**J. Turgeon—Balance of Salary.**

AUDIT OFFICE, OTTAWA, May 28, 1895.

SIR,—Let me call your attention to cheque No. 773, issued December 29, 1894, to Mrs. Sophie Turgeon for balance of the late Jos. Turgeon's pay, chargeable to the sub-head of unforeseen expenses. From the voucher sent to this office, I am unable to determine the period of time and the nature of the service for which the payment was made. Please let me have a more detailed statement of the claim. I return the voucher herewith.

I am, sir, your obedient servant,

The Clerk of the Commons.

J. L. McDOUGALL, *A.G.*

---

HOUSE OF COMMONS, CANADA, OTTAWA, June 6, 1895.

SIR,—In reply to your letter of the 28th ult., relative to a payment to Mrs. Sophie Turgeon for balance of late Jos. Turgeon's pay, I have to inform you that the amount was paid out of the appropriation provided by Parliament, under a resolution of the Board of Internal Economy, passed on the 23rd December, 1894.

I am, sir, your obedient servant,

The Auditor General.

J. G. BOURINOT, *Clerk.*

---

AUDIT OFFICE, OTTAWA, June 18, 1895.

SIR,—Referring to your letter of the 6th instant, concerning a payment to Mrs. Sophie Turgeon for balance of late Jos. Turgeon's pay, will you please furnish this office with a copy of the resolution of the Board of Internal Economy, passed on the 23rd December, 1894, under the authority of which the payment referred to was made.

I have spoken to the Speaker of the House of Commons on this matter and he agrees that certified copies of all resolutions of the Board affecting expenditure be sent with the vouchers to this office.

I am, sir, your obedient servant,

The Clerk of the Commons.

J. L. McDOUGALL, *A.G.*

**Members' Mileage—Nearest Mail Route.**

AUDIT OFFICE, OTTAWA, October 8, 1895.

SIR,—Let me call your attention to the following cases of overpayment of mileage to members of the House of Commons:

Mr. Davies, of Charlottetown, Mr. Macdonald, of Montague Bridge, Mr. McLean, of Souris East, Mr. Perry, of Tignish, Mr. Welsh, of Charlottetown, and Mr. Yeo, of Port Hill, have declared their mileage by the Intercolonial Railway and not by the Canadian Pacific Railway, the nearest mail route between their places of residence and Ottawa, as provided for by chap. 11, section 30 of the Revised Statutes, as amended by 54-55 Vic., chap. 21, in each case making an overpayment of \$17.20.

I am, sir, your obedient servant,

The Clerk of the Commons.

J. L. McDOUGALL, *A.G.*

## Auditor General's Report—Part J

### Senators' Mileage—Nearest Mail Route.

AUDIT OFFICE, OTTAWA, October 3, 1895.

SIR,—In my examination of the Indemnity and Mileage paid to the Senators for the session of 1895, I find the following cases of overpayment, the mileage not being reckoned by the nearest mail route between the places of residence of the Senators and Ottawa, as required by Chap. 11, section 30, as amended by 54-55 Vic., chap. 21 :—

Senator Almon, of Halifax, Senator Dever, of St. John, Senator Dickey, of Amherst, Senator Miller, of Arichat, Senator Macfarlane, of Wallace, Senator Poirier, of Shediac, Senator Kaulbach, of Lunenburg, and Senator Primrose, of Pictou, have been allowed mileage by the Intercolonial Railway and not by the Canadian Pacific Railway—the nearest mail route, the overpayments being respectively \$8.60, \$53, \$17.40, \$17.40, \$17.40, \$17.20, \$17.40 and \$24.80.

Senator Ferguson, of Marshfield, Senator Macdonald, of Charlottetown, and Senator Prowse, of Murray Bay, have been paid mileage by the Intercolonial Railway and Pictou route to Prince Edward Island and not by way of the Canadian Pacific Railway and Pointe du Chêne, the nearest mail route.

Although this matter has already been discussed by us, I cannot depart from the view I have taken that the mileage must be reckoned by the nearest mail route, which distance is calculated and certified to as a matter of fact by the Speaker of the Senate, irrespective of the actual routes travelled by the Senators.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Clerk of the Senate.

THE SENATE, OTTAWA, October 10, 1895.

SIR,—I have the honour to acknowledge receipt of your letter of the 3rd instant, respecting the travelling allowances of certain Senators named therein. I have to say in reply that I have, as in the past, paid in each case the mileage determined and certified by the Speaker of the Senate, as prescribed by the Act. I note your statement that you still adhere to your own interpretation of said Act.

I am, sir, your obedient servant,

EDOUARD J. LANGEVIN, Clerk.

The Auditor General.

*Re* Advertising Private Bills Rules in Provincial "Gazettes."

AUDIT OFFICE, OTTAWA, August 5, 1895.

SIR,—You stated in your letter of November 17th, 1894, that the advertisements had been carefully condensed so as to limit the expenditure.

In view of this statement, I have to ask for an explanation of the large increase in the cost of these advertisements during the last three years, as shown by the following figures :—

## Auditor General's Report—Part J

I have previously called attention to the excess of the charge of the Manitoba Gazette, as compared with the charges of the others. This disproportion is more marked in the accounts of 1895, the charge of the Manitoba Gazette for Special Rules being \$91.20 more than the total charges of six other Gazettes. In 1893 the charge was for fifteen insertions at \$9.30; in 1894 for twenty insertions at \$9.30, and in 1895 for twenty-two insertions at \$16.65.

Nothing seems to have been paid in 1895 to the British Columbia, New Brunswick and Ontario Gazette for advertising Joint Rules, nor to the British Columbia Gazette for the Special Rules.

I am, sir, your obedient servant,

The Clerk, House of Commons.

J. L. McDOUGALL, A.G.

HOUSE OF COMMONS, OTTAWA, October 22, 1895.

SIR,—In reply to your letter of the 5th August last, *re* advertising Private Bill Notices in the Provincial Gazettes, I have to say that the House of Commons have laid down rules which have to be carried out. The charges in the provinces of Quebec and Manitoba appear large, but it must be understood that in the two provinces named the advertisements have to appear in both languages.

The reason for the difference in the cost during the three years you mention is quite clear, *viz.* :—

In 1893 Parliament met in January.

In 1894 Parliament met in March.

In 1895 Parliament met in April.

As the notices are first inserted in the month of September of each year, and if Parliament is called in January, the necessity for advertising ceases in January; while, if not called until April, the notices have to be continued until that month; hence, in the first mentioned period, only fifteen insertions were required, while twenty-two were necessary in the latter year. In addition to the above, a change was made in the 49th rule in the session of 1893, thus increasing the length of the notices and in most cases the cost.

It is impossible to reduce the excessive charges made by the Manitoba Gazette; they have a charge of 15 cents for each eight words (fixed by Order in Council, a copy of which I inclose, together with the letter accompanying it), and as in that province the advertisement must appear in both languages, the above rate totals out the large sum set forth in your letter; the difference between \$9.30 and \$16.65 per insertion is accounted for by the additional matter added by the change made in the 49th rule, as mentioned above.

In reference to the last paragraph of your letter, the inference is that the accounts were not sent in up to the close of the fiscal year.

I am, sir, your obedient servant,

The Auditor General.

JNO. GEO. BOURINOT, *Clerk.*

OFFICE OF THE QUEEN'S PRINTER, WINNIPEG, April 29, 1895.

SIR,—I have to acknowledge the receipt of your letter bearing date the 25th instant, complaining against the high charges in connection with the advertising *re* private bills of the House of Commons and Senate of the Dominion. In reply, I beg to inform you that an Order in Council was passed (inclosed you will please find copy) on the 18th day of October, 1894, making the charges 15 cents for every eight words for each insertion. This advertisement, being in the dual language, it is taken as two separate advertisements, as we only print in English in this province. The same charges have been paid right straight along by your Government, and I fail to see how any obstacle can be raised in connection with the charges at this particular time. I had an interview with the Provincial Secretary regarding the matter, but was unsuccessful in obtaining a reduction.

I am, sir, your obedient servant,

The Clerk, House of Commons.

DAVID PHILIP, *Queen's Printer.*

HOUSE OF COMMONS, OTTAWA, October 9, 1895.

SIR,—In answer to your letter of the 7th instant, asking for a statement of all arrears due this department on 30th June last, I beg to state that there are no arrears due to the House of Commons.

I am, sir, your obedient servant,

The Auditor General.

JNO. GEO. BOURINOT, *Clerk.*

THE SENATE, OTTAWA, October 9, 1895.

SIR,—Acknowledging receipt of your letter of the 5th instant, I may say that no fee was paid on the Chute Divorce Bill, the application *in forma pauperis* having been granted by the Senate on the recommendation of the Divorce Committee. Please refer to the Eighth Report, 29th May, adopted 31st May.

I am, sir, your obedient servant,

The Auditor General

EDOUARD J. LANGEVIN, *C.S.*

THE SENATE, OTTAWA, October 11, 1895.

SIR,—I have the honour to acknowledge receipt of your letter of the 7th instant, respecting arrears due on the 30th June last. All arrears due on that date have been satisfied.

I am, sir, your obedient servant,

The Auditor General.

EDOUARD J. LANGEVIN, *C.S.*

**Statutory Certificate of Steamboat Inspector not Received.**

AUDIT OFFICE, OTTAWA, July 10, 1895.

SIR,—I beg to inform you that I have received an Order in Council of June 29 last appointing John P. Esdaile to the position of steamboat inspector, but the certificate of qualification under section 7 of the Steamboat Inspection Act is not attached thereto. Please let me have the evidence in this respect which has been obtained from the Board of Steamboat Inspection. What evidence is furnished the department that the officers appointed under this section subscribe to the oath of office prescribed therein?

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Acting Deputy Minister of Marine and Fisheries.

**Construction of Lights—Order in Council Extending Period of Closing Accounts to Sept. 30.—Not in Accordance with Statute.**

AUDIT OFFICE, OTTAWA, August 17, 1895.

SIR,—I beg to inform you that I have received an Order in Council dated 8th inst., directing that, notwithstanding the Order in Council of July 25th last—which extended the time for paying accounts properly chargeable to the appropriations of the fiscal year of 1894-5, to 31st August, and cancelled all previous orders dealing with such extension—the appropriation for the construction of lighthouses be made available to September 30th next.

I desire to point out with reference to this matter that, as the Order in Council of the 8th inst., was not passed within the period prescribed by the statute—before August 1—it is not a legal authority for the purpose intended.

It appears from the Minister's recommendation that the further extension asked for is required in view of the fact that contracts have been entered into for the construction of lighthouses which will probably not be completed before September 30th. In connection with this point, I would call your attention to an Order in Council of June 27, 1888, dealing with appropriations, published in the report of this office for 1894 at page XXII. The law as therein interpreted by the Deputy Minister of Justice is that the extension of time under section 37 of the Consolidated Revenue and Audit Act is made for the purpose of paying liabilities which had accrued within the financial year, that is, not later than June 30th. It would not, therefore, in any case, be permissible under the law to pay the balances referred to in the Order in Council of the 8th inst. from last year's appropriations if the work was performed after June 30th.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister of Marine and Fisheries.

MARINE AND FISHERIES DEPT., OTTAWA, August 22, 1895.

SIR,—I have the honour to acknowledge receipt of your letter of the 17 instant, informing me that the Order in Council of the 8th instant, as it was not passed within the period prescribed by the statute is not a legal authority for the purpose of making available the appropriation for the construction of lighthouses to the 30th September next. In reply, I beg to inform you, that on the 28th June last, a recommendation was made by this department to Council, for the carrying down of the appropriation referred to, to the 30th September next, and an Order in Council thus extending the time, was passed on the 2nd ultimo. It would appear that the Deputy Minister of Finance, being, I presume, in ignorance of this order, made a report to

## Auditor General's Report—Part K

Council on the 17th ultimo, which was approved on the 25th ultimo, recommending that the Order in Council of the 28th June, extending the time for closing appropriations, and any other Orders in Council heretofore passed should be cancelled, and extending the time for two months only, and this made it necessary for the department to go a second time to Council, and obtain another order extending the time to 30th September. In view of the fact that necessary authority was obtained in good time, I do not think that you should press the objections stated in your letter, and hold that an Order in Council was not passed within the period prescribed by the statute. I am also to point out in regard to your statement, that the extension is made for the purpose of paying liabilities which had accrued within the financial year, that is, not later than 30th June, that contracts were entered into before the 30th June, for the construction of lighthouses, and the department considers that the appropriation specially made by Parliament for the construction of these lighthouses should be available up to the 30th September, being the time provided by law for the extension of an appropriation. I may point out also that no appropriation was made by Parliament for lighthouse construction in the estimates for the present fiscal year, and consequently no funds are available for payments required under contracts entered into by the department, except the balance of the appropriation made by Parliament for the year ended 30th June last.

I am, sir, your obedient servant,

The Auditor General.

AUDIT OFFICE, OTTAWA, August 26, 1895.

SIR,—I beg to acknowledge the receipt of your letter of the 22nd inst., with reference to the extended time for drawing on the vote for construction of lighthouses for the fiscal year 1894-95, in which you state that you do not think, in view of the Order in Council of July 2nd, I should press my objection to the latter order, on the ground that it was not passed within the time prescribed by the statute. In this matter I have no option but to follow the direction of the Governor in Council, passed in accordance with section 37 of the Consolidated Revenue and Audit Act. The Order in Council of July 25th last, explicitly cancelled all previous orders extending the time for finally closing the appropriation accounts of the fiscal year 1894-5, and fixed the date for such closing at two months from June 30th, 1895. The balances of the appropriations in question will not therefore be available, within the law, after the expiration of the time therein specified. In regard to your contention that the appropriation of 1894-5 for the construction of lighthouses should be held good till September 30th, for the completion of contracts entered into before June 30th, I would refer you again to the opinion of the Department of Justice, cited in my letter of the 17th inst., to the effect that the extension of time for finally closing the appropriations of any year is *only* for the purpose of enabling a department to pay after June 30th, liabilities that had been incurred previously to that date. A liability to pay money has not been incurred, it seems to me, until the work contracted for has been performed in accordance with the conditions imposed by the contract.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Minister of Marine and Fisheries.

MARINE AND FISHERIES DEPT., OTTAWA, August 28, 1895.

SIR,—I have the honour to acknowledge receipt of your letter of the 26th instant stating that you had no option but to follow the directions of the Governor in Council passed in accordance with section 37 of the Consolidated Revenue and Audit Act, and in reply I can only again express my opinion that as the Order in Council of the 2nd July carrying down the appropriation to 30th September was regular, and as the Order

in Council of the 8th August made good the oversight of the Order of the 25th July, which cancelled the Order of the 2nd July, that you should not press your contention, but allow the Construction Vote to hold good till 30th September, more especially as it is the only money available to meet obligations contracted in good faith and which was duly appropriated by Parliament for the purpose.

I am, sir, your obedient servant,

The Auditor General.

WM. SMITH, *DM of M & F.*

AUDIT OFFICE, OTTAWA, August 30, 1895

SIR,—I beg to acknowledge the receipt of your letter of the 28th inst., in further reference to the vote for Construction of Lighthouses for the fiscal year 1894-5. As stated in my letter of the 26th inst., the Order in Council of July 25th must be taken as the final decision of the Governor in Council in regard to the extended time during which any Parliamentary appropriation of the fiscal year 1894-5 may be drawn upon. The subsequent order to which you refer, as making good the oversight of July 25th in regard to the vote in question, is not a legal authority for this purpose, inasmuch as it was not passed within the time prescribed by the statute.

I regret that I am unable to comply with your desire.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A. G.*

The Deputy Minister of Marine and Fisheries.

### Insufficient Vouchers—Certificates Not Given.

AUDIT OFFICE, OTTAWA, September 11, 1895.

SIR,—I find by your Supplementary List of cheques issued during the month of August last against the Vote for Construction of Lights, 1894-5, that cheque 1075 for \$500 was issued in favour of John J. Johnstone as an advance for work under contract. Advances of a similar nature, amounting to \$1,400 were also made to Jean Warren and John Chi-holm. The vouchers sent me in support of these payments are merely memoranda prepared in the department. There are no certificates to show that on June 30 last the various works had been sufficiently advanced to justify payment of the amounts in question. Please let me have the necessary information in this respect.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A. G.*

The Deputy Minister Marine and Fisheries.

MARINE AND FISHERIES, OTTAWA, September 13, 1895.

SIR,—In reply to that part of your letter of the 11th instant which refers to payments made on account of construction of lighthouse at Wolfe Point, Nova Scotia, I have to inform you that this lighthouse is being constructed by a foreman for the Department of Marine and Fisheries, under authority of Order in Council of 11th July last, and advances have been made to him to pay wages, on the application of our agent at Halifax. We have reports of progress from the agent showing that the lighthouse is approaching satisfactory completion, and on completion, vouchers for the whole expenditure will be furnished.

I am, sir, your obedient servant,

The Auditor General.

MARINE AND FISHERIES, OTTAWA, September 12, 1895.

SIR,—Referring to your letter of the 11th instant relative to two payments of \$500 each, made to Mr. John Warren on account of his contract for Cape Salmon lighthouse, I have the honour to inform you that payments were made upon the report of the keeper in regard to state of the work, and the report of our agent who personally made inquiries in regard to the details of the work. There is still a balance due the contractor of this contract.

I am, sir, your obedient servant,

The Auditor General.

WM. SMITH, *D.M. of M. & F.*

MARINE AND FISHERIES, OTTAWA, September 12, 1895.

SIR,—I have the honour to acknowledge receipt of your letter of the 11th instant, calling attention to the issue of cheque No. 1075, for \$500, in favour of John J. Johnston, drawn against the vote for construction of lights 1894-95, and stating that no certificate was forwarded you to show that on the 30th June last this work had been sufficiently advanced to justify payment of the amount in question.

In reply I have to inform you that the work referred to is under contract and that when the cheque was issued the report from the inspector was in the hands of the department and the Chief Engineer considered that the report showed that the work was sufficiently advanced to warrant the department in making the advance of \$500.

I am, sir, your obedient servant,

The Auditor General.

AUDIT OFFICE, OTTAWA, September 14, 1895.

SIR,—I beg to acknowledge the receipt of your letter of the 12th inst., with reference to the issue of a cheque for \$500 in favour of John J. Johnston, as part payment for work which he is performing under contract. Please send me the Inspector's report to which you refer as the evidence upon which the Chief Engineer recommended payment of the amount in question. I would remind you that I called your attention to three other payments of a similar nature in my letter of the 11th inst. The certificates in support of these payments should also be sent me. I would ask your early attention to this matter, as in the meantime I am holding your application to repay the bank.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries.

J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, December 21, 1895.

SIR,—I beg to bring to your notice the following payments made from the vote for construction of lighthouses during the fiscal year 1894-95. Voucher 8371 for \$105.30 rendered by F. Vincent for surveying in connection with Salmon Point light is not certified as required by section 33 of the Audit Act. John Chisholm, the contractor for Wolfe Point tower, was advanced \$200 by cheque 14974, but the only voucher sent me in support of this payment is a memo. prepared at the department stating the sum paid and the light to which it has been charged. In this connection I would also call your attention to payments made to the contractors for the lighthouses at Pie Island, Mullin's Point, Gillis Point, Gagetown, Salmon Point, Pillars, and the explosive magazine at Quebec. The certificates on which the payments in each of these cases were made should be sent me. Cheques 3511 and 5531 for \$715 were made payable to the order of J. U. Gregory for Peter Mahon—the contractor for the explosive magazine at Quebec—and endorsed for payment by Mr. Gregory only. I presume the object in making out the cheques in this form was to enable Mr. Gregory to pay over the amounts when he

was satisfied that the work had been performed according to contract. In such case the proper course was to have drawn the cheques payable to the joint order of Mr. Gregory and the contractor. No proof has been sent me that the amount in question was paid to Mr. Mahon. Please let me have the authority under which R. E. Tyrwhitt was employed in the department as a draughtsman from January 1st to July 31, 1895. I have not received the necessary Order in Council for his appointment. The salary paid him for July last should not have been charged against the appropriation of 1894-95.

I am, sir, your obedient servant,

The Deputy Minister Marine and Fisheries.

J. L. McDOUGALL, *A.G.*

### Labour Pay-Lists for Tidal Service.

AUDIT OFFICE, OTTAWA, December 17, 1895.

SIR,—I beg to bring to your notice the pay-lists sent to this office in support of disbursements made by Mr. Bloomfield Douglas for labour at Father Point, erecting a tide gauge during the months of October and November, 1894. It appears from these lists that sixty-six different persons were employed as labourers during the progress of the work, though not more than nineteen or twenty were, at any one time, at work together. The frequent changes indicated by the total number of men employed within a period of less than three months, seem to me to call for explanation. All, or nearly all, the labourers employed have signed the pay-lists by "mark" in the presence of J. McWilliams, except in two instances in which the pay-lists are certified by Mr. Douglas alone, both as regards the performance of the work and the disbursement of the wages.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries.

J. L. McDOUGALL, *A.G.*

MARINE AND FISHERIES DEPT., TIDAL SURVEY OFFICE, OTTAWA, Dec. 19, 1895.

SIR,—With reference to the attached letter of the 17th instant from the Auditor General, regarding the employment of men at Father Point in the autumn of 1894, and which you have referred to me, I have the honour to say that as there are practically no residents at Father Point, it was necessary to obtain men from elsewhere. The men first engaged were chiefly from Rimouski, and they were employed as long as they continued to work; but when they failed to return to their work, owing to their taking up other employment for the winter, other men were obtained from St. Luce or the back concessions. The changes that occurred were thus chiefly due to the lateness of the season. The first pay-lists were certified by Captain Douglas alone, but on being requested to make further certificate, it was arranged that Mr. McWilliams, lighthouse keeper in this department, should also witness to the mark of the labourers.

I am, sir, your obedient servant,

W. BELL DAWSON, *in charge of T.S.*

Chief Engineer, Marine and Fisheries Dept.

### Payment to Mrs. Warner.

MARINE AND FISHERIES, OTTAWA, Dec. 6, 1895.

SIR,—I have the honour to acknowledge receipt of your letter of the 30th ultimo asking for an explanation in regard to a payment of \$56.50 made to Mrs. Emma Warner, widow of the late engineer of the steamer "Newfield." In reply I am to inform you that the claim was made by the widow of the deceased engineer as value for tools which

## Auditor General's Report—Part K

---

belonged to her husband, and which were used on board the ship. An investigation was made by the department in regard to the claim, and it was found that a drilling machine, jack screws, bench anvil and other articles were the property of the engineer, and had been used by him in connection with the ship's service, and on this account it was deemed advisable to purchase the articles from Mrs. Warner. I may observe also that instructions were at that time issued to the master of the "Newfield" that in future no tools or implements were to be used on board the ship which were not the property of the department, with the exception of the carpenter's kit, which is supposed always to be his personal property.

I am, sir, your obedient servant,

The Auditor General.

WM. SMITH, *D. M. of M. & F.*

### Officers of Dominion Steamers. Authority for Salaries.

MARINE AND FISHERIES, OTTAWA, March 9, 1895.

SIR,—In reply to your letter of the 18th January last, I have the honour to inform you that the salary of Commander Spain was fixed at \$1,700 per annum upon his appointment, on the 12th February, 1894, by the Minister of Marine and Fisheries to the command of the fisheries protection service, which appointment has since been confirmed by Order in Council, dated 26th February, 1895, of which the clerk of the Privy Council has been requested to send you a copy for your information. With regard to the rate of pay allowed Commander Spain while in command of the cruiser "Acadia," I may state that \$90 per month is the usual salary paid to the captains of the cruisers of the fisheries protection service. Commander Spain's allowance was increased to \$100 a month when the department assigned him the duties of acting commander. It has not been the custom to make payment of salary to the captains under the authority of an Order in Council; all such appointments, with their emoluments, are authorized by the Minister of Marine and Fisheries.

The additional sum of \$500 paid to Commander Spain for extra services during the fiscal year 1893-94, was authorized by Order in Council of the 20th December, 1893, of which the clerk of the Privy Council was requested to furnish you a copy, on the 8th January, 1894, for your information.

I am, sir, your obedient servant,

The Auditor General.

### Delayed Payments for Freight and City Water Rates.

AUDIT OFFICE, OTTAWA, June 12, 1895.

SIR,—I beg to bring to your notice voucher 11257 rendered by William Baskin, lightkeeper at Baskin's Wharf, for \$27.40 which has been paid at \$13.40. This account contains charges for freight dating from the spring of 1887, and repairs to lamps in 1888, and no explanation is given of the delay which has occurred in rendering the account which is dated April 13th, 1895. Please let me have the necessary explanation.

I am, sir, your obedient servant,

The acting D.M. of M. and F.

J. L. McDOUGALL, *A.G.*

MARINE AND FISHERIES, OTTAWA, June 18, 1895.

SIR,—I have the honour to acknowledge receipt of your letter of the 12th instant in regard to voucher 11257, rendered by William Baskin, lightkeeper, and in reply beg to inform you that the account referred to was not paid promptly, as the charge of \$2

a trip for cartage was claimed by the department to be excessive, and it was only this spring that the matter was settled at reduced rate. The items for repairs were authorized by the department, but being included in the disputed claim, the whole bill was thrown over from year to year.

I am, sir, your obedient servant,

The Auditor General.

JOHN HARDIE, *Acting D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, June 13, 1895.

SIR,—I notice that the sum of \$36 was paid by cheque 7604 to the city of Ottawa for water rates, from November, 1892 to February 1st, 1895, on property owned by St. John's church. I presume this property is the store-house used by the department, though it is not so explained on the voucher, nor is any explanation given of the delay in rendering the account.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A. G.*

The acting Deputy Minister of Marine and Fisheries.

MARINE AND FISHERIES, OTTAWA, June 17, 1895.

SIR,—I have the honour to acknowledge receipt of your letter of the 13th instant, relative to the payment of an account for water rates on property owned by St. John's church, from November, 1892, to February 1st, 1895, presuming that this property is the storehouse used by this department, and asking an explanation for the delay in rendering the account. In reply I have to inform you that the property in question is the storehouse used by this department, and that the department is not in a position to explain the delay in rendering the account. The account was paid as soon as it was rendered, when ascertained that it was correct.

I am, sir, your obedient servant,

The Auditor General.

JOHN HARDIE, *Acting D. M. of M. & F.*

AUDIT OFFICE, OTTAWA, June 20th, 1895.

SIR,—I have the honour to acknowledge the receipt of your letter of the 17th. inst. in which you state that the department is not in a position to explain the delay in rendering the account for water rates on the property owned by St. John's church and occupied as a storehouse by the department. I called your attention to this matter because, in the first place, it seemed to me only reasonable that the department would have a knowledge of its current liabilities,—no outlay having been made until first authorized, and that if the accounts were not rendered in due course, the neglect in this regard would be a subject of correspondence between the department and the creditors. In the next place by allowing the account to become overdue the department lost the discount given in such cases for prompt payment.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A. G.*

The acting Deputy Minister of Marine and Fisheries.

## Auditor General's Report—Part K

### Delay in Paying Salary of Fishery Overseer.

AUDIT OFFICE OTTAWA, June 28, 1895.

SIR,—I beg to ask for explanation of the delay in paying the salary of J. C. Bowen, a Fishery Overseer at Marmora, Ontario, to whom a cheque for \$125.00 was issued in February last, being amount of his salary from October 1, 1893, to December 31, 1894. As the practice of the department is to pay the salaries of Fishery Overseers quarterly, and as Mr. Bowen's name was regularly scored off the pay-lists authorized for the period in question, it seems to me that the explanation asked for should have been given on the voucher rendered in support of the payment by cheque 8849.

I am, sir, your obedient servant,

J. L. McDOUGALL, A. G.

The acting Deputy Minister Marine and Fisheries.

MARINE AND FISHERIES, OTTAWA, June 29, 1895.

SIR,—In reply to your letter of the 28th instant, asking for explanations regarding the payment of salary to Fishery Overseer J. C. Bowen, of Marmora, from the 1st October, 1893, to the 31st December, 1894, instead of quarterly as is the usual practice of this department, I beg to state that, owing to an erroneous entry in the establishment book, this officer's salary was not paid, although he continued to perform the duties of his office. On his making inquiry why his salary was withheld, the mistake was discovered; and, as there was no reason for payment not being made, and as he was still an officer of the department in good standing, there was no other course to adopt than pay him for the time during which his pay had been withheld.

I am, sir, your obedient servant,

JOHN HARDIE, *Acting D.M. of M. & F.*

The Auditor General.

### Telephone Rent at St. John.

AUDIT OFFICE, OTTAWA, December 21, 1895.

SIR,—I beg to bring to your notice a payment of \$37, made last year from the vote for signal service for rent of a telephone at St. John, N. B. The vouchers sent me in support of this payment are certified by Mr. Harding, agent of Marine at St. John, who certifies also to the rent for two others, one at the agent's office and the other at his residence. Please say where the third is.

I would also call your attention to the various amounts paid for the rents in question, namely \$30, \$35 and \$37 per annum. respectively.

I am, sir, your obedient servant,

J. L. McDOUGALL, A. G.

The Deputy Minister of Marine and Fisheries.

MARINE AND FISHERIES, OTTAWA, December 30, 1895.

SIR,—I have to acknowledge receipt of your letter of the 21st instant, making enquiry in regard to certain amounts paid for telephone rent at St. John, N. B., and in reply I am to inform you that the rent of \$30 is for twenty-four (24) month's use of telephone in agent's residence; the amount of \$35 is for one year's rent of telephone in agent's office, and the item of \$37 is for one year's rent of telephone for signal service.

I am, sir, your obedient servant,

WM. SMITH, *D. M. of M. & F.*

The Auditor General.

## Auditor General's Report—Part K

### *Re Examination of Masters and Mates.*

AUDIT OFFICE, OTTAWA, 14th Feby., 1895.

SIR,—According to the returns of certificates to masters and mates issued during the past season, it appears that 38 masters' certificates at \$8 each and one mate's certificate at \$4 were issued, and forwarded to the examiner Capt. Henry Scoones. I have not been furnished with any returns from this examiner nor do I find that any deposit has been made by him.

A memo attached to the returns lately received states that this matter has been referred to the Department of Justice.

I have not been furnished with a copy of the Order in Council appointing this examiner.

Please let me have a copy of the instructions given him as to the receipt and deposit of fees. Have any payments been made to him for his services? Is he still in office?

I am, sir, your obedient servant,

The Acting Deputy Minister Marine and Fisheries. J. L. McDOUGALL, *A. G.*

MARINE AND FISHERIES DEPT., OTTAWA, February 18, 1895.

SIR,—I have the honour to acknowledge receipt of your letter of the 14th instant in regard to the fees collected by Captain Henry Scoones, examiner of masters and mates, and in reply I beg to inform you that Captain Scoones has been suspended and he has retained all the money he collected. He has not been paid any fees by the department, but has to be credited with \$4 for each examination.

The Order in Council appointing him together with copy of the letter of instruction are on the file now in the hands of the Justice Department.

I am, sir, your obedient servant,

The Auditor General.

JOHN HARDIE, *Acting D. M. of M. & F.*

### *Re Sale of Empties*

AUDIT OFFICE, OTTAWA, FEBRUARY 18, 1895.

SIR,—I have to call your attention to the inclosed statement of the Imperial Oil Co., Petrolia, covering the empty barrels and cases received during July and August last.

It seems these empties were forwarded from Kingston, Hamilton, Sarnia and Collingwood, but no vouchers nor statement of the shipper is furnished, and consequently there is no means of verifying the quantities accounted for.

One dollar is allowed for each barrel and 40 cents for each case, but the agreement with the company is not furnished.

2 barrels and 30 cases are entered as broken for which nothing is allowed, but there is no indication of the action taken by the department to recover their value from the R. R. Company.

\$50.01 is deducted for freight, but no vouchers are furnished. Not having the agreement it cannot be determined that this charge should be deducted.

The statement which is dated at Petrolia, September 24th last is not certified nor approved by any officer of your department. There is nothing but a memo in reference to the cheque of the company, dated Oct., 8, the date on which the deposit was made.

Please return the statement with the necessary vouchers and certificates.

I am, sir, your obedient servant,

The Acting Deputy Minister Marine and Fisheries. J. L. McDOUGALL, *A. G.*

DEPT. MARINE AND FISHERIES, OTTAWA, March 21, 1895.

SIR,—I have to acknowledge receipt of your letter of 18th ultimo, with reference to the statement of the Imperial Oil Co., in respect to the empty barrels and cases returned in July and August last, and in reply I inclose herewith the railway receipts for the empties shipped at Kingston, Hamilton, Sarnia and Collingwood.

One dollar is allowed for each barrel and 40 cents for each case, which is included in the agreement made by this department with the company.

With reference to the barrels and cases which are entered as broken, I am to inform you that it appears that the cases were broken and the cans damaged, and they were not considered of any value, and it would appear that they were not subjected to specially rough handling by the railway company. The Superintendent of Lights reports that the empties were shipped to the company as received from the lightkeepers, and that he could not have delayed the supply steamer to make a thorough examination before shipment.

I inclose vouchers in support of the \$50.01 charged for freight, also the statement.

I am, sir, your obedient servant,

The Auditor General.

JOHN HARDIE, *Actg. D.M.M. & F.*

### *Re Sale of Ponies from Sable Island.*

AUDIT OFFICE, OTTAWA, February 18th, 1895

SIR,—I am returning with for the certificate of the Queen's Printer, the following advertising bills :—

The Halifax Evening Mail.....	\$4 50
do Morning Herald.....	4 50
do Acadian Recorder.....	4 50

The other disbursements made by the auctioneer are :—

Geo. E. Smith & Co., rope.....	\$10 29
James McLaren & Co., hay.....	14 46
Charles Neal, services of men.....	20 50

Though the auctioneer's statement is certified correct by Mr. Parsons, your agent at Halifax, the vouchers for services and supplies should also be certified as follows : "The materials (or services) were required and received (or rendered) and the prices charged are fair and just."

Is there any reason why the Revenue Act should not be complied with, and the gross proceeds of all sales deposited to the credit of the Receiver General? The disbursements when properly accounted for to the department could be made a charge against revenue.

Agents collecting public moneys should be instructed to make deposit in one of the local banks doing Government business, instead of remitting to Ottawa.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Acting Deputy Minister of Marine and Fisheries.

MARINE AND FISHERIES, OTTAWA, January 9, 1896.

SIR,—Referring to your letter of 18th February last, returning for certificate of the Queen's Printer advertising bills in connection with the sale of ponies from Sable Island, I beg to inclose the bills certified as requested.

In regard to the accounts for expenses incurred by the auctioneer, I am to inform you that as the expenses referred to, amounting to \$45.25, were included in the account

## Auditor General's Report—Part K

sales, the certificate of the agent attached to the auctioneers's account was considered sufficient.

As to the reason why the Revenue Act was not complied with, in not placing the gross proceeds of the sale of ponies to the credit of the Receiver General, I am to inform you that it is customary in commercial business, when an auctioneer is employed, to deduct from the gross proceeds of sale all the expenses incurred on account of such sale, including commission for services, paying over the net proceeds.

In this case the usual custom was not departed from, the Account Sales showing net proceeds having been given to the agent, which he certified as correct.

The proceeds of sale were deposited by the agent in the Bank of Montreal, Halifax to the credit of the Receiver General.

I am, sir, your obedient servant,

The Auditor General.

WM. SMITH, *D. M. M. & F.*

AUDIT OFFICE, OTTAWA, April 10, 1895.

SIR,—I wrote you Sept. 14, 1894, asking for explanations why receipts had not come to account from the wharfinger at Grand Narrows, Victoria Co., for 1892, nor from the wharfinger at Grand Narrows, Cape Breton, Co., for 1893.

I have had no reply to that letter, and nothing has since come to account from the former wharfinger.

Returns and deposit from the wharfinger at Grand Narrows, Cape Breton Co, for 1893, amounting to \$89.65, came to hand a few days ago. The deposit was made by your department in the Bank of Montreal here on March 7 last, over 14 months after the date of the last entry on the returns. There is no entry to indicate when the returns were made out or when they were received at your department.

No returns nor deposit have yet been received from either of these wharfingers for 1894.

I have to ask for full information as to both these accounts, and what action you have already taken, and what further action you purpose taking in reference thereto.

Have the officers of your department been informed of the liabilities incurred for any neglect in promptly accounting for all money received by them for the Crown.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A. G.*

The Acting Deputy Minister Marine and Fisheries.

DEPT. MARINE AND FISHERIES, OTTAWA, May 13, 1895.

SIR,—Referring to your letter of the 10th ultimo, in regard to explanations why receipts had not come to account from the wharfinger at Grand Narrows, Victoria Comnty, for 1892, nor from the wharfinger at Grand Narrows, Cape Breton County, for 1893, I have the honour to inform you that Mr. J. P. McNeill, wharfinger for the former place, sent no collections for 1892. He, however, transmitted a Post Office Order for \$12.69 for 1893, which amount appeared in the statement for March, 1894.

On the 20th December, 1893, Mr. McNeill's appointment was cancelled, and for cause; no one was appointed to the vacancy, consequently, there were no collections for 1894. Recently action has been taken to have a wharfinger appointed.

Mr. E. A. McNeill, wharfinger at Grand Narrows, Cape Breton County, sent a cheque for \$89.65 for 1893, which appeared in the receipts for February, 1895. Since then, on the 8th April last, he was called upon to account for the collections of 1894, and deposited the sum of \$90.83 for that year, which has been forwarded with April receipts.

As regards your inquiry as to whether the officers of this department have been informed of the liabilities incurred by neglecting to promptly account for all money

received by them for the Crown, I have to inform you that instructions are always sent to wharfingers, on their appointment, directing them to remit promptly, and as to the manner in which remittances are to be sent, but they have not been advised as to incurring any penalties by their neglect to remit promptly.

However, a circular letter is now being prepared which will be issued to all officers of this department who collect revenue for the Crown, calling their attention to the penalties involved should they omit to forward to the department promptly all money collected by them, in their official capacity, belonging to the Crown.

I am, sir, your obedient servant,

The Auditor General.

JOHN HARDIE, *Actg. D.M.M. & F.*

**Re Sault Ste. Marie Wharf.**

AUDIT OFFICE, OTTAWA, March 8, 1895.

SIR,—Revenue has come to account from this wharf as follows: for May and June, 1894, \$289.14; for July, \$173.55 deposited at Ottawa, Oct. 3; and for August, \$195.35 deposited at Ottawa Oct. 12. Nothing has since come to account.

Please explain as to the revenue for the balance of the season.

As there are banks in Sault Ste. Marie, the wharfinger should be directed to deposit his receipts, instead of remitting to Ottawa.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Acting Deputy Minister of Marine and Fisheries.

---

AUDIT OFFICE, OTTAWA, January 4, 1896.

SIR,—I have had no reply to my letter of March 5th last, pointing out that no revenue had come to account from the Sault Ste. Marie wharf after the collections of August, 1894, and asking for an explanation.

I do not find that anything has since come to account for the balance of the season of 1894, nor for the season of 1895.

The receipts at this wharf during the four months to August 31, 1894, amounted to \$658.04.

I am, sir, your obedient servant,

The Deputy Minister Marine and Fisheries.

J. L. McDOUGALL, *A.G.*

---

MARINE AND FISHERIES DEPT., OTTAWA, 7th January, 1896.

SIR,—I have the honour to acknowledge receipt of your letter of the 4th instant inquiring in regard to collections at the Sault Ste. Marie Wharf, and in reply I am to inform you that statements of collections have been received for the wharf in question, amounting to the sum of \$1,430.09, from July 1, 1894, to July 31, 1895.

I may observe, however, that remittances amounting to \$658.04 only have been received for this amount, the balance having been retained by the acting wharfinger, and I may state that the question of the salary to be allowed him has not yet been settled.

I am, sir, your obedient servant,

The Auditor General.

WM. SMITH, *D. M. M. & F.*

## Auditor General's Report—Part K

### *Re Goderich Wharf.*

AUDIT OFFICE, OTTAWA, March 8, 1895.

SIR,—Referring to previous correspondence in reference to this wharf, I have to inquire if the Department of Justice has collected the amount of your claim against Mr. Dymont.

Returns from the wharfinger have reached this office for April, May, June, July and August, 1894, the total net receipts amounting to \$1.80. Does this represent all the revenue of this wharf or is any part of the wharf under lease?

Some years ago, an annual rental of \$1,445 was realized for the use of the wharf; later \$1,115 was received; in 1892 only \$203.33 came to account, and nothing for 1893. This great depreciation seems to call for some explanation.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Acting Deputy Minister Marine and Fisheries.

MARINE AND FISHERIES DEPT, OTTAWA, March 28, 1895.

SIR,—In reply to your letter of the 8th instant requesting to be informed whether the Justice Department has collected the amount of the claim against Mr. Dymont for wharfage at Goderich, I have to inform you that nothing has come to hand yet. The Department of Justice reported on the 21st ultimo, that negotiations were going on with regard to a settlement.

The returns of the Wharfinger for April, May, June, July and August show the receipts to have been \$1.80 and is all the revenue received. With regard to your inquiry as to whether any part of the wharf is under lease, the department's letter to you of the 11th May last shows that Mr. Dymont was the only one who used the wharf and no lease existed then nor has one been made with anyone since.

With regard to your statement that some years ago an annual rental of \$1,445 &c. was received and in 1892 only \$203.33 came to account, I have to state that the large amount referred to was received when sections of the wharf were under lease. These leases terminated in 1891 as you have already been made aware and you will see by my letter of the 19th May 1890, how the rent was paid.

The sum of \$203.33 referred to in your letter was accepted by the department on account of the claim which is not yet settled in full. This claim is for use and occupation of the wharf lots for part of 1892, the whole of 1893 and part of 1894.

I am, sir, your obedient servant,

JOHN HARDIE, *Act. D.M.M. & F.*

The Auditor General.

### *Re Steamboat Inspection.*

AUDIT OFFICE, OTTAWA, July 22, 1895.

SIR,—I have received a copy of an Order in Council authorizing payments of \$50 and \$12.50 to Capt. McCuaig for services in connection with the prosecution of the owners of the steamers "Squaw" and "Bonita" for violating the Steamboat Inspection Act. The order does not state to what account these payments are to be charged, but I assume it is to the Vote for Steamboat Inspection.

Have the owners of these vessels been fined, and if so, when did the amount of the fines come to account? What position does Capt. McCuaig hold and how is he usually paid for his services?

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister Marine and Fisheries.

MARINE AND FISHERIES DEPT., OTTAWA, July 29, 1895.

SIR,—I have the honour to acknowledge receipt of your letter of the 22nd instant, relative to payments made under authority of Order in Council to Captain McCuaig for services in connection with proceedings taken against the owners of the steamers "Squaw" and "Bonita" for violations of the Steamboat Inspection Act; and in reply I beg to inform you that these payments are to be charged to the Vote for Steamboat Inspection.

The fine in the case of the "Squaw," certificate of deposit No. 703 for \$145, dated 14th June, 1895, was forwarded you in June statement on the 5th instant.

I beg further to state that the honourable Minister of Marine and Fisheries appointed Captain McCuaig to detect violations of law, and that he is paid for such services out of the fines secured by the prosecutions.

I am, sir, your obedient servant,

The Auditor General.

WM. SMITH, *D.M.M. & F.*

### *Re Fisheries Revenue.*

AUDIT OFFICE, OTTAWA, June 21, 1895.

SIR,—Among the deposits that come to account for fisheries revenue, there are usually a considerable number made in the name of your accountant, with a memo endorsed of the agents who remitted. These deposits amounted to \$5,790.76 in April and \$4,127.94 in May. Among the endorsements there appear remittances from the following agents: Wm. Freeland, St. Thomas, \$1,955 and \$805; D. Sharpe, Port Ryerse, \$758, \$400 and \$200; E. Wigle, Leamington, \$700, and J. E. Quick, Pelée Island, \$900. Please let me know in what shape remittances to the department are usually made; whether by cheque, draft, money order or cash.

Is there any reason why such of these collections as cannot conveniently be deposited in a local bank, should not be remitted direct to the bank here, and the receipts forwarded by the bank to your department? This is the practice followed for bringing post office revenue to account.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Acting Deputy Minister of Marine and Fisheries.

MARINE AND FISHERIES DEPT., OTTAWA, June 24, 1895.

SIR,—In answer to your letter of the 21st instant, inquiring as to the manner in which remittances are made to this department with respect to fisheries revenue, I beg to inform you that remittances are made in bank bills, post office orders, sight drafts and postage stamps. As the department notified all its officers that, whenever possible, they must deposit the money in the bank and send deposit receipts, it is inferred that the officers who deposit otherwise, are so situated that they cannot comply with the rule.

With regard to your suggestion respecting the adoption of the practice followed for bringing post office revenue to account, I may state that while it may suit that department, it would not answer here.

I am, sir, your obedient servant,

The Auditor General.

JOHN HARDIE, *Act. D.M.M. & F.*

## Auditor General's Report—Part K

---

---

AUDIT OFFICE, OTTAWA, March 5, 1895.

SIR,—I have received your letter of the 2nd instant, inclosing list of licenses issued from your department during January. No lists are furnished of the licenses issued by inspectors. No audit can be made till they send in their book of forms at the close of the season, and very few of these books ever reach this office. If the present practice of issuing licenses by inspectors is to be continued, please send me a list of the inspectors authorized to issue licenses, and each of them should be directed to send a monthly list of all licenses issued, together with the counterfoils. The same regulation applies to agents issuing angling permits.

I am, sir, your obedient servant,

The Acting Deputy Minister Marine and Fisheries. J. L. McDOUGALL, *A.G.*

---

AUDIT OFFICE, OTTAWA, October 11, 1895.

SIR,—I have had no reply to my letter of March 5th last, asking for a list of inspectors authorized to issue licenses, and suggesting that they should be required to furnish a monthly statement of all licenses issued, together with the counterfoils.

I have now to call your attention to the fact that no books of counterfoils of licenses issued, covering the transactions of 1894-95, have yet reached this office.

I am, sir, your obedient servant,

The Deputy Minister Marine and Fisheries. J. L. McDOUGALL, *A.G.*

---

MARINE AND FISHERIES DEPT., OTTAWA, November 13, 1895.

SIR,—In reply to your letter of the 11th ultimo, I beg to inform you that the following Inspectors of Fisheries are authorized to issue fishery licenses, viz.:—Messrs. A. C. Bertram, North Sydney, N. S.; R. Hockin, Pictou, N. S.; A. Lord, Charlottetown, P. E. I.; H. S. Miles, Oromocto, N. B.; J. H. Pratt, St. Andrews, N. B.; R. A. Chapman, Moncton, N. B.; Captain S. Belanger, Gaspé Basin, Que.; R. L. Tupper, Selkirk, Man.; F. C. Gilchrist, Fort Qu'Appelle, N. W. T.; and John McNab, New Westminster, B. C. In future Mr. Edward Hackett, Inspector of Fisheries, Tignish, will issue the licenses in Prince Edward Island, instead of Mr. A. Lord, the agent of the department at Charlottetown.

The fishery licenses issued by this department are for the calendar and not the fiscal year, and the license books therefore cannot be returned until the beginning of the following year, and most of the Inspectors keep them for nearly a year afterwards to enable them to fill in renewals, hence the delay in transmitting the stubs or counterfoils to you.

So far only two books have been returned to this department, but all the inspectors have been asked to send them here as soon as possible.

Monthly returns of the number of licenses issued are furnished by the Inspectors of Fisheries and these, as well as a statement of the ones issued by this department, have been duly forwarded to you from time to time.

I am, sir, your obedient servant,

The Auditor General.

There are also a large number of licenses issued from the department for Quebec and the Maritime provinces not checked off, some of which would no doubt be accounted for in the missing returns. Whether they would all be accounted for can not be determined without the returns.

I have to ask for an explanation in reference to each of the above licenses and a statement and explanations of those not accounted for from Quebec and the Maritime provinces.

I am, sir, your obedient servant,

The Deputy Minister Marine and Fisheries.

J. L. McDOUGALL, A.G.

AUDIT OFFICE, OTTAWA, October 11, 1895,

SIR,—I have had no reply to my letter of March 5 last giving a list of Ontario licenses not accounted for, and calling attention to the large number of licenses issued from the department for Quebec and the Maritime provinces not checked off, some of which would no doubt be accounted for in the missing returns.

I have again to call your attention to this matter.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries.

J. L. McDOUGALL, A.G.

**Re Fisheries Revenue.—Inspector Tupper's Returns.**

AUDIT OFFICE, OTTAWA, March 1, 1895.

SIR,—Returns have been received from Inspector Tupper of Manitoba for October, November and December, 1893, and for January, February, March and April, 1894. No returns have since been received. As the inspector issues the licenses, could he not enter the number of each on his return? Deposits have come to account in acquittance of these returns. The following additional deposits have come to account for which no returns have been furnished :—March 17, \$3.50; April 6, \$153.70; (part of receipt for \$219.30), June 13, 50 cts. All these deposits were made in the Bank of Montreal here. Is there any reason why Mr. Tupper should not deposit his collections in Winnipeg?

## Auditor General's Report—Part K

A schedule dated West Selkirk, Manitoba, June 30, 1894, of fishery licenses issued between January 1 and June 30 has been furnished. This schedule amounts to \$913 and contains 171 licenses at \$2 each, and 11 commercial licenses amounting to \$571. Of these the returns furnished account for 82 licenses at \$2. If we include the deposits for which no returns have been furnished, there still remains of the licenses issued to June 30 last \$591.30 for which neither returns nor deposits have been received.

I have not been furnished with the book of license blanks used by the inspector.

I have to remark on the absence of any evidence that these returns are fully examined and audited in your department.

I shall be glad to have at an early date any explanations you can give in reference to this account, and information of what action you have taken to secure payment of the licenses that have been issued, and that in future deposits will be promptly made for licenses as issued.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Acting Deputy Minister of Marine and Fisheries.

AUDIT OFFICE, OTTAWA, October 17, 1895.

SIR,—I have had no reply to my letter of March 1 last in reference to Inspector Tupper's returns.

Deposits have come to account during the year 1894-95 covering this Inspector's returns from May 1, 1894 to June 30, 1895.

The following licenses are not entered on the returns and the forms have not been returned :—Nos. 110 and 116, May, 1894, 157 and 158, June, 1894, and 290, December, 1894.

These returns are principally made up of collections by overseers, but the returns of the overseers are not furnished.

The counterfoils of the licenses issued have not been furnished.

This inspector occasionally issues a single license to a firm, covering rights to several boats and tugs. The amounts collected vary. No. 155, covering one tug and five sail boats, is for \$80; No. 156, covering five sail boats, is for \$50; and No. 160, covering three tugs and four sail boats, is for \$128. No means is furnished this office of determining the correctness of these amounts. Please let me know what control you have in the department in this connection. If the counterfoils were furnished and they bore the signatures of the licensees it would be more satisfactory.

A memo. of the deposits or remittances made by the inspector should be entered on his return and it should be certified. The greater number of this inspector's returns, as now received, are not even signed.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Minister Marine and Fisheries.

### Re Fisheries Revenue—Inspector Kinney's Returns.

AUDIT OFFICE, OTTAWA, March 5, 1895.

SIR,—The following deposits made by Inspector Kinney of Nova Scotia have come to account for which no returns have been furnished :

Date of Receipt.	Amount.	When sent to Rec. General.
June 12, 1894.....	\$800 00 .....	October 5, 1894.
do 28, do .....	330 00 .....	do
July, 5, do .....	62 50 .....	do
Nov. 10, do .....	394 15.....	Jan. 10, 1895
do 15, do .....	130 85.....	do
do 29, do .....	4 00.....	do

I have to ask for an early explanation of the delay in bringing these receipts to account; and the reason why the returns have not been furnished. Is this inspector authorized to issue licenses?

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Acting Deputy Minister Marine and Fisheries.

AUDIT OFFICE, OTTAWA, 18th March, 1895.

SIR,—I have had no reply to my letter of the 5th instant in reference to Inspector Kinney's receipts. I have since received a return of Mr. Kinney dated November 15th, 1894, covering his collections during June, July, August, September and October. The returns of the overseers are not furnished. Please have them forwarded. Mr. Kinney's return does not give the date of receipt by him of the collections of overseers. Comparing his return with the list of licenses issued from your department, the following issued in April, 1894, do not seem to be accounted for:—

License No. 114, in favour of William Switzer, \$15, and license No. 128, in favour of Lewis Knickle, \$10—both entered against overseer W. M. Solomon; also license No. 156, in favour of County Line Trap Co., \$40, entered against J. R. Kinney.

The inspector should render a monthly statement, giving dates of the receipt by him of remittances from the overseers, and a memo of his deposits in acquittance. Attached to each monthly statement should be the returns of the overseers.

The returns should be compared in your department with the licenses issued, and be certified by the examining officer.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Acting Deputy Minister of Marine and Fisheries.

MARINE AND FISHERIES DEPT., OTTAWA, March 21, 1895.

SIR,—In answer to your letters of the 5th and 18th instant, in connection with Inspector Kinney's returns, I beg to state that he has accounted for all the money received for licenses, as follows:—

License fees for 1894.....	\$2,860 00
Fines.....	27 50
Total .....	<u>\$2,887 50</u>
Cancelled licenses, Nos. 156, 185, 186, 187, 188, 189, 22, 294, 313. Total.....	\$ 265 00
Fee on license No. 155 reduced.....	10 00
Deposit receipts sent.....	2,612 50
Total.....	<u>\$2887 50</u>

In connection with license No. 156, it was sent to this department for cancellation, but must have been lost.

Mr. Kinney made an affidavit that licensees did not fish, and Mr. Cunningham looked into the matter when inspecting that office, and reported that the above statement was correct.

The returns of the fishery overseers were sent to Mr. Kinney, requesting him to give the dates when he received the money. This has not been done, and the last return sent in by him does not give the date of remittances received by him.

## Auditor General's Report—Part K

I also wish to state that no statements have ever been forwarded to your department without being thoroughly examined in the accountant branch.

### *Re Fisheries Revenue—Inspector Miles's Returns.*

AUDIT OFFICE, OTTAWA. March 19, 1895.

SIR,—H. S. Miles was appointed Inspector of Fisheries, October 1, 1892 for District No. 3, N.B. including the Counties of Albert, St. John, King's, Queen's, Sunbury, York, Carleton, and Victoria.

No revenue nor returns from this Inspector reached this office for 1892-93. During 1893-94 \$169.60 came to account but no returns. \$37.23 also came to account through Inspector Pratt during that year from overseers in this district, for which returns were furnished. For the current year only \$5 has come to account from Inspector Miles for which a return has been furnished, dated September, 1894, and \$12.55 from John Cochrane, overseer St. John for which no return has been furnished.

As no licenses have been issued from the Department, I assume that this inspector has been furnished with a book of forms, and issues the licenses.

If you have been furnished with returns and the book of forms by this Inspector, please forward them at once; if not, I have to inquire what action you have taken in the matter.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Acting Deputy Minister Marine and Fisheries.

---

AUDIT OFFICE, OTTAWA, October, 17, 1895.

SIR,—I am without any reply to my letter of March 19 last in reference to the returns of Inspector Miles.

Returns have since been received amounting to \$192.89. According to a memorandum furnished from your office in March last, 450 salmon and 50 weir licenses, Nos. 1001 to 1500 were sent to this Inspector. The returns that have come to hand account for licenses Nos. 1001 to 1009, and Nos. 1051 to 1147 with the exception of Nos. 117, 132, 139, 140 and 141. However two Nos. have been used twice, 1128 and 1129, and two licenses are accounted for by overseer Hobin without any numbers.

What became of licenses Nos. 1010 to 1050? Have the unused forms been returned to the department? Do the licenses bear printed consecutive numbers? Are the returns of the inspectors examined in your department with the object of determining that all the forms furnished have been accounted for? If so, please have the examining officer certify on the returns to that effect,

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Minister Marine and Fisheries.

---

MARINE AND FISHERIES DEPT., OTTAWA, November 25, 1895.

SIR,—In reply to your letter of the 19th March and 17th October *re* Inspector Miles, I beg to state that:—

A license book numbered consecutively from 1001 to 1050, special licenses, weirs and sturgeon nets; and 1051 to 1500, salmon licenses, was sent him.

The following have been issued : No. 1001 to 1027 and 1051 to 1147, and have all been accounted for. The balance of forms, viz., 1028 to 1050 and 1148 to 1500, have been returned to department.

With reference to licenses Nos. 1117, 1132, 1139, 1140 and 1141, which you state have not been accounted for :

No. 1117—Henry Burnett—60 cents—appeared in June statement, \$24.60 (R. Orr, overseer).

No. 1132—Jas. E. Pitt—90 cents—was sent as No. 1128 (A. L. Belyea, overseer).

No. 1139—James Long—90 cents—was sent as No. 1129 (A. L. Belyea, overseer).

No. 1140—C. F. Perley—90 cents—without number (G. W. Hoben, overseer).

1141—F. W. Bartlett—90 cents—without number (G. W. Hoben, overseer).

An entry of every license paid by the inspectors is kept in the department, and on his forwarding his license book, it is checked with his account. A thorough check is thus kept on every inspector, they being obliged to account for every form supplied them.

I am, sir, your obedient servant,

The Auditor General.

WM. SMITH, *D.M.M. & F.*

### *Re* Fisheries Revenue—Overseer Legouvie's Returns.

AUDIT OFFICE, OTTAWA, June 3, 1895.

SIR,—Among the returns of fisheries revenue received a few days ago from your department, I find one from overseer John Legouvie, dated at Gaspé, December 17, 1894. This return covers collections made in June, amounting to \$189.50, and in July, amounting to \$163.50. According to your report, this officer's district extends about 140 miles along the north shore of the St. Lawrence, fronting on the County of Saguenay. He should be required to remit his collections more promptly.

Of the total collections for the two months, only \$174.48 has come to account. The balance, according to a memorandum on the return, is composed of Newfoundland bills I learn from the Deputy Minister of Finance, that these bills were never legal tender. I have to inform you that, so far as I am aware, there is no provision in any statute for a case of this kind. Collectors are responsible for the amount of their receipts, and the only acquittance I can accept is a deposit receipt from a bank, authorized to accept Government deposits.

I shall be pleased to learn what further action you have taken, or purpose taking, to have these receipts made good.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Acting Deputy Minister Marine and Fisheries.

MARINE AND FISHERIES DEPT., OTTAWA, June 26, 1895.

SIR,—In reply to your letter of the 3rd instant relative to overseer John Legouvie's collections on account of fisheries revenue, I beg to inform you that the circumstances connected with his acceptance of Newfoundland Bank notes in payment of license fees are fully explained and approved in the Minute of Council of the 14th February, 1895, and I have asked the Clerk of the Privy Council to furnish you a copy of the same.

I am, sir, your obedient servant,

The Auditor General.

JOHN HARDIE, *Acting D.M.M. & F.*

### *Re Overseer Dagneau's Returns.*

MARINE AND FISHERIES DEPT., OTTAWA, June 14, 1895.

SIR,—In reply to your letter of the 11th December, 1894, asking certain information with reference to a statement of collections for the month of June furnished by overseer J. T. Dagneau, I beg to state that this officer, on the 31st May, 1894, registered a letter to this department, and on being opened it was found that \$50 of the amount was missing; he was written to on 2nd June notifying him of the shortage and asking him if he was sure he inclosed the full amount. On the same day (June 2) a letter was written to Mr. F. Hawken, Post Office Inspector, giving him particulars, also inclosing the envelope and asking him to make inquiries.

On the 28th June Mr. Hawken wrote the department stating that there was no reason to suppose the letter had been tampered with in course of transmission.

On the 20th July, Mr. White, Deputy Postmaster General, wrote to the Minister, stating that it was the impression of the department's officials that the letters were tampered with after delivery to the department, and asking that the Minister give an interview to the Post Office Inspector, who would explain his reasons for arriving at the above conclusion.

The Inspector held an interview with the department on the subject, but it has not been established, so far as this department is aware, that the letter in question had been tampered with in this department.

I am, sir, your obedient servant,

The Auditor General.

JOHN HARDIE, *Acting D.M.M. & F.*

### *Re Overseer Catellier's Returns.*

MARINE AND FISHERIES DEPT., OTTAWA, June 14, 1895.

SIR,—In reply to your letter of the 11th December 1894 asking certain information about a return for the month of April 1894 sent to this department by overseer L. N. Catellier, of Tadoussac, I beg to state that on the 2nd May, 1894, this officer registered a letter to the department, purporting to inclose \$30, but which on opening was found to be \$10 short, containing but \$20 and on the 16th May 1894, he was written to and asked to remit the \$10 as soon as possible.

He answered this letter on the 22nd May, stating that he was fully satisfied that he sent \$30, and thought that he should not be held responsible, and also asked that the envelope be sent to him.

A reply was sent him dated 31st May 1894, telling him that the department could not give him credit for more than was received. The envelope was also inclosed, and he was requested to return it with his reply.

The correspondence ends here, and he has not answered the letter, but his attention has been called to the matter.

I am, sir, your obedient servant,

The Auditor General.

JOHN HARDIE, *Acting D. M. M. & F.*

---

AUDIT OFFICE, OTTAWA, June 20, 1895.

SIR,—I received yesterday your two letters of the 14th instant, in reply to mine of December 11th last, in reference to the shortages on the remissions of overseers Dagneau and Catellier.

You do not state whether there had been any reply received from Mr. Dagneau, to your letter of June 2, 1894, or that you had written him a second time, or what further action you had taken or proposed taking in reference thereto.

It would appear to require some explanation why this matter has not been followed up more promptly. Are these overseers in office yet, and have they accounted for the collections since made by them? Are they yet paid their salaries? Is it customary with your outside agents when remitting to make a memo of the bills, giving name of bank, number and amount? Is there any reason why they should not be required to have a witness, say the postmaster or some other reputable person, who would be able to certify that the amount specified in the letter was really inserted? Of course it is assumed that it is only when there is no bank in the neighbourhood and no money order office that cash should be remitted to the department.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Acting Deputy Minister Marine and Fisherier.

AUDIT OFFICE, OTTAWA, October 17, 1895.

SIR,—I have to remind you that I have not yet received any reply to my letter of June 20 last in reference to the shortages in the remittances of overseers Dagneau and Catellier.

I have to inquire what action has been taken in reference thereto.

I am, sir, your obedient servant,

The Deputy Minister of Marine and Fisheries.

J. L. McDOUGALL, *A.G.*

MARINE AND FISHERIES DEPT., OTTAWA, Jan. 16, 1896.

SIR,—I have to acknowledge the receipt of your letter of the 7th instant, asking for a reply to your communications of the 20th June and the 17th October last, in reference to the shortages on the revenue remittances of overseers Dagneau and Catellier.

In reply I beg to state that in both these cases the money was lost in transmission through the mails, and the most careful investigation has failed to throw any light upon the subject.

Overseer Catellier has forwarded a detailed statement in connection with his remittance, and the papers are now before Council.

The department has under consideration the sworn declarations of overseer Dagneau and his wife to the effect that they both counted the money several times and saw it placed in the envelope and registered.

Both these officers are still in office and their remittances have been received regularly both before and since this occurrence and have been found to be correct on every occasion.

It is not customary with collecting officers to forward a memo. of the numbers of the bank bills sent by them. They are, however advised, in the book of instructions to fishery officers, to have some reliable person to witness the placing of money in the envelope, and it is only when there is no bank or no money order office in the neighbourhood, that they remit cash to this department.

I am, sir, your obedient servant,

The Auditor General.

WM. SMITH, *D. M. M. & F.*

### **Re Fisheries Revenue, Overseer John Smith's Returns.**

AUDIT OFFICE, OTTAWA, June 3, 1895.

SIR,—On the 25th March last your Accountant deposited \$915.63 to the credit of the Receiver-General, of which \$66.27 was in acquittance of the collections of John Smith, overseer at New Carlisle, for the month of May, 1894. The return itself is

## Auditor General's Report—Part K

dated May 31, 1894, and in the column "How disposed of" are the words "Sent to the Department." There is no departmental stamp, mark or date, nothing in fact but the initials "E.W.G."

Overseers should be instructed to specify the date when they make a remittance and the departmental officer who examines the return and checks it with the licenses issued, should attach his certificate to the return.

I have to inquire when the amount of this return was received at the department, and an explanation of the delay in having it deposited.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Acting Deputy Minister Marine and Fisheries.

MARINE AND FISHERIES DEPT., OTTAWA, June 27, 1895.

SIR,—In reply to your letter of the 3rd inst., relative to fishery overseer John Smith's revenue returns, I beg to state that "E.W.G." are the initials of Mr. Gilbert of this department, who checks all revenue returns, and the amount now mentioned in your letter formed part of a return to this department which had all the required certificates attached thereto.

With regard to the delay in depositing Overseer Smith's remittance, I have to state that the P. O. Order covering the amount in question was inadvertently attached to the returns of Fishery Inspector R. L. Tupper, which were being held pending the receipt of certain information.

I am, sir, your obedient servant,

JOHN HARDIE, *Acting D.M.M. & F.*

The Auditor General.

### *Re Refunds and Charges against Fisheries Revenue.*

AUDIT OFFICE, OTTAWA, March 27, 1895.

SIR,—The refunds and charges against fisheries revenue so far during the present fiscal year amount to \$370.72. Of this amount \$554.50 is in refund of payments made during the year, \$128.50 in refund of over-payments made in 1891, and \$187.72 in payment of expenses of a seizure. I understand some of these refunds were in repayment of money forwarded for licenses which were not granted. For such cases departmental authority is all that is required.

It is different with the refunds made for overpayments in 1891. In such cases statutory authority is required. If these refunds were made under the authority of Chap. 29, Sec. 78, R.S., then the terms of that Act should be observed. I have to ask for full particulars in reference to these items, and why repayment has been so long delayed.

The only voucher furnished is a form for departmental backing for vouchers; the memo. on this form does not in all cases state when payment was made. I have to ask that all the papers shall be furnished, the application for the licenses, the report of the proper departmental officer stating reasons why license cannot be granted, &c.

The cheques should be issued in favour of the persons entitled to payment. In most cases you have issued them in favour of your agent, and no voucher is furnished to show that the money has reached the person who paid it.

On October 26, 1894, you issued cheque 4155 in favour of F. J. Smith, for \$15. This cheque was changed to read "credit of the Receiver General of Canada" and was deposited on Nov. 8th. The change should have been initialled by the maker. On that day the Bank of Montreal issued a receipt for \$217.92, of which \$70 was for account of F. J. Smith. On Nov. 9 another cheque—No. 4679 was issued in favour of F. J. Smith

for \$15. The voucher backing indicates that both these cheques were to return license fees to the same persons. I shall be glad to have an explanation.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Acting Deputy Minister Marine and Fisheries.

### *Re Unanswered Letters.*

AUDIT OFFICE, OTTAWA, January 7, 1896.

SIR,—The following letters, to which I have had no reply, will appear in the Audit Report now being prepared for Parliament :—

March 5, 1895, *Re Fisheries Revenue, Ontario licenses*; October 11, 1895, *Re Fisheries Revenue, Ontario licenses*; March 1, *Re Inspector Tupper's returns*; October 17, *Re Inspector Tupper's returns*; March 27, *Re refunds and charges*.

I am, sir, your obedient servant,

The Deputy Minister Marine and Fisheries.

MARINE AND FISHERIES DEPT., OTTAWA, Jan. 16, 1896.

SIR,—I have the honour to acknowledge receipt of your letter of the 7th instant, calling attention to a number of letters to which you have had no reply, and in reply I am to inform you that answers are being prepared to the different letters, and I hope in a short time to have them completed.

I am, sir, your obedient servant

The Auditor General.

WM. SMITH, D. M. M. & F.

MARINE AND FISHERIES DEPT., OTTAWA, Jan. 17., 1896.

SIR,—In reply to your letter of the 7th October and to your letter of the 23rd November last, I beg to inclose a detailed statement of all arrears due this department on the 30th June last.

I may mention that in the case of overseer F. J. Smith, the amount (\$25) was remitted by registered letter, but the envelope reached here without its contents. Mr. Smith made a full explanation of the circumstances connected with this remittance and the department is satisfied that he forwarded the amount and that no blame attaches to him for its loss. These officers have been called upon to remit without further delay the amounts due by them.

I am, sir, your obedient servant,

The Auditor General.

WM. SMITH, D. M. M. & F.

## Auditor General's Report—Part L

### Salary of Paymaster Forrest, Quebec.

MILITIA AND DEFENCE, OTTAWA, 19th April, 1895.

SIR,—With reference to your letters of the 30th April and 19th November, 1894, I beg to state that Lieut.-Colonel Forrest's salary was \$600. On the 29th November, 1893, an increase of \$400 was authorized by an Order in Council, to date from the 1st November, 1893, making it \$1,000. The balance, \$400, is made up by the usual allowances of \$200 paid to officers who are entrusted with the payment of our regimental depots, the Royal Military College and the Government Cartridge Factory, Lieut.-Colonel Forrest having to pay the regiment of Royal Canadian Artillery and Government Cartridge Factory.

I am, sir, your obedient servant,

C. EUG. PANET, *Colonel, D.M.M. & D.*

The Auditor General.

### Large Unexpended Appropriation Balances.

AUDIT OFFICE, OTTAWA, 23rd October, 1895.

SIR,—I have the honour to acknowledge the receipt of your letter of the 22nd inst., transmitting to this office statements of final appropriation accounts for 1894-95, of the Department of Militia and Defence.

The following cases require some fuller explanations than appear on your statement of the comparatively large unexpended balances at the close of the year, showing a great disparity between the amounts estimated for the services mentioned and the amounts as shown by the expenditure to have been actually required :

	Vote.	Balance unexpended.
Annual drill 1894-95 . . . . .	\$220,000 00	\$42,788 62
Militia and other stores . . . . .	66,700 00	15,400 60
Grants in aid of Artillery Associations and bands and military institutes . . . . .	37,000 00	2,325 00
Royal Military College . . . . .	70,000 00	5,431 06
Gratuities to officers Active Militia Staff placed on the retired list . . . . .	12,000 00	12,000 00
Sussex, N.B. : fitting up camp grounds . . . . .	1,500 00	1,500 00
New Westminster drill hall . . . . .	5,000 00	5,000 00

You should explain why the expectations of expenditure which you had at the time the appropriations were advised were not realized.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A. G.*

The Deputy Minister of Militia and Defence.

### Price of Wood Supplied to Military Buildings, Quebec.

AUDIT OFFICE, OTTAWA, 20th May, 1895.

SIR,—In connection with the provisions and supplies to the Artillery at Quebec, let me call your attention to G. B. Lawrence's accounts for wood supplied to the military buildings at that place to February 28th, 1895:

July . . . .	13 $\frac{1}{8}$	cords	at \$8 25	.....	\$ 108 28
Aug. . . . .	31	do	do	.....	256 36
Sept. . . . .	42	do 3 ft. 6 in.	do	.....	350 10
Oct. . . . .	111	do 7 ft. 6 in.	do	.....	923 49
Nov. . . . .	162	do 1 ft. 9 in.	do	.....	1,338 30
Dec. . . . .	101 $\frac{1}{8}$	do	do	.....	834 28
Jan. . . . .	124 $\frac{3}{8}$	do	do	.....	1,028 15
Feb. . . . .	134	do	do	.....	1,105 50

and to ask whether tenders were called for by public advertisement for the furnishing of this quantity of wood. Maple wood is purchased for the Quebec post office at the rate of \$6.66 per cord.

In view of the fact that there was paid to Louis Trudel to Feb. 28th, 1895, for hauling wood, &c., \$440 (114 days, at \$2; 53 days, at \$4) please let me know what are the conditions of Mr. Lawrence's contract, as to the delivering of the wood supplied by him.

I am, sir, your obedient servant,

J. L. McDOUGALL, A. G.

The Deputy Minister of Militia and Defence.

MILITIA AND DEFENCE, OTTAWA, 22nd May, 1895.

SIR,—In answer to your letter of the 20th inst., I have the honour to inform you that tenders for the supply of fuel wood at Quebec for the year 1894-95 were called for by public advertisements. Three tenders were received, and the contract given to the lowest tenderer. Herewith is a copy of Mr. G. B. Lawrence's contract.

I am, sir, your obedient servant,

C. EUG. PANET, *Colonel, D.M.M. & D.*

The Auditor General,

### Advantage not taken of the full discount allowed on Water Rates Account.

AUDIT OFFICE, OTTAWA, April 30, 1895.

SIR,—Let me call your attention to the account of the city of Toronto for \$146.67 for water rates on the Stanley barracks for the quarter ending December 31, 1894. This account, dated January 1, 1895, and due any time after December 31, was not paid until February 11, and a discount of only 40 per cent was obtained. There seems to be no reason why payment should not have been made before, and advantage taken of the full discount of 50 per cent allowed on such an account, if paid on or before January 31. Be good enough to explain.

I am, sir, your obedient servant,

J. L. McDOUGALL, A. G.

The Deputy Minister of Militia and Defence.

## Auditor General's Report—Part L

MILITIA AND DEFENCE, OTTAWA, May 30, 1895.

SIR,—In reply to your communication of the 30th ultimo, I have the honour to inform you that the delay in paying the account of the city of Toronto for water rates on the Stanley barracks was caused by the necessity of returning such account for verification and explanation, so that it was only on the 31st January that I could authorize the payment, and such payment could only be made in Toronto by the 2nd of February.

Cheque for \$123.47 (being the amount of the account with full 50 per cent discount) was sent to the City Treasurer in payment, on 2nd February, but was returned on the 4th, as being insufficient, only 40 per cent discount being allowed if paid after 31st January and before 10th February.

On the 7th February the account was again sent to me for authority to pay the corrected amount (\$146.67), and payment was made on the 11th.

I am, sir, your obedient servant,

The Auditor General.

C. EUG. PANET, *Colonel, D.M.M. & D.*

### Col. Bergin's advances unaccounted for—Books not obtained through Stationery Office—Advertising account not certified by Queen's Printer.

AUDIT OFFICE, OTTAWA, April 3, 1895.

SIR,—Let me call your attention to the following remarks on the expenditure made by your department against "Miscellaneous and Unforeseen Contingencies." The advances made by cheques 335 of September 7, and 902 of December 7, 1894, to Col. D. Bergin, M.P., M.D., Surgeon General, on account of travelling and personal expenses inspecting barracks and hospitals of permanent corps have not, among the vouchers I have received, been accounted for. A detailed statement of Col Bergin's expenses against the first advance should have been sent in before a second one was issued.

Cheques 426 and 664 issued to John Lovell & Son, of Montreal, and cheque 486 to Boulanger and Marcotte, of Quebec, were for directories which should have been purchased through the Stationery Office, Ottawa. The account of the latter contains one item dated May 25, 1892, and another dated May 23, 1893, each for a copy of a directory. As this account was paid on October 1, 1894, some explanation appears to be needed why these items were not presented for payment before.

The voucher supporting cheque 792 in favour of the Peterborough "Times" for \$60, for advertising "Tender for Clothing Supplies" is not certified by the Queen's Printer. I inclose voucher for the necessary certificate and copy of advertisement required in such cases.

I am, sir, your obedient servant,

The Deputy Minister, Militia and Defence.

J. L. McDOUGALL, *A.G.*

MILITIA AND DEFENCE, OTTAWA, April 9, 1895.

SIR,—In reply to the last paragraph of your letter of the 3rd instant, I have the honour to inform you that the account (\$60) of the Peterborough "Times," for advertising tenders for clothing, supplies, &c., was, by the Honourable the Minister, authorized to be paid upon Order in Council of 17th October last, copy of which is herewith inclosed. The voucher is now returned.

I am, sir, your obedient servant,

The Auditor General.

C. EUG. PANET, *Colonel, D.M.M. & D.*

AUDIT OFFICE, OTTAWA, April 17, 1896.

SIR,—I have your communication of the 9th instant, replying to the last paragraph of my letter of the 3rd, asking for the certificate of the Queen's Printer on the account of the Peterborough "Times" for advertising for tenders for clothing, supplies, &c., and that a copy of that advertisement be attached, stating that the account in question was authorized to be paid upon Order in Council of 17th October last, and inclosing copy of order.

The Order in Council of 17th October places the Peterborough "Times" on the authorized patronage list, after the advertisement was inserted in that paper and authorizes payment only so far as it removes that limitation.

Cap. 27 of the Revised Statutes requires that all accounts for advertising for the public service shall be audited by the Queen's Printer. The Order in Council referred to does not and cannot dispense with the requirements of an Act of Parliament providing for the audit of this and all other accounts for advertising in any paper. Please obtain the necessary certificate.

The copy inclosed by you is a copy of an advertisement in connection with the Royal Military College.

I am, sir, your obedient servant,

The Deputy Minister, Militia and Defence.

J. L. McDOUGALL, A.G.

MILITIA AND DEFENCE, OTTAWA, April 23, 1895.

SIR,—With reference to the first paragraph of your letter of the 3rd inst. I have the honour to state that a report has been asked from Dr. Bergin, Surgeon General, concerning the advances therein mentioned, and the same will be communicated to you as soon as received here.

With regard to the second paragraph of the same letter, I am to state that the directories bought from John Lovell & Son, of Montreal, and Boulanger & Marcotte, of Quebec, were obtained by means of requisitions approved at Ottawa after the usual way of purchasing articles for the use of the brigade offices in the various military districts.

It is true that the account of Boulanger & Marcotte came to me some time in September, 1894, for the first time, but I do not know why that firm did not demand payment at an earlier date.

The third paragraph of your letter, concerning advertisements for clothing supplies was answered by my letter No. 25391 of the 9th instant.

I am, sir, your obedient servant,

The Auditor General.

C. EUG. PANET, D.M.M. & D.

### Payment made after the Appropriation Accounts were closed.

AUDIT OFFICE, OTTAWA, November 13, 1895.

SIR,—I have your application of the 13th instant to repay the bank of Montreal, London, £9,444-1-5, amount paid to the Imperial Government for Lee-Metford rifles, by cheque of the High Commissioner against credit for £11,000.

Please state when the cheque was drawn. The appropriation was not available after the 31st of August, and cheques should therefore not have been drawn against the credit after that time. Was the High Commissioner so instructed by you?

I am, sir, your obedient servant,

Deputy Minister of Militia.

J. L. McDOUGALL, A.G.

## Auditor General's Report—Part L

---

MILITIA AND DEFENCE, OTTAWA, November 14, 1895.

SIR,—In reply to your letter of yesterday's date, I have the honour to state that the order for the purchase and payment of the Lee-Metford rifles was given long before the 31st August, and I have no doubt the cheque was drawn in good time but I cannot furnish the date.

I am, sir, your obedient servant,

The Auditor General.

C. EUG. PANET, *D.M.M. & D.*

---

AUDIT OFFICE, OTTAWA, Nov. 15, 1895.

SIR,—I have your letter in reply to mine of yesterday with reference to the payment for the Lee-Metford rifles.

I beg to remind you that it is not a question of the purchase of the rifles, but only of the payment. The cheque in payment could not have been drawn before August 31st, or before September 30th even, because we have had statements of all the cheques drawn before September 30th by the High Commissioner, and this particular payment is not in them.

I am, sir, your obedient servant,

The Deputy Minister, Militia and Defence.

J. L. McDOUGALL, *A.G.*

### Complete Vouchers to be Sent to Audit Office.

AUDIT OFFICE, OTTAWA, April 26, 1895.

SIR,—The vouchers forwarded with your requisition of the 23rd instant, for a warrant in favour of the Bank of Montreal, London, to cover cheques drawn by the High Commissioner to pay sundry claims against your department, are insufficient to fully authorize the expenditure, there being no certificates of any nature, and in two cases the receipts only being sent. As the expenditure has already been made, I am passing your requisition only on the understanding that complete vouchers be sent to this office at your earliest convenience.

I am, sir, your obedient servant,

The Deputy Minister of Militia.

J. L. McDOUGALL, *A.G.*

### Incomplete Vouchers in Connection with Piece Work, Cartridge Factory, Quebec.

MILITIA AND DEFENCE, OTTAWA, July, 8, 1895.

SIR,—I have the honour to transmit to you, herewith, the pay-lists of the government cartridge factory, Quebec, for the months of July, August, September, October, November and December, 1894, and January, February, March, April and May, 1895.

I am, sir, your obedient servant,

The Auditor General.

C. EUG. PANET, *D.M.M. & D.*

---

AUDIT OFFICE, OTTAWA, July 12, 1895.

SIR,—I have the honour to acknowledge the receipt of your letter of the 8th inst., transmitting to this office the pay-lists in duplicate of the piece work done in the Dominion cartridge factory for eleven months (July—May) of the fiscal year 1894-95. These pay-lists are incomplete vouchers, inasmuch as they do not bear any calculation showing the amount of work and rate of pay, or the receipts of the parties to whom the

money is paid. While books are kept in the office, giving names of operators, amount of work, &c., description thereof and amount of money received by each, as stated in the superintendent's letter of August 11, 1892, I see no difficulty in furnishing this office with a regular voucher, properly certified and receipted, in connection with this expenditure. I return herewith the pay-lists for completion.

I am, sir, your obedient servant,

The Deputy Minister of Militia.

J. L. McDOUGALL, *A.G.*

MILITIA AND DEFENCE, OTTAWA, 31st July, 1895.

SIR,—In returning to you, herewith, the pay-lists, in duplicate, of the piece work done in the Government Cartridge Factory for 11 months (July-May) 1894-95, inclosed in your letter of the 12th instant, I have the honour to state that the information required by you has already been furnished in a letter from the Superintendent of the Cartridge Factory, on the same subject, dated 28th April, 1890, transmitted to you with my letter No. 19043, of the 14th May of the same year.

I am, sir, your obedient servant,

C. EUG. PANET, *Colonel, D.M.M. & D.*

The Auditor General.

### Expenditure, Cartridge Factory, Quebec.

AUDIT OFFICE, OTTAWA, May 20, 1895.

SIR,—Let me call your attention to the following items of expenditure among the accounts of the Government Cartridge Factory, Quebec :—

July 11th, 1894, Wm. Dufour was paid \$35.80 as an advance for travelling expenses ; January 22nd, 1895, Major Prevost was advanced \$500 on account of travelling expenses to England. The Order in Council of February 6th, 1893, says that all such advances shall be accounted for within one month from the conclusion of the trip. This office has not as yet received the accounts of either advance.

Sept. 20th, 1894, an account of \$38 was paid to P. P. Giguere, plumber, Quebec, for repairing closets at the Superintendent's quarters. Please let me have your reasons for considering this a charge against the Cartridge Factory.

I have not received any of the piecework pay-lists for the present year. Please instruct Major Prevost to forward them to you if he has not already done so.

I am, sir, your obedient servant,

Deputy Minister of Militia and Defence.

J. L. McDOUGALL, *A.G.*

*Re Royal Military College Revenue.*

AUDIT OFFICE, OTTAWA, September 21, 1895.

SIR,—I have to inform you that in accordance with your application of the 19th instant, a cheque will issue in favour of Major Byron A. Weston for \$42, chargeable against Military College Revenue.

I am returning herewith the papers received with your application. The bank receipts for \$84 and \$42, you will of course forward to the Finance Department with your next return. I may add that under no circumstances should a bank receipt be held in the department. Once issued it must be entered up in the books of this office and the Finance Department regardless of any subsequent action found necessary. Not doing so promptly, leads to extra trouble and confusion with the bank accounts.

I am, sir, your obedient servant,

The Deputy Minister, Militia and Defence.

J. L. McDOUGALL, A.G.

*Re Arrears Due.*

AUDIT OFFICE, OTTAWA, October 9, 1895.

SIR,—In the return of rents collected in July and August last there appear deposits amounting to \$190, made by Capt. J. E. Curran, the proceeds of grass sold and rent of buildings on the military property at Annapolis, N.S., covering the following periods :—

Sales of grass, 1893, 1894 and 1895.....	\$ 82
Rent southern half of buildings from May 1, 1893, to August 1, 1895 .....	54
Rent of northern half of buildings from November 1, 1892, to August 1, 1895.....	54
Total .....	\$190

I have to inquire as to whom these receipts were paid previous to the dates mentioned. This I assume is the property for which you returned arrears due by J. B. Mills. What action has been taken to recover, either the arrears shown against Mr. Mills, or the actual amount paid by the occupants of the grounds? Have you decided that Mr. Mills is not responsible to you for the arrears of rent as given in previous statements?

I am, sir, your obedient servant,

The Deputy Minister, Militia and Defence.

J. L. McDOUGALL, A.G.

DEPT. MILITIA AND DEFENCE, OTTAWA, October 12, 1895.

SIR,—In reply to your letter of the 7th instant, I have the honour to inform you that the following arrears are due to this department, and have not yet been satisfied, viz. :—

- (a.) Balance of account of the late Lt.-Col. C. de Bellefeuille, district paymaster and superintendent of stores at Montreal. (Due since August 27, 1889.)... ..\$ 1,262 05
- (b.) Balance of account by the bankrupt estate of Beaudet & Chinic, of Quebec. (Final dividend was paid on July 21, 1892.).....\$ 438 16

I am, sir, your obedient servant,

The Auditor General.

C. EUG. PANET, Col., D.M.M. &amp; D.

## Auditor General's Report—Part L

---

AUDIT OFFICE, OTTAWA, October 17, 1895.

SIR,—I am in receipt of your letter of the 12th instant, in reply to my letter asking for a statement of all arrears due to your department.

I have to point out that you have not furnished any statement of the arrears due for rent of Government properties.

You give the balance due by the estate of Beaudet & Chinc as \$438.16. Did not the late Major Prevost guarantee the payment of this amount? Has any action been taken in reference thereto?

You stated in a former letter that the claim against the late Lt.-Col. C. de Bellefeuille was in the hands of the department. Why has nothing been collected?

I am, sir, your obedient servant,

The Deputy Minister, Militia and Defence.

J. L. McDOUGALL, A.G.

NOTE.—See letter to Treasury Board, page xxxv.

NORTH-WEST MOUNTED POLICE, OTTAWA, Nov. 26, 1895.

SIR,—In reply to your circular letter asking for a detailed statement of all arrears due on the 30th June last which have not been satisfied :—

1. By collecting officers.
2. By disbursing officers.
3. By persons not government officers.

I beg to say that :

1. We have no collecting officers.
2. All amounts have been accounted for by disbursing officers, except an item of \$1,000 advanced to Inspector C. Constantine for expenses in connection with the Police on duty in the Upper Yukon District. I am afraid we shall not receive vouchers covering the expenditure of this advance until April or May next, as there is no regular mail communication.

3. I am not aware of any money to be accounted for by persons not government officers.

I am, sir, your obedient servant,

The Auditor General.

FRED WHITE, *Controller.*

### Bagotville and Chicoutimi and Quebec—Delay in making Payment.

POST OFFICE DEPARTMENT, OTTAWA, October 24, 1895.

SIR,—I have the honour to acknowledge the receipt of your letter of the 21st instant, asking an explanation in the delay in making payment for the mail service between Bagotville, Chicoutimi and Quebec for the season of 1890. The payment for this service was authorized by Order in Council of the 27th of May, 1890, but the company demanded four thousand five hundred dollars for the service, the amount formerly paid, and declined to accept a less sum until last year, when, on a re-organization of the Richelieu Company, the new directors accepted the payment authorized.

I am, sir, your obedient servant,

The Auditor General.

WM. WHITE, *D.P.M.G.*

### Payment for Office at Quebec.

AUDIT OFFICE, OTTAWA, October 7, 1895.

SIR,—I beg to ask for explanation of two payments made during last year amounting to \$45.25 to Geo. Bacon, for care of the Minister's office at Quebec. Do these payments cover only the time during which the Minister occupied the office in question or is Mr. Bacon, in permanent charge as a caretaker having regular daily duties in this respect the year round? I would call your attention to the fact that during the whole of last year Mr. Bacon was paid as a labourer in connection with the Militia Department, and was also, I think, paid for occasional services in connection with the Governor General's Quarters at the Citadel.

In these latter capacities he has signed the pay-list "B. G. Bacon," but the handwriting is apparently by the same person. One of the vouchers sent by your department is signed by himself, and the other by form of mark "X."

The Minister's office is, I presume, in a Dominion building.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

POST OFFICE DEPARTMENT, OTTAWA, October 16., 1895.

SIR,—I have the honour to acknowledge the receipt of your letter of the 7th instant in which you ask for an explanation of the payments made during the last year, amounting to forty-five dollars and twenty-five cents, to George Bacon for the care of the Minister's office in Quebec.

In reply, I beg to explain that the payment is made to Mr. George Bacon for taking care of an office which is situated in the Brigade Office in Quebec. This office is used by any of the Federal Ministers who may happen to be in town, but mostly by the Postmaster General. Mr. Bacon goes there regularly to see that the office is properly kept and, when the Ministers are in town, to make fires and so on, and it does not seem therefore that an allowance of twenty-five cents a day for such service is out of the way.

I am, sir, your obedient servant,

The Auditor General.

WM. WHITE, *D.P.M.G.*

### Transferred at an Increased Salary Contrary to Statute.

AUDIT OFFICE, OTTAWA, August 1, 1895.

SIR,—I beg to call your attention to the rate at which Superannuation deduction has been made from the salary of R. J. Daigle, a railway mail clerk of the New Brunswick Division. It appears from the information in this office that Mr. Daigle resigned his position as railway mail clerk on June 30, 1893, and was appointed sub-collector of customs at Woodstock, N.B., on the following day. His salary at the time of his resignation was \$520 per annum, and the salary attached to his new position was only \$500 per annum. In both positions he paid superannuation deduction. The last salary payment I find in his favour as Customs officer is for August, 1894. By Order in Council of August 1, 1894, he was reappointed railway mail clerk at \$520 per annum, but according to the Inspector's pay-lists he did not report for duty until October 1 following, and accordingly was paid from that date. There is no record of any salary payment for September, 1894.

In view of these circumstances it seems clear that Mr. Daigle's return to the service of the Post Office Department was by a new appointment, and in consequence he is now subject to the provisions of the Civil Service Superannuation Act as amended by 56 Vic., chap. 12. The object of dealing with the case in this manner instead of by transfer under section 46 of the Civil Service Act was apparently to enable the department to pay him at the rate of \$520 per annum, the salary he was receiving at the time of his resignation in June, 1893.

I shall be glad if you will give this matter your early attention so that the arrears of deduction may be deposited in time to enter into the transactions of the fiscal year 1894-95 to which they belong.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, September 12, 1895.

SIR,—I wrote you on the 1st August last with reference to the superannuation deduction which should be made from the salary of R. J. Daigle, who was reappointed to the postal service in the province of New Brunswick in August, 1894, but have not yet received any communication from you on the matter.

I shall be glad if you will cause the necessary amount to be credited to Superannuation Revenue No. 2 as soon as possible, so that the transaction may enter into last year's account to which it properly belongs.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

## Auditor General's Report—Part N

---

POST OFFICE DEPARTMENT, OTTAWA, Sept. 13, 1895.

SIR,—With reference to your letters of the 1st ultimo and the 12th instant, respecting the amount to be deducted for superannuation from the salary of Mr. R. J. Daigle, a railway mail clerk in the New Brunswick division, I observe you take the position that Mr. Daigle's return to the service of the Post Office Department was by a new appointment. It does not, however, appear to me that Mr. Daigle's return to the railway mail service was a new appointment, inasmuch as he was never out of the service. He was appointed a sub-collector of customs by Order in Council of June 15. He did not resign his appointment as a railway mail clerk until July 1, 1893. He continued in the customs service until Aug. 1, 1894, when he was reappointed a railway mail clerk at the same salary as he had when he left the post office service, on July 1, 1893. His resignation of his position of sub-collector of customs was approved by His Excellency on September 11, 1894. It is very true that he did not report for duty in this department until October 1, but he was to all intents and purposes an officer of the department from the date of his reappointment on August 1, 1894. He remained with the customs until October, to suit the convenience of that department, and was, I understand, paid by them out of the contingencies. We, of course, could not pay him until he resumed duty, but he was absent on leave without pay.

I am, sir, your obedient servant,

WM. WHITE, *D.P.M.G.*

The Auditor General.

---

AUDIT OFFICE, OTTAWA, Sept. 19, 1895.

SIR,—I beg to acknowledge the receipt of your letter of the 13th instant, with reference to the case of R. J. Daigle, a railway mail clerk in the New Brunswick postal division. I find from vouchers recently sent me by the Customs Department, that the employment of Mr. Daigle in the customs service at Woodstock was continued until September 30, 1894, his salary for that month having been paid from contingencies, but no superannuation deduction was made therefrom. In view of his continuous employment, it seems to me his resumption of duty in the postal service should have been by transfer, under section 46 of the Civil Service Act. Under this section you will observe that a transfer must be made without increase of salary, so that Mr. Daigle should now be called upon to refund the amount overpaid him to date—his salary having been increased at the time of transfer, from \$500 to \$520—and to pay the necessary superannuation deduction for the month of September. It will not then be necessary to increase the rate of superannuation deduction.

I am, sir, your obedient servant,

J. L. McDOUGALL, *A.G.*

The Deputy Postmaster General.

---

POST OFFICE DEPARTMENT, OTTAWA, Sept. 20, 1895.

SIR,—I have the honour to acknowledge the receipt of your letter of the 19th inst., with respect to the salary paid to Mr. Daigle, who was transferred from this department to the customs, and subsequently retransferred to this department, I observe that you say that Mr. Daigle's salary was increased from \$500 to \$520 at the time of his transfer, but I beg to point out that Mr. Daigle's salary was increased under the provisions of the Civil Service Act, from \$480 to \$520 a year on July 1, 1892, and he therefore was in receipt of a salary of \$520 a year from this department at the time of his transfer to the customs, and he therefore was paid the same salary on his re-transfer to this department as he had been previously receiving.

I am, sir, your obedient servant,

WM. WHITE, *D.P.M.G.*

The Auditor General.

AUDIT OFFICE, OTTAWA, September 21, 1895.

SIR,—In reply to your letter of the 20th instant, with further reference to the case of Mr. Daigle, I beg to say that in my opinion the transfer in question should have been made without increase in the salary he was receiving at the time such transfer was authorized. The fact that at some previous time he was in receipt of a higher salary does not, as I interpret section 46 of the Civil Service Act, entitle him to exceptional treatment in this respect.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

### Expenses for other than City Post Offices.

AUDIT OFFICE, OTTAWA, October 9, 1895.

SIR,—I beg to bring to your notice the expenditure made during last year from post office miscellaneous for post offices at Brockville, Owen Sound and Peterboro'. The expenses incurred include scrubbing, laundry, brooms and furnishings.

As these offices are not city post offices, should not expenses of this nature be defrayed by the postmasters from their allowances from revenue the same as at all other country post offices? Please explain.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

POST OFFICE DEPARTMENT, OTTAWA, October 9, 1895.

SIR,—I have the honour to acknowledge the receipt of your letter of the 9th instant in which you call attention to certain expenditure made during the last year on account of the post offices at Brockville, Owen Sound and Peterboro', and you go on to remark "that, as these offices are not city post offices, should not the expenditure which has been incurred be defrayed by the postmasters of the offices in question?"

I beg in reply to inform you that the Postmaster General has decided to change the basis upon which the remuneration of the postmasters of certain of the large town post offices is calculated by substituting a fixed annual salary for an allowance based on a fluctuating revenue. The department therefore pays all the contingent expenses of the office, the postmaster receiving a fixed salary without any other allowances whatever.

I am, sir, your obedient servant,

The Auditor General.

WM. WHITE, *D.P.M.G.*

### Orders in Council not Received.

AUDIT OFFICE, OTTAWA, April 9, 1895.

SIR,—I wrote you some time ago asking that the authority of the Governor in Council be sent me for the transfers that had taken place during the fiscal year 1893-94 with respect to several of the inspectors' divisions in the province of Ontario.

I beg to inform you that the necessary Orders in Council in regard to these transfers have not yet been sent me.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, July 15, 1895.

DEAR COL. WHITE,—I have written you several letters pointing out that the Orders in Council for appointments, promotions, increases of salary, and other changes which have taken place in the outside service of the Post Office Department in 1893-94 and 1894-95, have not reached this office. I have not received the orders since, and I have not heard from you on the subject. Will you be good enough to say whether you have taken steps to cause the office to be supplied with these Orders in Council. I shall be obliged by an early reply.

Yours sincerely,

J. L. McDOUGALL, A.G.

The Deputy Postmaster General.

POST OFFICE DEPARTMENT, OTTAWA, July 19, 1895.

MY DEAR MR. McDOUGALL,—In reply to your letter of the 15th respecting the Orders in Council for appointments, promotions, increases of salary, &c., in the outside service of this department, I beg to say that we have been very much pressed, and as your request involved a careful examination of our establishment book, and took a considerable time, the matter has been somewhat delayed. I have, however, now sent over a requisition to the clerk of the Privy Council for copies of the orders in question, of which I find there are nearly a hundred.

Yours faithfully,

WM. WHITE.

The Auditor General.

### Provisional Allowance.

AUDIT OFFICE, OTTAWA, July 18, 1895.

SIR,—I beg to inform you that I have not received the authority of the Governor in Council for the various payments that were made during the fiscal years 1894-95 for provisional allowance to the Post Office employees in Manitoba and British Columbia. Please let me know if the disbursements made from the appropriation for this purpose were authorized by Order in Council or merely under departmental instructions.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

The Deputy Postmaster General.

POST OFFICE DEPARTMENT, OTTAWA, July 18, 1895.

SIR,—I have the honour to acknowledge the receipt of your letter of the 18th instant asking whether the provisional allowance to post office employees in Manitoba and British Columbia was paid under the authority of an Order in Council or departmental instructions, and I beg in reply to say that the payment was made under the instructions of the Postmaster General.

I am, sir, your obedient servant,

WM. WHITE, D.P.M.G.

The Auditor General.

AUDIT OFFICE, OTTAWA, July 20, 1895.

SIR,—I have the honour to acknowledge the receipt of your letter of the 18th inst., in which you state that the provisional allowances paid to certain post office employees in Manitoba and British Columbia during the fiscal year 1894-95 were not authorized by the Governor in Council, but paid under instructions from the Postmaster General.

I find from the paylists sent me that the payments made from the appropriation for this purpose were not general, being confined to certain districts and individuals in the localities mentioned in the estimates. For example, the railway mail clerks of the Manitoba district were granted allowances equal to ten per cent of their statutory salaries, while no allowance was made to similar employees in the British Columbia district. Now, in my opinion, it is for the Governor in Council and not the department to

discriminate in this respect and to determine the class of individuals who are to share in the benefit of the appropriation provided for these allowances, and to determine also the basis upon which such allowances are to be calculated.

I trust you will not make any further payments until the matter has been decided by Council.

The Deputy Postmaster General.

I am, sir, your obedient servant,

J. L. McDOUGALL, A.G.

### Increased Rate to Canadian Pacific Railway, not Authorized by Order in Council.

AUDIT OFFICE, OTTAWA, November 2, 1895.

SIR,—I beg to bring to your notice the change made in the rate of payment for carrying the mails over the Canadian Pacific Railway between Smith's Falls and Montreal during the fiscal year 1894-95.

One semi-daily service which had been paid for at the rate of \$250 per month was paid during the quarter ended September 30, 1894, at the rate of 8c. per mile. Was this change authorized by the Governor in Council?

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPARTMENT, OTTAWA, November 6, 1895.

SIR,—I have the honour to acknowledge your letter of the 2nd instant, in which you bring to my notice the change made in the rate of payment for carrying the mails over the Canadian Pacific Railway between Smith's Falls and Montreal during the fiscal year 1894-95.

With reference to the semi-daily service to which you refer, the payment of two hundred and fifty dollars a month was a special payment for a temporary service authorized by the Postmaster General; the rate of eight cents per mile is the ordinary rate paid to all railways running post office cars with clerks in charge where no special agreement exists, and as it is sanctioned by the general Order in Council, which, as I said above, is applicable to all railways, there seemed to be no necessity to get a special Order in Council. This in fact would be impracticable in the great majority of cases because changes in the running of trains constantly involve a change in the description of Mail Service, of which we have usually but two or three days' notice, and for that reason a general scale was established which could be applied to the varying descriptions of the service as occasion might require.

I am, sir, your obedient servant,

The Auditor General.

WM. WHITE, D.P.M.G.

AUDIT OFFICE, OTTAWA, November 8, 1895.

SIR,—With reference to your letter of the 6th inst., in explanation of the increased rate at which payment was made to the Canada Pacific Railway for the carriage of the mails between Smith's Falls and Montreal, I beg to call your attention to my letter of November 5th, 1894, published in the report of this office for the year 1894 at page M—58.

You will notice that I called your attention in this letter to the fact that the Post Office Act, "was passed in its present form in 1886, whereas the Order in Council which you quote in your letter of September 8, is dated April 8, 1865, and consequently is not based on the Act of Parliament now governing the contracts in question." I have not received your answer to this letter.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

### Re Rents of Letter Boxes.

AUDIT OFFICE, OTTAWA, April 30, 1895.

SIR,—Statements of the revenue collected at the city post offices for rent of letter boxes, &c., during the September quarter of 1894, reached this office a few days ago. Please explain why some of the rents are refunded. The counterfoils of the receipts issued are not furnished, and without them it is not possible to make any effective audit.

The returns should be certified specifically as to the following points:—(1) that the proper fee was collected for all boxes used; (2) that the statement is a full and correct account of all fees collected; (3) that the receipts were deposited to the credit of the Receiver General in accordance with the Treasury regulations.

I have to request you to send me a list of all postmasters authorized to retain fees collected by them, and the statements of these collections furnished. If no statements are furnished, I have to request you to direct the postmasters to do so. Though the Treasury Board has decided that the Postmaster General has authority to allow certain postmasters to retain the fees, the statements of these collections should be furnished, in order that a correct account may be shown of the remuneration of postmasters.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPARTMENT, OTTAWA, July 9, 1895.

SIR,—I have the honour to inform you that, in compliance with your letter of the 30th April last, I have this day furnished you with the counterfoils of the receipts for rent of letter boxes at city post offices during the September quarter, 1894. Those for December quarter, 1894, and March quarter, 1895, will follow in a few days.

In reply to that part of your letter of the above date which requests an explanation as to the refunding of some of the box rents, I beg to say that the lessee of a box is

obliged to pay the rent in advance every quarter, with the understanding that if he should wish to give up the box before the quarter expires, the rent for the unexpired portion of the lease will be refunded to him. These are the only circumstances under which refunds are made.

No statements have hitherto been furnished to this department showing the fees collected for rent of boxes by postmasters who are authorized to retain them, but arrangements have now been made by which the information required will be supplied from the 1st July instant. All returns from that date will be certified as suggested in your letter above quoted.

The Auditor General.

I am, sir, your obedient servant,

WM. WHITE, *Dep. P.M.G.*

### *Re Stamp Branch.*

AUDIT OFFICE, OTTAWA, May 10, 1895.

SIR,—The sum of \$2,095.60 was expended during 1893-94 for the redemption of postage stamps. This amount was paid to 69 persons or firms, out of which the sum paid to 30 only amounted to \$73.38. I understand the present practice is to redeem all stamps received, less 5 per cent discount, and that they are furnished in such loose shape that you find it necessary to have them counted by one clerk and recounted by another. When the clerk from this office goes to your department to make a test audit and assist at the burning of the stamps, he has again to count the stamps in such of the packages as he tests.

Is there any reason why redemption should not be limited to quantities of not less than 100 and multiples of 100; and in the case of stamps that they should be attached to a sheet of paper in quantities of 100, 10 square?

A considerable saving of work both for your department and this office would thereby be effected and no great hardship imposed on the public having stamps to redeem.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

AUDIT OFFICE, OTTAWA, November 26, 1895.

SIR,—A quarterly statement is regularly furnished to this office by the Stamp Branch of your Department, in which is stated the quantity of each class of stamps and cards on hand.

I have to inquire how often this statement is verified by an actual stock-taking. If informed, I will send a clerk to be present when stock is next taken.

I have not received any reply to my letter of May 10th last, in which I made certain suggestions in reference to the redemption of stamps with the view of lessening the work entailed, both on your staff and on the clerk sent from this office to make a test audit. Please let me know what action has been taken in reference thereto.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

POST OFFICE DEPARTMENT, OTTAWA, November 28, 1895.

SIR,—I have the honour to acknowledge the receipt of your letter of the 26th inst., respecting the statements furnished to your office by this Department in connection with the issue of postage stamps, and I beg in reply to transmit herewith a memorandum from the officer in charge of the Stamp Branch which will, I believe give you the information you ask for.

I am, sir, your obedient servant,

The Auditor General.

WM. WHITE, *D.P.M.G.*

## Auditor General's Report—Part N

### Memo. for the Deputy Postmaster General.

POST OFFICE DEPARTMENT, OTTAWA, November 27, 1895.

With regard to the letter of the Auditor General dated the 26th inst. respecting, (a) the frequency with which the quarterly stamp statement furnished to his office is verified by actual stock-taking and,

(b) his reference to certain suggestions made in a previous letter on the subject of the redemption of stamps, the Deputy Postmaster General is respectfully informed :

(1st.) At the end of each quarter the Accountant takes stock, and checks the balance on hand. He also checks the number of stamps received from the manufacturer. From the weekly statement of this Branch, and the accounts received from Postmasters, he checks by comparison the value of stamps issued to Postmasters, the value of damaged stamps received back from them and destroyed by the Auditor General, and the value of available stamps received from Postmasters and put in circulation. There is thus a check applied by the Accountant to the stock taking each quarter by this Branch.

Quarterly, also, the Branch prepares for the Auditor General a statement of the value of stamps issued to each Postmaster. This is accompanied by a copy of the balance sheet prepared by this Branch, verified by the Accountant, and signed by the Deputy Postmaster General and the Superintendent of the branch.

(2nd.) The suggestions to which the Auditor General refers viz. : the limitation, in the case of the redemption of postage stamps, to quantities of not less than one hundred and multiples of a hundred, and the placing on sheets of paper of such stamps in quantities of one hundred (ten square) : the practice of this branch has been with reference to the first suggestion to fix the minimum of stamps or cards to be redeemed at \$2.00 ; while as to his second suggestion, that, since his letter of 10th May last was received, has been carried out.

Stamps are now attached to sheets of paper in the quantities and manner he suggests.

E. P. STANTON, *Supt.*

### *Re Transit Postage.*

AUDIT OFFICE, OTTAWA, March 30, 1895.

SIR,—Referring to your application for a payment to the Postmaster General of the United States for balance due on transit postage account for 1893 and 1894, I have to request you to send me all the papers in reference thereto, including the accounts. Why was the balance due for 1893 not paid before this? I observe that the amount paid for 1892 was only \$28,864.05.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

POST OFFICE DEPARTMENT, OTTAWA, April 3, 1895.

SIR,—I beg to acknowledge receipt of your letter of the 30th ultimo, in reference to an application from this department for a draft in favour of the Postmaster General of the United States, for the balance due by this country on transit postage account for the years 1893 and 1894, in which you ask as follows, viz. :—

1st. That you be sent all the papers in reference thereto, including the accounts.

2nd. Why the balance due for 1893 was not paid before this?

In reference to the first, I beg to say that the general account is prepared from four other accounts, two in favour of each administration, and that, as this department is only in possession of one copy of each, and, as these copies are required in the preparation of statistical statements that will have to be furnished to the director of the International Bureau at Berne, it is not thought well to part with the originals, and I have therefore caused copies to be prepared and herewith inclosed. The original

accounts are open to the inspection of any officer of your department who may be detailed for that purpose.

I may say for your information that, by the convention of Vienna the statistics of November, 1893, were made applicable to the years 1893 and 1894, and to the last six months of the year 1892.

The payment made for the year 1892 was, therefore, provisional in respect to the last half year, and subject to revision under the new statistics, and the balance has been so adjusted in the general account.

With reference to question No. 2, I have to say that the circumstances are the same as in 1888, and the explanations then given by the late financial comptroller hold good in the present case. A copy of his letter of the 5th November, 1888, is herewith.

The Postal Union Act provides for the settlement of accounts on the basis of statistics taken every three years, alternately in the months of May and November. It is apparent that when November is the statistical month, a settlement of accounts cannot be effected till many months after the close of the year to which they relate, particularly if some of the forms, relative to the weights of correspondence, are lost in transit, and have to be duplicated, &c.

The general account was dispatched from Washington on the 22nd March, 1895, and the application for the draft was made on the 29th of the same month. It does not appear, therefore, that there has been any unnecessary delay on the part of this department.

I am, sir, your obedient servant,

The Auditor General.

WM. WHITE, *D.P.M.G.*

POST OFFICE DEPARTMENT, OTTAWA, 5th November, 1888.

SIR,—Your letter of the 3rd instant asks for an explanation, why the settlement of postal accounts with the United States, in respect of the draft asked for in my letter of 2nd instant, to cover United States transit charges, from 1st April, 1886, to 31st December, 1887, “has been so long delayed, well on to two years.”

I may say, first, that ten months only, and not two years, have elapsed since the close of the period to which payment in question applies,—and secondly, that these transit charges are based by the terms of the Universal Postal Union, on periodical statistics—the last of which statistics were taken in November, 1887—that the results arrived at are retro-active in their operation so as to cover the period to the next statistical period antecedent; that the charges arising out of these statistics are more or less complex and require time for adjustment, and that, an arrangement being come to, the beneficiary country, in all cases, prepares and renders the account.

The United States, in this instance, was the beneficiary country, and, on the 10th October, 1888, prepared the account, which formed the subject of your inquiry, so that there has not been, as you will perceive, any undue delay in effecting a settlement with the United States of postal transit charges from 1st April, 1886, to 31st December, 1887.

I am, sir, your obedient servant,

The Auditor General.

J. C. STEWART, *Financial Comptroller.*

AUDIT OFFICE, OTTAWA, April 5th, 1895.

SIR,—I have received your letter of the 3rd inst., with the statements relative to your application of March 29th.

You refer to the convention of Vienna. Could you let me have a copy of the proceedings at that convention, and the regulations amended thereby?

You state that the account for the last six months of 1892, has been adjusted on the basis of the statistics of November, 1893. Please explain, why the credit for closed mails is only 1650.50 francs, instead of 4743.51 francs, one-half of the amount credited

## Auditor General's Report—Part N

for 1893; why the weights taken in November, 1893, are multiplied by 13; why the charge Montreal to Paris and Havre is only 2 francs, while the charge Montreal to London is 7 francs.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPARTMENT, OTTAWA, 9th April, 1895.

SIR,—I beg to acknowledge receipt of your letter of the 5th inst., on the subject of the application of this department for a draft, in favour of the Postmaster General of the United States, in payment of the balance due that country on transit postage account to the 31st December, 1894, in which you ask certain questions which I will answer in the order in which they are given, viz.: 1st. You ask for a copy of the proceedings of the convention at Vienna. This was sent you on the 6th inst., and, as it is the only copy furnished this department, I will thank you to return it. 2nd. In reference to the amount claimed by this country for transit charges on closed mails for the six months ended 31st December, 1892, I have to inform you that the sea postage for conveyance of mails from Halifax to St. John's was paid by the United States to Newfoundland up to the 31st December, 1892, and is payable to this country from the 1st January, 1893, forward, as agreed upon between the post office departments of Newfoundland, the United States and Canada. In this connection I beg to point out that the amounts are in francs, not dollars as stated in your letter.

3rd. The weights are multiplied by 13 because the statistics are taken for 28 days (four weeks), and in order to arrive at the amount for one year (52 weeks) it is necessary to multiply by that number.

4th. The charges on the mails for the United Kingdom are 7 francs per kilo. for letters, because the United States is entitled to both territorial and maritime transit, while in the case of the mails for Paris and Havre, to which you refer, they are entitled to territorial transit only. The mails being conveyed from New York by the French line of steamers, for which the French postal department receives five francs per kilo.

I am, sir, your obedient servant,

The Auditor General.

### *Re Sale of Waste Paper.*

AUDIT OFFICE, OTTAWA, May 17, 1895.

SIR,—In the return for the quarter ended September 30, 1894, of items transferred to casual revenue, there appears the sum of \$8.76 from the inspector at Barrie. The letter of the inspector remitting this deposit, states that it is the proceeds of the sale of 8,765 lbs. waste paper, at 10 cents per 100 lbs., that had accumulated prior to December 31, 1890. It is not stated what has been done with the accumulations since that date.

Is there any reason why there should not be some return from all the city post offices?

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPARTMENT, OTTAWA, May 17, 1895.

SIR,—I have the honour to acknowledge the receipt of your letter of the 17 inst. respecting the sale of waste paper and inquiring why there should not be a return of such sales from all city post offices.

In reply I beg to state that a short time since an inquiry was made at the different city post offices with regard to this matter, and the Postmaster General was informed

that waste paper, was simply unsalable; and that it had to be destroyed in order to prevent danger from fire to the post office buildings. You will readily understand that as the waste paper, in a city post office is all mixed up with pieces of string and sealing wax, and is usually rather dirty, the trouble of preparing it for re-manufacture would in most cases exceed its value when so prepared.

I am, sir, your obedient servant,

The Auditor General.

### *Re Refund of Contents of Registered Letters Lost.*

AUDIT OFFICE, OTTAWA, June 26, 1895.

SIR,—I have to ask for further information as to the following payments made in refund of contents of a registered letter lost at St. Malo, Quebec, in October, 1894:—Cheque 846, December 15, 1894, in favour of Gendron Denault & Co. for \$16; and cheque 847, December 17, 1894, in favour of R. W. Burn for \$7. A memo. on the receipt furnished refers to the report of the inspector, Sherbrooke No. 239, November 12, 1894. A copy of this report should be furnished.

Please let me know the authority on which this payment was made.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

POST OFFICE DEPARTMENT, OTTAWA, July 11, 1895.

SIR,—I beg to acknowledge the receipt of your letter of the 26th ultimo., asking an explanation of the issue by this department of two cheques in repayment of the contents of two lost registered letters, and to inform you in reply that the letters in question disappeared in the St. Malo (County of Compton, P.Q.) post office under circumstances which justified the Post Office Inspector of the Sherbrooke division in calling upon the postmaster to make good the amounts they contained, which he did.

The inspector, instead of holding the money, which was private property, and in no sense public revenue, subject to the Postmaster General's instructions as to its disposal, deposited it to the credit of the Receiver General in the Eastern Townships bank at Sherbrooke, as you will see by referring to list No. 128, receipt No. 742.

The cheques to which you have called attention were therefore issued to repair an error made through inexperience by a recently appointed inspector, and did not strictly involve any payment out of revenue.

I am, sir, your obedient servant,

The Auditor General.

WM. WHITE, *D.P.M.G.*

AUDIT OFFICE, OTTAWA, July 12, 1895.

SIR,—I am in receipt of your letter of the 11th instant, stating that the inspector had deposited the money in question to the credit of the Receiver General, and that the refunds made in December last did not strictly involve any payment out of revenue.

There was nothing on the voucher furnished to indicate that the contents of the letter lost had been recovered and deposited, and the report of the inspector was not furnished. This case emphasizes the necessity of having all the papers in connection with these refunds furnished to this office.

### *Re Post Office Account.*

AUDIT OFFICE, OTTAWA, October 24, 1895.

SIR,—I have received your application of the 18th instant for an entry warrant crediting post office account 1894-95, and debiting that account in 1895-96 with the sum of \$96,455.19.

As this is the first time that an adjusting entry of this nature has been asked for, I have to request you to let me know the reason why it is now necessary, and the object you have in view.

I may say that it would be much more satisfactory if each year's accounts should be as nearly closed up as possible, so that the balance appearing at the credit of the account in balance sheet should represent the money orders issued in the year and outstanding, say August 31st of the following year, and that a statement of them should be furnished.

I shall be glad to have your reply as early as possible, as it is proposed to close last year's accounts on October 31st.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPARTMENT, OTTAWA, November 2, 1895.

SIR,—I have the honour to acknowledge the receipt of your letter of the 24th instant, asking for certain explanations with reference to the application for an entry warrant crediting post office account, 1894-95, and debiting that account in 1895-96 with the sum of \$96,455.19, and suggesting that it would be more satisfactory if the balance appearing each year to the credit of the account should represent the money orders issued during the year and outstanding on the 31st August of the following year, and that a statement of these orders should be furnished.

In reply, I beg to say that the transfer in question was applied for with the object of showing in the balance sheet of the Finance Department for the 30th June last the true balance of cash to the credit of post office account, as proved by the books of this department. This balance is \$248,212.28, and is chiefly made up of cash required to pay money orders issued on or before the 30th June remaining unpaid on that day.

It would not be practicable to close up the accounts, as you suggest, so that the balance should represent only the orders outstanding after the 31st August. The manner in which the money order accounts are kept will not permit any division of the outstanding orders, as would be required if it became necessary to ascertain the amount of orders belonging to the previous year paid during the months of July and August of the following year.

The money order branch is now preparing a full statement of all the orders outstanding on the 30th June last, and expect to have it completed about the end of December.

I am, sir, your obedient servant,

The Auditor General.

### Postage Stamps Burnt and Stolen.

AUDIT OFFICE, OTTAWA, June 26, 1895.

SIR,—Referring to previous correspondence in connection with reimbursements to postmasters for stamps burnt and stolen, I regret to have again to call your attention to the insufficiency of the vouchers furnished. Neither the certificate of the Inspector nor a copy of the Order in Council are furnished. Is there any reason why the vouchers which you state are sent to Council could not be returned to you and furnished to this office, with the receipt of the postmaster which is all we now receive?

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPARTMENT, OTTAWA, July 9, 1895.

SIR,—In reply to your letter of the 26th ultimo., respecting reimbursements to postmasters for stamps burned and stolen, I do not see any objection to your being supplied with a copy of the Order in Council authorizing the credit, in fact, it seems only proper that you should have this. The vouchers sent to the Council are the declaration of the postmaster and the certificate of the Inspector, and as these are the documents upon which the Order in Council is based, they form necessarily part of the order, and I do not see how we could ask for their withdrawal as without them, the Order in Council would be unintelligible.

I am, sir, your obedient servant,

The Auditor General.

WM. WHITE, *D.P.G.*

AUDIT OFFICE, OTTAWA, July 12, 1895.

SIR,—I note the opinion expressed in your letter of the 9th instant that a copy of any Order in Council authorizing a disbursement to cover stamps burnt or stolen, should be sent to this office, and I assume you will take the necessary action to have this done in all future cases.

It is not clear to me why the vouchers in reference to each case, sent to Council with your application, cannot be returned when the Order in Council is passed.

The Audit Act calls for, and the practice has always been to furnish vouchers for all payments, though many are made under authority of an Order in Council. No doubt these vouchers would be returned if so requested. I have to ask further consideration of this matter.

I am, sir, your obedient servant,

The Deputy Postmaster General.

SIR,—I have the honour in reply to your letter of the 12th instant respecting certain losses by fire, burglary, &c., to inclose a memorandum from the accountant of this department in explanation and I should be glad to be advised as to the course which you think had better be followed in the cases referred to, and especially in those in which money was stolen in transit.

### Memorandum for the Deputy Postmaster General.

POST OFFICE DEPT., OTTAWA, November 18, 1895.

With reference to the letter from the Auditor General of the 12th inst., requesting explanation as to certain charges against revenue, which appear in the statement of losses by fire and burglary, etc., dated 28th October last, I beg to give the following information :—

Postage stamps destroyed by fire at Keith, Ontario, 7th April, 1886 .....	\$18 00
--	---------

The delay in allowing the Postmaster credit for this item may be accounted for by the fact that at the time the loss occurred he made good the amount and did not press for a refund; but when the office was transferred on 1st March, 1895, and he was called upon to pay for his credit supply of stamps, he urged the claim, which was allowed.

Savings Bank funds stolen from Whitby, Ont., 11th January, 1889 .....	\$9 00
--	--------

This was a deposit on Savings Bank account made at Whitby after bank hours, on the 10th January, 1889, which was stolen by burglars early on the following morning, with money order funds and postage stamps amounting together to the sum of \$405.02. The money order funds and postage stamps \$396.02 were deducted from the postal revenue of the year ended 30th June, 1889, and the Savings' Bank deposit was placed in suspense account awaiting the action of the Savings Bank branch.

Savings Bank funds stolen from Kingston, Ont., 6th April, 1888 .....	\$78 00
Savings Bank funds stolen from Kingston, Ont., 11th May, 1889 .....	40 00

These amounts were Savings Bank deposits paid, on the dates named above, to Mr. R. T. Burns, then Money Order Clerk at the Kingston Post Office, but were never accounted for by him. Credit was allowed the postmaster at Kingston, for them, in March, 1890, and since that time they have remained in suspense account.

Post office funds stolen in transit to Bank of Montreal, Ottawa.

Despatched from

Ahmic Harbour, Ont., 31st December, 1893 .....	\$137 00
Burk's Falls, Ont., 7th December, 1893 .....	231 00
Huntsville, Ont., 16th December, 1892.....	30 00
Huntsville, Ont., 15th January, 1894.....	520 00

These sums are supposed to have been stolen by a Mail Clerk.

Despatched from

Niagara Falls South, Ont., 15th August, 1893.....	\$470 74
Parry Sound, Ont., 23rd May, 1892.....	290 00
Princeton, Ont., 28th March, 1893.....	72 00
Smithville, Ont., 4th October, 1892.....	462 00

A Post Office messenger is suspected of having stolen these amounts.

W. J. BARRETT, *Accountant.*

### Re Outstanding Warrants.

AUDIT OFFICE, OTTAWA, November 25, 1895.

SIR,—In the statement of outstanding warrants received from your department there is added to the amount outstanding June 30th, 1894, the sum of \$5,837.37 for errors discovered in checking statements of salary warrants issued during previous year.

I have to ask for an explanation and such details of the amount as the circumstances will afford.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

POST OFFICE DEPARTMENT, OTTAWA, Dec. 3, 1895.

SIR,—I have the honour to acknowledge the receipt of your communication of the 25th ult., asking for an explanation and details of the sum of \$5,837.37 which was added to the account of Salary Warrants outstanding on 30th June, 1894, for errors discovered in checking statements of Warrants issued during the previous year.

In reply, I beg to say that in consequence of adopting a new method of checking the statements of Salary Warrants issued and of applying the same to the issue of previous years, the following differences were found in the statements which had already been furnished your office, viz. :—

Year ended.	Statement furnished.	Corrected statement.	Increase.	Decrease.
30th June, 1889.....	\$742,297 56	\$742,436 86	\$ 139 30	
do 1890.....	762,963 00	762,981 80	18 80	
do 1891.....	774,625 88	774,625 68		20
do 1892.....	802,208 62	802,221 97	13 35	
do 1883.....	837,596 65	839,755 24	2,158 59	
do 1894.....	882,719 40	885,216 93	2,497 53	
		Difference.....		4,827 37
			4,827 57	4,827 57

In addition to these differences there was also found to be an error of \$1,010.00 in the statement sent to your department on the 30th November, 1892, in which the Warrants outstanding on the 30th June, 1891, were given as \$95,162.60 instead of \$96,172.60. This error of \$1,010.00 and the difference of \$4,827.37 explained above, make up the amount referred to in your letter, viz. :—\$5,837.37.

As the amount of Salary Warrants actually paid by Postmasters is taken into account in the books of the department, and not the amount of issues, the above differences have not affected the revenue in any way.

I am, sir, your obedient servant,

The Auditor General.

WM. WHITE, *D.P.M.G.*

### Re Postage on Newspapers Paid in Cash.

AUDIT OFFICE, OTTAWA, November 26th, 1895.

SIR,—The returns for 1893-94 showed that the sum of \$2,433.67 had been received for postage on newspapers paid in cash. The returns for 1894-95 do not show anything under this head. Please explain the omission.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPARTMENT, OTTAWA, 28th November, 1895.

SIR,—Replying to your letter of the 26th inst., *re* postage on newspapers paid in cash, I beg to say that the reason why no collections under this head appear in the returns of 1894-95 as in former years, is that a change was made in the system of collecting such postage, during the latter part of the fiscal year ended 30th June, 1894. In former years it was the practice to pay in cash for all newspapers posted at the office of the place of publication, when it became necessary to account separately for the cash thus received, but since the change the postage is paid by means of postage stamps and consequently the revenue on newspapers is now included in general revenue of the department, derived from the sale of postage stamps.

I am, sir, your obedient servant,

The Auditor General.

WM. WHITE, D.P.M.G.

### Re Salaries and Allowances to Postmasters.

AUDIT OFFICE, OTTAWA, Dec. 4, 1895.

SIR,—I have to inquire on what basis the salaries and allowances to Postmasters are founded.

In regard thereto I have to give the names of certain offices with reference to which some explanation seems to be required :—

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

## POST OFFICE DEPARTMENT, OTTAWA, December 9, 1895.

SIR,—I have to acknowledge the receipt of your letter of the 4th inst., in which you inquire on what bases the salaries and allowances to postmasters are founded.

In reply, I am to say that by virtue of the power conferred upon him by law (*Vide* P. O. Act of 1886, 49 Vic., chap. 35, sections 52-53) the Postmaster General has arranged the following scale of salaries and allowances for postmasters, with the exception of those whose salaries are fixed by law or Order in Council.

On the first \$800 of all legitimate postal revenue collected at an office—40 per cent.

On all legitimate revenue over \$800 and under \$10,000—25 per cent.

On all over \$10,000—15 per cent.

For "forward" duty *i.e.*—the handling at an intermediate point of correspondence passing between two other points—5 per cent or 10 per cent., according as the matter so handled does, or does not, require a second handling at another intermediate point.

By "legitimate" postal revenue this department understands revenue arising from the correspondence actually posted at a given office, and not from the sale of stamps for commercial purposes. If it were not for this restriction postmasters would try to force the sale of stamps in order to obtain a commission of 40 per cent or 25 per cent as the case might be. As it is the department has more or less trouble in establishing the proper returns for certain offices owing to this cause.

The department also makes a graduated allowance for rent in cases in which the revenue of an office reaches or exceeds \$800. One scale has been adopted for the provinces east of Manitoba and a somewhat higher one for the provinces west of Ontario. The two scales are as follows:—

Revenue.	Allowance under lower scale.	Allowance under higher scale.
\$ 800 to \$1,200 .....	\$ 40	\$ 75
1,200 to 1,600 .....	60	100
1,600 to 2,000 .....	80	125
2,000 to 2,500 .....	100	150

With an increase of \$20 under the lower scale and \$25 under the higher for every additional \$500 of revenue.

A special allowance is also given for duty necessarily preformed between the hours of 10 p.m. and 6 a.m. This varies according to amount of work, frequency with which it has to be preformed, &c., from a maximum of \$5 a month to a minimum of 50c. a month, and in two cases where the work is exceptionally heavy a larger amount has been allowed.

In addition to the foregoing allowances, the postmasters of money order and savings bank offices receive a special commission on money order and savings bank transactions.

As the post office revenue in different localities is continually fluctuating, and as the exact amount of what the department regards as legitimate revenue (for salary purposes) is somewhat difficult to arrive at, the work of annually adjusting the salaries of over 8,000 postmasters is one requiring much care, attention and experience. Various local circumstances will at times affect the apparent revenue of a given post office in such a way that the figures representing actual revenue do not afford an index to the real business of the place. This is the case with summer resorts to which people usually go with supplies of stamps obtained at their usual places of residence. It is the case also in towns in which insurance or other similar business is concentrated, and where large quantities of stamps, sent as the small change of remittances, are used in lieu of stamps purchased at the local post office. The department is obliged to take all these facts into

## Auditor General's Report—Part N

consideration, and consequently cannot always give strict application to the rule allowing a fixed percentage on revenue. By taking semi-annual statistics the department endeavours to arrive at a correct idea of the actual business of each office; but these statistics themselves are not always to be fully relied on, and much care in making use of them is consequently required. It is believed, however, and not without reason, that the salaries, as annually adjusted, make a very close approximation to what a just application of the scale above mentioned would allow.

As regards the special cases to which you have drawn attention, I beg to say that the salaries you quote were not based on the revenue for the year ended 30th June last, but on that of the previous year, and that, in most of the cases, the amount includes an allowance for night duty.

In regard to the commission paid the postmasters of Moncton and Hillsboro' for savings bank business, I may say that these postmasters were the agents of the Dominion Savings Bank, and that, when the banks were transferred to the post office, it was arranged by the Finance Department that the salaries then paid should be continued as long as the present incumbents should remain in office.

I am sir, your obedient servant,

The Auditor General.

There are also 14 offices at which the discount allowed is almost one per cent of the total revenue.

I have to ask for an explanation of these items. Please send me a copy of the regulations governing allowances to stamp vendors.

An early reply is requested.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A. G.*

POST OFFICE DEPARTMENT, OTTAWA, December 11, 1895.

Sir,—With reference to your letter of the 4th inst., in which you observe with regard to certain places, of which you give a list, that the discount allowed to stamp

---

vendors thereat, exceeds one per cent of the total revenue derived from the post office of each locality, I have the honour to inform you that the Postmaster General has power, under the amendment to the Post Office Act made in the year 1889, to grant a discount to stamp vendors of two per cent upon the stamps they sell, and that in no case has a larger discount been granted.

In certain places, in lieu of a discount, a salary has been allowed, subject to the condition of selling stamps in the lobby of the post office, apart from all other business and observing certain hours prescribed by the department.

I have the honour to be, sir,

Your obedient servant,

WM. WHITE, *Dep. P. M. G.*

The Auditor General.
