HARTLAND CHIPPED IN GENEROUSLY

The local patriotic fund is closed for the present and today the treasurer, W. D. Keith, sends in a cheque for the total amount, \$1224.25.

Those who have contributed do not feel that they have yet done all they could. The opinion is well founded that contributions to both the patriotic and Belgian Relief funds will be greater as the months of undecisive and unspeakable cruelties of war go on.

The following list is minus many names the people might expect to see. There are also names down for comparatively small sums that means genuine sacrifice and self-denial.

Every true and loyal Canadian will, if the need continues, sacrifice his last dollar and his life to avenge little Belgium and to maintain the honor and integrity of the Empire.

Deaths at Summerfield

Our community was saddened on Wednesday, Jan. 12, when it was heard that one of our neighbors, Pierce Smith, had passed away. He was one of our oldest citizens and had lived a good honest life. He will be missed by many friends. He leaves to mourn his loss, a wife and one son, Robert, who lives in Summerfield.

Only a few weeks ago the same gloom was cast over the community when it was heard that John Green had suddenly passed away. He died of an affection of the brain. Brother Green experienced religion 24 years ago, and was baptized by Rev. G. A. Giberson. He lived a faithful Christian until his death. He was a good and upright man, much loved by all who knew him. He leaves to mourn his loss, a wife, who was Annie Belyea of Charleston, and one son, Norman, in Dover, Maine, and an adopted son, Winfield, at home.

Much sympathy is felt for the widows and their families in their sad bereavement.

Knowlesville News

Hauling hay to Juniper is the order of the day.

Our school is progressing nicely under the skillful management of Miss Daisy Mills.

Rev. Mr. Peters, who has been supplying the Knowlesville circuit is now visiting the lumber camps of Miramichi.

A number of the young folks of this place recently visited the Avery Brother camp. Much credit is due to Joseph Wallace, the cook, in the manner in which he entertained. Some excellent step-dancing was done by the young men of the camp.

Miss Viola Kenney of Florenceville spent a few days with her parents at this place.

Mr. and Mrs. Clarence LaPage were the guests of Mr. and Mrs. Clarence Manuel last Sunday.

The concert which was recently held in Knowlesville was a perfect success. Much credit is due to the young people. Following is the program:—Phonograph Selection; Recitation, The Union Jack, Edith Cook; song, Tramp, Tramp, the boys are marching; Dialogue, Taking the Census; Recitation, The field of Waterloo, Vernie Avery; Phonograph Selection; Song and Tab-leau, Good-bye Dolly Gray; Recitation, Is it anyone's business? EAST FLORENCEVILLE

Ice, ice! and glorious skating! Both old and young caught to its attractions. Those who had laid aside their skates for many years brought them to light and as their skates rang over the ice, it made those who could not skate wish they were young once more. But they had to content themselves with sliding.

Albert Rowland has been appointed caretaker of the G. T. P. bridge at Juniper.

We hear that Hedley McLeod has come into a fortune of eighteen thousand dollars. We fully expect now to hear of his engagement to take place shortly, and we wish him every success.

Avril Tompkins who has been ill with pneumonia is improving.

Mrs. C. B. Hunter and little daughter Helen, of Watt Jet., are visiting her parents, Mr. and Miss J. A. McLean.

Mrs. Emma Lunn has been visiting friends in town.

Miss Myrtle Carle has been ill. Little Mary Traiford had a serious fall on the ice last week.

Miss Ada Saunders gave a five o'clock dinner on Friday to a few of her girl friends. Those present were: Misses Jean Gillis, Muriel MacDonald, Stella Hunter, Carrie Carle, Crystal Davis, Maud Dow, Gertrude Boyer, Olive Jones, Phoebe McLean, Zena Hartley, Helen Estabrooks, Viola Bell, Mary Fitzpatrick, Jean Kilpatrick, Mahal Gallupe, Eva Hathaway. Miss Saunders has recently graduated from Mount Allison as a Household Science teacher. There were six different courses served and well done and reflected great credit regarding her ability as cook. Greatly enjoyed by all present.

The Women's Institute met at Mrs. Ed McCain's. A good number were present and a very enjoyable and profitable time was spent.

Mrs. Albert Rowland and Mrs. John McLean made a trip to Miramichi last week.

Fred Rowland is home from Knoxford.

Katie Davis spent the week-end home.

A Mother's Anxiety

Most mothers are anxious when their little ones are teething, for at that time the baby's stomach gets disordered and there is a grave danger of convulsions. This anxiety can be lessened, however, if the mother keeps a supply of Baby's Own Tablets in the house and give an occasional dose to her teething baby. The Tablets are the very best medicine in the world for teething time. They regulate the bowels, sweeten the stomach, promote healthful sleep and make teething painless. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville Ont.

CONSUMPTION TAKES HUNDREDS OF PEOPLE

Hundreds of people succumb to consumption every day. Science proves that the germs only thrive when the system is weakened from colds or sickness, overwork, confining duties or when general weakness exists. The best physicians point out that during changing seasons the blood should be made rich and pure and active by taking Scott's Emulsion after meals. The cod liver oil in Scott's Emulsion warms the body by enriching the blood; it peculiarly strengthens the lungs and throat, while it upbuilds the resistive forces of the body to avoid colds and prevent consumption. If you work indoors, tire easily, feel languid or nervous, Scott's Emulsion is the most strengthening food-medicine known. It is totally free from stupefying drugs. Avoid substitutes.

CHINAMAN SELLS BOOZE?

Hum Yee Tommy, the local Chinese laundryman, has learned at least the truth of one biblical proverb—that "the way of the transgressor is hard."

For some time Tommy has been suspected of dispensing fire-water and upon his return from St. John recently the Scott Act Inspector fell upon his trail. The result was that two cases, one labelled "starch" and the "liquid bluing" (a not inappropriate label) were confiscated at the station. These cases contained liquor, and it is presumed that several cases that previously arrived and which were labelled "tea" also contained a stronger drink.

It has been reported that papers have been issued charging him with violation of the Scott Act and Tommy has been living a secluded life for some days.

In other ways this gentleman has won a good deal of respect. He is a good workman in his lawful trade, a quiet citizen, and a regular attendant at divine service. More than a few of his neighbors express exceeding regret that he should have made this break, yet all are hoping his recent experience may prove his salvation. And the people are more than willing to give him one more chance to redeem himself.

SIMMS' REFUTES UNFAIR INSINUATION

Editor of The Observer: I noticed in your last issue a reprint from the Mail in reference to the slander on me published by The Gleaner. I knew it was told at the Government meeting at Woodstock but was not aware of the publication in the public press. That Sir, is the blackest slander ever published on any man public or private and intended as much to injure my occupation as my public career.

The following statement speaks for itself.

"I have been a member of the Baptist church twelve years and my faith in God has increased with my growth in knowledge.

As for legal proceedings I prefer to leave such a slander of the

Christian religion to a court whose decisions are pure justice—that no skillful eloquence nor political priority can sway. Thanking you for this publication.

Charles A. Phillips

Charles A. Phillips of Bristol died on January 4 after a long period of declining health. He was seriously ill for ten weeks but was considered in a dangerous condition only a few days before he passed away.

His wife, one son, and one daughter are left to mourn. The funeral services were conducted by Rev. George A. Ross of East Florenceville and the remains were laid to rest at Bristol.

Mr. Phillips was formerly a well known business man and for many years conducted a general store and a hotel.

He is remembered by a large circle of relatives and friends.

HEALTH WRECKED THROUGH LA GRIPPE

It Generally Leaves the Patient Debilitated and an Easy Victim to Other Diseases

One of the foremost medical writers says: "It is astonishing the number of people who have been crippled in health for years after an attack of la grippe or influenza." The real danger from this disease, which sweeps over Canada every winter, is during convalescence, when the characteristic symptoms, the fever, the catarrh, the headache and depression of spirits pass away. Grip leaves behind it weakened vital powers, thin blood, impaired digestion and over-sensitive nerves—a condition that makes the system an easy prey to pneumonia, bronchitis, rheumatism, nervous prostration and even consumption. It is a condition that calls most emphatically for a tonic for the blood. Dr. Williams' Pink Pills are a tonic especially adapted to meet this need. They purify and enrich the blood. They tone up the nerves and give vigor, strength and health to the debilitated system. Mrs. Howard D. Chadsey, Indian Island, N. B., says: "For several winters in succession I was attacked by la grippe which left me weak and badly run down. In each case I used Dr. Williams' Pink Pills with the most beneficial results. Last winter when the trouble was again prevalent I took the precaution of fortifying my system with Dr. Williams' Pink Pills and escaped the trouble, while many of my neighbors were down with it. In fact I enjoyed the best of health all spring and feel sure this medicine will so fortify the system as to prevent the trouble."

These Pills are sold by all medicine dealers or may be had by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

BATH BRIEFS

Rev. Wm. Amos and Mrs. Amos went to Montreal on Saturday where Mrs. Amos intends to consult the best medical advice there. They were accompanied by their daughter, Miss Charlotte Amos. While in Montreal they will visit their son, Dr. A. J. Amos in the Forester Department of McGill University.

The farmers are hauling in their potatoes and the C.P.R. yard again presents a busy appearance.

There is now good crossing on the river and the people of the west side are hustling to take advantage of it.

Samuel Rose has taken over the Exchange hotel for a term of ten years and will run a hotel and boarding business.

Fred T. Giberson of Caribou, Me., was a visitor to Bath last week.

A Note From Windsor

On Friday evening a successful "stag party" was held in the town hall of Windsor.

This party is the first of a series of entertainments to be given by the local "stags."

A very cordial invitation is extended to the "stags" of the neighboring towns to attend the next entertainment. Query: Are "stag parties" the only entertainment that can be produced in Windsor?

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. Renewed Vigor in Old Age

This Letter Brings a Message of Cheer to the Aged—Results of Using Dr. Chase's Nerve Food.

New, rich blood is what is most needed in the declining years to keep life, energy and vitality. That Dr. Chase's Nerve Food is a wonderful help in maintaining good health and prolonging life is attested by the writer of this letter.

Mr. Stephen J. Leard, North Tryon, P.E.I., writes:—"At seventy-five years of age my heart gave out and became very irregular and weak in action and would palpitate. My nerves also became weak, and I could do nothing but lie in bed in a languishing condition, losing strength and weight. In that condition I began using Dr. Chase's Nerve Food, and am cured. Had I not obtained this treatment I would now be in the box with the roof over my nose. At eighty-one I have an energy which means go, and I am writing this letter so that old people like myself may prolong their health and strength by using this great medicine." 50c a box, \$ for \$2.50. For sale by all dealers.

Miss Mildred Hannah, who has been visiting her aunt, Mrs. Rex York for the past week has returned to her home in Jacksonville.

The members of the Star Bible Class of the United Baptist church, were pleasantly entertained at the home of their teacher, Mr. A. F. Campbell on Thursday evening of last week.

At the meeting of the local Agriculture Society last evening the question of financing a large fertilizer order was thoroughly discussed, as was also the matter of seed prices and method of buying and financing. The situation as regards home mixed fertilizer is good so far as securing the material and making a price goes and means a saving of from ten to thirteen dollars per ton to the farmer. This matter should be looked into by the farmers this week as final arrangements as to the amount ordered and manner of financing, will be consummated by Monday night next.

A Good Suggestion

Being in Boston on a recent Sunday, I decided to visit the famous Ruggles Street Baptist Sunday School. The attendance is now running between 1,000 and 1,100 per session. The pastor of the church is Rev. Mr. Maguire, a typical Irishman, educated in Canada. Shortly before school opened Mr. Maguire entered with a small child in his arms and six or seven more close at his heels. I exclaimed, "Gracious! are they all his?" Then I was told that Mr. Maguire was the owner of a Ford automobile, which he calls his assistant pastor. During the week Mr. Maguire is on the lookout for prospective Sunday School pupils. When he locates them, he arranges to call for them on the first Sunday or oftener. In this way he generally has two loads for his Ford each Sunday afternoon.

Having in mind the long drives

Skin Trouble on the Scalp

Skin Dried and Cracked and Hair Fell Out—Cured by Dr. Chase's Ointment.

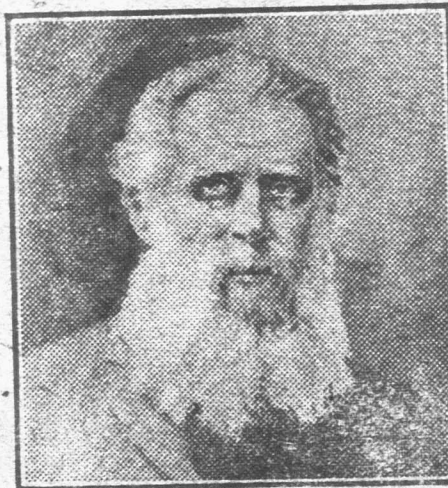

Eczema is annoying and distressing at any time, but doubly so when it gets into the scalp and causes the hair to fall out. Here is a grateful letter from a lady who was cured by using Dr. Chase's Ointment.

Mrs. Hector Currie, Tobemore, Ont., writes:—"I was cured of a disagreeable skin disease of the scalp by using Dr. Chase's Ointment. The trouble started with itching and pain in the scalp, the skin would get dry and crack, and at times would bleed, and the hair would fall out. I tried three doctors without benefit, and suffered for three years. Reading in the almanac about Dr. Chase's Ointment, I began its use, and am now completely cured. The hair has grown again, and I am as well as I ever was. You are at liberty to use this letter, for I am glad to recommend so excellent a treatment."

Dr. Chase's Ointment has no rival as a cure for itching skin disease.

on most of our Maritime Baptist pastorates, perhaps some of our churches might do well to consider a similar kind of assistant for their pastor.—Maritime Baptist. [Other denominations may very well do this with profit.—Ed.]

New Year Session of Primitive Baptists

On January 3 the Primitive Baptist conference sat in session at Stickney.

At 10.30 a number of clergymen, delegates, and friends gathered at the public hall for divine service. Rev. G. A. Giberson spoke very effectively from the parable "Feeding the Five Thousand."

At 2.30 the friends gathered for the regular conference meeting. This service will be remembered as one of power and blessing to all present.

The Saturday evening service was conducted by Elder H. H. Hart of Houlton. Theme, "The Holy City." Many helpful things were said both by the speaker and those who took part. Pleasant memories of that service will long be remembered by those present.

Again at 10 a. m. Sabbath morning the people gathered for divine worship. The service, led by Elder Kilcollins of Maine, was exceedingly helpful. Theme, Resurrection. The speaker kept very close to God's word and did much to eliminate the many doubts that cloud the minds of some people regarding this much debated question.

Once more at 2.30 service was called to order and addressed by Rev. A. Hatfield. Text: Heb 11, 26, "A Young Man's Choice." This service was very helpful, doing much to strengthen weak Christians and stimulate the young to make the right choice. At the close the Lord's Supper was observed when about 80 loyal followers of Christ took part.

Again at 7 p. m. service was resumed and conducted by Rev. P. J. Quigg; text, Psalm 75:6-7. Many helpful and pointed remarks were made by the speaker and he clearly showed the difference in being promoted by God or men, and the various interests that accrue therefrom.

At 9.30 a. m., January 4, met in business session. A large number of delegates were present. Meeting opened with Rev. C. H. Orser in the chair. All the officers of conference present except the treasurer, D. E. Brooks, who is still on the sick list. Near the close of the general business

It Can Be Done!

Somebody said that it could n't be done, But he, with a chuckle, replied That "maybe it could n't," but he would be one Who would n't say so till he tried. So he buckled right in, with the trace of a grin On his face. If he worried, he hid it. He started to sing as he tackled the thing That could n't be done—and he did it.

There are thousands to tell you it cannot be done; There are thousands to prophesy failure; There are thousands to point out to you, one by one, The dangers that wait to assail you. But just buckle in with a bit of a grin, Then take off your coat and go to it; Just start in to sing as you tackle the thing That "cannot be done"—and you'll do it.

MANZER'S DEPARTMENT STORE

NOW ON: OUR ANNUAL

PRE-INVENTORY

SALE

Every live and up-to-date store takes stock or an inventory of their goods at least once a year, and this means about one month's work for the clerks in the store. So if we put on a sale before this stock-taking and dispose of a lot of our goods it makes that much less work for our staff and gives us more room for our New Spring Goods, which commence to arrive about this time of year. By buying at this store at this time of year you can save many dollars in every department, as we find lots of remnants, odd sizes in clothing and underwear, and many lines of goods which we do not wish to carry over until another year, so we give our customers a chance to buy goods at wholesale prices.
