The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Sir:—

We beg to inform you that we are now prepared to supply the several Municipalities with the Rolls for Collection of Taxes, as hitherto supplied by the late Hugh Scobie; and shall have much pleasure in furnishing your Municipality therewith, on the same terms.

Each Sheet contains lines for fifty names, or twelve hundred to each quire.

It is our intention always to have on hand the various Forms required by Municipal Officers, in the discharge of their functions, and by care, attention, and promptitude, to secure the patronage of our friends. Subjoined are some of the Forms now on hand:

We have now in the Prep, "The Municipal Officers' Ready Reckoner," a Publication intended to supply a want long felt by Township and County Clerks, in apportioning the several Assessments. The Work will show at one glance the amount to be raised or collected, on any sum from £1 to £100,000, at from One-Sixteenth of a Penny to Five Shillings. The Work will be clearly printed on good paper, and substantially bound.

An entirely new and revised Edition of the Municipal Manual is also now in progress, and will be issued as soon after the close of the next Session of Parliament as possible.

We are, Sir, your's respectfully,

THOMPSON & CO.
