PREFACE.

In presenting to our patrons our Third Directory of Guelph, we hope it will meet with their approval. A thorough canvass of the city has been made, and every effort used to obtain the name of every person who should be represented in the Directory.

Mistakes will occur, but we are confident that no more thorough canvass of the city has ever been made.

The CLASSIFIED BUSINESS DIRECTORY is a complete mirror of the business interests of the city, and represents them to the outside world only as a business Directory can.

The MISCELLANEOUS DIRECTORY furnishes a large amount of information useful to strangers.

Thanking our patrons for the liberal patronage bestowed on our work, we remain,

Yours respectfully,

THE PUBLISHERS.

LORETTO ACADEMY, for the education of young ladies, under the superintendence of the Ladies of Loretto, is situated on Norfolk St, close to the grand structure of our Lady's Church, and on the same elevation. The course of instruction in this establishment comprises every useful and ornamental branch, suitable to the education of young ladies. Parents may rest assured that pupils placed under the ladies' charge receive the greatest attention and care. Pupils will be received at any time in the year. No boarder is admitted for a shorter period than five months, nor day pupils for less than ten weeks. The annual vacation commences about the first week in July, and scholastic duties are resumed about the first week in September. Difference of creed is not regarded in the admission of pupils. The young ladies are permitted to see their parents or legal guardians and female relations on Wednesday from half-past one till a quarter to five o'clock. The convent is beautifully situated and commands a good view of the surrounding country. The building is heated by steam, and furnished to provide for the comfort of the pupils.
