FROM THE FATHER: "It is both a a duty for me to state to you the benedit I have derived from the use of

Ayer's Sarsaparilla.

Six months ago I was completely covered with a terrible humor and, scrofulous sores. The humor caused an incessant and intolerable itching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a burden. I commenced the use of the SARSAPARILLA in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect—being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a cure in my case, and I tell them, as I have here tried to tell you, AYEE'S SARSAPARILLA. Glover, Vt., Oct. 21, 1882.

Among those who participated we notice the names of Bishop Rogers, Rev. T. J. Bannon, Chatham, and Alderman Quigley, a native of Newcastle. The party comprised several Archbishops and Bishops from various parts of Canada and the United States, a large number of the clergy from all quarters of the Dominion and a number of citizens and ladies. The sail up the beautiful St. John was most heartly enjoyed. A splendid repast was heartily enjoyed. A splendid repast was served at noon. He ordered that the six tapers on each side of the church be lighted, and directed that all persons leave the church except the deaton, Rev. John F. Carson. He returned to the palace, and with bishops Rogers and Cameron vested for the cremony. Then a procession was formed in the following order, under the direction of Rev. F. L. Carver,

The steamer started at 4.45 on the return trip. As the boat moved out, Hon. R. J. As a Ladies' Hair Dressing, the VIGOR is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume.

MR. C. P. BRICHER writes from Kirby, O., July 3, 1882: "Last fall my hair commanded falling out, and in a short time I became nearly baid. I used part of a bottle of AYER'S HAIR VIGOR, which stopped the falling of the hair, and started a new growth. I have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely bald." J. W. BOWEN, proprietor of the McArthun (Ohio) Enquirer, says: "AYER'S HAIR VIGOR (Ohio) Enquirer, says: "AYER'S HAIR VIGOR is a most excellent preparation for the hair. I speak of it from my own experience. Its use promotes the growth of new hair, and makes it glossy and soft. The VIGOR is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction."

MR. ANGUS FAIRBAIRN, leader of the celebrated "Fairbairn Family" of Scottish Vocalists, writes from Boston, Mass., Feb. 6, 1880: "Ever since my hair began to give slivery evidence of the change which decting time procureth, I have used Aver's Hair Vioor, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, orators, actors, and in fact every one who lives in the eyes of the public."
