military District No. 7 Permanent Force Rifle Association team won the Garrison Shield yesterday, with the excellent score of 418 for the five men.

DOG SHOW BIGGEST IN CLUB'S HISTORY

The bench show being conducted in connection with the St. John Exhibition is the best in the history of the club.

In all about 225 high class dogs are on exhibition. The cocker spaniel class has the largest number in competition, there being 38.

This year are far above expectations, while wire and smooth-haired fox terriers show up well.

In the list of entries can be seen the following: 10 pointers, 18 English setters, 13 Irish setters, 3 water spaniels, 38 cocker spaniels, 12 collies, 19 airedales, 11 English bulldogs, 9 Boston terriers, 18 smooth fox terriers (the biggest entry in years), 12 wire-haired fox terriers, 10 French bulldogs, 5 poms, 4 poodles and several of other varieties.

TURCOT WINS IN RIVERSIDE GOLF

At Riverside on Saturday Percy Turcot won from Tom McAvity three up in the club championship contest.

Thus gaining a place in the semi-finals. Mr. Turcot is one of the club's steepest players and Mr. McAvity, who is playing in the seniors for the first year, has been showing splendid form.

Among those who have so far won their way to semi-final stage of this spirited match are H. H. Peters, who defeated F. T. Short, Harold McLean, who defeated R. N. M. Robertson, and W. B. Tennant, who defeated Eric Gibbon last Friday at Riverside, the consolation junior is attracting attention.

The finalists in this are Douglas Gibbon and Jimmy McAvity. Gibbon defeated George Schofield Saturday.

In the junior girls' championship match the various stages have been played off until it now remains an open question as to who will meet Ora Roach, Misses K. Blanchet and E. Day are getting to be sure shooting golfers.

WAS HARD YEAR ON RACE HORSES

S. E. Rice Tells Why No Exhibition Meet at Moosepath.

Silas E. Rice, owner of Moosepath Park, announced this morning that his efforts to stage a meet here on Thursday had been unavailing. He said that many of the fastest horses are booked up for other meets and so many others have met with accidents that it was out of the question to attempt to stage any good races here at this time. He said that his new pacer, David Hal, three weeks ago at New Glasgow suffered a broken bone near the ankle of one of his front feet and has been under the care of a veterinary since. The horse is expected to arrive in city tomorrow. Mr. Rice said in all his experience on the track he never heard tell of so many horses going lame as this season. He cited cases where horses were maimed at the start of a race and were sent to the hospital. He said that he was campaigning with only one or two. He said there was no explanation of the situation and it could only be termed a year of hard luck. Miss Abbie Brino and Wilfred C. two of Mr. Rice's string, will be sent to St. Stephen at the first of next week to participate in the meet to be held in conjunction with the exhibition there. He will place Miss Abbie Brino in the 2:15 class and Wilfred C. in the 2:18 class.

VETERAN PRAISES LOCAL OARSMEN

Harry Vail Has Good Words - St. John Four is Suggested.

The three local young oarsmen who competed in the championship regatta on the North West Arm last Saturday returned to St. John yesterday. They were accompanied by William Turner, who was in charge of Harry Gigsey and William Logan, and by Hugh L. McAvity, who was looking after his son, Grenville McAvity. All expressed themselves as delighted with the treatment accorded them by the Halifax club. Mr. Turner said that the Halifax clubs were surprised that St. John had not sent a four oared crew to the regatta and expressed a hope that next year would secure a suitable boat and have the city represented in this event. They thought it was unusual to see so many promising young single scullers and no effort made to have a four oared crew. Harry Vail, famous rowing coach from Wisconsin, was on the train with the St. John boys. He had been in Halifax training the Lorne crew, which not only won the regatta but also established a new record of 8 minutes 59.35 seconds. The former record for the course on the North West Arm was 9 minutes 13.25. With reference to St. John's representatives Mr. Vail informed Mr. Turner that he considers they have all the necessary qualifications to make good oarsmen, but need some coaching to improve their style and stroke. He was very much impressed with Willie Logan and said he has good style and a strong stroke. He also said that Harry Gigsey, who won the senior event, has "the earmarks of a comer." At a meeting of the Maritime Province Oarsmen's Association, which was held Saturday night, Mr. Turner was elected vice-president.

LIGHTKEEPERS IN SESSION HERE

A meeting of the Maritime Branch of the Lightkeepers Brotherhood Association was held this morning in the Victoria Hotel at J. B. Day, keeper at Partridge Island, presiding. A. H. Connolly of Deer Island, secretary-treasurer of the association, gave a detailed report of the finances, which were reported flourishing. He also gave a report of his trip to Ottawa as a delegate from the association and at the conclusion he was unanimously chosen to again go to Ottawa to represent the maritime branch at the annual meeting of the Canadian Association. J. B. Day, who was vice-president, was elected president, and Charles McKee of Cape Spencer was elected vice-president.

FORTY HOURS AT ROTHESAY

The Forty Hours Devotion was opened on Sunday in the Catholic church at Rothesay, and will continue until this evening. After high mass by the pastor, Rev. Raymond McCarthy, the Blessed Sacrament was carried in solemn procession through the church and the Litany of the Saints was sung by Father McCarthy, assisted by Rev. Leonard McGuire, C. S. R., who is spending his vacation with his father, Thomas McGuire, at Quispamsis. The church was filled to capacity for both morning and evening services on Sunday and Monday.

METHODIST MATTERS

The financial district of the Methodist church of St. John met this morning in the church at Westfield, Rev. R. G. Fulton in the chair, and the ministers of the district and a good number of laymen were present. Estimates for the various missions were passed and appropriations made for their support. It was reported that a new mission had been opened in East St. John and that it was proposed to hold services there in the next few weeks. The meetings will be continued this afternoon and evening.

AUTO WAS AFIRE

An automobile, owned by Edward Spragg, took fire near the foot of Main street this morning and an alarm was sent in for the North End fire apparatus. The blaze was extinguished by the owner before much damage had resulted.

SAVINGS BANK FIGURES.

The withdrawals at the Dominion Savings Bank branch here for August were nearly double the deposits, the figures being: Deposits, \$39,760.27; withdrawals, \$61,340.17.

AMERICAN CAPTAIN'S THANKS.

Postmaster Alex. Thompson has received from Captain Haddigan of U. S. Detroit an official letter of thanks for the highly satisfactory manner in which the ship's mail was handled by the local office.

IS POSTPONED.

A dance which was to have been given tonight at the Riverdale and Country Club in honor of the visiting Quebec tennis players, has been postponed until tomorrow evening as the players will not arrive in the city until early tomorrow morning.

CASE IS SETTLED.

The County Court resumed this morning with His Honor Judge Barry presiding. The only case called was that of Miller vs. Davidson, an action brought by the plaintiff against the defendant, C. J. Mellyday, appearing for the plaintiff, notified the judge that the matter had been settled. Court then adjourned until tomorrow morning.

SOME GOOD CITIZENS.

Several business houses have nobly responded to the Mayor's suggestion about decorating their places for exhibition week, at least to fly their flags. The result is very attractive. On the other hand, scores of flagpoles remain stark reminders that somebody is careless in the necessary quantities that go to make a place brighter and happier.

A LITTLE BETTER.

A deserted baby taken to the Children's Home in Garden street on Sunday was still alive this morning. The infant spent a good night according to a report received from that institution today at noon. While the child's condition is still regarded as critical, it was thought to be slightly better today. No clue has been discovered as yet to the identity of the child's parents.

WARE PICKPOCKETS.

The local detective department this morning issued a warning to citizens to beware of pickpockets. It was reported to them last evening that a man who had been attending the exhibition missed his wallet containing \$18. Whether or not he lost it or was a victim of a "slick-hand artist" is not clear, but the authorities feel that caution at a time when so many strangers are in the city is advisable.

NEW QUARTERS.

The Civic Hydro Commission are located in their new quarters, Canterbury street, today, but it will be some days before the move is completed. The executive offices of the New Brunswick Electric Power Commission will be removed to the premises formerly occupied by the Civic Hydro Commission, some time this week. The rooms at present occupied by the executive office will be used by the engineering department.

WILL LOCATE IN CANADA.

Wilfrid Virgo, tenor with the London English Concert Eight heard here recently, has accepted a position with the choir of the Anglican church in St. John, which he will fill on and after Oct. 5. Mr. Virgo was with the Sheffield Choir upon his visit to Canada some years ago, which was his first experience in this country. He is a native of London, England, and is a member of the choir of the Anglican church in London.

LANCASTER TRAFFIC JAM.

During the erection of the retaining wall round about the Simms plant, Lancaster, in connection with the general highway improvement scheme, the traffic at the junction of the road was such congested. In the day time a detour is laid out through the grounds of the Provincial Hospital, but at night the traffic is forced to take a detour through the city streets. The other evening there was a tie-up of 10 minutes on both sides of the corner while teams were shifting on the switches and picking up crowds. The traffic at this point is now single file due to the erection of the roadway in front of the Simms factory.

CANON ARMSTRONG IN ONTARIO

In a letter to a friend in this city Rev. R. A. Armstrong, late rector of Trinity church, reports that he arrived with his family safely and comfortably at Orillia, Ont., where they are resting before he takes up his pastoral duties in Toronto. Before leaving St. John, Mr. Armstrong writes, his wife was presented with an old-fashioned nosegay by the Imperial Theatre staff, and the children were sent bon-bons, a note of neighborly farewell accompanying. The note to the rector told of twelve years of peaceful boundary between the theatre and rectory mutual backyard fence. The absence of clothes line disputes and the absence of theatrical references to the adjoining properties. Mr. Armstrong states that a remembrance was a delightful little surprise and voiced his sentiments exactly.

PRESENTATION.

At the conclusion of a mock trial held in the Renforth club house, Ernest A. Job was made recipient of a handsome nosegay set as a token of the appreciation of the Renforth Athletic and Outing Association for his services in making the club dances a success during the last three seasons. I. C. Armstrong, a former president of the club, made the presentation and spoke highly of Mr. Job's efforts in behalf of the association. The mock trial, something new in the club's activities, was a great success and provided amusement for the large audience present. Among those taking part were H. Wilson Dalton, who acted as judge; R. H. Bennett and Richard Ingleson, attorneys; H. S. Morton, the prisoner, and Charles Curran, Robert Henry, Hubert S. Gibbon, W. C. Clarke and others, witnesses.

AVENUE SALE IS DEFERRED AGAIN

Will Become Supreme Court Matter—Suit Against City Threatened.

A sale of properties on Douglas avenue, which was advertised by the city for non-payment of amounts levied against them for entering the main sewer, which sale had to be postponed last year on account of some irregularity in the preparation of the advertisement, was postponed again this year and the matter of liability of the owners will now come before the Supreme Court of New Brunswick for adjudication. An agreement to this course was reached on Saturday afternoon after an all afternoon session had been held before Judge White on the application of Julia A. Johnson for an interim injunction forbidding the sale. Several properties in the city were not sold for lack of bidders and some were withdrawn because the amounts had been paid. One property was sold for correction of title. G. A. Stanley Hopkins registered a protest against the sale of a lot in Union Alley and threatened suit against the city for false advertisement of the lot. None of the properties offered brought more than the amounts held against them by the city and one, that of the Consolidated Land Co., Lancaster, was sold subject to notice by J. King Kelly, K. C. county secretary; that this same property would be advertised and sold about November 1 for \$5,000 city and county taxes. It was sold today for water rates. Those sold. As Hiram Sees It

"Hiram," said The Times reporter to Mr. Hiram Hornbeam, "aren't you glad we haven't got back to school tomorrow?" "Me?" said Hiram, "I'm goin' to school all the time. This here old airth is a school to every human critter that has a mind above a hole in its." "What do you know about golf?" queried the reporter. "Enough to keep it where it belongs," said Hiram, "—like any other pastime. I ain't sayin' nothin' agin it—only I wish some of the fellers' 'ud come out to the Settlement an' swing an' ace or a scythe the next spring—an' the members wouldn't he to buyannels or hev lockers—or anything like that. A pair o' good overalls an' a cow's breakfast 'll do—an' I'll hand out the butter milk. The' won't be no more golf clubs on'ter sissies when I git mine goin'—an' it won't cost a board to jine. I'm goin' to talk to the Board o' Trade about it. They want the town an' country to git closer together—an' I'll show 'em how—Yes, sir."

Do You Renew Your Energy as Fast as You Use It? Do you know that, in our daily activities, vitality is constantly ebbing and tissues constantly being torn down? Do you know that it is only sleep that reverses this downward trend, restores the oxygen balance in the tissues, eliminates fatigue, poisons and generally recharges the human batteries with new life and vigor? Are you gaining the utmost from your hours of rest? Are you sleeping on a bed that conforms to the scientific laws controlling genuine sleep? A bed that frees your tired muscles and nerves from all pressure and strain? A bed that invites the perfect relaxation which brings new energy and enthusiasm—the "made over" feeling that comes only from reconstructive sleep? If not, all this can be obtained by a visit to our bed department, where we will be pleased to give advice backed by years of study of the subject. A.
