The copy filmed here has been reproduced thanks to the generosity of:

Metropolitan Toronto Library
Canadian History Department

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Metropolitan Toronto Library
Canadian History Department

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

THE MINISTRY.

To aid him in his Government,
Our Premier, wise and able,
Has gathered five well chosen men
Around his Council table.

To FRASER, all our Public Works
For years have been committed;
And though the Brawling Brood dissent,
He's won success decided.

Crown Lands are PARDEE'S special charge,
And have been many years,
His splendid character and work
Discounts all senseless sneers.

As Secretary, HARDY still
Performs his duties well;
Wherein they could be better done
His critics fail to tell.

Our School and College interests
Are guarded well by ROSS;
An earnest, conscientious man,
Who scorns the sneers from gross.

This honored name is also borne
By him who guards our cash;
No Trower has dared to say
His management is rash.

the Attorney General,
Whose earnest, faithful toil
Has saved our Coal and
Our ^{Mineral} Timber and our Soil.

is the Brood of Bribees,
 Who sought with Federal
 To buy their way to Office,
 But got so neatly sold!

HON. OLIVER MOWAT'S OPINION OF THE "NO-POPERY" CRY.

I have endeavored to carry into public life what I understand to be the essential principles of sound Protestantism. * * * I am bound to give, and, let me add, I do habitually give, respectful attention and all needed consideration to every suggestion or request respectfully made from any respectable quarter. Conservative or Liberal, poor or rich, unlearned or learned, Roman Catholic or Protestant.

* With respect to Roman Catholics, I have endeavored to show to our mixed community, that an earnest, fair-minded Protestant Premier may be true to his Protestantism, and yet be entitled to the reasonable confidence of thinking Roman Catholics. Under the present Government Protestantism is not in danger, whatever it might be if this Government were succeeded by a Government satisfactory to Sir John Macdonald and his party, who for thirty years or more have been leaning on Catholic support, and now in Ontario adopt the role of insulting Roman Catholics, and endeavoring to excite against them the Protestant feeling of the Country. Let no Reformer allow himself to be deceived.

SCRIPTURE READINGS.

REV. DR. DEWART, re the "Scripture Readings":—

"I do not hesitate to say that, if the other grounds on which it is alleged that Protestantism is in danger in this Province are as weak, as flimsy, and as futile as what has been urged about the 'Scripture Readings' in the Public Schools, they are not likely to secure the confidence of candid and intelligent people."

REV. PRINCIPAL CAVEN, re "Scriptural Selections":—

"This attack on the Minister of Education in regard to the 'Scripture Readings' is such

REV. WM. COCHRANE, D.D., re the
"Biblical Selections":—

"I still further regret that the Minister of Education has been so bitterly attacked, for what was recognized by the Ontario Government, on the united request of the Protestant Churches of Ontario, as the best solution of a vexed question, and needful for the training of our children in religious truth."
