The copy filmed here has been reproduced thanks to the generosity of:

The Nova Scotia  
Legislative Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

The Nova Scotia  
Legislative Library

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

**TERMS OF SALE.**—Cash on delivery. At the option of the Board, Notes at 6 months, with approved security, will be accepted from individual purchasers. Societies desirous of making available for this sale their Annual Grants for 1876 (payable at the end of December) may arrange to do so by previously applying to the Secretary of the Board.

The Cattle to be kept for service in the Province for a term of five years, the Sheep and Pigs for three years.

In order to encourage the more general diffusion of Thorough-bred Stock throughout the Province, the Board have determined to allow a discount on the sale prices of 10 per cent to all purchasers from the Island of Cape Breton, and of 5 per cent. to other purchasers who reside at a distance of not less than 30 miles from a Railway Station. No discount will be allowed upon animals purchased for localities within a distance of 30 miles of a Railway Station, and should any animals not be taken forthwith to the localities for which discount is allowed, the respective purchasers will be required to refund whatever amounts of discount may have been received.

Animals must be taken charge of by purchasers immediately after the sale.

All the animals are in a perfectly healthy condition ; none of them have been fed up for competition or sale. In the case of animals of sufficient age, the greatest care has been taken to select only those actually known to be fertile and free from vice and all other ascertainable faults.

For convenience, and in the interest of purchasers, the fullest information that can be obtained at present, is given in this Catalogue, nothing whatever being withheld that might affect—either beneficially or injuriously—the value or utility of any of the Stock ; but the animals will be sold entirely at the risk of the purchaser, with all faults and errors of description, should any appear.

Full Pedigrees are daily expected. Any further information may be obtained on application to the Secretary of the Board of Agriculture, Professor Lawson, Dalhousie College.
