We solicit out of town orders which
receive our personal attention. The
length of time taken to fill orders is
governed very largely by how busy we
are in the department of our factory
in which the particular goods are
made. While we have exceptional
facilities for promptly turning out
goods, it is important to place orders
as far ahead as possible. Orders are
filled by us in the rotation in which
they are received, and customers can

LEGISLATURE OPENS TODAY AT FREDERICTON

W. B. Dickson, M. P. P. For Al-
bert is Said to be the Choice
For the Speakership

Fredericton, N. B., Feb. 25.—The
provincial government was in session
yesterday preparatory to the opening
of the legislature, which will take
place Thursday afternoon. Chief Jus-
tice McLeod will swear in the two mem-
bers—P. A. Cottrill, of York,
and R. W. Grimmer, of Charlotte—at
noon on that day. A speaker is to be
elected on account of the admission of
Hon. George A. B. Dickson, M. P. P.,
for Albert is understood to be the man
selected for that position.

Many members of the legislature
have arrived here preparatory to the
session. A lively session with interest-
ing developments is expected, particu-
larly in view of recent occurrences in
York where James E. Finner, M. P. P.,
and Dr. O. E. Morhouse, M. P. P.,
have from the McLeod-Guthrie wing
of the Conservative party. It is said
to be possible that members from
other parts of the province will also
pursume an independent course.

THE NEED OF LIFE SAVING STATIONS

Not a Single Station For The
Gaspé Coast or Gulf of
St. Lawrence

Last Friday in the House of Com-
mons, Mr. Macell brought to the notice
of the Minister of Marine and Fish-
eries the need of Life Saving Stations
on the Gulf of St. Lawrence. Mr. Mac-
cell in the course of his remarks said:

I have sent in for the report of a
select committee of thirty years ago
on the question of winter navigation to
Gaspé and also on the St. Law-
rence. That committee heard evidence
from a large number of experienced
men showing that even at that time
winter navigation was recognized as
quite feasible. So this is nothing new,
the only question is whether it is
pay to invest in the vessels, required
for such a service. As Mr. Barron
has very well said, Canada has lost a great
deal of its trade in the winter by the
fact that the moment navigation closes
down in Montreal and Quebec, busi-
ness goes south. Of course, previous
to Confederation we had not even St.
John and Halifax and the whole busi-
ness of Montreal and the western
country went down to Portland, Bos-
ton and other American ports. If we
had had winter navigation from Que-
bec, 75 per cent of that trade could
have been kept in Canadian channels.

I listened with a great deal of inter-
est to the statement made by the in-
terester of the work done by the con-
vention held in London regarding the
saving of human life at sea. In glanc-
ing through the report of the department
I find that in the life-saving service of
Canada there are forty life-saving
stations, four in New Brunswick, six-
teen in Nova Scotia, five in Prince Ed-
ward Island, four in British Columbia,
and eleven in Ontario. The Gulf of
St. Lawrence and the province of Que-
bec are left without a single life-sav-
ing station. The large passenger
steamers pass up and down that river
and Gulf, and surely there should be a
life-saving station on the Gaspé coast
or somewhere on the St. Lawrence.

Mr. HAZEN: It is most extraordi-
nary that there is not a life-saving
station on the Gulf or the river St.
Lawrence. I shall certainly have the
matter carefully looked into and per-
haps bring the matter up again in the
House.

MONCTON CITY HALL BURNED YESTERDAY

Conflagration Completely Des-
troys Large Amount of Prop-
erty—Heavy Loss

(Moncton Transcript)

The old City Hall building, contain-
ing the various City Offices, the Sup-
reme Court Chamber, the temporary
meeting place of the First Baptist
Congregation, and the Free Public
Library caught fire and burned to the
ground yesterday, leaving merely a
mass of ruinous walls and smoking
embers to mark the place where form-
erly stood the seat of Civic Govern-
ment and the home of several of Mon-
cton's most popular institutions. Tana-
canda Hall, the home of the Moncton
Liberal Club in the Marven-Magee
Building on West Market St., Mr. E.
Pasturel's Fish Market on one side
and a vacant store on the other, down
stairs also caught fire, and was des-
troyed.

A nearby resident discovered the
fire, noticing the reflection upon one of
the lower windows of the Market or
ground floor, and rang in an alarm
which sounded at 3.55. Although the
fire was only a small one when first
seen, and although but a few minutes
elapsed before the fire department ar-
rived, yet the flames spread with such
ferocity and rapidly that the whole
building was a mass of fire into which
it was almost impossible to penetrate,
and of all the splendid collection of
books in the Public Library and the
furnishings of the other departments
of the building, but little, if any, was
saved.

The fire was first noticed in the rear
of the market section of the building,
in a stall conducted by Mr. George
Matthews. A nearby resident chanced
to note the blaze through a window
and promptly rang in an alarm from
the box in front of the City Hall.

Police, Patrolmen, James Gaw
and Clayton were in the vicinity of
the City Hall and hearing the outcry,
ran to the fire box. They were the
first, with the exception of the man
who rang in the alarm, to reach the
scene of the fire.

When they first arrived on the
scene, the fire was a comparatively
small one, but it spread very rapidly
following three sharp explosions which
occurred one after another at short
intervals immediately following the
sounding of the alarm.

Officer Clayton and Captain Ham-
on, of the Salvage Corps, tried to get up-
stairs, but were driven down again by
the intense heat and thick clouds of
smoke.

It was some few moments before the
fire engines got into position and had
streams playing on the building, but
by that time the whole interior of the
place seemed a raging inferno, from
which spired columns of smoke and
flame burst from the door and window
apertures and mounted toward the sky.

The fire was extremely spectacular,
the conflagration casting a ruddy
glare over the entire city. While dark-
ness still obtained, the flames could
be seen by residents for miles around
the surrounding country.

TO BE INDUCTED

At a meeting of Presbytery held in
St. Andrew's hall on Wednesday after-
noon the call from the Rexton con-
gregation to Rev. Archibald Lee was
sustained and accepted by him. The
following arrangements were made for
his induction which is to take place in
the church at Rexton, Wednesday
evening, March 4th, at 8 o'clock.
Rev. E. E. Mowatt, of LeGreville, will
preside and induct, Rev. J. M. McLean
to preach, Rev. Geo. Wood to address
the minister and Rev. S. J. McArthur,
of Newcastle, the people. These mem-
bers of Presbytery are, on Thursday,
March 5th, to visit the different sec-
tions of the Harcourt congregation in
the interest of the work there.

HOCKEY

The Campbellton Ladies Hockey
Club, now named the Shamrocks, will
cross sticks with the U. N. B. Co-eds,
on Friday evening, at the rink. This
game should be worth seeing, and as
the ladies require all the financial
backing possible, it is to be hoped that
all who can be present will make a
point to patronize the game. This is
the return fixture, the game recently
played in Fredericton ending in a win
for U. N. B. The game will be called
sharp at 8 p. m.

KNIGHTS OF PYTHIAS

A special convention of Campbellton
Lodge No. 32, Knights of Pythias, was
held on Thursday, the 19th inst. to
celebrate the 50th anniversary of the
founding of the Order. After the
special services, addresses were made
by several members. Refreshments
were then partaken of, after which the
various ranks were conferred upon five
candidates. Although Campbellton
Lodge was only organized on May 24th,
last, it now has a membership of forty
members, with several applications in,
and bids fair to be one of the largest
and strongest organizations in town.

WELL ATTENDED

The Anniversary services held in
Christ Church last Sunday, Feb. 22nd,
were very well attended considering
the stormy weather. The services
morning and evening by Rev. R. P.
McKim of St. John were simple,
straightforward and marked by a
strong evangelistic appeal. His ad-
dress to men only in the afternoon
was most helpful and full of the real
Gospel of Jesus Christ. Mr. McKim
left on the local Monday morning for
St. John.

MOVING TO ST. JOHN

Mr. and Mrs. Clyde Stevens are
moving from Campbellton to St. John.
The change is brought about by the
removal of the Ocean Limited express.
Mr. Stevens is a railway mail clerk.
Though they have been living in
Campbellton only a short time, their
departure will be greatly regretted
among a large circle of friends.

DEATH OF WELL- KNOWN YOUNG MAN

J. Harold McLean Passes Away
on Wednesday Morning in His
25th Year

Mr. and Mrs. Peter McLean have
the sincere sympathy of all classes of
the community in the loss of their
second oldest boy, J. Harold McLean,
who died from typhoid fever at Hotel
Dieu on Wednesday morning. The
deceased who was in his 25th year,
was of a bright, lively character, and
to his many friends the news of his
death was a distinct shock. He was
employed in the I. C. R. Freight De-
partment and had been off duty, sick
since early in January. He did not
seem to be making the best of pro-
gress towards recovery, and his medi-
cal attendant advised his removal to
the hospital. For a few days he had
been in a comatose condition, and pas-
sed away on Wednesday morning with-
out regaining consciousness. He was
the second eldest son and his father
and mother and five brothers survive
him.

The funeral will be held on Friday
afternoon, services at the house con-
ducted by the Rev. T. P. Drumm, com-
mencing at 2 p. m., the funeral pre-
cession to leave at 2.30 p. m. Inter-
ment will be made in the rural ceme-
tery.

He was a member of the Caledonian
Society of Restigouche, and the mem-
bers of the society as well as his num-
erous friends in this town extend their
deepest sympathy to the sorrowing
family in the loss of one cut off on the
threshold of manhood, almost ere his
eyes beheld the golden vista of the
future years.

A NEW METHOD

The Opera House management has
almost completed a new method for
each weekly entertainment. The ar-
rangements will be as follows:—Mon-
days, cuntry store night; Tuesday,
feature night; Wednesday, Pathe
weekly; Thursday, feature night; Fri-
day, what happened to Mary; Satur-
day, a big variety selection. Further
notice will be given next week.

DON'T GROW BALD

Use Parisian Sage.

If your hair is losing its natural
color, coming out and splitting, or lacks
that enviable softness, gloss and beau-
ty, do not despair—greasy hair is
largely a matter of care. If it is too
thin make it grow. If it is harsh and
brittle soften it up—lubricate it. If
you have dandruff it is because the
scalp is too dry and flakes off. Fresh-
en up the scalp with Parisian Sage—
all dandruff disappears, falling hair
and itching head cease, your hair is
doubly beautiful.

Parisian Sage, sold by Thos. Wran,
and at all drug counters, is just what
you need—a large bottle costs but 50
cents. It surely makes the hair lust-
rious and seem twice as abundant. You

NEWPORT CENTRE

The second carnival of the season took place at the Newport rink on Saturday night, the 14th, and was one of the most successful of any carnival ever held here. Quite a number came over from Port Daniel and Gascons to join in the fun, and when the skating was in full swing, the rink presented a splendid sight. All sorts and conditions were represented in costumes, and the skaters and spectators thoroughly enjoyed the spectacle.

The prize winners were ladies, Miss Irene LeMarquand, St. Valentine; gentlemen prize, Mr. Alfred LeMoignan, the tramp.

Being so very stormy after the carnival, only those living quite near could manage to get home, and those from far had to get sheltered by kind friends, so a party of young folks went up to Doctor Richards, where they were most pleasantly entertained at the lovely home of Doctor and Mrs. Richard, and another party went to Mrs. Ernest LeMarquand.

On Friday afternoon a party of Newport people went down to Chandler, where they enjoyed themselves immensely.

The Misses Julia Enright and Blanche Bouillon are spending sometime in Newport, the guest of Miss Drucie LeMarquand.

We regret to hear of the death of Miss Victoria Doiron, daughter of Xavier Doiron, Newport, who passed away Friday, Feb. 13th, after a lingering illness. Deceased was 15 years of age, and was well beloved by all who knew her. This was true in life, and made more evident in death. Much sympathy is felt for the bereaved family.

Reverend Mr. Love of Port Daniel, had to spend the week-end in Newport owing to the storm.

Miss Emily Grenier of Perce is the guest of Miss May Menier for a few days.

Charlie Sirols of Grand River, was a guest at Jessup Hotel for one day last week.

Mr. and Mrs. Walter Renouf, of Grand River paid a flying visit to Mrs. W. C. Newbury last week.

Do you know that more real danger lurks in a common cold than in any other of the minor ailments? The safe way is to take Chamberlain's Cough Remedy, a thoroughly reliable preparation, and rid yourself of the cold as quickly as possible. This remedy is for sale by all dealers.

ESCUMINAC

The weather for the passed few days has been very severe.

Mr. John Gough is the guest of William Carmichael.

Miss Grace Cassey of Miguasha, is the guest of her sister, Mrs. Peter Wafer.

Mr. Guilford Pike returned home from Pabco last week.

Messrs. Scott McKay and Stanley Gaudin visited Mr. James Bryant recently.

Smelt fishermen have finished fishing for this season. All report having a good haul.

We regret to hear of the illness of Mrs. William Daley. All hope for a speedy recovery.

NEWPORT

This week's weather was anything but ideal, opening with a cold snap, which, on Wednesday reached twenty eight below zero, it culminated in a blinding blizzard on Saturday evening which rendered travelling impossible. Sunday morning was fine but the snow was so light that it took very little wind to drift.

Mr. Renouf, manager for Robin, Jones & Whitman, Grand River, and Mrs. Renouf were up to Newport on Tuesday, 10th. In the evening they skated at the Newport rink. They drove down to Grand River on Wednesday.

Mr. Chas. Sirols of Grand River was in town on the 10th, on his way to Quebec.

Miss Blanche Buillon, of Paspebiac, is in town visiting her friends, the Misses LeMarquand.

Miss Julia Enright, of Port Daniel, came down on Friday's train to Chandler, where she was met by all her young friends from Newport.

Mr. Gaudet and Mr. Scott, commercial travellers, were in town Saturday, 14th. Mr. Gaudet drove to Gascons, Sunday morning.

Miss Marguerite Jessop, trained nurse, was called to Chandler, also Dr. Richard to care for Mr. Holebrook.

Mr. Holebrook died on Monday afternoon. His body left Chandler for special train for his home in Boston, Mass.

NEW CARLISLE

The weather has been extremely cold for the past week, making the roads very bad for travelling, and our mails were also a little behind time in reaching us.

We are sorry to announce the death of the aged widow of Mr. Harvey Chatterton, who was sick only a short time. The funeral took place at St. Andrew's church on Thursday, the 12th.

The people of New Carlisle are very sorry to hear of the death of Mr. Oswald Day, who for many years resided here, but who left a few years ago on the death of his wife. Remains are being brought here for burial.

Mr. James Thompson met with a severe loss on Thursday, the 12th, when his house was burned to the ground. How the fire started is not yet clearly known. Much sympathy is felt for the family.

A very exciting hockey match took place in Menard's rink on Saturday, the 14th, when the Paspebiac Model school was defeated by the New Carlisle Academy by a score of 5-4.

The line-up was as follows:

New Carlisle Acad. Paspebiac Model Ernest Duncan Goal, Willie Roy Larry Kempfer Point Wil. Caldwell Evelyn Hall Cover P. Danne Sherri A. Assels Centre H. LeMarquand Burnham Caldwell L. Wing Percy R. Wilson Assels R. Wing Percy Chisolin Francis Maguire, Referee.

SOCIAL CLUB DANCE IS BRILLIANT AFFAIR

Reception and Dance Given Last Friday at Dalhousie Enjoyable Function

Dalhousie, N. B., Feb. 24th.—The reception and dance given by the members of the Dalhousie Social Club on Friday evening last, was a brilliant success and one of the most enjoyable functions ever held in Dalhousie and it is stated that it is the intention to make it an annual affair. The decorations were artistic and pretty and these together with the many beautiful costumes of the ladies made a very brilliant scene.

McEachern's Orchestra of Chatham, played a splendid programme of eighteen dances with three supper extras. The chaperons, Mrs. C. H. LaBilloy, wearing a very handsome gown of black satin with sequin hertha and trimming and Mr. H. A. Hilyard in a most becoming gown of white satin with tulle of shadow lace, pearl trimming, received the guests at the entrance of the ball room.

The costumes were very pretty and effective. They were:—Mrs. W. A. R. Cragg, a dainty costume of cream and mauve.

Mrs. D. A. Stewart, (Campbellton) Yellow brocade satin with chiffon beider.

Mrs. John Baldwin, black silk voile over silk with mauve trimmings.

Mrs. Dr. Martin, (Campbellton) Pale pink satin with tulle of real lace.

Mrs. Andrew Barbare, black satin with sequin trimmings.

Mrs. L. D. Jones, white lace with flame colored trimmings.

Mrs. F. F. Matheson, (Campbellton) Yellow brocade satin with lace and fur trimmings.

Mrs. Frank Barbare, Yellow satin with tulle of white net.

Mrs. A. T. LeBlanc, (Campbellton) Cream satin with trimmings of cerise.

Mrs. E. R. Gaudet, black silk with trimmings of lace.

Mrs. Fred Pallan, black lace over silk.

Mrs. Jasper Davidson, (Campbellton) white satin, sequin and pearl trimming.

Mrs. Herbert Hocquard, old rose costume with trimmings of lace.

Mrs. Chipman Bateman, black velvet with pearl trimmings.

Miss Stella McKenzie, pale blue dutchess satin with chiffon tunic, pearl trimming.

Miss Jean McLennan, (Campbellton) pale pink satin with pale blue chiffon tunic.

Miss Mary Lawlor, (Newcastle) pale pink marquette over pink silk, pearl trimmings.

Miss Alma LaBilloy, pale blue satin with tulle of shadow lace, pink rose bud trimmings.

Miss Margaret Baldwin, a dainty gown of pale blue satin with chiffon tulle, silver trimming.

Miss Jean McLean, (Winnipeg) a pretty dress of dresden chiffon.

Miss Blanche Mercier, mauve peau de sole with marabou trimming.

Miss Tess Lingley, (Campbellton) pale pink dutchess satin with marabou trimming.

Miss Lucienne Samson, yellow satin with spangled tulle.

Miss S. Mowat, (Campbellton) cream satin with lace trimming.

Miss Edith Stewart, peach colored satin with spangled tulle.

Miss Nettie Robinson, pale blue silk with bodice of lace.

Miss Eva Barbare, mauve dutchess silk with marabou trimming.

Miss Jean McLatchey, (Campbellton) pale pink satin with Japanese embroidery trimming.

Miss Jennie Bateman, white shadow lace gown.

Miss Mona Neilson, pale blue satin, rose bud trimming.

Miss Ruth Cameron, (Campbellton) cream satin, gold and chiffon trimming.

Miss Lisa Wallace, white lace gown with pale blue trimmings.

Miss Etta Mowat, (Campbellton) cream satin with tulle of dresden chiffon.

Miss Florine Nelson, (Campbellton) yellow satin with white trimmings.

Miss Yvonne Samson, white satin, natural flowers.

Miss Annie Kerr, cream satin tulle of pale pink chiffon.

Miss Russell, (Campbellton), pale pink crepe with lace trimmings.

Miss Greta Hayes, (Nashua Creek) Alice blue dutchess satin, sequin trimmings.

Miss Gertie Barbare, pale pink satin, lace trimmings.

Miss Grace McEwen, dainty dress of white lace.

Miss Lucille McInnis, (Campbellton) white silk with trimmings of lace.

Miss Amelda Lawlor, (Point la Nim) pale blue satin, lace trimming.

Miss M. Doyle, (Nashua Creek) pale blue chiffon over silk.

Miss Kate Nolan, (Point la Nim) pale blue satin, chiffon tunic.

Miss Opal Culligan, (Jacquet River) pale pink satin, lace tunic.

The gentlemen present were:—Mr. W. A. R. Cragg, Hon. C. H. LaBilloy, Mr. Arthur H. Hilyard, Mr. Andrew Barbare, Mr. Chas. Stewart, Mr. A. T. LeBlanc, (Campbellton), Mr. Frank Barbare, Mr. F. F. Matheson, (Campbellton), Mr. Clinton Johnson, Mr. D. A. Stewart, M. L. A., (Campbellton), Mr. Robert Turner, Mr. E. R. Gaudet, Mr. Milton Doherty, (Campbellton), Mr. Martin, (Campbellton), Mr. Gidion Baldwin, Mr. Murray McKay, Mr. John Lawlor, (Point la Nim), Mr. George LaBilloy, Mr. Arthur Legere, Mr. Wallace Sheehan, Mr. James Gilker, (Vancouver), Mr. William Lawlor, (Point la Nim), Mr. A. R. Fraser, (Campbellton), Mr. Wm. H. Comeau, Mr. Bert Hamilton, (Point la Nim), Mr. Herbert Hocquard, Mr. Ednor White, (Bathurst), Mr. W. A. Clark, (Calgary), Mr. Howard Luke, (Campbellton), Mr. A. E. O'Donnell, Mr. F. W. Kelly, (Campbellton), Mr. H. A. Carr, (Campbellton), Mr. W. M. Johnson, (Moncton), Mr. W. H. Marquis, (Campbellton), Mr. H. R. L. Dodge, (Campbellton), Mr. Chas. Alexander, (Campbellton), Mr. Jellott, (Cross Point), Mr. Ross Malcolm, (Campbellton), Mr. John Nolan, (Point la Nim).

Great praise is given to the Committee in charge for the splendid management and success of the affair. They were Mr. H. A. Hilyard, Mr. W. P. Walker, Mr. E. Rene Richard, Mr. F. G. Burr and Mr. W. L. Watt.

PASPEBIAC

Mr. James Bisson, of the Bank of Nova Scotia, returned on the 14th from Campbellton where he has been spending his vacation.

Mr. J. Edmond Levesque returned on Saturday from a trip up the coast.

Miss Florrie Robinson spent a few days with friends at Shigiwake.

Mr. L. E. Black, of the Ford Motor Co., was at Levesque's Hotel this week.

Mr. and Mrs. John Camiot, of Port Daniel, arrived on the 14th, to attend the funeral of their sister-in-law, Mrs. Peter Camiot, of Paspebiac. While here they were the guests of Mrs. A. E. Bisard.

On February 13th, the death took place of Mrs. Peter Camiot of Paspebiac. Deceased who was in her thirty-second year, was a native of Jersey Channel Islands, and came over to Canada six years ago. During that time she had made many friends both by her amiability and happy disposition and her faithfulness and devotion to all church work. She will be greatly missed by the community. She is survived by her husband and four small children. The funeral took place on Monday the 16th at St. Peter's church. The funeral was largely attended which testifies to the general esteem in which she was held by all. Deep sympathy is felt for the bereaved husband and children.

Though lost to sight, to memory dear.

RES OFF DANDRUFF, HAIR STOPS FALLING

Save your hair! Get a 25 cent bottle of Dandruff right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Dandruff tonight—any time—will surely save your hair.

Get a 25 cent bottle of Dandruff tonight—any time—will surely save your hair. You surely can have beautiful hair and lots of it if you will just try a little Dandruff. Save your hair! Try it!

For Baking Success —This Oven Test

Success on some baking days can be expected no matter what flour you use. But constant success is rarer. It can be assured in only one way. The miller must select his wheat by oven test. So from each shipment of wheat we take ten pounds as a sample. We grind this into flour. Bread is baked from the flour. If this bread is high in quality, large in quantity, we use the shipment from which it came. Otherwise we sell it. Constant baking success comes as a matter of course from flour bearing this name

HOW THIS WOMAN FOUND HEALTH

Would not give Lydia E. Pinkham's Vegetable Compound for All Rest of Medicine in the World.

Utica, Ohio.—"I suffered everything from a female weakness after baby came. I had much trouble and was very nervous. I had black spots before my eyes, my back ached and I was so weak I could hardly stand up. My face was yellow, even my fingernails were colorless and I had disfigurement. I took Lydia E. Pinkham's Vegetable Compound and now I am stout, well and healthy. I can do all my own work and can walk to town and back and not get tired. I would not give your Vegetable Compound for all the rest of the medicine in the world. I tried doctor's medicines and they did me no good."—Mrs. MARY EARLEWICK, R.F.D. No. 4, Utica, Ohio.

Another Case.
Mesa, Ill.—"I was bothered for ten years with female troubles and the doctors did not help me. I was so weak and nervous that I could not do my work and every month I had to spend a few days in bed. I read so many letters about Lydia E. Pinkham's Vegetable Compound curing female troubles that I got a bottle of it. It did me more good than anything else I ever took and now it has cured me. I feel better than I have for years and tell everybody what the Compound has done for me. I believe I would not be living to-day but for that."—Mrs. MARTIN GUNSTADT, Mesa, Illinois.

BAD TRAIN SERVICE ON THE GASPE COAST

Trains are Being Held up in Snow Drifts and Arriving Two and Three Days Late

Gaspe, Feb. 16.—A correspondent writing to the St. John Telegraph says:—Railway conditions are not much improved so far. The train which should have reached here last Wednesday night really arrived on Saturday morning with three mails. Travelers coming by this train had a very unpleasant journey. The train, which was due on Saturday night, after wending its way slowly down, decided to hold up in a snow drift near Cape Cove, about forty-five miles from here, until there was more daylight. It stayed there until some time yesterday afternoon, and deciding to have another try, succeeded in coming about eighteen miles farther, to Corner of the Beach, where it decided to stay last night. It is still there this morning, and although only thirty miles from here, may reach here tonight. It is also announced by the manager of the railway company that there will not be another train out of here for two days.

SECTION FOREMAN KILLED NEAR BATHURST

Was Riding on Engine When He Jumped and Was Killed by Engine

(From the Gloucester Northern Light)
Joseph Fabien Arseneau, Section Foreman on the Nigadoo section of the L. C. R. met a tragic death under peculiar circumstances, about 9 o'clock Monday morning. As is the custom, he was riding in the cab of the engine of the east bound local, sitting on the fireman's seat. When the train blew or Tetequiche bridge, the unfortunate man climbed down from his seat, and without a word, jumped off the rapidly moving engine. The train was at once stopped and when the body was picked up life was found to be extinct, the head being fearfully crushed. It is supposed that the victim of the accident mistook the steam riveter, which was at work on the Tetequiche river bridge, for an approaching train, and thinking a collision imminent, sought to save himself by jumping.

Mr. Arseneau was a native of Bathurst Village, where he leaves his mother and one brother, Frank F. Four sisters also survive him, two living in Jacques River, and two in Maine and at his home at Nigadoo he leaves his widow and seven small children.

GILLET'S LYE EATS DIRT

Sheriff Doucet has been quite ill for some days, but is now much improved.

Mr. J. B. Hachey, M. P. P., is confined to his home on account of a severe cold.

Mr. A. A. Baird has returned from Yarmouth.

Mr. Clarence Delaney of the Royal Bank staff, returned on Monday from his home in Dalhousie where he had been spending a vacation.

On her last day at school, the members of her class, presented Miss Alma Turner with an address and a dainty pearl brooch as a souvenir of her school days in Bathurst. Little Miss Ruth Turner was also the recipient of a remembrance from her class mates, which took the form of a necklace, while the little Sunday school friends presented a fountain pen.

Harold C. Crowfoot of the Bathurst Lumber Co., left for his home in Buffalo on Tuesday morning, where he will spend three weeks vacation.

A. J. H. Stewart, M. P. P., left for Fredericton Tuesday to take up his legislative duties.

J. B. Hachey, M. P. P., leaves this morning for Fredericton to be present at the session of the legislature which opens to-morrow morning.

In pleasing contrast to the intensely bitter cold outside, was the cozy home of Mrs. Harry Melanson on Saturday evening when she entertained at a most enjoyable bridge party.

The following list includes the invited guests, Mr. Geo. Gilbert, Mrs. R. G. Duncan, Mrs. P. J. Veniot, Mrs. E. P. MacKay, Mrs. Claude M. Mersereau, Mrs. Wm. G. White, Mrs. P. J. PETER E. LAVIGNE KILLED IN WOODS

Peculiar Accident To Driver at One of Bathurst Lumber Co's Operations

(From Gloucester Northern Light)
Fred Costigan's Camp, belonging to the Bathurst Lumber Co., was the scene of a particularly sad fatality last Thursday, when Peter E. Lavigne of Bathurst, one of the teamsters employed there was so badly injured that he died while being conveyed to his home here.

Mr. Lavigne was driving his team past the tank shed on his way from the camp to the scene of the day's work, and the forward runners of his sled struck against the forward ones of the tank shed, causing them to slow round. As they slowed, the pole attached to them, which had been standing upright, fell, striking the unfortunate man on the head, and fracturing his skull. It was at once seen that his injuries were serious, so no time was lost in preparing a team to convey him to Bathurst, but in spite of the good time made on the way down, Mr. Lavigne died before the town was reached.

and Mrs. F. Richard.

The first prize was won by Mrs. Henry Bishop, while the consolation went to Mrs. Geo. Gilbert. One of the pleasing features of the evening was a guessing contest, which evoked much interest and in which Mrs. W. G. White was the successful contestant.

The hospitable home of Mrs. Henry Bishop was opened to a number of guests on Tuesday evening, February 17th, when a delightful bridge was enjoyed. The following were the invited Mrs. E. P. McKay, Mrs. G. Gilbert, Mrs. R. G. Duncan, Mrs. H. Melanson, Mrs. Geo. Windsor, Mrs. W. White, Mrs. H. White, Misses O'Brien, Mrs. J. White, Mrs. D. T. Johnstone, Mrs. Kent, Mrs. A. Ferguson, Mrs. J. Ferguson, Mrs. L. Young, Mrs. F. H. Eaton, Mrs. Michaud, Mrs. S. Bishop, Mrs. N. A. Landry, Miss Burns, Mrs. B. C. Mullins, Miss McKendry, Mrs. Storer, Mrs. A. E. Loeven, Mrs. F. Walker and Mrs. A. N. DesBrisay.

Mrs. S. Bishop captured the 1st prize, Miss O'Brien the 2nd, and Mrs. D. T. Johnstone the consolation.

A Theatre Party given by Mrs. Jacob White, Sr., on Saturday evening to witness the production of "Just Mr. Aurele Landry who has spent the last year in Kenora, Ont., arrived home this morning and will spend a few months in town.

"Plain Molly" was a source of very much pleasure to the participants, among whom were the following: Mrs. S. Bishop, Mrs. J. B. Storer, Mrs. H. Bishop, Mrs. H. Melanson, Mrs. J. N. Landry, Mrs. G. Gilbert, Mrs. E. P. McKay, Mrs. H. White, Mrs. P. J. Burns, Miss L. Mullins, Mrs. W. G. White. After the play, Mrs. White entertained her guests at a very enjoyable supper in Gatin's Hall.

Concrete Tanks and Troughs Never Rot or Leak

THE most practical tanks, whether for water or sewage, are built of concrete. They never rust, rot, dry out or leak. They never need new hoops or paint. They last a lifetime and seldom require repainting, which makes them the cheapest tanks that can be built.

Clean, Sanitary Watering Troughs
are just as necessary as the animals that drink from them. The farmer's best interests are being served when his stock is insured a plentiful supply of clean, clear water from a trough that is permanent and sanitary.

"What the Farmer can do with Concrete" is the name of a handsome free book that tells all about concrete tanks, watering troughs and other uses of concrete that will save every farmer many dollars. Write for it to-day.

SAFETY FIRST

With regard to the lectures on the subject which are now being given to the railway employees, the following article from the "Conservation" for February might not be amiss.

It says "Accidents in connection with train operation not including train accidents may be briefly summarized as being due to: coupling or uncoupling cars, switching, coming in contact with overhead or side structures, falling from, or being struck by cars or engines. With the exception of the elimination of structures of insufficient clearance, the best the employer can do is to keep the appliances in proper condition. Carelessness is the vital and all important factor in causing accidents. The most deadly practice of all is that of adjusting couplers by hand or foot, just as the cars are coming together. Negligence, carelessness and forgetfulness are broad and general terms, and it is extremely difficult to get down to the definite and concrete in dealing with accidents.

Although it is perhaps callous to consider the matter of safety from a mercenary point of view, yet that phase of the matter should be considered. If an old and experienced employee is injured, he must necessarily be replaced by a man not so well trained nor so competent to fill his position. In addition to this change, railway companies frequently have to pay an indemnity under the workmen's compensation laws so generally in force. On the other hand, the employee will also suffer a financial loss, for even if the workman's injuries are trivial, he must still, owing to his injuries, lose time and a certain amount of pay.

The making of rules will not prevent men from taking foolish and unnecessary risks. These men know the danger and uselessness of many practices in which they indulge, but yet fool-hardiness and ridiculous tradition of railroad service, that a railroad man must be willing to "take a chance" result in many accidents. If this idea can be overcome, and if the employee can be convinced that his standing will be gauged by his carefulness in avoiding danger, a great stride will be made toward reducing accidents.

CAMPBELLTON LIQUOR APPEAL CASE

Adjourned Settings of Supreme Court at Fredericton Held Last Week

Fredericton, Feb. 26.—The adjourned sittings of the Supreme Court of Appeal was held this morning. Hon. Chief Justice McLeod, Judges White and McKeown presiding, the latter from the King's Bench Division of the Supreme Court taking the place temporarily of Judge Grimmer.

Two judgments were delivered today, as follows: In a matter of the Industrial Disputes Investigation Act, 1907, and in the matter of a dispute between Robert Reford Co., Ltd., employers, and the longshoremen, of the port of St. John, employees, Mr. F. R. Taylor having presented on behalf of the steamship companies the separate agreements of several parties interested consenting to have the reward of the board of conciliation made a rule of court. Chief Justice McLeod, for Court of Appeal, delivered judgment granting application and rule is made accordingly.

In the case of Dooden vs. Doyle, tried by Judge Barry in Restigouche county, in which title to land by possession was involved and in which the judge gave judgment in favor of the plaintiff, the judgment of the court on appeal was now delivered by Judge White, stating the facts on the review went to sustain the finding of the court below. Appeal dismissed with costs.

In King, on information of Chas. W. Hughes, vs. John Doucet, ex parte Francis Matheson, a Campbellton case, under the liquor licenses act, Mr. P. J. Hughes moves for certiorari with rule nisi to quash conviction. The defendants had been fined \$75 and costs or three months jail. The sale alleged to have been in a private dwelling and counsel argued that (1) there was no prima facie evidence of infraction of law to give Magistrate jurisdiction; (2) if there were, defendant having by his evidence rebutted the presumption of guilt, the magistrate was bound to dismiss the information; (3) there was no evidence of sale. The facts rehearsed showed that on the premises a bottle of liquor and a glass were provided for an intending purchaser, who partook freely. After hearing Mr. Hughes, the court would not interfere with the discretion of the magistrate and rule was refused.

Adjournment was then made sine die.

PROROGATION OF QUEBEC LEGISLATURE

Speech From Throne Read by Sir Francois Langellier Last Thursday

Quebec, Que., Feb. 19.—After a stormy session, made memorable by the Montreal Mail graft charges which forced the resignation of three of its members. Messrs. J. O. Mousseau, L. P. Berard and Achille Bergevin, the Quebec provincial legislature was prorogued this morning by the Lieutenant Governor Sir Francois Langellier, with the customary ceremonies.

The speech from the throne read by Sir Francois was as follows:
Honorable gentlemen of the legislative council:
Gentlemen of the legislative assembly:

You have just finished the work of a long session, and I congratulate you on the assiduity and attention you have displayed in the performance of your duties. It has afforded me pleasure to sanction the important measures you have passed, and I am confident that they will contribute to the welfare and happiness of our people.

Gentleman of the legislature:
In His Majesty's name I thank you for the supplies you have so generously voted for the various public services. I will see that they are expended intelligently.

Honorable gentlemen of the legislative council.
Gentlemen of the legislative assembly:

In proroguing this session, I beg Divine Providence to shower its blessings on you, on your families and on our province.

OBITUARY.

Newcastle, Feb. 26.—The death of Mrs. James M. Troy, wife of Newcastle's postmaster occurred yesterday after a few weeks' illness of pneumonia, with complications. Deceased was about 61 years of age, and a tireless Presbyterian church and W. C. T. U. worker, in which, as well as in society, she will be much missed. She was formerly Miss Linda Vaughn, of Newcastle. Besides her husband, the following sons and daughters survive: Sherman, Boston, Garfield, of Western Canada; Allan, of Campbellton; John H., druggist, of Newcastle; Mrs. Chas. Sargeant, of Newcastle; Mrs. A. E. G. McKenzie, of Campbellton; and Mrs. Hamby, of Moosejaw, Sask.

NEW CARLISLE

Friday's train, the 20th, brought the remains of our old and respected citizen, Mr. Oswald Day. Deceased had gone to live with his daughter, Mrs. Forbes Reid in Edmonton, Alta., and has only been gone a little over one year, when the end came. Mr. Reid accompanied the body, and returned the following day on his long return trip. Mr. Day was born and brought up here, and lived here almost all his life. He was married to Mrs. Sheppard, (sister of the Sheriff), of this place, who pre-deceased him two years ago. Interment took place after arrival of train at 6.30 p.m., from the Episcopal church, Rev. B. Watson officiating. Deceased was in his 75th year.

The Communion service was observed Sabbath evening in the Presbyterian church here. A goodly number sat down, and the pastor, Rev. Mr. McLeod gave a grand address, suitable to the occasion.

Mrs. George Duncan has been very sick for the past week, but we are glad to hear she is getting stronger.

The weather continues cold, and many people here have all they can do to get fuel and keep Jack Frost out.

The many friends of Mr. Walter Mitchell are proud to see him arrive recently with a partner in life, and a few already have made it their business to call at their cozy quarters, some of them expressing their kindness by gifts. We wish Mr. and Mrs. Mitchell a happy journey through life.

St. Andrew's Church Guild gave a social Monday evening, the 23rd, in the Parish Hall, and gave a very interesting programme, also a cup of tea and cake, all for 15 cents. Proceeds amounted to \$16.00.

A big law suit is going on to-day, the 24th. Two young men from St. Godfrey got into a fight with another man, and one of the men got the fellow by the ear and chewed the whole ear off, and disfigured the man other ways about the face. Too much rum is the main cause, we understand. The case comes up today.

PORT DANIEL

During the past two weeks the coast has been visited by severe storms, trains have been very irregular, the cold has also been very severe dropping to 26 below.

We understand a hockey match has been scheduled for Tuesday, 24th, between two local teams.

What Do You Know About It?

That's what a customer asked me recently about a patent medicine I had sold for years, and I was forced to admit that in reality I knew nothing more than what appeared on the label, wrap per and advertising.

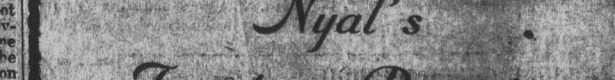

Some of the claims made were so extravagant that of course I could not take them seriously, but I concluded I had better find a line of remedies I did know something about.

The following has been taken from the "Mount Olive Tribune" which will interest many people here.
Rev. Peter McIntyre, pastor of the Mount Olive, Faison and Calypso Presbyterian churches, filed the pulpit of the first Presbyterian church in Goldboro last Sunday. Mr. McIntyre recently received a call to the pastorate of that church, and now has the same under consideration. In the meantime members of his churches and friends of all denominations are bringing all possible pressure to bear upon him in the hope that he may remain here.
It will be welcome news to his hosts of friends throughout this section to learn that Rev. Peter McIntyre, the pastor of the Mount Olive, Faison and Calypso churches, has decided to remain with his present charges, having declined a call to the pastorate of the first Presbyterian church in Goldboro.

NEW BRUNSWICKER IN A BIGAMY CASE

Had One Wife at Plaster Rock, N. B., and Another at Truro, N. S.

(Amherst News)

TRURO, Feb. 18 — Last August a man came to Truro and obtained employment in one of the local industries. Later on he met a young woman and they kept company up to six weeks ago, when he took out a license conducted the young woman to a local clergyman, and they were married, unknown to the young woman's parents.

Matters seemed to have run smoothly for a time, they living with relatives of the bride. In due course the young wife met a man from New Brunswick, where the husband came from, who told her that he had a wife and three children there.

She then charged her husband with what she had heard. He said he had lived with a woman, but was not married to her. However, they quarrelled and the young woman went home to her parents and told her story, with the result that they got an enquiry on foot.

They wrote to a doctor in the place in New Brunswick, Plaster Rock, where the man came from, and received a reply to the effect that the man had a wife and three children there. They then laid the matter before a magistrate here, who is reported to have said that the man might not have been married to the New Brunswick woman. This caused the parents to make further enquiry of the New Brunswick doctor, and they received a letter to the effect that he had taken a magistrate and gone to the woman, who made affidavit that she had married the man in question thirteen years ago, and that she had children by him. She even gave the name of the minister who married them. She said he left her and the children last August in destitute circumstances.

The matter will now be reported to the Attorney General of Nova Scotia and New Brunswick. In the meantime he of two wives skipped out from Truro last Saturday and his whereabouts are unknown, though it is thought he went to the nearby lumber woods and is in hiding there.

Catarh Cannot be Cured with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarh Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarh. Send for literature. F. J. CHENEY & CO., Props. Toledo, O. Sold by Druggists, price 75c. HAD VERY NARROW ESCAPE IN STORM

Family on the Upper St. John River in Serious Plight in Recent Snow Storm

(Bangor Commercial)

Madawaska, Feb. 16—Gaspard Violette, his wife and four children, all under twelve years of age, who live on the New Brunswick side of the St. John river, nearly lost their lives when lost in the blizzard here Saturday.

Mr. and Mrs. Violette, together with the youngsters, started from home intending to drive half a dozen miles to a farm house to spend Sunday with friends. The storm increased in violence and they were barely able to make headway. At length they were unable to face it longer and Mr. Violette decided to abandon the trip and return home. It was nearly dark and, in attempting to turn his horse, the animal went into the deep snow at the side of the road. Startled by his plunge, the animal commenced kicking, falling on his side and breaking the traces.

The plight of the family was desperate. They were several miles from the nearest house, and progress through the storm on foot was impossible. There was snow in the bottom of the sled and Mr. Violette had about decided to pass the night there when he saw, looming dimly in the edge of the woods, what appeared to be a log camp. Wading through the snow drifts above his waist, he at length made his way to the camp to find it half ruined. There was a delapidated stove inside, however, and a quantity of fire wood.

It was a difficult task for him to get his wife and children through the drifts, but he at last succeeded, and they all reached shelter inside, taking their robes with them. Then came the effort to start a fire, which proved even harder. At length a small flame was craked into being and, finally, a roaring fire was under way, around which father and mother and children hovered. They rubbed their frost-bitten extremities with snow but, for a time their suffering was intense.

Later, Violette managed to rescue the horse from the drifts and, by means of an improvised snow shovel he succeeded in clearing a way for the animal, which was also given shelter in the camp. The children slept, but Mr. and Mrs. Violette did not dare leave the fire, which they nursed carefully all night. When morning came Mr. Violette succeeded in making temporary repairs to his harness and sled and they reached home after a hard battle with the drifts.

HOUSES MAY SOON BE LIGHTED FROM MASTS ON ROOFS

London.—It is announced that Signor Marconi has succeeded in lighting, through the agency of wireless, an electric lamp by electricity at a distance of six miles. A bulb was attached to a receiver connected with an aerial receiving wire. The transmitter was linked up with a 100-horse-power apparatus, and as soon as the power was applied the lamp lighted and remained lighted so long as the power was kept on.

The experiment brings a step nearer realization Nikola Tesla's prediction of long ago that houses would eventually be illuminated by electricity caught from the air by masts on the roofs, and Signor Marconi hopes that it will be the forerunner not only of lighting, but of heating houses by electric waves. At present, however, Marconi is giving his main attention to aerophony.

Montreal, Feb. 17.—It is reported in shipping circles that in the coming navigation season the Canadian Northern liners Royal George and Royal Edward may not come to Montreal, but may use Quebec as their terminal port. According to the tentative allocation of berths at the harbor, a number of changes have been made, amongst which is the shifting of the Royal liners from their old berth, to the new one.

It is understood, is not satisfactory to the company.

INSECT INJURIES LARGELY INCREASE

Damage to Forests by These Pests Now Largely Exceeds That of Fire

As the result of recent scientific investigations of insect ravages in British Columbia it was found that in some places forest insects had destroyed twenty-five per cent of the timber crop. In California on the Sierra National Forest, the damage done by insects last summer far exceeded that done by fire. In Eastern Canada the bark beetle on the pine, the bud-worm on the spruce and the saw fly on the larch have done so much injury to the forests that special legislation for their control has been passed by the Federal and Provincial Governments. Indeed, as a result of the continued ravages of its worst insect enemy (the large larch saw-fly) the larch, or "tamarack" is gradually becoming commercially extinct in Canada.

The present plagues of insect pests in the forests of Canada is due largely to the recent ravages of forest fires, which killed or weakened the standing timber and thus provided vast feeding grounds for these insects. It is for this reason that forest fires are so much dreaded by timber owners, for it is not often that the fire itself destroys the merchantable value of the timber. Usually it is the wood boring insects which follow in the wake of such fires that make the timber unfit for lumber and have a large share in causing the millions of dollars loss which the nation suffers annually.

To attempt the wholesale control of the insects themselves would be a hopeless task, but by eliminating fire-damage, wide-spread insect-damage may also be automatically prevented, for healthy trees are not susceptible to attack. By segregating forests reserves, on which the percentage of fire loss during the last summer was smaller than on any similarly protected areas in America, the Forestry Branch of the Department of the Interior is taking a leading part in the control of insect ravages.

AN ILLINOIS PASTOR MARRIED WRONG BRIDES

Near-Sighted Minister Mixed Up Couples and Caused Trouble

Champaign, Ill., Feb. 17.—Rev. Alfred Wicks, pastor of the Methodist Episcopal Church at Rantoul, Ill., is near-sighted. He officiated at the double wedding of Miss Florence M. Sander to Charles L. Remert and Miss Mabel Sander to J. Oscar Tuboren. Both the sisters are young and pretty. The couple were attendants to each other. The brides' names being the same, the minister got twisted and married the wrong couple. Then he started all over again and got it straight. Tuboren, who was accidentally married to each of the girls, tried to kiss his sister-in-law and was knocked down.

This is the season of the year when mothers feel very much concerned over the frequent colds contracted by their children, and have abundant reason for it as every cold weakens the lungs, lowers the vitality and paves the way for the more serious diseases that so often follow. Chamberlain's

Don't be satisfied with anything less than an Edison Phonograph

Throughout the history of sound reproduction Mr. Edison has blazed the trail. Every important step has been conceived first in his mind. He is the acknowledged master of acoustics throughout the world. His recent triumph is the Blue Amberol Record.

It came, after countless experiments, with all its strength of volume, sweetness of quality and lasting endurance. To bring out the remarkable tone of this new record demanded a new reproducer. He invented it—the Diamond Point Reproducer. With it there is none of the annoyance of changing the needle after each record. The diamond is as much a part of the phonograph as is the beautiful cabinet.

Here a Blue Amberol—that's all we ask. Your Edison dealer will play over as many as you like. We are anxious to have the records with your set.
