1892-93

PREFACE.

In presenting to our patrons our Fifth Directory of the City of St Thomas, we hope it will meet with their approval. A thorough canvass of the city has been made, and every effort used to obtain the name of every person who should be represented in a City Directory.

Mistakes will occur, but we are confident that no more thorough canvass of the city has ever been made.

We have aimed to make our work a fit representative of the public spirit and importance of the City of St Thomas, and an accurate and complete guide to all public places, business locations and private residences of the inhabitants of the city.

The CLASSIFIED BUSINESS DIRECTORY is a complete mirror of the business interests of the city, and represents it to the outside world only as a business Directory can.

The MISCELLANEOUS DIRECTORY furnishes a large amount of information useful to strangers.

Thanking our patrons for the liberal patronage bestowed on our work, we remain.

Yours respectfully,

THE PUBLISHERS.

During the past year lectures have been delivered to the students by Rev T M Campbell, Rev Dr Dawe, Detroit ; Rev Dr Annie Shay, and by Francis E Willard, President World's W C T U

The New Teachers.—Students, ex-students and the numerous host of Alma's friends throughout the continent, will be anxious to know something of the new teachers who are to join us in September, '92, and whose work is to be woven into the future of Alma's life. We begin with the first appointment made—that of

MRS. LUCIA JULIA MARTIN,

who has been elected to the Professorship of Elocution. Mrs. Martin was for six years Principal of the Training School of Expression of Indianapolis, Indiana. She is a pupil of Walter C Lyman, late Founder and Principal of the School of Oratory, Chicago, also of Moses True Brown, of the Boston School of Oratory, and a graduate of the Edna-Chaffee-Noble School of Elocution. In addition to her Principalship in Indianapolis she has taught successfully in Hillsdale and Kalamazoo Colleges, Michigan, and has been very successful in training teachers' classes and graduating classes in various colleges throughout the west. By much study under the best masters, and by years of experience as a teacher and public reader, Mrs. Martin has made for herself a name and place among the foremost of her profession. The fact of having given about two hundred evenings of readings in Indiana is sufficient proof of her popularity and success.

Out of a long list of testimonials recently received we select a few :—

From the Hon I J Chase Governor the State of Indiana :

"I have for some years known of the work of Mrs. Lucia Julian Martin, both in Indianapolis and throughout the State of Indiana, and recommend her as a thorough, capable and earnest teacher, in her specialty, and a lady in every way worthy of trust and confidence."

Before her appointment the Principal had the privilege of interviewing a number of teachers and prominent citizens of Detroit who had known Mrs. Martin and her work for a term of years, and he reports that the unanimous testimony was of the very highest character, both as to her work as a teacher and her qualities as a person. Those who heard her recital at the College on the 24th May will rejoice that Alma has secured not only an accomplished and experienced teacher, but also a reader of such versatile talent and dramatic power.

MISS MARGARETTA SAYWELL,

graduate of Alma, and more recently a graduate of the Boston School of Oratory, has been appointed Assistant Teacher in Elocution. Miss Saywell is well known to the pupils and teachers of Alma, and comes

ALMA COLLEGE.—Continued.

to us with the highest recommendations from her Boston teachers. She took a deep interest while at the School of Oratory in the Swedish System of Gymnastics. Doubtless her proficiency in this respect will be utilized during the year in the classes for Physical Drill.

MISS MABEL SKYES,

who has been elected to a Chair of Mathematics and Natural Sciences, is a graduate of Wellesley College (B. Sc.), and has had a limited experience as a teacher in the Home School, Natick, Mass., where she has successfully prepared students for Wellesley. She has taken the full four years' course in Mathematics and Natural Sciences, and is at home in Calculus and Qualitative, and Quantative Analysis. Miss Skyes, representing as she does the best College for women in America is looked upon as a decided acquisition, and her appointment testifies to the public the broad and liberal spirit of the Board of Management.

MISS S. EMMA SISK.

No appointment made since the opening of the school will give more give more general satisfaction than that of Miss Sisk as Governess. In addition to her experience as Preceptress in Alexandra College, where her work was highly appreciated. Her popularity with her classes and her well-known devotion to Alma's interests furnish a guarantee of her success in the responsible position to which she has been elected.

MISS JETRET AMY.

The appointment of Miss Amy on the regular staff of the Music Department will also be a popular one both with residents of the College and citizens of St Thomas. Miss Amy brings to the work six years experience as student and two years as a teacher, and those who know her ability as a musician and her genial character will have no doubt of her success.

ASSISTANT TEACHERS.

Misses Flora Macdonald, Viola Robinson and Maud Windsor have received in their appointment as Assistant teachers a well-merited reward for long and faithful labor. They are well qualified for their work and their many friends will wish them a most successful career as teachers.

ST THOMAS BUSINESS COLLEGE :
