## FORMERLY TORONTO JUNCTION

(Now Annexed to Toronto).

West Toronto is Toronto's largest suburb, having a population of 10,000. It enjoys all the conveniences of the city, such as electric lights, water supply, fire protection, police, parks, public library, etc., and has a street car service to the city every seven minutes via Queen and Dundas streets. It has beautiful residences, and ample hotel accommodation. Space does not permit of a more lengthy description.

### Explanation.

Owing to being unable to get the numbers of intersection, we use the streets for location. Example--**Albany Rd.** n. fr. W. Toronto, 3 w. of Keele. Albany Rd. runs north from West Toronto Junction, parallel and 3 streets west of Keele.

#### CITY HALL.

The City Hall is the finest building in  
the city and one of the best in America.  
It cost upwards of \$3,000,000. It is in the  
Romanesque style of architecture, 290  
feet in length, 275 feet in depth, and 87  
feet high, and has a tower 300 feet high,  
from which a magnificent bird's-eye view  
of the city is obtained. The trimming of  
the exterior is richly carved; the interior  
is finished in marble. A stained glass

window is erected opposite the Queen street entrance, which is 330 feet in area, and illustrates commerce and industry.

E. J. Lennox is the architect who made the plans and had charge of the building.
