

PRESS RELEASE

INFORMATION DIVISION
DEPARTMENT OF EXTERNAL AFFAIRS
OTTAWA - CANADA

FOR RELEASE AT 11 P.M. EDT AUGUST 2.

NO. 46

August 2, 1949.

The Department of External Affairs announced today that Canada, Australia and New Zealand were associated with further United Kingdom notes delivered yesterday to the Governments of Hungary and Roumania in connection with the dispute which has arisen concerning the interpretation and execution of the clauses of the peace treaties which provide for the protection of fundamental human rights.

The notes addressed to Hungary and Roumania recall the treaty provision that any dispute about the execution of the treaty which is not resolved within a period of two months by the Heads of Mission of the United Kingdom, United States and U.S.S.R. in the capital of the country concerned should be referred at the request of either party to a commission composed of one representative of each party and a third member to be selected by mutual agreement of the two parties from nationals of a third country, unless the parties to the dispute mutually agree upon another means of settlement. Since the Soviet Government, in spite of the provisions of the treaty, have not authorized their representatives in Budapest and Bucharest to join their British and United States colleagues in considering the disputes, the United Kingdom Government requests that the disputes be referred to commissions constituted in accordance with the treaties and invites the Hungarian and Roumanian Governments to join with the United Kingdom Government in appointing the necessary commissions.

As Canada is not a signatory of the peace treaty with Bulgaria it is not associated with a similar United Kingdom note to the Bulgarian Government.

The United States is taking parallel action with respect to the three Balkan Governments.

The text of the notes is attached.

United Kingdom Note of August 1, to Hungary and Roumania

His Majesty's Legation present their compliments to the Hungarian (Roumanian) Ministry of Foreign Affairs and under instructions from His Majesty's Government in the United Kingdom have the honour to refer to their note of the 31st May about the dispute which has arisen concerning the interpretation and execution of the Treaty of Peace.

2. The Soviet Government, in spite of the provisions of the Treaty, have not seen fit to authorize their representative in Hungary (Roumania) to join his British and United States colleagues in considering this dispute and although two months have elapsed since the Soviet representative was invited to a meeting for this purpose the meeting has not yet taken place and the dispute remains unresolved.

3. The Treaty provides that any dispute of this kind which is not resolved by the three Heads of Mission within a period of two months should, unless the parties to the dispute mutually agree upon another means of settlement be referred at the request of either party to a Commission composed of one representative of each party and a third member selected by mutual agreement of the two parties from nationals of a third country. His Majesty's Government in the United Kingdom, in the circumstances, request that the dispute be referred to a Commission constituted in this manner and they have instructed His Majesty's Legation to invite the Hungarian (Roumanian) Government to join with His Majesty's Government in appointing such a Commission.

4. His Majesty's Governments in Canada, Australia and New Zealand between whom and the Government disputes have also arisen, wish to be associated with the terms of this note.
