GERMANY SHAKES FREE FROM SOCIALISTS' GRIP

Determination of Other Parties to Unite in Checking Rising Tide Shown in Reballoing—Government Majority Now Practically Assured—Two Socialists at Strongholds Lost.

VON MOLTKE IS AMONG BEATEN

BERLIN, Jan. 21.—(Can. Press.)—Seventy-eight reballoings in the Reichstag elections were held to-day. The returns indicate that the Socialists are not gaining as expected. The Socialists participated in forty-six reballoings, of which they carried only eight. At this rate they will hardly reach ninety seats in the Reichstag. They were ousted from five constituencies to-day, losing among others Bielefeld to Count von Posadowsky-Wehner, the former secretary of state for the interior, who was the candidate of all the other parties.

The various Conservative groups elected 21 in the reballoings, the Clericals seven, the National Liberals 21, the Socialists 5, Radicals 17, and Irregulars 4. The Conservatives had a net loss of 2 and the Clericals a net gain of 5, the National Liberals a net gain of 5, Radicals 7, and Socialists 2. The result of to-day's voting renders it improbable that the opposition parties will have a majority. The government now has a total of 169 seats, including the Poles. The National Liberals, Radicals and Socialists membership numbers 114, minor parties and irregulars 11.

Cardinal Bourne At Westminster

State Entry, First of Its Kind Since the Reformation, Invested With Much Pomp.

LONDON, Jan. 21.—(Can. Press.)—Cardinal Bourne, who was one of the archbishops recently elevated to the cardinalate by the Pope, made a state entry into Westminster Cathedral this afternoon, the occasion being invested with much pomp. The reception was the first of its kind in England since the reformation and the presence of the Lord Mayor of London, the mayor of Westminster, members of the foreign embassies and a host of city officials, attested to the importance of the gathering.

Huge crowds outside the edifice gave a rousing welcome to his eminence. The procession of 300 robed clergy, headed by the cardinal in his scarlet robes, was a brilliant spectacle as it moved slowly to the altar.

The World's Leap Year Baby Mugs

As was stated in a recent issue, The Toronto World will present a beautiful silver birthday mug to every baby born in Ontario on the 29th of next February. There are no conditions or entrance fees attached to the award, the only regulations to be observed are as follows:

- 1.—Only babies born in Ontario are eligible.
2.—Babies must be born between the hours of 12.00 midnight, Feb. 28, and 12.00 midnight, Feb. 29.

4.—The date and hour of each child's birth must be vouched for, in the place indicated on the coupon, by the attending physician.
5.—Entries not made on printed coupon will not be considered.

Something more about this award will appear in The World from time to time. Questions addressed to the Silver Mug Department will be answered.

MILLIONS ARE STARVING IN CHINA

Terrible Conditions, Overlooked in Stress of Civil War, Brought to Light—Number of Destitute Estimated at 3,750,000—Relief Committee Calls on Nations for Aid.

SHANGHAI, Jan. 21.—(Can. Press.)—The exciting news of war and diplomacy has caused the world to forget the terrible destitution which now prevails in China. It is a side issue, but one which may have a vital effect on the settlement of the revolution. In July and August last the Yangtze rose to an almost unprecedented height and the resulting destruction has caused famine areas now accurately defined. There is the great Hwai Valley region, measuring about 100 by 300 miles where the farmers have had only one good crop since 1906. Not only is there no reserve to meet present conditions, but the people have lost heart and will not try to help themselves.

The second area is about Wuhu, where for some weeks the Yangtze formed an inland sea, from 50 to 100 miles long and varying in width from 35 to 40 miles.

Widespread Destitution. The last district is Hunan, where the floods are local. One section 20 miles square and containing at least 10,000 people was completely submerged. An estimate of 100,000 people facing absolute starvation in Hunan alone is considered conservative, while in the three areas the lowest estimate of the destitute is 3,750,000. Destitution such as is experienced in China is undreamed of in more progressive countries. There are almost no charitable institutions and many families are left shelterless and nearly unclothed to endure the rains. Pillage and destruction have commenced in the country where the revolutionists are unable to keep order. In the towns which they have taken the rebels keep fair order, but their organization of government does not extend to the country districts.

Appeal to All Countries.

The Central China relief committee with headquarters in Shanghai is making an appeal in all countries for funds to carry on relief work. The committee is a thoroughly representative of the best foreign and Chinese communities here and it is working in a businesslike manner. In return for relief the committee is exacting work from the recipients, who are required to deepen the water courses and strengthen dikes and guard against a recurrence of the floods. Every effort is being made to avoid pauperizing the people and much of the work is planned to tide the farmers over until they can get in a crop.

SHOULDN'T RECALL JUDGES PRESIDENT TAFT IS WARM

Popular Passion and Prejudice Shouldn't Be Allowed to Override Every Principle of Government, He Declares at Bar Association Banquet—Admits That Agitation is Country-wide.

NEW YORK, Jan. 20.—(Can. Press.)—With a feeling denunciation of the principle of judicial recall, delivered at the Bar Association of the State of New York, at its banquet at the Waldorf to-night, President Taft concluded his address by saying that he had employed chiefly his speechmaking at three different functions.

"We do not believe that all people are fitted for popular government," he said. "Some of us don't dare say so, but I do and the question whether a people is fitted for popular-self-government depends upon the restraint that the minority can place upon the majority to see that justice is done."

"We of the bar are called upon to decide whether we are going to protect the institution of the judiciary and continue it independent of a majority during the time that it is deciding questions of law and justice."

"The judicial recall—the words themselves are so inconsistent that I hate to utter them. Are we going to make our constitution a liquid thing so that a majority can flood the halls of justice, decide every action and override with popular passion and prejudice every principle of this government, the greatest God ever made?"

"We can never get over the wonder how you get such splendid judges. It matters little what state we go to, we find a scholarly and intellectual bench."

ULSTER IS IN FERMENT BLOODY RIOTS FEARED

Grave Apprehension Exists That Belfast Will Be Scene of Battle Between Home-Rulers and Orangemen—Meeting Will Never Be Held is Declaration of Men of Ulster.

JOHN REDMOND, M.P. Nationalist leader, who declares nothing will prevent his speaking in Belfast.

LONDON, Jan. 21.—(Special Cable, Despatch to The Sun.)—All the elements are present for most serious trouble in the north of Ireland if Winston Churchill, John Redmond and other prominent leaders carry out their intention of making speeches in favor of home rule at the meeting scheduled to be held in Belfast on Feb. 8. All Ulster the excitement has been on the increase ever since the meeting was announced and it has been intensified by the declaration of the Ulster Council that the meeting shall not take place. This prohibition has been backed up by the Ulster Unionist clubs in

hiring special trains to bring their members to Belfast on the day of the meeting.

Mr. Churchill, who is known to be stubborn and pugnacious, is credited with the intention of sticking to his promise of making a speech in the Orange stronghold and it is expected that he will give then and there the outlines of the government home rule measure. The Unionists of Ulster are emphatic in their declaration that he shall not speak.

The wildest rumors are afloat, which taken in connection with reports that

Is This a Call For Ministerial Action?

Big Ben yesterday struck several notes that seemed like a protest against Sunday work.

Or, yet again, he may have just coughed a cold. At least that's how Property Commissioner Harris explains the old fellow's erratic actions of late.

It appears, too, that the Lord's Day Alliance has never looked into Big Ben's case. He never even gets Sunday off, and during cold or damp weather the strain of continuous work sometimes tells on him, but usually he plods faithfully on his twice-a-day round.

Yesterday his work was not up to his usual standard. He chimed once at 12 noon and then struck. At 12.15 he chimed, forgot about it and did it again. At 12.30 he struck three times. Possibly there is nothing really the matter; maybe he has just got a touch of the grip, or skyatica, and perhaps it isn't a protest at all, at all.

CHAOS AND ANARCHY NOW RULE IN PERSIA

W. Morgan Shuster Bitterly Attacks Failure of Britain to Check Russian Inroads.

VIENNA, Jan. 21.—(Can. Press.)—The net result of the British and Russian action in Persia renders a nation, which was making progress towards peace and order and was building up its finances for the establishment of a constitutional government, a land of chaos and anarchy, without prestige among its own people, and, in addition, has meant the sacrifice of hundreds of innocent lives.

This statement was made to-day by W. Morgan Shuster, the American who was dismissed from the office of treasurer-general of Persia recently and has just arrived here. "The Mohammedan people," continued Mr. Shuster, "are further aroused against the Christian nations. Great Britain and Russia, far from being on a more solid basis of friendship, are now face to face on opposite sides of a disorganized territory."

Legations to Blame. The Russian and British legations are the real governing forces in Persia. They are acting thru a directory of seven Persians, in order to avoid international responsibility, but morally they are responsible for the destruction of Persian nationality, when it gave promise of establishing a stable constitutional government. The seven men who are nominally governing Persia are without character or reputation. They do not command the slightest respect of their countrymen and would not exist a day without the protection of the Russian and British legations.

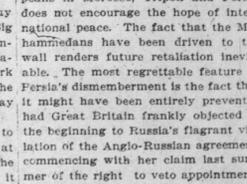

"The Russian forces and influences are steadily advancing southwards and unless there is a break in the present trend of events, the realization of Russia's dream of a warm water port is a matter of only a few years. Great Britain will then be confronted with a living Russo-Indian frontier problem. Mohammedans Will Retaliate.

"The past year's action of the Europeans in Morocco, Tripoli and Persia does not encourage the hope of international peace. The fact that the Mohammedans have been driven to the wall renders future retaliation inevitable. The most regrettable feature of Persia's dismemberment is the fact that it might have been entirely prevented had Great Britain frankly objected at the beginning to Russia's flagrant violation of the Anglo-Russian agreement, commencing with her claim last summer of the right to veto appointments of Persian officials, and culminating in the despatch of her army into Persia on the false pretext that a Persian official had printed a pamphlet criticising Russia's previous action in Persia."

Notwithstanding the fact that the passenger train was traveling at 25 miles an hour, and the auxiliary train at 20 miles an hour, none of the passengers were injured, and none of the coaches left the track. This was a very extraordinary, but fortunate, occurrence, Fireman Hudson, the man killed, was caught between the engine and the tender, and badly crushed. He died within ten minutes of being released.

A relief train was rushed to the scene from Parry Sound, which is 20 miles north of the scene of the accident, and the injured removed to that point. They are reported to be doing very well. The steam crane of the auxiliary, which was not damaged, was immediately got to work and the track cleared. Both engines are very badly damaged and will require considerable repairs, but none of the coaches were damaged to any extent.

WRECKING TRAIN IN COLLISION ONE KILLED

Fireman on C.N.O. Passenger Train Dies From Injuries, and Two Other Trainmen Were Badly Hurt in Smash-up Near Lake Joseph.

A head-on collision between a passenger and a freight train on the C.N.O., two miles south of Lake Joseph, at mileage 123 1/2, on Saturday afternoon, caused the death of one trainman and the serious injury of three others.

A repair train southbound to clear the track of a freight wreck, disregarded orders and collided with passenger train No. 1 from Toronto. The first wreck occurred at Adsey, near Orillia, a mixed train of freight and passenger cars was running into an open switch. None of the cars was overturned, and thru traffic was not stopped for any length of time, but some cars were caught in such a way that the engine could not pull them back on the rails.

The auxiliary was on the way to relieve this situation, when it ran into passenger train from Toronto. W. Hudson, fireman on passenger train, was killed, and Engineer Johnstone of the auxiliary, Engineer John Napier of the passenger, and Fireman Awdie of the auxiliary were injured. The injured trainmen, who are suffering chiefly from scalp wounds, are reported to be resting easily.

A. J. Hills, superintendent of the C.N.O., stated yesterday that although it is customary to give an auxiliary train right of way in the case of a very bad blockade, in this particular instance the blockade was not of sufficient importance to warrant a stop of this kind. The auxiliary, stated the superintendent, should have sidetracked when it received orders to do so, in order to let the passenger train by, but had evidently not done so, thereby causing the collision.

The superintendent yesterday issued the following statement:

Official Statement.

"Extra 279, southbound, collided head-on with train No. 1, at mileage 123 1/2, at 4.12 p.m., 20th, due to the crew of the extra train disregarding running order of train No. 1. Fireman W. Hudson was caught between the engine and tender of the northbound train and died within ten minutes; the engineer escaped unhurt. The men riding in the southbound engine escaped with scalp wounds and bruises. No passengers were injured. A relief train was rushed to the scene from Parry Sound and the injured transferred to that point. The steam crane is working clearing the line, and has made good progress."

It is further stated that the passenger train was late, but had made up some of the time lost. The auxiliary train crew, not knowing this, had continued on their way, and had expected to make the next siding before its arrival.

Notwithstanding the fact that the passenger train was traveling at 25 miles an hour, and the auxiliary train at 20 miles an hour, none of the passengers were injured, and none of the coaches left the track. This was a very extraordinary, but fortunate, occurrence, Fireman Hudson, the man killed, was caught between the engine and the tender, and badly crushed. He died within ten minutes of being released.

MORE OATHS SAID TO BE TAKEN BY JESUITS

E. V. O'Sullivan Sends What He Says Are Oaths, or Vows, Taken at Different Stages.

The World has received a letter from E. V. O'Sullivan protesting against the Jesuits' report of a sermon preached on Jan. 17 by the Rev. C. O. Johnston, who read what he (Rev. C. O. Johnston) asserted was a copy of the Jesuit oath, and which was published by The World as part of the Methodist minister's discourse.

1. Vows were taken by "scholastic" on the conclusion of their novitiate. Enthusiasm with Mr. O'Sullivan's letter were copies of what he stated are vows, or oaths, taken by the Jesuits, prior to their ordination, during the different stages of their novitiate, and one taken after they are ordained.

2. Solemn vows of "spiritual co-adjutors," promise to Almighty God, in presence of His virgin mother and the whole court of heaven, and to you, Reverend Father, A.B., superior general of the Society of Jesus, holding a place of God, and to your successors (or, to you, Reverend Father C.D., in representing the Reverend Father A.D., and his successors), perpetual poverty, chastity, and obedience in the Society of Jesus, and, moreover, special care of the instruction of youth, according to the apostolic letters, and the constitutions of the said society.

3. Solemn vows of "Temporal Co-adjutors" (Lay-brothers). I, \_\_\_\_\_, promise to Almighty God, in presence of His virgin mother and the whole court of heaven, and to you, Reverend Father, A.B., superior general of the Society of Jesus, holding a place of God, and to your successors (or, to you, Reverend Father C.D., in representing the Reverend Father A.D., and his successors), perpetual poverty, chastity, and obedience in the Society of Jesus, and, moreover, special care of the instruction of youth, according to the apostolic letters, and the constitutions of the said society.

4. Solemn vows of the professed. I, \_\_\_\_\_, profess of the Society of Jesus, in presence of Almighty God, in presence of His virgin mother and the whole court of heaven, and before the Rev. Father, A.B., superior general of the Society of Jesus, holding a place of God, and to your successors, perpetual poverty, chastity, and obedience, and subject to that obedience a special care for the education of youth, according to the rule of life set forth in the apostolic letters, and the constitutions of the Society of Jesus, and as set forth in the society's constitution.

5. Simple vow taken by the same after profession. I, \_\_\_\_\_, profess of the Society of Jesus, in presence of Almighty God, in presence of His virgin mother and the whole court of heaven, and before the Rev. Father, A.B., superior general of the Society of Jesus, holding a place of God, and to your successors, perpetual poverty, chastity, and obedience, and subject to that obedience a special care for the education of youth, according to the rule of life set forth in the apostolic letters, and the constitutions of the Society of Jesus, and as set forth in the society's constitution.

6. I likewise promise that I will never so act or devise even indirectly, as to be chosen for or promoted to any prelacy or dignity within the society.

7. I likewise promise that I will never strive for any ambition or prelay or dignity outside the society, nor consent to my election to such, so far as I am able, unless I be compelled by obedience to one who has power to command me under pain of sin.

8. Also, should I know that any one is seeking or ambitious dignities of either kind, I will forthwith inform the society or its general.

9. Moreover, I promise that should I ever be thus forced to undertake the charge of any church, I will, in respect of the care which I am bound both of my own soul and the right discharge of the duty laid upon me, show such deference towards the general of the society as never to refuse to do what advice he may desire to give me, either directly or thru another.

10. I also promise that I will never, in any manner contrive or consent that the ordinances of the constitutions of the society concerning poverty should be altered, unless and at any time there should appear to be just cause for further restriction.

11. I likewise promise that I will never so act or devise even indirectly, as to be chosen for or promoted to any prelacy or dignity within the society.

12. I likewise promise that I will never strive for any ambition or prelay or dignity outside the society, nor consent to my election to such, so far as I am able, unless I be compelled by obedience to one who has power to command me under pain of sin.

13. Also, should I know that any one is seeking or ambitious dignities of either kind, I will forthwith inform the society or its general.

14. Moreover, I promise that should I ever be thus forced to undertake the charge of any church, I will, in respect of the care which I am bound both of my own soul and the right discharge of the duty laid upon me, show such deference towards the general of the society as never to refuse to do what advice he may desire to give me, either directly or thru another.

15. I also promise that I will never, in any manner contrive or consent that the ordinances of the constitutions of the society concerning poverty should be altered, unless and at any time there should appear to be just cause for further restriction.

16. I likewise promise that I will never so act or devise even indirectly, as to be chosen for or promoted to any prelacy or dignity within the society.

PRAYER NEEDED MORE THAN MONEY

To Evangelize World, Says N. W. Rowell, K.C.—Special Laymen's Missionary Services Held Thruout the City.

What is needed for the cause of missions more than more missionaries, or more money, is more prayer," said N. W. Rowell, K.C., M.L.A., at Bloor-st. Presbyterian Church yesterday afternoon.

The meeting was one of the largest of the series of the Laymen's Day of Prayer gatherings. Mr. Rowell led the meeting. He explained the observance yesterday thruout Canada as a laymen's day of prayer for missions, was in accordance with the declaration at the world's mission congress that the evangelization of the world was dependent upon the earnest prayers of the Christian church.

This view was shared by the heads of the evangelistic churches in Canada and the Canadian council. The observance was a fitting sequel to the eleven successful missionary conferences held across the Dominion last year, and an appropriate preparation for the task allotted to each denomination for the coming year.

Rev. Dr. Wallace, pastor, and Rev. A. E. Armstrong took part in the service. Among the 200 representative laymen present were: J. Ryrie and Wm. Craig, Baptist; N. F. Davidson, K.C., and W. D. Gwynne, Anglican; T. Kinnear and T. Findlay, Presbyterian.

Rev. Prin. Gandler conducted the meeting at the First-ave. Baptist Church. Rev. Dr. Graham, pastor; Rev. J. McP. Scott and Dr. E. E. Scott participated. About 100 of the leading laymen of the churches of the district were present.

In his opinion, the importance of prayer could not be overestimated. The experience of the Christian church was full of encouragement to workers of the world's mission movement for a year of great progress, as an outcome of the united prayer of the laymen of the world yesterday for the mission cause of Christian missions.

S. J. Moore, chairman of the Canadian Laymen's Mission Council, led the united Parkdale meeting in North York. He said that it was an inspiring thought that thousands of laymen in all parts of the Dominion were uniting in earnest prayer for the cause of Christian missions.

Rev. J. Simms, rector, conducted a laymen's mission prayer service at the Church of the Messiah.

J. G. Gardner led the meeting for the North Toronto laymen at Eglington Baptist Church.

Similar meetings were also held at Dovercourt-road Presbyterian Church and the East Toronto Y.M.C.A.

Mr. Hodgett said the work of the American Public Health Association, before the Canadian Institute on Saturday night, was the most interesting in which the public health is being carried on in the Americas.

COMEDY IN BASEBALL AND A REAL BALL GAME

Cavalry Beat Queen's Own and Grenadiers Won From Body Guards in Officers' League.

The largest crowd of the season was at the armories Saturday night to see the games in the Officers' Indoor Baseball League, and they certainly did get their money's worth, for they saw a comedy and a real ball game. The first, between Queen's Own and Cavalry, was a joke; it was a contest to see which team could make the most errors. Queen's Own being the winners in this respect, errors of omission being more numerous than those of commission. Cavalry won only because they used a little more judgment on the bases. The most notable feature of the game was the routing of Captain Michael.

Wanderers Beaten By Canadiens, Who Lead the League

MONTREAL, Jan. 21.—Canadiens assumed the first position in the National Hockey Association table last night for the first time since their entrance into the big league. This they accomplished by defeating the Wanderers, 6 to 4. It was just as decisive a beating as the score would indicate, and the Frenchmen well deserved their success. This is their second victory over the Wanderers in the three games played.

PUBLIC AMUSEMENTS

AT THE ROYAL.

Gertrude Hoffmann. That the Royal Alexandra will experience to-night a real society opening is evidenced by the fact that the sale for the first night of the Gertrude Hoffmann "La Saison Russe" is very heavy in the downstairs section and for the boxes. In fact, the most fashionable Monday night turnout of the season is looked for. The appeal of the mimosas, "Cleopatra" and "Sheherazade," contrasted with the grotesqueness of the Gertrude Hoffmann revue and the idyllic beauty of "Les Sylphides" comprise a program. It is said, which is pleasing to various sorts of theatrical tastes. The mimosas represent the Russian art of interpretation in its highest form, and, set in scenes of barbaric luxury, are claimed to be wonderful spectacles. The revue is the amplified vaudeville act which, as many did in the varieties and which, a season ago, was the highest priced act on the vaudeville stage. A 29-foot tank is used in the Annette Kellermann act, with 12 "Hoffmann girls" doing the diving.

AT THE PRINCESS.

"Fascinating Widow." It is not very long ago that an audience felt quite compensated for going to the theatre if it was able to get a few hearty laughs out of some comedy. But nowadays the playgoers will not accept a comedy without embellishment and demand, in addition to the story, a number of musical selections, an augmented orchestra and scenery and costumes. Such a combination of merriment and melody is promised in the clever musical comedy, "The Fascinating Widow," which is the attraction at the Princess Theatre this week, beginning to-night with the effervescent Julian Eltinge as the star, assisted by a clever collection of singers, dancers and comedians.

AT SHEA'S THIS WEEK.

Irene Franklin. At Shea's Theatre this week the patrons will see a bill of all-star acts, one of the most evenly balanced bills of the season. Miss Irene Franklin will head the list of entertainers. She is one of America's cleverest comedienne and versatile character artists. The special attraction for the week will be that character comedian, Ray L. Royce, late feature of "New York State Polka." Included in this week's bill are Ashley and Lee Middleton, Spelmeyer and Co., Max Witt's Melody Lane Girls, Three Escardos, Snyder and Buskley, and the Kinetograph.

AT THE GRAND.

"The Traveling Salesman." The attraction at the Grand this week is Henry B. Harris' production of the breezy comedy, "The Traveling Salesman," by James Forbes, who wrote "The Chorus Lady," recently seen here with Ross Stahl, and "The Commuters." "The Traveling Salesman" has played here the last four seasons and needs no introduction to most theatregoers, and this time it will be given at less than dollar-fifty prices. It tells the story of a good-natured commercial traveler stranded on Christmas Day in a small town in the middle west. The story is told, however, with almost constant laughter, one of the funniest scenes being a poker game in the second act.

AT THE GAYETY.

"The World of Pleasure." At the Gayety Theatre this week will be presented Gordon and North's big

PHYNETTE OGDEN With "The World of Pleasure," at the Gayety Theatre.

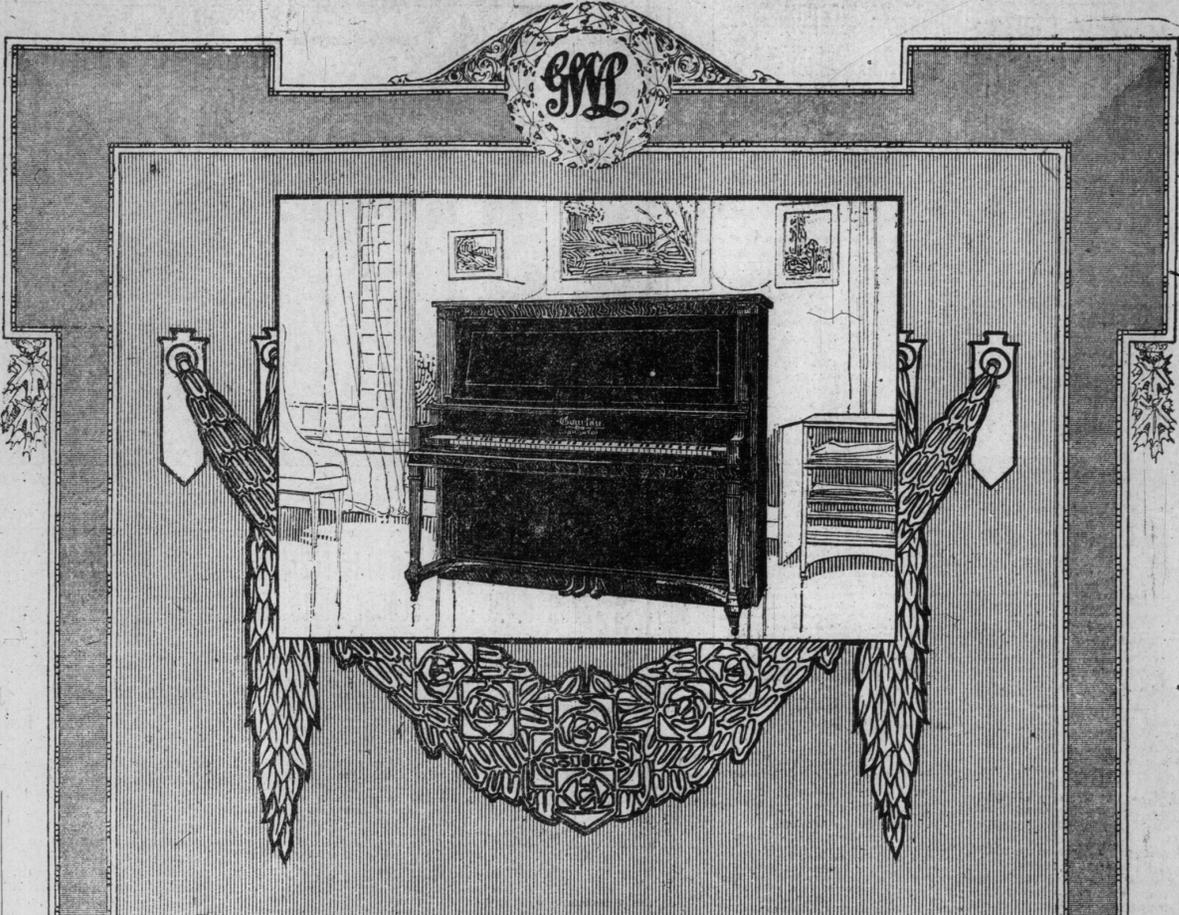

spectacular production, entitled "The World of Pleasure." The cast of 45 people is headed by the well-known laugh-producers Will Fox and Harry Marks Stewart, who portray Hebrew characters, and Phynette Ogden, Edith Foley.

AT THE STAR.

"The Whirl of Mirth." "The Whirl of Mirth" company, one of the most prominent successes in the field of burlesque this season, is to be this week's attraction at the Star, presenting one of the most varied and altogether refreshing performances of modern times. The organization, which numbers nearly 20 people, includes what is claimed to be the handsomest bevy of singing girls ever connected with an attraction of this class. A musical farce in two acts entitled "Doolley's Reception," is an affair of brilliancy, exhilarating song and genuine fun of recent issue.

AT MASSEY HALL.

Eames and Gogorza. To-night Mm. Emma Eames and Emilio de Gogorza, either of whom would constitute an exceptionally patient attraction, will to-night make their appearance in a joint concert at Massey Hall. To-night's program will open with two Mendelssohn duets, "World That My Love" and "Maybells and Flowers," which will be followed by the aria from "Le Roi de Lahore," by de Gogorza. Mme. Eames will then sing a couple of old English ballads, including "Sally in Our Alley," "Cherry Ripe" and "My Mother Had a Bird in Her Hair." Henri Gillet will play Chopin's G minor nocturne and the A flat polo-

MESSIAH AND ELIJAH.

The Toronto Festival Chorus, under the direction of Dr. F. H. Torrington, is now putting in extra rehearsals on "The Messiah" and "Elijah," to be given on Tuesday and Wednesday, March 12 and 13. Rehearsals are held at the Toronto College of Music, for "Elijah" on Tuesday evening, and for "The Messiah" on Thursday evening. The rehearsals are being well attended, but it is necessary that all who intend taking part in these works should be present at every rehearsal.

Mendelssohn Seat Sale.

The plan for subscribers to the Mendelssohn Chorus concerts will open at Massey Hall next Thursday morning at 9 o'clock for subscribers to \$2.50 seats. Subscribers for \$2 seats will begin on Friday afternoon at 1 o'clock, and to \$1.50 seats on Monday, Jan. 29, at 1 o'clock. The plan will open to non-subscribers on Thursday, Feb. 1, at 9 a.m., and by this arrangement the committee hopes to accommodate a large number of those who overlook being entered among the subscribers. By arranging for five distinct programs this year, instead of four, the committee had in view the fact that each year there are many who desire to hear the concerts who fail to subscribe.

# Mining Market Depressed at Week-end—Hollinger in the Lead

## Chicago Market Holds Firm And All Grains Close Higher

### Strength in European Exchanges and Eulish Domestic Developments Keep Sentiment in Responsible Mood—Corn Higher.

CHICAGO, Jan. 20.—Wheat prices to-day showed some strength on the reports that exports usually seasonally run light for months to come. Prices at the close were 1-1/2 to 2-3/8 over last night. Corn finished 1-1/2 to 1-3/4 up. Oats unchanged to 1-1/2 higher and products at a decline of 1-1/2 to 10c. Scarcity of wheat offerings from Russia emphasized the fact that starvation was spreading and had forced the government there to extend efforts at food supply, so that the European trade which usually depends on heavy Russian shipments during the spring months, had become alarmed at the increasing blackness of the outlook. Buyers were influenced also because of reduced estimates on the Australian crop and owing to receipts northwest of Chicago being small compared with the corresponding day a year ago. Prospects of a substantial falling off in the United States viable supply total counted likewise against the bears.

Corn Heavily Bought.  
Corn was strong from the start. Buying appeared to be both for investment and speculative account, despite the fact that the weather had taken a more favorable turn and that the seaboard was making a profit re-selling corn, which had been purchased for export. May fluctuated between 66 and 68 1/2 closing steady at 68 1/2. Cash buyers at 66 1-2. Cash buyers were large buyers in the sample markets.

Oats were dull. The advance of late had secured to curtail the demand for cash grades. Upper and lower levels touched by May were 49 7-8 and 49 1-2 to 48 5-8, with last sales 49 7-8 a gain of 5-8 over last night.

In the provision crowd it began to look as tho the friends of the 6 1-2 hog had been ground out and that there were good stocks of unhedged product waiting for a favorable market. Whether or not this view was correct, prices generally advanced and to-night pork was down 5c to 10c and the rest of the list 2-1/2 to 5c.
