Perry Davis & Son & Lawrence,

377 St. Paul Street. Montrea

his companion left, so he says, a few minutes after entering. They had been laughing and jeking for about half an hour when Herbert Eaton got up from his chair and waked over to his coat. No notice was taken of his action until he remarked: "Joe, I've had enough of your fooling," or wirds to that effect, when they became aware he had his revolver, a No. 38, self-cocking one, in his hand Before either could say a word or make a move me the pointed his weapon at his brother, and without further wordsfrel, the ball striking Joseph in the left cheat and passing directly through the bady without touching a vital spot. As he fired Kelly started to retire, but was stopped by a second shot from the re-As he fired Kelly started to retire, but was stopped by a second shot from the revolver, which struck him in the left hip. Immediately after firing the second shot grown we it into the main stable and harman the result of the nessel his pair of horses. He was met on the road and he spoke pleasantly to at least two persons about 8 o'clock, and it is supposed he was on his way to his home at Red Peich, about seven and a half miles b low the city. The hoster states he was called into the office from the main stable has the states he was called into the office from the main stable has the states he was called into the office from the main stable has the states he was called into the office from the main stable has the states he was called into the office from the main stable has the state of the was met on the road and he spoke pleasantly to at least two persons about 8 o'clock, and it is supplied to the rial of Joe Brady for participation in the Phœuix Park murders will begin on April 10.

Captain Carey, who commanded the

would kill any one who attempted to arrest him. His brother, another member of the firm, and his business manager went down and tried hard to obtain his trial for the past ten days was found

BOTTOM PRICES. CALAIS, Me., March 22.—Herbert W. Eaton, against whom a warrant was issued for assaurt with intent to kill Samuel Kelly, jr., surrendered himself to the authorities at nine o'clock last night, according to an agreement made by his friends. Court immediately convened at the office of Justice Whilden. Eaton pleaded not guilty, waived examination and insisted upon having bail fixed offering as sureties his brother, B. L. Eaton, and E. C. Gates, who were accepted in the sum of \$7,500. A number of the leading physicians are now in consultation. It is rumored that they agree that Kelly cannot possibly live 48 hours. Joseph Eaton is very comfortable and not considered in any danger.

Court of General or Quacterly Session of the Peace, or County Judge's Criminal Court, of beating or wounding his wife, such person may, if the Court thinks fit, in addition to any sentence which the Court may deem for the offence, be adjudged to be whipped. CALAIS, Me., March 22. - Herbert W.

Samuel Kelly, Jr., shot by Herbert Eaton, on Tuesday night, died this evening. He refused to make any statemen regarding the affair.

Court may deem for the judged to be whipped.

A woman disappear several years ago from Pittsburg, Pa., and received.

Soon after Kelly's death Eaton disappeared. A warrant was issued on Thursday night for his arrest and a posse of police went to his summer residence where through search was made but Eaton could not be found. A woman who was living at the house, a child and man servant, were there. The coroner has summoned a jury and they have held two sessions and adjourned until to morrow. Kelly's funeral will take place on Sunday. He leaves a widow and daughter. The wound of Joseph Eaton is not dangerous. Accused has always had on abundance of money, enabling him to indulge in any taste or fancy. He drove the factors is not described to the convict) had killed the woman. Ex-Sergeant John A. Mason, of Battery B. Second Umted Star'es artillery, now contined in the Albany Penitentiary, has just served one year of the eight he was sentenced to suffer for an alleged assault with intent to kill Guiteau, the assassin of President Garfield. Nine hundred thousand the president to pardon Mason, the drove the facts of the United States have petitioned the President to pardon Mason, y Deafness helped a great deal-think another le will cure me. Accused has always had on abundance of money, enabling him to indulge in any taste or fancy. He drove the fastest horses his money could buy. Chatham, Mch. 30th, 1883.

Accused has always had on abundance of indulge in any taste or fancy. He drove the fastest horses his money could buy. He has had to rosome years an elegant summer residence on the river, seven miles below Clais. Here he entertained his friends in sumpt of servants who were usually dressed in uniform on special occasions. Eaton delighted in surprising his guests by dressing his servants in elaborate costumes representing the various Asiatic nations.

Calais homicide, supposed to be fleeing from justice, shot himself on the Quebec herst, evidently intending to commit suicide. He was brought to Trure and where he was attended by Drs. Muir and McKav. He had shot himself in the head tive times. All the bullets have been extracted except one, which lodged in the head back of the left ear. This is a very serious wound. The other wounds ar not very bad ones. He was arrested last night, and as soon as he is sufficiently reovered to be moved will be taken back to Calais to stand his trial. The poor ellow feels his position very keenly, and says he had no motive for shooting either his brother or Kelly. He admits that he was under the influence of liquor at the

OHATHAM. - - - . APRIL 5, 1883 If there is anything that strikes terror into the souls of the hangers-

on of the late Provincial Government, it is the contemplation of departed power-the loss of office and patronage-which alone clothed most of them with such importance as they were suppose l, in some quarters, to possess. The equanimity with which some of them have given the cold shoulder to their late leaders and en deavored to pose before the new Gov ernment as its loval and faithful sup porters is as ridiculous as it is despice executions issued out or the able, and it is, therefore, with some sense of thankfulness that we are led to believe that there are a few great Sheriff's Office, Newcastle, 31st January, A. D. 1833 | souls, in the region of Fredericton a A week made at home by the industrious Best business now before the public. Capital not neede!. We will start you. Men, women, by s and everywhere to weak for its. Now is on can work in space time, or give men. From opposition sources we learn that Mr. Julius Inches is to be dismissed from the position of Secretary to the Board of Agriculture and Mr. John H. Reid appointed in his place; Mr. John Black, engrossing

cians that good officials who hold thei

positions at the will of the party in

power, shall be continued in office s

ong as they attend exclusively to

their official duties, while those who

take sides with a particular party

shall be required to follow the for

tunes of those for whom they display

their preference. If Mr. Inches, Mr.

Black and Mr. Vanwart have bee

active partizans of the late Govern-

nent, it is only proper that the

should not be continued in office b

the new Government. They will

probably, "go down with the ship,

like true political heroes. It will be

evidence that the defeated party's ad-

erents are not all made of the pli

able and mean-spirited stuff of which

so many of them are constituted in

some other sections of the Province

Men who stood up against the late

Government and bore patiently the

defeats and persecutions incidental to

the continued campaign which nearly

n the Province felt it his duty to en-

gage in against them, have had theil

n which their late opponents have

leserted the defeated leaders and en-

deavored to steal places in the ranks

of the victorious side. If Mr.

ble character as to go to the polls, or

nothing; less than most girls; for she can't expect life always to be as plea- between Allt-nam-ba and the steamsaut for her; and -and -she has come boat pier. Now all the other things through no crisis to show what kind of that I have made a list of-" stuff she is made of; and we might all be mistaken-"

sense, and men prefer common-sense to hysterics—a long way. I think she has common-sense; and I don't see why she and Archie shouldn't marry,

"Oh, I am sure he would be delight—"

"Oh

"Where is Miss Winterbourne?" she But after breakfast, as it turned out, with all their strange features of East-

one, Yolande was seated all by herself on the hurricane-deck, idly and carelessly and happily drinking in fresh clear air, and looking away over the wastes of golden sand to a strip of intense dark blue that was soon to reveal itself as the waters of a lake. She was quite alone. The second officer had brought her one of the ship's glasses.

what right had he to suppose that Miss quite alone. The second officer had brought her one of the ship's glasses, and had then (greatly against his will) gone on the bridge again. The morning was fair and shining; the huge steamer was going placidly and noise-lessly through the still water; if Yolande was thinking of anything, it was proba-

any money; and just fancy Archie coming in to complete the thing! I know what I would do. I would drain and plant the Rushen slopes, and build a nice lodge there; and then I would take the the thing of, but whether she dresses well and of the the thing of, but whether she dresses well and of the the thing of, but whether she dresses well and of the think-nice lodge there; and then I would take the think-nice lodge there; and then I would take the think-nice lodge there; and then I would take the think-nice lodge there; and then I would take the think-nice lodge there; and then I would take the think-nice lodge there; and then I would take the think-nice lodge there; and then I would take the think-nice lodge there; and then I would take the think-nice lodge there; and then I would take the think-nice lodge there; and then I would take the think-nice lodge there; and then I would take the think-nice lodge there; and then I would take that she knew that ordinary blacking was useless tor shooting boots, and that she had got "dubbing" down in her woman ly nature that you will be think-nice lodge there; and then I would do. Was he aware that she knew that ordinary blacking was useless tor shooting boots, and that she had got "dubbing" down in her will be think-nice lodge there; and then I would do. Was he aware that she knew that ordinary blacking was useless tor shooting boots, and that she knew that ordinary blacking was useless tor shooting boots, and that she knew that ordinary blacking was useless tor shooting boots, and that she knew that ordinary blacking was useless tor shooting boots, and that she knew that ordinary blacking was useless tor shooting boots, and that she knew that ordinary blacking was useless tor shooting boots, and that she knew that ordinary blacking was useless tor shooting blacking.

"By begin in the wanderer. For jewery she as useles should be wanderer. Her tather shoot of the theta she was useles and relie wanderer. Her tather shoot of the think-shoot of the cheek met was useless and r

All this was somewhat incoherent; twice as much again. Oh, Jim, just but there was a confused recollection in fancy if Archie were to be able to buy her brain of what she had been saying to her husband, and also perhaps a Her husband flung the book aside, vague impression that these words were and put his hands under his head. His excuplating herself from certain possi-

"You don't consider whether a woman is fit to stand the test of suffering and trouble: do you think she is I would do. Then I would put a strip always going to be a pretty doll to sit of sheep up the Glenbuie side to fence at the head of your dinner table? You off Sir John; do you see that, Polly ?- | think you know what Yolande's nature And then I would take the sheep off is; but you know nothing about it. Allt-nam ba, as you say, only I would You know that she has pretty eyes. add on Allt-nam-ba to Lynn. Do you perhaps; and you get savage when she

part with Corrievreak I don't know .- | She turned quickly away : Yolande Fancy having the sanctuary within two had at that moment appeared at the miles of a steamboat pier; it's a stand- top of the steps. And when she came ing temptation to all the poachers in down to the deck Mrs. Graham caught

soon have one of the best forests in looking!" she exclaimed (meaning that Those fellows from the south shoot any walked away). "Dissipation does not thing on four legs they can get at. harm you a bit. But indeed a dance Forty years ago the finest stags in In on the deck of a ship is not like a dance favors, 's said he. Yolande glanced around; there was

"Dear Mrs. Graham." said she. "I And then Archie would have a house think your brother would do me a great

"Why, yes, of course," said the Tit for tat's fair play. He has the run other, with some hesitation and a little of Inverstroy when there isn't a bit of surprise. "Of course he would be She could see that Yolande, at least know, Jim," his wife said, with an odd knew nothing of the fires of rage or

"I will tell you what it is, then. I wish my papa to think that I can manage "Oh, she's well grough," said the stout soldier, carelessly. That was a subsidiary point. What his mind clearly grasped was the importance of having Corrievreak made the sanctuary of quite right. Always he has said; 'Oh ing Corrievreak made the sanctuary of them when you are a child; why do you want a house? Why should you have vexation? But, dear Mrs. Graham, I do not mind the trouble at all; and I am not mind the trouble at all; and I am filled with joy when I think of the him when you are thought there was anything the matter," he matter, would she ask a favor of you? "There is nothing the matter," he copined, with perfect equanimity. And I am quite willing to hire any number of dog-carts for her—when she asks me."

When I get nome I was not word you? "And I am quite willing to hire any number of dog-carts for her—when she asks me."

When I get nome I was not word you? "When I get nome I was not word you?" "There is nothing the matter," he matter, and I am quite willing to hire any number of dog-carts for her—when she asks me."

When I get nome I was not word you? "When I get nome I was not word you?" "When I get nome I was not word you?" "When I get nome I was not word you?" "When I get nome I was not you?" "When I get nome I w

She has good manners. She is distremember everything that is wanted; that Yolande had detected something that yolande had detected something and he will have no bother at all; and age; and you know all the money in he will see that I can look after a house.

At the mere mention of the place her face brightened up.

"Oh yes," she said, in the most age; and you know all the money in he will see that I can look after a house, Slagpool wouldn't induce papa to re- and then he will not be so afraid to ceive a dowdy daughter-in-law. And she one in London or the country, she doesn't flirt—unless—well, it's just and to have a proper home, as every possible she knows that that indifference one clse has. And this is what I would the request that Yotande had intended the request that Yotande had intended one commissions for your ceivers that Yotande had intended one commissions for your ceivers that Yotande had intended one to take some commissions for your ceivers that Yotande had intended one to take some commissions for your ceivers that Yotande had intended one to take some commissions for your ceivers that Yotande had intended one to take some commissions for your ceivers that Yotande had intended one the country, started, and everybody was eagerly proven the requirement of the r possible she knows that that indifference one clse has. And this is what I would of hers is attractive to young men; it ask of your brother, if he will be so to make. Indeed, she had but little to Inverness," said he, abasing hi

"It is no trouble; it is a delight might as well have been in a convent as You were speaking of the carraige we in that Chateau. And of course she should want, and the horses, to drive

her husband said, with just a touch of of paper-it is safer; but the carriage : contempt. "Dor.'t be alarmed ; I dare do you think I might ask your brother say Archie isn't anxious to marry a to hire that for us for the three months? say Archie isn't anxious to marry a to hire that for us for the three months? Then when papa goes to Inverness Winterbourne should be put to any there will be no bother or waiting; Wouldn't you like to be going out with me."

"Lucky beggars! said Colonel Graham, rather ruefully. "Don't you wish you were going out, Polly? Wouldn't you like to be going out with me."

"Lucky beggars! said Colonel Graham, rather ruefully." Don't you wish you were going out, Polly? Wouldn't you like to be going out "Well, I should think no!—I should fiery trial, or should have to go through everything in readiness; the carriage again ?" mortal agonies any more than the ma- and horses engaged; the dogs sent on mortal agonies any more than the majority of young women in exceptionally easy circumstances. And if she should, I have no doubt she will show commonsense, and men prefer common-sense to right-everything right. Do you think keep me.

one or other gets tired of quarrelling, mood). "I fancy he has promised to reaching the hotel

"Where is Miss Winterbourne?" she said, inadvertently, and without reflecting that the question was odd.

"On the hurricane-deck," said he.
"I daresay you will find half the officers of the ship round her."

There was something in his tone which caused his sister, with considerable sharpness, to ask him whath the meant; and then out came the story of his wrongs. Now Mrs. Graham had not been too well pleased when her hus-

was thinking of anything, it was proba- had he in here What was he to her like h.at; while overhead shone the was such a mass of verdure—flowering

might wander away through the world, secure in each other's company.

Nor was she aware that at this precise moment her future was being accorately arranged for her in one of the cabins below.

"I confess I don't see where there can be the least objection," Mrs. Grahame was saying to her husband (who was still lying in his berth, turning over the pages of a novel), as she fixed a smart mob-cap on her short and pretty curls. "I have looked at it every way. Papa may make a fuss about Mr. Winterbourne's politics, but there are substantial reasons why he should say in the secure of the the least of the that only shows me that you know nothing at all about her was more like the innocence of a confirmed flitt. But that only shows me that you know nothing at all about her was more like the innocence of a confirmed flitt. But that only shows me that you know nothing at all about her was being accorately arranged for her in one of the cabins below.

"I imagined nothing of the sort," he answered with equal vehemence. "But I imagined that as we were travelling together as friends, even a small amount of triendliness might have been shown. But it is no matter."

"You are quite right, it is no matter."

"You are follows in the breakfast; but he made his appearance at lunch, and the younder was suffin winterbourne's pointes, but there are substantial reasons why he should say as little set possible. Just think how he has worked at the improving of the estate—all his life—and with scarcely made smooth and pleasant for you. I

> "Archie," said Mrs. Graham to her prother the first time she got hold of num after lunch, "you need not be rude to Miss Winterbourne."

"You treated her as if she were an boolute stranger at lunch. Not that I absolute stranger at lunch. Not that I suppose she cares. But for your own ake you might show better manners.' "I think you mistake the situation." motto. It is for her to say whether we are to be friends, acquaintances, or trangers, and if she chooses to treat

"Do you say that about Jim?" said Scotland. But letting is the mischief. her brother should hear, but he had the young wife, with a flish of indigna-"I wasn't aware that Graham was and dust, that had nearly killed ever

"Well, now," she said, "you are making a fool of yourself, all to no purpose. If you are jealous of them; won't you be rid of the whole lot or quite agree with you. I think it o'Dear Mrs. Graham," said she, "I them to-night, supposing we get to build be an uncommon good match.— have a secret to ask you. Do you Suez! And we shall be all by our selves after that; and I am sure I exand friendly party."

"But I am quite willing," said he.
"If I meet Miss Winterbourne on terms of her own choosing, surely that is only leaving her the liberty she is entitled to. There is no quarrel, Polly.
Don't be aghast. If Miss Winterbourne
wishes to be friendly, good and well;
if not, good and better. No bones
will be beaken? will be broken.'

"I tell you this at least," said his Sue wants you as spring-cart for wardrobe, it will last a long time; and it

the moment escaped her memory, or friendly way, "that will indeed be a shether it was that the ship had again home for us for a while. Oh, thank of hers is attractive to young men; it puts them on their mettle, and touches their vanity. But after all, Jim, we know very little about the girl. We don't know what sort of a wife she would make. She has come through dimerstance, and that meal was raher nurried over; for there were many good-byes to be said, and people could be got at more easily on seek.

"And you are clean out of his head. "And you are not anxious to read the newspapers?"

"No—not at all."

"Then will you sit down and tell me

The clear, hot evening was sinking into the sudden darkness of the Egyptian night when the Grahams and Win-ti. If it is only for three months, still that I have made a list of—"
that was to take them along to the hotel; and a whole crowd of passengers had come ashore to bid them a last to think of it; and I am frightened too. good-by, amongst them notably the young Highland officers.

"Lucky beggars!" said Colonel Gramitakes at the beginning, well I beginning, well I beginning.

"Not I. Think of dear Baby, Jim!"
