"Lines of all the belligerents must be made even closer."

FRED BELVEA WANTS HIS LOTS

At a committee meeting of the common council held this morning, J. Fred Belvea was present to find out what action the commissioners intend to take regarding the lease of lot No. 5 and the deeds to lots Nos. 2 and 3. Some time ago the council agreed to sell Mr. Belvea lots 2 and 3 for \$800 each and to lease him No. 5. Owing to protests entered by owners of a weir above Mr. Belvea's lots there has been a hold-up in the matter which could then be dealt with by the council.

PREMIERS WILL CONFER ON FRIDAY

Ottawa, Feb. 11.—The conference of prime ministers on Friday will be the event of importance at the capital this week. The deliberations will have a far-reaching effect on Canada's exertions to aid the war efforts of Great Britain and her Allies by increasing food production. The chief purpose of the gathering will be to make plans whereby provincial machinery will co-operate to the fullest extent in carrying out the plans of the dominion government. A number of questions will be considered on Friday and a decision likely reached as the lines on which to proceed.

The announcement that the position of food controller has been abolished and a Canada food board established is but the preliminary to the adoption of a dominion-wide appeal, calling for the greatest possible exertion on the part of the provinces and provincial governments.

Subsequent to the gathering, a comprehensive announcement of government policy will be forthcoming. The Canada food board will constitute a sub-department of agriculture and will be under the personal direction of Hon. T. A. Cressy. It will co-ordinate with problems of food production and food conservation and remove the possibility of friction which would exist had the control of food remained under a separate organization.

FIRING SQUADS FOR PACIFISTS

Demand of Speaker at Remarkable Meeting at Which Workers of Great Britain And America Renew War Pledge

New York, Feb. 11.—The workers of Great Britain and America, through their spokesmen at a great loyalty mass meeting at the Century Theatre last night, pledged their united and unwavering effort to the defeat of Germany. The workers of America spoke through Secretary of Labor W. B. Wilson, and officials of the American Federation of Labor. The workers of Great Britain spoke through Charles Duncan, M.P., head of the British labor mission, which arrived in this city yesterday. Pacifists were pilloried by the speakers, and when Hugh Frayne, representative of labor on the war industries board, asked that firing squads be called to deal with the Kaiser-branded seker after peace, he was cheered to the echo.

Secretary Wilson made special answer to those labor factions which revel in calling this war of capitalists. He said it was a war for the common people and not for capitalists.

Mr. Duncan gave great applause when he told how the speeches of President Wilson had kept up the people in England. In a dramatic way he also told of the effect the coming of American troops had in England.

Referring to the pacifists, Mr. Duncan said:—"It will be time enough to talk about peace when those who started the war are dead."

The members of the British delegation, beside Mr. Duncan, are W. A. Appleton, secretary general of the Federation of Trades Councils; Joshua Butterworth, associated Shipwrights Society, and B. L. Moses, of the Pattern Workers' Union. Mr. Duncan is general secretary of the General Workers' Union and labor member of parliament for Barrow-in-Furness.

"We state with joy that from this day peace will begin between the quadruple alliance and Ukraine. We came here in the hope that we should be able to achieve a general peace and make an end of this fratricidal war. The political position, however, is such that not all of the powers are met here to sign peace. The cultural national powers of our people, we must now divert all of our strength to do our part to bring about a general peace. We are firmly persuaded that we conclude this peace in the interests of great democratic masses, and that this peace will contribute to the general termination of the great war. We gladly state here that peace has been performed at Brest-Litovsk and has been crowned with success and that we have attained a democratic peace."

From today the Ukrainian people's republic is born to new life and it enters its independent state of the circle of nations. It ends war on its front and will see to it that all of the powers which will rise to new life and flourish."

Signing the Treaty. Dr. Von Kuehlmann then invited the representatives to sign the peace treaty. At one minute before 2 o'clock Dr. Von Kuehlmann, as the first signatory, signed a copy of the treaty prepared for Germany and by 2:30 o'clock all of the signatures appeared.

The treaty is entitled "A treaty of peace between Germany, Austria-Hungary, Bulgaria and Turkey on one part and the Ukrainian people's republic on the other."

The preamble states that the Ukrainian people, having in the course of the present world war declared itself to be independent and expressed a wish to restore peace between itself and the powers at war, Russia desires "to take the first step toward a lasting world's peace, honorable to all parties, which shall not only put an end to the horrors of war, but also lead to the restoration of friendly relations of the peoples in political, legal, economic and intellectual realm."

The names of all of the plenipotentiaries engaged in the negotiations are then set forth and they are declared to have reached an agreement on the following points:

Article 1.—Germany, Austria-Hungary, Bulgaria and Turkey, on the one hand, and the Ukrainian people's republic on the other, declare that the state of war between them is at an end. The contracting parties are resolved henceforth to live in peace and friendship with one another.

Article 2.—Between Austria-Hungary on the one hand and the Ukrainian people's republic on the other hand as far as these two powers border one another, these frontiers will exist which existed before the outbreak of the present war (between the Austro-Hungarian monarchy and Russia). Further north the frontiers (Continued on page 2, sixth column)

NEWFOUNDLAND'S PART IN THE WAR

Island Colony Has Given 6,448 Men And Of These 1,200 Are Dead—An Impressive Contribution

St. John's, Nfld., Feb. 11.—The impressive contribution by Newfoundland to the fighting forces of Great Britain is brought to the fore by a summary of enlistments and casualties made public today. From the city and from the innumerable little settlements that dot the coast line there has gone forth to the war, up to the end of December last, 6,448 men. Twelve hundred of these are dead. More than twenty-five per cent of the 4,195 men who enlisted in the Newfoundland regiment in the first three and a half years of the war have died or are missing and believed to have been killed. Government officials pointed out today that the Newfoundland regiment had suffered much more severely in proportion to its strength than the Canadian soldiers. It is understood that in the Canadian army the fatalities have not exceeded ten per cent.

Much of the heavy loss is accounted for by the participation of Newfoundland troops in four important encounters on the western front. These were at Beaumont-Hamel in July, 1916; at Guedecourt in October of the same year; at Monchy Le Preux in April, 1917, and at Cambrai in November last.

CHILD'S TONGUE BECOMES COATED IF CONSTIPATED

When Cross, Feverish and Sick Give "California Syrup of Figs"

Children love this "fruit laxative" and nothing else cleanses the tender stomach, liver and bowels so nicely. A child simply will not stop playing to empty the bowels, and the result is, they become tightly clogged with waste, by breath, by bitter, by a full cold, has sore throat, stomach ache or diarrhoea. Listen, mother! See if tongue coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Mrs. John Lammon, 189 Metcal street, was advised this morning from Ottawa that her son, Private William Lammon, a member of the Black Watch, fighting in Mesopotamia, has been admitted to the Red British General Hospital, in Basra, suffering from inflammation of the stomach. Private Lammon has served in practically all branches of England's fighting forces, both on land and sea. He left St. John and went to Scotland where he joined the British navy. He was sent to the Dardanelles shortly after joining the navy and there saw considerable fighting. When that undertaking was cancelled, the ship on which he was a member of the crew was attached to the Admiral Beatty's fleet, and while with that fleet took part in the big naval engagement of Jutland.

A CRITICAL SITUATION.

The news that the Ukrainian people have made peace with the Central Powers appears to be confirmed. There is also a report that the demobilization of the Russian armies on all fronts has been ordered. If so, this is another of the tragedies of the war.

It must be confessed that the week opens with a very unsatisfactory outlook in the war zone. From Greece comes word that former King Constantine is intriguing against the Greek government and causing a good deal of trouble.

RECENT DEATHS
S. L. Lawson.
Amherst, N. S., Feb. 10.—Seldom does
death bring such widespread sorrow as
did the report this morning that S. L. L.
Lawson had passed away last evening.
The late Solomon L. Lawson was born
at Sussex (N. B.), sixty-five years ago,
his parents being Solomon Lawson and
Elixa Withrow, his wife. His early man-
hood was spent in St. John, he being
employed for some time with the firm of
T. S. Simms & Co. More than thirty
years ago he accepted an important posi-
tion with Rhodes-Curry & Company, of
Amherst, where he served for many
years, afterwards being with the Am-
herst Foundry Machine Co. He was a
mechanic of exceptional ability and a
thorough master of his trade. Ever since
coming to Amherst he has been a mem-
ber of the church choir and none were more
faithful in their attendance and work
than Mr. Lawson, until failing health
intervened. He also took a deep interest
in public music, even in the town.
Besides his widow, who was Miss
Elizabeth Alexander, of St. John (N. B.)
he is survived by two daughters, Hazel
M., wife of George McClary, of Am-
herst, and Helen, wife of Sergeant A. E.
Soyy, somewhere in France; and one son,
Fred, now at Toronto. The latter only
recently visited his parents for some
weeks; also two sisters, Mrs. George
Morrison and Miss Sophia Lawson, both
Moncton (N. B.), and two brothers, Da-
vid, of Medford (Mass.), and Levern,
of Worcester (Mass.). The funeral will
take place Tuesday at 2.30 p. m. Interment
will be made at Highland ceme-
tery.

John Hayes.
Many friends of John Hayes will re-
gret to hear of his death which occurred
yesterday afternoon at his residence in
Marsh road after a lengthy illness. Mr.
Hayes had been a lifelong resident of the
Marsh road and had practically grown up
with that section of the city. He was
an old hand in this locality and will be
missed by a wide circle of friends.
He was a father of five sons, four of
whom have served with the British
forces in France, and one of whom,
Charles, has paid the supreme penalty
while fighting with the 29th Battalion.
The others are Frank and William, at
present overseas, Joseph, who was re-
cently returned to Canada from France
where he had served as a soldier, and
Leo at home. One daughter, Miss
Beatrice, also survives. Mr. Hayes was
about sixty-five years of age.

L. B. Archibald.
Halifax, Feb. 10.—L. B. Archibald,
superintendent of the dining service
on the eastern division of the Canadian
government railways, died at his home
in Truro today. He had been forty
years in the employ of the railway.

Hopewell Hill, Feb. 7.—Mrs. William
Long, of Harvey Bank, a highly respect-
ed resident of that place, died at her
home yesterday morning, after a long
illness.

At St. John on February 9, the death
occurred of Mrs. Louisa A. Miles, widow
of the late John T. Miles of Margerville
(N. B.), death being due to paralysis.
She is survived by two daughters, Miss
Gertrude Miles and Mrs. J. H. Dyke-
man of St. John and three sons—James
of Margerville (N. B.); Charles of Salt
Lake City, Utah; and Frederick, of Mon-
cton; also two sisters, Mrs. George Hal-
lory of Woodstock (N. B.), Mrs. J. D.
Colwell of Jemseg (N. B.) and one
brother, F. A. Plummer of Woodstock.

The death of Mrs. Susan DeMille Col-
well occurred on February 9 at her late
residence, 169 Leinster street. Mrs. Col-
well is the widow of George B. Colwell,
a former well known resident of this
city. Mrs. Colwell was born in Hamp-
ton and came to this city about forty
years ago. During this time she has
been a steady attendant of the Waterloo
street Baptist church. She is survived
by one daughter, Mrs. E. Lawson Smith
of this city, and two sons, C. Edwin of
this city and G. B. Colwell of Wood-
stock. The funeral will be held from her
late residence, 169 Leinster street, on
Tuesday afternoon. Service at 2.30
o'clock.

The death of Miss Alice Jackson oc-
curred late Friday evening after a very
short illness. She returned home from
Boston a few months ago, where she
had been recuperating from a serious
illness. Her death came as a great
shock to her many friends.

She leaves one brother, Charles, at
home and six sisters, Mrs. Rex, Mrs.
Gilson, Mrs. Dacosta, and Miss Annie,
of Boston, Mrs. Alex. Perley, Bathurst,
and Mrs. James Perley, of Loggieville.

When his platoon was held up by enemy machine guns and a machine gun causing many casualties, Private Robertson dashed to an opening on the flank, rushed the machine gun, and, after a desperate struggle with the crew, killed four and then turned the gun on the remainder. Private Robertson was killed as he was returning with a second sniper who was wounded."

PLOT SAID TO BE FORMED AGAINST GIANTS

Is Too Old to Cause Any Worry to McGraw—Other Notes of Interest

A wild-eyed yarn from the west says there is a deep plot being laid to snare the Giants next year. The plan as outlined is for the best pitchers of the various clubs to be used against the Giants as often as possible. The Cubs, Cards and Pirates are said to be mixed up in it, while the Cincinnati club has also been invited to join the gang. The doings are handed out is that the Cubs, Yankees and Alexander; Pirates Cooper and Miller; Cards Ames and Meadows, just as often as possible and allow the second string pitchers to face the other clubs. There is hardly any reason for getting excited, as there are few managers who have ever given the pennant winner any of the best of it. This plot is too old to become excited over.

Those five new pitchers that President Marvin has just signed up for Detroit must look good to Hughie Jennings. All five of them are as green as grass.

Dominion Rubber System Pension Fund

Details of Pension Plan adopted by Canadian Consolidated Rubber Co. Limited, for its employees.

- 1. NAME The name of the plan is Canadian Consolidated Rubber Co. Limited Pension Plan. 2. OBJECT After careful consideration of the subject and an examination of existing pension systems, the Company has adopted the following plan as the most liberal for employees, by long and faithful service, have earned an honourable retirement. 3. DEFINITIONS a. In these regulations the word "Company" shall mean the Canadian Consolidated Rubber Co. Limited, or its successors. b. "President" and "Board of Directors" shall mean the President and Board of Directors of the Company. c. The word "Committee" shall mean the persons appointed by the Board of Directors to administer the Pension Plan in accordance with approved regulations. d. The word "employees" shall mean those persons who receive a regular and stated compensation from the Company, other than a pension or a retainer. e. The expression "term of employment" shall mean period of continuous employment in the service of the Company, or any company or companies subsidiary thereto, allied with, or predecessors of the Company, and shall include such employment whether commenced prior to the adoption of this plan or not. f. The expression "continuous employment" shall mean service with the Company continuously without a break of any kind, except as due to leave of absence, sickness, injury, or necessary temporary lay-off on account of reduction of force or for any other reason, all such cases to be subject to the discretion of the Company; but when such absence exceeds six months in any twelve consecutive months it shall be deducted in computing the length of service. In any other case than those mentioned, if a person is re-employed after such a break in the continuity of this service for the purposes of this pension plan it shall be considered as a new employee. 4. PENSION COMMITTEE a. There shall be a committee of not less than five nor more than seven, appointed by the Board of Directors to serve during its pleasure, which shall be called the Pension Committee. This Committee shall be charged with the administration of this plan. b. The Committee shall have the specific powers elsewhere herein granted to it, or that may be granted to it from time to time by the Board of Directors. Exceptions to or deviations from the regulations so laid down shall in all cases be subject to the approval of the Executive Committee of the Board of Directors of the Company. c. It shall determine conclusively for all parties all questions arising in the administration of this plan. d. It shall adopt such by-laws and rules of procedure as it may deem necessary, subject to the approval of the Board of Directors. e. It shall be empowered to employ a secretary and such other assistants as may be required in the administration of the plan. 5. PENSION FUND The Company shall appropriate such sums of money from time to time as may be necessary in administering this plan, and no contributions will be required, or received from any employees of the Company. 6. ELIGIBILITY a. All employees engaged in any capacity whatsoever, and wherever located, are eligible to a pension as hereinafter stated. b. All male employees who have reached the age of sixty-five years and whose term of employment has been twenty years or more, and all female employees who have reached the age of sixty and whose term of employment has been twenty years or more, may with the approval of the Pension Committee retire from active service, if they so desire and become eligible for pension. c. All male employees who have reached the age of sixty years and whose term of employment has been twenty years or more, and all female employees who have reached the age of fifty-five and whose term of employment has been twenty years or more, may at the discretion of the Pension Committee be retired from active service, and become eligible for pension. 7. DISABILITY At the discretion of the Pension Committee with the approval of the Board of Directors, any employee who has become totally disabled as a result of sickness or injury, compensation for which may not otherwise have been provided, and whose term of employment has been fifteen years or more, may be retired from active service and granted a pension. If a pension is granted it shall be for such period as the Committee may determine, and if at any time during such period the employee recovers sufficiently to resume active service, the pension may be discontinued by action of the Committee. If the employee re-enters the service of the Company at the time such pension is discontinued he shall be eligible to a pension under these regulations, and the period of absence on disability pension shall be considered as a leave of absence and not a break in the continuity of the employee's service. 8. AMOUNT OF PENSIONS a. The annual amount of such pensions shall equal one per cent. of the average yearly wage for the ten years prior to retirement, multiplied by the number of years of service, but such pensions shall not be more than \$5,000.00 per year, nor less than \$300.00 per year. b. For example, if an employee's average annual wage for ten years is \$1,000.00 and he has been in the service for thirty years, he would receive 1% of \$1,000.00 or \$10.00 multiplied by thirty, or \$300.00 per year or \$360.00 per month. c. In case of special difficulty in determining with practical accuracy the average yearly wage, the Committee may at its discretion take some smaller consecutive number of years for the purpose of determining a fair average yearly wage. 9. PAYMENT Pensions shall be paid to the pensioner personally on the first of each month from the date of retirement until the death of the employee. 10. GENERAL a. Neither the action of the Board of Directors in establishing this Pension Plan or any action hereafter taken by the Board of Directors or the Pension Committee shall be construed as giving any officer or employee or agent of the Company the right or privilege to discharge at any time any officer, employee or agent when the interests of the Company, in its judgment, may so require, without liability for any claim or other allowance other than salary or wages due and unpaid. b. The Board of Directors may amend, alter, add to or amend in any way any and all of the provisions contained in this plan, or hereafter adopted by the Board of Directors in respect of this plan, and may at any time set aside any action taken by the Pension Committee. c. The Company guarantees that, once a pension has accrued to a particular employee, it will continue such pension for the life of the particular employee and as specified with reference to widows and minor children; subject, however, to the provisions and conditions of the regulations laid down by the Board of Directors or the Pension Committee. It is understood that Section 10b given above shall not affect such guaranty. d. Assignment of pensions under this plan will not be permitted or recognized. e. Pensions may be suspended or terminated in the discretion of the Committee in cases of gross misconduct or of any conduct prejudicial to the interests of the Company. f. Any retired employee may, by first obtaining the approval of the Committee, engage in any occupation or work which is not prejudicial to the interests of the Company. If any retired employee shall engage in any thing which in the judgment of the Committee is prejudicial to the interests of the Company, the payment of a pension to such retired employee may be suspended or discontinued. g. Regular employees with this Company shall be entitled to a pension when they have completed the right of a retired employee to pension payment during the period he continues in such employment. h. In case any pension shall be payable under the laws now in force, or hereafter enacted, of the Dominion of Canada or any Province thereof or any State or Country, any employee of the Company under such laws, the excess of the payment of a pension prescribed in this plan above the amount of such pension prescribed by law, shall be the pension payable under this plan. 11. TIME TO TAKE EFFECT This plan shall take effect January 1st, 1918.

SNOW DELAYS TRAINS.

The trains arriving in the city were late today as a result of the heavy storm of Saturday night. The Montreal is reported four hours late and the Boston two hours. Large gangs of men are at work in the island yard digging the last out of the tracks and shovelling snow. Everything possible is being done in order that there be no tie-up in freight trains.

The probability for tomorrow are warmer with rain or snow.

SUTHERLAND-RILEY.

The marriage of Miss Mary Riley to Robert J. Sutherland was celebrated at the St. John Baptist church, Broad street, by Rev. Father McLurray at nine o'clock this morning. A dainty breakfast was served at the home of the bride's sister, Mrs. Arthur J. Larabee.

FOUGHT THE BLIZZARD.

The street railway reports that, by exceptional endeavors, the whole of the main line was kept open, although with interruptions, through Saturday night's storm. At 8 p. m. on Saturday the Glen Falls line and East St. John line beyond Kamsel Corner beyond the line, although the plough was going all the time. Accumulation of drifts, in spite of all exertion, proved too much and it was not until Sunday morning that Glen Falls was open. The officers and pupils of St. Matthew's Sunday School held their sleigh drive on Saturday afternoon, in place of their annual Christmas treat. The party, consisting of the officers and more than one hundred scholars left the church at two o'clock; after a delightful drive, singing and hurrahing, returned to the church vestry where a repast was served by the Ladies' Aid. The banquet was the best of its kind ever held in the history of St. Matthew's. No pains were spared to make the event a grand success. The children all report a grand time, and look forward to their next annual "treat." St. Matthew's Sabbath school is one of the banner schools of the city.

POLICE COURT.

At the police court this morning Joseph Burkeley was before the magistrate on charge of assaulting his wife. He pleaded not guilty and the accused was called to the stand. She said that on Thursday night last her husband came home late and brought some fish for next day's meal. She told him that she had no saucepan and refused to cook the fish. He gave her some money for the pan, but she used that the next morning for some kind. When he found the fish uncooked on his return, according to her testimony, he threw her down, kicked her and when she arose then went on the stand and testified that this was not the case, but that she had grown angry and had come at him with a stove cover and a litter. The cover, he said, had dropped on the floor and she then threw the litter at him. He was forced to grab at her hand and she stepped back and fell over a chair. According to his side of the matter, she had not been acting sanely for some time and he offered to bring witnesses to prove it. The case was postponed.

HEADQUARTERS STAFF NOW IN NEW OFFICES

This morning saw the staff of military headquarters in their new offices in Cavendish Hall, recently used as a soldier's club, on the corner of Mecklenburg and Sydney streets. The new quarters are excellent and all fitted up. The heads of the various branches have their private offices, and their clerks are in adjoining offices. The building has been renovated and now makes a very fine staff headquarters. The officers are much pleased with the change. Their old quarters in Germain street were cramped and ill-lighted. This is very gratifying to the association as it will permit the removal of the school from very small quarters where their work has been greatly curtailed.

CAPTAIN J. H. PRATT COMMANDS TRANSPORT

Word has been received here that Captain John H. Pratt, formerly in command of the Canadian government cruiser Curlew, but who left to enter the mercantile marine service some years ago, is now in command of one of the largest transports carrying United States troops to Europe. His many friends in this city will be pleased to learn of his advancement to this position of great trust.
