The Sir Frederick who succeeded to the title in 1796 was a good-hearted, rather wild and lavish, but well-esteemed coun-try gentleman, who made little mark in the world, was chiefly known in London as a good-hearted fellow, fond of truly British sports, and of the fashionable dis-tractions of the day. It appaars that while still a young man, before succeed-ing to the baronetcy, Sir Frederick form-ed ties with a young lady named Hannah Bowerbank, to whom he was not mar-bowerbank, to whom he was not marsaving to each other "I told you so." from the city, some of the ladies doing FOUR GRAND The News, the Telegraph, the Standard though not nearly so attractive as in ummer, still has many visitors. Armstrong & Ellis, Assassination in the streets of St. John; the evening. And thus with speeches ing house was horrifled the other day by with the children, and that he should never see them again. Coming in one day with his head full of the subject, Freder-ick Vane abruptly declared that he would at least do justice to his faithful partner, and would sanctify their union by his vows at the altar. The poor girl was so overcome with the sudden jog experienc-icd at this intelligence, that she was taken ill. As soon as she was able to leave her couch, the couple were duly married, and while, before the marriage two im-portant events had happened. A son had been bron to them, and the old bar-one had died. The situation, then, at the date of the marriage (March 1797), was this : there was an illegitimate son, clent title and the broad family acres in that soon after the marriage Sir Fred-erick, who was anxious that his little boy should become his heir just as if he were in the whole painful affair. About 6 o'close to the effect that probably there would the sected and acknowledged the rederick that probably there would be no more children. Acting upon this, Sir Prederick tracted and acknowledged the 6.000 1200 desire that New Brunswick may get Fire on the Manawagonish Road; Nomi- and music, provided by the choir of the never see them again.
