LAST MEETING FOLD COUNCIL

Canada Foundry Co. Get Contract for New Electric Plant—Building Inspector Resigns

Mayor Murray presided over what is known as the "Greeting meeting" of the Council held on Monday evening. The meeting was called for the special purpose of purchasing an electric plant for the town. Councillors present—McDonald, Miller, Alexander, Mowat, White and McLennan.

The town clerk read the minutes of the previous meeting which were confirmed. Councillor Moores at this time entering the meeting.

SPECIAL BUSINESS

Councillor Mowat brought up the business of the evening by laying before the council the various tenders received for the installation of an electric light plant. Six tenders in all were received the names and amounts being as follows:

Kynoch Company	\$29,450
Hornby Stockport Co.	29,687
Canada Foundry Co.	25,650
Can. Westinghouse Co.	32,980
Crocker Wheeler Co. (for generators only)	\$39,000
Laurie and Lamb	\$27,550

The prices and details of the proposals from the various firms were gone into minutely by the councillors and after listening to the arguments of the representatives of the Canada Foundry Co. and the Westinghouse Company Councillor McLennan moved and Councillor Moores seconded that the tender of the Canada Foundry Co. for the installation of a complete electric plant for the sum of \$25,650 be accepted. This was carried unanimously.

The plant bought is of the Hard Coal Gas producing type, consisting of 2 generators developing a horse power of over 500 B. H. P. This is a type of engine which has given satisfaction all over, and the council have themselves safeguarded in that should the plant not work satisfactorily it will be returned.

Going further in this matter Councillor Mowat submitted proposals regarding a site for the new power station, but this matter was left in the committee's hands.

On reverting to the usual order of business, a communication was read from the Relief Committee stating that the sum of \$70,000 had been placed in the Bank this sum being received from the Dominion Government.

Communication read from the building inspector regarding the request for a permit for Geo. Sanson's proposed Laundry. The inspector had refused a permit until hearing the decision of the Council. The Town Solicitor was instructed to file an injunction stopping the building of the said laundry until plans and specifications had been filed, according to the By-Laws.

Communication read from H. A. Chandler tendering his resignation as building inspector, which was accepted by the Council.

The town clerk was appointed to act as Inspector until such time as a permanent Inspector be appointed.

Petition was received from the residents of Hanover street in Ward II praying for Water and Sewer connections.

The petition was referred to the Water and Sewerage committee.

Communication from A. E. G. McKenzie regarding the refund of money expended in water and Sewerage connections was read. The amount claimed was ordered to be paid.

The town clerk submitted a number of accounts from the

THE ACADIAN MEMBERS OF THE LEGISLATURE

An Appreciation of the Men Who Represent this Great Race—Mr. Labllois Fine Record

The Liberal Opposition in the House of Assembly is fortunate in numbering among its members four Acadian gentlemen, Hon. C. H. Labllois of Restigouche, Mr. C. M. Leger of Westmorland, Dr. A. Sormany and Mr. S. R. Leger of Gloucester. No members of the House are more highly respected than these representatives of a great race. They bear their share of the burden of the work of the house, and there are few men more valuable in the committees to which they are respectively attached. They enjoy the esteem of their fellow liberals and are highly respected as well by the other members of the Assembly. Not only the Acadian people, but the liberals of both nationalities have reason to be proud of these adherents of liberal policy.

Hon. Mr. Labllois is not only the senior Acadian representative in the Assembly, but he is also the Dean of the House. He was first elected in 1882, and since that time he has rendered splendid service to the province. He has sat in the House under seven premiers, Hon. Messrs. Hannington, Mitchell, Blair, Emmerson, Tweedie, Pugsley and Hazen. He was associated also with Premier Robinson, who never met the Legislature. The Restigouche Acadian was the first Commissioner of Agriculture in New Brunswick. Many policies which he initiated in that position have borne splendid fruit and the agricultural conditions of the province have been notably benefited in consequence. After some time spent as Commissioner of Agriculture Mr. Labllois became Chief Commissioner of Public Works, and New Brunswick has had no better. He held that position until the Robinson government went out of power, and the happenings of the last three years have shown conclusively that New Brunswick would be much better off if Mr. Labllois still occupied his old position.

However, as lieutenant to the Opposition leader, the Dean of the House has done effective service. He is a quiet-going, quiet speaking man, but one nevertheless keen of mind, and capable of presenting his views in a manner that compels attention and respect. The opposition is much the stronger because of Mr. Labllois' presence in the ranks.

Dr. Sormany comes to the Assembly from Shippegan. A native of that place he was educated at Carleton Place and St. Joseph's College, Memramcook. Subsequently, he went to Montreal and studied medicine at Laval University, from which institution he received his degree. He has since then been practicing his profession at Shippegan where he enjoys an excellent public esteem. He ran his first election in 1908.

Board of Health, but these were ordered to be held over till next meeting.

Councillor Miller submitted the report of the Public Property and street committee recommending payment of accounts totalling \$79.49. Report received and adopted.

Councillor Moores read the report of the Public Charities Committee recommending the payment of accounts amounting to \$18.00. Report received and adopted.

Adjourned. Very Sleepy.

when with his colleague Mr. Leger and his English speaking colleague Mr. Byrne, he was elected by a forcible majority. In the Assembly he has been an eminently useful member of the opposition party. He is not a man who inflicts long speeches on the House, but what he does say is strictly to the point and commands every attention. A session or two ago the medical Commissioner of Agriculture, Hon. Dr. Landry, of Kent, undertook to have a fling at Dr. Sormany. He was sorry he spoke for after Dr. Sormany finished replying to the Kent county man there was a somewhat wiser and very much sadder Commissioner of Agriculture about the House.

A man with the most fireworks is not always the most capable representative of the people. Dr. Sormany is not given to fire works, but he is given to serving the people to the best of his ability, and his ability is by no means meagre. As the other Acadian Liberals have done, he had proven himself a very successful representative of the people, and his re-election when the contest takes place may be confidently predicted.

The Gloucester county Mr. Leger is one of the quiet men of the House. He dislikes making speeches, but whenever he does take the floor, and he rises whenever it is advisable for members of the house to express their opinion on important questions, he speaks in a way that shows that he is capable of judging well in matters which are brought to his attention. Mr. Leger belongs in Carleton where he was educated. He is engaged in business in which he has met with a goodly measure of success. For some time he has been a member of the Gloucester County Council in which he still sits and in that body he has given his fellow citizens good service. He ran his first legislative election in 1908, and it is safe to say that he will be re-elected when the government risks an appeal to the people. Incidentally, it may be said, that Mr. Leger is the possessor of a splendid voice. More than once he has delighted the members of the House with his French songs, and in the opposition caucuses there are frequent calls for "A song from Seraphin."

Mr. Clement M. Leger is one of "The solid four", from Westmorland. Since 1903 he has been sitting in the House and judging from the reports which come from Westmorland he will be re-elected just as often as he enters the lists. Mr. Leger is a Westmorland man, educated in Westmorland, and doing business there. At one time when he was before the people for election the Conservatives sought to injure him by belittling references to the extent of the business he carried on. They were no more successful then they are now. Mr. Leger is not "a merchant prince," but he is a respectable citizen of the county in which he lives. In the House he has taken a keen interest in all matters pertaining to the welfare of the province, but he has perhaps done best service in the agricultural committee, where again and again he has insisted upon fuller recognition of the claims of the farmers. It was Mr. Leger who last session vigorously urged on the government that potato warehouses should be established by the province in Kent and Westmorland counties, and perhaps elsewhere as well.

ELECTION IN WARD THREE

John White and J. R. McKenzie Were Successful—New Council Expected to Improve Matters

What promised to be quite a stirring contest in the upper ward was spoiled by the heavy defection of list. Out of a total of 300 voters 190 were not qualified, all their taxes not being paid, hence it was a very slow and miserable business, the polling station lacking the spirit and fire which usually accompanies a council contest. Ninety-four of the electors voted, the result being:

J. R. MacKenzie	63
John White	69
Alex. Elsliger	31

Messrs. MacKenzie and White were declared duly elected and will represent Ward III.

The new council is composed of the following gentlemen: Mayor A. McE. McDonald; Councillors, Ward I—H. Lunan, M. D. and L. G. Piquant, M. D.; Ward II—Max M. Mowat and S. M. Moores; Ward III—J. R. MacKenzie and John White; At large—W. H. Miller and Chas. A. Alexander; John T. Reid, Town Clerk.

The council have a hard time in front of them and the requirements of the town are many and varied. We cannot get everything done at once but a little at a time always makes some showing. The new council are expected to DO SOMETHING FOR THE STREETS in the first place, organize the Fire Department, see that the Building By-laws are enforced, get all the routine work done in Committee, and have the Council meetings once a month. All these things will be for the benefit of the town and the citizens are expecting them.

BAY CHALEUR MAN

DROWNED AT QUEBEC

Robert Degraze Fell Into Water While Boarding the Steamer Canada.

Quebec, April 16.—The first drowning accident of the season in this port occurred on last Saturday evening, when Robert Degraze, a native of Carleton, Baie Des Chaleurs, found a watery grave in the Louise Basin.

The unfortunate young man, who was only 23 years old, was an officer on board the government steamer Princeps, moored in the inner basin, and about 7 o'clock on Saturday evening left his steamer to visit a friend on the steamer Canada, anchored outside the crosswall. He was going down the ladder which served as a gangway between the wharf and the Canada, when he fell over on the ice and dropped into the river.

Several planks were thrown out to the drowning man, who made an effort to seize them, but he was apparently injured in his fall, and could not catch any of them. His body was recovered about 9 o'clock this morning, near the Canada, his face being cut in two places.

NEW CARLISLE

Those past few days make us feel that spring is not far off.

Mr. Scott representing the Ames Holden Co., has been here for some time in the interest of his firm. Miss McLennan of Caplin River is visiting Mrs. P. Miller and other friends here.

Mr. Hugh Sellars of Sellarville has been here last week on a business trip. The skating is almost over, Minard's rink has been closed for a couple of weeks but the ice in the half way rink is quite good yet and if the weather don't get too warm they purpose to have a closing carnival on the evening of Easter Monday.

The Choir in the Presbyterian Church still advancing and have purchased some very nice new chairs for the choir and the Ladies are doing there part in cleaning and fixing up the Church for Easter.

True Household Economy

MOTHERS, we owe it as a duty to our husbands and families to take good care of them. We all want, of course, to have our loved ones cheerful and comfortable.

Our dominant part is to give them the very best that we can make or bake. But sometimes we are tempted to save a few pennies in food and think that in so doing we are economising. But is it so? Is this the kind of economy that is wise and profitable? Is it doing our full duty to our loved ones?

Royal Household Flour

We wouldn't think of buying the lowest priced eggs in the market just for the sake of economy. We would feel that because they were cheap they would be good eggs to avoid. The low price would give us a suspicion of their freshness and quality.

But when it comes to flour, for example, we may be tempted to buy the second best instead of the best because of the few pennies difference in price. We may think that economy in flour is different from economy in eggs. But it isn't. The principle is the same. The difference in cost between the best flour in the

world and ordinary flour is so little that in justice to our responsibility as wives and mothers we can not afford to take chances.

From every point of view Royal Household Flour is more economical than any other. It produces more loaves to the barrel. It is richest in food value. It is more uniform. It is best for Pastry as well as Bread and yields more baked product in either bread or pastry than any other flour.

ROYAL HOUSEHOLD FLOUR furnishes more nourishment, more real food value per pound and per penny's worth than any other flour in the world.

Get it! "Book for a Cook" will be sent free to the woman who asks for it and sends in the name of her dealer.

ELOPED WITH DIVORCED HUSBAND

Her Love for Her First Husband, Said to be a Former Newcastle Man, Triumphed at Last,

BOSTON, April 17.—An unusual case in which New Brunswick people are concerned here has developed in Haverhill. The following advertisement has been forwarded to several newspapers in this state and New Brunswick by Mrs. Elizabeth Bansley:

"Margaret—you and baby come back to Haverhill. Mother and husband willing."

Mrs. Bansley said today that this "Personal" is intended for the eye of her daughter, Mrs. Margaret E. Bansley Munroe Lyle. Mrs. Lyle was married last November to John W. Lyle. That was a month after her divorce decree had been made absolute, severing a former marriage to Ira Munroe, whose wife she had been for three years.

Mrs. Bansley said Mrs. Lyle left home last week taking Thelma Munroe, her two and one-half years old daughter by her first husband. Mrs. Bansley received a letter saying Mrs. Lyle left with Ira Munroe, her first husband, and asking Mrs. Bansley to tell Lyle, her second husband. Lyle is twenty-three years old and Munroe is twenty-four. Mrs. Bansley said in an interview today:

"A week ago Saturday Munroe gave up his position, saying he was going to Montreal. The following Monday Mrs. Lyle left her home taking Thelma.

"Margaret is under her first husband's influence. She can come back to me and her second husband any time. If Margaret or any of her friends see the advertisement they will know what it means."

"Munroe came from Newcastle N. B. They may be in Newcastle or St. John, or some other down east place."

CHATHAM GOES WET

Scott Act Ticket, Which Has Ruled The Town The Last Year, is Drowned,

The result of the Civic Election in Chatham on Tuesday was a severe defeat of the men who stood for a strict enforcement of the Scott Act. Dr. Byrne was elected Mayor, and among the successful Aldermanic candidates were J. L. Stewart and J. F. Benson, proprietors of the World and Commercial respectively.

The figures are as follows:

FOR MAYOR	
Dr. Byrne	444
Alb. Haley	218
FOR ALDERMEN	
J. F. Benson	466
W. F. Cassidy	462
Jas. Kerr	440
A. P. Williams	436
J. L. Stewart	434
H. H. Carver	420
A. McLenna	410
Jas. Hayes	410
R. A. Snowball	281
R. A. Loggie	272
L. Abbott	251
W. J. Grost	237
J. Y. Mersereau	209
E. Barry	205

RUN-OFF AT NASH'S CREEK

No. 36 train, the Campbellton accommodation was some two hours late Tuesday being delayed at Nash's Creek. No material damage resulted. The accident took place at the station, and was caused by a switch being out of position. The wreckage was cleared and the engine on the way freight was substituted for an engine on the accommodation, which was damaged.

Dr. de Van's Female Pills

A reliable French regulator; never fails. These pills are exceedingly powerful in regulating the reproductive portion of the female system. Refuse all cheap imitations. Dr. de Van's are sold at 25¢ a box, or three for 75¢. Shipped to any address. The Campbellton Graphic, St. Catharines, Ont.

Concrete Fence Posts Like These

are slightly, strong, permanent. Concrete is, in many localities, cheaper than wood, for fence posts, and more durable than stone, brick or iron. Our book,

"What The Farmer Can Do With Concrete" is sent FREE.

It tells how to make, not only fence posts, but walks, curbs, horse blocks, barn foundations, feeding floors, well curbs, drinking troughs, silos, dairies, and many other farm utilities where cleanliness, strength and durability are required. Many of these things are simple and inexpensive to make, and may easily be put together in

your spare time. The book carefully and simply tells all. The regular price of the book is 50¢. We are distributing free, a limited number, however, and charging up the cost to advertising. That's why you get your copy free, if you sign the coupon and send it to-day. Do it now.

You may send me a copy of "What the Farmer Can Do With Concrete."

MORE BROWN-TAIL MOTHS DISCOVERED

Dr. Saunders of the entomological department, Ottawa, is at present in Charlotte county inquiring into the late appearance of the brown tail moth in that locality. Since the discovery of the nests of the pest at Pomeroy Ridge, a systematic search has been made with the result that the caterpillars have been found in other parts of Charlotte county. Every effort will be made to keep the brown tail moth from becoming such a scourge as it has been in the New England states.

Two and a Half Hours on Operating Table

Specialist Could Not Remove Stone in The Bladder

GIN PILLS PASSED IT

JOLIETTE, P. Q. "During August last, I went to Montreal to consult a specialist as I had been suffering terribly with Stone in the Bladder.

He decided to operate but said the stone was too large to remove and too hard to crush. I returned home and was recommended by a friend to try GIN PILLS.

They relieved the pain. I took two boxes and went back to the specialist. He said the stone was smaller but he could not remove it although he tried for two hours and a half. I returned home and continued to take GIN PILLS, and to my great surprise and joy, I passed the stone.

GIN PILLS are the best medicine in the world and because they did me so much good, I will recommend them all the rest of my life."

J. ALBERT LESSARD.

See a box—6 for \$2.50—at all dealers, and money back if they fail to give relief. Sample box free. National Drug and Chemical Co., Dept. N.B., Toronto.

1000 REBELS DEFEAT 1600 DIAZ TROOPS

Most Important Battle Yet In Revolt for Mexican Freedom.—Rebels Capture Two Guns and Kill 200.

Agua Prieta, Mexico, April 17.—The most important battle of the Mexican revolution thus far was fought here today, between 13,000 Federals under command of Lieut. Col. Diaz, and 1,000 rebels under Balasario Garcia, and resulted in the repulse of the former.

The battle lasted from 6.30 a. m. until sundown. At nightfall, two Federal machine guns were in the possession of the rebels, and the Federals sustained a loss estimated by the rebels as at least 200 killed and wounded. The rebels gave their own loss as 20.

From the beginning of the battle regardless of the warning given by the United States government to the leaders of both forces, a rain of bullets poured into the American towns of Douglas, Ariz., and when the day was over it was found that seven non-combatant residents of that city had been wounded. It was a day almost of terror in Douglas.

NEW

Did you ever know of a hat guarantee so strong as this?

Think of it—

a new hat any time within four months, to any man who can show a Buckley hat that has succumbed to wear and tear, or to accident, within that length of time after date of purchase.

The man who wears Buckley hats is sure of a reasonable hat-cost—because the makers of the Buckley guarantee that each Buckley hat shall be good for at least four months' wear.

The man who is Buckley-hatted knows that he is "hat-right" not only as to quality, but also as to style—the style supremacy of the Buckley has long been recognized. English as to quality, it conforms to American style tendencies.

The Buckley creates styles where lesser makers are content to follow the beaten path. Another feature of the Buckley is that it is strictly a Union-made hat.

Note the "accident clause" in the guarantee. Many have wondered at its insertion, claiming that it makes it too easy for a man to get a new hat. That feature of the guarantee was prompted by a strong belief in the inherent honesty of mankind and a desire to remove all possibility of quibbling or questioning on the part of the merchant. Backed with that clause, your hatter is in a position to hand you out a new hat without hesitation and without suspicion.

Any good hat store can get you the Buckley—the price is no greater than for an ordinary hat. They sell for \$2.50.

F. BLOIS

NEW CARLISLE, - P.Q.

WHERE THE SHOE PINCHES

Sometimes mail order houses offer a leader, that is, they sell some article less than cost in order to induce buyers to make up an order which will include many things at a great deal more than cost. The big firm comes out ahead on the whole transaction all right—that is what they are there for.

We heard of an experience of a certain lady the other day who thought it would be a good scheme to simply order the leader, the article sold at less than cost. The particular bargain offered was a pair of shoes at \$1.69. When the shoes arrived there was a change of 25 cents for express, which she paid. After she got the shoes home, she packed them up again and returned them by express. The firm said she could return the goods if not satisfactory, at least that was in the advertisement. She paid another twenty-five cents to return them. After awaiting about a week the new shoes arrived, and she paid another quarter for express. Unfortunately, they were no better than the first ones, as far as fit was concerned. She had now paid \$2.44 for a pair of \$2.00 shoes, with more to follow. She tried to change them with a local dealer, but, of course, that would not work; but while in the local store she saw a good pair, in every respect, which the dealer sold for \$1.65 regularly. She may find a lady friend to fit the shoes. If so she may not lose more than a dollar. If not she is out \$2.44.

When a woman thinks she has obtained a bargain, she tells her friends about it; but when the experience is not so favorable she is apt to say nothing when she has got the worst of a deal, although they say a great deal, when they think they have got the best of it. This is human nature, but that is why we do not hear more about the experiences of those who deal with mail order houses.

When you come to think of it, is it not rather foolish to buy things just from seeing a picture of them? A farmer would not buy a cow from a catalogue, because he knows something about cows. How much more important is it to see what you buy and know with whom you are dealing when you are getting something about the quality of which you are not able to judge. The local merchant wants your trade, and he knows that the best way to secure it is to be perfectly candid about the quality of the goods he sells. He knows more about quality than you will ever learn unless you go into business for yourself. If an article is not the best, he will tell you so, and change you fairly for what you get. We cannot all afford to buy the highest quality of goods out we are at least entitled to get fair value for the money we spend and to know just what we are getting. The only way we know of to accomplish this is to buy at home from a merchant in whom you have confidence. In the long run you are money in pocket by doing so and in addition you are helping your town and county instead of injuring it.

NO INCREASE IN BRITISH PREFERENCE

Ottawa, April 12—In reply to Mr. R. L. Borden, Mr. Fielding said that on the adoption of reciprocity it may be necessary to make some further changes in the tariff and in connection with the British preference. But these will be in small matters, and not of an important character. They will not include an increase in the British preference to fifty per cent, nor will they include free agricultural implements. We hope to persuade the people of Canada that they should not press for these changes now. We desire to see the manufacturer successful. We believe that these things would have a disturbing influence on trade in Canada, and we aim to make reciprocity something that will work unfettered for the general advantage of Canada.

GIBSON AND MINTO RY CO., ORGANIZED

Stockholders of the Gibson and Minto Railway Company met in Fredericton Thursday evening and organized. Directors elected were H. P. Timmerman, A. R. Slipp, H. W. Woods, D. King Hazen and C. Fred Chestnut. The directors elected Mr. Timmerman president, Mr. Woods vice-president and Mr. Hazen, secretary-treasurer.

THE BOOSTING OF PRICES

It seems as though we were to be faced with a calamity as dire as that already gone through last July, if the present conditions in building are to remain.

One is almost tempted to think that there is an organized combine among contractors to boost the price of all the tenders for building at this time. Owing to the high figures now being demanded by contractors many who had arranged to build will either leave it over to a more suitable time or arrange to have the work done by day labor.

It never pays to "kill the goose that lays the golden eggs," and if this policy is to be pursued it means it will hurt the town and the contractor only, and the man about to build will hang up the job or quit.

One case in point, a building 50x30x20 high not including basement was approximately priced last fall at \$3500. Today this same wooden structure is priced to cost \$7000, just double the amount.

The people here won't stand for such extortion, and many will follow the lead of the Methodist Church and postpone their rebuilding indefinitely.

We have been very easy-going for a long time now but we have come to the limit and the feeling now prevalent in the town is that if the contractors persist in their inflated tenders then there will be no building done, but what is absolutely necessary. Its a serious problem for us but we have got through worse ones, and will manage this all right although we may be inconvenienced in a greater or less degree. The townspeople have the matter in their own hands. If they consider the prices demanded are beyond all reason, let the building done by day work, there will be lots of labor here early in the summer and the shortage of contractors will soon bring the builders to their right senses.

THE GEORGES AND THE MARYS

"Man doth not live by bread alone," sentiment is a big thing in this world. Having said which, we express an opinion that the men of women who are responsible for the memorial fund of the Marys and Georges should be classed among the well meaning and harmless people whose activities are a bother to those they think they are helping and to everybody else. They will get a little prominence by being prime movers in the affair and to the Georges and Marys they hold out the bait of having their names inscribed among a million, or so other Georges and Marys, on a paper or parchment which will go to the furnace somewhat sooner than the present goes on the shelf. Why can't these foolish ones let King George and Queen Mary reign in peace and why must they annoy every other man, woman and child who, through no fault of their own, bear the name of George or Mary? Our council have courteously acknowledged the letter of the Lieut. Governor on the question and have sensibly left it open to any adult George or Mary to hand their contribution to the town clerk. So far so good, but when the authorities follow the example of Halifax, as set forth in the Governor's letter and ask school teachers to take up a collection from the school children, they deserve censure. They should remember that this is not Halifax where a Lieut Governor wears a uniform and the people still have the memory of an army and navy society, (very much Henglish, don't they know) and a codfish aristocracy. Our children's nickles, if give them they must, would be given to better purpose to help their little brothers and sisters, many of whom need and deserve help.—From "Picton Advocate."

A Brooklyn man who was arrested on false charge, got six cents for damage done to his reputation. Well, some reputations are not worth even that much.

CHURCH NOTES

While Rev. Mr. and Mrs. Hardy were making a visit at the home of Mr. and Mrs. Melvin Adams, Broadlands, the people of Kempt Road section of his congregation gave them a surprise party and came prepared to spend a pleasant evening with their pastor last Friday. Mr. and Mrs. Hardy received an address given by Mr. T. R. Busted and who presented the pastor with a purse of \$48. Other sections of the congregation have during the past season been doing similar deeds for their pastor though these have not been recorded. Several weeks ago a number of men decided to get the pastor wood for a year and the Pratt Bros. of Clark's Brook kindly gave them the opportunity to cut the same and loaded it on a car at Dawson's siding where the Pratt Bros. are doing a thriving business. The pastor is grateful to all who helped to buy the wood at the Manse. The pastor and his wife have received many gifts and kindnesses during the past winter.

At a meeting of the congregation at Metapedia last Wednesday the officers of the church were appointed.

Sometime in May Mr. W. S. Irving will take up his duties as student in charge for the summer months.

At the Methodist church meeting held on Monday evening it was decided to postpone indefinitely the building of the church. The cost was far beyond the amount arranged by the congregation.

A business meeting of Christ church congregation was held on Tuesday evening for the purpose of appointing officers for the congregation.

A meeting of the session and trustees of St. Andrew's Pres. church was held on Wednesday evening for the purpose of discussing the plans of the new church. Tenders will be called for shortly.

OBITUARY.

MR. JOSEPH SPLUDE.

Sunnyside, April 20.—Mr. Joseph Splude, one of the oldest residents of this place passed peacefully away to his eternal rest on Tuesday, April 18, at the advanced age of 84, after a illness of almost a year. He was born in Miquasha, P. Q., and came to this place about 36 years ago. He is survived by two brothers, Charles of Miquasha and William of this place, also by his wife and eight children, five sons, viz: John, Joseph, James, George and Wm., whom live in the U. S.; and three daughters, viz: Mrs. F. Pitt of Gardiner, Maine; Mrs. Nat. McNeir of River Louisou, and Mrs. M. Christen of this place, with whom the deceased lived until his death.

The funeral which took place this morning was largely attended considering the bad condition of the roads. The funeral service was sung by Rev. Father Fitzgerald, after which interment was made in the R. C. Cemetery at Jacquet River.

MT. ALLISON NOTES

The annual Banquet of the Mt. Allison Amateur Athletic Association was held in the residence, March 25th Mr. F. Ferguson presided as toast master.

In their concert held March 31st, the Mt. Allison Conservatory Orchestra assisted by Miss Lusly and Mr. Spicer excelled themselves. The Orchestra in their fine selections presented to the audience some of the finest music ever heard in Sackville. Miss Ayer, the leader, and the members themselves are to be complimented on their excellent entertainment. Miss Lusly in her violin solo "Mazurka" held the audience spell bound throughout her whole selection and was enthusiastically endorsed. Mr. Spicer by his vocal solos added much to the evening's enjoyment.

The Athletic association held their Promenade concert in the residence Friday, March 7th. Although the attendance was not record breaking, everyone enjoyed themselves.

The Mt. A. basketball team defeated Moncton in the Ladies College gymnasium by a large score. The Moncton men put up a hard game and made the excitement run high. The inter-school league was begun by the Seniors v. Juniors and Sophomores v. Freshmen games. The Juniors and Freshmen were victorious.

LECTURE IN OPERA HOUSE

On Thursday an appreciative audience listened to an interesting lecture entitled "John Bull and his neighbor" by Rev. Mr. Baty of Moncton. The Rev. gentleman gave a bright and racy description of conditions social and political obtaining in England and made a few telling hits against the provincialism of westerners in their ideas. That the old country is so very slow and far behind. His description of men and places were highly entertaining and conditions of Parisian life of the lower orders were strongly drawn in telling language. Rev. Mr. Morris occupied the chair and introduced the lecturer who was cordially thanked on the motion of Mr. Cochrane. Miss Tess Lingley presided at the piano, and accompanied Mr. J. G. MacColl in a solo. The proceeds of the lecture were for the funds of the Methodist Church.

Each tender must be accompanied by an accepted cheque on a chartered bank payable to the order of the Hon. the Minister of Public Works, equal to ten per cent (10 p. c.) of the amount of the tender which will be forfeited if the person tendering declines to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender is not accepted the cheque will be returned.

THE ACADIAN MEMBERS OF THE LEGISLATURE

[from first page]

Such warehouses, he held, would be of material benefit to the smaller potato growers, and there will be few people who will not agree that the Westmorland man was right. The government, however, has not seen fit to follow his suggestion for reason which can be well conjectured even if they could not be established by proof. At all times Mr. Leger has been active in the interests of the farmers and no doubt in this fact lies one explanation of his strength in the county of Westmorland. In their desire to injure him politically conservative organs have lately been circulating a story insinuating that in the days of the old government Mr. Leger,

sitting as a member of the House, drew money from the provincial treasury as a bridge inspector. With its own record of maladministration of bridge work it lies ill in the mouth of the government to make any statements about the manner in which their predecessors handled the bridge affairs of the province. But as a matter of fact the Tory yarn about Mr. Leger has been branded by him in the House as a malicious falsehood and he declared emphatically that if any member of House was to make a charge akin to the insinuation of these unscrupulous party newspapers, he would demand of Mr. Spaker that a complete investigation be held immediately.

Slander such as this will not effect the reputation of so popular and so excellent a man as Mr. Leger.

Mr. Joseph Damboise and daughter, Miss Irene, left last week on an extended trip to Ontario and Alberta.

Prevents as well as Cures

"Father Morrissey's No. 10" (Lung Tonic) Goes a Step Further Than Other Cough Medicines.

Left to themselves, most "Common Colds" will run their course and depart. But they leave reminders in the shape of lingering, irritating coughs and weak chests and lungs. There are many cough medicines on the market that help to stop a cold, but they do it because they contain Opium, Morphine or similar drugs that simply quiet or deaden the irritation, but do not remove the cause. Such medicines do little or no permanent good and often a great deal of harm, particularly to children.

"Father Morrissey's No. 10" is made of Roots, Herbs and Balsams, without a trace of Morphine or any other harmful drug. It goes straight to the root of the trouble and removes the cause of the cough. It restores lungs and throat to a healthy condition, tones them up, and makes them stronger than ever to resist colds and more serious diseases. Trial bottles, etc. Regular size, etc. At your dealer's or from Father Morrissey Medicine Co., Ltd.

SEALED TENDERS addressed to the undersigned, and endorsed "Tender for Breakwater at Point Sapiin, N. B." will be received at this office until 4 p. m., Tuesday, May 9, 1917, for the construction of a Breakwater at Point Sapiin, Kent County, N. B.

Plans, specification and form of contract can be seen and forms of tender obtained at this Department, at the office of E. T. P. Shewen, Esq., District Engineer, St. John, N. B. Geoffrey Stead, Esq., District Engineer, Chatham, N. B., and on application to the Postmaster at Point Sapiin, N. B.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures, stating their occupations and places of residence. In the case of firms, the actual signature, the nature of the occupation, and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank payable to the order of the Hon. the Minister of Public Works, equal to ten per cent (10 p. c.) of the amount of the tender which will be forfeited if the person tendering declines to enter into a contract when called upon to do so, or fail to complete the work contracted for. If the tender is not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.

By order,
R. C. DESROCHERS,
Secretary,
Department of Public Works,
Ottawa, April 10, 1917.

Newspapers will not be paid for this advertisement if they insert it without authority from the Department.

of Mrs. Allan the wife of the station
master at Dalhousie Junction on
Thursday, the 20th inst.

\$1.98

\$1.98 for the good old Colonial
Golden Rocking Chair at Kerr's
Furniture Store, East End. The
high comfortable back and easy seat.

The Town Clerk is a busy man these
days. Letters addressed to the Act-
ing Street Commissioner, Acting
Building Inspector and then some
more will find John T. Reid all right.

This is spring and house cleaning
time, call and examine our Carpets,
Oilclothes, Rugs, Mats etc. The
place to buy is Marquis & Co., The
Big Dept. Store.

Murray's Coal is Good Coal

The Methodist brethren have decid-
ed to postpone the building of their
church indefinitely. A very wise pro-
ceeding: We do not care to pay for
"cloud-capped towers and gorgeous
palaces" and find after the bills are
squared that we own a very common
or garden edifice after all.

Things are booming in town and
the place to see it is at Marquis & Co's
Big Dept. Store, where all the de-
partments—Dry Goods, Gents' Furn-
ishings, Boots and Shoes, Groceries,
Crockeryware, Hardware—are rushed,
handling the trade.

A meeting of the Temperance Fed-
eration was held in the Opera House
on Sunday evening to take steps for
the fuller enforcement of the Liquor
Licenses act after May 1st. The law
and the amendments were read over
to us but the speakers' man will echo
the words of the English jerry who
said "The law is a hass."

Murray's Coal is Good Coal

Mr. Chas. Dugie has suffered again.
By a fire on Wednesday morning his
house on Roseberry Street was totally
destroyed. The flames had a strong
hold of the building before the alarm
was turned in, but with a good pres-
sure of water and there being no wind
the firemen succeeded in confining the
blaze to the one spot. We understand
the loss is only partly covered, by
\$800 insurance.

Marquis & Co., The Big Dept. Store
have just received their full stock of
Ladies', Gents and Children's Shoes
in the latest styles, colors and tastes
for Spring and Summer.

The streets are crowded these days
with laborers, some preparing for the
lumber drives and many looking for
work here. Gentlemen we have no
\$5 a day jobs looking for holders.

\$5.40

\$5.40 for the Folding Complete and
redining Baby Carriage at Kerr's
Furniture Store, East End. All
Steel frames, strongly built, furnished
green with reversible hood.

We are glad to see that the swim-
ming pool in the old Minto basement
is now fenced in. Those desiring a
bath will require to pay their "tup-
pence" in a public bath or remove to
"Tight Head" where they don't desire
a washing place.

This week Mr. Jas. Reid commenced
operations at the new Post Office.
There is idle talk of some people hav-
ing a Thanksgiving service for the
blessing of having their building con-
tracts signed last fall. The men with
the hod now attaching a balloon
clause to all their tenders.

Just received a car of nails, bought
at rock bottom prices, people antici-
pating building would do well to get
my prices before buying.

M. P. MOORES

The Bank of New Brunswick staff
opened in their new building on Tues-
day. The structure which is of solid
and handsome design is most taste-
fully arranged in the interior even
down to the cupboards. It is not true
that Mr. Hope is getting a notice
which reads, "Please do not spit in
the jardiniere".

CURED OF DRINK

BY SIMPLE REMEDY

A Devoted Wife Helps Her Husband
to a Cure Through Samaria
Prescription.

Mrs. S. Trenton, was in despair.
A loving father and a careful pro-
vider when when her husband had
gradually fallen into drinking habits,
which were ruining his home, health
and happiness. Drink had inflamed
his stomach and nerves and created
that unnatural craving that kills con-
science, love, honor and breaks all
family ties.

But read her letter:
"I feel it my duty to say a few
words about your Tablets. As you
are aware, I sent and got a bottle,
thinking I would try them in secret.
My husband had only taken them a
week when he told me he was going
to Port Arthur for the summer, so I
had to tell him all about the Tablets.
He said he would take them just the
same, so I sent and got the second
bottle for fear one would not be
enough. He writes me saying he has
taken the contents of both bottles,
and he feels splendid, does not care
for drink. In fact, he has not taken
any liquor from the first of my giving
it to him. I feel I cannot say too
much in favor of your wonderful
Remedy.

"Mrs. S. Trenton, Ont."
Samaria Prescription stops the crav-
ing for drink. It restores the shak-
ing nerves, improves the appetite and
general health, and makes drink dis-
tasteful, and even nauseous. It is
used regularly by Physicians and
Hospitals, and is tasteless and
odorless, dissolving instantly in tea,
coffee or food.

Now, if you know any home on
which the curse of drink has fallen,
tell them of Samaria Prescription. If
you have a husband, father, brother
or friend on whom the habit is

gaining its hold, help him yourself.
Write to day.

A FREE TRIAL PACKAGE of
Samaria Prescription, with booklet,
giving all particulars, testimonials,
price etc., will be sent absolutely free
and postpaid to plain sealed package
to anyone asking for it, and mention-
ing this paper. Correspondence
secretly confidential. Write to day.
The Samaria Remedy Co., Dept. 44,
49 Colborne St., Toronto, Canada.
Also for sale by Miss Wain,
Druggist, Campbellton.

GENERAL NEWS

The Ontario Department of Education will cope with the scarcity of teachers by establishing several additional model schools.

Miss Hulda D. Loud, editor and proprietor of the Rockland Independent, died last week in the house where she was born, 66 years ago. She was one of the first women in Massachusetts to espouse the cause of women suffrage.

Two million dollars worth of gold was shipped to Ottawa from the receiver general's office in Toronto last week. This gold came from the United States about 5 years ago and has been in the vault ever since.

After the first of October, it will be unlawful to have common drinking cups in any park, public building, factory, theatre, school or railway station in New York. An investigation by the city board of health has shown the great danger of the transmission of disease by their use.

The British government has not yet recognized the new government of Portugal. The elections in Portugal have been postponed for the fourth time, and there is a strong movement for the restoration of the monarchy.

This is the centennial year of Portland cement, so called from its resemblance, when set, to a certain building stone obtained at Portland, England. Though the discovery of the process of making the cement dates from 1811, the first important work to which it was applied was the building of the Thames tunnel, in 1828.

Needy life savers, or their families, connected with the thirteen stations on Cape Cod are to have the benefit of a fund of \$25,000 created by the will of Mrs. Charlotte Augusta Bradstreet of Boston.

An exhibition of the wonderful collection of tiaras to be worn by the members of the Royal family and peeresses has been opened in London. The object of the exhibition is to benefit the Prince Francis of Teck Memorial Fund, for the endowment of "Middlesex Hospital."

Immigration to Canada from the United Kingdom is so far this year fifty per cent. larger than it was in 1910; and there are also more immigrants coming from the United States than there were last year. An enormous rush into the new country of the Peace River is expected.

A mob of 200 masked men stormed the jail at Lawrenceville, Ga., and attacking the sheriff and taking his keys from him, secured a negro, Charles Hale, charged with assaulting Mrs. C. G. Williams. They hanged him from a tree in the business section of the town and riddled the body with bullets.

Rev. Dr. Shearer is issuing a warning to working girls that Toronto is being made a recruiting ground for women agents of white slaves, who visit ships, and after becoming friendly with girls attempt to lure them to go to the States. The largest and oldest chair ridge in the world is said to be a kingdom, in China, where it forms a perfect road half a mile in length from the top of one mountain to the top of another.

Dorchester, April 13.—There was a meeting of telephone users in the County Court House on Monday evening last, to protest against the unfair and grasping methods of the N. B. Telephone Co.

The feeling of the meeting was most pronounced against the Company. A strong resolution was passed unanimously: that the people be urged to sign no contracts with the Company. A strong committee, representing wealth and influence, was appointed to look into at once the organizing of a local telephone company and report back to this meeting to be assembled at the call of the chair.

The richest tungsten mine in the world is located in Guysboro County, Nova Scotia. It has recently been sold to a syndicate of Canadian capitalists.

Owing to the scarcity of domestic servants in Montreal and other places fifty-eight dusky belles from the island of Guadeloupe have come to Montreal and forty-eight more will follow shortly.

When a medicine must be given to young children it should be pleasant to take. Chamberlain's Cough Remedy is made from leaf sugar, and the roots used in its preparation give it a flavor similar to maple syrup, making it pleasant to take. It has no superior for colds, croup and whooping cough. For sale by all dealers.

A Montreal bookseller wrote to a house in Toronto asking that a dozen copies of Canon Farrars "Seekers After God" be shipped to him at once. Within two days he received this reply by telegram.

"No seekers after God in Toronto, Try New York."

That's the only way you can afford to keep them, because any lameness means less work and less profit to you. Spavin, Splint, Curb, Sweeney, Ringbone, Swelling or Lameness need not prevent your horses from working. Simply use Kendall's Spavin Cure. It works while the horse works—takes away the pain—reduces swellings—makes legs and joints sound and strong—leaves no scars or white hairs because it does not blister.

Kendall's Spavin Cure

Has been the horseman's standby for 40 years and is used all over the world. Burns, Ont. Sept. 10th 1909. "I have used Kendall's Spavin Cure and it cures all Spavin Cases." WILLIAM H. DODD. Keep your horses sound as a dollar. Get Kendall's today and you will have it tomorrow if needed. \$1 a bottle—6 for \$5. When you buy, ask for free copy of our book "A Treatise On The Horse" or write us 51 Dr. R. J. KENDALL CO., Enosburg Falls, N.Y.

Who Guarantees Your Suit?

What sort of a label is in the suit you have on?

Is it just a high-sounding title, or the firm name of a reliable Canadian business house?

"PROGRESS BRAND" CLOTHING comes to you with a double guarantee.

It is guaranteed by the firm who makes it, and by the firm who sells it.

Both are well able and willing to make good the "Progress Brand" guarantee of "money back if you want it."

See that the "Progress Brand" Label (shown above) is in your new spring Suit and Overcoat.

The thing to consider
In purchasing a sound-reproducing instrument is the fidelity with which it reproduces the human voice in songs or speeches and the musical notes of instruments. Until you have heard the

Edison Phonograph
you cannot appreciate how far Mr. Edison has carried his invention in this respect.

Every note of music and every syllable of a speech is not only clear and distinct, but also a perfect reproduction of the singer, band, orchestra or speaker who made the original Record.

There are Edison dealers everywhere. Go to the nearest and hear the Edison Phonograph play both Edison Standard and Edison Amberol Records. Get complete catalogs from your dealer or from us.
Edison Phonographs, \$25.00 to \$350.00. Edison Standard Records, etc. Edison Amberol Records (play twice as long), etc. Edison Grand Opera Records, etc. to \$2.50.

The New Home of

Fit-Reform

Hand Tailored Garments

DOUBTLESS you, who wear Fit-Reform Suits and Overcoats, have often wondered where, how and under what conditions, these superb hand-tailored garments are made. The new home of Fit-Reform is shown above.

YOU—and the other well dressed men of Canada—have made this big building a reality. The enormous increase in the demand for these highest class of hand-tailored garments necessitated increased facilities.

LAST year, the entire Fit-Reform Building was acquired, and completely remodeled to suit the special requirements of Fit-Reform.

THE Fit-Reform Building stands at the foot of Beaver Hall Hill, in the heart of the financial and business district of Montreal. It contains over 50,000 square feet of floor space—a model of cleanliness and sanitation—and is the largest and most complete high class tailoring establishment in Canada.

WE are showing the latest creations in Fit-Reform garments—spring, designed and tailored in the Fit-Reform Building shown in miniature above.

NEW REGULATIONS IN GAME ACT

Surveyor General Makes Formal Announcement of Changes.

Hon. W. C. H. Grimmer, Surveyor General announces the following regulations as having been put into force under Section 52 of the Game Act of 1909:

1. The use of sink boxes, so called, in shooting geese or brant, is restricted to the hours between daylight and twelve o'clock noon each during the hunting season, and the same can only be used by a person having a license therefor issued by the Surveyor General. The person obtaining such license shall use one sink box only and shall have his name and number of his license displayed in plain sight on his box. Immediately after twelve o'clock noon each day the owner of such sink box shall remove the same from the shooting ground or sink it out of sight. Any sink box not licensed shall be destroyed by any game warden or other persons finding the same and any box licensed and left on the shooting ground after the hours herein named may also be destroyed by any game warden or other person finding the same. The chasing of geese, brant or ducks by power, sail or other boats to cause them to fly or to drive them away from their feeding grounds is strictly prohibited. The fee for the license above herein mentioned shall be \$1.00 per year.

2. Notwithstanding anything contained in "The Game Act, 1909," and amending Act, it shall be lawful for the residents of the parish of Grand Manan in the county of Charlotte, to shoot black duck within the boundaries of said parish between the first day of October in any year and the first day of March in the next following year.

3. That the limit under the Game Act for duck shooting shall be twenty birds per gun per day.

4. That the limit under the Game Act for partridges and woodcock respectively shall be ten birds per gun per day, and that no other means of killing partridges and woodcock shall be allowed except by shooting.

5. The sale of woodcock is prohibited between the date of this regulation and the first day of September, A. D. 1912.

EXPORT OF PULP WOOD

The Act passed by the Provincial Legislature last week regarding the disposition of pulp wood, other than poplar, cut upon crown lands, is a good one. It provides that such pulp wood must be manufactured within the Dominion of Canada. As Quebec and Nova Scotia have all the pulp of their own they need, the act will, in practice, merely cut off the export to the United States of pulp wood produced on our public lands. It will encourage the erection of more pulp and paper mills in this province, thus enlarging the sphere of our industry and increasing the number of our working men and the farmer's opportunities to dispose of his farm products in the home market. As the Act refers only to wood cut upon crown lands it does not interfere with any real or imaginary private right, while it will benefit the whole world in eliminating the needless loss of time and labor hitherto sustained in the transportation of the raw material from our forests to the distant mills of the United States. The pulp can be more cheaply manufactured in the vicinity of its origin, thus making an absolute saving of a large percentage of the present cost. The gain to the province will be great. Whereas only about \$7.00 a ton is paid in wages in this province for the preparation of pulp wood for export, it provides about \$15.00 if manufactured into pulp here and from \$35.00 to \$37.00 a ton if fully made into paper here. The government's decision to follow the example set by Quebec and Ontario is to be commended.

As little as possible of our natural products should be sent out of the country to be manufactured. Paper should be made, lumber sawn into deals, boards, laths and shingles; iron smelted, and gypsum ground as near as possible to the place from which they are cut or dug. It is a great loss to the country to have our iron ore shipped to the United States to be smelted and worked by outsiders who expend the least possible sums in the country in which the iron is mined. The Act relating to Pulpwood, however, is a distinct gain, and the country will stand for a lot more of government regulation and ownership.

THE FAILURE OF PROTECTIVE TARIFFS

The discussion started by the Canadian Government's reciprocity agreement with the President of the United States has been productive of great good in more ways than one. Not the least of the beneficial results is the greater awakening of the people to the inherent inequity of the Protective system. Not only the justice of High Protection at all is being seriously called in question. So whether the Reciprocity Agreement becomes law or not it will not have been made in vain. In an able editorial on "Ruling Classes," the St. John Daily Telegraph of a recent date has the following timely remarks upon the political failure of the United States which failure, though by no means entirely due to fiscal mistakes, has been greatly hastened by that country's tariff system:

"The excessive protective tariff system among our neighbors is simply a means by which certain interests get control of legislation in order to tax their fellow-citizens for their own benefit. Some of the victims get strong enough to force admittance into the steel, so it comes to be the accepted idea in the pursuit of wealth that the way to success is to organize a steal of some kind and to get inside of it. Everyone must have his little sphere of plunder and special advantage. The administrators of American life insurance the children of poor people at a decided disadvantage educationally with the sons and daughters of the well-to-do. The parents who are too poor to do without putting their children under sixteen years of age to work should be assisted by the government so that their little ones may receive as good a start in life as any others. Poverty should never be allowed to deprive a child of a good elementary education. Let everybody have an equal opportunity!"

BABIES SORES

Every mother should realize that the skin of her baby is so tender that the secretions of the body often lead to rashes, eruptions, etc., all of which may be removed by Zam-Buk and the use of Zam-Buk Soap. Scores of restless, crying babies, upon examination, are found to be suffering from some form of skin irritation or "heat." Use Zam-Buk Soap for the bath and apply Zam-Buk Balm to the sores, and the trouble will soon vanish.

Mrs. L. Hood, of 415 Alexander Ave., Winnipeg, says: "Some nasty sores broke out around my baby's mouth, and despite all the preparations used, they refused to heal. I took him to St. Boniface Hospital and he remained there for two weeks. At the end of that time he was no better, and we again took him home. I was then advised to try Zam-Buk and obtained a supply. The effect of the first few applications was very gratifying and I continued with the use of the balm. A little perseverance resulted in a complete cure."

Zam-Buk Soap is sold by all Druggists at 50¢ per tablet and Zam-Buk Balm at 50¢ per box. The Zam-Buk treatment quickly cures eczema, scabies, sores, ringworm, eruptions, pimples, heat, rashes, skin, etc., turns all skin irritations and sores.

Zam-Buk

Amatite ROOFING

"THIS IS THE ROOFING THAT NEEDS NO PAINTING"

Frequently the cost of painting a roofing amounts to almost enough to buy a new Amatite Roof.

Amatite can be laid right over shingles, tin or other ready roofings. The directions hold good for laying Amatite anywhere and over anything, and are as simple as A B C.

For further information, booklet, samples etc., address nearest office.

Crenoid Lice Destroyer and Cow Spray
Cows give more milk if sprayed with Crenoid to keep away the flies which make them restless. The poultry output will be increased if the hen house is made obnoxious to insect pests by disinfection with Crenoid.

Everjet Elastic Paint
A very tough, durable paint at a low price. One color only—a lustrous black. Use it for machinery, heating apparatus, smokestacks, roofs, fences, water tanks, etc.

CITATION

New Brunswick,
County of Restigouche, S. S.
In the matter of the Estate of Johnston McKenzie, deceased.

To the Sheriff of the County of Restigouche or any Constable within the said County GREETING:

Whereas Stenning H. Lingley and Henry F. McLatchy, Executors of the last Will and Testament of Johnston McKenzie deceased, have filed in this court an account of their administration of the estate of the said Johnston McKenzie deceased, and have prayed that the same be passed and allowed in due form of law and distribution of the said estate directed according to the terms of the last Will and Testament of the said Johnston McKenzie deceased:

You are therefore required to cite the Heirs of the said Johnston McKenzie and all other persons interested in the said estate to appear before me at a Court of Probate to be held within and for the said County of Restigouche at my office in the town of Campbellton in said county, on the ninth day of May next, at two o'clock in the afternoon, then and there to attend at the passing and allowing of the said accounts and at the making of the order for the distribution of the said estate as prayed for and as by law directed.

Given under my hand and the Seal of the said Court, this 19th day of April, A. D. 1911.

E. SULLIVAN

That Busy Man.

Many men are so busy these days that they believe it is a waste of time to devote a thought to their wearing apparel. There are men whose very activity make every time saving arrangement important.

When such a man finally realizes he needs a suit, he wants it at once. IMMEDIATELY next week won't do.

He wants a suit of clothes - wants them right - but wants them now.

That is the demand we cater to with Fit-Rite clothes.

Fit-Rite clothing must not be confused with ordinary "hand-me-downs," the skill of the most extensive and highly-trained tailoring establishment in Canada is concentrated in every little detail of design and workmanship that will help to give the individuality and distinction that are characteristic of Fit-Rite clothes.

FERGUSON BROS.

For Good Clothes.

Dalhousie, April 20—The new Council were elected by acclamation last Friday, the talk of opposition packing down. The following constitute the council: Mayor, Mr. W. S. Montgomery, Aldermen, Messrs. John McNeill, John McLean, John Oakleaf, Dan McDonald, E. Elshiger, John Delaney, Joseph McIntyre and Dr. Doucette. It is not quite certain whether there will be a dance or not to celebrate the victory.

There will be an Anti-Reciprocity meeting in the Court House to-night. Diligent search failed to reveal the association promoting this.

Lame Back

To have a lame back or painful stitches, means disordered Kidneys, and the sooner you have the Kidneys and Bladder in a perfectly healthy condition, the sooner you will enjoy life. As far as we know there is only one remedy that is guaranteed to cure you, and that is SCOBELL'S GIN PILLS. If they don't make you a strong, healthy person in two weeks your money will be refunded, 50c a box or three for \$1.00 at all leading druggists, or by mail from the Gin Pill Co., St. Catharines, Ont. The White Drug Co., Sole Agents.

Beware of Get rich quick schemes in Asbestos stocks. Who did you say was selling these?

The first duty of the new council will be to appoint a Liquor License Inspector under the Scott Act. It is necessary to have a man thoroughly in sympathy with the local option movement or the provisions of the act will not be enforced.

Mr. George Haddow has had a signal honor conferred on him being invested by command of the King of Norway with the Knight-

FREE ADVICE TO WOMEN

Women suffering from any form of illness are invited to promptly communicate with Mrs. Pinkham at Lynn, Mass. All letters are received, opened, read and answered by women. A woman can freely talk of her private illness to a woman; thus has been established this confidence between Mrs. Pinkham and the women of America which has never been broken. Never has she published a testimonial or used a letter without the written consent of the writer, and never has the Company allowed these confidential letters to get out of their possession, as the hundreds of thousands of them in their files will attest.

Out of the vast volume of experience which Mrs. Pinkham has to draw from, it is more than possible that she has gained the very knowledge needed in your case. She asks nothing in return except your good will, and her advice has helped thousands. Surely any woman, rich or poor, should be glad to take advantage of this generous offer of assistance. Address Mrs. Pinkham, care of Lydia E. Pinkham Medicine Co., Lynn, Mass.

Every woman ought to have Lydia E. Pinkham's 80-page Text Book. It is not a book for general distribution, as it is too expensive. It is free and only obtainable by mail. Write for it today.

hood of St. Olaf. We rejoice at this reward for 46 years meritorious service as Norwegian Consul, and trust that our good friend will be long spared to wear his insignia. The decoration consists of a silver and enamel star surmounted by a crown of silver in filigree work with the inscription on enamel Ret Og Sandhed. As far as we know this is the first investiture of this order in Canada.

The services in St. Mary's church on Easter Day, were bright and joyous, and were attended by large and reverent congregations. The singing was most hearty and inspiring. In the morning, "Christ our Passover," by Constance, was effectively rendered by a full choir, and in the evening, "Lift up your heart," by Berridge, was also given, much to the satisfaction of the congregation and with credit to the chorists. The tenor solo in the latter anthem, was taken by Mr. J. B. Storer and was much appreciated. The annual business meeting of the congregation was held on Easter Monday. Last year's officials were re-elected. The financial report for past year showed a substantial balance on hand, but as an increased expenditure during the coming year is anticipated, there must be no slackening along financial lines. The other reports also showed progress. Laus Deo.

The action of the Legislature in promoting the prohibition of exporting pulp wood will hurt the province greatly and Dalhousie in a marked degree. What is the use of getting a New Bond issue for new industries and killing the present mills at the same time.

Who was it who bobbled up the station road on Monday carrying a honey-moon valise? We are not giving a prize for the correct reply.

\$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer ONE HUNDRED DOLLARS for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O.

Take Hall's Family Pills for constipation.

An influential petition is being signed for presentation to Hon. G. P. Graham with relation to the importance of having the main line of the I. C. R. run through Dalhousie. The main points in the memorial are that the cost of the right of way would be nominal, it would release the I. C. R. from the expense of the upkeep of the Branch line and add to the Commerce of the town thereby increasing the traffic and revenue the value of the port as a coal terminus for the distribution over the section of the road, and the advantages to the town in developing its facilities as a deep water port.

The weather for the past week has been very mild. Reading on the thermometer.

PROFESSIONAL

O. J. McCully, M. R. C. S. local practice limited to the eye, ear, nose and throat, will visit Campbellton on Tuesday and Wednesday, May 2nd and 3rd, and can be consulted at the Arlington. From this on he will make regular visits on the first Tuesday of each month.

WHIST PARTY AT HOTEL DIEU

A successful Whist Party was held on Wednesday evening last, the proceeds being for the benefit of the Hospital Funds. A large number enjoyed the cards, 23 tables being occupied by whist devotees. Six prizes were given. Mrs. John Harquail won Ladies' first prize. Mr. Fred Danter won second prize and Miss Kane got the Booby Prize. Refreshments were served at the close of the game and the comfort of the visitors looked after, in her usual manner by Miss Vermette.

HAIR HEALTH

If You Have Scalp or Hair Trouble, Take Advantage of This Offer

We could not afford to so strongly endorse Rexall's "93" Hair Tonic and continue to sell it as we do, if it did not do as we claimed it will. Should our enthusiasm carry us away, and Rexall's "93" Hair Tonic not give entire satisfaction to the users, they would lose faith in us and our business prestige would suffer.

We assure you that if your hair is beginning to unnaturally fall out, or if you have any scalp trouble, Rexall's "93" Hair Tonic will promptly eradicate dandruff, stimulate hair growth and prevent premature baldness.

Our faith in "Rexall's "93" Hair Tonic is so strong that we ask you to try it on our positive guarantee that your money will be cheerfully refunded if it does not do as we claim. Two sizes, 50c. and \$1.00. Sold only at our store—The Rexall store. Thos. Wran.

Public Notice.

On the 26th day of APRIL, at ten o'clock in the morning, shall be sold at public auction, at the church door of the Presbyterian Congregation of Kempt Road, in the Township of Restigouche, County of Bonaventure the following immovable property, to wit:

"The Lots Numbers 27-28-29, twenty-seven, twenty-eight and twenty-nine in the First Kempt Road Range, of the township of Restigouche, containing three hundred and fifty-four acres in superficies, together with all the buildings thereon erected."

Also, on the 25th day of April, 1911, at ten o'clock in the morning, shall be sold at Public Auction, at the church door of the Presbyterian Congregation of Escuminac, in the Township of Nouvelle, County aforesaid, the following immovable property, to wit:

"The Lots Numbers five and seven, (No. 5 and 7), of the Glen Range, Township of Nouvelle, containing one hundred and eighty five acres in superficies, together with all the buildings thereon erected."

The said property forms part of the estate and succession of the late Miss Sarah Jamieson, in her lifetime of Kempt Road Hill.

Terms: Cash, with warranty against all trouble and eviction.

For further particulars, apply to HUGH SILLARS, Esq., Curator, or to the undersigned Attorneys, RIOPEL & LAVERY, New Carlisle, Mar. 30th, 1911-1 pd.

PUBLIC NOTICE

Public notice is hereby given that a subscription list has been opened at the office of the Town Clerk for the convenience of all "Georges" wishing to contribute to the King George Coronation Gift Fund.

It is proposed that subscriptions be accepted from 5 cents to \$5.00. A list of all donors, but not the amount given by each will be presented to the King.

As the monies collected must reach Ottawa by the first of June I would request that contributions be made to me not later than May 27th.

By order of the Town Council.
John T. Reid,
Town Clerk.
Campbellton, N. B., April 19, 1911.
April 21, 21s.
