## INTRODUCTION.

---

Notwithstanding the limited success, in some instances our reports for the past year are of an encouraging and assuring nature. The numerical increase upon some of the fields is truly a cause of gratitude to God, who so remarkably owned the labors of his servants, and in answer to earnest believing prayer graciously poured out his Spirit and sent showers of blessing.

The interest manifested in Sabbath Schools is commendable, and yet we are sensible that more ought to be done in this direction, encouraging the young to read the Word, inwardly digest it, and live agreeably thereto; thus a healthy religious influence would be created, and the Church more permanently established.

The material improvements, building of churches, parsonages, &c., and increased liberality in supporting the various institutions of the Church are noticeable features. And we trust that your liberality will "abound more and more;" remembering that, "There is that scattereth and yet increaseth; and there is that withholdeth more than is meet, but it tendeth to poverty," a truth often most strikingly verified.

Not only to our patrons, under God, are we indebted for their liberal contributions, but to a class of noble, self-denying laborers, chiefly ladies, who act as collectors, and an increasingly large and useful class of juveniles.

Some of the fields, for prudential reasons retained upon the list of Missions, are really more than self-sustaining, not only supporting every institution of the Church, but contributing more missionary money than is expended upon them.

The Macedonian cry, "Come over and help us," is still heard, while "the fields are white already to harvest;" and "the Board" is anxious to comply in every instance. For this purpose we need, *first*, laborers, God-fearing, soul-loving, self-denying men. "The harvest truly is great but the laborers are few; pray ye therefore the Lord of the harvest that he would send forth laborers into his harvest." "For how shall they hear without a preacher?" "And how shall they preach except they be sent?"

Therefore, *secondly*, we need means. Give, therefore, cheerfully, "For God loveth a cheerful giver;" and liberally, "As God hath prospered" you. "Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the LORD of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it."—Mal. iii. 10.

May the great Head of the Church abundantly bless the labors of his servants and bring numberless sheep into his fold.

We now subjoin a more particular account of some of our mission fields:

### BAY QUINTE CONFERENCE:

#### KINGSTON AND PITTSBURG

on the whole is in a good condition. A new class, of 22 members, has been formed in the township of Pittsburg. Howe Island, which is in the same township, was taken from Gananoque and attached to this in the beginning of the year. Here we have 8 members. There were 19 members in Kingston last year, and this year we report 20, after deducting 8 dropped and two removed. Total membership, 50; increase, 31.

E. A. ORSER.

#### \* WOLFE ISLAND

towards the close of the year improved spiritually, and we had a small accession. The health of the missionary has been such as to prevent him engaging energetically in special meetings, so necessary for rapid extension. In about one year 11 families removed, reducing our *Advocate* subscribers by 3, and membership by 8; yet, after deducting all losses, the decrease is but 1. Present numbers, 71. During the year a spacious shed was erected at the church, adding much to appearances and conveniences. All financial claims have been fully met. Also 16 new subscribers for the *C. C. Advocate* obtained making, in two years, 31; with total receipts for the paper of \$163.36. Congregations are good. A second man could be employed here with profit, especially now that we have no local help.

E. S. HOWARD.

#### HUNGERFORD.

This mission is situated in the County of Hastings, embracing parts of the townships of Hungerford and Elzevir. There are seven appointments, two of which were added during the year; six classes, and a membership of 160; increase, 65. We have a chapel and burying-ground near the

E. WOODCOCK.

## TAMWORTH

is prosperous. Members, 130; on trial, 18; increase, 17. Four Sabbath Schools in successful operation. Congregations very good; free from debt, and in a healthy condition.

WM. BIRD.

## KALADAR MISSION

is composed of the townships of Kaladar, Anglesea, Barrie, and part of Kennebec. Membership reported, 36; a decrease of 26 since the first of the year. Financially is far in the back-ground. Spiritually very low. Ten preaching places within its bounds. Congregations only moderate in numbers, but improving. Is, in every sense of the word, an unpromising field of labor; it needs a missionary of strong physical constitution, as well as a determined and indomitable turn of mind. Will need a large appropriation to enable the missionary to live upon the work, as the people are very poor.

A. R. ORSER.

## DENBIGH AND MISSISSIPPI

has one occasional and eight regular appointments; five Sabbath Schools; a frame parsonage; two churches, still unfinished; one exhorter, and a full board of stewards. The membership has suffered from removals, though we have had a few accessions. Present number, 84; increase, 2.

R. B. DENIKE.

## KENNEBEC MISSION

is prospering. Nine Sabbath Schools have been in operation during a part of the year, and one was continued, with good success, all winter. Our nominal increase is 15, but our real increase is considerably more, owing to the fact that a number of backsliders, who retained their membership in the Church, were reclaimed. Financially the mission has done well this year. Some of the classes are spiritually healthy; others need more grace. On the whole, as one of the stewards remarked, "The mission is in a higher standing than at the end of any previous year."

N. D. PETERS.

## VERONA

has nine appointments; two were added during the year, and one new class was formed. Membership, 105. Two Sabbath Schools are in operation; and the local help consists of three preachers and one exhorter.

F. B. KNOWLTON.

## SHERBROOKE.

This mission embraces the townships of Oso, Sherbrooke, and Bedford. There are eight appointments, three classes, and 50 members. This is a rough field, the people are poor and spiritually low; yet we have a parsonage nearly completed, and preparations are being made to build a church in the village of Bollingbroke. I have not been absent from my work one Sabbath, and have filled all my appointments as far as possible, the roads and lakes sometimes being impassable. In my opinion this will be mission ground for all coming time.

D. SMITH.

## GANANOQUE.

This mission is very pleasantly situated on the banks of the St. Lawrence. Has six regular appointments. Financially it is in a very prosperous condition. Spiritually very encouraging. With care will very soon be self-sustaining.

A. D. TRAVELLER.

## NEWINGTON MISSION

embraces parts of the townships of Finch, Cornwall, Roxboro and Osna-bruck. The country is fertile and the roads are good. We have some excellent people. The parsonage and two churches are valued at \$2,800. There are eight appointments, and the congregations are good. The financial work has been well attended to, and the receipts far exceed that of any previous year, and the Church is rapidly rising. This mission properly requires two men, as it is now large, and is continually increasing. The way is opening up for our Church on every side.

J. BRILL.

## RICEVILLE.

This mission has seven appointments, one of which, and a very interesting one, was taken up at Caledonia Springs during the year. A few weeks since I was invited to hold services in the parlor of the hotel—a large and beautiful building in that place. The congregation is rapidly increasing, and the appointment promises to be an important one. I hope ere long we shall have a suitable Church in that locality. One church has been built during the year, and another is well advanced, and will be ready for dedication by the middle of July. My labors have been attended with a good measure of success; and this mission has every prospect of soon becoming one of our most interesting fields. Present membership, 65.

A. SHORTS.

## INKERMAN.

This mission, set off from the Matilda Circuit three years ago, has fully doubled its membership since that time, and is in a very fair condition. During the past year it lost thirty names by removal; besides there were

other losses. It has one Church ready for dedication, and in another neighborhood some interest is manifested concerning the erection of another. Although still needing help from the Missionary Society, it is willing to contribute, having raised over \$150 for that purpose during the year.

Z. B. HITCHCOCK:

#### HUNTLY.

This mission has undergone some changes during the year. Between removals and exclusions, the membership has considerably decreased. Our people generally are poor, and not much interested in the cause of religion. Scarcely one-third of the connexional claims have been met. Two new appointments have been added during the year; still the prospects are not at all encouraging. The mission extends about thirty miles, embracing three townships; and no missionary, under existing circumstances, can realize more than about one hundred dollars, without recourse to means not in keeping with his calling.

T. H. McDONALD.

#### BELL'S CORNERS

embraces parts of the townships of Nepean and Gloucester, the city of Ottawa separating them in such a manner as to prevent the proper consolidation of the mission. The labors of your missionary were therefore divided, so as to interfere with his usefulness. But the good Lord has granted us some degree of success. Souls have been converted, and six have united with us in the Church. There are some noble souls in different parts of the work, especially in Nepean. They have responded to the claims of the Gospel with a liberal hand, some even giving almost beyond their means to minister to the necessities of your missionary. The different funds of the Church have not been forgotten. This field should be efficiently sustained, and with the blessing of the Almighty will soon become self-supporting.

J. L. ROSE.

#### EGANVILLE.

This important field of labor is situated in the County of Renfrew, contiguous to the Bonne Chere River, and comprises large portions, if not all, of the townships of Wilberforce, Brownley, Admaston, and Grattan, with portions of adjoining townships. The country is well settled with an industrious and intelligent people, chiefly Protestant, to whom the visits of our missionary are always welcome. We have six regular Sabbath appointments, besides the week-day meetings. The missionary has devoted a considerable portion of his time to pastoral visitation, catechising the young, and in visiting and assisting in the Sabbath Schools. During the year the congregations have enlarged, and the people have been attentive to the word spoken. Some were brought to seek salvation, the lukewarm were stirred up, and God's people blessed with an increase of devotedness to Him. God is with us.

A. DAWSON.

## WESTMEATH

retains its former boundaries, embracing parts of Westmeath, Ross and Stafford. We have been much encouraged during the past year in giving attention to pastoral duties, the people receiving us gladly. Though we have lost a few by removals, a few have been added, so that we will report an increase. More missionary money has been raised than usual. Conference claims all met. College collection good. Preacher's salary medium. All things considered, we may safely say, we "have a goodly heritage;" "the lines have fallen unto us in pleasant places."

E. A. SANDERSON.

## ARNPRIOR.

All things considered, Arnprior is a hopeful and attractive field of labor. The people are loyal, generous, devoted, and the place is rapidly growing in importance, and our Church is prospering financially and spiritually. Present number of members, 40. At our country appointment we held a special service during the winter, resulting in a number of conversions, the majority of whom, however, are lost to our Church. A new Sabbath School has been formed with a good staff of teachers, and steps are now being taken to get a library. The village Sabbath School is in a prosperous condition; well managed, but deficient in Sabbath School literature.

W. BLAIR.

No descriptive reports were received from the Niagara Conference, and but two, Collingwood and Mount Forest, from the Ontario Conference.

## COLLINGWOOD MISSION.

This mission is situated in the township of Collingwood, one of the townships in the County of Grey. There are six Sabbath appointments, and 62 members and probationers. Our cause here has lately passed through a severe crisis, but by the blessing of God it still lives, and furnishes evidences of increasing energy and stability on the part of our people. May God bless the friends on this charge, and may heaven be their future home.

J. H. HILTS.

## MOUNT FOREST MISSION.

This mission is situated in the counties of Wellington and Grey, Mount Forest being the central point of the mission: We have enjoyed some revival influence during the past year, which has resulted in the conversion of about thirty souls, most of whom have united with the Church. We have some noble spirits who do their utmost in supporting the institutions of the Church. Our church property is valued at \$1,525.
