KIRK-SESSION REPORT.

The Kirk-Session, after reviewing the past year, desire to express gratitude to God for His unfailing kindness.

The congregation has steadily increased in numbers, so that the want of accommodation for families applying for pews or sittings begins to be seriously felt. The time is at hand when the congregation must consider the best means of increasing the capacity of their house of worship.

The Sabbath School report, as in former years, must be very encouraging to the congregation. A faithful band of teachers and officers are assiduous in preparing and imparting instruction, which must prove a valuable aid to parents. Assistance is asked to replenish the S. S. Library; the request will be presented in due time to the congregation, and we doubt not will be cheerfully responded to.

The contributions to the Schemes of the Church have been \$808. The particulars of which are to be found elsewhere in reports.

In addition to the above, special contributions were made to deserving objects, amounting to \$200.

The total number of families is now 208. The number of communicants on the roll 332, and the number who communed 292. 24 have been added during the year. The number of deaths has been 11, and the number of baptisms 19. Among the deaths was that of Rev Prof. Mackerras, who was universally beloved, and whose death is a great loss to the whole Presbyterian Church in Canada. His christian spirit, sound judgment and hearty zeal for the temporal and spiritual interests of St. Andrew's made him an invaluable member of Session, his eloquent voice in the pulpit was always heard with delight, and his presence in the annual and other meetings of the congregation will be sadly missed for a long time to come.

JOHN DUFF,
Clerk.

Moderator.

The average attendance, including Mr. Woods' Bible Class, Teachers, &c., has been two hundred and fifty-two, and the largest attendance was three hundred and twenty-three, the largest number ever present in the School.

The Mission work of the School has been the subscription of forty dollars for the support of two orphans in India, ten dollars to aid in the maintenance of the school there, and twenty dollars to the Home Mission Fund.

It will be seen on examination of the Treasurer's report that there is a balance at the credit of the School of \$102.51, the greater part of which will have to be spent in procuring a new Library for the use of the Scholars.

The annual Festival and Pic-Nic were held as usual and passed off very successfully.

We would desire to call the attention of the congregation, more especially the younger members, to the Bible Classes, which meet every Sabbath afternoon at the same hour as the School, and which, we feel assured, will prove both interesting and instructive to all who can find time to attend.

The thanks of the School are due to Miss Irving for continued services as Organist.

In conclusion, the members of the School have great cause to thank the Divine Teacher for the success which has attended their humble efforts for the year.

All of which is respectfully submitted.

T. G. SMITH,
Superintendent.

BARRIEFIELD SUNDAY SCHOOL.

This school is still in operation, with about the usual attendance of scholars and teachers. The average attendance during the past year has been about forty, divided into seven classes. The school was closed for two months during the summer owing to the scarcity of teachers, but has been re-opened. Considerable assistance is expected from Queen's College during the session in conducting the school. In connection with the school at Portsmouth the scholars contribute to the support of an orphan in India. The library requires renewing. The school is appreciated in the locality, and should be carried on vigorously. One or two female teachers are greatly needed.

PORTSMOUTH SABBATH SCHOOL.

In presenting the report for another year of the Portsmouth Sabbath School, we feel that we have great reason to thank our heavenly Father for the success that has attended our humble efforts and to implore His continued blessing.

The number of teachers on the roll is eight. We are at present short of a teacher, Mr. C. Dickson, one of our most efficient and faithful teachers, having resigned his class to prosecute his studies in New York. The number of scholars on the roll is eighty-four, largest attendance seventy-eight, average daily attendance sixty-four.

We have not added to the Library during the past year, but continue to give two papers, the *British Workman* and *Children's Friend*.

Together with Barriefield we assist in the support of an Orphan in India.

With the kind assistance of a few friends we have been able to purchase an organ, which has been long a felt want in conducting the praise service of the school.

In conclusion, the thanks of the school are due to Mr. and Mrs. James Craig for the kindly interest they take in instructing the children to sing the beautiful hymns at present in use.

LADIES' MISSIONARY ASSOCIATION.

The Ladies Missionary Association has suspended its ordinary work for raising money for local purposes, during part of the last year, in favour of a more general effort, in which it was hoped the whole congregation would join, for paying the floating debt, of long standing, now happily cancelled. Its receipts have, therefore, been only \$27.95.

The more important part of its work, collecting for the "Schemes of the Church" has, however, been regularly carried on, and \$808 for Missions, &c., been raised by its collectors.
