## Parish Notes

The Christmas Festival of joy and gladness began on Sunday, Dec. 24th, with the Children's Service. The decorations were simple, but well carried out, and the hymns at all the services were sung with great heartiness. Christmas Day was fine, but the sun shone fitfully and no snow reflected it back. Good congregations attended the services and it was pleasant to see amongst them some of the familiar faces of "old members of St. George's." The music was very sweet and the solo in the anthem was well sung by Mrs. Bissell. On the last day of the old year Prof. Clark preached in the morning and Mr. Kenrick in the evening. Both sermons sounded the same notes of warning and of hope.

During December a religious census was taken of the whole city of Toronto, and the Rector wishes to thank the 15 volunteers from this parish who assisted in the work. As nearly 100 new names have been sent in of persons attending St. George's, it has been impossible to visit them all as yet but the clergy hope to finish the work this month.

Remember, January is the month for school-treats, and we are preparing for two in St. George's.

The Rector begs to thank those who sent to the Rectory donations or gifts for the poor at Christmas: Mrs. A. A. Macdonald, Mrs. Sinclair, Miss Patton, Capt. Walker, W. Burton and W. Wright.

The ladies of St. George's would like to thank all who so kindly and generously helped in getting up the sale, and would like to specially mention Mr. Winsor, who gave many evenings to the work of putting up the booths; Mr. Bissell, who drew the designs for them, and Sir Henry Pellatt, who gave the electricity to light them. They would also like to thank Mr. Perry, of Shepard Bros. & Co., who printed all the tickets without charging anything.

The ladies would like to thank Mr. Kenrick for his contribution towards their sale. His beautiful photographs of St. George's were a great attraction and realized a substantial sum. He has three additional ones left if any more are wanted.

### ST. GEORGE'S FÊTE.

The history of St. George's has never chronicled a period of greater activity than the four weeks before the sale. Every day saw meetings in the Schoolhouse, and every evening sewing parties worked either at home or in the classroom, but always for the same object. It was on Oct. 19th that the idea was first suggested of having a sale, and on Dec. 14 and 15th results showed how that idea had taken root and germinated. In the interval over 800 tickets had been sold, and all over Toronto pretty things were being made and sent to be sold. Got up originally to pay \$318 for the new furnaces, it was soon seen that more than double that amount would be realised, and that it would be possible not only to vote a sum to the floating debt, but also to provide the Schoolhouse with a lavatory and a gas stove. But best of all and full of good augury for the future, was the spirit in which all the work was carried on and completed. All co-operated, all worked and smiled, and each gave freely of the special talent or skill they possessed. And on the

night when it was all over and nothing was left but empty stalls and melting ice-cream, one of the ladies remarked, "Not only has it been a great success, but we have all enjoyed it." Who will say after this that St. George's cannot get up a sale, and why should we not begin earlier this year to prepare for a second volume of the same story, and hand over next December a cheque that will more than pay off the floating debt?

Mr. Louis McMurray, who kindly took charge of the funds, reports receipts and expenditures as follows:

The Rector then announced to the meeting that the following sums had been sent to him, and were applicable to the floating debt: A. A. Wright, \$100; G. F. B., \$25; H. S. W., \$20. He also said that he expected some further gifts from the men of the congregation, who desired that the debt should be paid, and highly appreciated the efforts of the ladies in this direction.

The heads of the various tables met at the Rectory to dispose of the proceeds of the sale. It was disposed of as follows:

### THE OPERETTA.

This charming little play was given to an appreciative audience on Dec. 7th, and resulted in much pleasure and a net gain of \$25.00, which will go towards paying off the floating debt.

NOTE.—The floating debt which before the fête amounted to \$750.00 is now reduced to \$330.00.

### ST. GEORGE'S PARISH GUILD.

At the meeting of the heads of the tables at the Rectory on Jan 8th, it was decided to form a Parish Guild of all Church members. The object of the Guild is to provide a common meeting-ground for its members, whose bond of union will be their interest in their Parish Church. The Guild will meet on the last Thursday of each month, in the class-room, at 4 o'clock, will have tea, a little music, and a good deal of discussion.

There will be an annual fee of 25 cents which will defray its expenses. The following officers were elected:—

- President, Mrs. Bruce Harman.
- Vice-Presidents, Mrs. Reid; Mrs. Burton.
- Musical Director, \_\_\_\_\_
- Tea Director, Mrs. Bissell.
- Treasurer, Miss Hamilton Moore.
- Secretary, Miss C. M. Cayley.
- Recording Secretary, Miss Greening.

Members will be enrolled at the first meeting on Jan. 25th, and the plan of the Guild further developed.
