REPORT OF THE COUNCIL
OF THE
DOMINION OF CANADA RIFLE ASSOCIATION.

The Council of the Dominion Rifle Association have the honour to submit the Sixteenth Annual Report of their proceedings.

The work accomplished, and the position maintained by the Association in the past year have, in the opinion of the Council, been such as to merit the approbation of the Association's members and supporters.

2. The Council tender the thanks of the Association to the Government and Members of the House of Commons for the aid granted by vote last Session of Parliament.

They also record their acknowledgment of the liberal contribution of \$500 to the Prize Fund made by the Marquis of Lorne and H.R.H. the Princess Louise.

To the Marquis of Lorne also :—

For his personal efforts in securing for the Dominion so valuable a record of the good feeling of the Auxiliary Forces of Great Britain towards the Militia of Canada, as is represented by the "British Challenge Shield."

For his gift of Silver and Bronze Medals to the several Provincial Rifle Associations.

For his parting gift of \$500, for the encouragement of Military Rifle Shooting at the Dominion Meetings amongst those who attend from the distant Provinces ; and for the many acts of kindness received at his hands.

The Council also tender their thanks :—

To the Minister of Militia, the Hon. Adolph P. Caron, M.P., for his third donation of \$200 to the Prize Fund.

To the President, Col. Gzowski, A.D.C. to the Queen, for his donation of \$150 for the "Gzowski Military Match," and of 25 sovs. for the "British Challenge Shield Match."

To Messrs. Smith and Wesson, of Springfield, Mass., for their gift of a highly finished Revolver Pistol.

To the Dominion Organ Company, of Bowmanville, Ont., for their second donation of a valuable organ—notice of which, although given by the Firm in good time, failed to reach the Council before the programme was published, and is therefore reserved for next year's Prize List.

To the Range Officers :

Lieut. Col. Mattice.

Lieut. Col. Murray.

Capt. Hodgins.

Lieut. Macnachtan.

for the efficient services rendered at the late Prize Meeting.

To the Managers and Officers of the Intercolonial, Grand Trunk, Canadian Pacific and Canada Atlantic Railways, for the facilities and advantages afforded to competitors attending the meeting.

3. The usual team of Riflemen was sent to Wimbledon to represent the Dominion in the matches of the N.R.A.

Lieut. Col. Ouimet, 65th Batt., the officer appointed to the command, being prevented by private affairs from leaving home, was reluctantly compelled at the last moment to resign, when Lieut. Col. Otter, Queen's Own Rifles, was appointed in Col. Ouimet's place, with Capt. Weston, 66th Batt., as Adjutant.

Acting on the suggestion made last year by Major Tilton, the Council directed the Team to assemble at Montreal a week prior to the date of embarkation, there to undergo a steady course of practice, in lieu of the practice formerly carried on after the Team's arrival in England.

This practice, conducted by Capt. Weston, is reported by Col. Otter (See page 22) as having been attended with very great benefit.

To the Quebec Rifle Association the Council are indebted for the use of the Point St. Charles Range, and for the welcome and assistance given to the Team.

The result of the shooting at Wimbledon was, on the whole, very creditable.

In the Kolapore Match—(competed for the first time with the Martini-Henry Rifle, a weapon comparatively new to Canadians, the Team also being pitted against the pick of the British riflemen selected to meet those of the United States)—Canada was only defeated by 18 points.

The Canada Club of London, again presented the team with a handsome silver cup. It was given to the highest aggregate score made at the meeting, and won by Lieut. P. Thompson, G.G.F.Guards.

To the representations of Lieut.-Col. Otter, the Association is indebted for 100 Martini-Henry Rifles, obtained on loan from the Home Government through the N.R.A.

These rifles the Council have decided to issue, on loan, to affiliated Provincial Rifle Associations, to be dealt with by them in such manner as may seem best fitted to disseminate knowledge in the use of this weapon.

4. The Annual Prize Meeting, held on the Rideau Ranges, Ottawa, commenced on Monday, the 3rd September, and concluded on the evening of Friday, the 7th September.

The prize programme contained cash prizes amounting to \$5,135.66, of which \$1,330 were contributed by the banking and manufacturing corporations named on page 25.

In the list of cups offered for annual competition, there appeared for the first time a new and handsome prize, "The British Challenge Shield," which was presented, through the Marquis of Lorne, by the Auxiliary Forces of Great Britain to the Militia of the Dominion of Canada.

In accordance with the conditions of the competition, the Shield was placed as a prize in the Military matches, and won by the 6th Fusilier Batt. of Montreal.

The extra prize list included a valuable Telescope and Field Glass, presented by Mr. Steward, Optician, Strand, London; and a Revolver Pistol. presented by Messrs. Smith & Wesson, of Springfield, Mass., U.S.

As regards the general arrangements of the meeting, the Council are glad to observe that the system in force gives satisfaction.

Slight changes in detail may have to be made from time to time as experience shows the need, but as long as the changes are confined to detail, and do not extend to the principle it may reasonably be expected that each year will see an improvement in the working.

One such modification in detail as above referred to was this year carried out with undoubted gain.

The change from squadding a certain number of men to the hour, to detailing each pair of competitors to a fixed time for firing, resulted in the saving of sufficient time to allow—of an increase in the number of competitions on the programme—of an increase in the number of shots from 63 to 70 to determine the Grand Aggregate,—and lastly, of the completion of the work in five instead of six days.

The attendance of competitors was large, but the weather most unfavorable. Continuous gales of wind and heavy rain materially affected the shooting, but notwithstanding all the discomforts experienced, the competitors, without exception, punctually observed the new and necessarily rigid orders for firing.

In the Military Matches, sections of five men from ten Battalions entered.

In the British Challenge Shield Skirmishing Match, the ten sections, firing, in all, 495 rounds, made

123 Body Hits,
67 Head Hits,
21 Upper Hits.

Total 211 Hits = 42.62 per cent.
284 Misses = 57.38 per cent.

In the Gzowski Challenge Cup Match, the same ten sections, firing, in all, 980 rounds, (Skirmishing 10 rounds, Volley 5, Independent Firing 5 per man) made,

360 Body Hits,
193 Head Hits,
52 Upper Hits.

Total 605 Hits = 61.72 per cent.
375 Misses = 38.28 per cent.

NOTE—In the above matches, one section had but four men competing in place of five.

The average in the Gzowski Cup, compared with that of last year, shows an improvement of 9.00 per cent. of hits.

On the last day of the meeting, the Association was honoured by the presence of the Governor General the Marquis of Lorne, H.R.H. the Princess Louise and H.R.H. Prince George of Wales.

His Excellency the Governor General the Marquis of Lorne, and H.R.H. the Princess Louise having most graciously acceded to the request of the Council that they would present the prizes, it was determined, as in all probability it would be the last public appearance of H.R.H. in Ottawa, to arrange for a gathering that should be worthy of the occasion.

By the kind permission of the Hon. Sir Hector L. Langevin, C.B., K.C.M.G., Minister of Public Works, the use of the Senate Chamber

was granted to the Association for the evening of Friday, the 7th of September.

The proceedings were opened by the presentation, in the name of the Dominion Rifle Association, of an Address of Farewell to His Excellency the Governor General, in the following terms.

To His Excellency the Right Honorable Sir John Douglas Sutherland Campbell, commonly called the Marquis of Lorne, P.C., K.T., K.C.M.G., Governor General of Canada, etc., etc.

May it please Your Excellency : The members of the Dominion of Canada Rifle Association cannot permit this opportunity to pass of approaching Your Excellency without giving expression to their most hearty thanks and grateful appreciation for the unceasing interest taken by Your Excellency in the work the Association has sought to accomplish, which together with the generous contributions of Your Excellency and Her Royal Highness the Princess Louise, as well as the interest awakened on the part of the Banking and Manufacturing institutions of the Dominion in response to Your Excellency's appeals, have not alone contributed to the material success of the Association but have greatly enhanced its permanent usefulness. The Association, while proffering the assurance of its grateful appreciation desire in saying farewell, to express the hope that Your Excellency and Her Royal Highness may be spared to enjoy many years of health and happiness, and that in looking back on your sojourn in our loyal Dominion, the goodwishes of Canada's riflemen may not be among the least pleasant of your recollections.

(Signed) C. S. GZOWSKI,

Col., A.D.C. to the Queen,
and

President of the Dominion of Canada Rifle Association.

His Excellency, having in kind terms acknowledged the address the Prize Presentation was proceeded with.

The attendance of competitors, and of those interested in the Association, was very large. The ceremony will long be remembered by all who were present, as forming, on the one hand, a fitting close to the most successful of the meetings of the Association ; and on the other hand, of leave-taking by the militia and citizens of Ottawa, of those at whose hands they had received such marks of honour.

5. The Council have much satisfaction in stating that His Excellency the Marquis of Lansdowne has honoured the Association by becoming its Patron.

6. Beyond ordinary repairs and renewals, the work on the Ranges was limited :—

1. To the completion of the Ricochet Parapets.
2. To the strengthening and patching the now thoroughly worn out Brunel Targets, which in the past have proved most serviceable.
3. To the adoption of Lieut.-Col. Beer's system of marking, and for which the Council hereby convey their thanks to Lieut.-Col. Beer.

The Council have to report that the ground on which the 600 yards Firing Points were placed has been sold and is no longer available.

Permission to enter thereon for the purposes of the late meeting could only be obtained by payment of the sum of \$200.

Such a rental for the week of the meeting only—added to the uncertainty whether even a higher demand might not be made in the near future—urges the Council to recommend that the targets in the present Long Butt be thrown back 100 yards, so that all the firing points might be brought within the limits of the ground leased by the Government.

The change proposed would improve the Range and secure uninterrupted rights for the Militia and the Association during the continuance of the lease.

The Target System of the Association works well, and is now very generally adopted by the Provincial Associations of the Dominion.

7. In the administration of the year's business, it has been made clear to the Council that, if, in the future, the Association is to maintain the same steady annual progress as that by which the past has been marked, there must be an adequacy of funds at its disposition as well as good organization.

Without adequate funds, it will be impossible to frame such a programme as will make the meeting attractive, and develop the power of the Association to benefit the Militia force of the Dominion. And without efficient organization, the successful execution of any programme, or of economical expenditure of its funds, cannot be ensured.

In these essential points the Council feel that in organization only has the Association as yet achieved any solid progress.

In the matter of funds, there is no certainty of income, and therefore no basis on which can be determined the amount that may prudently be offered in the prize list.

The cost of working the annual meeting (on the scale of last year, inclusive of prizes and exclusive of Wimbledon charges) may be taken at about \$8,500.

To meet this outlay, \$2,250 (the balance of the Government grant after paying the average cost of the Wimbledon Team), is all that the Association can with certainty depend on.

The remaining \$6,250 has to be collected from private sources, and from competitors in the form of membership, entrance fees, etc.

In the past three years, mainly owing to the personal exertions of the Marquis of Lorne, a liberal response from banking associations and manufacturers has been made to the appeal for help, but such a source of supply is neither constant, nor can it be expected to be permanent.

In view of these facts the Council feel much anxiety as to the financial future of the Association, but trust that the Government may be induced to restore the grant to the original sum of \$10,000, and thus render possible a continuance of the work in which they are engaged, as they believe, with no slight benefit to the Militia force of the country.

8. The year now closed has been marked by changes which this Council cannot pass unnoticed.

In the Marquis of Lorne the Association will miss a friend, who, recognizing its usefulness, was ever ready to help it, with counsel, with practical suggestions, and, when needed, by his personal influence; and in Her Royal Highness the Princess Louise—a Patroness, who, with gracious sympathy and kindly personal interest, heartily encouraged and lent her aid towards the realization of any proposal having for its object the welfare of the Association.

In Col. Gzowski, who retires from the Presidency, they will lose one who has been its mainstay for years. His labours in the cause of rifle shooting, his never-tiring and self-sacrificing efforts to bring the claims of the Association prominently forward, not only in the Dominion, but in England also, are known to all. To none but those, however, who acted with him on the Council, can it be so well known how faithfully and efficiently he has served, and how deep the debt of gratitude he has earned from all.

The Council sincerely trust that the example that has been set may stimulate all to unite and to lend their aid to maintain the truly national character of the Association, which those who have left it have done so much to establish.

FINANCE.

The Treasurer's statements of finance, duly audited, is submitted herewith.

It shows receipts from all sources, including the balance of \$219.78 from last year, amounting to \$14,867.90, and expenditure \$14,826.93, leaving a balance of \$40.97 to the credit of the Association.

The annual subscriptions for the past year amounted to \$174, as against \$166 in 1882.

The receipts from affiliated Rifle Associations amounted to \$595, to which may be added \$266 received from associate members as qualification for competition in annual matches, making a total of \$861 as against \$884 in 1882, decrease \$23.

The number of Associations affiliating this year is as follows :—

Provincial	7
County and others.....	35

being two less than last year.

Receipts from special donations, including \$870 from banks, and \$460 from manufacturers, amounted to \$2,326.66, as against \$2,455 received in 1882, a decrease of \$128.34.

The entry fees to matches this year, including sighting shots, blow-off tickets, post fees, fines and pool gains amounted to the net sum of \$2,584.91, as against \$2,526.52 received in 1882, increase \$58.39.

A detailed account of expenditure made by Lieut.-Col. Otter, commanding Wimbledon Team of 1883, will be found in the Appendix.

REPORT OF
LT.-COL. OTTER, COMMANDING OFFICER.

WIMBLEDON TEAM, 1883.

Toronto, 9th November, 1883.

SIR,—I have the honour to forward you my report of the Wimbledon Team of 1883.

Being appointed commander of the Team at very short notice, I was unable to join it until four days after it assembled in Montreal, for a week's practice before proceeding to England.

On reaching Montreal I found that regular practice had been going on since the 18th of June under the Adjutant, Captain Weston, 66th P. L. Fusiliers, who had in the meantime procured the signatures of the Team to the usual agreement, and seen that their uniform and equipment was correct and in order.

Captain Weston reported the practice as very satisfactory, and as far as I could learn the new system of a collective practice before sailing, as tried for the first time this year, is a decided improvement upon the old plan of a long practice in England immediately before the Wimbledon Meeting, as giving the men a rest and an opportunity of beginning fresh, in place of being "shot out," as was too often the case in former years.

Leaving Montreal on Friday evening, the 22nd June, we arrived in Quebec on the following evening, and immediately embarked on the Allan S.S. Sardinian, Captain Dutton, and after a pleasant passage Liverpool was reached on Tuesday, the 3rd July, at 8 a.m. Mr. Dyke, Emigration Agent, met us there and, with his kind aid, the customs was soon passed, and we were enabled to get away by 11 a.m. en route for Wimbledon.

At Derry I had taken the precaution to telegraph Captain Mildway, Secretary N.R.A., asking to have our tents at Wimbledon ready on Tuesday, and as I had no intimation at Liverpool as to the certainty of our being able to procure the ranges at Wormwood Scrubs for practice, I decided upon going into camp at Wimbledon at once. We were therefore comfortably settled under canvas upon our old ground seven hours after leaving Liverpool.

I wish here to note the great assistance rendered by Captain Corbin and Staff-Sergt. Ashall of the Team, who took the entire charge of its baggage from Montreal to Wimbledon.

Having received permission late on Tuesday evening to use the Scrubs ranges, the Team, under Captain Weston, began practice on Wednesday morning, which was continued through Thursday and Friday, Saturday being given to rest.

In connection with these practices I must acknowledge the great obligations we are under to Major Bircham, Adjutant of the St. George's Rifles, who went to no end of trouble to procure for us the use of these ranges.

Monday, the 9th July, saw us fairly at work in the regular competitions of the meeting, in which I think I may say that the success of the Team was at least equal to that of its predecessors. A return of the prizes won with the value of the same will be found further on.

The match of most interest to the Canadians, viz., for the Kolapore Cup, was fired on Wednesday, the 18th July, and resulted, I regret to say, in our defeat by 18 points, at the hands of the Mother Country team; Jersey, Guernsey and India following us in their order named.

Without desiring to make excuses for our defeat, I cannot help calling attention to the fact that this competition was for the first time shot for with Martini-Henry rifles, in deference, I believe, to the wishes of some of the other teams, a fact which no doubt handicapped us from our comparative slight knowledge of that weapon, and consequently contributed in no small measure to our defeat. Another feature in the match was the remarkably strong section which the United Kingdom brought against us, easy to imagine when such men as Corporal McVittie were "in waiting."

The selection of our Team, an arbitrary one, was made with the greatest care, and I am satisfied no better could have been obtained from the contingent. I have much pleasure in testifying to the care and pains taken by the Adjutant and each individual throughout the match to ensure a successful termination of it.

To enable Canadians to compete upon fair terms at Wimbledon, where there is now so much shooting done with the Martini-Henry, it is absolutely necessary that more opportunity be given them for practice with that arm, and, with that end in view, I took it upon myself to make application for the loan of 100 of those rifles of the latest pattern, upon such terms as they might agree upon. The feeling was found to be decidedly in favour of its being awarded to the highest aggregate score made during the meeting, and it consequently fell to Lieut. Thompson, G.G.F. Guards, the presentation being made at the regular distribution of prizes by H.R.H. the Princess of Teck.

Shortly after our arrival in England, Mr. G. Molineux, Hon. Sec. of the Canada Club, informed me that the Club was again desirous of offering a silver cup for competition among the members of the Team, upon such terms as they might agree upon. The feeling was found to be decidedly in favour of its being awarded to the highest aggregate score made during the meeting, and it consequently fell to Lieut. Thompson, G.G.F. Guards, the presentation being made at the regular distribution of prizes by H.R.H. the Princess of Teck.

I have great pleasure in recording the many kindnesses extended to the Team, and could not but notice the particularly hearty wishes expressed by all we came in contact with, for its success.

The Commissioners of the Fisheries Exhibition, through the Secretary of the Canadian Court, Mr. W. D. Dimock, kindly sent tickets to all for free admission to the Exhibition, while Earl Brownlow, Chairman of the C. R. A. Council; Sir Hy. Fletcher, M.P.; Col. Sidney North, M.P.; Col. Buller, Camp Commandant; Major Urquhart, Camp Adjutant; Capt. Mildmay, Secretary; Mr. Rooke, Accountant; Major Waller, and the several other members of the Council and Executive Staff, were constant in their attentions and ever willing to assist in every way towards making our visit a pleasant one.

Sir Charles Tupper, K.C.M.G., the High Commissioner of Canada, manifested his interest in the Team by frequent visits to the camp, and was present during the whole of the Kolapore match.

To Mr. J. G. Colmer, of the Canada office, we are under many obligations, his time, advice and assistance being at all times at our disposal. Emigration pamphlets were forwarded to us from the High Commissioner's office for distribution among the many enquirers for information representing Canada.

The correspondents of the *Toronto Globe* and *Mail* were also most assiduous in their efforts to place before us the latest news from home, as well as to convey to Canada full reports of our proceedings.

I have also to record the kindness of Mr. Ennis, the manager of the Allan Line at Liverpool, who took great pains in seeing that members of the Team were provided with good accommodation returning home.

Among the numerous visitors to our camp were their Royal Highnesses the Prince and Princess of Wales, who came without previous warning, and so unexpectedly that but few of the Team were present to receive them.

H.R.H. the Duke of Cambridge made his usual official inspection, and was pleased to express his satisfaction with the appearance of the Team and gratification at again seeing Canadians at the Wimbledon Meeting.

Earl and Lady Dufferin, Earl and Lady Brownlow, Earl Morley, Sir Leonard and Lady Tilley, Sir Bartle and Lady Frere, Lord and Lady Romilly, Sir Henry and Lady Wilmot, Sir Henry and Lady Fletcher, General Sir Selby Smythe, Hon. Oliver Mowat, General Sir Montagu McMurdo, Sir Charles Shakerly, Earl Fortescue, General and Mrs. Gibbon, Charles Tupper, M.P., Dr. Almon, Col. G. T. Dennison, Col. Sandham, Col. and Mrs Dennis, were also among our numerous visitors.

In concluding my report, I cannot forbear placing on record my entire satisfaction with the conduct and bearing of the Team; from first to last their demeanour and keen desire to do their best was most gratifying to me and left absolutely nothing to be wished for, nor to cause me a moment's anxiety. On the other hand, the substantial evidences of their good will, left with Captain Weston on the breaking up of the camp, leads me to think that its members were satisfied with our efforts for their comfort and welfare.

There remains but one other to whom I owe more than a passing reference, viz: my Adjutant, Captain Weston, for in him I found not only a most practical intelligent "coach," but a capital business man and disciplinarian; his former experience at Wimbledon was of the greatest possible benefit to the Team, while his zeal, good humour and willingness really left but little care or trouble upon my shoulders.

It is with great pleasure that I feel enabled to place before the Council so favourable a record of the Wimbledon Team of 1883.

I have the honour to be Sir,

Your obedient Servant,

W. D. OTTER, Lieut.-Col.

Commanding Wimbledon Team.

THE SECRETARY,
Dominion Rifle Association,
Ottawa.

The minutes of the last meeting were read and confirmed.

Major Tilton having explained that Col. Gzowski and Lieut. Col. Kirkpatrick were unavoidably prevented from being present, it was moved by Major Tilton, seconded by Lieut. Macnachten, that the meeting be adjourned to Friday the 24th instant.—Carried.

Meeting of Council, held in pursuance of adjournment on the 24th November, 1882.

PRESENT:—

Lieut. Col. Kirkpatrick, M. P., in the Chair.

Col. Gzowski.
Lieut. Col. Macdonald (Guelph).
Lieut. Col. Otter.
Lieut. Col. Macdonald.
Lieut. Col. Ross.
Lieut. Col. White.
Major Tilton.

Lieut. Col. Fraser.
Capt. Perley.
Major Wainwright.
Major Macpherson.
Lieut. Col. Macpherson, *Treasurer*.
Capt. Costin, *Secretary*.

1. The question of distributing the 50 Martini-Henry Rifles on hand after supplying the members likely to form the Wimbledon Team for 1883 was remitted for consideration by the Council to be appointed at the Annual Meeting.

2. On a claim made by Lieut. Col. Crosbie, Commanding the 5th L. R. V. (Liverpool Rifle Volunteer Brigade) for a cup won by Sergt. Bawdon, from the Canadian Team of 1879,

It was moved by Major Tilton, seconded by Lieut. Col. Macdonald (Guelph), that the Secretary communicate with Lieut. Col. Blanchet, who commanded the team for 1879, and in the event of his being unable to give any satisfactory information on the subject, that the Association be authorized to provide a cup.

3. Read correspondence received from Major Scott, 8th Royals, and also a letter from the Adjutant of the 8th Royals, written in the name of the Commanding Officer, giving reasons why in his opinion the squad of the 8th Royals should receive the prizes in the Gzowski Match to which the score they made would entitle them.

After discussion, it was moved by Lieut. Col. Fraser, seconded by Lieut. Col. D. A. Macdonald, that while the Council of the D.R.A. desires to place on record its belief that Major Scott was actuated by no desire to deceive the Inspecting Officer, or take advantage over other competitors, it cannot alter the decision of the Executive Committee with regard to the team, which decision was based on the failure of the team to comply with the conditions laid down for the matches.—Carried by 9 to 1.

4. Read correspondence received from Lieut. Col. Ross, commanding the Governor-General's Foot Guards, in support of his request, "that the decision arrived at by the Sub-Committee of the D.R.A., which disqualified the team of his Regiment in the Gzowski Military Matches, be rescinded, and that the cup and money prizes be handed over to the said Team, on the grounds that no protest was entered against said Team."

After discussion, it was moved by Col. Gzowski, seconded by Lieut. Col. Macdonald (Guelph), that in the opinion of the Council the decision of the Executive Committee appointed to conduct the prize meeting cannot be altered.—Carried by 6 to 3.

5. Moved by Lieut. Col. Ross, seconded by Lieut. Col. Otter, that the draft of the report be referred to the Executive Committee.

The Meeting then adjourned.

Read and approved.

TORONTO, 26th September, 1883.

SIR,—With the accompanying papers relating to the Gzowski Cup and the English Challenge Shield, I send, also, for the information of the Council, conditions for His Excellency's new prize for \$500, drawn up by himself.

I acknowledged His Excellency's generous prize and thanked him for it in the name of the Association, but I would suggest that the Council should also acknowledge His Excellency's very liberal and considerate contribution.

Yours truly,

C. S. GZOWSKI,

Col., A.D.C.

To CAPTAIN CHARLES COSTIN,
Secretary, Dominion of
Canada Rifle Association.
Ottawa.

MEMORANDUM FOR THE GUIDANCE OF CAPTAIN CHARLES
COSTIN, SECRETARY DOMINION OF CANADA
RIFLE ASSOCIATION.

EXTRACT from a letter from His Excellency the Governor General, to
Colonel Gzowski, A.D.C., dated Ottawa, 9th Sept., 1883.

"I send you a cheque for \$500 for the new prizes. On reflection, I believe it would be best to try to encourage the distant Provinces to send men to the central and national meeting, and I should like the conditions to be as expressed in the accompanying memo.

The belief in the distant parts that there is no use in competing with Ontario and Quebec, I believe will always be strong, and a special attraction should be offered the members who come from far."

Prizes to be shot for at Ottawa at the Meeting of the Dominion of Canada Rifle Association as a Military Match, \$500 equally divided between the following five Provinces:—

\$100	open only to members of	British Columbia Militia.
\$100	"	" Nova Scotia "
\$100	"	" New Brunswick "
\$100	"	" Manitoba "
\$100	"	" P. E. Island "

Each \$100 to be divided into 3 Prizes for the best individual scores :
1st prize of \$50, 2nd prize of \$30, 3rd prize of \$20.

There shall be no competition among the members of any one Province, unless the Province be represented in the Military Matches of the Meeting by a duly qualified team of non-commissioned officers and rank and file, and the \$100 allotted to each Province shall remain at interest until the first Meeting at which the Province is represented in the Military Matches of the D.R.A., when the capital \$100 and interest accrued shall be competed for by all members of the Province then attending at Ottawa.

TORONTO, 14th September, 1883.

SIR,—I am authorized by His Excellency the Governor General to request that you will bring before the Council, for record on their minutes, the conditions under which the English Challenge Shield (a gift from the Auxiliary Forces of Great Britain to the active Militia of Canada) is committed in trust to the Dominion Rifle Association.

1. That the Shield shall be for ever reserved as a Prize for the encouragement of Rifle shooting in military order by Sections or Teams of non-commissioned Officers and Rank and File of the active Militia of Canada.
2. That the said Sections or Teams shall be composed of not less than five non-commissioned Officers or Rank and File, from each Regiment or Independent Troop of Cavalry, from each Brigade or Battery of Artillery, from each Regiment or Independent Company of Engineers or Infantry, subject, however, to the same concession in regard to the formation of teams from the Provinces of Prince Edward Island, Manitoba and British Columbia as is granted in the Dominion of Canada Match. No Regiment or Independent Company shall be entitled to enter more than one Section or Team.
3. That said Sections or Teams shall wear during the competition the uniform and equipment, as is at the time being issued to and worn by the Regiments or Corps they represent.
4. That the Targets to be used in the competition shall not exceed 2 feet 6 inches in height, that they shall either be raised and lowered from behind a parapet, or moved laterally to the right and left at certain intervals of time during the competition, and that the limit of time that a target be exposed to fire shall not be more than 10 or 15 seconds, as the distance from which it is fired at is under or over 250 yards.
5. That the Shield shall be held for the Winning Team under such conditions as the Council may annually determine.
6. That the Dominion of Canada Rifle Association may offer the Shield for competition at their Annual Meetings to be held at Ottawa, so long only as the spirit of the conditions as herein laid down is observed.
7. That in the event of neglect on the part of the Dominion of Canada Rifle Association—to hold a Prize Meeting—or to offer the Shield for competition in any year,—or of the establishment of conditions for

the competition at variance with the spirit of the gift,—or of the dissolution of the Dominion Rifle Association,—then, the said Shield shall pass into the trust of His Excellency the Governor General of Canada for the time being, and be held by him until claimed again, either by the Dominion Rifle Association or other organization taking its place and having for its object the encouragement of military shooting among the active Militia of Canada; when, on engagement being entered into, to observe and give effect to the conditions laid down, it may again be offered for competition, and be included in the Prizes of the Association holding its meeting at Ottawa, provided always, that on any subsequent breach of the trust, it (the Shield) shall, as at first, be subject to forfeiture and transfer to the keeping and care of His Excellency the Governor General for the time being.

TORONTO, 14th September, 1883.

SIR,—For some time past I have had the intention of submitting in a succinct form, the conditions, which, verbally and by letter, I have at various times given to you for the governance of the competition for the "Gzowski Challenge Cup," and now, in view of my retirement, the present seems to be the most fitting time to carry that intention into effect.

I have therefore to request that this communication may be taken by the Council as the record of the intent and conditions, under which the "Challenge Cup" called "The Gzowski," has been presented to the active Militia of Canada, and on their behalf to the conditional trust of the Dominion of Canada Rifle Association.

The regulations laid down in the Prize Programme for the Meeting just ended embody in the main my views, but to place them beyond doubt I here recapitulate them in extenso:

1. The Cup is given with the special object of encouraging the Active Militia of Canada to practice the art of Military Shooting in military order, and of ensuring at least one annual match at Ottawa as a test of their progress, fitness of accoutrements, etc.

2. That the competition shall be confined to one section or team of not less than Five men, (non-commissioned officers, or rank and file) from each Regiment or Independent Troop of Cavalry, from each Brigade or Battery of Artillery, from each Regiment or Independent Company of Engineers, or Infantry, subject, however, to the same concession in regard to the formation of Teams from the Province of Prince Edward Island, Manitoba, and British Columbia, as is granted in the Dominion of Canada Match.

3. That the sections or teams shall wear and carry during the competition, the uniform and equipment as is at the time issued to and worn by the regiment or corps they represent.

4. That the targets to be used in the competition shall not exceed 2'6" in height, that they shall be raised or lowered from behind a parapet, or moved laterally right and left at certain intervals of time during the competition, and that the limit of time that a target shall be exposed to fire shall not be more than 10 or 15 seconds, as the distance of the firer from the target is under or over 250 yards.

5. That the competition shall embrace skirmishing, volley and independent firing.

I would, however, in volley firing, recommend that all the sections fire their volley at one time, by one word of command, and that the penalties in force last year for "Independent" and "Bad" volleys be altogether abandoned.

6. That the Cup shall be held for the winning team under such conditions as the Council may annually determine.

7. That the Dominion of Canada Rifle Association may offer the Cup for competition at their Annual Meetings to be held at Ottawa, so long only as the spirit of the conditions as herein laid down is observed.

8. That in the event of neglect—on the part of the Dominion of Canada Rifle Association,—to hold a Prize Meeting,—or to offer the Cup for competition in any year,—or of the establishment of conditions for the competition at variance with the spirit of the gift,—or of the dissolution of the Dominion Rifle Association—then the said Cup shall pass into the trust of His Excellency the Governor General of Canada for the time being and be held by him until claimed again either by the Dominion of Canada Rifle Association, or other organization taking its place and having for its object the encouragement of military shooting among the active Militia of Canada, when, on engagements being entered into, to observe and give effect to the conditions laid down, it may again be offered for competition, and be included in the Prizes of the Association holding its meeting at Ottawa, provided always that on any subsequent breach of the trust it shall as at first be subject to forfeiture, and transfer to the keeping and care of His Excellency the Governor General for the time being.

I remain,

Yours truly,

C. S. GZOWSKI,
Colonel, A.D.C.

To CAPTAIN CHARLES COSTIN,
Secretary,

Dominion of Canada Rifle Association,
Ottawa.

In reference to the intimation from Col. Gzowski that His Excellency the Governor General had forwarded the sum of \$500, to the end that a new series of prizes should be offered in the Prize List of next year for the further encouragement of Practice in Military Rifle Shooting: It was resolved, that the Secretary do convey to His Excellency the gratitude of the Council for this further proof of his interest in the Association—and for the prevision evinced in the conditions which tend to increase the prestige of the Dominion Annual Rifle Meeting, and at the same time aid the distant Provinces to bring to the front those who practise on home ranges and acquire skill in the peculiar requirements of Military Rifle Shooting. Further, that the Council—recognizing the importance of the object for which His Excellency has, by the institution of the British Challenge Shield Match, already done so much to encourage,—and now by the gift of further prizes to more firmly establish—tender their assurance that it will be their pleasing duty to give effect to His Excellency's wishes.

2.—On the question of settling the conditions and by whom “the British Challenge Shield” and the “Gzowski Challenge Cup” should be held for the year, it was decided that the “Shield” should be held by Lieutenant-Colonel Gardner, Commanding Officer of the 6th Fusiliers, Montreal, the winning Battalion: and the “Gzowski Cup” by Lieutenant-Colonel Grassett, the Commanding Officer of the 10th Royal Grenadiers, of Toronto, winner. The Treasurer to obtain receipts from each and an engagement to return the several pieces of plate before the next meeting. The question of Insurance was left for further consideration.

3.—Authority was given for the issue of 25 Martini-Henry Rifles to those who had obtained places on the list from which the Wimbledon Team for 1884 would be selected.

4.—The Secretary was authorized to proceed with the printing of the tabular matter of the Annual Report. The number of copies to be printed was fixed at 450.

Other business was left to stand over until the meeting re-assembled on a call from the chair.

|--------------------|-----------------------|
| a. Bull's Eye..... | White disc. |
| b. Inner..... | Red disc. |
| c. Magpie | Black and White disc. |
| d. Outer..... | Black disc. |
| e. Ricochet | Black bar. |

f. Misses will not be signalled; but if a target is lowered under the impression that it has been hit, and if no hit is found on it, after raising it the marker will wave a black disc, which will signify that the target has not been struck.

2. When *two* shots strike a target simultaneously, that which has the highest value will alone be marked with the *marking disc*, and the competitor whose proper turn it was to fire at the target will be credited with that shot, provided he has fired. *Both hits will, however, be shown by spotting discs.*

3. On a target being lowered, the position of a hit, if any, and its value, will be shown by the spotting disc when the target is again raised.

4. The marking when signalled shall not be questioned, but if a shot is not signalled, and the officer in charge of the firing points be satisfied that a reasonable doubt exists as to whether the shot may not have struck the target, he may ask the officer in charge at the butt to examine the target, *and the result of such examination as signalled shall be final.* Any competitor challenging a shot shall deposit the sum of *fifty cents* with the officer in charge at the firing point, which shall be forfeited in case no hit is found on the target.

5. If, at the moment at which a competitor fires, his target should be lowered in such a manner as to falsify the result of his shot, the Range Officer is empowered to cancel the result of such shot, and to permit the competitor to fire another shot in its place.

6. All alterations of the registers must be initialled by the officer making them, but no alterations, except in the case of a clerical error, shall be made without his having first signalled to the butt.

7. No person will be permitted to go to and examine a target during the meeting except the Executive Officer or such person or persons as he may duly authorize to do so in his behalf.

In Skirmishing.

When the number of hits counted on the targets exceeds the number of shots allowed in the competition, three marks shall be deducted for every such hit in excess of the number of such shots unless it be proved that such hits on the target in excess of the number of shots allowed could only have been made by competitors in the squad firing more than the authorized number of rounds, in which case the squad shall be disqualified.

XXVIII.—RIFLES.

The rifles shall be classed as follows :—

CLASS I.

MILITARY BREECH-LOADERS.

Snider, (Long and Short) rifles and Martin-Henry rifles, either of Government issue or of *bona fide* Government pattern, and bearing the Government viewer's mark.

1. Weight of Snider not to exceed, without bayonet, 9 lbs. 12 oz.
Weight of Martini-Henry, without bayonet, not to exceed 9 lbs.

2. No pad or shoe for the heel plate of the butt will be allowed.
3. Minimum pull of trigger 6 lbs.
4. Sights to be strictly in accordance with those of the Government issue. Filed sights will not be allowed.
 - (a) All sights may be temporarily blackened or whitened, but black and white must not be mixed so as to produce a grey. No application of a permanent nature will be allowed. No shading of sights will be permitted.
 - (b) The *back sight* may be tilted forward or backward, or supported at any angle by any extemporized means.
 - (c) The sliding bar may be reversed, and used on either side of the uprights. *One* permanent centre line for the Snider, and *three* for the Martini-Henry will be allowed and *temporary* marks or line of any kind removable at pleasure may be used.

CLASS II.

1. *Weight*—Maximum, 10 lbs.
2. *Pull of Trigger*—Minimum, 3 lbs.
3. A pad or shoe for the heel plate may be used.

 - (a) None but the ammunition issued by the D.R.A. on the ground shall be used or allowed. Price for Sinder, 17 cts. per package of 10 rounds, or 3 packages for 50 cts. Price for Martini, 25 cts. per package of 10 rounds.

2.—*In Competitions open to "Any Rifles."*

Any ammunition may be used. Competitors will be required to bring their own supply.

No restrictions will be made as to the arrangement or composition of the charges or cartridges, provided that, *in the case of Breech-loading Rifles being used,*

- (a) No part of the charge is inserted at the muzzle.
- (b) That the Rifle is not loaded until the word "all clear" is given.
- (c) That no time is lost, and
- (d) That no dangerous practice is resorted to.

XXX.—POSITION.

Unless otherwise specified the shooting at all ranges shall be from the firing points, and may be in any position, with the head to the target.

XXXI.—SIGHTING.

Unless otherwise specified, two sighting shots will be allowed at each range on payment.

If a competitor be stopped in his firing by the "Cease Fire" at midday or evening, he shall be allowed one sighting shot, without payment, when he renews his firing.

XXXII.—ORDER OF SHOOTING.

1. Competitors must be present at the firing points punctually at the time detailed on their tickets, otherwise they will not be allowed to shoot; the time to be regulated by the clock in the Secretary's office.

2. In all ordinary competitions competitors shall, when possible, be formed up by files, and fire shot and shot *alternately*.

3. When but *one* competitor is present, he shall fire his shots without undue delay; but the officer in charge of the firing point or *some person named by him*, must witness the shooting, and countersign the register. Failing such verification the score will be invalidated. Any person present whom the competitor may name will watch the score recorded, and if need be raise objection *before* the next shot is fired.

4. *In competitions restricted to "Any Rifles,"* the competitors shall be formed in a squad, and fire shot for shot in the order in which their names are called.

5. No one shall be allowed to join the squad after the commencement of the second competitive round.

6. When once a competitor has joined a squad, he shall not leave it before he has either retired from the competition or has completed his firing, but leave may be given by the officer in charge to any competitor who, when firing with a muzzle loader, may find it necessary through a mistake in loading to fall out for the purpose of "blowing off."

7. No two competitors shall shoot in any competition with the same rifle; nor shall a competitor change his rifle at any range during a competition, unless his first rifle should become unserviceable through an accident, which must be verified by the officer in charge.

8. The competitor must, after delivering *each shot*, pay attention to the score called out by the Register Keeper, and himself see that such score is correctly entered on the register, so that any objection to the *score recorded* may be investigated before the next shot is fired.

9. In the case of unreasonable delay in firing on the part of any competitor, or of such delay as the Range Officer may consider likely to prolong the firing beyond the time allowed, the Range Officer shall have the right to caution and time the competitor by a sand glass, purporting to run one minute, more or less, and if after such caution the competitor does not fire before the sand glass has run out, the Range Officer shall declare the shot forfeited and call on the next competitor to proceed with his firing.

XXXIII.—TIES.

Ties shall be decided as follows:—

A. *In Individual Competitions for a series of Prizes.*

1. If at more than *one* distance, by the range totals in inverse order commencing at the longest range.

4. By the total scores at 400 yards.
5. By the total scores at 200 yards.
6. By shooting off as in Clause B.

Ties for places on the Wimbledon Team shall be decided by the rules for the Grand Aggregate. In the Governor General's Match ties for the first three places and for the tenth place shall be shot off.

The right of Entry is restricted to members, and Associated members of the Association, who either have paid or pay their subscription of \$1 at the time of Entry.

1. Entries for the several competitions shall close on days to be named by the Council.

2. Every competitor shall enter and shoot under his own name, and not oftener than once for any prize, unless specially allowed by the terms of the competition.

3. No entry shall be accepted after the hour fixed for the commencement of the competition to which admission is sought.

4. Entries shall be classified :—

(a). Ordinary (at the published rate of entrance fees). To include those made and received by the Secretary of the D. R. A. on or before 4 p.m., Wednesday, 29th August.

(b). Post (at an increased charge of 20 per cent. on the published rate of entrance fees). To include those made or received after 4 p.m., Wednesday, 29th August.

N.B.—The acceptance of Post Entries will be entirely governed by circumstances. As a rule the privilege will be withdrawn as soon as the target accommodation allotted for each competition is absorbed, and whenever the Special Committee may determine.

5. To meet the case where difficulty may be experienced in selecting the actual competitors in sufficient time to make the required entries.

by the 29th August, Officers commanding corps and Secretaries of Provincial or Local Associations will be permitted to send in their application for (state No.) competitors, accompanying such application with the amount of the entrance fees; and to postpone the rendering of the actual names of those for whom they make the entries until the selection of the competitors is definitely made. In such cases the Register Tickets shall not be issued before the nominal return is handed to the Secretary. Any payment made for entries in excess of the number of competitors nominated will be returned in full, as provided for under paragraph 1, A, (a), "Return of Entrance Fees."

6. Entrance fees must be paid at the time when the entries are made.

The Register Tickets will be issued on application at the Secretary's office on the Range.

XXXV.—RETURN OF ENTRANCE FEES.

1 Entrance Fees in full will be returned to those—

- (a) Who are prevented from being present at the meeting; or

2. Claims based on other considerations than the above will, if allowed, be subject to a penalty of half forfeit.

XXXVI.—SQUADDING.

1. In the case of competitors classified as Ordinary Entries, arrangements will be made and detail published of the day, hour, and target at which each competitor will be required to attend to fulfil his engagements.

2. In the case of Post Entries, the hour of shooting cannot be predetermined or announced, and competitors so classified must await the orders that the progress of the meeting may render practicable.

XXXVII.—ALTERATION OF SQUADDING.

1. Any alterations which the Executive Officer may find it necessary to make will be duly notified on the notice board, and such notice will be a sufficient authority for the change. In the absence of such notice, tickets will be available only for the target for which they were originally issued, and any erasure or alteration will cancel the ticket, unless verified by the initials of the Executive Officer.
2. The place of publication for all notices affecting the detail of shooting shall be the board fixed without the tent of the Executive Officer, and the posting of a notice on such board shall be taken as a good service on all affected thereby.

XXXVIII.—REGISTER TICKETS.

1. Should a competitor lose his ticket, or omit to take it to the firing point, or fail to attend at the hour detailed, or give a wrong ticket, and so by *his own neglect* miss the opportunity of competing for the prize for which his ticket was issued, he shall forfeit his claim on the Association in regard to such competition, *and no duplicate ticket shall be issued to him except under special circumstances.*
2. Any *erasure or substitution* of one name for another shall invalidate the ticket.

XXXIX.—SIGHTING AND FOULING TICKETS.

Tickets for sighting shots, 10 cents, and for fouling shots, 2 cents, can be obtained at the Secretary's office. They must be delivered up to the Register Keeper before a shot is fired. Such tickets to hold good in any match during the meeting.
