OBITUARIES.

JOSEPH EARLE.

Joseph Earle was the son of godly parents. It was his gracious privilege to be trained from a child under the sanctified influence of a Christian home. At seventeen years of age, at a protracted meeting, he sought and found "redemption in the blood of Christ, even the forgiveness of sins." Having tasted the sweetness of redeeming love, the first impulse of his heart was to bring others to the Saviour. He organized at that time the first young people's prayer-meeting ever held in the village of West Winchester; a meeting which has been continued with blessed results ever since.

In the year 1876 Bro. Earle was received as a candidate for the ministry by the Montreal Conference of the late Methodist Church of Canada. During the years of his probation he travelled on the Farmersville, Lyn and Carp Circuits, and one year on the Arundel Mission. After being received into the full work of the ministry he labored on the Alice, Bryson, and Arnprior Circuits.

Brother Earle labored under the disadvantage of a somewhat feeble physical constitution. But all his powers were wholly consecrated to God. He could preach the doctrine of entire sanctification, not merely as a matter of speculative belief, but as a matter of personal experience. He realized in his own heart the purifying power of the blood of Christ.

At the last Conference his health had become so completely shattered that he felt himself compelled to ask for a superannuated relation. For a time hopes were entertained that he might recover, and be enabled to render further service in the Master's vineyard. But the Master himself ordained it otherwise. Every effort to arrest the progress of disease was unavailing. It became manifest to all around that the earthly tabernacle was rapidly sinking into the arms of death.

But whilst the fatal disease (viz., heart disease) of which he died was thus doing its work, and our brother felt that he was getting nearer to the stern realities of death and of eternity, his mind was kept in perfect peace. "Though our outward man perish, yet the inward man is renewed day by day." Such was his experience, until at length, on the 28th of January, 1886, he passed in peaceful triumph to the mansions of the blest, in the 32nd year of his age, and the ninth year of his ministry; leaving a widow and an only child to mourn his loss.

DANIEL A. BROWN.

Daniel A. Brown, the subject of this notice, was born in the State of Vermont, U.S., in the year 1806. He had the advantage of early religious training, under the godly example and Christian influences of pious parents. At the age of thirteen years he was converted to God, and in 1824 he received his first license as a local preacher in connection with the Methodist Episcopal Church. In 1828 he came to Canada, and for some years taught school in the town of Belleville. In 1843 Mr. Brown entered the regular work of the ministry in connection with the late M. E. Church in Canada. He was a faithful minister of the Gospel, and was instrumental in leading many souls to Christ, and lived in the affections of all who knew him. He passed away after much suffering to his reward in heaven, on the 26th day of September, 1885, in the seventy-ninth year of his age.

ANDREW A. SMITH.

Andrew A. Smith was born in Perth, Ont., December 9th, 1824. Influenced by the godly example of his parents, who were of Scotch descent, he was led early in life to revere God's Word and the services of His house. It was not, however, until his seventeenth year that he became the subject of a distinct religious experience. During a revival conducted by the Rev. J. Currie, and faithful laymen, in the Methodist Church in the town of Perth, he was led penitently to submit himself to God and trust in Christ for salvation. Soon after this great change had taken place, he felt a deep interest in leading others to a saving knowledge of Christ. With this work came the impression that he must fully devote his energies in working for the Master, and as opportunities offered he eagerly embraced them in order to qualify himself for the important work. In 1849 he entered the ministry, his first appointment being Millbrook. During his ministry the following were the appointments occupied by him: Bradford, Kincardine, Berlin, Mitchel, Aylmer, Spencerville, Iroquois, and Cornwall, which was his last charge. Toward the end of his first year's labor on this Circuit, his health commenced to fail. From what seemed to be a severe cold a serious form of disease developed, and it soon became apparent that his much loved work must be laid aside. He was graciously sustained during his illness. He would often say, "The gospel I have so often tried to recommend to others is all-sufficient for me now in the trying hour of affliction. Oh, those precious promises, what sunshine they are to my soul." In this delightful, happy state of mind he was sustained until the close of life.

Brother Smith was a superior preacher and a careful student; as a pastor he was beloved by his people, and as a laborer in the vineyard he was highly esteemed by his fellow laborers, who on two occasions elected him to the office of District Superintendent.

On Sabbath morning, August 9th, 1885, Brother Smith passed peacefully away to join the blood-washed throng.

REPORT OF COMMITTEE ON STATISTICS.

Your Committee beg leave to report an encouraging progress in the matter of statistics. Still greater improvement is looked for from the new schedules which may be issued from the Book Room. And we again recommend that the District accounts be properly audited. Increase in membership, 1,368.

REPORT OF COMMITTEE ON THE STATE OF THE WORK.

It is with devout thanksgiving to Almighty God, the "Giver of every good and perfect gift," whose blessing maketh rich and addeth no sorrow, that your Committee finds itself justified in reporting a large degree of progress during the past year, and a present condition of more than usual prosperity in the temporal and spiritual affairs of the Church within the limits of the Montreal Conference.

We find, in the first place, that by the Divine blessing upon the regular and special services, some thousands of persons have been brought under the power of converting grace, and that after making good all losses from deaths and removals, we have to rejoice over an increase of 1,368 in our total membership.

Financially, also, the hand of the Lord hath been upon us for good. Though the returns are yet incomplete, we are able to report a consider-

able increase in all our Connexional Funds. The receipts for the Contin-
gent Fund are nearly trebled; the Educational Fund has risen from
\$1,605 to \$1,926; the Superannuation Fund from \$5,517 to \$7,041; and
the Missionary Fund from \$28,173 to over \$30,000. This increase in the
last three important funds, occurring in a year of such general commercial
depression, is a most encouraging token of better things in the near future,
and encourages us to hope that we shall soon rejoice together that God
has taken away our reproach, and that the effort of the Church to sustain
her missionaries, educate her rising ministry, and pay the claims of her
worn-out ministers and their widows and orphans in full, will be amply
supported.

The subject of the higher education of our youth has commanded a
large share of attention during the year, and still excites, we are happy to
say, the profoundest interest. The belief that Canadian Methodism is
called to do a great educational work in this Dominion, and that the
degree of her faithfulness in that regard will be the measure of her abiding
and superior power, is rapidly diffusing itself through the convictions of
our people, and will, we believe, in the near future, crystallize into great
gifts of consecrated wealth for the endowment of our colleges and univer-
sities.

With regard to the spirituality—the inner and diviner life of the
Church—we see no signs of decay,—no reason to doubt that with an
expression which changes with the changed and changing times, it is still
deep and pure and patent as of old. While there is less strict adherence
to some of the customs peculiar to early Methodism, there is, we believe,
no abatement of loyalty to her essential doctrines, or of zeal in promoting
the primary object of her organization—the salvation of sinners and the
spreading of Scriptural holiness throughout the land. Still there is danger,
lest in some communities the fire of that loyalty and zeal may be quenched
by undue conformity to the world, and in no respect is this peril more
imminent and deadly than with regard to the public and private desecra-
tion of the Sabbath, and the neglect of family worship. There is, there-
fore, need that the heralds of Zion “cry aloud and spare not” till the peril
be overpast.

We have cause for rejoicing in the increased number and efficiency of
our Sabbath-schools, and the improved character and wider circulation of
our connexional periodicals. These undoubtedly exercise a powerful
stimulating, developing and protective influence in the homes and com-
munities where they circulate. But there are still many which they do
not reach; and meanwhile there is serious cause for alarm in the extent
to which pernicious sensational fiction and works of sceptical philosophy
and science, falsely so called, are being read. It ought to be our endeavor
to purify the homes of our people from this insidious moral poison, and to
fill its place with such interesting and instructive reading as will be suit-
able to youthful tastes and needs. Our own periodicals, and the whole-
some literature supplied by our own publishing house, offer the needful
antidote; and the importance of placing them and keeping them in every
family, as a means of perpetuating the attachment of our youth to Home,
Church and Faith, cannot possibly be over-estimated.

REPORT OF THE SUNDAY SCHOOL COMMITTEE.

Your Committee, in submitting the annual report of the state of our Sunday-school work for the past year, desire to express their gratitude to the Chief Shepherd for the encouraging success which has been given us during the year. We would specify particularly the increase of 57 teachers who are members of the Church, and a total increase of 44 teachers. There is an increase of 519 scholars. There are 206 more scholars learning Catechism than was reported last year. The increase in the missionary givings is \$1,447.22, or a total of \$7,195.25. There is a commendable increase also in the amount raised for Sunday-school purposes, amounting to \$1,235.47. The Conference contribution to the Sunday-school Aid and Extension Fund is \$76.26 more than last. Best of all, we have to report 1,206 conversions in our schools during the year. While there are thus many evidences of enterprise and devotion in the prosecution of our Sunday-school work, yet in some particulars there is still room for improvement. We would therefore respectfully suggest to the serious consideration of all concerned the following recommendations:—

1st. While we approve of our excellent lesson helps, we would respectfully remind our Sunday-school workers that they are but *helps*, and that we must never forget that the whole Bible should be in the hands of every scholar at school, and that all should be encouraged to search the Scriptures for themselves.

2nd. We strongly recommend that our own excellent Sunday-school papers be widely circulated in all our schools.

3rd. We would draw attention to the fact that more than 150 of our schools are not kept open during the winter season.

4th. It is a matter worthy of our earnest attention that there are over 18,000 of our scholars who are reported as not studying our Catechisms. We earnestly hope that efforts will be made in all our schools to enlist all the scholars in this important study. This is a matter which we judge to be of great importance in our French work, as well as the English, so that a thorough knowledge of our doctrines may be had.

5th. We would reaffirm the recommendation of other years, that a Sunday-school be conducted at every preaching place where it is possible to secure a sufficient number of children to form a class, and that teachers' meetings be held for the study of the lesson wherever practicable.

All of which is respectfully submitted.

J. W. CLIPSHAM, *Secretary*.
JAMES KINES, *Chairman*.

F. BYRNE,
SCOTT McVEIGH, } *Auditors.*

Signed by authority of the Board.

JAMES GRAY, } *Treasurers.*
J. C. AIKINS, }

The following recommendations relating to this Fund were presented by the Treasurer, and on motion adopted by the Conference:—

RECOMMENDATIONS.

1. All parties sending money to the office should send with each remittance the names of all Circuits, or ministers, or others to whom the money is to be credited. Sending in lump sums leads to great inconvenience, and makes it impossible to tell what Circuits or ministers have paid their claims in full. In order to keep the books so that the amount paid by each Circuit or minister can be traced, this request must be rigidly observed.

2. The schedules sent out by the Board should be carefully filled up—taking the names of claimants as found in last year's Minutes, and accounting for them—showing who are still claimants, and who have ceased to be claimants, and why they have so ceased, and then adding any new claimants with their proper addresses as per schedule.

3. These schedules should be published in full in the Minutes of the several Annual Conferences as an official document for the guidance of the Treasurer in the payment of claimants.

4. A statement of the amounts paid on each Circuit for ministerial support and ordinary connexional collections for the past year, together with the names of claimants, new and old, for the coming year, should be prepared by the Secretary of the Conference (or the Statistical Committee), and a certified copy immediately sent to the Treasurer at the close of the Conference, in order to enable him to prepare his estimates in time for the Financial District Meetings.

REPORT OF THE EVANGELISTIC SOCIETY.

TO THE MEMBERS OF THE EVANGELISTIC SOCIETY OF THE MONTREAL
CONFERENCE OF THE METHODIST CHURCH:

DEAR BRETHREN,—The close of another year's labors reminds your Evangelist of the necessity of preparing his annual report. The year just closed has been the most successful in the history of the Society. With devout gratitude your Evangelist would acknowledge the goodness of God to his family and himself. Not a single appointment has been neglected through either domestic or personal affliction; nor, indeed, from any other cause. The following places have been visited during the year, viz.: St. Lawrence Central Camp Ground, Lakefield, Richmond, P.Q., Magog, Martinville, Kingsey Falls, Coaticook, Renfrew, Spencerville, Brinston's Corners, Lyn, Munster, Elma, West Winchester, Carlton Place and Iroquois. With the exception of the first named place, much good has been done. In some of the places visited truly remarkable outpour-

ings of the Divine Spirit were given and the converts of Zion multiplied. Many, very many, professed to obtain the blessing of "perfect love." This report would be incomplete were not mention made of the exceeding kindness of the Rev. A. B. Chambers, LL B., Secretary-Treasurer of the Society, and also the hearty co-operation of the ministers and people where it was your Evangelist's lot to labor. With the following suggestions this report closes:

1st. That your Evangelist be allowed to stay at least three weeks in every place.

2nd. That when a person becomes a member of the Society his membership continue from year to year, unless he be removed from the Conference, or signify, in writing, his intention to withdraw.

All of which is respectfully submitted.

D. WINTER, *Evangelist.*

REPORT OF THE COMMITTEE ON TEMPERANCE.

Your Committee rejoice in the steady growth of temperance sentiment within the bounds of this Conference, owing to the efforts of the Dominion Alliance and other temperance organizations during the last year, and its hearty appreciation of the vigorous efforts of the Woman's Christian Temperance Union, especially in the Province of Quebec. We also desire to express our gratitude to the Government of Ontario for more effective means of enforcing the Canada Temperance Act of 1878, and to the House of Commons for refusing the retrograde legislation emanating from the Senate last year.

Your Committee recommend that special temperance sermons be preached by all our ministers on the second Sunday in December each year.

Your Committee also recommend that the resolution of the Brockville District, respecting moral force in politics, receive the hearty endorsement of this Conference, and be forwarded to the General Conference with a request that suitable action be taken thereupon.

The resolution is as follows: "On motion, it was resolved that this District Meeting earnestly requests the Montreal Conference to memorialize the General Conference, requesting it to institute such measures as in its judgment may seem advisable for the purpose of introducing more moral force into the politics of this country, such measures to have immediate reference to the election of none but known and professed prohibitionists to all municipal and legislative bodies in our land."

Your Committee also request that this Conference recommend the General Conference to take steps to secure united action with other Christian bodies in respect to the matter referred to in the above resolution.

Your Committee further recommend that this Conference advise the people under its care to hold themselves aloof from such intimate party affiliations as would lead to a surrender of the pre-eminence of the great moral questions of the hour, and use their endeavors to ensure the selection and election of parliamentary candidates whose record and profession give promise of advancing the moral welfare of the people.

ANNUAL REPORT OF STANSTEAD WESLEYAN COLLEGE, 1885-86.

To the President and Members of the Montreal Conference:

In presenting their annual statement the Trustees have pleasure in reporting that to the best of their ability they have carried out during the year the various plans and changes authorized by the last Conference, and in their judgment the results have vindicated the wisdom of the policy pursued.

The appointment of Dr. Kennedy has proved a most gratifying success. His skilful management and splendid qualities as an educator have met the highest expectations of the Board; while Mrs. Kennedy, upon whom has devolved the responsibility of the home life of the College, has, by her devotion to the personal comfort and welfare of the students, succeeded in making the College attractive as a home and charming as a place of residence.

In accordance with the recommendations of the Special Committee, the Trustees have sought to strengthen the staff in every department, and have succeeded so well that it is now their belief that for efficiency as an educational institution, up to the limit of its curriculum, there is no College in the country which can offer superior advantages.

REPAIRS.

As authorized by the last Conference, the Trustees have during the year made extensive repairs to the College building. These repairs embrace a new and successful system of heating, radical sanitary changes, the renovation of all the old pianos and the purchase of a new one, the purchase of such new furnishings as were really necessary, and, as far as practicable, the renewal and improvement of the entire building. The expense incurred is very considerable, and constitutes necessarily a new and enlarged debt; but the Board have reason to believe that the increased value of the property is quite as great as the increased liability incurred, while the reputation of the College has been benefitted to an incalculable extent.

FINANCES.

The following audited statements will show the financial position of the College:—

DEBT FUND.

<i>Receipts.</i>	
To loans	\$18270 00
" Collected on old subscriptions	403 60
" Collected on interest, Guarantee Fund	166 00
" Proceeds of sale of old furnaces	194 50
	\$19034 10
<i>Payments.</i>	
By balance due Secretary-Treasurer	\$34 46
" Repaid loans	13774 49
" Repairs Fund account	\$4505 57
" Less amount due Clendenning	500 00
	4005 57
" Interest charges	1020 31
" Expense account	203 20
	\$19038 03
Balance due Treasurer	3 93

LIABILITIES.

Mortgage held by Mrs. Higgins, 5 years, 6% half-yearly ...	\$15000 00
Hunt note, 6% half-yearly	600 00
Bartlett note, 6% half-yearly	500 00
Clendenning on contract	500 00
Charles A. Hanson, 6%	223 51
The Derby Line Bank, 6%	200 00
Balance due Secretary-Treasurer	3 93
	\$17027 44

The debt, it will be seen, has thus increased during the year in the sum of \$4,556.98, accounted for by the net expenditure on repairs authorized by the Conference (\$4,311.07) and the excess of interest and ordinary expense account (\$255.91) over the increase available from subscriptions during the year.

As will be seen from the above statement, a new loan has been effected during the year for the purpose of retiring the Foster mortgage, and at the same time providing for the outlay made necessary by the repairs. By this change a very considerable economy has been effected in the important item of interest, as our loans are now all bearing 6 per cent. interest instead of 7 per cent., which we have hitherto paid. The interest charge is still large, however, and must be promptly provided for. To this subject the Trustees respectfully invite the earnest consideration of the Conference. The Interest Guarantee Fund, which was originated a year ago, has been of great service, but the Trustees regret that the response has not been quite so general as the action of the last Conference led the Board to hope for. There are now fifty subscribers, but to meet the full requirements of the case one hundred and fifty are necessary. As the terms of subscription to this fund are not burdensome, viz., \$4 half-yearly for a term of three years, and as so much depends upon its success, the Trustees again ask the Conference for their further endorsement and practical support of this scheme.

Your Trustees have pleasure in assuring the Conference that there never has been a time in the history of the College when we could more heartily commend it to the attention and support of our people. The arrangements for the safety, comfort and health of the students are now complete. The faculty is most efficient, and if the ministers of our Church, to whose tried generosity the College is already so largely indebted, will, between this and the opening of the next school year, but kindly bring the matter before the families of their respective charges and advocate the claims of the institution, a largely increased attendance will no doubt be secured; and the Trustees have much pleasure in stating that if this be accomplished, we shall be able to offer to all the ministers of our Conference a discount of at least fifty per cent. on the tuition fees of their children educated at Stanstead.

Respectfully submitted.

CHAS. A. HANSON, *Sec'y-Treas.*

REPORT OF SPECIAL COMMITTEE ON THE CO-OPERATION OF CHRISTIAN CHURCHES.

The Committee to whom was referred the subject of "the consolidation of the forces of our common Protestantism" by some method of co-operation with other Churches, beg leave to report that the General Assembly of the Presbyterian Church in Canada, at its last meeting,

appointed a Committee for the same purpose. After preliminary meetings of the separate Committees, it was agreed to meet for the consideration of the subject remitted to them.

Your Committee, therefore, now report to the Conference the resolutions which were unanimously adopted by the Joint Committee, duly signed by the Chairman and Secretary of said Committee, as follows:—

At Ottawa, and within Knox Church there, on the second day of February, one thousand eight hundred and eighty-six, at the hour of ten o'clock a.m., a joint meeting of the Committees of the Montreal Conference of the Methodist Church and of the General Assembly of the Presbyterian Church in Canada, appointed to confer with one another in reference to the co-operation of their respective Churches in weaker mission fields, was held upon the call of the conveners of the respective Committees, when there were present:

Of the Presbyterian Committee—Prof. Scrimger, Revs. R. H. Warden, James Hastie, R. Campbell and R. Jardine; and

Of the Methodist Committee—Revs. Le Roy Hooker, T. G. Williams, Geo. McRitchie, J. E. Mavety and William Scott.

The Rev. Le Roy Hooker was appointed Chairman of the Joint Committee and Dr. Jardine, Secretary.

After the meeting had been opened by devotional exercises, the subject remitted for consideration was stated by the Chairman, and the resolutions of the Courts of the respective Churches were read, whereupon the brethren present engaged in a general conversation regarding the various questions connected with the subject committed to them. After considerable discussion, it was moved by Mr. Campbell and seconded by Mr. Mavety, That Messrs. Scrimger and Williams be a sub-committee to draft resolutions embodying a suitable basis of action to be submitted to the afternoon meeting.

The resolution having been submitted to the meeting, was agreed to.

At twelve o'clock the Committee adjourned, to meet at two o'clock p.m.

At two o'clock p.m., at the same place, the Joint Committee met, when there were present the same members as in the forenoon session, with the addition of Rev. William Hansford.

The minutes having been read and sustained, Prof. Scrimger submitted the report of the sub-committee appointed at the forenoon meeting, when it was moved by Mr. Warden, seconded by Mr. Williams, and agreed to, That the report be received and considered *seriatim*.

The different resolutions recommended by the sub-committee were then fully considered, and the following were finally and unanimously adopted as the recommendation of the Joint Committee to the Courts of the Churches by whom its different sections were appointed:—

Whereas there are many districts at present occupied by missions of the different Protestant Evangelical Churches, some or all being aided from the general funds of the Churches, in which the religious needs of the people could be equally well supplied by fewer organizations, and in which, from the sparseness of the population or other causes, there is no prospect of all of them becoming self-sustaining within a reasonable time; and

Whereas it is desirable that every Church should, as far as possible, employ its ministers and means to the best advantage for the extension of Christ's Kingdom ;

Therefore, be it *Resolved*,—

1. That, in the opinion of this Joint Committee of representatives of the Montreal Conference of the Methodist Church, and of the General Assembly of the Presbyterian Church in Canada, it is desirable and possible to secure some such arrangement of the missionary work of the two Churches as will obviate the unnecessary duplication of missions in such places.

2. That for the attainment of this end the governing bodies of the respective Churches should provide for the appointment of Committees, which should confer together as a Joint Commission, regarding such places belonging to this class as may be known to them or may be referred to them for their consideration, and endeavor to come to an understanding as to which, if either, should in fairness retire from the field, due regard being had to the following points, viz., number of members and adherents, amount raised for all Church purposes, value and position of Church property, priority of occupancy, and any special features of the work being done, as, *e.g.*, the language spoken. This Joint Commission, at its first meeting, should make such division of its work, according to geographical lines, as may be found most convenient.

3. That the Joint Commission be instructed to communicate through its Secretary the conclusions arrived at, as recommendations to the proper Courts of both Churches; but that no such recommendation be made unless it receive the majority of votes in both sections of the Commission, in case a separate vote be asked for by any member of the Commission.

4. That the Courts to which such recommendations are sent be requested to report their action on the recommendations to the Secretary of the Joint Commission, as soon as practicable, for its information.

5. That it is inadvisable that either of the Churches should seek to establish new missions in places already fully occupied; and that, before permanently establishing such missions, the cases should be reported to the Joint Commission for consideration and advice.

6. That for the better attainment of the object in view it should be understood that the Churches entering into this arrangement will cordially welcome the co-operation of other evangelical Churches.

Votes of thanks having been passed to the Chairman, the Secretary, and the trustees of Knox Church for the use of the building, the meeting was closed with the benediction.

LE ROY HOOKER, *Chairman*.
ROBERT JARDINE, *Secretary*.

Your Committee recommend that the foregoing resolutions be reported to the approaching General Conference of the Methodist Church, with a view to their consideration and the appointment of a Committee, in accordance with the second resolution above, such Committee to form part of the Joint Commission, to be formed by the appointment of a similar Committee by the General Assembly of the Presbyterian Church in Canada.

WM. SCOTT, *Chairman*.

Quebec, 28th May, 1886.

SPECIAL RESOLUTIONS.

REV. G. DOUGLAS, D.D., LL.D.

Moved by Rev. T. G. Williams, seconded by Rev. James Kines, and

Resolved,—That this Conference desires and hereby conveys to the Rev. Geo. Douglas, D.D., LL.D., its deep regret that it is deprived of his genial presence and wise counsels in conducting the great and vital interests entrusted to its care. We are glad to know, however, that the signal manifestations of Divine favor which have been bestowed upon our Church, as evidenced in the increase in membership, amounting to one thousand three hundred and thirty-eight, a part of the result of your toil, will awaken profound gratitude in your heart to our Heavenly Father for the rich outpouring of His spirit upon our labor.

Hoping that a kind Providence will prolong for many years your valuable life, and that you may again meet us in our annual Conference, we pray that God's richest blessing may descend upon you.

REV. JAMES ELLIOTT, D.D.

Moved by Rev. T. G. Williams, seconded by Rev. James Kines, and

Resolved,—That this Conference desires to convey to the Rev. J. Elliott, D.D., its sincere regret that in consequence of ill-health he is unable to favor us with his presence and valuable counsels, with which for many years past we have been blessed.

We are grateful that we are still able to say, "The best of all is, God is with us," as is testified by the liberality with which our Church finances have been supported during the past year, and more especially manifested in the very gratifying increase in Church membership of one thousand three hundred and thirty-eight, as a part of the ingathering of the year's harvest.

We know your heart will offer with us humble thanksgiving to the Great Head of the Church for His wondrous goodness.

We trust that the richest spiritual blessing of our Heavenly Father rest upon you here, and that the bright crown with many, many stars may be yours through the future ages.

SABBATH OBSERVANCE.

Whereas the practice of running trains on the Sabbath by the leading railway companies of this country is on the increase, and whereas a united effort is about to be made in the principal towns and cities of Ontario to stop this desecration of the Lord's Day, it is moved by John Scanlon, and seconded by J. S. Mavety, and

Resolved,—That this Conference pledges itself to co-operate through its several members with all laudable means to prevent this growing evil and preserve the sacredness of the Christian Sabbath.

ALMA COLLEGE.

Moved by Rev. J. C. Antliff, M.A., B.D., seconded by Rev. J. B. Saunders, M.D.,—

That the report of Alma College be received, and this Conference desires to express the very high appreciation of the noble work it is doing for God and the Church.

MINISTERS CHANGING CIRCUITS.

On motion, it was *Resolved*,—That all the Superintendents removing from one Circuit to another be reponsible for the supply of the pulpit on the Circuit they are leaving two Sundays following the rising of Conference.

CONNEXIONAL DOCUMENTS.

Moved by Rev. A. Campbell, seconded by Rev. W. Jackson, and

Resolved,—That it is desirable to collect and preserve all books and documents relating to Annual District Meetings, Annual Conferences, and Connexional documents that are full, or now cease to be used.

To carry this into effect, that the Rev. W. Scott be appointed for the purpose of receiving them for the Montreal Conference, and authorized to correspond with persons in possession of such documents; and all ministers or others having these in their possession are requested to send them to the person appointed to receive them.

OKA INDIANS.

Moved by Rev. W. Scott, seconded by Rev. J. W. Sparling, M.A., B.D., and

Resolved,—That this Conference sincerely regrets to learn that there is a probability of the Oka Indians being deprived of the premises occupied for some years past for religious and educational purposes, and most deeply sympathizes with the Indians in their laudable desire to erect for themselves the necessary buildings, and hopes that the difficulties with which they have to contend may be overcome; and the Conference entertains the assurance that the Government will continue its aid in securing educational accommodations for the Indians of Oka.

VOTES OF THANKS.

THANKS TO THE EX-PRESIDENT.

Moved by Rev. A. B. Chambers, LL.B., and seconded by Rev. J. W. Sparling, M.A., B.D., That the most cordial thanks of this Conference are due and are hereby presented to the retiring President, the Rev. Le Roy Hooker, for the efficiency and marked brotherliness with which he has discharged the important duties pertaining to this office during the year. In view of the transfer of Mr. Hooker to another Conference, we desire to place on record the assurance of our high esteem for him as a Christian gentleman, a loyal Methodist, and an able minister of the New Testament, and our earnest prayer that the blessing of the Head of the Church may continue with our brother and his family until it shall be said: "It is enough, come up higher!"

Also it desires hereby to express its confidence in him as an able and impartial presiding officer, and to assure him of a hearty welcome whenever he shall visit this Conference.

THANKS TO THE ASSISTANT AND JOURNAL SECRETARIES.

Moved by Rev. Jas. Allen, seconded by Rev. F. Chisholm, and
Resolved,—That the thanks of this Conference are due and are hereby presented to Rev. Wm. Jackson and Rev. A. R. Orser, Assistant Secretaries, and Rev. Wm. Philp, Journal Secretary, for their efficient and valuable services during the past year.

THANKS TO REV. S. S. NELLES, D.D., LL.D.

Moved by Rev. Wm. Jackson, seconded by Rev. J. Philp, M.A., and
Resolved,—That this Conference has heard with very great pleasure the address of the Rev. Dr. Nelles regarding Victoria University, and begs to assure him of its unabated interest in the question of higher education in general, and of Victoria University in particular, and prays that in the present agitation concerning University Federation that God would guide and overrule the action of the General Conference in this

important matter so that in the future, as in the past, the youth of our Church may still have the opportunity of a higher education under Christian influences.

As a Conference we rejoice in the progress and increasing power of Victoria University and the noble work done during the past collegiate year.

In anticipation of the trip to the old land the Principal is about to take, this Conference unites in wishing him a most happy and enjoyable time, and that in the kind providence of God he may return to his responsible position, vigorous in health and encouraged in his work.

THANKS TO STATISTICAL COMMITTEE.

Moved by Rev. W. Jackson, seconded by Rev. T. G. Williams,—
That the most sincere and hearty thanks of this Conference are hereby and herewith presented to the brethren who compose the Statistical Committee for the arduous and difficult service which they have rendered; and desires to record its appreciation of the manifest improvement in this department of our Conference routine.

Moved by Rev. William Scott, seconded by Rev. Dr. Lavèll,—
That the Conference, by invitation, and according to its own resolution, having visited the Legislature of Quebec now in session, desires to express its very great satisfaction with the courtesy and hospitality of the Honorable the Speaker and Madame Wurtelle, and was gratified with the respectful manner of the reception by the Ministry and Members of the House of Assembly, and that the Secretary of Conference transmit a copy of this resolution to the Honorable the Speaker of the Quebec House of Assembly.

LIEUTENANT-GOVERNOR OF THE PROVINCE OF QUEBEC.

Moved by Rev. Wm. Scott, seconded by E. S. Orr, Esq., and
Resolved,—That the Conference has received with the greatest pleasure the statement of the President to the effect that His Honor Lieutenant-Governor Masson has generously signified his intention to bestow a silver and a bronze medal to the Trustees of Stanstead Wesleyan College for competition by the pupils of said Institution, the subjects to be determined by the faculty of education of the College; and the Conference authorizes the Rev. Principal Kennedy and the Rev. C. A. Hanson, the Secretary-Treasurer, personally to convey to His Honor our deep sense of gratitude for his munificent liberality, which we are persuaded will assuredly conduce to prosperity of the educational work of the Montreal Conference.

THANKS TO FRIENDS OF QUEBEC.

Moved by Rev. Wm. Scott, seconded by Rev. J. Kines,—
That this Conference, having been amply and comfortably entertained by many Christian families of this city during the session, most cordially expresses its gratitude for the kindness and hospitality which have been generously shown to the members of the Conference, and directs that suitable notice of this resolution be given through the press, and from the pulpit of this church.

To the Honorable L. F. R. Masson, Lieut-Governor of the Province of Quebec.

MAY IT PLEASE YOUR HONOR,—

The Ministers and Laymen of the Methodist Church who constitute the Montreal Conference, assembled in the ancient city of Quebec, avail ourselves of the opportunity thus afforded to pay their respects to your Honor, not as a mere formality, but out of sincere regard for your estimable character and important office. The Montreal Conference is only one of ten ecclesiastical bodies, including Newfoundland, engaged in Christian work throughout the Dominion of Canada, whose original and unchanged design and aim are to promote the religious welfare, the educational advancement and general prosperity of the population. The Conference desires to convey to your Honor unfeigned assurance of our unabated loyal attachment to the person of Her Most Gracious Majesty, Queen Victoria, and to those institutions which have given freedom and prosperity to the many countries forming the British Empire. The Conference unites with the Government of the Dominion in cherishing most cheerful anticipation of the future of the Provinces, and assures your Honor that it will be our constant determination to uphold the Government of the country in the maintenance of law and order, so as to ensure the political unity and integrity of the Dominion.

The Conference ardently desires that the Province of Quebec, which, from its foundation, has experienced most wonderful and changeful historic associations, may secure its full share of prosperity, by the development of its vast resources and the religious culture of its inhabitants.

The Conference desires to express its high regard for Madame Masson, with sincere wishes for your mutual health and social happiness, and we earnestly pray the blessing of Almighty God may be granted to your Honor, that your wise and generous government of all the departments of state may largely contribute to the harmony, sobriety, and prosperity of the whole population.

(Signed,)

RICHARD WHITING, *President.*
WILLIAM JACKSON, *Secretary.*

PASTORAL ADDRESS
TO THE MEMBERS OF THE METHODIST CHURCH
WITHIN THE BOUNDS OF
THE MONTREAL CONFERENCE.

DEARLY BELOVED BRETHREN AND FELLOW-LABORERS IN THE VINEYARD OF OUR COMMON LORD,—

Another year with all its toils and triumphs, its joys and sorrows, has passed away, and from this ancient city, so intimately connected with the past history of Methodism in Canada, we send forth our greetings.

The past year has been one of much prosperity, not unmixed, however, with trials and bereavements, several of our ministers and many of our members having passed from our earthly fellowship to share the joys of our risen Lord.

By divine mercy, the fierce epidemic which visited our commercial metropolis, Montreal, has subsided. We have great reason for thankfulness that the lives of our ministers and people have been so graciously preserved amid so much peril.

Our duties as Christian citizens demand our earnest attention. We deem it advisable that all Christian men should assume the responsibility of the franchise, using it fearlessly and faithfully for the highest good of our country.

It is the duty of all our members to do their utmost to oppose all the forces of evil, and promote by every lawful means the moral and spiritual well-being of the community in which they reside. The cause of temperance is one closely identified with the welfare of our land, and we would urge Methodists to aid to the fullest extent of their ability in carrying forward this great moral reform to complete victory. The end aimed at being the entire prohibition of the manufacture and sale of all intoxicants, we urge upon all the practice of total abstinence from all that can intoxicate, believing, as we do, the traffic in strong drink to be the fruitful source of much of the moral evil we so deeply deplore and are striving to remove.

We commend to your fostering care and increased patronage our institutions of learning. Victoria University has in the past fully sustained the most sanguine expectations of her friends. Many of her graduates are now occupying positions of trust and importance in the country, thus practically demonstrating the thoroughness and efficiency of their training. The Albert College has had an excellent history and is still doing a noble work for the youth

of both sexes, and should receive our most hearty support. Our Wesleyan Theological College of Montreal, situated as it is in the chief city of the province, has a strong claim upon the increased sympathy and support of the Church in the noble work which it is doing for God. Stanstead Wesleyan College has been thoroughly repaired, and such needed changes have been made as to render it not only worthy of the support of our people, but to warrant us in heartily commending it to the attention and patronage of all who desire a thorough collegiate education for their sons and daughters.

Our publishing interests are in the most flourishing condition, sending forth daily, books, papers, and periodicals of the highest order of merit to all parts of the land. Our Sabbath-school papers are excelled by none on the continent, and ought to be read by every Methodist child in the Dominion. Our *Guardian*, *Magazine*, and *Outlook* should be in every home, and their contents stored in the minds of all our people. Church members without their Church papers must be devoid of information on many points of Church work with which they should be closely identified.

Our missionary work has been greatly blessed during the past year, both at home and abroad. We deeply regret that the income of the Missionary Society has not been equal to the demands upon it, and we have been unable to pay in full the very modest salaries of our home missionaries. One cent per day from our membership would enable us to do great things for God, giving us, as it would, an annual income of more than a quarter of a million of dollars, a sum which should be reached in the near future.

Permit us to urge upon your attention the careful observance of the holy Sabbath, both in its letter and spirit. Rest from toil benefits us physically, and communion with our Father above helps to fit us for the eternal rest in heaven.

Finally, brethren, be strong in the Lord, and in the power of His might, remembering that nothing can be substituted for personal piety and entire consecration of self to the service of the Master. To this end constant attendance on the means of grace is imperative on all. So far as possible the entire household should be present at the service of the sanctuary. Our Sabbath-schools are doing a good work and claim support from all our people, but the school should not take the place of the public preaching of the Word of Life. In this day of widest latitude to thought and action, we cannot too strongly impress on those confided to our care the absolute necessity of constant attendance on the preaching of the Word, knowing that it has pleased God by the foolishness of preaching to save them that believe.

And now, dear brethren, we commend you to God and the Word of His grace, which is able to make you wise unto salvation.

RICHARD WHITING, *President.*

WILLIAM JACKSON, *Secretary.*
