The copy filmed here has been reproduced thanks to the generosity of:

New Brunswick Museum  
Saint John

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

New Brunswick Museum  
Saint John

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

## General Summary.

The Presbytery of St John consists of 43 ecclesiastical parishes, viz: 24 pastoral charges, 9 mission charges, & 10 mission fields. These are supplied by 22 settled pastors, 9 ordained missionaries, & 8 student catechists. During summer service is held regularly at 148 places, with occasional meetings at 35 other points. In winter 139 regular stations & 24 occasional are supplied.

Not including city & town charges, & making all due allowance for the cessation of work during winter in the mis-

sion fields, the distance travelled weekly in fulfilment of preaching appointments, by each minister or missionary, is 23½ miles, making a total each week of 638 miles, & a grand annual aggregate of 33,176 miles, or equal to 1½ times around the globe! Some pastors travel 38, 43 & even over 50 miles per week. In the foregoing figures no account is taken of pastoral work.

Several of our parishes cover a large area. This is owing either to the uninhabited character of the country

or its pre-occupation by other denominations
