

LIBERAL ORGANIZATION.

Our friends the enemy, the Conservatives, are to be congratulated upon one point—they are working hard to organize the party in plenty of time.

It is probably true that British Columbia is yet very largely Conservative, although changes of a notable sort have been going on in the eastern districts of the province.

The German Emperor is so Dubbed by the Contemporary Review.

New York, Nov. 29.—A dispatch to the Times from London says that the Contemporary Review issued tonight contains a sensational anonymous article entitled "The Arch-Enemy of England."

The writer declares that the Kaiser has drawn up a complete plan arranging for the naval superiority of France, Russia and Germany over England.

The article, which is sure to attract attention, is the first in a series of attacks upon the German Emperor.

The Liberals will dwell to remember this. There are to-day in Canada thousands of like-warm Conservatives.

Conservatism says: "Stand still; keep to the safe, old beaten track; go back to where your forefathers were; secure what was good enough for them; do well enough for you."

That is exactly the difference between Conservatism and Liberalism; the one gropes in a dim, but not religious, light; the other strides forward in a noon-day blaze.

MURDER AT WESTMINSTER

Donald Perrier Quarrels With His Mistress, Jennie Fraser, and Hacks Her to Pieces in Her Room.

Both Were Disreputable Characters—Dead Woman Came From Australia—Perrier Under Arrest.

Vanouver, Dec. 1.—(Special.)—A most heinous murder was committed at New Westminster early yesterday evening. Donald Perrier, who has been living with a woman of the town named Fraser, following her to New Westminster from this city, murdered her in cold blood in a room in a house of ill-fame. The unfortunate woman was literally hacked to pieces.

Jennie Fraser, the murdered woman, came here from Australia in the spring of last year, and was living with Perrier at the time. She was about 24 years of age, though she is only 24 years of age. When she came to this city, she was accompanied by Perrier, a man who is known to the police as a questionable character. Perrier, who is 28 years of age, was a very rough and ready fellow, and was known to the police as a man who was in the habit of frequenting the houses of ill-fame.

CLEARING AWAY WRECKAGE

Thought That the Worst is Now Known of the Great Storm.

Boston, Dec. 1.—With bright skies to cheer them and a feeling that at last the worst is now known of the great storm, the people of the affected section of New England have resumed the work of clearing away the wreckage and reopening traffic.

Related news from Cape Cod reflecting evidence of the wreck of the steamer Portland has extinguished the last hope that at least a few of those on board had escaped, and it now seems that there was no possibility that any one of the 100 or more persons believed to have gone with the vessel from Boston Saturday night are now alive.

ST. ANDREW'S NIGHT

Victoria Scotsmen Do Honor to the Occasion in Stirring Speech and Song.

Enthusiastic and Typically Canadian Gathering at the Driard Last Night, Thoroughly Enjoyed Themselves.

"The night drave on wi' sangs an' clatter," and about the time that dech an' dorus was passing round and hands were clinked for Auld Lang Syne, the day was only an hour or two of dancing. To quote the words of the song which "brought down the house," and which was given with magnificent force and spirit by the band, "The night drave on wi' sangs an' clatter, and the day was only an hour or two of dancing."

The company numbered nearly a hundred representative Scots and other Victorians, and the evening was thoroughly enjoyed by all present. The band played with great spirit and skill, and the dancing was very popular.

The evening was a most successful one, and the committee in charge are to be congratulated for their efforts. The proceeds of the evening will be used for the benefit of the St. Andrew's Society.

The St. Andrew's Society, Victoria, held a very successful evening at the Driard last night. The evening was a most enjoyable one, and the committee in charge are to be congratulated for their efforts. The proceeds of the evening will be used for the benefit of the St. Andrew's Society.
