PRICE THREE CENTS

ANNUAL BAPTIST DISTRICT MEETING

Condemn Ne Temere Degree and Advocate Higher Salaries for Ministers

The annual meeting of the 10th Baptist District was held in Newcastle, June 16th, afternoon and evening. In the absence of the President, Rev. J. G. A. Belyea of Doaktown, who was detained at home by the illness of his wife, the chair was occupied by Rev. Dr. W. E. McIntyre of St. John, secretary of the Foreign Mission Society and member also of the Home Mission Board.

The following churches were represented:

Newcastle—Rev. Dr. H. T. Cousins, Deacon Jared Tozer, C. C. Hayward, E. A. O'Donnell.

Lower Derby—James Lyon, Malcom Amos.

Campbellton—Licentiate C. A. Britten.

Whitneyville—Rev. and Mrs. H. D. Worden, Hiram Whitney, Miss Agatha E. Forsythe.

Little South West—Deacon Edward Tezer.

Underhill—George Stephens.

Upper Blackville—Rev. F. N. Atkinson.

Grangeville—Mrs. J. Jones, Havelock Smith, Pharez Jonah.

On motion all brethren present belonging to the 10th District were invited to take part in the proceedings.

Mr. W. E. McIntyre and Rev. Dr. Archibald of Horton Academy, were also present and invited to seats.

Following officers were elected for ensuing year.
President—C. C. Hayward.
Secretary-treasurer—Rev. Dr. Cousins.

Encouraging reports were read from Campbellton, Ludlow, Doaktown, New Salem, Upper Blackville, Underhill, Whitneyville, Little South West, Newcastle and Grangeville churches.

Re non-resident members it was suggested that a drop list be kept in reserve in case any should turn up again after a number of years.

It was decided to recommend the holding of annual roll-call in each church.

Rev. F. N. Atkinson read report from Grey Rapids, where the Baptist church has been dormant several years and the church building is falling into decay. Dr. McIntyre thought it ought to be completed and a pastor put into the field.

It was resolved, That this District meeting commend the work in Grey Rapids to the sympathy of the Denomination and would suggest that the pastor stationed in the field visit the other churches in behalf of funds to complete the same.

Assessments were made on the different churches.
Re deficit of \$60.00 each church was asked to send in special contribution.

Re grouping of Bloomfield, Boiestown and Ludlow churches, it was decided to make no change at present.

On motion of Revs. Atkinson and Worden the following passed: "Whereas a communication has been received from Rev. Dr. J. W. Brown with reference to the importance of some systematic effort to raise the salaries of our ministers to the minimum sum of \$800 and a parsonage, therefore

"Resolved that the members of this tenth district hereby declare themselves to be heartily in favor of the principle of the proposal and suggest that it be given careful consideration by the N. B. Association and the Maritime United Baptist convention, and it

is further suggested that in the proposed scheme \$5.20 per year, or 10 cents a week, per member should be held up before our people as the minimum contribution for the various branches of denominational work other than local expenses."

The following resolution on the Ne Temere decree passed:

"Resolved that this United Baptist District meeting, in annual session assembled put itself on record as opposed to the spirit of the Ne Temere decree of the church of Rome and also to enter its protest against this and similar encroachments upon the rights and liberties of our people." Moved by Dr. Cousins and seconded by Hiram Whitney.

EVENING MEETING

A very largely attended and interesting meeting at 7.30 p. m. was presided over by Rev. Dr. Cousins.

Addresses were given by the chairman; Rev. Dr. Archibald; Principal of Horton Academy; Licentiate Britten of Campbellton; Rev. Dr. McIntyre, and by Rev. F. N. Atkinson in moving votes of thanks to the local congregation.

Music was given by the choir. Duets by the Misses Mather and Mrs. and Miss O'Donnell were very beautifully rendered.

Adjourned.

HARBOR TO BE DREGGED AT COURTENAY BAY

St. John East to be Fitted for Biggest Ships and Made a Great Port.

Tenders are called for construction of a Breakwater, Wharves, for the Dredging of a channel and basin and for the Filling shown on plan and also for the Construction of a Dry Dock and Ship Repairing Plant of the First Class under the Dry Dock Subsidies Act of 1910, at Courtenay Bay St. John.

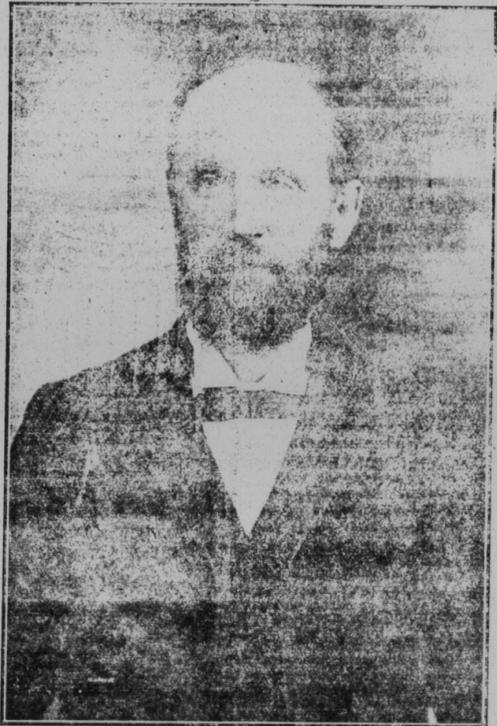

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Honorable the Minister of Public Works, for the sum of five hundred thousand dollars (\$500,000).

A great harbor is to be constructed at Courtenay Bay, that will cost millions, and make St. John a great port.

Flavor
in tea must be distinctive, pleasing and unvarying to merit continuous use. The flavor of Red Rose Tea is all its own; and it never fails to win and hold approval because it never fails in quality. Try it.

AGAIN THE STANDARD BEARER OF BREEZY MEETING OF TOWN COUNCIL

W. S. LOGGIE, M. P.
Who will again contest the County in the Liberal interest

The annual meeting of the Northumberland County Liberal Association was held in the Temperance Hall, Chatham on Thursday last with a large number of delegates from the various parish associations present.

The chair was occupied by the president the Hon. J. P. Burchill of Nelson, who, in opening the proceedings extended a cordial welcome to the delegates and expressed his pleasure at seeing so many present. In addition to the ordinary business which usually came up at those meetings, they would have to consider the matter of nominating a candidate for the next election.

There might be a selection before their next annual meeting and there might not but in any event it would do no harm to be prepared for it, and then they would not be caught napping. He was glad to be able to say that from a Liberal standpoint matters in the county were in a very satisfactory condition, and he did not know of any complaints in any quarter. It was with extreme regret that he had to remind them since their last meeting they had lost one of their most valued members, the late Warren C. Winslow, a man who commanded the respect of all men. Liberals and Conservatives alike, a man who was always ready to do all in his power to help on the good of his party. He (the speaker) thought it would be well to frame a resolution by which they could place themselves on record as appreciating all that the late Mr. Winslow had done for the good of Liberalism, and also as a mark of respect for the man himself.

After some discussion a nominating committee was appointed by the chairman, consisting of two delegates from each parish to make the selection. This committee reported that the only nominations received were: For President, Hon. J. P. Burchill; for treasurer, Patrick Hennessy; and for secretary, W. F. Cassidy. On motion the report was unanimously adopted.

J. W. Vanderbeck wanted to know if Mr. Loggie would guarantee that the government would not close the Blackville-Chatham Junction section of the Canada Eastern. If he could not do so, he would not have his (Vanderbeck's) support.

Mr. Loggie said he had been speaking to the Railway Commissioners about railway matters the previous evening, and the closing of the road had never been mentioned. Mr. Williston of Bay du Vin said he was as staunch a Liberal as any

one present, and he did not intend to support any man who would not promise to get them a railway down to Escuminac.

The next business was the nomination of a candidate to contest the county at the next election. Some discussion ensued as to the mode of selection, when W. B. Snowball said that as far as he could ascertain there was only one name ever mentioned in connection with the nomination, that of W. S. Loggie, and that if he was in order, and to simplify matters, he would move that Mr. Loggie be asked to stand as candidate.

Mr. Vanderbeck wanted to know if W. B. Snowball's name was not going to be put before the meeting, as he had heard that that gentleman was willing to stand.

Mr. Snowball said that he was not. Mr. Loggie's name was then put to the meeting and carried by a standing vote.

Mr. Burchill, in tendering the nomination to Mr. Loggie, humorously remarked that the meeting had decided to condone his past offences and give him another chance, and notwithstanding his bias of omission and commission, they still had some confidence in him and hoped he would do better in future. (Much laughter.)

Mr. Loggie, in returning thanks said that sometimes words failed to adequately express a person's real feelings, and that was his position then; but, notwithstanding the chairman's little lecture, he felt very deeply the kind manner in which they had received his name and offered him the nomination. He had tried in the past to do his duty as their member and he felt that the county had received its full share of public works. They would no doubt expect him to say something about the issues of the present day.

As they were all probably aware, Sir Wilfrid Laurier was at the present time in England attending the imperial conference, and they had no doubt read his speeches with much interest, and they would see that he expressed his surprise to find talk of disloyalty in Canada, when it did not exist except in the imagination of certain politicians, and that only for party purposes.

The great question before the country at the present time was that of reciprocal trade relations with the United States. In 1893 he (Loggie) was one of the party who went from this county to Ottawa to help to

BREEZY MEETING OF TOWN COUNCIL

Mayor Pedolin Says Town is Flooded with Liquor, and Council calls for Better Enforcement of Law

Town Council met Thursday night, Mayor Pedolin in the chair. Aldermen present—C. M. Dickison, John Clark, S. Russell, C. Sargeant, H. H. Stuart, J. G. Kethro and Geo. Stables.

Michael Bannon tendered his resignation as school trustee. On motion it was received and accepted.

Communication was received from W. H. McLean, Wm. Stymiest, Wm. White, Thos. L. Malby and others on Pleasant street and Davidson's Lane asking for extension of sewerage system to serve their properties.

Mayor Pedolin said that the sewer could not be put on Pleasant street, as the grade would be up hill.

Ald. Clark protested against any sewer being put into any private property.

Ald. Kethro said there was a cesspool near Kingston's that needed cleaning out.

Communication was referred to Light, Water and Sewerage committee.

In the matter of petition of C. S. P. Holohan for exemption of estate of late Michael Holohan from taxation on the ground of protracted illness and consequent incapacity of said Michael Holohan for some time previous to his death it was recommended by Bye Law & Petitions committee to relieve the estate of income and poll tax but not real estate tax.

Ald. Clark said that the Council had no power to cancel any taxes.

Ald. Stuart and Stables moved that recommendation of the committee be adopted.

Ald. Clark objected to motion, claiming that this council had no power to make any exemption. It could be left to the end of the year when the personal part of the tax could be written off.

The motion was lost.

Communication was read from Miss Flossie Graham asking for consideration of exemption of taxes, and was received and filed.

Re Michael Holohan estate Ald. Clark moved that A. A. Davidson be instructed to defer collection of income and poll tax of said M. Holohan till further notice. Carried.

The Bye Laws and Petitions committee recommended Lawrence Macdonald be allowed \$24.00 damages for loss of work of his horse for two weeks because of fall into hole caused by break in water main some time ago.

It was moved Ald. Stuart and Stables that the recommendation be received and adopted.

Ald. Clark did not want to open a door for further action against the town, and therefore opposed the motion.

The Mayor thought that the amount of \$24 was reasonable if Mr. Macdonald would settle in full for that sum.

Ald. Clark and Kethro moved in amendment that the report be laid over until further information is obtained by committee.

Following bills were passed:
Finance—North Shore Leader, Printing Bye-Laws, \$163.95; sundries, \$16.00.

Police—Stothart Mercantile Co., \$30.95, for coal.

Light and Water—W. R. Matthews, \$10.00; Miramichi Foundry, \$4.10; Can. Gen. Electric Co., \$5.05; Canada Foundry Co., \$143.44; Miller's Foundry, \$2.35; Jerome Landry, \$20.00; A. J. Mulcahey Co., \$6.76; Stothart Mercantile Co., \$8.63.

Public Works—H. H. Lamont, \$17.43; Stothart Mercantile Co., \$24.89.

Ald. Kethro objected to the payment of 65 cents of the latter bill for a rake to replace one broken by a town workman.

Ald. Clark suggested that the 65 cents be charged to the breaker.

Ald. Kethro read a bill from Joseph Salome for 10 days work on road at \$2.00 a day.

Ald. Sargeant said that Mr. Salome's claim was, he understood, for putting on streets what he dug out of his own cellar.

Ald. Clark and Stables moved that bill be returned to Mr. Salome with notice that it could not be entertained.

A communication from Park and Fire Com. stated that Hose reels are out of date and recommended purchase of hose wagon for \$350 and that electric bells be installed into houses of firemen, the Telephone Co., being willing to give free connection with its switch board. Installation will cost very little—about \$125 in all.

Ald. Clark said that a number of firemen had no permanent residence. It might cost a great deal to change connections.

Mayor Pedolin said that such changes could be very quickly and cheaply made.

Ald. Dickison said that the firemen were willing to pay \$150 of their own funds towards the Hose Wagon or instal the alarm system themselves.

Ald. Stables favored alarm system and wagon.

Ald. Clark thought it would be unfair to accept any donation from the firemen.

It was moved by Ald. Clark and Stables and carried, That communication be received and the Mayor be appointed a committee to obtain figures for installing alarm system.

On motion of Ald. Stables and Kethro the Park and Fire committee were empowered to buy a new hose wagon at a price not exceeding \$350.00.

Ald. Kethro reported progress on matter of new street.

Mayor Pedolin asked what the Police Committee were doing to enforce the Scott Act. He himself had one afternoon counted 10 to 15 drunks on streets. Last Saturday night and Sunday conditions were disgraceful. It was time the Inspectors got to work and did something. The town had lately been flooded with liquor.

Ald. Sargeant, chairman of the Police Committee, did not think it was the business of his committee to go ahead and interfere with the inspectors without the rest of the council.

Ald. Kethro said that he was away most of the time, but on Saturday nights the town seemed to him to be remarkably quiet.

Ald. Clark asked if the Inspectors had been instructed to do their duty. The whole council was responsible for the enforcement of the Scott Act.

The Mayor said that he understood that the policemen were under the control of the Police Committee.

Ald. Sargeant said that the council had nothing to do with instructing the inspectors.

Ald. Clark agreed with Ald. Sargeant so far, but if the inspectors were not doing their duty it was the place of the council to investigate.

Would You Provide For the Care of Canada's Needy Consumptives?

MUSKOKA FREE HOSPITAL FOR CONSUMPTIVES

MUSKOKA FREE HOSPITAL FOR CONSUMPTIVES, MAIN BUILDING FOR PATIENTS.

The institution that accepts patients from all parts of Canada. Hundreds of hundreds of letters being received daily.

John O. McNaughton, New Liscomb, Ont.: A young man not being here, and suffering from, it is believed, consumption, is being kept by one of the hotels here. He has no means and has no one to take care of him. Could he be admitted to your Free Hospital for Consumptives? If not, could you inform me where he can be found and what steps are necessary to secure prompt admittance? NO SINGLE PATIENT HAS EVER BEEN REFUSED ADMISSION TO THE MUSKOKA FREE HOSPITAL BECAUSE OF HIS OR HER INABILITY TO PAY.

Since the hospital was opened in April, 1902, one thousand five hundred and twenty-four patients have been treated in this one institution, representing people from every province in the Dominion.

For the week ending November 26th, 1909, one hundred and twenty-five patients were in residence. Ninety-five of these are not paying a cent for their maintenance—absolutely free. The other twenty-nine paid from \$2.00 to \$1.00 a week. No one pays more than \$4.00.

Suitable cases are admitted promptly on completion of application papers.

A GRATEFUL PATIENT

Norah P. Canham: Enclosed you will find receipt for my ticket from Gravenhurst, hoping that you will be able to oblige me with the fare. I was at your Sanatorium ten months, and I was sent away from there as an apparent cure. I am now working in the city, and I am feeling fine. I was most thankful for the care I got from the doctors and staff, and I must say that I spent the time of my life while I was there.

TAKING THE CURE IN WINTER AT MUSKOKA FREE HOSPITAL FOR CONSUMPTIVES.

The Muskoka Free Hospital for Consumptives is dependent on the good-will and gifts of the Canadian public. Money is urgently needed at the present time to make it possible to care for the large and increasing number of patients that are entering the institution.

Will you help?

Where greater urgency?

Truly, Canada's greatest charity.

Twenty-year-old Girl Killed by Father of Six Children.

New York, June 16—Because Mrs. Carmela De Guercia, twenty years old, refused to elope with him, John Omega walked into the restaurant where she was employed today, pushed her to the infant she held, and shot her through the heart. Covering the proprietor of the restaurant with his revolver, Omega escaped. He is said to be the father of six children.

FORGED CAR TICKETS

Chicago, June 15.—The arrest of John E. Farris, a conductor on the Illinois Central Railroad, and later his brother William L. Farris, revealed what United States secret service men said to-day was a nation wide plan to swindle the transportation companies in the big cities by counterfeiting car tickets. From Farris' home a complete outfit for printing street car tickets was seized. John Farris is said to have admitted the charge against him and declared that there has been a systematic counterfeiting of transportation tickets for years. The men will be taken to Cleveland for trial.

A STRANGE STORY

The Boston Journal says: A hundred miles from shore a Plymouth Rock rooster last Tuesday flattered down upon the lumber schooner L. B. Hardwick, bound to Boston, from Annapolis, N. S., and feebly fell to the deck. Capt. Berry took the half frozen rooster to the galley and fed him with some corn mush, afterward imprisoning him in an impromptu cage on the upper deck until he was served up as an addition to the menu Saturday night. The incident occurred in a dense fog. Capt. Berry is at a loss to account for the arrival of his welcome visitor.

There is one medicine that every family should be provided with and especially during the summer months; viz, Chamberlain's Colic, Cholera and Diarrhoea Remedy. It is almost certain to be needed. It costs but a quarter. Can you afford to be without it? For sale by all dealers.

At the Normal School closing exercises, on Friday, the Lieut.-Governor's cash prizes—\$30 and \$20—for general scholarship, were awarded to Miss Frances K. Smith of Elgin, Albert Co., and Miss Olive S. Wright of Shannonville, Restigouche. Miss Lillian Flett of Nelson won the Governor General's bronze medal for professional work.

They're taking to stealing bronze statues from Montreal's squares now. What a horrible aftermath to the graft rampant there for sometime. The next thing will be red-hot stoves.

Dr. and Mrs. Murray returned on Saturday morning from Montreal, where they had gone to attend the Convocation of McGill University and the various functions connected with the "Union of McGill Medical Graduates." The Doctor also attended the Sessions of the Canadian Medical Association, which were held in that city during the week. The meeting of McGill Medical Graduates was the first of its kind ever held by that University and included graduates as far back as 1854. Several octogenarians occupied conspicuous places at least two of the Class tables at the Faculty Dinner. Upwards of 500 Medical Graduates were present. Among the New Brunswick representatives were: Drs. W. W. White of St. John, F. J. White of Moncton, O. E. Morehouse of Upper Keswick, F. J. Desmond of Newcastle and D. Murray of Campbellton. The Class of 1886, (an even quarter of a century ago) was represented by Drs. H. S. Birkett and A. F. Schmidt of Montreal, R. A. Kennedy of Ottawa, W. W. White of St. John, F. J. White of Moncton, D. Murray of Campbellton, W. M. Rowat of Quebec, J. F. Williams of Muskoka, Alfred Poole of Vancouver, J. H. Y. Grant of Buffalo, N. Y., T. G. McGannon of Lowell, Mass., and G. J. TOOK THE LAW INTO HIS OWN HAND

And Shot the Friend of His Wife.

Albany, N. Y., June 16—First Baseman Arthur Brown, of the Albany State League Baseball Team, died last night in a hospital from four bullet wounds received, he told the police, at the hands of John V. McStea, a New Orleans actor. The shooting occurred at a rooming house where McStea said he found his wife in an apartment with Brown.

McStea arrived in Albany last night and proceeded directly to the house where he asked to see Mrs. Brown. In a statement made after the shooting he said he heard his wife's voice up stairs and rushed to the hall above. When he entered the room, he declared, he was brutally attacked by Brown, while his wife cowered in one corner. Getting the worst of the struggle, McStea says, he drew his revolver and fired with fatal results. Brown's home is in Wilkesbarre, Pa., where he was born 26 years ago. He started his professional baseball career with the Wilkesbarre Club of the New York State League. He later played with the Detroit American League team, Montreal Eastern League Club, and the Trenton Tri-State League team, from which he was purchased by Albany two years ago. His playing yesterday was a feature of the Albany-Scranton game. Mrs. McStea is 23 years old and a native of Albany. She was an actress and while on the stage in New Orleans two years ago married McStea, who was stage director at the opera house where she was playing. She has been in Albany since April. Her stage name was Mildred Barre.

FIELD CROPS IN CANADA

Ottawa, June 10.—A bulletin of the census and statistics office today states that the season this year has been favorable for field crops in all parts of Canada, and excellent reports have been received from all the provinces. The lowest percentage of condition is made for fall wheat, which suffered from inadequate protection in the winter months, and also to some extent from spring frosts. The areas of fall wheat are greater than last year by 4.50 per cent and of spring wheat by 13.70 per cent. The total area in wheat is 10,503,400 acres, as compared with 9,294,800 in 1910 and 7,750,400 acres in 1909. The per cent condition of fall wheat at the end of May was 80.63, and of spring wheat 96.69. The area in oats is 10,279,800 acres and its condition 94.76, as compared with 9,864,100 acres and 93.95 per cent condition last year. Barley and rye each show a small decrease in area, but the condition is higher than at the same period last year. Slight decreases are also reported for areas of peas, mixed grains, and hay and clover, with per cent condition of over 90. Hay and clover have a reported condition of 91.45 for the Dominion being practically 100 in Manitoba, Saskatchewan and Alberta. The area of the field crops named is 32,051,500 acres for 1911, compared with 30,554,200 acres for 1910 and 28,194,900 acres for 1909. In the provinces of Manitoba, Saskatchewan and Alberta the area in wheat, oats and barley was 3,491,413 acres in 1900, 6,009,389 acres in 1905, 11,952,000 acres in 1909, and 13,809,300 acres in 1910, and it is 15,355,500 acres this year. The increase for these crops from 1900 to 1911 was 2,663,699 acres in Manitoba, 7,364,315 acres in Saskatchewan and 1,835,073 acres in Alberta.—Archibald Blue, Chief Officer.

\$3,600 in Cash Prizes for Farmers. ARE you going to build that new horse-block, sidewalk or dairy house of cement? Then insist on your dealer supplying you with the "CANADA" Cement. Not only will this ensure your getting a pure, uniform and strictly high-grade cement, that will guarantee the lifelong permanency of the thing you build, but it will also entitle you to enter our Prize Contest. And in this contest you stand a good chance of winning a prize that will perhaps more than pay you for the cost of the work. Every farmer in Canada who uses "CANADA" Cement is eligible to compete. Four prizes will be awarded in each Province and these prizes will be divided as follows: PRIZE "A"—\$100.00 to be given to the farmer in each Province who will use during 1911 the greatest number of barrels of "CANADA" Cement. PRIZE "B"—\$100.00 to be given to the farmer in each Province who uses "CANADA" Cement on his farm in 1911 for the greatest number of purposes. PRIZE "C"—\$100.00 to be given to the farmer in each Province who furnishes us with the photograph showing the best of any particular kind of work done on his farm during 1911 with "CANADA" Cement. PRIZE "D"—\$100.00 to be given to the farmer in each Province who submits the best and most complete description, of how any particular piece of work shown by photograph was done. Notice how we have purposely planned and imposed certain necessary conditions in order to give large and small users of cement an equal opportunity. As an illustration of this: In prizes "C" and "D," the quantity of cement used has no bearing whatever on the result. The farmer who sends us the best photograph of as small a thing as a watering trough or a gate post, has as much chance for prize "C" as a man who sends a photograph of a house—and the same applies to prize "D." Don't hold back from entering because you think you don't know anything about concrete work. It's very simple. Besides, we have a 160-page book that we will send you free on request, which tells you all about concrete and how to make and use it. In this book, you'll find complete instructions for the making of almost everything you can think of in the way of farm utilities, floors, vats, troughs, stairs, posts, etc. This free book—entitled "What the Farmer Can Do With Concrete"—will not only inform you—it will also greatly interest you. So send for it anyway, whether you intend to try for one of the prizes or not. The Canada Cement Company, Limited, Montreal, Que.

THE CLOSING DAYS

A Toronto Daily last week contained a despatch from a neighbouring city that aged 101 years had gone to the County Industrial Home, there to end his days, and he is said to have gone at his own request. But how the report starles us, that a man after fighting the battle of life for over one hundred years, has to end his days in a poorhouse! The despatch further stated that the old gentleman had a son of seventy-five and two grandsons of over fifty living in the same County. Naturally, the reader would think it strange that so old a course could have been necessary. But if the inner history were known, it would probably be revealed that the son and grandsons are in almost as bad a plight as the old man, and that he preferred to go to the poorhouse rather than to add to their burdens. The case is a pathetic one, but it is not unique—you hear of such every day—and the whole story emphasizes how terrible is an old age of poverty, and how important it is that we should regard youth as the springtime which soon departs, and wherein we ought to plant and sow all provision for a long and happy life. If the old gentleman had been in receipt of a Canadian Government Annuity of only \$200 his presence in the home of the son or grandson would have been a boon rather than a burden, and the cozy-corner would, no doubt, have been kept for him. He may have been a sober and industrious youth, but he had no system of investment which was absolutely safe, and which would yield him a bountiful return for the amounts which he might from time to time save; and so his money was spent or lost as fast as it was earned. But there is no such excuse for the boys or girls, men or women, of Canada to-day, for by the Canadian Government Annuities Act they are provided with a system by which their savings will be taken care of and invested by the Government, and under which they will receive a return larger than it would be possible to secure from any other safe investment, because when the Annuity begins each payment absorbs a portion of the purchased money as well as of the interest thereon, and if the annuitant lives the average number of years he may be expected to live he will get back all that he had paid in with accumulated interest at 4 per cent. If he lives beyond this period, the Annuity will not cease but will be continued to him every three months so long as he may live. The plan is available at any Money Order Office in Canada. The Postmaster will give you a booklet which will explain the system, and if you wish for information as to the cost, you need do is write to the Superintendent of Annuities, Ottawa, postage free, giving him your age last birthday, and he will advise you by first mail what this will be. Remember that it is the only absolutely safe plan by which your old age may be made free from anxiety, and happy and comfortable, and that it is the only sure plan by which a wage-earner or person on small salary can provide for the rainy day.

AT DEATH'S DOOR FROM KIDNEY DISEASE

SAVED ONLY BY "FRUIT-A-TIVES"

"FRUIT-A-TIVES"

CLANBRASSIE, ONT.

"Two years ago, the doctor made forty-four calls on me, and then said he had done all he could for me. I was suffering with intense Kidney Trouble and the situation had set me. Two other doctors were consulted and I agreed that nothing could be done to help me. On the recommendation of a neighbor, I took 'Fruit-a-tives' and they cured me. Today, I take 'Fruit-a-tives' as my only medicine. I am in excellent health, and 'Fruit-a-tives' is the medicine that cured me after I had been at Death's Door for months.

I am glad to be able to give you this testimonial. It may benefit some other woman suffering as I did. I can assure you I believe that I would not be alive today had I not used 'Fruit-a-tives'."

Mrs. P. H. WILSON
 "Fruit-a-tives"—by its gentle but action on the kidneys—completely restores these vital organs to their normal strength and vigor—and cures every trace of Kidney Trouble. "Fruit-a-tives" is the only medicine in the world made of fruit.

NEW HEALTH AND NEW STRENGTH FOR SUFFERING WOMEN

In silent patience nearly every woman endures suffering that casts a shadow over half her existence. An aching back, tired limbs, attack of faintness, and headaches and backaches, need not be part of a woman's life. Such trials indicate plainly that the system requires the new blood that is supplied through the use of Dr. Williams' Pink Pills. These Pills are valued by suffering women who have used them above all other medicines, because they give the rich, red blood that makes women well, bright and at their best. Mrs. Fred Collard, Poplar Point, Man., says: "I can give you, but very small estimate of the suffering I endured before I began using Dr. Williams' Pink Pills. After the birth of my first child I suffered intensely from ailments that too often afflict my sex. This was complicated by an attack of bleeding piles, and the agony of the days and nights I endured is almost past comprehension. I tried many remedies, but they did not help me in my troubles, and from a healthy young woman weighing 140 pounds, I fell away in weight to 85 pounds. I grew so weak I could hardly walk across the floor, and there were times I hardly knew what I was doing so great was my agony. I went to Brandon and consulted a doctor who said that nothing would help me but an operation for both my troubles, and that I would have to remain in the hospital for at least eight weeks. Being a farmer's wife I felt that this was impossible, and while in Brandon I met a friend who strongly urged me to try Dr. Williams' Pink Pills, telling me that they had cured her trouble similar to mine, and after an operation had proved of no benefit. She had such strong faith in them that she gave me the first box, and I began using them. It was not long before I found much relief. I continued to use the Pills all the rest of that summer, and the result was they restored me to perfect health. I told the doctor what Dr. Williams' Pink Pills had done for me, and his reply was that he considered what they had done for me little less than a miracle. I have since recommended the Pills to many others who have suffered from woman's trouble, and they always produced beneficial results. I hope that this statement will be of benefit to some other suffering person."

These Pills are sold by all medicine dealers or may be had by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

WHIRLED TO DEATH IN CHATHAM PULP MILL

Henry Dumont, aged about 30, met a frightful death in Chatham, Thursday afternoon, being hurled around in the fly wheel in the Miranichi Rossing mill, and having his brains dashed out. Dumont was in the employ of Wm. Groat, a teamster, and had backed up his team to the door of the mill. As the tail board would not work properly, he went back to fix it, but in some manner fell into the machinery and was caught in the large fly wheel. He was carried around at a terrific rate, finally striking his head on the roof and dashing out his brains. He had been married only a short time.

THE SOLID FACTS OF SUMMER TRAVEL

Intercolonial Railway Issues a New Tourist Guide,

"Summer Fares to Summer Haunts" is the title given to a very practical booklet issued by the Intercolonial Railway. As the name would imply it deals with the question of reaching the various summer resorts along the line of the railway, and furnishes the details regarding routes and rates hotels etc. It is a booklet of plain travel facts, just what the practical tourist needs. The pages devoted to side trips will be found interesting by those who do not realize how numerous are the possibilities for delightful holiday excursions at very reasonable expense. This booklet will be mailed free to all who write the Advertising Dept. I. C. R. Moncton, N. B.

CANADA'S PROSPERITY IS GREAT

Ottawa, June 16—Final figures show Canada's revenue last year, ended March 31, to have totalled \$117,780,409, which is the greatest by far the dominion has ever had and is \$16,250, ahead of the preceding year.

This year there is every indication that the revenue will approach \$130,000,000.

In the last fiscal year customs revenue amounted to \$72,965,394; excise, \$16,869,837; postal returns, \$9,146,953; public works and railways, \$10,818,834; miscellaneous, \$7,979,391.

The expenditure on revenue account last year was \$87,773,998, an increase of \$8,250,000.

Expenditure on capital account totalled \$33,696,222, a decrease of \$500,000.

During the first two months of the present fiscal year, ended May 31, Canada's revenue was \$18,573,441.

The Coronation

(Sonnet)
BY MICHAEL WHELAN

Tho' not an age for sentiment or song,
With avarice and haste on every hand,
The God of Mammon marching thro' the land,
While the great stream of Commerce sweeps along,
Ten thousand to the Coronation throng;
And millions in the proud parade shall stand.
From the great British Empire's farthest strand,
To which all races of the world belong,
The white, the black, the yellow, red and brown,
From every climate, continent and shore,
Hands shall be lifted to salute the Crown;
Hearts shall, in loyal love, libations pour,
Four hundred million souls this song shall sing:
"God Save Our Country and Our Gracious King."

RHEUMATISM

Cured by Booth's Kidney Pills.

T. E. Foster, of St. John St., Fredericton, N. B., says: I have found more actual relief from Booth's Kidney Pills than in all else I have ever tried for rheumatism. The pains in my limbs have lessened greatly and I am better and stronger than in years previous. My appetite has built up and I eat and sleep better than I have in over three years. My general health is greatly improved and I can credit this only to Booth's Kidney Pills.

This is the Booth Kidney Pill way. These wonderful Pills are sold under a guarantee to refund your money if they fail to relieve any sufferer from Rheumatism or any trouble having its origin in the Kidneys. They cure Backache, dull shooting pains, thick and cloudy urine, gravel and stone, rheumatism and all diseases of the kidneys and bladder.

Booth's Kidney Pills are sold by all druggists and dealers, 50c. box, or postpaid from The R. T. Booth, Co., Ltd., Fort Erie, Ont. Sold and guaranteed by T. J. Durick.

NINETEEN-YEAR-OLD BOY TO HANG

Halifax, N. S., June 16.—John A. Tebo, a nineteen year old boy, was sentenced to death at Digby to-day for the murder of Edward Macgregor, an old man, and he will be hanged July 24th. While the judge was pronouncing sentence, Tebo stood in the dock chewing gum, and as he was being led back to his cell, he heaped curses on everyone connected with his trial. The evidence showed that Tebo knew that old man Macgregor was in the habit of carrying five hundred dollars on his person. Tebo asked Frank Calder to join him in killing Macgregor, promising to share the money. He told Calder that he would do the dirty part of the job himself. He killed the old man with an axe, and threw the body into a lane, where it was found later. The trial is the shortest on record in Nova Scotia. The evidence of 40 witnesses was taken and from the time the prisoner went in the dock till the judge pronounced sentence, only fourteen hours elapsed. The jury was out thirty minutes.

BABY'S LIFE THREATENED BY SUMMER COMPLAINT.

The life of every baby is threatened during the hot summer months by that dreaded trouble—summer complaint. Thousands of children die every summer from this trouble—thousands of happy homes are made dark and sorrowful because a precious little life has been snuffed out. But mothers, though you fear this trouble, you can yet fight it—yes, fight it and defeat it with Baby's Own Tablets. Concerning them Mrs. Jos. Steff, Coult's, Alta., says: "During the hot summer days my little boy took ill with summer complaint. He was seized with vomiting and no-hing helped him till I got Baby's Own Tablets. They relieved him and made him a strong healthy child." The Tablets are for sale by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

"The intelligence required for that solving of social problems is not a mere thing of the intellect. It must be animated with the religious sentiment and warm with sympathy for human suffering."—Henry George.

JOHN M'KANE DIED IN WEST

Well Known Resident of Newcastle Passes Away in San Francisco—Pneumonia the Cause of Death.

The many friends of John McKane will be shocked to learn of his death which occurred at the St. Francis Hotel, San Francisco on Thursday last, as the result of an attack of pneumonia. Mr. McKane who was making a tour of the west with Mrs. McKane, contracted a severe cold while at Los Angeles about two weeks ago and after proceeding to San Francisco, he developed pneumonia and soon passed away.

Mr. McKane had only recently been on a trip to England. He returned to Canada with Max Aitken, the famous promoter and later in company with Mrs. McKane, started on a tour of the west.

Mr. McKane who was in the 45th year of his age, was born in Dumferline, Scotland, and came to Canada about 25 years ago. He lived for a time in Newcastle, where he was connected with the Royal Bank, and while here was married to Miss Florence Sinclair, daughter of the late Edward Sinclair, of The Bridge. Some years ago he acquired extensive mining interests in British Columbia and Nevada which proved of phenomenal value. After realizing a large fortune, he sold out his mining properties, and made a tour of the world. About four or five years ago he took over the interests of the Edward Sinclair Lumber Co., of Newcastle, and retained control till about two years ago when he sold out to his brothers-in-law, Hubert and William Sinclair, who now carry on the business.

Mr. McKane was identified with various other enterprises, and at one time owned the Telegraph and Times of St. John. He made frequent visits to St. John and was a generous contributor to the charitable institutions of that city and other places, as many on the Miramichi can testify.

A man of kindly and genial disposition he had a host of friends who will regret to hear of his death. Well educated, and an omnivorous reader, he took a keen interest in public affairs, and was a strong supporter of the Conservative party. About ten years ago he was nominated by the Conservative party in a British Columbia constituency for a seat in the Federal House, but though he put up a vigorous fight he failed to win the election. Later he was offered a nomination to contest the Scottish constituency of Sterling against Sir Harry Campbell-Bannerman, but he declined to run.

Besides his wife, who was with him at the time of his death, Mr. McKane leaves a sister, at Dumferline, Scotland. His parents are dead and he had no children. Interment took place at San Francisco.

PRaise FOR DOUGLASTOWN PASTOR

Rev. F. C. Simpson, of Douglastown, N. B., has been in Bridgeport, C. B., for two or three weeks. He came on the invitation of Evangelist Kenyon, who has just concluded a highly successful campaign in Chalmers Church. Mr. Simpson's musical gifts and his competence in conducting choirs are well known by his many friends, and one could not help thinking that too little use has been made of him in a sphere where he has few equals in the Canadian church. In solo work and in leadership he is equally at home, and he greatly enhanced his high reputation in this campaign. Mr. Kenyon paid a high compliment to the choir in the presence of a crowded congregation drawn from the entire mining region on Sunday night.—Presbyterian Witness.

WOMAN WAS SLAIN IN HOME AS SHE PRAYED

Rosary Beads in Hand of Murdered Mrs. Simmons—Was Strangled to Death With Pillow Shams.

White Plains, N. Y., June 15.—Strangled to death with two pillow shams tied around her neck, Mrs. William Simmons, wife of an engine driver, employed by the New York Central Railroad, was found in her home about noon Tuesday after her daughter, Lillian, five years old, attracted the attention of neighbors to the scene of the tragedy. Both the police and coroner declare the crime as mystifying as any ever committed in Westchester county.

The husband returned from his run on the railroad an hour after the body was found, and when friends hurried him home in an automobile Coroner Squires, of Ossining decline to admit him to the scene of the murder until after conducting a thorough investigation of the premises.

Mr. Simmons said he left home about nine o'clock Monday night for an extra run. He said he kissed his wife goodbye. After going two blocks he says he remembered his lunch basket, which his wife had filled, and returned for it. His wife greeted him again at the head of the stairs, he said. That, he declared was the last time he saw her alive. The body was found within five feet of where she stood then, at the head of the stairs landing.

A woman cement agent was making a canvass of the street, and among other places stepped at the Simmons home. After ringing the door bell, Lillian, the elder of two children, appeared at the door.

"Mamma, she don't want anything today, please," she lisped. "She's sick, I guess."

Mrs. Walter Knapp, who lives next door, was sweeping her veranda and overheard the child's conversation. She inquired at once if Mrs. Simmonds was seriously ill.

"She's got nose bleed," returned the child. "My mamma won't talk to me at all."

Mrs. Knapp lost no time in entering the Simmons home, where she called aloud several times for Mrs. Simmons. Receiving no response, she hurried upstairs and was confronted with the body. Terrified, she fled and summoned other neighbors.

Coroner Squires, who was attending court in White Plains, was notified. He found the body across the bed in a back bedroom and two pillow shams bound around the neck. They were tied in the back with two hard knots. The body was lying face downward. A blanket was thrown over the body. The left arm was folded under the head, while in the right hand was clutched rosary beads, which she had evidently been using in prayer when she was attacked.

The husband has been arrested on a technical charge of vagrancy. Money became payable a few days ago on an insurance policy on the slain woman's life, and it is said to have been made out in favor of the prisoner. The name of a Mount Vernon woman has been coupled with the case.

After trying to cure the grip by fasting for fifteen days a Toronto man died of starvation. Another evil result of fast living.

MURRAY GOVERNMENT WINS IN NOVA SCOTIA

Holds Twenty-Seven Out of Thirty-Eight Seats.

Halifax, June 14.—The elections resulted in a victory for the liberal government, who carried 27 of the 38 seats in the province. Cape Breton elected two conservatives. Men who always went to the custom tailors are now wearing Fit-Reform

The reason is simple and logical

Fit-Reform Suits show the same careful tailoring—the same graceful lines—the same perfect fitting qualities—as the finest of the custom work, because they see the highest class of hand tailoring.

With these advantages—

The suit is ready, the day you select it—and the cost is anywhere from 25% to 50% less.

This may sound unreasonable to the man who does not know that the greatest designers and the most skilled tailors in Canada, are employed by Fit-Reform.

It is equally true that Fit-Reform commands the choicest fabrics that come from the looms.

All of which you can learn, to your complete satisfaction, when you come to look over our showing of Fit-Reform Suits.

SHELDON GETS FIVE YEARS

Schemer Started His Game by Luring to Y. M. C. A. Members—His Receipts from Dupes in One Day Were Over \$300,000.

Montreal, June 16.—The culmination in the great Sheldon drama was reached this morning in the Court of Special Sessions, when Justice Langelier meted out a five year sentence to Charles D. Sheldon, the man whose financial exploits have dazzled all Canada. The charge upon which he was sentenced was theft of \$15,000. Other charges of securing money under false pretences will be held in abeyance.

Justice Langelier, in announcing his decision, said that he found Sheldon guilty under a section of the criminal code which provided a penalty for unlawful failure to account and unlawful conversion.

Sheldon heard the verdict calmly. Before being sentenced he pleaded for clemency on account of his advanced years, asking that the sentence be made as short as possible in order that he might be able to pay back the money he had. "To this purpose," he declared, "I intend to devote the balance of my declining years, and they will be all too few for the purpose."

Y. M. C. A. BOYS DUPED
About three years ago he came to Montreal and started operating in a mild way in a bucket shop. His eloquence started him giving lectures to Y. M. C. A. youths over a St. Catherine street shop. The youths fell for it and entrusted Sheldon with their tens and twenties to "invest."

Sheldon did so well with these sums that more money came rolling in. He set up with desk room in an office on St. Francois Xavier street, and began to advertise in a quiet way. Twenty per cent a month was what he claimed to pay by beating the market.

Newspapers began to question Sheldon's profits. Here was where the wizard showed his persuasive powers, and in the face of a battering opposition, he was able to talk his victims round so well that money poured in by the hundreds of thousands.

On one day he took in \$375,567, but on the other hand the public got frightened. After paying out several hundred thousand dollars Sheldon found he could not stem the tide and he disappeared.

On Columbus Day, October 13, 1910, the New York market was also closed. A neat sign on the door said it would open on the morrow. The morrow found the office left to the mercy of creditors and spiders. On the twenty-fifth of March, 1911, Sheldon was located in Pittsburg under the name of Ross. He had been playing the market again and apparently did not have a cent. He was brought back by Chief McCaskill, arriving in this city on April 1. He elect a summary trial before a judge, and was tried last Thursday, June 8, before Judge Langelier.

Sheldon had operated under different names in several United States cities.

OUTDOOR SPORT AND ZAMBUK.

Every athlete, every ball-player, every swimmer, every canoeist, every man or woman who loves outdoor life and exercise, should keep a box of Zambuk handy.

Zam-Buk is a purely herbal preparation, which, as soon as applied to cuts, bruises, burns, sprains, blisters, etc., sets up highly beneficial operations. First, its antiseptic properties render the wound free from all danger from blood poisoning. Next, its soothing properties relieve and ease the pain. Then its rich, herbal balms penetrate the tissue, and set up the wonderful process of healing. Barbed wire scratches, insect stings, skin diseases, such as eczema, heat rashes, ring-worm, babies' heat sores, chafed places, sore feet—are all quickly cured by Zam-Buk. It also cures and cures piles. All druggists and stores. Use Zam-Buk Soap, 25c. per tablet.

Constable McRae, of the provincial police, visited a lumber camp three miles from Charlton, Ont., and arrested a man named Walsh, a river driver from New Brunswick, charged with incendiarism in connection with the burning of Chas. Charleson's house. The prisoner is said to have threatened Charleson. The accused was held for trial.

POLICEMAN WAS ELECTROCUTTED

Beverly, June 15.—Patrolman Daniel McLeane, 39 years old, who lived with his wife and six young children at 10 Congress street, was electrocuted at 11.45 o'clock last night at the corner of Rantoul street and Railroad avenue, coming in contact with an electric light pole which was charged with electricity.

The body was discovered lying in the gutter under the electric light pole by Albert Lord and J. C. Hoodwin, two citizens who were riding by the place in an automobile.

When they saw patrolman McLeane they believed there was life remaining in his body, so they sped on to the police station, which is near the scene of the accident. They told Capt. Otis Burnham that patrolman McLeane was unconscious in the street, and Capt. Burnham and a squad of officers hurried to the scene.

When they arrived McLeane was dead. His body was taken to a local undertakers room nearby, and Medical Examiner George A. Stiekney viewed the remains.

A police guard was immediately placed about the scene of the death of the patrolman to prevent further accidents and the electric light company was notified to shut off the current from the poles in the vicinity.

An investigation revealed the fact that Patrolman McLeane had rung in his last duty call at 11.25 o'clock last night from the box at the corner of Rantoul and Wallis streets, not a great distance from the place where he was killed.

The body was found at 11.45 p. m. last evening. Capt. Burnham from his investigations, is inclined to believe that McLeane walked from Wallis and Rantoul streets, after ringing in his duty call, and probably at about 10.30 discovered the electric light on the pole at the corner of Rantoul street and Railroad ave., was out. Then, it is believed, he probably kicked the pole, so as to jar the carbon down so that the arc would be completed and the lamp relighted.

It is supposed that the pole was charged with 2400 or more volts of electricity which escaped from the wires and the lamp and was going down into the ground when Patrolman McLeane kicked the iron and that he received the full force of the escaping electricity.

The company shut off the power from all the lights and wires in the neighborhood to prevent further accidents pending an investigation, and there was darkness as a result. Electric lighting experts have been at work endeavoring to ascertain how the accident happened.

Patrolman McLeane was born in this city 39 years ago, and he has long been one of the popular and best known young men of the city. He was first made a policeman 12 years ago, and he has been a regular member of the force for five years. He was appointed to the regular force Nov. 2, 1906, by Mayor Joseph A. Wallis. He travelled the route known as the shoe district, between Pleasant street and Railroad avenue. He was an efficient officer. He was a member of Beverly council, Knights of Columbus.

DEATH OR LUNACY seemed the only alternative for a well-known and highly respected lady of Wingham, Ont., who had travelled over two continents in a vain search for a cure for nervous debility and dyspepsia.
