The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaît sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. PASTORAL

TO THE CLERGY AND LAITY OF THE DIOCESE OF HURON.

MY DEAR BRETHREN,—

At the request of the Church Society of the Diocese, I address you upon the claims which that Society has upon all the members of the Church for increased exertions in its behalf, and for liberal support, to enable it efficiently to discharge the duty for which it was at first organized.

Circumstanced as the Church now is, almost entirely dependent upon the voluntary contributions of its members for the extension of its ministrations in many remote and heretofore neglected townships, it becomes the imperative duty of its members to do what in them lies to provide means whereby the Society may be enabled to support the Ministers of Christ while they labour to propagate the Gospel in every part of the country with which we are more immediately connected.

The duty of man to devote a portion of that substance which God has so liberally bestowed upon him to be used immediately in His service, has been recognised in all nations, even in countries where men have not enjoyed the blessings of revelation; but in God's holy word this duty is pointedly presented to us, and strongly enforced by the highest motives. Under the law the Israelites were commanded to devote at least one-fifth of all that the Lord had given them to religious and charitable uses; and the frequent reference which we find in the New Testament to this provision of the law, proves most conclusively that the duty remains the same, although it is not now enforced in the same way in which it was under the law.

At the present time, when by the good hand of our God upon us, our fields teem with plenty, and those fears which so recently cast a gloom over all ranks in the community, have been dissipated by the promise of a most abundant harvest, it surely becomes us to mark our gratitude and thankfulness to Him, who has not punished us as we have deserved, but has in answer to our prayers "given and preserved to our use the kindly fruits of the earth, so that in due time we may enjoy them." We hope and

trust that the Missionary Fund of the Church Society will prove, this year, that the members of our communion recognise the gracious hand of our God in this merciful interposition in their behalf, and that they will evince their gratitude and thankfulness by liberal gifts of the first fruits of all which the Lord their God has bestowed upon them.

I will sum up in a few words the spiritual wants of the Diocese: this will furnish the most cogent argument in behalf of the Church Society.

There are in the Diocese 137 townships, all more or less settled. In each of these there should be, at least, one Clergyman; but at present there are but fifty-nine Clergymen to perform all the duties of the Diocese. Several of these are exclusively engaged in towns, and cannot extend their labours beyond them. There are five missions to the Indians, three of which will be entirely dependent upon us, as the government has withdrawn all assistance from them; and, unless the Church Society is enabled to support the Missionaries which labour amongst this people, these missions must be entirely given up.

The Missionary object is that which our Church Society from the beginning has always kept in view; but there are other objects which call loudly for our attention, and which we are most desirous to take in hand, so soon as the funds of the Church Society enable us to do so. Amongst these is the establishment of a Depository for the sale of Bibles, Prayer-books, and religious publications. The want of this has been greatly felt in the Diocese, and we hope ere long to be able to provide such a Depository in the city of London.

The Church Society appeals to you, my brethren of the clergy and laity, to aid it in the performance of these works, which have for their object the propagation of that blessed Gospel whereby alone God can be glorified in the salvation of immortal souls. I would, with all earnestness, press this appeal upon you; and may He who has the hearts of all men in His hand, incline you to do that which may redound to His glory and to the good of His Church, through Jesus Christ our Lord.

Believe me,

My dear Brethren,

Your faithful servant

for Christ's sake,

BENJAMIN HURON.

CONSTITUTION

OF THE

Church Society of the Diocese of Huron.

ADOPTED BY THE SOCIETY AND CONFIRMED BY THE BISHOP, SEPTEMBER
22ND, 1858.

INCORPORATED FOR PROMOTING THE FOLLOWING OBJECTS :

FIRST—For the encouragement and support of Missionaries and Clergymen of the United Church of England and Ireland within the Diocese of Huron, and for creating a fund towards the augmentation of the stipends of poor Clergymen, and towards making provision for those who may be incapacitated by age or infirmity, and for the Widows and Orphans of the Clergy of the said Church in the said Diocese.

SECONDLY—For the encouragement of Education, and for the support of Day Schools and Sunday Schools in the said Diocese, in conformity with the principles of the said Church.

THIRDLY—For granting assistance, where it may be necessary, to those who may be preparing for the Ministry of the Gospel in the said Church, within the said Diocese.

FOURTHLY—For circulating in the said Diocese the Holy Scriptures, the Book of Common Prayer of the said Church, and such other Books and Tracts as shall be approved by the Central Board or Managing Committee of the said Association.

FIFTHLY—For obtaining and granting aid towards the erection, endowment, and maintenance of Churches, according to the establishment of the said Church, in the said Diocese; the erection and maintenance of Parsonage-houses; the setting apart of Burial-grounds, and Church-yards; the endowment and support of Parsonages and Rectories, according to the same establishment, and the management of all matters relating to such endowment.

I.

That before the Society shall enter upon any business at any of its meetings, the following Prayers shall be said:—

Prevent us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy Holy Name, and finally by Thy mercy obtain everlasting life, through Jesus Christ our Lord. *Amen.*

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign Queen VICTORIA, and so rule her heart, that she may in all things seek Thy honour and glory. Prosper with thy blessing the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the Clergy; the endeavours of all who are engaged in spreading the knowledge of true religion in this Province, and the labours of those Missionaries who are promoting the same in foreign parts. And may Thy Holy Spirit direct all our consultations to the advancement of Thy glory, and the good of Thy Church, through Jesus Christ our Lord. *Amen.*

"O MERCIFUL GOD, who hast made all men, and hatest nothing that Thou hast made, nor wouldest the death of a sinner, but rather that he should be converted and live: have mercy upon all Jews, Turks, Infidels and Heretics, and also upon all those heathen nations upon which the light of Thy glorious Gospel hath not yet shone; especially the Indians of this continent. Bless the means used for their civilization and conversion, and take from them all ignorance, hardness of heart, and contempt of Thy Word: and so fetch them home, blessed Lord, to thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. *Amen.*

"OUR FATHER, which art in heaven, hallowed be Thy Name. Thy kingdom come. Thy will be done in earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation; but deliver us from evil; for Thine is the kingdom, the power and the glory, for ever and ever. *Amen.*"

AND WHEN BUSINESS IS ENDED.

"ALMIGHTY GOD, Father of all mercies, we Thine unworthy servants do give Thee most humble and hearty thanks for all Thy goodness and loving-kindness, to us and to all men: more particularly for the providential support by which this Society hath been enabled to spread abroad the knowledge of Thy sacred truth. But above all, for thy inestimable love in the redemption of the world by Thy blessed Son; for the means of grace and for the hope of glory, which Thou hast given us, in the same our Lord and Saviour Jesus Christ: to whom with Thee and the Holy Ghost be all honour and glory, world without end. *Amen.*

"The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all evermore. *Amen.*"

I.

V.

VI.

That there shall be a Standing Committee (three of whom shall be a quorum) to prepare the business for the meetings of the Society.

That the President, Vice-Presidents, and Secretary be *ex-officio* members of the Standing Committee.

part of them consenting thereto. And, further, that no constitution, by-law, rule, or regulation of the Society; nor any abrogation, repeal, change, or alteration of the same, shall be of any force or effect until it shall have been confirmed by the Bishop in writing, under his hand.

XIII.

That minutes of all the proceedings of the Society be taken, and that at each meeting of the Society the minutes of the preceding meeting be read by the Secretary, and signed by the Chairman.

XIV.

That the accounts of the Society be closed on the 31st day of May, in each year, and that the same be audited within one month from that date.

They shall collect subscriptions and donations from the members of the Church, in such manner as they shall deem most effective, and endeavour, by every means in their power, to augment the resources of the Society. All moneys raised to be transmitted to the Secretary of the Parent Society.

XVII.

That four collections be made annually, the proceeds of one of which shall be devoted to the Widow and Orphans' Fund, and that of the other three to Missionary purposes; and at such other times and for such purposes as the Bishop may direct. The collections to be forwarded to the Secretary of the Society. It shall be the duty of every clergyman to give notice of these collections, and to call the attention of their congregations to the importance of the objects, and their claims for liberal support.

RESOLUTIONS

PASSED AT THE FIRST GENERAL MEETING, HELD ON THE
22ND JUNE, 1859.

The Annual Meeting of the Church Society was held in the City Hall, London, on Wednesday evening, June 22nd, 1859. The chair was taken by the President, the Right Rev. the Lord Bishop of the Diocese, at 7 o'clock, p.m. The Bishop read the appointed prayers. The Secretary read the report.

It was moved by the Hon. G. J. GOODHUE, seconded by the Rev. E. L. ELWOOD, A.M.,—

1. That the Report now read be adopted, and that it be placed in the hands of a Committee, to be appointed by the Bishop, for the purpose of having it printed.—*Carried unanimously.*

Moved by L. LAWRASON, Esq., seconded by the Rev. F. W. SANDYS,—

2. That this Meeting, while acknowledging the expediency and necessity for the establishment of a Church Society for the Diocese of Huron, rejoices in the continued prosperity of the Church Society of Toronto, and desires, at this the first annual meeting of the Huron Society, to record its heartfelt prayer that the blessing of God may be vouchsafed to both Societies in the furtherance of those holy objects for which both were established.—*Carried unanimously.*

Moved by Rev. ST. GEORGE CAULFIELD, A.B., seconded by Rev. J. McLEAN, M.A., and supported by Rev. Dr. HELMUTH,—

3. That this Meeting rejoices in the continued prosperity of the great Church Societies of the United Church of England and Ireland, through whose means the Church is enabled to send out Bishops and Missionaries to preach "the glad tidings of salvation" to the utmost bounds of the known world.—*Carried unanimously.*

Moved by the Rev. J. SMYTH, seconded by the Rev. Dr. SHORTT, supported by the Rev. C. C. BROUGH, A.M.,—

4. That this Meeting, deeply impressed with the spiritual destitution prevailing throughout many parts of this Diocese, which in great measure depends for supply upon the voluntary contributions of Churchmen within the same, acknowledges the duty of all to contribute according to their means, to enable the Bishop and Society to fill up the vacant parishes, and to extend the ministrations of the Church in the destitute parts of this new Diocese.—*Carried unanimously.*

FIRST ANNUAL REPORT
OF
The Incorporated Church Society
OF THE
DIOCESE OF HURON,

PRESENTED AT THE ANNUAL MEETING AT LONDON, HELD ON
WEDNESDAY, JUNE 22ND, 1859.

In presenting their First Annual Report the Standing Committee would commence by taking a brief retrospective view of the circumstances which led to the formation of this Society.

It is well known that the subject of the division of the late Diocese of Toronto had been long anticipated; and to bring about this object steps were taken from time to time at the suggestion and with the approval of the Bishop of the Diocese. Many difficulties were encountered, but by the zeal and energy of the persons actively engaged in the work, and by the liberality of Churchmen generally throughout the Western Division of the Diocese, these difficulties were surmounted, and the endowment for the new See so far completed during the spring of 1857 as to meet with the Governor-General's approval and permission to proceed to the election of a Bishop for the Western part of the Diocese of Toronto, now the Diocese of Huron.

This Diocese, then, having been fully organized, by the election of its Bishop in July, and his consecration by the Archbishop of Canterbury on the 28th day of October, 1857, it was felt by Churchmen within the Diocese that a separate diocesan organization was both expedient and necessary for the efficient working of the Church, and for interesting the people generally to contribute more liberally to the support and extension of the ministrations of religion in their particular Diocese.

Soon after his return to his Diocese the Lord Bishop summoned a meeting of the Clergy and Laity to meet in London, to form a Church Society.

In obedience to the summons a meeting was held in St. Paul's School House, on the 27th day of January, 1858, and the Church Society of the Diocese of Huron was then formed, and the Bishop was empowered to apply to the Provincial Parliament for an Act of Incorporation. The Hon. M. Foley, M.P., was entrusted by the Bishop to introduce "the bill" into the House of Assembly, and the Hon. G. J. Goodhue took charge of it in the Legislative Council; and to the exertions of these gentlemen the Church Society is in great measure indebted for the "Act Incorporating" this Society, which received Her Majesty's assent on the 24th day of July, 1858. The Society met again in September, the 21st and 22nd, and after careful deliberation adopted the Constitution, which was sanctioned and confirmed by the Bishop on the 22nd of September, 1858. Thus, then, the Society has been in operation only eight months when your Committee is called upon to make their first Annual Report, and though they cannot yet look back upon much work as done by this Society, they can confidently look forward, in dependence on God's blessing, to the great results which they firmly believe will follow when Churchmen generally are fully awakened to the spiritual destitution prevailing in many parts of this Diocese, and when, through this Society, their combined efforts are systematically employed for the alleviation of the same.

Still, the past has not been without some fruit, and short as has been the period since the Society has been fully organized, its income has reached the creditable sum of \$3,540.88, and this sum would have been largely increased had all the Parochial Associations made collections; but owing to the end of the financial year being changed at the March meeting from December 31st to May 31st, few of the Parochial Associations have made any return, most of them having previously arranged to make their collections during the coming autumn; your Committee, therefore, confidently anticipate a large increase from this source during the ensuing year.

During the months of January, February, and March, deputations appointed by the Bishop attended meetings for the Church Society in almost every congregation of the Diocese, when Parochial Associations were formed, and although, owing to the change in the financial year

already stated, few have sent in subscriptions this year, still your Committee believe that these meetings have been attended with beneficial results, and therefore they would recommend that the same system be pursued in future years. Three collections have been made for the Church Society during the past year, viz., two for the Mission Fund, and one for the Widow and Orphans' Fund.

MISSION FUND.

The receipts for the Mission Fund from all sources have been \$1,254.65, out of which \$330 have been expended. No regular system has yet been adopted in the expenditure of this fund; but advances and grants have been made to several Missionaries by the Lord Bishop as appeared necessary. This will naturally be the chief branch of the Society's operations, and there will be required a large sum annually for the support of Missionaries in the newly settled parts of the Diocese; and also for supplying the Indians within our bounds with the ministrations of the Church. The Church Society of Toronto has continued its assistance to the Indian Missions within the Diocese of Huron up to the present time, and during the past year has expended \$682.50 on this object; but from July next these missions are left to the care of this Society.

WIDOWS AND ORPHANS' FUND.

One collection has been made for this fund, which has produced, including a donation of \$5, \$481.59; and steps have been taken to commence an investment on behalf of this fund; but, as this fund will be greatly affected by the action which may be taken in the division of the funds in which this Society is interested with the Toronto Church Society, nothing has yet been agreed upon with respect to the future management of this fund. Your Committee, however, fondly hope that there is now every prospect of a speedy arrangement being made of all matters in which the two Church Societies are interested; in the mean time, they trust that this fund may be spared any claimants upon it, and they would strongly recommend that a by-law be adopted by the Society, as soon as possible, for the management and disposal of this fund.

Steps have been taken to endeavour to affect a satisfactory division of the funds and property in which this

Society is interested with the Church Society of Toronto, of which we formerly formed a part, and for which the act incorporating this Society provides; and although much delay has arisen, and many obstacles seemed to be in the way, your Committee trust that the plan now adopted by both Societies for settling these matters will soon lead to a satisfactory result.

All which is respectfully submitted.
