# BRUNSWICKAN REVISITED

Brunswickan (Feb. 5)—Joanne Corbin and Jim Bruce, officers of the recently formed Students' Activities Commission talk it over after the Oriental Bazaar held in the Ballroom of the Lord Beaverbrook Hotel. The SAC raised over \$1500 at the bazaar which ran two days.

★ ★ ★ ★

## Construction Will Begin in Spring

Brunswickan (Dec. 12)—After several years of investigation, financing and delays, the Student Centre of the University of New Brunswick is fast becoming a reality. The University Senate approved the plans for the building last week, and construction is expected to begin early in the Spring. The money for the new centre has been raised by the efforts of the Associated Alumni during the past few years, and plans include most of the facilities now lacking on our campus.

Plans include a cafeteria, common room, offices for the Year Book, Brunswickan and SRC, Ladies' and Men's lounges, and a dark room for the camera club.

## UNB SPONSORS CUP CONFERENCE

Brunswickan (Nov. 23)—Last Friday the Maritime Regional Canadian University Press Conference, held in the Trophy Room of the Gym, brought together four Maritime university papers to discuss common problems and improvements. Brunswickan Editor Betty Lou Vincent acted as chairman.

Delegates to the Conference were: Mr. Jean Vincent, Dalhousie Gazette; Evelyn Bennett, Louis Clapp, Owen Kennedy, The Xaverian Weekly; Shirley Eagles, Joan Allen, Everett Nickerson, Lorne McLellan, Donald Baird and Tom Gardiner, The Athenaeum Acadia; Betty Lou Vincent, Colin Harrowing, Jim Currie, Frank Walton and Jud Purdy, Brunswickan.

It was decided that in the future, all requests for cuts and sports stories would be sent to the CUP editors of the various papers, instead of Sports editors. In the open discussion period of the afternoon, plans were made to have a feature exchange among the Maritime papers, each paper sending a feature story on his university with cuts to the others.

## INTRODUCING THE ANNUAL BRUNSWICKAN REVUE

UNB (Special)—With this issue the Brunswickan is inaugurating a new service for the students at UNB. We are trying to provide for the members of the campus a short but complete resume of the college year in these six pages. All the copy in this week's issue, except that of the columnists and page three has appeared in the twenty issues of the past year.

### ART CENTRE

March 22—Bach Easter Cantata  
"Christ Lag in Todes Banden"  
Hayden—"Symphony 93 in D"  
March 27—Gilbert and Sullivan  
"Trial by Jury" and "HMS Pinafore"  
D'Oyly Carte Recordings

As a matter of fact, it has been the best 1952-1953 college term in years, as Mr. Sam Johnson would say. His austere friends, Messrs. Tobicles and Eureka, upon peering out from under the residence spotlights, claim that they too put in a fine season, even if they have been sunburnt all term. Murph and Hatch, the perennial Foresters, are leaving UNB with the fond feeling that the Senate has heard their regular uproar at last and that next year students will find ten inches of asphalt on the campus roads. Mr. Spectator is leaving by the back door but he also feels that he had a marvellous year calling the MIAU, the Senate, and anyone he felt like calling, the meanest.

Brunswickan (Jan. 29)—Wilma Sanson applies the paint to Ralph Hay just before he is about to go on stage as "Chilly" in the Drama Society's presentation "Fortune My Foe." The three act play was the highlight of the Society's year and was presented in Fredericton this week. It was also presented in the New Brunswick Drama Festival.

★ ★ ★ ★

## Donor Results Poor

Brunswickan (Oct. 23)—The annual fall blood donor clinic closed its doors to the university campus last Wednesday. The number of donors was far below the turnout anticipated by the committee and by the Red Cross.

The figures below are approximate only. Official figures will be given out as soon as the faculty receives them along with faculty percentages.

No. of grads eligible to give	39
No. of undergraduates	521
Total number of donors at Clinic	223
Percentage of student body	38.6%

## Campaign to Open

Brunswickan (Feb. 12)—A European Flood Relief Campaign has been initiated on the campus by the Students' Activities Commission. Plans were laid for the fund raising drive at the weekly meeting last week. The SRC endorsed the drive and it is now in full swing.

Full details of the campaign were not available at press time, however, they may be found on the posters in any of the University buildings. Plans have been completed for holding a flag day, tomorrow, Friday.

## Frosh Monster Is Awakening

Brunswickan (Dec. 4)—The slumbering monster is awakening! Last Friday night the Senior Class had a gratifying turnout for its Social and then on Monday afternoon some 60 Freshmen gathered in Mem. Hall to discuss their problems.

To get the meeting under way, Frosh Prexy Fred Drummie introduced the other members of the executive—vice-president John Burns and secretary-treasurer Diane Edwards—as well as SRC reps Don Thornton, Ron Rowe and Larry Fowler, to those gathered in Memorial Hall.

So we bid goodbye to you all for a few months while our staff ventures out into the cold world of work for another five months. We have been seriously considering sending a brief to the Senate requesting shelter from such a disgusting thought. Imagine living on the campus all summer. We could erect a golf course on the lawn in front of the Arts Building (slightly higher handicap for going down hill) and a swimming pool in the President's living room (slightly lower handicap for swimming uphill). The Province of New Brunswick could support us all summer with liquid assets and the Dominion of Canada could send us returns on Income Tax forms to keep us in spending money. See you next year.

## Resignations Rejected

Brunswickan (Oct. 30)—The SRC last week rejected the resignation of SRC President Bob Spurway and NFCUS Chairman Colin Harrowing following a five-hour meeting in which the two delegates to the NFCUS Conference explained their action in allowing Laval to have a veto power in the exchange question.

Following a complete report of the events of the Conference SRC members questioned both delegates as to the reason for their stand. In their report they stated "We failed at the time to realize the full significance of our stand as regards giving a minority the power of veto, and in reviewing the whole issue since the Conference, we realize that our action amounts to total disregard of one of the main democratic principles."

Brunswickan (Nov. 6)—The General in an aura of shocked surprise as his chariady extemporizes on the facts of life.—A scene from the fall performances of the Drama Society presented last week at the Teachers' College Auditorium in Fredericton. Miss Claire Douglas portrayed the charwoman and Neil Oakley was the General. There were three plays presented in the fall of '52, "Reunion," "Fumed Oak," and "Press Cuttings."

★ ★ ★ ★

Brunswickan (Jan. 22)—While most of the Student population of Canada was at home on holidays, history was being recorded at UNB as the first Eastern Regional Conference of the Student Christian Movement met on the campus. The following universities were at the meet: Toronto, Western Ontario, Queens, Carleton, McGill, Mount Allison, Acadia, Dalhousie and UNB. Over 70 delegates were in attendance.

Vol. 73 FREDERICTON, N.B., MARCH 19th, 1953 No. 20

**HOPE UNLIMITED: NO 1**

Brunswickan (Oct. 9, '52)—This issue marks the beginning of the Brunswickan's eighty-fifth year of publication. It has grown from a monthly journal of the arts and sciences to a six-page weekly covering the activities of every faculty present on the campus today.

This paper is a member of the Canadian University Press, is received by every other university of the Dominion, and in most cases it is our only representative to Canadian students from coast to coast. It is therefore essential that it should include the news, views and comments of the greatest number of societies and students as possible, if UNB is to be represented realistically and to its best advantage.

Everyone cannot be a full-time member of the staff, but all students, by taking only a few minutes of their time, can give their opinions on campus activities and problems, suggest any improvements they would like to see, and in general, give their co-operation to the Voice of the Students. The co-operation we have received so far is encouraging, but everyone should see that he does his share. Letters to the Editor, columns and such medium are your way of showing that you are interested in the way your university is represented throughout the country.

The Annual Maritime Regional CUP Conference is to be held here within the next month, when members of all Maritime CUP papers will meet to discuss common problems to be presented at the national conference in December.

It would be fitting on our eighty-fifth anniversary, and the year that we are in the Maritime spotlight, if we could make an all-out effort towards the Jacques Bureau Trophy, which is awarded to English-language newspapers of circulation under three thousand. In the immediate past the Brunswickan has unfortunately been outrun by most of the other papers in this category. There is no reason why this year cannot be The year. Can we count on your co-operation?

**HOPE UNLIMITED: NO 2**

Brunswickan (Feb. 26, '53) With this issue the Brunswickan undergoes one of the greatest changes of the past few years. The entire editorial, news and make-up policies of the paper are hereby conforming in the best tradition of journalism. The Brunswickan stands on the brink of an abyss. For better or worse, it shall be a bold newspaper, first last and foremost.

Our greatest change has been in the quality of the newsprint. The "Book Paper" used previously cost the Brunswickan \$15.00 more an issue — 20 issues meaning \$300.00 and this broken down into students' funds is a cool fifty cents per student per year wasted on "tony" appearance that is used by only two other college papers in Canada.

The editorial staff of the Brunswickan has extended its news coverage with an eye to more news stories of shorter length. The news departments now has two deadlines a week—Thursday and Sunday at seven in the evening. This is the first in the series of scheduled moves to publish the Brunswickan at least a day earlier than at present.

The sports department now has the services of an increased reportorial staff to further its coverage of campus sports.

So with the publication of this 17th issue of the Brunswickan the vast change has begun. Your criticism and suggestions are welcome, and although it is too late in the scholastic year for the students to plunge into a sea of journalism, we are meeting every Thursday and Sunday nights on the campus and any new faces (male or female) will be a decided asset for our expansion plans next year.

The Journal of Samuel Johnson

Mar. 9—Up to the hill this morning at the stroke of twelve to capture some of that learning which has been so elusive this year. Have been informed that this will be the last issue of Herring Choker News to be published so down to the Chemistry Lab and into the still for some 200 proof as this will be a solemn occasion. There did parlay nothing into about 100 cc of that well known substance and did reminisce over the events of the past year. Did remember how CCM Bicycle did acquire a new and permanent secretary and now see that they have no funds for him. It has been the typical same all year in all societies as they realize that there is just not enough monies as there used to be. There are just too many "Give" "Get" "Bleed" "Donate" "Save" "Aid and Abet" Campaigns going on in these trying times. Was able to finish 100 cc quickly.

Mar. 10—Did see that today that Mr. Mal and Cough repeat that his policy is peace, and that the Supreme High-Handed Soviet has unanimously approved of the selection of Georgy as the 1 ic. It is so nice to have the boys behind you, that is, as long as they are not twelve miles behind you. Some of the delegates travelled over 1,000 miles to come to the meeting of the Supreme High and Mighty Soviet to hear little Georgy parrot a speech. The meeting lasted 67 minutes and then Georgy shipped them all home again. He might have saved some pennies by recording the details and sending them a platter or two to all concerned. Also did find out that Gotwell got very well indeed and is spending the rest of his days six feet deep. I admire these Russians very much. When a man gets fired over there they also cremate him. A most thorough process.

Mar. 11—My friends in Sin Yawn have told me that a great new experience will happen to the Da Louisey Guzzlete next year as an editor of the Halifax Wail will be the man behind the scenes on the campus. He claims that he is a man of vast experience and can detect news by the mere smelle of the air. Only this week while serving his shift (night) he heard the sound of fire engines and exclaimed "Aha just a chimney fire, let us proceed on the small smash we have laid out." It was a chimney fire all right, seven people went up in smoke in the North End and he didn't have a word of it in the Wail. My congratulations to the Da Louiseys and I am sure they will receive the Breaux Trophy for the best student newspaper. They will probably have it thrown at them.

Mar. 12—Today being the last Thursday in the week and also the first, it seemed good occasion to celebrate all the Thursdays past and present, with a little remedy being most ably preserved these days in the Government No-Bargain Basement. SO down to the store and in to see what was in store for unsuspecting customers today. Did perceive on the shelves some Dearrear and some Old Latrine but did not see much else. After hearing Phlemming descry day after day that Old Burntwick is on the verge of greatest financial boom in the history of the province I can see how they are going to do it, but I wish it was not at the expense of those who already know what a brew can really taste like. Phlemming and Peanut Brittle aren't sipping these evil mixes themselves and they should not poison the economy by flooding the market such as they are. Also hear that our cousins to the East water down a gallon of rum with a gallon of water before selling it to their customers and it has come to mind that our provident ministers are probably watering at a ratio of one spoon of rum to one gallon of St. John River. Fie upon the whole administration.

Mar. 13—Did embark today on the thirteenth or fourteenth party to be held for the departure of the UNCrumbly Swim Team. They are an admirable bunch of swimmers, noted for swimming in more liquid mediums than one and have already spent their budget thrice over in getting in condition and sponsoring going away parties for their motley crew.

By MURPH and HATCH  
 Smile again you non-Foresters! Our ink runs diluted with tears as we painfully scrawl this our last column. The canteen is having a sale on Kleenex for people to sob into at this crushing news. We feel proud that we have been able, through adherence to all the rules of journalism, to bring factual and unbiased reporting you two years of the best in Amen.

Wed like to say at this time, that if we've hurt anyone's feelings during our career we're happy, because they probably deserved it. But on the other hand (besides the four fingers and a thumb) if we've given anyone a laugh we feel even happier.

We'd like to thank our dear readers for bearing with us and hope they will bear with our new editor in the future. Being an artsman, he has quite a bit to learn yet as you can see in this issue. The first two issued under the new management were so full of new ideas that there wasn't anything left over for this one. If your memories are short you'll probably enjoy this paper too. We hope that familiarity doesn't breed contempt.

We're running a little short of Balsam boughts and Larch leaf laurels so we'll have to suffice with a mere "thank you" to the many people who have contributed material for this column or who have brought topics to our attention. Thank you.

We wonder if infants have as much fun in infancy as adults have in adultery.

The Forestry Association remained as usual the most powerful and energetic body on the campus this year. We could go on for pages describing its many activities but this week's exciting installment in the life at "Slam-you-all Jacksboy" has taken up too much room so we'll have to let the wonderful activities of the association speak for themselves. (we're proud of this last sentence).

Having run out of hearts and flowers material we will turn our final efforts to the field of good humor usually found in this column. If you think they are bad, wait until you've seen the Red'n Black!

Golf Pro—"No, use your brassie."

Co-ed—"But I don't wear one in this hot weather."

Drunk in a phone booth: "Number, hell I want my peanuts."

## SIGMA LAMBDA BETA RHO

It is a sad and irrevocable fact that the bad things in life are limitless whereas the good things are few in number and mostly brief in existence. And so it is that, like the skinning of a banana, our column must come to an end. During the past few months, your columnists have attempted to shed a little light on the various Residence activities, both obvious and not so obvious. Doubtless we have irked a few of our readers but at least we have helped fill a blank space in the Brunswickan. For the last time, therefore, we now throw open the Residence doors and reveal some of the intrigue permeating through the venerable structure.

Throughout the year this column has been devoted almost exclusively to the activities of male members of the House. We feel that it is high time that tribute was paid to one of the fairer sex who graces the halls of our Residence. So it is this week that we are pleased to honour the Residence's leading lady, Christina.

Christina is endowed with a great love of culture and her tastes with respect to calendars are well known. A singer of great merit, she may occasionally be heard singing popular songs over the local radio station in her beautiful child-like voice. Full credit must be given where credit is due, however, for we would like to point out that Christina is one of the oldest inhabitants of the Residence. Therefore, in recognition of her services to the residents over the years, we would like to award Christina the much sought after title of "Woman of the Century." May she reign happy and supreme for many years.

It is very disheartening to realize that the eloquent pleas made in this column throughout the year the repair of the Residence clock and removal of the garish spotlight have gone unnoticed. It is a sad state of affairs when a corporation such as this cannot afford to repair a broken timepiece. After a year of observance, we are convinced that something worse than student apathy exists on the campus. It is administrative apathy.

In choosing our Man of the Week for this last week of publication, we were fortunate in having a very outstanding candidate. No winner has ever been more deserving of this honour. Thus Sterling Shephard was our unanimous choice. The Red'n Black Revue is currently being staged and Shep's efforts have been most instrumental in making the show a success.

EUREKA & TOBICLES

# Red 'n Black Great Success

UNB (Special)—The Red 'n Black Revue has gone over with a bang for the sixth straight year. Last night before a packed house the time and energy of 120 people expended over a period of three months bore fruit and the result was well received by the audience. Outstanding in his part as Master of Ceremonies was Jim MacDonald from Ontario. MacDonald made history last night as the first Freshman to ever MC a UNB revue. Forty people took part in the behind the scenes activities of the show while the cast consisted of over 80 students. The Revue will continue for the rest of the week at Teachers' College Auditorium.

## CON, MARCH 27

UNB (Special)—The last big fling of the student body of UNB will take place this year on March 27 as the Students' Council sponsors the annual Con.

Miss Noreen Donahue has notified the Brunswickan that those wanting tickets to the ball may obtain them from her from now until the evening of the dance. Her committee will dun all those who are guests at the ball.

Revue personell were under the charge of Sterling Shephard, the producer of the show. Directors were: Kirby Johnson, Peg Stewart, Dick Ballance and Bill Barwick. Dance directors were Mrs. Roberts and Mrs. Milligan. Willie Schure was the stage manager and his assistant was Bill Beatty. Dave Fair was in charge of stage properties. Bud Mackley was on Sound and Greg Hayter managed the Lighting. Bill Barwick applied the makeup to the cast. Costumes were handled by Marg Vermeeren and Mrs. Taylor. Ralph Campbell, Ian Kennedy and Herbie Weber were on the Music Committee. John McTavish was the Business Manager while Dave Vine handled Advertising and Publicity. Programmes were under the direction of Bill Cockburn and the Ticket Sales were in the hands of Dave Snowball and Ralph Donkin.

The Revue consisted of fifteen acts and included such numbers as: the grand opening in Club 525, It Happened in Hawaii, Fantasy, The Dance of the Eight Veils, Love Letters, My Hero, Survival, and several solo numbers. Singing in the Revue were Noreen Donahue, Jim Otto, Don Stephens, Ted Cleland and Gunsmoke. There also were two chorus lines in the show as both students and Co-eds got in the act with dance numbers.

The Revue was started in the Spring of 1948. It was the brainchild of a small group of students on the campus that snowballed into one of the most awaited events in Fredericton.

## SRC in Russian-Canadian Quandry

UNB (Special)—Hardly in session two weeks, the new Students' Representative Council of UNB has been confronted with a complex and burning question. The problem and bug-bear of all Canadian Universities, "The Russian-Canadian Student Exchange" has again reared its ugly head on the campus. That the problem is not as simple as it looks, became quite evident to the council after a debate that lasted some three hours. Words flew thick and fast the whole evening on the heated subject. After a long period of debate, the SRC approved of the plan in principal but they could not see the movement working out in practice.

## Arts Festival Plans Released

UNB (Special)—Plans are moving apace for the coming Annual Festival of Arts to be held on the University of New Brunswick Campus. The festival is a showing of the arts and crafts of all those connected with the University. This year's showing will be held in the Art Centre on the campus from March 21 to March 28 and will be open morning, afternoon and evening to visitors.

Several outstanding evenings have already been booked for the show as representatives from the Drama Society, the Photogrammetry Division, the Faculty, the Men's Chorus and the Poetry Society, as well as several other groups have indicated that they will produce evening programmes during the week long show. Dr. A. W. Trueman, president of the University, will also appear during the week giving an evening of vocal music. He will be accompanied

by the Male Quartette and the Men's Chorus of UNB.

Again Miss Jarvis asks that creative work completed during the year is solicited from all people, either students, faculty or staff on the campus. Any medium will be accepted, such as literature, music, photography, handicrafts, sculpture and paintings.

## Class Life Executive

UNB (Special)—The annual elections for the Senior Class Life Executive were swamped yesterday by the election to office of Fredericton students in all the posts open for voting. President of the Life Executive is Bob Spurway, senior Forester and the Past-President of the 1952-53 Students' Representative Council.

Pat Miller, senior Arts, won out over Marg Vermeeren in a close contest for Vice-Presidency. Carman Bliss, senior Engineer is the Life Secretary Treasurer and John Bishop a last year Artsman has been elected Valedictorian.

## Doomsday Fast Approaching UNB

UNB (Special)—Doomsday is upon all the students of the University of New Brunswick now that the timetables of the final exams have been posted in the hall of the Arts Building. Although Doomsday is generally considered by all to be of some 24 hours in length, UNB's is a bang up affair and is slated to cover the best part of two weeks. The beginning of the end starts on April 27 this year and the final day of choice between heaven or hades falls on May 7th.

Although several faculties will be run through the mill in three or four days the Business Administration Classes can reconcile themselves to a full two week session, writing their last exam on May 7. Other classes will clear up their troubles in a much quicker time but the advantage of long in-between periods for study is too good to pass up.

## Students Retain Golf Championship

Brunswickan (Oct. 5, 52)—In the annual Student-Faculty Golf Tournament played last Sunday at the Fredericton Golf Club, the Students successfully defended their championship, winning the eighteen-hole match by a score of 21-9. The Nassau method of scoring was used. Three points are contested in a match play between each twosome. One point is awarded for each nine holes, and a third point on the total for eighteen holes.

Nineteen golfers participated under weather which, although cloudy, windy, and cool, was favourable for golf. A student tournament had previously been held on the afternoon of September 24 to establish the draw.

Faculty captain Pete Kelly Sunday evening stated that his team would commence training for next year's matches.

Students	Pts.	Faculty	Pts.

## Merrill Connell Teams Lead Freshmen

On Tuesday, September 23, the annual sports night, a highlight of Freshman Week, was held in the Lady Beaverbrook Gymnasium under the supervision of the Physical Education Department. The Frosh played volleyball, table tennis, shuffleboard and bowled. The results showed that teams led by sophomores Don Merrill and Lucy Connell had tied for first place, with Dave McClelland's charges coming in a close second.

	Volleyball	Bowling	Tennis	Shuffleboard	Total
Lucy Connell	20	20	20	20	80
Don Merrill	20	20	20	20	80

## Bombers Dump St Thomas

Brunswickan (Dec. 4, 52)—The Red Bombers did something on Saturday which they hadn't been able to do all season—namely, defeat the Tommies. Not only did the Bombers win, but they won decisively by a score of 22-5 and outplayed the Chatham boys in all departments with the possible exception of punting.

The outcome was never in doubt. Before the fans had gotten completely settled UNB had taken the lead 5-0. Pollock received the Tommies opening kickoff in UNB territory and picked a path through the end zone for a touchdown. A few minutes later, a Bomber third down kick was fumbled by the Tommies on their 10-yard line with the Bombers recovering. Four plays later, Schure had crossed the line and kicked the convert to put the score 11-0. Late in the first quarter the Bombers threatened again but a field goal attempt went wide and the quarter ended 11-0.

Throughout the second quarter, the Bombers kept the pressure on and the Tommies didn't get their offensive past the mid-field stripe. Another field goal attempt by Schure went wide and the half ended with the Bombers ahead 11-0. Outstanding was the work done by the Bomber line. The Tommies were forced to kick no less than 3 times and lost the ball on the 2rd down once in this quarter.

Opening the third quarter, the Tommies drove to the Bombers 28 where an attempt at a field goal failed. Naysmith, on this play showed some smart running and got the ball out of the end zone, from where it was kicked to the 40. Some good running by O'Brien and Boyle of the Tommies brought the ball to the Bomber 30. A sleeper pass play which clicked produced 5 points for the Tommies; the convert attempt being blocked. Near the end of the quarter, Pollock intercepted a pass and put the Bombers on the Tommies 20 yard line. Schure took the ball for a first down to the 10, and two plays later scored a major. At the end of the 3rd quarter the score read 16-5.

Again in the last quarter Schure scored a major after a pass to Pollock put the ball on the Tommies 10 yard line. Final score Red Bombers 22, Tommies 5.

Standouts of the game were Willie Schure's 16 point scoring effort, Pollock's great running and pass receiving, the hardrock playing of the UNB frontwall which time and again opened up huge holes for the backfielders, and the ball carrying of O'Brien and Boyle for the Tommies.

## DAL WINS MARITIME INTERCOLLEGIATE BONSPIEL

### SIX UNIVERSITY GROUPS AT HALIFAX LAST WEEKEND

Dalhousie University curlers won the Canadian Permanent Trust Company Trophy in the Maritime Intercollegiate Bonspiel held in Halifax on March 13th and 14th. The six University groups represented in the curling championships played on the ice facilities of the Halifax and Mayflower curling clubs were: Acadia, Dalhousie, Mount Allison, Saint Mary's, UNB, and UNB Law School.

#### Halifax Mayor Opens Bonspiel

The 48 college curlers present, led by a piper, paraded in the traditional Grand March around the ice surface. With the curlers lined up on both sides of lane three, Mayor R. A. Donahoe then threw the first stone to officially open play. He was assisted by the president of the Halifax Curling Club.

The scoring of the bonspiel was based on the point system, twenty points for a win, two points for each end won, and two points awarded to the winning rink for each point difference in the score of the game. Ten points were awarded each rink in the event of a tie at the end of the six-end match and one point was awarded to each rink in the event of a "bald" end.

The bonspiel was divided into two sections with one rink from each university playing in each section. In the round robin draw each rink played four games with the combined total points of a university's two rinks going to determine the winner.

The end of the first day's play saw Dal rinks in the lead, with a total of 220 points Acadia second with 174, Mount A 165, Saint Mary's 165, UNB Law School 168, and UNB 68.

#### GAME RESULTS

**Section A**  
St. Mary's—F. Hanlon, P. Hickey, B. Hanrahan, B. Flinn—2.

## GRADS OF 1953

The Year Book Editors are very anxious to have all photos for the 1953 Year Book ready for the engravers by March 30th, 1953 in order to get the book printed and delivered before Encaenia.

We have gowns, hoods, bow ties, etc. for the boys and can photograph at least six or eight graduates daily.

We shall co-operate in every way possible with the Year Book Staff.

HOOT IN ACTION

## Mal Millar takes First Place In Maine Cross Country Race

Brunswickan (Oct. 16, 1952)—For the first time in five years of competition the UNB team has taken first place in the annual four mile race with the University of Maine. Mal Millar, senior forester veteran of five years' competition with Maine took first place with a time of 22.23. Mal has previously taken second place twice, and third and fourth place once.

The total score, although lower than Maine, is the best ever for UNB with relative totals of 21.18. Last year's score was 18.45. The method of scoring gives one point for first place and fourteen points to fourteenth place, with lowest score winner.

The race got off to a fast start with UM leading. Mal Millar took the lead from the three Maine runners at the half mile mark and steadily increased it to the finish line. Mal's nearest rivals were 150 yards and 19 seconds behind.

The UNB Team chosen from trials last week took the following positions:

- 1 Millar, M., Forestry.
- 6 Terris, D., Chemical
- 10 Swan, B., Electrical.
- 11 Laviolette, H., Electrical
- 12 Washburn, R., Civil.
- 13 Gorman, T., Civil
- 14 Lister, J., Forestry.

The University of Maine boarded the team, coach Amby Legere, Man-

ager Reddin, Drivers MacTavish and Pinder at the Phi Gamma Delta fraternity house and asked the visitors to be their guests at the biggest football game of the year with New Hampshire.

### Intramural Volleyball

Response to the formation of an Intramural Volleyball series has been very poor, but it is not too late to register, but those interested are asked to do so immediately. No past experience is necessary, which is the policy for all Intramural sports.

### UNB Curlers Tie Lawyers

Brunswickan (Feb. 26, 53)—Two UNB curling rinks travelled to Saint John last Friday afternoon to play against UNB Law School rinks. Making the trip were rinks skipped by Bill Cockburn and Dave Bradshaw. The Cockburn rink made up by Irvin Mitton, Ian Whitcomb and Weldon Graeser played against Don Levesque's Law School rink. The match, a thriller to the last stone, ended in a 7-7 deadlock as the siren went announcing the end of playing time.

The Bradshaw rink, consisting of Norris Carroll, Dale McMurray and Dave Graham came out on the losing end of a 11-5 score in a game against Terry Kelly's Law School rink.

Plans are being made for UNB rinks to participate in the Maritime intercollegiate bonspiel to be held in Halifax on March 13th and 14th. The Dalhousie University Curling Club is sponsoring the bonspiel.

The curling budget partially covering the cost of intramural curling was passed at last week's SRC meeting. Skips are asked to collect fees from their rink members as soon as possible.

### CO-ED PLACE FIFTH IN BOWLING TOURNAMENT

Brunswickan (Feb. 19, 53)—Results of the Canadian Universities Telegraphic bowling tournament have been released, and this year the UNB Co-eds placed fifth, which is the best showing to date in this tournament. This is the annual tournament held between the Co-eds of the universities across Canada. This year, University of Saskatchewan took the honours.

Total score results:

University of Saskatchewan	2876
University of B.C.	2709
University of Manitoba	2686
United College (Winnipeg)	2650
UNB	2403
McDonald College	2375
Brandon College	2371
McMaster University	2330
University of Western Ont.	2270
Mount Royal College	2228
Luther College	2109
St. Patrick's College	1754

### U.N.B. To Play Commercial Hockey League

Brunswickan (Oct. 16, 52)—The UNB Senior Varsity Hockey team will definitely play in the Fredericton Commercial Hockey League this season. This will give the team the chance to get some games under their belts before the beginning of the Maritime Intercollegiate play-downs which are slated to be run off in late February and early March.

After a long debate at last week's meeting the SRC turned down a motion for the withdrawal of their support from Varsity hockey until after the Christmas recess. On Thursday night the team was entered in the commercial League by Coach Kelly.

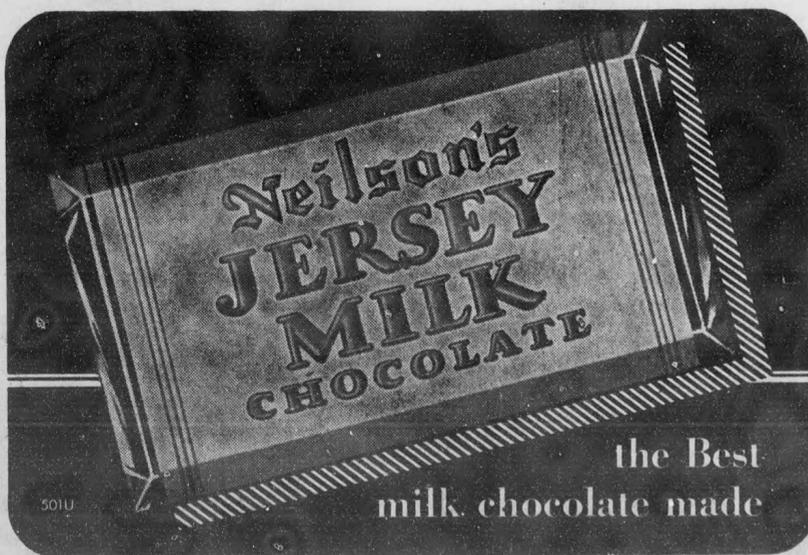

This season the league will consist of four teams. They are the Merchants, Army, the Power Commission and UNB. The league will begin its schedule around the first of November. The games will be played at the York Arena on Saturday evenings, with each team playing one game per week.

# HIGHLIGHTS OF THE PAST YEAR

## Brunswickan to Save SRC \$300 "Book Finish" Is Unnecessary

Brunswickan (Feb. 26) Routine investigation through the past accounts of the Brunswickan by the new editorial staff has revealed that fifteen dollars an issue has been spent to maintain the "book finish" on the paper. This amounts to three hundred dollars a year imposed on the funds of the UNB Students' Representative Council. As of this issue, all remaining issues for the year will be printed on regular newsprint.

It was revealed today that four years ago, when the Brunswickan was changed from newsprint to "book finish" there were two factors influencing this decision, the first of which was the desire on the part of the Brunswickan staff to win the Canadian University Press trophy for the best collegiate newspaper with a circulation under three thousand.

At that time there was small difference in the price per job lot quoted by the printers. Today the Brunswickan is being published by a new printer in Fredericton. Through a contract with the University paper he has been forced to print the Brunswickan on the best paper available. Under a new agreement with the editorial staff the Brunswickan will be coming out once a week on regular newsprint.

## Co-Eds in R.C.A.F.

Brunswickan (Oct. 16, 52)—Air Force activities on the campus will be vigorously stepped up as a result of three major developments in the University Reserve Training Plan (URTP). All three are likely to boost the already high morale of the present group of RCAF reservists. Flight-Lieutenant R. E. D. Cattley has secured a quota for three girl students to join the boys.

## Fortune, My Foe

Brunswickan (Jan 22)—On Monday night, the UNB Drama Society presented "Fortune, My Foe" at Teachers' College Auditorium. It was the crowning achievement of a two month battle to present one of the best presentations ever seen in this city. It was remarkable in many different ways; it was a modern Canadian play, it was a light comedy, and for the first time in 24 years, puppets were featured with actors on a full-sized stage.

Over 150 guests were invited to the three performances, including prominent citizens and University officials. Among those on the guest list were: Premier and Mrs. Fleming, Dr. and Mrs. A. W. Truman, Lord Beaverbrook, Hon. D. L. MacLaren and Mrs. MacLaren, A. C. Taylor and Mrs. Taylor, Hon. Claude Taylor and Mrs. Taylor, Mr. Justice W. H. Harrison and Mrs. Harrison, Chief Justice C. D. Richards and Mrs. Richards, Mr. Justice P. G. Hughes, Hon. W. J. West, Q.C., Hon. Dr. G. F. McInerney, J. B. McNair, Q.C., and Fred Magee.

## Wall Went Go

Brunswickan (Nov. 27)—The University of New Brunswick Drama Society received discouraging news this week as the Fredericton School Board informed them that they would be unable to remove the five foot plywood wall which is in position at the rear of the Devon School stage. This decision which came after a lengthy meeting at which Prof. Alvin Shaw, faculty advisor-director of the Drama Society assured the school board the Festival Committee would take down and replace the plywood wall after the Festival at absolutely no expense to the School Board. The Board turned this down, stating that the acoustics of the auditorium would be harmfully affected.

## S.R.C. President: DICK BALLANCE

## Freshman Week

Brunswickan (Oct. 23)—The following events are those which the Freshman Week committee has ascertained occurred the evening of the Street Dance:

- 1) Freshmen and others entered the lobby of the Gaiety Theatre.
- 2) Freshmen pounded on the walls of the Capitol Theatre.
- 3) Freshmen entered the Air Force Club.
- 4) Numerous private cars were rocked by Freshmen and others, and one complaint was registered at the President's office.
- 5) The police patrol wagon was dabbled with paint.
- 6) The Brunswickan Bowling Alleys were entered by Freshmen and damage was done to the upstairs alleys.

The only complaint which this committee has investigated thoroughly is that from the Brunswickan Bowling Alleys, because this is the only one which calls for a decision as to monetary damages.

## NFCUS, ISS Are Now Named SAC

Brunswickan (Oct. 16, 52)—Plans for the re-organization of the local NFCUS and ISS committees were advanced and approved in principle at the SRC meeting last Thursday.

In an attempt to streamline these two groups and to provide more of the facilities with which they can offer to the students of UNB, the present proposal will revamp the entire present system and establish a single new body to carry out the functions of these two groups locally, and to provide many new services to the UNB campus.

## S.C.M. Meets Here

Brunswickan (Jan 22)—The Eastern Regional Christmas Conference of the Student's Christian movement of Canada was held in Fredericton, N.B., from Dec. 27 to January 2. The following universities were represented at the Conference: University of New Brunswick, Fredericton, N.B.; University of Toronto, Toronto, Ontario; University of Western Ontario, London, Ontario; Queen's University, Kingston, Ontario; Carleton College, Ottawa, Ontario; McGill University, Montreal, Quebec; Mount Allison University, Sackville, N.B.; Acadia University, Wolfville, N.S.; Dalhousie University, Halifax, N.S.
