JOHNSON & JOHNSON, THE RELIABLE DRUGGISTS. Cor. Kent & Prince Streets. Cor. Queen & Richmond Streets. The inventor of dynamite—Alfred Nobel, a Swedish engineer—is said to be a most peaceable and simple man. When he made known his discovery he thought only of its use in blasting, mining, making tunnels, cutting railways, etc. Now he is appealed to by his invention, and bitterly laments that it should be employed by anarchists in the commission of so many crimes. Nobel lives in the neighborhood of the Bois de Boulogne, Paris, and is one of the most active members of the Society of the Friends of Peace.
