unnecessary and the latter possible." forth a protestation of his innocence A Small Boy and a Hose.

In a busy part of a New York street, one afternoon, a very small tow-headed boy espied a coil of hose lying on the outer edge of the sidewilk. Grasping the nozzle, he drew it toward him, sitting down in the operation. Then he took a new and closer hold and tugged at the nozzle. It happened that one of his hands clutched the stopcock, and that the lower end of the coil was connected with a Croton water pipe. The stopcock turnedeasily. The half-inch stream struck the boy in the face, and he went over backward. He still clung with one hand to the nozzle, and the stream struck him one hand to the nozzle, and the stream struck him one hand to the nozzle, and the stream struck him one hand to the nozzle, and the stream struck him one hand to the nozzle, and the stream struck him in the right.

In a busy part of a New York street from the district of the ward-desder from the dragged from the very set live and strength from the down in the down in the court room, and several persons in the audience, including men as well as women, fainted. This set will be set in the flow of the session can therefore adjourn early in July succeeds, only the necessary routine supply bills can be passed, and the record of the session can therefore securing officers for the Crown had determined not to apply for another the dragged from the dragged clung with one hand to the nozzle, justice and courage.

Death of the Prince of Orange.

fever and on the 3rd inst., the disease developed typhoid symptons, and at once took a critical turn. On the 6th the symptoms became more favorable, and the physicians were somewnat encouraged. They stated, however, that a crisis might be expected in a fortnight, and that till that was past the period could not be regarded as the patient could not be regarded as out of danger. The Prince was born at the Hague, Aug. 25 1851. Owing S. A. JARDINE.
to his ill health be never married. He held the rank of Admiral in the navy and major general in the army of the servatives to force the vote of censure.

London, June 26.—The Times this boom drops a point or two, the other booms and boomlets go up, especially that of servatives to force the vote of censure.

Bayard. It seems from indications here, that it is still anyone's game at Chierron. Netherlands. He was also honorary against the Government will only re-colonel of a Russian regiment, the sult in a humiliating defeat and may grenadiers of Kiew. He was of a melancholy temperament and led a secluded life. Two years ago he emerged from his seclusion so far as to accept the dignity of grand master of have been seized carrying letters dated.

Methodist Conference.

ST JOHN, JUNE 27, 1884. DEAR ADVOCATE:-Wednesday last marked an important epoch in the history of Methodism in the Maritime Pro-Nic at Nelson, or elsewhere, as their fancy might lead them. Employers

Protestant denomination in the Dominion, numbering 730,000 more than the next largest Protestant denomination should remember that they were once (the Presbyterian) and 230,000 in excess young themselves and enjoyed a holi- of the Episcopalian Church, and possesday when they could get one. The es more than one-third of all the church

day was oppressively hot on shore buildings in Canada. THE CONFERENCE. So far the proceedings have been of the most interesting character. At the Sprague opening on Wednesday, Rev. John Read. President of the Conference which had just terminated its labours, who occupied the Chair, cordially invited the lay delegates to come forward and take their seats with their ministerial brethren The Secretary pro tem Rev. R. Wilson, read the 17th chapter of St. John's Gospel, after which the Conference joined

most heartily in singing the 17th hymn. "See how great a flame aspires, Kindled by a spark of grace, Jesus' love the nations fires, Sets the kingdoms in a blaze; To bring fire on earth he came, Kindled in some hearts it is; O that all might catch the flame,

solid and liquid refreshments. Bands All partake the glorious bliss." Drs. Pickard and Inch followed with fervent and appropriate prayers, supplicating the Divine Blessing upon the Union and the Conference now in session

the honor thus conferred upon them: Dec : Invocation by V. W. and Rev. Geo. W. Fisher and H. J. Thorne, key, W. W. To William McKay, late of the Parish of

Newcastle, in the County of Northumberland, in the Province of New Brunswick, carpenter, and Agnes McKay, his wife.

carpenter, and Agnes McKay, his wife.

NOTICE is hereby given that under and by virtue of a Power of Sale contained in a certain Indenture of Mortgage, oearing date the thirteenth day of September, in the year of our Lord one thousand eight hundred and eighty one, made between William McKay, therein described, of the Parish of Newcastle, in the County of Northumberland, in the Province of New Brunswick, carpenter, of the one part, and George A. Blair, of Chatham, in the said County of Northumberland, esquire, of the other part, which Mortgage was recorded on the fourteenth day of the same month in volume sixty of the records of the said County, pages 680, 681, and 682 and is numbered 666 in said volume, there will, for the purpose of satisfying the moneys secured by the said Mortgage, default having been made in payment of the same, be sold by Fublic Auction, in front of the Waverley Hotel, in the Town of Newcastle, in the said County of Northumberland, on TUESDAY, the fifteenth day of JULY next, at 12 o'clock noon, the Lands and Premises mentioned in the said Mortgage, and therein described as

All that Piece or Parcel of Land situate. Iying and being in the said Parish of Newcastle, and bounded as follows:—Beginning on the Northwest side of the Miramichi River, at the Easterly angle of land heretofore conveyed to John Murray by the New Brunswick and Nova Scotia Land Company, Limited, thence running by the magnet North nineteen degrees West. one hundred and twelve chains of four poles each, or to rea of the lot, thence North forty two degrees East eighty chains and eighty two links to the Westerly line of Land formerly occupied by the late John Buie, being the Easterly side line of the said lot, thence Southerly side of the Great Road or Queen's Highway passing through the said property, which I am offering very low in small lots. Highway passing through the said property, thence Westerly along the said Highway two hundred [200] feet, thence Southerly on a line parallel with the said Highway two hun-

dred feet. or to the said side line, thence along the said side line to the said River and thence Westerly or up stream along the said River, following the various courses thereof to the place of beginning, being part of the land conveyed to the said William McKay by Elize Lives Wilcox by Indonture. land conveyed to the said William McKay by Eliza Jane Wilson by Indenture, bearing date thettwetty-third day of August, A. D. Is80, as by reference thereto will more fully and at large appear. Together with all and singular the Buildings and Improvements thereoa, and the rights, members, privileges, hereditaments and appurtenances to the said privileges belonging or in any way appertaining.

THE STORE recently occupied by Mr. Donald Morrison, situate in the ADVOCATE building. Possession given immediately. For particulars apply to New Department. Dated the second day o June, A. D. 184.

HARNESS &

For Sale tow by

A. J. BABANG & CO.

I beg leave to announce that I intend to still carry on my business in the town of Newcastle at my old stand, where I intend to keep everything in connection with the HARNESS AND COLLAR business, feeling sure that my past record will bear my out in asking you to still continue your liberal patronage, and by paying strict and prompt personal attention to all orders left, I hope to keep in future as in the past the confidence you have placed in me.

As the great demand for my

CELEBRATED COLLARS makes it impossible for me to keep any great quantity on hand, I shall always be ready and willing to take the measure of your horses, and make collars to suit them, when a GOOD FIT will always be guaranteed or no pay. It is impossible for horses to be gafted in these Collars, as the greatest pains is taken to make them work with ease and comfort to the animal, the proof of which is in the fact of having made and sold two thousand of them in Miramibi and surrounding districts, and never having any of them returned for hurting the shoulders of any horse that wore them. Everyone is made by myself, and are warranted no imported trash, but genuine hand made, wool faced, long straw Collars.

ALWAYS IN STOCK: WHIPS, WHIP THONGS, CURRY COMBS, BRUSHES, Mane Combs. Horse Cards, Interfering Boots, Harness Oil, Neat's Foot Oil, Herness Soap, Axle Oil and Grease, Sweat Pads. Saddle Pads. Silver Polish. Whip Sockets, Harness Snaps. Cart Harness and Back Chains. Horse Blankets and Sircingles.

Will get anything not in stock for any person when required.

RIDING SADDLES. MARTINGALES and BRIDLES imported to order. All orders

mptly attended to. Harness and Collars repaired with neatness and despatch, and at moderate prices.

about a dessert spoonful or more three times a day. "Nasty," did you say? Well, there you have me in a corner. But you soon get over the feeling of loathing which it at first excites, and, oh. dear me! there is really no end to all the good that cod liver oil is capable of doing. By the way, chewing a bit of orange peel before and after taking the little dose helps to disguise the taste of the oil.

Glycerine and water-rain-water, mind; always use rain-water for face and hands, at least-it is a good application for damping the hands with. And a mixture of pure lime-juice, or, lemon-juice, and lavender water, is another nice preparation for whiting the hands. The hands should never be rubbed with a coarse towel, but a very fine one, and afterwards with a piece of soft fiannel. The soap you use should be very mild and transparent. Carbolic soap is, in cases of chapped hands, useful, and so is tar soap, but neither are very elegantly perfumed.

I hope I am not writing for any girl who bites her nails. It is a SUMMER, 1884 disfiguring habit, and any of my readers guilty of such a thing should be tried by court-martial by her brothers and sisters, and condemned to wear gloves day and night for a month, for beautiful nails are a very reat adornment.

Both feet and hands, if at all tender—or I might almost say whether or not—should be washed every Goods Must Go. night before lying down, and every morning. If this is done, and some times a little alum added to the water, you will have very little trouble with corns or any other the toes seen to. The nails should In the spring the good wife's fancy turns to thoughts of cleaning house.
