The copy filmed here has been reproduced thanks to the generosity of:

Douglas Library
Queen's University

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Douglas Library
Queen's University

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaît sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Principal—A. WALSH; Vice-Principal—Rev. A. D. CAMPBELL, A.M., Incumbent of Trinity Church, Montreal; assisted by a numerous and competent Staff of Teachers.

The course of studies is arranged to afford a thorough MILITARY, CLASSICAL, or COMMERCIAL EDUCATION and embraces:—

1. *Classics*, (upon Arnold's System;) *Science and Mathematics*, with special reference to the Public Examinations in England for Government or East Indian Appointments, the Military Colleges, or Matriculation at a University. 2. *Fortification; Surveying; Mechanical* and other *Drawing*; *Book-Keeping*; and *Commercial Penmanship*, and *Correspondence*. 3. The *Modern Languages*, *European, Hindostani, Persian, and Arabic*. 4. The various branches of an *English Education*. 5. *A Preparatory Department*.

A gentleman has been engaged in England expressly for the Mercantile Department. A Drill Instructor teaches Military Tactics each Tuesday and Saturday afternoon, free of charge to all Pupils.

For gentlemen intended to compete for Civil Appointments in India, owing to the Principal's long experience in that country, this institution offers superior advantages to insure the passing of candidates through the open-to-the-public examinations.

Terms per Annum:

Preparatory Department, £5; Intermediate, £8; Advanced, £10 10s. Payable quarterly in advance; and no deduction made for absence, except in case of sickness.

Extras.—Fortification, Chymistry, the Modern Languages, (except French,) and Drawing.

BOARDERS.

The Vice-Principal, who presides over the Classical Department in the College, receives into his family a limited number of first class Boarders.

The Rev. J. E. TANNER, Pastor of the "Eglise Evangelique Francaise de Montreal," also receives Boarders into his family; and, from 1st of August, he will assume charge of the French Department.

The Assistant Masters are also prepared to receive Boarders.

Further particulars, references, &c., can be had on application to

JAMES MULLAN, Secretary.

**SHERBROOKE STREET INSTITUTE,
FOR THE EDUCATION OF YOUNG LADIES, AND
CHILDREN OF BOTH SEXES.**

MR. & MRS. C. P. BROADWELL, PRINCIPALS,

ASSISTED BY THEIR THREE ELDEST DAUGHTERS.

The public are respectfully informed, that the above Institution was opened

**IN BLINKBONNIE COTTAGE,
152, Sherbrooke Street, 152,
(Near DeBlenry Street.)**

ON MONDAY THE SECOND OF JUNE.

All branches, solid and ornamental, thoroughly taught. Discipline firm and effective, but mild,—such altogether as to secure a pleasant state of feeling among the pupils, and gain the approbation of parents and guardians. Particular attention paid to the **MANNERS** and **MORAL DEPARTMENT** of pupils.

A limited number of female pupils can be accommodated with Board.

Mr. and Mrs. B. have had long experience in Teaching, in the cities of New York, and Newark, New Jersey. Their Daughters have been their Assistants; they have also, each taught separate Schools, with good success.

Although the particular advantages of the location of **BLINKBONNIE COTTAGE** are well known to the citizens of Montreal, we may be permitted to remind them of its elevated position—affording, with its spacious and well ventilated apartments, and surrounding forest and fruit trees, shrubbery and flower garden, a pleasant and healthful retreat from the more compact and less elevated parts of the city.

References, Testimonials, Terms, and full particulars given on application to the **PRINCIPALS**.

Mr. and Mrs. **BROADWELL** have the pleasure of expressing much gratitude to their friends and the public, for the liberal patronage already extended to their new Institution. They beg to assure parents and guardians that if unremitting efforts, aided by able and efficient Teachers in every Department, will secure success, they are determined to secure it. They thus hope to gain the approbation of parents and guardians who may patronize them,—of those who may in any wise aid in establishing the Institution on a firm and permanent basis,—and, indeed, of all who duly appreciate the importance of a correct and thorough education.

To friends who have already given proofs—and a number have without solicitation—of a lively interest in the success of their enterprise, Mr. and Mrs. B. take this occasion to express their sincere gratitude.

Montreal, July 1, 1856.

Mr. and Mrs. **BROADWELL** having had long experience as Parents and Teachers in guarding the health and morals of children and youth, announce to Parents and Guardians who may wish to study convenience or economy, and perhaps in many instances the health of the younger members of their families, during the absence of themselves from town through the hot season,—that they would afford their children or wards a safe, comfortable, pleasant, healthful home at **Blinkbonnie Cottage**. Those for whom it might be requested, would be allowed a daily or an occasional walk, mountainwise, under suitable protection. Full or partial instruction would be given, if desired, in Music, (instrumental and vocal,) Painting, Drawing, ornamental and plain Needlework, &c., and in any or all other branches.

To parties applying for the above object, satisfactory Testimonials, over the signatures of former References, School Patrons, and others, in the City of New York, many of whom are well and favorably known to multitudes in Montreal, will be exhibited.

PREFACE.

THE undersigned, in laying her second Edition of the Montreal Directory before the public (being the 15th from the commencement by her late husband), trusts that it will meet with the approbation of the public generally; every effort has been made to render the work commensurate with the wants of the community; no expense or labor has been spared; 26 pages of new names have been added, and the utmost attention has been given to the correction of any errors or inaccuracies that may have occurred in last year's issue.

The difficulty of obtaining active and efficient assistants for the suburbs, for a temporary purpose such as this, and that, during the busiest season of the year, will, she trusts, claim for her the consideration of parties residing in those sections of the City.

She also begs to return her grateful acknowledgements for the liberal patronage extended to her by the public since she has undertaken the compiling of the work on her own account, and with the assurance that no effort will be wanting on her part to render future editions of the Montreal Directory as complete as possible, she submits the present volume to their favorable consideration.

CHRISTINA MACKAY.

THE  
**OTTAWA HOTEL,**  
 78-80 GREAT ST. JAMES STREET,  
 Montreal.

—o—  
 CONDUCTED IN THE AMERICAN STYLE.  
 —o—

The OTTAWA HOTEL has undergone a complete alteration during the past winter, and an additional Wing, containing Thirty Spacious and well ventilated Bedrooms, has been added thereto. The Hotel is thoroughly fitted up with entirely NEW FURNITURE, of the most modern style, (from Messrs. Hilton's manufactory,) regardless of cost.

It stands in the very heart of the business part of the city, being in the same street and within two minutes walk of the Post Office and Banks. From the front is a delightful view of the Montreal Mountain; and on the south side a view of the Shipping in the harbor, the New Market, the Steamers in the Canal Basin, and a delightful view of the Lachine Rapids, and the Steamers descending them.

The Proprietor gives his best personal attention to the general management of the house, and Mr. W. V. Courtney, so long and favorably known to the Travelling Community, is in charge of the Bookkeeping department.

The PARLORS and BEDROOMS are light, airy, and well ventilated; the TABLE is always supplied with the best to be found in the markets; and the WINES, LIQUORS and CIGARS are invariably of the *Choicest Brands*.

CARRIAGES will be in attendance at the Railroad and Steamboat Depots, on the arrival of Cars and Boats.

A Large and Commodious STABLE, within a few minutes' walk of the House has been secured, so that gentlemen wishing their horses kept can be accommodated.

**Carriages and Horses for Partles of Pleasure,**

With careful and intelligent drivers, can be obtained at all times on moderate terms.

**Manufacturers & Importers of Pianofortes,**

Would respectfully call public attention to their very superior Piccolo and Boudoir Pianofortes. They combine the power, brilliancy, richness of tone, and lightness of touch of the Grand, with compactness, elegance, of outline, and great durability. These Instruments were much admired at the "Crystal Palace," London, and obtained the first Prize (against competition), at the Provincial Exhibition, September, 1853.

**BOSTON AND NEW YORK PIANOFORTES** of the most celebrated and esteemed makers.

J. W. H. & Co.'s long experience in Canada, both as Importers and Makers, gives them advantages in selecting Pianos in the United States few others possess.

**TUNING, REPAIRING AND REGULATING** executed with despatch, in a superior manner; the arrangements in this department being more efficient than in most other houses on this Continent.

In Sheet Music and Musical Publications they possess many advantages, having made arrangements with several large European Publishers for the early transmission of Choice copies for the purpose of reprinting. Also, for a weekly supply of every novelty as soon as it appears in Europe or America.

**BRASS and WOOD, WIND and STRINGED MUSICAL INSTRUMENTS** of every description, of best Makers, Double Basses, Violoncellos, Violins, Guitars, Clarionettes, Flutes, Cornopeans, Saxe Cornopeans, Saxe Horns, Ophelides, Trombones, French Horns, Accordeons, Flutinas, Strings, Reeds, Tuning Forks, Tuning Hammers, with every other article connected with the Trade—the whole at very low prices.

**• Advantages of this Institution:****HALF-CREDIT RATES OF PREMIUM.**

Persons assured according to these rates are allowed credit for half the amount of the *first seven annual premiums*, paying interest thereon, at the rate of five per cent. per annum, with the option of paying off the arrears of Premiums, at any time, or having the amount deducted from the sum assured when the Policy becomes a claim.

**FOR SECURING LOANS AND DEBTS.**

A Table adapted especially for the securing of Loans and Debts by which the fullest security is obtained on very low, but gradually increasing, terms.

Tables 4 and 11, are recommended to the attention of the public. No. 4 is a table of decreasing rates of Premium, on a novel and remarkable plan; the policy holder having the option of discounting the payment of all further premiums after twenty, fifteen, ten and even five years; and the policy still remain.

ing in force,—in the 1st case, for the full amount originally assured, and in either of the three other cases, for a portion of the same according to a fixed and equitable scale endorsed upon the policy.

No. 11. Circumstances will frequently arise whereby a person having assured his own life for the benefit of a surviving family, or the protection of a creditor, may attain his object by other means, and consequently be desirous of securing for himself the benefit of the assurance. To meet such cases this table has been computed, shewing the rates required to secure a sum payable at the death of the assured, if he die before attaining 60 years of age, but also payable to the assured himself if he survives that age; by this means a provision for old age is combined with an assurance upon life.

Policies revived, without the exaction of a fine, at any time within twelve months, if health remains unimpaired.

Age of the Assured in every case admitted in the policy.

Medical Attendants remunerated in all cases for their Reports.

## BRITANNIA MUTUAL LIFE ASSOCIATION,

*No. 1 Prince's Street, Bank, London.*

Empowered by Her Majesty's Royal Letters Patent.

DIRECTOR :

(Same as the Britannia Proprietary Branch.)

This institution was originally established under a different title in the year 1839, on the plan of admitting the Assured to participate in four-fifths only of the profits; but the Society has since been remodeled so as to become a strictly "Mutual Association."

The whole of the funds and property belong to, and are accumulated for the exclusive benefit of the Assured.

The profits are divided annually among the policy-holders, and applied in reduction of the current year's premium; thus constituting, in effect, an immediate payment to the Assured.

Half-Credit Policies are granted on terms unusually favorable to the holders,—the amount for which credit is given, being gradually liquidated out of the profits.

Two Tables of Rates have been computed; one entitling the Assured to participate in the profits after payment of five annual premiums; the other considerably lower, in which the period of participation is deferred two years longer; the premium ultimately paid by the assured is, however, precisely the same, whichever Table of Rates may in the first instance be selected.

General Meetings of the Members are held annually; to whom full and complete statements of the affairs and funds of the Society are submitted, and by whom the divisions of the profits are declared.

At the Annual General Meeting held on the 24th April last, a dividend of 30 per cent, upon the current year's premium was awarded to all Members who had made the requisite number of payments on their respective policies.

By order of the board of Directors,

E. R. FOSTER, Resident Director.

ANDREW FRANCIS, Secretary.

[Local Agents in Canada, same as Proprietary Branch.]

The "Britannia Mutual Life Association" is altogether distinct from, and independent of, the proprietary office transacting business under the name of the "Britannia Life Assurance Company." The only connection between the two establishments is, that their affairs are conducted on the same premises, and by the same officers, by which means the entire disbursements of the Mutual Association are reduced to a small per centage on the receipts.

This Office insures against Loss or Damage by Fire all description of Buildings, including Mills and Manufactories, and the Goods, Wares and Merchandise in the same; Ships in Harbor or in Dock; Craft on Navigable rivers and canals, and the Goods laden in the same; and Farming Stock of all Descriptions.

The "Equitable" Fire Office will, by a constant analysis of our own experience from time to time, adopt such rates of premiums as the nature of the risk may justify.

With this view an annual investigation will be made into each class of risk; and a return of one moiety—or fifty per cent—of the nett excess will be made to all classes of insurers, whose policies have been in force for three years.

The engagements of the "Equitable," are guaranteed by a responsible proprietary, and an ample subscribed Capital. The insured are free from the liabilities of a *Mutual Insurance Society*, and entitled, according to the plan of the Company, to a return of half the profits.

Losses are made good without deduction or discount, and are adjusted and paid in Montreal, without reference to London.

*By a Resolution of the Court in London, the Premiums are Retained in Montreal to pay Losses, and accumulate a fund of £10,000.*
