Mount Allison netminder Harry Stirling is shown handling a hot drive seconds before Dave Beardsley (left), recovered the rebound and scored the series winning goal in the overtime period.

NEW COUNCIL TO TAKE OVER WED.

Newly elected members of the Students' Representative Council are to enjoy little leisure time before taking over from the outgoing Council the duties and responsibilities of student government, it was disclosed at the weekly SRC meeting held Tuesday evening in the Oak Room of the Students Centre.

The new council under the chairmanship of Ron Manzer will be installed in office next Wednesday evening, it was announced.

During the meeting the question of what to do with funds received by the Student Disciplinary Committee, was discussed. It was decided that they should be placed at the disposal of the SRC.

Following the report of Winter Carnival Committee Chairman, Jack Ellison, a motion was passed allowing the committee to keep two thousand dollars of the net profit to work with in planning future carnivals. A vote of thanks was extended to the Committee for the fine job which they did this year.

Consideration was given to the possibility of raising the points for non-athletic awards for chairmen of SRC committees.

A motion by Nick Teller, that any SRC representatives who have missed more than three meetings, be removed from the Council, was passed.

Regarding the supplying of UNB rings, it was decided that tenders from various firms downtown will be received by the SRC, it being stipulated that the lowest tender will not necessarily be accepted.

The question of money to meet the expenses of the UNB entry in the Dominion Drama Festival to be held in Halifax in May was

(Continued on page 4)

QUEBEC STUDENTS THREATEN STRIKE

Montreal, March 1 (CUP)—Twenty-two thousand Quebec university students will stage a one day protest strike on Mar. 6 against the provincial government's educational policies.

Student leaders from Laval, Bishops, Sherbrooke, Sir George Williams, Montreal and McGill universities deliberated all yesterday morning before coming to a decision.

The refusal of Premier Duplessis to see the committee of Presidents prompted the strike decision.

Main topic of dissention is the insufficient support of the universities by the province. Quebec universities do not accept federal grants in accordance with Duplessis' view that education is strictly a provincial domain.

The student presidents felt that the present system of provincial grants could be improved. In a brief submitted to the premier they charged such grants were discretionary in nature and not sufficiently large.

It also charged that access to university education in Quebec remains "the privilege of a class materially more fortunate". The brief suggested statutory grants and a better system of provincial bursaries and scholarships.

In letters dated 8 January and 11 February the presidents attempted to arrange an interview with the premier.

In a two page, single spaced letter, Duplessis replied.

Not specifically mentioning the request for a meeting the premier brushed off the students with the excuse he must attend to administrative work.

The student leaders moved fast. Approval of the six student bodies concerned had given prior assent to the one day boycott. At the press conference yesterday this plan of action was announced in the press communique. Other main points were: a referendum at each university is to be held before March 6, seeking permission to hold a strike of indefinite length. The university of Ottawa, contrary to a statement from their student president, has not been invited to take part in this action.

Stirling Is Outstanding Figure In the Nets For The "Mounties" Here

The UNB Red Devils, in overtime play won the right to represent the NB-PEI intercollegiate hockey league in the Maritime finals, with a playoff total of 8-7 over the Mount Allison Mounties last Wednesday night.

In one of the most thrill packed games ever played in the Lady Beaverbrook Rink, the Mounties came from behind to earn a narrow 5-4 victory over the Devils, Mount Allison, facing a two goal deficit, went one goal up in the series with McIntyre's marker late in the third period. UNB centre Bob Soward evened things up with thirty-five seconds remaining in the game. Spare forward, Dave Beardsley, replacing the injured Tom Jarrett, scored the winning counter at the 8:41 mark of the ten minute overtime period.

With an inspired Harry Stirling in the Mount Allison nets and centre Jim McIntyre leading the offense, the Mounties appeared to be heading for the finals. Stirling blocked 36 out of 40 shots in a dazzling display while McIntyre racked up a hat trick.

John Bassett, between the pipes for the Red and Black squad made 26 saves to back up the UNB defensive corps.

Ed McLellan opened the scoring in the first period. Don Morrow dug the puck out of the corner to McLellan in front of the net with McLellan hoisting the puck over a prostrate Stirling. Mount A's McIntyre got that one back four minutes later with a nice shot that caught the corner from twenty feet out.

At the 15:08 mark of the second period, Neal put the Mounties one up, when he scored on a rebound after Bassett kicked one shot out. A little over a minute later, Currie McCarthy evened the score when he snared Mockler's rebound and sank it.

In the third frame, the Mounties rammed in three goals in five minutes. Van Snick started the proceedings, carrying the puck into the UNB corner of the rink. McIntyre scored on his centered pass. Three minutes later, Maxwell scored with a hard thirty foot shot. Two minutes later McIntyre scored his third of the night and the possible series winner when he whipped a rising shot into the top corner of the net.

A desparate UNB team, one goal down, put on the pressure to provide a real picture finish for the capacity crowd. As Mount A defenseman Mal Joyce stepped on the ice, after serving a two minute minor for elbowing, Bob Soward scored the series tying goal on a power play.

Facing the prospect of sudden death overtime, Dave Beardsley rammed in the winning goal during the ten minute overtime.

NOVEL FLAGS FLOWN

Toronto CUP—The Distinctive Canadian Flag Plan lumbered limply off the ground early Monday morning. Standard flags were raised outside important buildings in Edmonton, Toronto, Kingston and Fredericton.

In Toronto, the flag was raised with a minimum of difficulty and the rope was cut to make lowering difficult. However, it was replaced by mid-afternoon.

The Kingston flags were raised over City Hall and the Post Office. They were down by 10 A.M., but the operation required an eighteen foot extension ladder and a pike pole. University of Alberta students hoisted a flag in front of the Edmonton Northern

(Continued on page 4)

Seven penalties were handed out by referees Wif Miles and Vic Leury in the hard fought but extremely clean game. The Red Devils received four and the Mounties three.

A couple of firsts occurred during this game. The first happened during the opening period when UNB defenseman John Sears received his first penalty of the season, that for highsticking. Another first was the body-check that Hedley Savoy threw. Savoy has generally played the puck rather than the man, but he nailed Mount A's Mercer at the UNB blueline with a bone rattling check in the third period which was one of the hardest seen in this rink.

Dates for the Maritime finals were unknown at press time.

— FEATURES —

MILLICENT and MAGOO

Criticism is an impersonal thing, or so we are led to believe. Mr. Bolster attacked the character of L.L. rather than his criticism. In his opinion the Red 'n' Black was sadly lacking. We agree perhaps not to the extent of Mr. L.L. It was obvious that an M.C. would have lent continuity to the show, that there was an overload of outworn humour and that originality was lacking. However the show did have some good points.

Model Parliament was terrific. The best variety show of the year and an educational one at that. It seemed to us that the C.A.'s should have won a fleur-de-Lis and a Shamrock while the others should have sported Union Jacks. All in all it was a great success — Don't miss it next year . . .

Culture will invade the area in the next few weeks. My Fur Lady, The Canadian Players and the Seven Year Itch all promise escape of quickly approaching exams.

Also do have one last fling at the Con but the S.D.C. watches you so don't fling too high or too handsome. Big brother watches you and we must go and study.

A Smile, or two

1st Co-ed: Did you hear about the two brooms who had a little whisk?

2nd Co-ed: No. Why?

1st Co-ed: Well, it was so funny because they hadn't swept together.

One of the Engineering Students at UNB was extremely worried for fear that he had a dirty mind. So he decided that he would visit Professor Fletcher of the Psychology Department.

When Professor Fletcher had heard the case history he drew a square and asked the student what it reminded him of. The student replied, "Two people in bed." Thereupon the Professor drew a somewhat larger square and again asked the student's opinion. This time the student remarked, "Four people in bed." Again he drew a yet larger square and the young Engineer said "Why, it is eight people in bed."

At this point Professor Fletcher looked at the student and exclaimed, "You do have a dirty mind, don't you?" "Hell, no," said the student, "It's just those dirty pictures you've been drawing."

By the "Jones Boys"

Canada's Oddest Student Publication

Oh! the Jones' boys,
They're here again
Ain't it a shame
They're bad enough just once a
week
But twice in that time sends us
to l-k

Well, no-one put up a flag on our flagpole — it is good to see Sinn Fein Associates respect Residence traditions. Our flagpole is strictly reserved for the flags symbolic of pantie-raids . . .

A woman wrote to the "Gleaner" this week saying she preferred the girls in the Albert Street "Green 'n' Gold" Revue (Ages 6-9 inclusive?) to those in the "Red 'n' Black". We know which we prefer . . .

Certainly if the 'Red 'n' Black' controversy is kept up much

longer it will be in time to be part of next year's publicity for the 1959 show . . .

"My Fur Lady" is here. Which reminds us to ask why "Around the World in 80 Minutes" isn't on the road yet. Is a Broadway offer involved?

As the snow thaws quickly, the spring is sprunging and all that jazz. And with a production of the "Seven Years Itch" just around the corner Love is once again in the air. Remember gang, whiskey gets 'em frisky, but rum gets . . . well, whatever you want out of life . . .

In Residence all is quiet, all are working hard — at least till Friday evening; which reminds us that's THIS evening.

LET'S GO . . .

An Ominous Note

To students who hope to pass their final examinations

Are you still living a life of leisure and liquor? . . . Then BEWARE . . . Exams are creeping up on you. Statistics prove that students taking FIVE (not six or seven) courses are still able to devote one and one-half weeks to each subject.

Of course we must take a bit of time to attend the last hockey games, basketball games, Tri-Service Ball, My Fur Lady, the Con, odd movies and last but not least a good rest over the Easter Holidays.

There are a few students on the campus who did start to at least think about exams shortly after the beginning of the term and even at the beginning of the year! These people will not have the worries that usually accompany writing examinations. At that time they will be able to take in all that goes on and still most likely come out with honours.

Those who are lagging behind in their work should take note of the following quotation: "He who starts studying last graduates last."

LOOKING FOR A FUTURE?

Challenging positions are available if you are ready for responsibility knowing it leads to promotional opportunities.

A CAREER WITH I.A.C. OFFERS YOU

- ★ A practical training programme
- ★ A future depending upon your ability and how you use it
- ★ Rewarding management opportunities with an ever-expanding company
- ★ Security with Canada's largest Sales Finance Company

Applicants should enjoy meeting the public, be alert, aggressive and willing to travel.

Banking, credit, insurance, sales or university backgrounds are assets.

Two Red 'N' Blacks In '58 ? ? ? ?

Although the echoes of this year's Red 'n' Black have barely faded from hearing, already plans are forming for next year's Revue.

The biggest change yet known are the dates for the show. Until now it has been customary to present the Red 'n' Black in February or March, but the tentative dates for next year's Revue have been set for the third week in November.

Reasons for the change include the expanding Winter Carnival which takes so much time and energy of students who had previously used their talents for Red 'n' Black. Also many have started serious exams studying by February or March. On the other hand, the only big events of the Fall Term are the Residence and Fall Formals.

The Red 'n' Black next year will be produced by Bill Byrne, who, we hope, will be assisted by enthusiastic casts and crews. It would be appreciated if all of you would be on the alert for interesting skits or ideas during the coming holidays. Remember the Secret of Red 'n' Black is Hard Work and lots of SUP-PORT.

NEWMAN CLUB HOLD RETREAT

The Annual Newman Club retreat commences this evening at 7:30 in Rosary Hall. Father Duffy formerly of this Parish and presently of Halifax will conduct the retreat. Other times for the meetings will be announced at the first gathering this evening. At last Sunday's meeting Father Carrol enlightened Newman Club members about the Shrine at Lourdes.

Marie Dube reported on the National Federation of Newman Clubs regional conference held in Moncton recently. President John Reinsborough asked for nominations for the '58-'59 executive to be handed in at the next meeting.

The remainder of the evening was taken up with a Social in conjunction with the C.Y.O.

The "Gleaner" Does It Again

A letter in the columns of this newspaper calls attention to very biased reporting on the part of the local newspaper, "The Daily Gleaner". We do not make a rule of commenting on other newspapers — our problems are usually of sufficient magnitude to take up most of our time. In this case, we must take exception.

On behalf of the student body at the University of New Brunswick — on behalf of all three political parties — we do most heartily condemn the editorial board of "The Daily Gleaner" for allowing biased political opinions in its news columns.

The first night of the Model Parliament which saw the Progressive Conservative Party on the government side of the house was fully reported with generous quotations attributed to government speakers.

Saturday, the Progressive Conservative Government was over-thrown. Monday's "Gleaner" reports completely misrepresented the Coalition Government's Bill and contained no remarks by government speakers. It contained voluminous reference to the speeches of the Progressive Conservative Opposition. It mis-represented the make-up of the Liberal-Christian Atheist Cabinet.

It is exactly this kind of thing which has given newspapers the bad name they have in some quarters. There is no excuse for it. It helps nobody. It hurts many.

Letters to the Editor

Editor's Note:

The following letter was sent to the publisher of the "Daily Gleaner" on March 3.

Mr. Michael Wardell,
Publisher, The Daily Gleaner
Fredericton, N.B.

Sir:

I should have known that it was too close to March 31 for The Daily Gleaner to present fair coverage of the proceedings of the Model Parliament of the University of New Brunswick. Nevertheless I was thoroughly shocked by the completely biased reports your paper carried on Monday, March 3.

You omitted all the facts which did not favour the Progressive Conservative Party. You printed lengthy attacks on the Liberal-Christian Atheist Government's plan for the disposal of surplus foods. But you did not even print one of the provisions of the bill, making it impossible for your readers to give it a fair appraisal.

The act did not provide for "give-aways". The provisions were:

1. Canada's surplus foods should be made available to the under developed and under privileged countries of the world.
2. Parliament shall extend loans to those countries needing and desiring Canada's surplus food, said loans being made on the condition that the funds be used solely to purchase Canadian food.
3. Proceeds from sales financed by such loans shall go to the private Canadian sellers of food.
4. Parliament shall eliminate all existing price support programs for food products.

This is the program of credit extension, and not a "give-away".

In addition your report erred in stating that the cabinet of the coalition government consisted of seven Liberals and four Christian Atheists. The actual line-up was six Liberals, including Prime Minister Proudfoot and five Christian Atheists.

I hope you will bring these facts to the attention of your readers.

Christian Atheist Party
Sincerely,
Terence McCluskey
Leader,

Less Talk — And More Action

Canadian Conference on Education

The much publicized conference on Education held recently in Ottawa accomplished very little. Like all education conferences it followed the pattern of a great deal of talking which probably will result in no future action. Costing \$56,000., the conference examined all phases of Canadian Education. In the eight workshop discussions the 850 delegates resolved among other things, that more money should be spent on education. Surely this is apparent to everyone when they observe inadequate school facilities and poorly qualified teachers in N.B. Yet latest statistics for New Brunswick show on the average people spend more of their income on alcoholic beverages than they did on education.

CO-EDS LOSE; FORCE PLAYOFF

Pat Barbour and Judy Cooney led the Mount Allison co-ed basketball team to a 46 to 43 defeat of the University of New Brunswick basketball team on Tuesday when the two teams tangled at the Sackville gymnasium. The win was a "must" for the Mt. A girls if they were to figure in the tie for first place. Dalhousie University defeated Acadia on the same night and the resulting three-way tie will be broken this Saturday. A round robin tournament will be played at the Beausejour gymnasium in Moncton to decide the championship for 1957-1958.

The "Bloomers" took an impressive lead in the first quarter of play as they outscored their opponents 16-8. Exhibiting fine team play and mastery of both ends of the court the UNB squad gave the Mt A team and fans some very anxious moments. Sheila Caughey, Biddy Wilson and 'Pune' McElman were outstanding on the defensive line

while Jo-Anne Carr was the centre of attention on the forward line with her grabbing of rebounds. The second quarter was UNB's downfall as the Mt A girls came to life to end the half 26-20. In this eight minutes of play the Mt. A team seemingly could do nothing wrong while UNB did nothing right. The last half of the game was a seesaw battle and although UNB led the scoring they never regained the control of the game which they had so ably built up for themselves in the opening minutes.

The "Bloomers" forward line of Smith, Colpitts and Carr accounted for all but four of their team's points as they netted 16, 12 and 11 points respectively.

UNB committed 23 fouls during the game and Mt A picked up 10 points as a result. UNB collected only three points on Mt. A's penalties. Dorothy May of Sussex and Roberta Johnson from Moncton were the officials.

Defend Titles at Acadia Meet

The University of New Brunswick men's and women's varsity swim teams left early Wednesday morning for Wolfville, Nova Scotia, to compete in the annual Intercollegiate Swim Championships. Although the results of the meet were not available at press time, it was expected that the teams would retain both titles, which the Red and Black also held last year.

Making the trip to Acadia for the boys were Barry Yoell, Wayne Barry, Albert Benet, Mike Kingsmill, Barry Miller, Harold MacKenzie, Ron Day, Rick Thompson, Doug Paton, Tom Stevenson, Brian Arthur, Dave Graham, Dave Sanger, the captain, Ron Pearsall, the manager, and Coach "Amby" Legere.

The co-eds went along with Joan Kitchen, Dodie Armstrong, Ann McCready, Sandra Kilburn, Janet McNair, Eleanor Hoyt, Barb Pepperdene, Ann Vickory, the manager, and Mrs. Christenson as chaperon.

Competition for the meet came from Acadia and Dalhousie. Yesterday heats were run off in the afternoon and the finals were held in the evening. The teams will return to Fredericton today.

OPEN MARITIME FINALS

The University of New Brunswick Red Raiders take to the hardwood courts of the spacious Lady Beaverbrook Gymnasium tomorrow night in the opening game of the Maritime Intercollegiate Basketball finals. In a preliminary contest the Junior Varsity will meet the Moncton CYO in a tilt which is set to get underway at 7:30 P.M. The second game is scheduled to start at 8:30 P.M.

At press time the opponent for the Raiders, winners of the NB-PEI Intercollegiate crown, had not been declared. Both Dalhousie and Saint Francis Xavier were in the running with the Antigonish squad heavily favoured to win the title. Earlier in the week they downed the Dal five by some twenty points, 71-52. The Saint FX team have won the Maritime crown for the past eleven seasons, defeating UNB in the last two years by

only two points over the two-game series.

The final this year will also be decided by a two-game, total-point series. The second tilt will be played in Antigonish next weekend. Referees for the game tomorrow night will be Bill Reid, a local whistle-tooter, and Tony Tamarro, an official who hails from the State of Maine.

VOLLEYBALL

Volleyball competition will commence Monday, March 17, from 4:30 pm to 6:30 pm, and will continue daily. Anyone interested in entering a team, or individually, contact the Athletic Office immediately.

NEW COUNCIL TO

(Continued from page 1) discussed, and the society was advised to conduct a closer examination of its resources.

CAGE TOURNEY HERE

University of New Brunswick students are reminded that they can watch the top high school basketball teams in the province in action on the hardwood of the Lady Beaverbrook Gym this weekend.

The annual Interscholastic Class "L" cage tournament got underway last night with a pair of games. Schools with representatives at the three-day affair are Saint John High School, Moncton High School, Cormier High School of Edmundston, Sussex Composite High School, Saint Stephen High School, Simonds Regional High School of Saint John, Sacred Heart High School of Bathurst, and the host club, Fredericton High School. The local squad have held the tourney championship for the past four years out of five and are heavy favourites to retain the trophy.

The tournament this year is under the direction of Richard McCormack, the principal of Smythe Street Elementary School.

Semi-finals will be played this afternoon and evening with finals for both the Consolation and the Championship to be run off on Saturday afternoon.

ENG. vs ARTS IN HOOP FINAL

Last Wednesday night in the Intramural Basketball semi-finals Arts defeated the Geologists 52 to 39, and the Junior Engineers trounced Business Administration by a decisive 71 to 38. Now the Junior Engineers will go on to meet Arts in the finals to be played next Wednesday, March 12, at 7 pm.

In the tilt between the Geologists and Arts, the scoring up to half time was fairly even for both squads. The Artsmen pulled ahead in the second half, which was very closely checked. Webster, Van Wort, and Tompkins were tops for the Artsmen, while McNutt, Burns and Morrell were strong for the Geologists.

The semi-final between the Junior Engineers and the Bus. Ad. boys was hard fought all the way, but the Engineers proved to be more accurate in their shooting. Mills, Mattatal and Garcelon topped the Bus. Adders' scorers, while Campbell led the Engineers to victory, along with Goss and Staples.

INTRAMURAL HOCKEY

The following is the schedule for Intramural Hockey to be played this Sunday, March 9. At 1:30 Bus. Ad. meet Soph For & Engr's C; at 2:30 it's Int Engineers versus Jr. Engineers; and Geology play Sr Engineers at 3:30. These games will complete the present schedule.

NOVEL FLAGS

(Continued from page 1) Alberta Jubilee Auditorium, and during the last minute of the operation, they had to deal with two nightwatchmen. Foremen scaled the willow pole shortly after noon Monday and removed the banner.
