ONTARIO IS TRUE TO SIR JAMES

Political Catch-Cry is Forever Silenced by the People.

French Votes Catered to and Won by Rowell.

TORONTO, June 30.—Ontario has declined to discard the third Government of Sir James Whitney to place in office Mr. Newton Wesley Rowell and the exponents of his one-plant policy. The feverish campaign of the Liberal leader himself, the climax of the party press, and the fulminations from the pulp of those clerical men who fell for the cry of "Abolish the bar," added but a handful of members to the corporal's guard of Liberals in the Legislature for the past decade. The common sense of the electors and their gratitude for the stainless administration and progressive legislation of the present Government remained unshaken. Mr. Rowell himself received an intimation of the temper of the people in his own constituency of North Oxford, where his majority of 560 at the last general election was reduced to 125. As a result of the voting throughout the province yesterday, Sir James Whitney and his Government will have 84 members in the new Legislature. Mr. Rowell will have a following of 25, and there will be 2 Independents, including Mr. Gustave Evanturel, the Liberal, who was compelled to resign his seat in the last House because of his negotiations with the officials of the liquor men's organization, and who gained the day in a three-cornered fight in Prescott by an appeal to the racial feeling of the French electors. The second Independent, Arthur Strohme, the Liberal member, who was re-elected in East Hamilton by a substantial majority. The Government thus comes back to the Legislature with one seat more than it had after the general election of 1911. It has a majority of 59 over the Liberals, and 27 over the Liberals and Independents combined. Mr. Rowell on the other hand, boasts only three more followers than at the close of the polls on December 11, 1911. With definite returns lacking in a number of cases it was impossible last night to arrive at the Government's popular majority. But despite the fact that Mr. Rowell has a net gain of six seats, the increased majorities given to Government candidates make it evident that the Liberal leader has behind him

Ham's Majority is 340 In South Brant Riding

Features of Contest Just Closed—Mr. Brewster Fought Against Tremendous Odds, and the "Moral" Issue Was the Result of Political Machinations Here—Victory Was Soon Forgotten When the Voice of the People of Ontario Was Heard.

South Brant and North Brant yesterday took the most progressive and thoroughly honest government it ever had, and Joseph H. Ham of this city and Scott Davidson of Paris are the new representatives from this county in the Ontario Legislature. In Brantford, the biggest vote on record was polled, over 6,000 voters all told marking their ballots. The campaign was one of the most strenuous on record, and the interest in the result was intense. The result, to put it mildly, was somewhat of a surprise although it was known by Conservatives that the opposition to be encountered in Brantford, for reasons which became evident early in the fight, in conference, pulpit and Sunday school, would be of the stiffest kind. Yesterday's figures in Brantford city show that Conservatives were led away by the score by the political catch cry with which they were harpooned. While pulpits were used in Brantford for a great moral victory on behalf of the Liberal candidate, the Liberal machine was hustling and doing its utmost to line up the foreign vote, and corralled beyond doubt this vote was when voting day came. To the Conservatives who deserted their party in Brantford yesterday will doubtless come the realization that the issue was not a moral one, as was honestly supposed by those who changed their

MANY CASES WERE AIRED IN POLICE COURT

Heavy Fine for Keeper of Disorderly House—Massey-Harris Case.

There was a variety of cases, principally those adjourned from the previous week, to be dealt with by Magistrate Livingston this morning. Wm. Barton was found guilty upon a charge of seduction and was remanded a week for sentence. Mr. W. S. Brewster, who defended, and the prosecution, had a lengthy discussion on a previous case of a similar character, and although Mr. Brewster contended that it supported his argument, the magistrate held that it was a precedent upon which he based his judgment for conviction. The defendant's solicitor then asked for a stated case, and this was granted, and the point will be argued during September 15th. The Massey-Harris Affray. The charges of assaulting peasant Charles Wiley was taken up today. It originated in the affray which nearly ended in the death of Charles Clements, when he was seriously injured by having his lung pierced when he was hit by a mower guard thrown by defendant after having "a few words with each other." Mr. Charlton who defended Wiley, said that it was simply a case of the outcome of a little joke or fun. Both parties had, while working at the Massey-Harris shops, had made faces at each other and jokingly then threw pieces of iron to each other. The second piece, thrown was a mower guard, and it accidentally hit Clements, while there was no intention of it hitting him. "There was no ill-feeling," he declared, and it was a pure accident.

VIEW OF BOTH SIDES ARE GIVEN IN PRESS ON THE ELECTION RESULTS

French Papers Very Caustic Although They Made a Dead Set Effort to Help Rowell—Good Old Ontario Will Continue to be Governed Honestly—Liberal Leader Rejected Decisively

[By Special Wire to the Courier] WINNIPEG, June 30.—The Telegram says: The results in Ontario are not without their moral for the electors of Manitoba, who, eleven days hence, will be called upon to pass a verdict for or against local option. The contest in this province in that single particular is similar to the Ontario combat. Sir Rodmond Roblin stands with Sir James Whitney on the local option issue. While it is true that Mr. Norris has not pledged himself to banish the bar, that policy has been set up in opposition to the Roblin government policy of total prohibition by local option. Mr. Norris' attitude is thus notably weaker than that of Mr. Rowell. He lacks the courage of his convictions, which characterized Mr. Rowell's advocacy of the "fad."

[By Special Wire to the Courier] OTTAWA, Ont., June 30.—The Ottawa Citizen (Conservative) which supported Mr. Rowell yesterday, says: "The return of the administration of Sir James Whitney to power in such a decisive manner shows conclusively that the time has not yet arrived in this country, at any rate, when the voters are willing to forsake their political issues for the endorsement of non-partisan moral issues when such are incorporated in the party platform of either of the well-managed organizations, notwithstanding appeals to their better instincts; it is an enlightening illustration of the strength of party feeling and union, that voters in themselves of the highest character, personally, are nevertheless unable to bring themselves to endorse issues which when divorced from party association, merit their approval and commendation."

HOW MANY ONTARIO RIDINGS VOTED IN YESTERDAY'S PROVINCIAL FIGHT

Tremendous Majorities Rolled Up Behind Government All Over—Hypocrisy Was Repudiated by the People—Ottawa Elected Liberals on Language Issue Alone

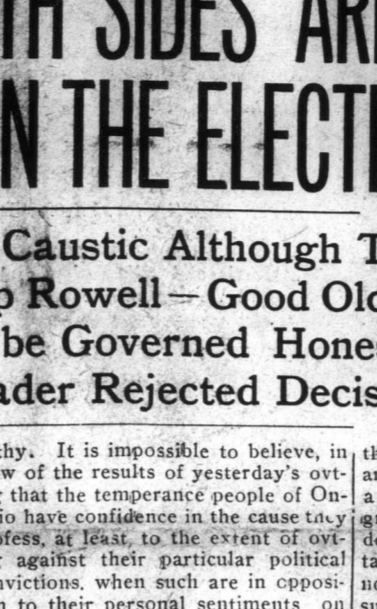

HAMILTON, June 30.—The return of Col. the Hon. J. S. Hendrie for West Hamilton was a complete vindication of the Whitney policy. While Allan Studholme was returned for East Hamilton, the victory for the Labor candidate was not unexpected. With forces of Grits, Labor and temperance Conservatives in East Hamilton combined against him, Controller Jutten, though a strong man had little chance. Col. Hendrie's majority was 1,627 over Dr. Davey, the temperance Liberal, while Studholme's majority was 1,029. Col. Hendrie's majority was increased by 200 over the last election. His majority was remarkable when one considers the bitter, almost malicious, fight which was waged against him by the churches and several ministers. The vote was light as compared with the last election. The following table shows the results.

Table with 2 columns: Riding, Votes. Includes HAMILTON, WENTWORTH, and KINGSTON.

Dr. Ross' Majority the Biggest Ever Secured in Kingston. KINGSTON, June 30.—Kingston decided to support the Whitney policy yesterday when it re-elected Dr. Ross by a majority of 1,466, the largest majority ever accorded a candidate in the history of elections in this city. Ald. T. F. Harrison, the Rowell candidate was snowed under, for Dr. Ross' majority was larger than Harrison's total vote. The figures were: Ross, 2900; Harrison 1,434. The Conservative candidate received a majority in every one of the 26 poll-

HONESTY IS REWARDED BY THE PEOPLE

Montreal Views of the Return of Sir James Whitney to Power.

[By Special Wire to the Courier] MONTREAL, June 30.—The Daily Mail commenting on the result of the provincial elections in Ontario yesterday says: "The return of Sir James Whitney to power in Ontario, with a reduced majority, but still with strong support in the legislature, is what was generally expected. Responsible public men can count upon public gratitude for work well done. The reward of a public trust well kept is reasonably certain. "Viewing the election result from a disinterested standpoint one cannot but feel grateful that Sir James Whitney, at this late date in his public career, has received another endorsement. He has been a good public servant. He has grown old in office and has weakened in health under the strain of arduous labors. Had he been turned away, the world would have been a pathetic figure. He did not deserve that fate, and Ontario did not give it to him. Undoubtedly many temperance voters gave him their support, not because they loved temperance less, but Whitney more."

CROWD AT COURIER ENORMOUS

How Returns Were Received—Mr. Brewster Speaks.

Enthusiasm in Spite of Local Defeat Ran High.

Local Conservatives took the outcome in the two Brants in a good humored way. They were disappointed of course, but along came the returns of a party sweep throughout the province, and their spirits naturally commenced to rise. At the Courier building, most complete arrangements by private wire and otherwise, had been made to secure prompt returns. This paper before six o'clock had a special out-announcing Mr. Ham's return, and by means of a stereoscopic machine details from here and all over were flashed on a large sheet across the way. Thousands were gathered in front of this office and cheers were hearty and numerous, as win after win for Whitney were recorded. These were especially noticeable for Sir James Whitney, Sir Adam Beck and Hon. Mr. Hanna. The big falling off in Rowell's majority in Oxford was greeted with laughter and applause. The Liberals having started a procession, headed by the Dragon band, it was flashed on the screen that the Conservatives would have one also, headed by the Dufferin Rifles band. The two passed and re-passed each other in front of the Courier, with cheers and counter-cheers, fireworks, flaming brooms and all the rest of it. The conservative parade was out to the eastern portion of the city and then back to Mr. Brewster's house. Such throngs and such good humored excitement were never before witnessed in this city, and matters were kept up until a late hour.

Speeches at Courier Office. From the Courier balcony the usual speeches were made. Mr. Harry Cockshutt first of all, addressed the multitude, followed by Mr. F. D. Reville and Mr. Hall. At the close of the latter's address, the returning Conservative procession arrived. Messrs. Brewster and W. F. Cockshutt, M.P., were loudly cheered as they alighted from the auto in which they were riding. There was another big outburst as Mr. Brewster stepped forward to speak. He thanked the good people of Brantford for all they had done for him. Their cause had been defeated this time, but the Conservative standard had always stood for right and justice and always would do so. (Applause.) Those principles, he would ever triumph. In the long run South Brant would again be redeemed and placed where it properly belonged. (Loud applause.) He thanked everyone of his supporters from the bottom of his heart for their loyal work and assistance. No man ever had a better band of fighters at his back. He had been beaten, not for lack of their loyalty, but because of misrepresentations, not to say absolute falsehoods. (Cries "That's so.") He had not a word to say against the

Davidson Is Elected By 46 in North Brant Riding

Traditional Liberal Riding Slipped Back by Scant Vote to the Grit Column—Mr. Westbrook's Admirable Campaign—Paris Gave Substantial Conservative Majority—Rural Districts Went Back to Liberalism.

North Brant, traditionally a Liberal stronghold, yesterday elected Scott Davidson, the Liberal candidate, by 46 majority. The fight was one of the closest in the history of the riding, which had, with one exception, always returned a Liberal to the Ontario Legislature by a very large majority. Mr. J. W. Westbrook, the popular Brantford Township farmer, put up a splendid campaign for the Conservative cause, and his defeat, while regretted generally, is by no means regarded as a permanent setback. The result of the contest was in doubt until the last minute, and from

NEWS OF BOTH SIDES

(Continued from Page 1)

Well, What of It? The Toronto Star commenting on the election results says in part: There is no occasion for fault finding. It is true that very few Conservatives were ready to put the abolition of the bar before their party alliance, but they were exercising an unquestioned right in marking their ballot as they did. It is a remarkable fact that the Liberals gained more in Toronto than throughout the province. They did not succeed in capturing a seat, but they polled three times as many votes as in the election of 1911. They polled 20,000 more votes than in that election, while the Conservatives increased their vote by only five thousand.

An Independent View. The Montreal Star (Independent) says: The strong Whitney Government still retains the confidence of the people of Ontario. This is the fair and just reward of having given that province good government. An appeal was made to a great moral sentiment and Ontario is a great moral province. It was, therefore, more or less uncertain what might happen under pressure of such an appeal. However, the people of Ontario have declined with emphatic decision to dismiss a good government because an untried opposition leader came forward as the advocate of a single moral measure.

French Ruffled. MONTREAL, June 30.—La Presse (Liberal) says: The lesson that French-Canadians must draw from the Ontario elections is that they cannot hope to secure justice for the people of Ontario, and that they will have to bear much suffering with patience before seeing the end of their misery. Although this achievement is perhaps very far off because fanaticism is difficult to kill, this complicated situation explains the defeat of Hon. Mr. Reame. Without the presence of an Orangemen at the head of public instruction in Ontario, Sir

James Whitney would not certainly try to retain power by such retrograde educational methods. He has proved that he admires the art and language of the French, but has been impregnated by the mob spirit. He is in advance of his time, and perhaps one day Ontario will be sorry that it pushed him, instead of following him, on this question.

Toronto News. TORONTO, June 30.—The Toronto News says: In seven out of thirteen seats which changed in the French vote was influential. If Mr. Rowell had not gained in the French communities he would be weaker in the new Legislature than he was in the old.

Out of all the clergymen who were in the field as candidates only Rev. J. C. Tolmie was elected in Windsor, where a faction quarrel divided the Conservatives. It is not likely that Mr. Rowell will continue to lead the Opposition in the Legislature. His policy was always distasteful to a formidable element of the Liberal party. His program was barely tolerable.

Rev. Spence Heard From. TORONTO, June 30.—It is the opinion of a number of prominent Liberals that the party made a tactical error when it hitched up with the catch-cries "abolish the bar" and "We should have been ten seats further ahead if we had had no such policy," said Robert McKay, K.C., a strong temperance advocate this morning. "I was over the whole province from end to end. You can count on your five fingers of one hand where it cut any ice at all."

Resignation blended with philosophy is the view B. H. Spence took of the matter: "There's one good thing about it," he said. "We've learned that there are no temperance Conservatives, we know that now."

Cut No Ice. TORONTO, June 30.—The Toronto Telegram says there are six seats at least, which were captured by the Liberals from other causes than the party's reluctant acceptance of Mr. Rowell's "moral reform" programme.

Death Was Accidental Is the Verdict

[By Special Wire to The Courier] RIMOUSKI, June 30.—Accidental death was the verdict of the coroner's jury which sat last night on the case of Diver Cossboon, who lost his life on the Empress of Ireland on June 20. Blame was placed on nobody. The chief witnesses were C. W. Weatherspoon, manager of the Yankee Salvage Company, and the employees on the boat when Cossboon went down. The doctor who examined the body said that death was due to asphyxiation, and Mr. Weatherspoon advanced the theory that Cossboon had tampered with the air valve in his helmet, shutting off the air, and was thus smothered to death. On his second trip under the surface, said Mr. Weatherspoon, the diver had found the deck of the Empress, but had got mixed up with the boat falls, and had been ordered up. Going down again he had successfully marked off a spot at of number 4 hatch and there found a body. On the day he lost his life he had trouble with his air valve and had been pulled up exhausted. Against the wishes of his assistants, he had descended again. He went forward to the forecastle head and it is thought that when he had slipped there, he had in some manner affected the valves and lost his life.

THE SHORTCAKE. Aunt Julia knows just what will please the masculine galeot, and from the tall strawberry trees she plucks the crimson fruit. Then in the kitchen she proceeds to mix some kind of dough, that will supply all human needs, and banish grief and woe. Her formula? I know it not—she keeps it 'neath her tile; but oh, her shortcake steaming hot, would make a Timon smile! She dishes up a gorgeous lump, a chunk the gods might eat with cream that never knew a pump, and sugar that is sweet. At restaurants and big hotels much shortcake dwells within my dome of thought; they use one berry to a cake—which berry is a lake of blue and glistly cream. Go, your world from Nome to Rome, no shortcakes will you find; such things are only made at home, by aunts of earnest mind. Not all the skill of learned savants who cook for queens and kings, can take the laurels from our aunts in berry time, by jings.

ministers of the gospel personally, but he did protest, and felt that he had a right to protest against the use of the pulpits for a political party. (Loud and long continued applause.) The Whitney Government had proved itself to be the best and the clearest government ever possessed by Ontario and it was too bad that people hereabouts had swallowed deceptive assertions regarding them. (Applause.) He did not regret the outcome here personally so much as for those who helped him carry the standard. He had served in public life from a sense of duty and had always endeavored to meet the obligations devolving upon him in that capacity. (Applause.) "I accept the verdict without remorse and again I thank my friends from the very bottom of my heart." (Loud applause.)

Mr. W. F. Cockshutt said it was an old saying "he shouts best who shouts last." And boys, we had the last and longest shout to-night. (Laughter and applause.) Mr. Hebert had nothing to apologize for in connection with his reverse. (Cries of "That's true.") Certain pulpits had taken an unwarranted course in the fight. "Only this evening after the result was known, I was 'phoned at my house by a clergyman who asked what I thought of the ministers now? (Cries of "Shame.") I asked him his name but he refused to give it. Then I asked twice more with a like result? He preferred to be not known. (A voice, "So he should.") He denied at the Opera House meeting that the Lord and the Liberals were on the one side, and the results in the province that day had abundantly demonstrated that they weren't. (Applause.) The Rowellite minority was still altogether that and he regretted exceedingly that Brantford had not lived up with the other great centres. The truth was that the people here had been grossly misled. And it had not all been religion because the Brantford Expositor had admitted there was a big campaign fund. Why for? (Laughter and applause.) Whitney was still premier and that long he might remain would be the earnest hope of all who admired decency and honesty in public life. (Renewed applause.)

Mayor Spence closed with a vigorous address. During it a bunch of hecklers in one corner of the throng, attempted to interrupt him. Finally a bunch of Conservative stalwarts moved over to their quarters and the hecklers heeled no more. Proceedings closed with the usual cheers.

Strawberry Festival.

On the evening of Thursday, June 25th, the Governor's Road Baptist Church celebrated their annual strawberry festival at the home of Mr. Alex. Lyons, near Weir, kindly given for the occasion. The management was entirely in the hands of the ladies aid, and the signal success which attended their efforts reflects very creditably. The evening was ideal and the attendance was the largest on record. After feeding to the full, of the splendid strawberries provided, the large crowd were entertained by Messrs Harold Rich, and Eddie Pigott of Toronto, who selection and comedy sketches were much enjoyed. Rev. Mr. Shepperdson of Lynden favored the happy company with an address; Mrs. Ed Lyons of Ancaster with recitations, and Miss M. Armstrong and Miss M. Lyons with piano selections. The receipts realized \$175, and 11.30 p.m. brought a close to the most successful festival of its kind.

LOCAL RIDINGS.

The result in the two Brants shows them to be out of touch with the feeling of the vast majority of the people of the rest of the Province.

More narrow-minded prejudices were evidently allowed to sway here than elsewhere, and the larger view was manifestly absent.

This constituency has always had a faculty of returning Opposition members. They kept the late Hon. Mr. Paterson for eighteen years in that capacity at Ottawa. Then in 1896 they elected Mr. Robert Henry in a like position. After an occupancy of the seat for a term or so by Mr. Heyd, Mr. W. F. Cockshutt also became Opposition member. For the Local House Mr. Preston had one term in Opposition, and now, following Mr. Brewster, Mr. Ham also enters the cold shades. Just what kind of a microbe is doing this thing it would take the Pasteur Institute to find out.

It may be truthfully said of both Mr. Brewster and Mr. Westbrook, they were richly deserving of better recognition and better treatment. For some six years the former made a most efficient representative. He did much for the legitimate interests of his constituents and stood very high in the councils at Toronto. In fact, it is quite well known that he was marked out for high preferment. Mr. Westbrook had served three years, also with much capability and promise.

Of Mr. Ham and Mr. Davidson it may be frankly said that they go to the Legislature under discouraging circumstances, but, at the same time, they have a right to be judged on their merits after they get there. The Courier will certainly accord them that treatment.

THE OUTCOME.

The general result of the Ontario elections cannot be regarded as otherwise than most satisfactory from a Government standpoint, and remarkable in that an Administration, after nine years of office, should still retain such an overwhelming majority.

Whitney has abolished Rowell, and it has been done to the King's taste.

The beauty of it all is that the victory was not achieved by dubious means, but simply on the splendid record of continuously clean and progressive methods.

As for Rowell, he sought, by using the temperance cause and the pulpits for political purposes, to create a stampede, which most markedly failed to eventuate.

The great "moral wave" which was to sweep this Province was not even manifested in the two Brants, although both seats turned over to Rowell. The county portions of this riding have always been strongly Liberal, and largely so in the North.

The city of Brantford only gave Ham 72 majority, and his supporters claimed that they had the large majority of the foreign vote, while Paris gave Westbrook 83.

And right after the results were known the Brantford Expositor came out in a special edition with the heading right across the top: "The Two Brants Return to the Liberal Fold."

Certain ministers and certain local Conservatives will thus see how they were used to help in a struggle for party gain, pure and simple. The incident ought to give them much subject for thought.

As for the general outcome, it has been thoroughly striking. The only Minister to go down to defeat was Hon. Dr. Reaume in the new riding of Windsor. There was trouble in that place. Mr. Fleming (Conservative) beat out the Doctor at what was declared to be an improperly called convention. The Doctor next announced that he was in the field also, and then Rev. J. C. Tolmie (Liberal) and his friends saw a chance to slip in. As the outcome Mr. Tolmie secured 2,243 votes to 3,024 votes for his two opponents. In other words he was 781 votes behind the combined Conservative ballots. Therefore, he is a minority representative. The other Ministers all received magnificent majorities, and many

private members greatly increased their pluralities. The sustaining verdict shows that the Whitneys are still most strongly entrenched in the good-will and the confidence of the electorate, and that they will remain so for very many years.

NOTES AND COMMENTS

Abolished—Rowell. Sir James Whitney is Premier. Lights went out at the Expositor early.

Where will Evanturel sit in the new House?

The people of Ontario have answered some of the prophets.

Well Ham is to be on the bill of fare at Toronto after all.

Evanturel returns to once more sit behind his "beloved leader."

We regret to report locally; but are pleased to report provincially.

Ontario has spoken rudely to the pulpits politicians. It has given them a real slap in the face.

Rowell was extinguished by the people, and it will not be long before Rowell is read out of the party.

Poor Rowell. At best he has on'y a corporal's guard in his slender following who will be of any real help to him.

Rowell might just as well prepare for it. He will get the snickersee for his before next contest just the same as did MacKay.

The popular vote for the Government will be greater than ever before. Conservative majorities show increases nearly everywhere.

It is so long since our esteemed cotem. has had a chance to crow that the whole staff were up all last night practicing the forgotten art.

No gentle Annie the Courier rooster is not on deck to-day, for the two Brants. He is being stall fed, however, until the next opportunity for his parade.

That man Evanturel whom Rowell kicked out is back in the House again. It is not believed that the Liberal leader has saved up any fatted calf for his reappearance.

Mr. Rowell has already expressed satisfaction at the "improved position" of the Liberals in the House. At the same ratio his side will get there in ninety-nine years.

It has frequently been charged that Rowell never secured the endorsement by a Liberal convention of Ontario to abolish the bar. Yesterday's results seem to substantiate the charge.

Bi-lingualism wasn't an issue, but it gave Rowell three seats if not more and all were gains. His evasive handling of this question showed the Liberal leader a real political acrobat.

Outside of the Liberal gains in French-speaking constituencies, where Abolish the Bar was never considered, Rowell lost more ground than MacKay in the Province.

It must be a rude shock to temperance Conservatives to-day to figure up how many "abolish-the-bar" candidates were elected. On Rowell's main plank it is doubtful if he has three-fourths of his scant following with him.

The Expositor last evening says that the cartoon "is that you daddy?" will no doubt be sent on with other Rowell literature to Manitoba for the approaching fight in that province. Go to it, old chap, send it all there, and then some more.

Brantford Liberals took advantage of the fact that the serving of liquor to those who were addicted to the habit to the point of making themselves a nuisance, had been prohibited. Probably a hundred or more votes were gained for Ham on this count. It was fine temperance propaganda.

The local Grit organ has been quoting for some time past the Toronto World. Here is something to-day which it might quote and then pass along to its "holier-than-thou" friends:

"Moral issues as cloaks for political ambitions avail nothing among plain-speaking, clean-living and straight-thinking Canadians. We have no fault to find with the churches taking their place as tonic and strengtheners in the public opinion of the country. But the attempt to drag them wholesale into one political party or another for the benefit of political causes on which the mind of the whole community is widely divided, is good neither for the churches nor for society, and the voters have deprecated the attempt."

Misses Alice and Nellie Hunt of Rowdon street leave Montreal, July 3rd on an extended trip through Great Britain.

HAM'S MAJORITY

(Continued from Page 1)

with the work of the Liberal machine, which rounded up the foreign element, achieved the desired result. Brantford thus sends a new man untired and inexperienced in matters of legislation, to mingle with 23 others of the Rowell following, including several champions of the French language for Ontario, several others absolutely opposed to abolition of the bar and others who championed Liberalism because of party allegiance, swallowed the Rowell prescription, and faced the electors with it.

The loud acclaims with which this result was at first received in some quarters last night died out quickly as returns from Ontario came pouring in, showing how Brantford had been politically duped and robbed of its representation in the best government Ontario ever had. Silence followed the "moral" victory in a manner so impressive that the sham was exposed.

The figures for South Brant received by the Courier are given below. Returning Officer Wade makes his sworn declaration on Wednesday, and there may be some slight change made. Mr. Ham has 340 majority in the riding.

A BIRD IN THE HAND

"A bird in the hand" with two mottoes for the blackest colored man in the province and the most adept chicken lifter in the Dominion.

It was Williams' custom to make off with the fast chicken that came handy, and light or heavy, he right well satisfied with it. One night he had the misfortune of dropping the fowl he carried in order to secure a fatter one.

in the hedge, and a farmer with a musket offered objection by way of a charge of rock-salt. Williams got a month in jail and when he got out he said, "Look you all, I've had enough of this heyr sort of thing and hereafter I see gwine to stick right to my motto: 'A bird in de han' is worf two in de bush.'"

Funny how we all get inter trouble by drop a good thing for smethin' that looks better and I reckon, arter all what we have is jest twice as good as what we haven't got, eh?

THE FORTUNE TELLER

A gypsy maiden, strangely wise, with dusky hair and midnight eyes, with future life unveiled; she said she had read the lines of fate for many another trusting skate, and never yet had failed. She was a mail of savage charms, and she had strings of her arms, and she had strings of her heads; with tinkles she was loaded down; the noisy colors of her gown recalled no widow's weeds. She told me I would live to be as rich as Andy or John D., my dreams would all come true; I'd have a palace on a hill, and vassals near to do my will, a yacht to sail the blue. And as she told what blessings fine, what great rewards and gifts were mine, in low and dulcet tones, her nimble fingers n'er at rest, got closer to my checked vest, and lifted seven bones. She touched me for my meagre roll, that poor misguided, heathen soul, but still her victim smiles; she gave me dreams for half a day and took me with her to Cathay, and the enchanted isles. Her glamor caused me to forget a little while the strife and sweat, the city's bricks and stones;

she took my toilworn soul abroad, and she is welcome to my wad—I still have seven bones.

WALT MASON

To The Editor

BEFORE AND AFTER

Editor of the Courier:

Sir,—Ontario has given her reply to Mr. Rowell's policy in very emphatic terms, in spite of small victories that he has gained in Brant County. Presumably by their attitude during the campaign, our ministers of religion will resort to prayer for the "conversion of the heathen" who have voted against their dictation, and will be only too ready perhaps by next Sabbath to extend the glad hand of welcome to all parties in time for the "collection" plate.

Just to teach these gentlemen to keep within their calling in future and not to meddle with things of the State, it would be well if those who they have from their pulpits undoubtedly insulted, were to refrain from noticing their collection plate for a time and ceased to patronize the pretty little functions often advertised at 25c per tune. It would be a severe lesson, and I just mention it as a good way of

keeping these budding politicians in their places. A minister of religion has to be like to Grit or Tory and give the like ministrations. If he sides with party politics he cannot be doing this and I believe St Paul in his various epistles constantly reminds the church officers of this fact. Anyway, my suggestion above would certainly be a reminder to some of them in the way of "FAIRPLAY."

Sir J. Whitney Issues Statement

TORONTO, June 30.—At noon to-
day Sir James Whitney gave out a
statement in which he said:
"The outstanding fact is that the
people of this province refused posi-
tively to be threatened and coerced by
a few demagogic clergymen who, anx-
ious above all things for the success
of Mr. Rowell were not ashamed, to
make use of a question like the so-called
temperance question as a scourge
to drive us out of office, and their
friends into power also that the great
majority of the clergymen of Ontario
bore themselves during the contest in
a manner distinctly creditable to them
especially having regard to the reck-
less attempts made to embroil them in
the conflict. What those few men
have done to injure the temperance
cause and what they have done to in-
jure the cause of the churches will be
seen more clearly as time goes on."

Two More Bodies Taken From Wreck

[By Special Wire to the Courier]
RIMOUSKI, Que., June 30.—Two
more bodies were recovered from the
wrecked Empress of Ireland by the
divers from H.M.S. Essex yesterday.
one was the body of a man aged about
thirty, and the other of a little girl,
seven years old. Both are unrecogniz-
able and cannot be identified. In the
man's clothing, those of a first
steward, nothing but a few coins and
a bottle opener were found. The girl
wore only a very light night gown.
The bodies will be buried in Rimouski.
The C. P. R. has purchased a plot of
land near Father Point to serve as a
cemetery for the unidentified bodies
that may hereafter be recovered from
the Empress of Ireland.
An Antiquated Indian.
James Fitzpatrick presented an an-
tique and novel appearance this
morning as he wandered about the city.
He is of small stature, and is over eighty
years of age with a face care-worn
in comparison, while down his back
there hangs four or five curls of white
locks, carefully tied with a bow at his
neck. Its length is its main feature,
being past his hips. James comes
from Hamilton and is endeavoring to
sell small postcards for his bread.

RED SOX LOST BEHIND DYKE

Election Kept the Fans Away From Park—Gero Hit Hard.

The Red Sox certainly have many ups and downs, and after going up at Erie on Sunday and snatching a 2 to 1 victory over the Yankees they went down to defeat in the first game of the series yesterday afternoon. Agricultural Park by the score of 11 to 8. Gero again pitched for the Sox but was replaced by Deneau. Sterling did the twirling honors for the visitors and Brantford got to him for hits, while the Petes got 16 off Gero and Deneau.

The game was a heavy slugfest session in which two home runs for the Petes by Stewart and Blount and one for the Red Sox by the invincible Gaby Ivers.

There was a very poor attendance all the fans appearing to have been out electioneering. McParlin and Reed made two efficient umpires.

Table with columns: A. H. O. A. E. and rows for Blount, Thraikill, Welsh, Stewart, etc.

Summary: Runs, Blount 3, Welsh 3, Stewart 2, Rooney Miller 2, Forgue 2, Nelson 2, Deneau, Ivers 2, Lecroix 2, Stolen bases: Roth, Stewart, Rooney 2, Sacrifice hits, Nelson, Blount, Stewart. Two vase hits, Blount 2, Welsh 1. Innings pitched: By Gero 9 hits, 5 runs; Deneau 7 hits, 6 runs. Struck out: By Sterling 6, by Gero 4, by Deneau 3. Bases on balls: Off Sterling 4, off Gero 3, off Deneau 4.

GILMORE AND COBB MEET AT BUFFALO

Federal League Head Denies That They Discussed "Jumping"

BUFFALO, June 30.—President Gilmore of the Federal League, and Ty Cobb of the Detroit American League Club met yesterday in a hotel here. Rumors the Federal League official and made Cobb an offer to join the Federal League, were denied by both Gilmore and Cobb.

"We had just a pleasant chat," said President Gilmore. "We discussed the baseball situation in general and after a few moments' talk Cobb left to amuse a game. The matter of his joining the Federal League now or at any other time was not raised."

President Gilmore stated that he came here to assist Hal Chase in securing himself from the injunction freed by attorneys of the Chicago White Sox which prohibits the first baseman to play with the Buffalo Bisons in New York state.

He brought with him the league's attorney and stated that reports would probably be served within the next five days calling upon the White Sox authorities to show cause why the injunction should not be vacated.

Pending the outcome of the litigation no attempt will be made to pay Chase either in this or any other state said Mr. Gilmore.

President Gilmore left for Chicago last night and Cobb left by boat for Detroit.

TORONTO, June 30.—Manager Reising last night wired President Fitzgerald to the effect that yesterday's game won by St. Thomas in the 10th, was protested on the ground that the run scored by Dunn in the third inning when he scored before Bierbauer was doubled off first base by Lamy drew a long sacrifice fly to Kustus in centre field, with only one out. A letter explaining the whole play will be forwarded to-day.

The box score as the official scorer saw the game, despite the ruling of the umpire that the run did not score is as follows, showing that Heck won his 10th game instead of chalking up a victory for St. Thomas and Pitcher Howick, St. Thomas 3, London 4.

Two Games Here Tomorrow With Peterboro

Two games of ball will be played behind the dyke to-morrow (Dominion Day). A morning and an afternoon game will be played with Peterboro, the morning contest to start at 10 o'clock and the afternoon one at 3.30 o'clock. Manager Deneau confidently expects to take both games.

Several important transfers of ball players came to light yesterday when it was announced that Hamilton traded Gilhooley and Dudley, both infielders to Toronto for Shultz, Frank Long, who returned from Ottawa after being released by the Hamilton club, left at noon to join Manager Deneau's Braves, with whom he has signed. Manager Deneau will probably secure "Dad" Stewart from Peterboro this week, also, completing what should make a formidable outfield, with Long, Stewart and Deneau.

LONDON, June 30.—Everything broke badly for Heck yesterday in his game against the Saints, who were credited with a ten inning victory over the stellar left hander by the score of 4 to 3 in a game which was not conducive to good baseball as a cold sprinkle of rain fell through out most of the contest. Howick, on the mound for the visitors, lived up to his usual form inasmuch that he can beat London any old time he walks into the box, no matter how things break against him, the Saints always come along gathering sufficient runs by which to win, no matter whether it is an extra innings or in a nine inning affair.

London Will Protest
Contentions, however, are to the effect that London won the game long before the ninth inning by the same score of 4 to 3, but Umpire Miller would not allow the run by Dunn, while Kustus relayed Lamy's sacrifice fly to McNellis to Kading to double up Bierbauer, who had gone past second on the long fly. However it was stated last evening by President Stevens that the matter will be brought to the notice of President Fitzgerald. As the play was made while Mr Umpire was watching the play at first base, and does not know nor whether Dunn crossed the plate or not, Dunn scored on the play to Kustus and has as much right to tally as if none were out as the play on Bierbauer followed.

Hits by Linneborn and Reidy scored another run for London in the eighth. With Kading on second and two

"I think the plot has been defeated by Johnson himself. He behaved in the ring with consummate folly. He could have knocked Moran out in the fifth round but did not do so on account of the movies. Later he spared the 'white hope' in the most obvious way for money making purposes in the harder battle to be pulled off in America.

"Tom Flanagan," who has been Johnson's adviser through thick and thin, knew the fight would go 20 rounds, although early yesterday morning he declared he was thorough by disgusted and that it was the last time he would have anything to do with such a contest.

"Johnson lied about his weight. He entered the ring at 214 pounds, not 208 or 206 as he told the newspaper men."

"Johnson has now made the second great mistake of his life. He is barred out of America because of his escapades with white women and by this fake fight he has turned against himself the entire sporting public in the country where he intends to make his permanent home. The French won't credit him as a great fighter again."

JOHNSON-MORAN GO A GIGANTIC FAKE
Jack Adams, One of the Black's Trainers, Says Moran Was Goat.

PARIS, June 30.—Jack Adams, the well-known octoroon sportsman, who was one of Jack Johnson's principal trainers in his last fight, declared yesterday that the Johnson-Moran fight was a fake.

Moran has been the tool of Johnson, Zeigler, McKettrick, Wolf and others ever since the articles were signed," said Adams. "McKettrick proposed Moran to Johnson as a man who could be used and who could be handled with the utmost ease. They sent Moran back to America to work up popularity as the one and only 'white hope'."

"The whole thing has been a campaign not only for this meeting, which was brought off in every detail, but for another bout in America.

"Johnson took \$30,000 out of the fight while Moran received a mere pittance and plenty of promises that he would be put in the way of making money later out of the gullible American public. Mrs. Johnson drew her husband's \$30,000 on Saturday before the fight.

"I think the plot has been defeated by Johnson himself. He behaved in the ring with consummate folly. He could have knocked Moran out in the fifth round but did not do so on account of the movies. Later he spared the 'white hope' in the most obvious way for money making purposes in the harder battle to be pulled off in America.

"Tom Flanagan," who has been Johnson's adviser through thick and thin, knew the fight would go 20 rounds, although early yesterday morning he declared he was thorough by disgusted and that it was the last time he would have anything to do with such a contest.

"Johnson lied about his weight. He entered the ring at 214 pounds, not 208 or 206 as he told the newspaper men."

"Johnson has now made the second great mistake of his life. He is barred out of America because of his escapades with white women and by this fake fight he has turned against himself the entire sporting public in the country where he intends to make his permanent home. The French won't credit him as a great fighter again."

FRANK LONG HERE TO JOIN RED SOX

Former London Outfielder Lands Job With Deneau After Being Let Go By Hamilton.

Several important transfers of ball players came to light yesterday when it was announced that Hamilton traded Gilhooley and Dudley, both infielders to Toronto for Shultz, Frank Long, who returned from Ottawa after being released by the Hamilton club, left at noon to join Manager Deneau's Braves, with whom he has signed. Manager Deneau will probably secure "Dad" Stewart from Peterboro this week, also, completing what should make a formidable outfield, with Long, Stewart and Deneau.

LONDON, June 30.—Everything broke badly for Heck yesterday in his game against the Saints, who were credited with a ten inning victory over the stellar left hander by the score of 4 to 3 in a game which was not conducive to good baseball as a cold sprinkle of rain fell through out most of the contest. Howick, on the mound for the visitors, lived up to his usual form inasmuch that he can beat London any old time he walks into the box, no matter how things break against him, the Saints always come along gathering sufficient runs by which to win, no matter whether it is an extra innings or in a nine inning affair.

London Will Protest
Contentions, however, are to the effect that London won the game long before the ninth inning by the same score of 4 to 3, but Umpire Miller would not allow the run by Dunn, while Kustus relayed Lamy's sacrifice fly to McNellis to Kading to double up Bierbauer, who had gone past second on the long fly. However it was stated last evening by President Stevens that the matter will be brought to the notice of President Fitzgerald. As the play was made while Mr Umpire was watching the play at first base, and does not know nor whether Dunn crossed the plate or not, Dunn scored on the play to Kustus and has as much right to tally as if none were out as the play on Bierbauer followed.

Hits by Linneborn and Reidy scored another run for London in the eighth. With Kading on second and two

SHAMROCK AGAIN OUTCLASSES SISTER

Rigged as Cutter, Lipton's Hope Leaves Old Challenger 30 Minutes to Rear.

TORQUAY, Eng., June 30.—Shamrock IV, again rigged as a cutter, today decisively defeated her older sister in a good, wholesome breeze over a course 18 miles to windward, and back. At the outer mark the challenger for America's cup led by 22 minutes, which she increased to half an hour in a dying breeze on the run home when the older craft abandoned the contest.

Last evening Sir Thomas Lipton and Charles E. Nicholson, designer of Shamrock IV, were the guests of the mayor of Torquay at a public banquet at which Sir Thomas was presented with a handsome cup.

that he appreciated the fact that the majority must rule.

In East Middlesex, John McFarlan, Conservative, was returned to his seat by a majority of nearly four hundred, defeating John Laidlaw, Liberal, for the second time in a contest, in which temperance was made the issue.

WEST AND EAST PETERBORO' Liberal Joy in Peterboro' Was Cut Short by General Results.

PETERBORO, June 30.—The Liberals carried the west riding of Peterboro' yesterday, Geo. Gillespie being returned by about 200 majority over R. J. Soden. In the east riding Jas. Thompson, the Government candidate, won by a majority of 400. The Conservative vote in the west riding was small in the city, and Gillespie made his gains in the country. The Liberals celebrated by a torchlight procession headed by a band.

The enthusiasm lasted about ten minutes till it became known that Whitney had been returned to power.

EAST SIMCOE.

J. L. Hartt Received An Unexpectedly Large Majority in Orillia.

ORILLIA, June 30.—Mr. J. I. Hartt, the Conservative candidate, defeated M. H. Cooke, the Liberals' choice, by over 500. Mr. Hartt had a majority in Orillia of 128 votes. This was a surprise, as the town is Liberal. He came out ahead in each riding, except in Oro.

Mr. Hartt was abused by the Times by poster and by a little sheet under the name of the Canadian Citizen, but he took it all without replying, or saying anything against Mr. Cooke or his followers, and no doubt this uncalculated for abuse increased his majority. He was well assisted in Midland, Port McNicoll, Victoria Harbor and Waubausene.

NORTH WATERLOO.

C. H. Mills, Conservative, Elected by a Record Majority for the Riding

BERLIN, Ont., June 30.—By the biggest majority ever given a Conservative candidate in North Waterloo, C. H. Mills was returned yesterday. The result was a sweeping repudiation of the arguments advanced by the temperance advocates, and Conservatives and many Liberals are elated at the endorsement this riding gave the government of Sir James Whitney. Available figures give the Conservative candidate a majority over Dr. Heist, the Independent temperance, of 1,508. Each of the townships and townships gave Mr. Mills majorities in the three-cornered fight as follows: Berlin 676, Waterloo 464, Elmira 155, Waterloo Township 27, Wellesley Township 212, Woolwich Township gave a small majority for the temperance candidate, H. Martin, the Socialist candidate, made a small gain over this party's vote last election.

Big crowds assembled in front of the newspaper offices, and cheered the Conservative victory. Members of the Borden Club and Conservative supporters formed a monster parade with lighted torches, headed by the Berlin band. At the Borden Club a large crowd greeted the successful candidate.

The vote yesterday was heavy, and the manner in which Mr. Mills was supported in the country was one of the pleasing features of the polling.

SOUTH WATERLOO.

Temperance Campaign Had Little Effect on Conservative Majority

GALT, June 30.—By a majority of 899, 97 less than George Pattinson received in the 1911 election, and which it was predicted could not be anywhere near repeated, Z. A. Hall, manufacturer, of Hespeler, was returned as Conservative representative for South Waterloo. Despite a very active campaign by the temperance party in the interests of A. E. Buchanan, Liberal candidate, the majority in Galt was 300, only three less than in the preceding contest. All Buchanan's gains were in the country, where he was well known, having been raised on a farm. Preston and Hespeler did not go quite as strongly Conservative as before. H. Martin, the Social-Democratic candidate, made a total vote of 838, 254 more

than McGuire, the Socialist in the 1911 contest. There was much jollification locally over the result, and when Mr. Hall, the successful candidate, addressed the crowd gathered outside the Reporter office, he was enthusiastically cheered. He was also accompanied by the 29th Regiment Band and the 29th Regiment Pipe Band.

WEST-NORTHUMBERLAND

Sam Clarke's Majority Was Reduced From 233 to 135

COBURG, June 30.—The greatest fight in West Northumberland's history for the Legislature occurred here yesterday. The result in Cobourg demonstrates that public discussion of the so-called temperance issue was of advantage to the Government. Here, where Sam Clarke has always had majorities ranging from 50 to 100, he was defeated by 35 majority. Here on Saturday night the only public meeting was held. Mr. Greer, the candidate, spoke, and was ably supported by Messrs. Eric Armour, Camson, M.P., H. M. Field, K.C., and Dr. Secombe, Toronto.

Clarke's majority in the riding was reduced to 115.

WELLINGTON SOUTH

Mayor of Guelph Running as Temperance Candidate Elected

GUELPH, June 30.—The Liberals and temperance workers of this city held a big celebration here last night in honor of the election of Sam Carter. The majority was somewhere in the neighborhood of one hundred, probably a little less which was somewhat of a surprise to his most ardent supporters. It was fully expected that Mr. Schofield, the former member, would have been returned. His majority in the city of Guelph was reduced from 699 in 1911 to 316 yesterday, which accounted for his defeat. The county also went strong for Carter.

PEEL.

The Conservative Majority Was Increased by 200.

BRAMPTON, June 30.—Jas. R. Fallis, the Liberal-Conservative candidate, was elected in Peel by a majority of 602, an increase over his last majority of 200. Mr. Fallis made a good canvass of the county and increased his majority in many of the municipalities, though his opponent, A. H. Milner, was confident of greatly reducing the majority, if not winning the county. The greatest enthusiasm prevailed when the results were made known. Mr. Fallis was escorted to the Victoria Hotel where he spoke from the balcony to the hundreds of people assembled in the streets below. He warmly thanked the electors for the support given him, and in a brief speech commended them for the efforts in his behalf. Other speakers were R. Blain, W. S. Morphy, J. J. Donaghy, Wm. Munnis. The greatest change in the vote was in the Town of Brampton where Mr. Milner had a majority of 22 in November last. Mr. Fallis had a majority of 74 last night. Chingacousy, which always gives a Liberal majority, gave Mr. Milner 47. Caledon gave Mr. Fallis a majority of 15, Toronto Township 203, Albion 204, Streetsville 37, Bolton 36 and Port Credit 105. Toronto Gore gave Mr. Milner 25. The vote astonished the Liberals, who were confident of victory in several of the municipalities.

OTTAWA.

Hostility of the French Vote Defeated Conservatives.

OTTAWA, June 30.—The splendid victory of the Whitney Government has more than consoled the Conservatives and the sane temperance Liberals of Ottawa for the loss of the two local seats. The Lower Town seat was doubtful from the beginning, owing to the hostility of the French-Canadian vote. The same influences, coupled with others of a purely local character, proved sufficient to also elect a Liberal in West Ottawa and to defeat ex-Mayor J. A. Ellis.

Returns from outside points were bulletined at the newspaper offices and were followed eagerly by large crowds, who stood in the rain for hours to make sure of the final result and cheer the Whitney Government.

Hon. Frank Cochrane received numerous messages from members-elect in various parts of the province announcing their election and majorities. Mr. Cochrane, shortly after nine o'clock sent a telegram of congratulation to Sir James Whitney. Mr. Cochrane is well pleased with the result which is as he anticipated. "We have lost some good men," he said, "but we have gained others."

Latest returns from the local ridings give Hurdman 104 majority in West Ottawa over Ellis and Pinard 865 in East Ottawa over Champagne an Kilt, the latter running as an independent Liberal. The totals given are: In West Ottawa, Hurdman 5,018; Ellis 4,914. East Ottawa—Pinard 2,431; Champagne 1,978; Kilt 468. In the last election Ellis and Champagne had majorities of 2,102 and 1,275.

WEST SIMCOE

Big Meeting in Collingwood to Celebrate Victory of Hon. J. S. Duff

COLLINGWOOD, June 30.—A big meeting was held here in the Opera House last evening to do honor to Hon. J. S. Duff, Mr. Allan, president of the Conservative Association, presided. Several speakers, including the

Mayor, President of the Board of Trade, Magistrate Hogg, H. P. Telfer, M.P. Byrnes and others spoke in terms most eulogistic of the people's "Jimmy."

Returns were received from all over the province, and when the names of Sir J. P. Whitney and Hon. W. J. Hanna were mentioned the meeting cheered wildly. Collingwood expressed satisfaction with its representative and wished every success to the government of Sir James Whitney.

Liberals as well as Conservatives worked side by side yesterday to do honor to the government of the people.

PERTH NORTH.

James Torrance, Conservative, Showing Surprisingly Large Gain.

STRATFORD, June 30.—In the election of Mr. James Torrance (Conservative) by an approximate party majority of 1,000 as compared with his majority of 252 at the last provincial election, the electors of North Perth produced the surprise of years. Previous to election day it had been almost a certainty as to how the fight was going. Every one had looked for a close fight.

The muddy condition of the roads has made it impossible to secure the full returns from the county polling divisions so that there may be some slight decrease or increase in the majority.

North Easthope, which has been wont to give a majority of 400 or so, has, so far as could be ascertained, given one of little more than 200. Mr. Torrance made great inroads all over the riding.

Real temperance workers are watching now with a bit of anxiety to see just what effect the election results will have upon the coming campaign to give Stratford local option and North Perth the Canada Temperance Act. It is thought by many that the persistence of Liberal stumblers and ministerial campaigners in asserting that the recent issue was an entirety of temperance may, if split in municipal voters taking them at their word. Some of the local ministers and some temperance people in this election has practically killed the chance for any success in a local option fight.

WINDSOR.

Division of the Conservative Forces Let Liberals Slip In.

WINDSOR, Ont., June 30.—Major J. C. Tolmie, Liberal, was elected for the new Windsor constituency yesterday over his two Conservative opponents, Hon. Dr. Reaume and O. E. Fleming. The division of the Conservative vote was too much of a handicap to be overcome, and to this can be traced directly the 387 plurality given to Major Tolmie.

The dissatisfaction here seemed to have exercised its influence upon the government candidates in North and South Essex as well, for both went down in defeat before the attack of Rowellism. In South Essex, Lambert Wigle, Liberal beat out C. N. Anderson, Conservative, by a scant majority of 74, but in North Essex, Dr. Poisson, the Government candidate, lost by nearly 400 votes, his successful opponent being Mr. Severin Ducharme. Complete figures for Windsor show that Mr. Tolmie won out in every ward but the third, which gave Dr. Reaume a slight advantage. The vote stands: Tolmie, 2,243; Reaume 1,856; Fleming 1,668.

LIBERAL ELECTION DODGE

Had Drunks Stationed at Some of the Ottawa Polling Booths

OTTAWA, June 30.—The Liberals sprung a new election dodge at a number of the heaviest Ottawa ois yesterday. Drunks, or men who impersonated drunks, were stationed at these polls apparently as an object lesson for electors. There was no doubt that they were stationed there by the Liberal organization. Considerable resentment was expressed by citizens and the game will not make any votes for the Liberal party.
