[Soe]Manufacturers of Miller's Patent Shifting Rail. These Shifting Tops have no rival, as a glance at the cut will show for itself; it is so simple, it requires only one person to take it off or put it on, and when off no one would think a Top had been on, as no unsightly ends are sticking out. When the Top is on it is as firm as a rock. It can be put on any carriage in use. Persons ordering Buggles or Canopy Top Carriages should see that they have this Rail, as it will be greatly to their interest.
