ARTICLE I.—NAME.

SEC. 1. This Association shall be known as the Holstein-Friesian Breeders' Association of Canada.

ARTICLE II.—OBJECTS.

SEC. 1. This Association is established to promote the best interests of the Holstein-Friesian Cattle and their owners in the Dominion of Canada.

SEC. 2. To bring the breeders into close and friendly relations with each other that they may co-operate in their efforts to raise this noble race of cattle to a higher plane.

SEC. 3. To correct all erroneous statements regarding this breed of cattle and protect the members from fraud or imposture in all matters pertaining to the purchase, sale or breeding thereof.

ARTICLE III.—OF MEMBERSHIP.

SEC. 1. Any person of good character, who is a citizen of North America, interested in the breeding of Holstein-Friesian Cattle, and the owner of such, may apply for membership in this Association by filing a written or printed application, in such form as the Executive Committee may prescribe, with the Secretary, with the membership fee of five dollars, and undertaking to pay an annual due of one dollar. The form of application for membership shall give the applicant's name in full, his residence and post-office address, and such other particulars as the Executive Committee may require.

SEC. 2. If any objection is raised to a person becoming a member, his application for membership shall be submitted to the consideration of the Executive Committee, and if in their

judgment the applicant is eligible for membership and ought to be admitted as a member of the Association and a two-thirds majority vote of the Executive Committee present to the effect is passed; or if no objection is raised within 90 days of application being received, notice having been given to the Executive Committee, then his name shall be entered on the records as a member, and the Secretary shall issue a certificate of membership. He shall pay non-member's registration fees, and when accepted as a member the amount overpaid as a non-member shall be refunded.

SEC. 3. Any member of the Association may at any time withdraw and terminate his membership by returning his certificate of membership to the Secretary, with a letter expressing his wish and intention to terminate his membership.

SEC. 4. Any member of this Association, who shall be found guilty of any misrepresentation, deception, or fraud in relation to the registry of animals in the Holstein-Friesian Herd Book shall forfeit his membership in the Association and shall be debarred from further registry.

SEC. 5. Each member of the Association shall be entitled to one copy of the first volume of the Herd Book at half the actual cost price, and non-members may have it at cost price. It shall be forwarded on receipt of the money to any address.

ARTICLE IV.—OF THE OFFICERS.

SEC. 1. The officers of this Association shall consist of a President and four Vice-Presidents—to be designated as first, second, third and fourth; one Secretary-Treasurer; four Directors, who shall constitute the Executive Committee of this Association. There shall be two Directors elected at the first meeting for the term of one year, and two for the term of two years. In the event of an office becoming vacant the Executive Committee shall have the power to fill such vacancies until the next general election. The Executive Committee shall appoint Inspectors of Imported Cattle, with power to remove for cause and to fill vacancies.

SEC. 2. The Executive Committee of this Association shall have and take the entire control and management of its affairs and business with full power and authority to do what they deem proper and best for its interests, provided that they shall have no authority to contract a debt or obligation against the Association beyond its current expenses. And in such case, not beyond the amount of cash in the treasury; and that nothing shall be done which is not in accordance with the purpose and spirit of the Constitution and By-Laws.

SEC. 3. At any meeting of the Executive Committee, which is duly called, five of its members shall constitute a quorum for business.

SEC. 4. A legal meeting of the Executive Committee of this Association may be held at any time and place when and where all the members of the Committee are present together and agree to hold a meeting, and all the votes and acts done at such meeting shall have the same validity and effect as they would have if passed and done at a regularly called meeting.

SEC. 5. A meeting of the Executive Committee shall be held on the day of the annual meeting of members, and a meeting may be called by the President or Secretary, or by a majority of the Executive Committee, when by his or their judgment the affairs or business of the Association make it necessary for the Executive Committee to hold a meeting.

SEC. 6. Notice calling special meetings of the Executive Committee shall be given by the person calling the meeting, in writing, setting forth the date and place of meeting, and the purpose or purposes for which the meeting is to be held; and no other business than that specified in the notice shall be acted on, unless all the members of the Executive Committee are present.

SEC. 7. Members of the Executive Committee cannot vote by proxy at meetings of the Committee, but any member of the Committee who cannot attend a duly called meeting may address a letter to the Executive Committee, in which he may discuss the purpose or purposes for which the meeting is called, and state how he will vote on the question or questions which may

come up before the meeting under notice, and such letter and such vote shall be read in the meeting, and the vote shall be counted and have the same effect as they would if the member were personally present and voted.

SEC. 8. All notices or calls for meetings of the Executive Committee shall be recorded at length in the record-book of the Association, and the substance of all letters from members of the Committee containing votes on matters set forth in the notice calling the meeting shall also be recorded; and such letters shall be kept on file, and all proceedings had and votes passed at meetings of the Executive Committee shall be fully set forth and recorded in the record book.

SEC. 9. The President shall preside at all meetings of the members of the Association, and all meetings of the Executive Committee, when he is present; and when he is absent or unable to perform the duties of the office, a vice-President shall act in his stead. The President shall sign all certificates of membership which may be issued.

SEC. 10. The Sec.^yTreas. shall be the custodian of cash funds and securities belonging to the Association, and shall deposit, invest, or otherwise dispose of the same as the Executive Committee may direct. He shall give a bond with securities to the satisfaction of the Executive Committee.

SEC. 11. The Secretary shall be corresponding and recording officer of the Association, and shall receive and attend to and dispose of, as the Constitution and By-Laws require, all applications for membership in the Association, all applications for registry of animals in the Herd Book, and all applications for transfer-registry of animals in the Herd Book, and shall sign and issue all certificates of membership and registry, and of transfer-registry, and shall keep a record of all such certificates issued. He is authorized to expend such sums as he may find necessary for the carrying on of the business of the Association.

SEC. 12. He shall edit and publish the Herd Book at such times and in such forms as the Executive Committee may direct.

SEC. 13. He shall issue notices of the time and place of the annual meeting of the Association, and of special meetings which the Executive Committee may order to be called; but no amendments to the Constitution or By-Laws shall be made at any meeting, either annual or special, unless thirty days' notice of the substance of such proposed amendments has been given by the Secretary in the call for such meeting.

SEC. 14. He shall issue notices of meetings of the Executive Committee when requested to do so by the President or by a majority of the Executive Committee.

SEC. 15. He shall record all notices of meetings in the record-book of the Association, and certify therein that they were issued and sent in accordance with the provisions of the By-Laws.

SEC. 16. He shall keep full and accurate records of all the meetings of the Association, and of the Executive Committee, at which he is present; and when he is absent a Secretary PRO TEMPORE shall be chosen to attend to and perform the duties of the Secretary.

SEC. 17. He shall keep an accurate account in detail of all moneys received and paid out by him in the performance of his duties.

SEC. 18. The Executive Committee shall hereafter, at their last meeting prior to the annual election of officers, fix the salaries of all salaried officers for the next ensuing year, subject to the approval of the annual meeting.

SEC. 19. The Executive Committee shall take cognizance of any and all specific charges made under oath and presented to them in writing against any member of this Association, for violation of his obligation to this Association or to any of its members, and shall appoint a committee of two members of the Association, which said committee shall notify the alleged offending member, at his last known place of residence, of the specific charges fully set forth in writing, and designate a place and day when and where he may have a hearing before said

committee, who shall hear the parties and take proof relevant to the charges, in writing and under oath, and report the same in full, with their opinion of the matter, in writing, to the Executive Committee. All notices of such hearings shall be given to the alleged offending member not less than sixty days before the time set for such hearing. In case of a wilful failure of the alleged offending member to appear and answer the charges made, at the time and place named, the Executive Committee shall be hereby empowered to act the same as though said charges were true, and take such measure in regard to the same as they may deem proper and advisable under the Constitution.

SEC. 20. The accusers and the accused shall then, if they desire to, be heard before the Executive Committee, or a majority of them; and after such hearing, or opportunity afforded by the Committee to the parties to have such hearing, they shall determine whether the charges made have been proved and if so whether the accused ought to forfeit his membership in the Association, and take such action in the matter as they may deem advisable.

ARTICLE V.—OF MEETINGS.

SEC. 1. Notice of all meetings of the Association and of the Executive Committee shall be mailed at least ten days before the time named for the meeting.

SEC. 2. All notices of meetings shall be served by sending a written or printed copy by mail to the post-office address of each member entitled to such notice, and shall fully set forth the matter to be acted on at such meeting.

SEC. 3. The Annual Meeting of the Association shall be held on the first Tuesday in February each year.

SEC. 4. If the Executive Committee deem it advisable to hold the annual meeting or any special meeting of the Association, or any meeting of the Executive Committee, at any place, and so order, the Secretary shall make the notices calling the meeting in accordance with the order of the Committee.

SEC. 5. Special meetings of the members of the Association shall be called when a majority of the members of the Executive Committee join in a request or direction to the Secretary to call such meeting.

SEC. 6. The travelling expenses of the Executive Committee when called together for the transaction of business of the Association, shall be paid out of the funds of the Association.

SEC. 7. Twelve of all the members of the Association shall constitute a quorum for business at the annual meeting, and at any special meeting duly called.

ARTICLE VI.—OF THE HERD BOOK.

SEC. 1. This Association shall publish the Holstein-Friesian Herd Book at intervals of not less than one year.

SEC. 2. Each volume of the Holstein-Friesian Herd Book shall contain the Constitution and By-Laws, and a list of members of the Association, the record of the proceedings at all meetings held since April 20th, 1891, or since the publication of the last volume of the Herd Book, and any other matters of general interest which the Executive Committee may deem advisable to publish, and an accurate register of all the animals accepted for registry in it, which shall be divided into two parts, one part containing the registry of bulls, and the other the registry of cows. Such registry shall set forth the number, the name, the date of birth, the name and residence of the breeder and owner, and, if imported, the name of the importer; the markings of the animal, sufficient for its identification, and the names and numbers of both sire and dam in the Herd Book. It shall contain the record of pedigrees, but no publication of any records of animals.

SEC. 3. In the Herd Book there shall be registered only such animals as are determined, under the rules and regulations of this Association, to be "thoroughbred."

SEC. 4. Thoroughbred Holstein-Friesian may be held to mean and refer only to those large, improved black-and-white cattle already registered in the Holstein, Dutch Friesian, and

Holstein-Friesian Herd Books, such as are descended from them in direct line, both as to sire and dam, and such imported animals, or their descendants as are registered in the Netherlands, Friesian, or North Holland Herd Books, proved by the affirmation of the breeder of the animal satisfactory to the Inspector.

SEC. 5. Canadian-bred animals shall only be registered in the Herd Book upon application made upon or following the form furnished by the Association, and the payment of a fee of 75c. by members of the Association, and of \$1.50 by persons not members, for the registry of each animal, which MUST ACCOMPANY the application. All animals that are not registered within one year of date of birth, shall be charged three times the regular fee, and all animals that are not transferred within 90 days of date of sale shall be charged 75c. each. No two animals shall have the same name. Only direct descendents of an animal shall be entitled to the family name, with numbers prefixed or added, and after the first generation the family name only in combination. Males shall only be entitled to the family name in combination, in which the family name shall be first. In all combinations, the name of the sire or dam, in part or in full, may be used as desired by the applicant. All titles of distinction, nobility, military, or honorary, and all first or given names, not in use as family names, shall be free for use in combination.

SEC. 6. Only members of this Association resident in Canada may register imported animals shipped from Europe after April 20th, 1891. When application for registry of imported animals is made, the certificate of the breeder of the animal, made upon or following the form for such certificates furnished by this Association, is required.

SEC. 7. Animals must be transferred to owners before their offspring are registered.

SEC. 8. Application for registry of animals imported from Europe shall be made to the Secretary, and by him referred to the Inspector, who shall visit and separately examine at quarantine each imported animal proposed for registry, and the certificate of the breeder relating to such animal; and the Inspector

shall make his report of the result of such examination in writing on, or annexed to, the breeder's certificate. On and after February 6th, 1894, all breeders' certificates must be numbered by the Secretary, who shall fill in the name and address of importer. The certificate shall bear the official seal of the Association. The Secretary shall keep a record of the number of certificates, and to whom issued. All imported animals shall be registered in the name of the importer. The application for registry of animals imported in dam must be signed by the importer. All applications for registry of animals which are not filed with the Secretary within one year from date of birth or importation shall be charged three times the usual registry fee. All animals bred in Canada shall be registered in the name of the owner, in which case a certificate of service is required from the owner of the bull, and the signature of the breeder to the application. No imported animal shipped from Europe after February 6th, 1894, shall be eligible to registry in the Herd Book unless the animal or its dam or sire are registered in the Netherlands, Friesian, or North Holland Herd Books. In recording such imported animal, if it be recorded in the Netherlands, Friesian or North Holland Herd Books, its name and number shall be spread upon the records; if not recorded there, its breeding as it appears in the Netherlands, Friesian, or North Holland Herd Books, with the names and numbers by which its sire and dam are registered in such Herd Book, shall be spread upon the register of this Association. All application for registry of animals imported from the United States must be accompanied by a form of application, with markings sketched and described, signed by the breeder or owner; also by the certificate of registry in the Holstein-Friesian Herd Book, or the Western Holstein-Friesian Herd Book, and by a certificate from the Veterinary Inspector at quarantine, with the exception of those cattle imported heretofore, applications for which must be accompanied by the usual forms, filled in with the color markings, and signed by present owner, and accompanied by certificate of registry in the Holstein-Friesian Herd Book, or the Western Holstein-Friesian Herd Book. Fees to be 75c. for members, and \$1.50 for non-members. Any person applying to the Secretary for the inspection of imported animals, shipped from Europe after February 6th, 1894, shall pay to the Secretary

a fee of \$10 for inspection, and \$5 for registration, before the inspection is ordered; and, after such payment, the Secretary shall be authorized to order such inspection, the inspection to be made at quarantine. All applications must be accompanied by breeder's certificate, or registration certificate from Holland. Inspectors shall receive from the Association, as compensation, two dollars for each day occupied in inspecting cattle, and in going to and from places of inspection. All necessary and reasonable travelling expenses shall be paid by the Association. No animal imported from Europe shall be accepted for registration until it has been passed by an Inspector, and the Inspectors shall be instructed that no animal shall be accepted for registry in the Herd Book except those of superior excellence, that might fairly be ranked as strictly first-class. This amendment to take effect from date.

SEC. 9. When an animal is accepted for registry, the Secretary shall issue a certificate of the fact to the owner, giving the number, and name, and description the animal will take in the Herd Book.

SEC. 10. A register of transfer of ownership of any animal registered in the Herd Book will be made on application of the owner and payment of fifty cents by members of the Association, and one dollar by non-members of the Association; a certificate of such transfer will be made by the Secretary. A charge of fifty cents will be made for each duplicate certificate or registry of transfer.

SEC. 11. Every application for the registry of an animal in the Herd Book shall be taken as a guarantee of the owner that the animal is thoroughbred, and that all matters stated in the application are true. No application for registry or transfer will receive attention unless accompanied with the required fee.

SEC. 12. If, after the registry of an animal in the Herd Book, anything shall be learned which raises a doubt as to the propriety of such registration, the Executive Committee shall cause the matter to be investigated; and if it shall be found that an animal has been improperly registered, they shall cause

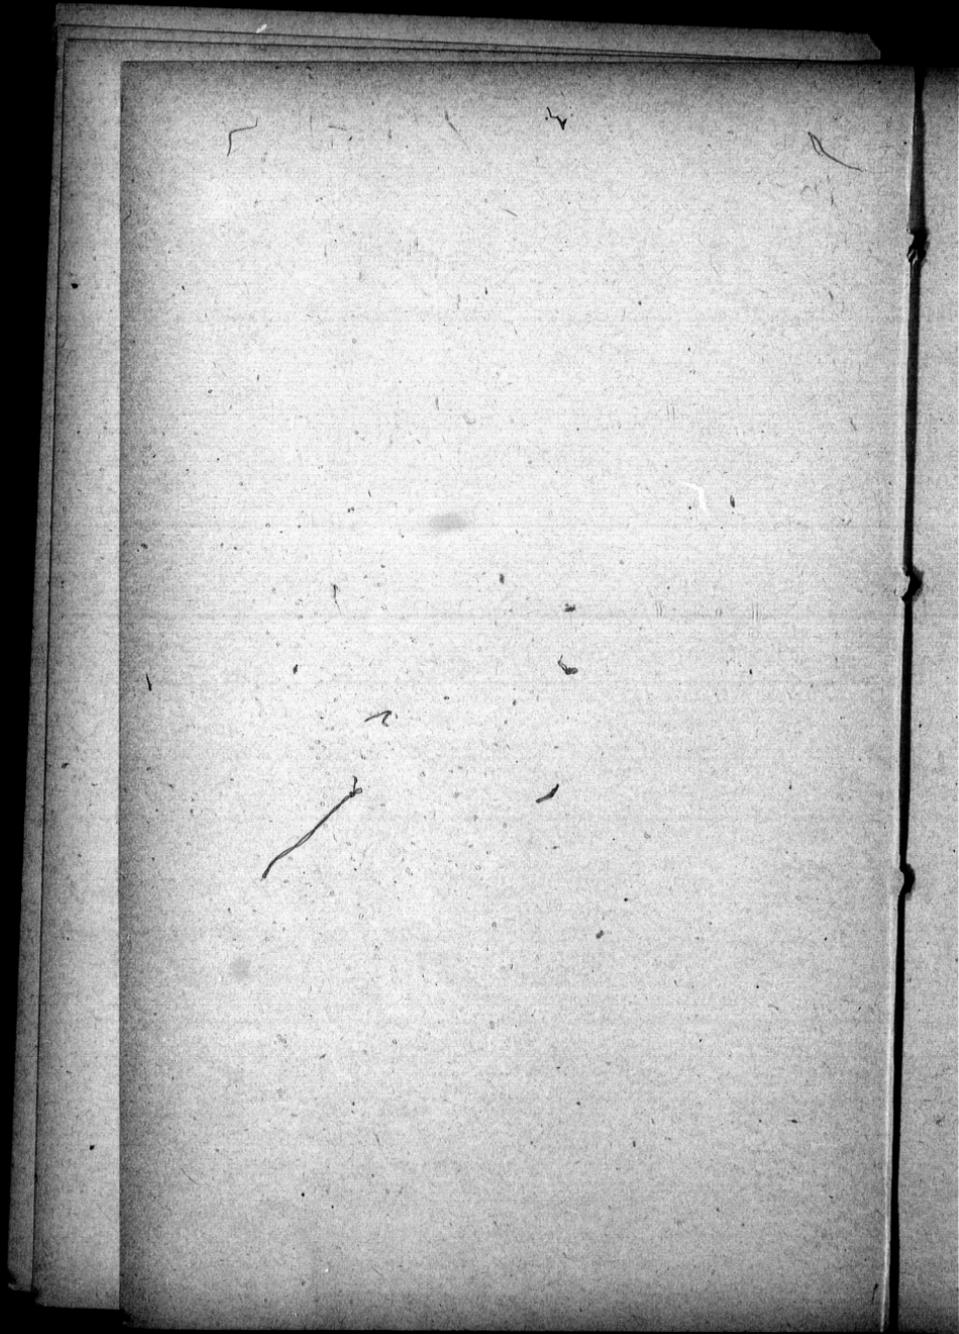

the registry to be expunged, and take such other steps or measures as the nature of the case, in their judgment, may require.

ARTICLE VII.—SEAL.

The seal of the Association shall be a circular-faced die, with the name of the Association, and April 20, 1891, and the head of a Holstein-Friesian animal so cut on the face of it that the whole can be embossed on paper by pressure, and the minutes of this meeting shall be sealed with it.

Thirteenth Annual Meeting
OF THE
Holstein-Friesian Association of Canada
Held at Toronto, February 4th, 1896.

The Thirteenth Annual Meeting of the Canadian Holstein-Friesian Association was held at the Albion Hotel here to-day.

The Executive Committee met at one o'clock, with the President, Mr. T. W. Charlton, in the chair.

There were present in addition to the President, Messrs. Bollert, Stevenson, Hallman, Ellis, Rice, Shunk and Clemons.

The minutes of last meeting as read by the Secretary were adopted on motion.

The committee, consisting of Messrs. Charlton, Bollert, Stevenson and Clemons, appointed to arrange for the publication of Volume II. of the Herd Book, reported that they had invited tenders for the work and awarded the contract to the lowest tenderer, Mr. T. H. Preston, Brantford, Ont. Owing to some misunderstanding between the printers and the book-binders the binding of the book was not quite up to the standard called for by the specifications, and as the books had already been forwarded to the Secretary it was moved by Mr. Ellis and seconded by Mr. Hallman, that the books be returned to the printers for completion of contract as far as possible. Carried.

Moved by Mr. Shunk and seconded by Mr. Hallman, that each member be supplied with a copy of Volume II. of Herd Book, free of charge, providing said member is not in arrears for dues. The price to non-members to remain as before, viz., \$1.50 per copy. Carried.

Moved by Mr. Hallman and seconded by Mr. Bollert, that Jas. F. Hindmarch, Cannington Manor, Assa.; David Marwood, Treherne, Man.; and G. Alvin Gilroy, Glen Buell, Ont., be accepted for membership. Carried.

Moved by H. Bollert and seconded by R. S. Stevenson, that the salary of the Secretary-Treasurer for the ensuing year be \$200.00, and that the Executive Committee, Auditors and Assistant Secretary have their travelling expenses paid for all necessary meetings. Carried.

Moved by Mr. Ellis and seconded by Mr. Shunk, that the Committee adjourn. Carried.

GENERAL MEETING.

The general meeting was held at two o'clock, with the President in the chair.

Others present were Messrs. H. Bollert, Cassel; A. C. Hallman, New Dundee; R. S. Stevenson, Ancaster; Alfred Rice, Currie's Crossing; Wm. Shunk, Sherwood; Wm. G. Ellis, Bedford Park, Chas. S. Ellis, Bedford Park; G. Alvin Gilroy, Glen Buell; A. Hoover, Jr., Emery; E. Pannabecker, Hespeler; Wm. Suhring, Sebringville; J. H. Patten, Paris; John A. Line, Sherwood; Wm. Armstrong, Locust Hill; S. R. Beck, South Cayuga; R. W. Walker, Utica; G. W. Clemons, St. George; W. A. Clemons, St. George; John Weld, Farmer's Advocate, London; and G. W. Green, Farming, Toronto.

The President, in calling the meeting to order, took the opportunity of thanking the Association in a few well chosen words for the honor they had conferred upon him in his absence last year. He spoke in a very encouraging way of the progress of the breed in Canada, and gave special emphasis to the fact that the Holsteins had won every prize in public dairy tests at all the large fairs in Canada during 1895.

The minutes of the last meeting were read by the Secretary, and on motion of Mr. Hallman, seconded by Mr. Bollert, they were approved.

It was reported by the Secretary that he had written the railway authorities in regard to the resolution passed at the last meeting and found that no concessions in the way of more favorable terms to breeders shipping stock could be obtained.

The Secretary then read the following financial statement, certified correct by the auditors:

Meeting of the Executive Committee
OF THE
Holstein-Friesian Association of Canada

HELD AT TORONTO, SEPTEMBER 8TH, 1896.

A special meeting of the Executive Committee was held this evening at the tent of Mr. F. W. Hodson, for the further discussion of the question of incorporation of the Canadian Holstein-Friesian Association.

There were present Messrs. Bollert, Hallman, Ellis, Stevenson, Charlton, Hoover, Gilroy, Rice and Clemons.

The President, Mr. Bollert, in the chair.

The committee appointed at the annual meeting, Messrs. Bollert, Hallman, Ellis and Clemons, reported that the present laws of the Dominion Parliament relating to the incorporation of Joint Stock Companies were not satisfactory for the purposes of a Live Stock Breeders' Association.

Mr. F. W. Hodson explained the nature of the Ontario charter under which the other Breeders' Associations were conducted, and a general discussion took place as to whether a Provincial or a Dominion charter would be preferable. It was

generally agreed that a Dominion charter would give the Association a legal standing in all the Provinces which probably could not be obtained in any other way, consequently the meeting declared in favor of looking into the matter of obtaining a special act of the Dominion Parliament to regulate the incorporation of Live Stock Breeders' Associations. As several of the members present expected to be in Ottawa at the time of the Exhibition, it was decided to interview the Hon. Sydney Fisher, Minister of Agriculture, on the subject.

It was then moved by Mr. Charlton and seconded by Mr. Stevenson, that the names of all exhibitors of Holsteins at the Ottawa Fair be added to the committee appointed to look into the matter of incorporation, and that the committee obtain all possible information in regard to a special Act of Parliament and to the Dominion charter. Carried.

The meeting then adjourned.

G. W. CLEMONS, Secretary.

It was moved by Mr. Charlton and seconded by Mr. Ellis, that,

Whereas, The Holstein-Friesian Association of Canada desires incorporation in order that we may have a legal status in the courts of the land, and

Whereas, This Association is not organized for the purpose of making money, but simply to preserve records of the birth and breeding of pure-bred Holstein-Friesian cattle, and to further the interests of the said breed of cattle, and

Whereas, This Association desires to prevent the localizing of cattle associations by the formation of cattle registering associations in each province, rather than having only one association for the whole Dominion, the evil results of which have been made evident by the two Ayrshire Association, and

Whereas, This Association's membership extends to all parts of the Dominion, and has cattle registered from all provinces, and is continually receiving applications from, and doing business with, the different provinces, we feel that any incorporation other than Dominion incorporation will not meet our requirements, and as there is at present no Act which meets the requirements of a Dominion Live Stock Registering Association,

Then be it resolved, That this Association requests the Dominion Government to take this matter into their consideration and to pass such suitable Act as will meet the requirements of a pure-bred Live Stock Registering Association, and

Be it further resolved, That a copy of this resolution be sent to the Minister of Agriculture, the Hon. Sydney Fisher. Carried.

Moved by Mr. Gilroy and seconded by Mr. Clemons, that a vote of thanks be given to the Holstein-Friesian Association of America for liberal grants to the Canadian Dairy Tests. Carried.

Moved by Mr. Clemons and seconded by Mr. Ellis, that a hearty vote of thanks be tendered to Mr. Holderness, proprietor of the Albion, for the use of a room for the meeting. Carried.

Carried.

Mr. Henry Welsh, Weston, Ont., made application to the committee for membership, and on motion of Mr. Clemons and seconded by Mr. Ellis, he was accepted as a member.

The President then gave a verbal report of the work done by the committee appointed at the last annual meeting to endeavor to induce the Dominion Government to pass an Act under which the various Live Stock Associations could secure satisfactory incorporation. The members of the committee had interviewed a number of members of Parliament and secured the promise of their support, and Mr. James Somerville took an active part in keeping the matter before the Hon. Minister of Agriculture. After considerable correspondence between the Secretary and the Hon. Minister, the latter was convinced of the reasonableness of our request, and promised that suitable legislation should be introduced by the Minister of Justice at the next session of the House, as the press of business was such as to prevent any action at the present session.

The applause which followed the closing remarks of the President showed that the members present appreciated the efforts of the committee.

It was then moved by Mr. Gilroy and seconded by Mr. Hallman, that the meeting adjourn. Carried.

He had great pleasure in stating that the year just passed had been unusually prosperous for the Association in a financial sense, and the promise for the future was brighter than ever before. WM. SUHRING, }
J. H. PATTEN, } Auditors.

Feb. 1st, 1898.

The above report was declared carried unanimously.

Messrs. Stevenson, Charlton, Welsh, Lee and others spoke of the value of the public tests as a means of showing the great producing powers of the Holstein-Friesian cow, and a long discussion ensued regarding the propriety of taking the cost of feed into consideration in awarding prizes at the different Fairs

for dairy tests. It was agreed that the conditions were such that a satisfactory test of this kind could not be conducted unless the competing cows were kept on the grounds for several weeks before the test under the charge of the tester, and in a building where the public would not be allowed. Breeders present declared that the Holsteins would not be absent if such a test were held, but expressed doubt that any Fair Board would undertake to carry on anything of the kind.

The President then repeated for the benefit of the meeting the remarks which he had made at the meeting of the Executive Committee in regard to the result of the labors of the Committee in regard to the result of the labors of the Committee on Incorporation.

The election of Officers was the next business taken up, and it was moved by Mr. Hallman and seconded by Mr. Charlton, that Mr. Wm. G. Ellis be President for 1898.

It was moved in amendment by Mr. Ellis, that Mr. Hallman be President. Mr. Hallman declined on the ground that he had already held the office of President of the Association, and as there were no other nominations the Secretary cast his ballot for Mr. Ellis.

The Secretary cast his ballot for Mr. Hallman.

Moved in amendment by Mr. Charlton and seconded by Mr. Shunk, that Mr. H. Bollert be Fourth Vice-President.
