PREFACE.

IN presenting to the public our first edition of the County of Halton Gazetteer and Directory, we desire to state that the object, which we trust has been attained, is to provide a work which will prove not only useful but interesting, and that every exertion in our power has been made to render it complete and reliable. The postal addresses of farmers and other residents of the Townships—now for the first time published in this form—will, we are certain, prove of particular value.

We beg to return our sincere thanks to the Clerks of the several Municipalities, Postmasters, and Editors of the local papers for their kindness in providing us with valuable information.

—:THE:—

GREAT CLOTHING HOUSE OF HAMILTON,

44 James Street North, Opp Academy of Music.

Beq to call special attention to the large and well assorted stock of READY MADE CLOTHING they have now on hand.

Ever since the first of January last we have been extremely busy cutting up thousands of yards of English, Scotch and Canadian Tweeds, Worsted Coatings and Broadcloths into suits of all sizes and styles for MEN and BOYS, and we have given employment to upwards of 200 hands.

The consequence is, we are now well equipped with a magnificent stock of

Ready Made Clothing

Far Superior, both in Extent, Variety and Workmanship, to anything we ever before attempted.

We call most particular attention to the superior manner in which our goods are made.

Most Clothing Stores buy their goods from some Wholesale Clothing House, who chop out suits in any kind of a shape, and have them botched together in the cheapest possible manner. Their only object being to sell the stuff; the consequence is the goods do not wear to give any satisfaction.

OUR CLOTHING is all cut by our experienced cutter MR. HAPLE HUTCHINSON; and we are most particular in designing the various styles of suits best adapted to the wants of the public.

Every garment is made in the best possible manner by journeymen tailors who in the busy season are employed only on custom work, we therefore claim that our CUSTOM-MADE READY MADE CLOTHING is fully equal to any ordered suit.

We are Determined to do the Clothing Trade of Hamilton.

Our stock this season must convince any one who sees it and tests that if they want to get a first class ready-made suit, made equal to an ordered suit, they must get to

BRETHOUR & HOWDEN'S

Our aim is to sell a good first-class article at the lowest price at which it can be produced. All we ask is that every FARMER, mechanic, tradesman and business man before buying or ordering a suit this season should

CALL AND INSPECT OUR STOCK

which is second to none in the Province in point of workmanship, and equal to any ordered suit at 50 per cent. more money. WE ARE PERSUADED that anyone buying from us once will continue to patronize us in the future as the large amount of money they will save will tell the tale.

It consists of the Townships of Esquesing, Nassagaweya, Nelson and Trafalgar, the towns of Milton and Oakville and the incorporated villages of Georgetown, Burlington and Acton. The County is traversed by the Grand Trunk, Great Western, Northern & North Western, and Credit Valley R'ys. The soil is of excellent quality, and County is watered by the Credit River, the Sixteen Mile creek and the Twelve Mile creek and smaller streams. A continuation of the Burlington Heights runs through the Western portion of the County. AREA, Rural acreage, 227,575; Urban, 3956; total, 231,531 acres. The population (June, 1881) is estimated at 23,000. The County of Halton formed part of the Home District and subsequently of the Gore District, which also included the County of Wentworth. In 1853 Halton assumed its present boundaries, and the first Council was held in Thompson Inn, in the Village of Milton, July 12th, 1853, the members present were Messrs. Brown, Crawford, John McNaughton, Robt. Miller, W. F. Romain, Geó. Ghent and James Young. The last named gentleman was elected Warden, Francis Hamburgh was appointed Clerk, and Henry Harrison, Treasurer. Milton and Oakville were incorporated in 1857, Georgetown in 1865, and Burlington and Acton in 1874. This section of Canada was first settled about the year 1783 by the U. E. Loyalists. TOWNSHIP OF ESQUESING.

This Township derives its name from the Indian word signifying "The land of the tall pines." The first permanent settlements were made about the year 1819 by emigrants, the greater part of whom were from the British Islands. In 1841 the population was 424, and at present (June, 1881) is estimated at about 6,000, exclusive of the villages of Georgetown and Acton. In 1832 the main road from little York (Toronto) to Guelph, passing diagonally through the Township, was known as the York road. In 1849 the first municipal institutions were established, and the first Council of this Township consisted of Messrs. John McNaughton, Reeve; N. Lindsay, Deputy-Reeve; Jas. Young, R. S. Hall, and Wm. Thompson, Councillors; Richard Tracy was appointed Clerk. The first Post Office in the Township was named Esquesing and situated on Con. 7, Lot 9, it was removed to Stewarttown but still retains its former name. Norval Post Office was established in 1840. This is one of the finest Townships in the Province, and is noted for the thrift, industry and liberality of its inhabitants. Among the early settlers of Esquesing we find the following names: James Hume, Ronald McDonald, John McPherson, John McColl, Joseph Standish, J. Reed, Sam. Watkins, Wm. Nickell, Jas. Frazer, Jno. Stewart, D. Stewart (from whom Stewarttown derives its name) Jno. Stewart, (Scotch Block,) Jas. Laidlaw, James Dobbie, Abraham Neilson, James Campbell, Thomas Barbour, Geo. and Morris Kennedy, Alex. Robertson, Jacob and Wm. Swackhammer.

TOWNSHIP OF NASSAGAWEYA.

This Township is the most recently settled in the County. A large portion of it is mountainous, though some of the best farming land in the County is to be found here. The recent completion of the Credit Valley Railway, which passes through the Township, will, it is believed, materially assist in developing its great natural resources.

TOWNSHIP OF TRAFALGAR.

This Township is situated South of Esquesing and east of Nelson. The first settlers arrived in 1807; bush land was valued at that time at seven shillings and sixpence an acre. In 1817 it contained a population of 548; and there were one grist and four saw-mills; in 1850 the population had increased to 4,513, and in 1871 the Census return gave its population at 5,027, exclusive of Milton and Oakville. The first Post Office, Trafalgar, was established in 1820, and situated at Post's Corner's. This was for many years the only Post Office between Toronto and Dundas. There were three schools in the Township before the war of 1812, and several places of worship were built at a very early date. Among the early settlers we find the following names: Chisholm, Sovereign, Proudfoot, Keating, Freeman, Post, Biggar, Mulholland, Kenny, Chalmers, Albertson, Sproatt, Brown and Hagar.

POST OFFICES:—Trafalgar, Drumquin, Hornby, Milton, Boyne, Omagh, Palermo, Oakville, Sheridan, Streetsville.

BURLINGTON.

WELLINGTON SQUARE.

An incorporated Village, and station of the Great Western and Northern North Western Railways, in the Township of Nelson, seven miles from Hamilton and fifteen from Milton, beautifully situated on the shore of Lake Ontario. In the year 1778 the celebrated Joseph Brant, a Chief of the Six Nation Indians, received from the crown for military services a tract of land known as Brant's military tract, and in the year 1810 James Gage purchased a part of it consisting of 338 acres from Brant's heirs. A part of this plot forms the site of the village. Shortly after this purchase a flour mill and grain warehouse were erected, a commodious wharf was built and an immense business in grain and flour was done, but the introduction of railways, affording greater facilities at cheaper rates for the transportation of produce, gradually decreased this industry. For a short time a prosperous lumber trade sustained the business reputation of the village, but this industry also declining, its importance as a business centre is now greatly lessened. The Village was incorporated in 1874. The following Council was elected: John Waldie, Reeve; Messrs B Eager, J Allen, George Murison, Charles Hales, Councillors. The population of the Village is about 1,000.

BOOTH'S BLOCK,

MILTON, ONT.

MILTON.

The County Town of the County of Halton, was incorporated by Special Act of Parliament July 4th, 1857. It is admirably adapted for the County seat, as the centre of the Town has been demonstrated by surveyors to be the exact central point of the County, and the corners of the four Townships, Trafalgar, Nelson, Nassagaweya and Esquesing, which compose the County, are within a trifling distance of Milton, which is situated in the north-west corner of Trafalgar. The Town is regularly laid out, and contains a number of fine public buildings and private residences, the material being a beautiful freestone, extensive deposits of which are found in the highlands which traverse the County. The County buildings were erected at a cost of \$23,000, and the Town Hall, a more recent structure, cost \$5,000. The Town is a station of the Northern & North Western and Credit Valley Railways, and is distant from Toronto about 34 miles, Hamilton 25, Georgetown 11, Bronte, a station on the Great Western Railway, 11 miles. Population 1,300. In 1822 the [late] Jasper Martin obtained from the crown a grant of 100 acres and purchased another 100 acres from Joseph Whitefield, and in the fall of the same year settled with his family on Lot 14, Con. 2, Trafalgar. Within the limits of what is now the County Town, he built a grist mill and pot ashery, which were known as Martin's Mills. Soon after a tavern was built; and George Brown opened the first store. Other settlers, including tradesmen, arrived, and the little village was known as Milltown. In 1838 the population had increased to 100, and its present name was adopted. The first school was taught by James Black, who was succeeded by Mr. Findlay McCallum, the present County Treasurer.

OAKVILLE.

The Town of Oakville is the most populous in the County, and a station of the Great Western Railway, is beautifully situated on Lake Ontario about 20 miles from Toronto and about the same distance from Hamilton. The site of Oakville originally belonged to the Mississauga Indians, of whom the celebrated John Brant was chief. This plot consisting of 960 acres was ceded to the Crown and sold by public auction at Crook's Mills, (now St. Anne's) Aug. 16th, 1827, and was purchased by Col. Wm Chisholm, who, under charter from the Government, commenced the construction of the harbor, which was completed in 1830. In the year 1824 one Hingson built a log cabin here. Col. Chisholm laid out the town, which received its name from the immense quantities of white oak staves which were exported from this point to Quebec; this gentleman represented the County of Halton in Parliament for sixteen years. The Town was Incorporated in 1857, and Col. Geo. King Chisholm was first elected Mayor. Oakville is a favorite watering place; the country around affords many beautiful drives; the hotel accommodation is excellent and very reasonable. Fruit culture is carried on extensively—the cultivation of strawberries has of late years attained such proportions as to make this section noted as the chief source of supply for Ontario. Population about 1,700.

MUNICIPALITY 1881.—P. A. McDougald, Mayor; Wm. B. Chisholm, Reeve; Chas. Armstrong, M. Felan, Geo. Andrews, Jno. Barclay, Jas. Kelley, Thos. Patterson, Ed. Hilmer, C. E. Wood, and J. A. Williams, Councillors. R. Balmer, Clerk; Henry Wilson, Treasurer; George J. Summer, Constable.

CHURCHES.—Church of England, Rev. J. B. Worrell, M. A.; Canada Methodist, Rev. Jas. McAllister; Methodist Episcopal, Rev's Dean and Argue; Presbyterian, Rev. W. Meikle; Roman Catholic, Rev. T. O'Reilly; British Episcopal Methodist, Rev. Johnson.

We recommend the "ROYAL." Because it has the LARGEST  
SURPLUS of accumulated invested Assets of any Fire Insu-  
rance Company in the WORLD; it has THE LARGEST  
BUSINESS of any Company in Canada. Government Sta-  
tistics shew that twice as much money has of late years been  
paid to Mutual Companies by the Farmers of Canada as the  
Royal would have charged for the same amount of Insurance.
