BILL.

[1867.

An Act to amend the Act of Incorporation of The Commercial Bank of Canada, to authorize its amalgamation with any other Bank or Banks, or for its winding up.

(Re-presented as amended, by Committee on Banking and Commerce.)

WHEREAS under and pursuant to the provisions of the Act of the Parliament of the former Province of Canada, passed in the twentieth year of Her Majesty's reign, chaptered one hundred and twenty, and intituled "An Act to amend and consolidate the Acts
5 relating to the Commercial Bank of the Midland District, and to change its corporate name to the Commercial Bank of Canada," the Commercial Bank of Canada has been carrying on its business of bankers; And whereas the said Commercial Bank of Canada has, by its petition, represented that it is unable at present to meet its bank-notes in cir-
10 culation, claims of depositors, and other debts, in specie upon demand, although possessed of assets more than sufficient to pay all its liabilities in full if such assets are properly realized and applied, and hath prayed that under the said circumstances an Act of the Parliament of
15 Canada should be passed to contain the provisions hereinafter mentioned; And whereas it is expedient to grant the prayer of the said petition; Therefore Her Majesty, by and with the advice and consent of the Senate and Commons of the Dominion of Canada, enacts as follows:—

1. Notwithstanding anything contained in the thirty-fifth section of
20 the said recited Act, the suspension by the said Bank of payment on demand in specie of the notes or bills of the said Bank shall not operate as, or be any forfeiture of the charter or corporate privileges of the said Bank, unless such suspension shall continue for the period of ninety days from and after the passing of this Act, although the period of
25 sixty days limited by the said recited Act shall have expired before the passing of this Act.

REDUCTION AND INCREASE OF CAPITAL.

2. The Directors of the said Bank may by by-law reduce the amount of the capital stock of the said Bank from four millions of
30 dollars, to such sum, not less than one million of dollars, as shall be fixed in and by said by-law, and such reduction may be in the nominal amount of each share in the capital stock, or otherwise, as may be provided by such bye-law, but notwithstanding such reduction the liability of the stockholders of the said Bank to the present creditors of the
35 said Bank, under the thirty-eighth section of the said recited Act, shall remain in full force and effect, and not in the least altered or in anywise diminished or impaired.

2. Concurrently with such reduction of the said capital stock, or subsequently thereto, the said Directors may by by-law, or by-laws,
40 from time to time increase the capital stock, but so that it shall not exceed in all the said original amount of four millions of dollars—by the issue of new or additional shares, to be each of the same nominal value as the other shares of the said Bank.

3. The said by-law or by-laws shall specify the number of such additional shares, which are then to be added to the capital stock, and the time, place, manner, and other conditions to be observed in the subscription and payment of the same, and such additional shares shall not be issued at less than the par value thereof, and at least fourteen days' public notice of the opening of books of subscription for the said shares shall be given by advertisement, once in each week in the official *Gazette*, and twice in each week in one or more of the daily newspapers published in the Cities of Kingston, Montreal, and Toronto, respectively. 5

4. In case more than the whole number of additional shares be subscribed for in the allotment thereof, the present shareholders of the said Bank shall be entitled to receive the full amount of the additional shares subscribed for by them respectively, in preference to new subscribers. And in case of any competition between such present shareholders, then their respective proportions shall be determined according to the amounts of their present shares respectively, and should an insufficient number of additional shares be subscribed for, the said directors may, in their discretion, withhold any allotment thereof. 10 15

5. Every such additional share shall be paid in full within *two* years from the passing of this Act, and every subscriber or holder thereof shall be entitled to a share of the profits of the said Bank in proportion to the sum actually paid in upon each such share from the period at which such sum was so paid, and any holder shall be entitled to vote in respect of the shares held by him unless he shall be in default in respect of any calls upon such shares. 20 25

6. Every person subscribing for or holding any share or shares in the said additional capital stock, shall have the same rights and be subject to the same liabilities as the other shareholders in the said Bank.

7. Each share in the said Bank shall entitle the holder thereof to one vote in respect thereof, notwithstanding anything in the said heretofore recited Act contained. 30

8. The Directors of the Commercial Bank of Canada may, by by-law, from time to time remove the principal office of the said Bank to such place or places in Canada as they shall deem meet, but any such by-law, to be valid, shall be confirmed at the Special General Meeting of the seventeenth day of December, aforesaid, or at any future Special General Meeting of the shareholders of the said Bank, or at any adjournment thereof, as the case may be, and in the event of such removal the Annual and other General Meetings of the said Bank shall take place and be held at such place of removal. 35 40

CLAUSES AS TO AMALGAMATION.

3. The Directors of the said Bank may enter into an agreement with any other banking institution or institutions for an amalgamation, and may determine upon the terms of such amalgamation and the relative values of the stock of the said Bank and of such amalgamating bank or banks, and may agree upon such other terms for the conduct, management and general relations, of the amalgamated institutions as the Directors of the said Bank may think best, not, however, being inconsistent with or in excess of the powers conferred by their respective Acts of Incorporation. Such agreement shall not, however, be valid until confirmed by a majority of such of the shareholders of the Commercial Bank, as shall be present either in person or by proxy, at the Special General Meeting of said shareholders, convened for the seventeenth day of December, one thousand eight hundred and sixty-seven, or at any adjournment thereof, or at any future Special General Meeting called for that purpose. 45 50 55

4. The Directors of any other banking institution or institutions are hereby authorized to enter into an agreement of amalgamation with the Commercial Bank of Canada, to the purport and effect set forth in the last preceding section, but such agreement shall not be valid until

confirmed at a Special General Meeting called for that purpose of the shareholders of the bank or banks so entering into the said agreement.

5. The terms of the agreement of amalgamation shall be set forth in a formal indenture of Union, executed by the said respective banks 5 parties thereto, and upon the filing of a duplicate thereof in the office of the Secretary of State for the Dominion of Canada, such amalgamation shall be taken to be fully complete, and the said amalgamated banks shall thereafter be deemed to be one corporation, under such name, not being the name of any other Bank not entering into such 10 amalgamation, as may be declared in such indenture, and shall possess all the corporate powers, rights and privileges theretofore held, enjoyed or possessed by any or either of the said respective banks, and the provisions contained in their respective Acts of Incorporation shall apply to the said amalgamated bank, which shall in all respects be subject to 15 and be regulated by the said provisions, except in so far as the same may be varied by the terms of the said indenture of union or this Act. And in case of any conflict between the terms of the provisions con-

tained in the said respective Acts of Incorporation, those contained in the said recited Act of Incorporation of the Commercial Bank of Canada shall be construed, taken and held to govern the said amalgamated bank, and immediately after the filing of the said indenture in the office of the Secretary of State, a copy of the same certified by the said Secre- 20 tary shall be published at length in the official *Gazette* at the expense of the said Bank.

6. The production of the said indenture of union, with the certificate thereon endorsed of the Secretary of State for the Dominion of Canada of the filing of the duplicate thereof, in his office, or the pro- 25 duction of a copy of such duplicate indenture certified by the said Secretary of State, or of a copy of the Official *Gazette* in which the said indenture has been published, under the last preceding section, shall be conclusive evidence, in all Courts and proceedings, of the execution and filing of the said indenture, without further or other proof, and 30 shall also be *prima facie* evidence, without further proof, in all Courts and proceedings, of the complete union and incorporation into one corporation of the said amalgamated institutions.

7. The said amalgamated bank may, by by-law or by-laws, and upon the terms set forth in such by-law, from time to time 35 increase their capital stock, but the additions thereto shall not, exceed the amount of the original capital stock of the Commercial Bank of Canada, and of such amalgamating bank or banks as authorized by their respective Acts of Incorporation.

2. Any such by-law or by-laws shall contain the same requisites, as 40 are hereinbefore set forth, with respect to by-laws to increase the capital stock of the Commercial Bank of Canada, and the provisions hereinbefore set forth in sub-sections three, four, five and six of section two of this Act shall apply to the increase of capital stock authorized by this section, as if re-enacted with respect to the same. No such by- 45 law shall be valid until confirmed by a majority of such of the Shareholders as shall be present in person or by proxy at a Special General-Meeting of the shareholders of the amalgamated bank called for that purpose.

8. The indenture of union, hereinbefore mentioned, may provide for 50 the place where the head or principal office of the amalgamated bank shall be situate, and may also contain provisions for the removal of such principal office from time to time.

9. Immediately upon the union or amalgamation of the said banks taking place, the shareholders of the respective banks so amalgamating shall (*ipso facto*) become the shareholders of the said amalgamated bank in the amounts and according to the relative values of the stock of the amalgamating banks, as provided for and set forth in the said indenture of union. 5

2. And notwithstanding anything to the contrary contained in the several Acts of Incorporation relating to said banks, each share in the capital stock of the said united corporation shall entitle the holder thereof to one vote at all general meetings of the shareholders of the said bank, unless he shall be in default in respect of any calls upon such shares. 10

3. And thereupon also all the estate and effects, real and personal, rights, property, credits, choses in action, claims and demands of whatsoever nature or quality, or wherever situate, of each of the amalgamating Banks, shall forthwith become vested in the said amalgamated corporation, its successors and assigns, as and for its own use and benefit absolutely. And it may, in its own name, sue for, collect and get in, any or any part of the said estate, rights, or effects. 15

4. And the said amalgamated corporation shall forthwith also become subject and liable to pay and discharge all of the debts, obligations, bills, promissory notes or other liabilities of each of the said amalgamated banks, and may be directly sued and proceeded against in respect thereof, as fully and effectually as if the same were originally, and they shall be taken and construed so to be, the debts, obligations, promissory notes and liabilities of the said amalgamated corporation. 20 25

10. The amalgamation taking effect as hereinbefore provided, shall in no way release, affect or discharge the liability or obligation of any surety to any or either of the amalgamating banks, for or in respect of any bill, debt, claim, service, employment, or matter, or thing whatsoever, but the said liability and obligation shall continue in full force and effect, and shall be taken and construed to be a liability or obligation in favor of the said amalgamated corporation, as if the same had been originally and directly given to or entered into with the said last mentioned corporation. 30 35

And that the said Henry Rutger Foote, on the nineteenth day of March, in the year of our Lord one thousand eight hundred and sixty-seven, duly obtained Letters Patent for the said invention for and throughout the said United States. And the petitioners further represent that by 15 an assignment from the said Henry Rutger Foote, they have acquired the said invention, and all the right, title, and interest thereto and therein, and all or any patent or patents that might be obtained for or by said petitioners in respect thereof in any of the British North American Provinces; and they, the said petitioners, afterwards, on the twenty- 20 fifth day of June, in the year aforesaid, and since the assignment to them, as aforesaid, duly obtained Letters Patent for the said invention in, for and throughout the Province of New Brunswick. In what case only new evidence may be adduced on appeal.

45. In case of such appeal, the appellant shall have no right to adduce further evidence than that already given on the original reference, unless he shews to the satisfaction of the Board that his knowledge of the existence of such further evidence has arisen since the first hearing of the case, or unless the Board shall think it right on hearing the claimant to admit further evidence.

Copies of depositions, &c.

OTTAWA:

An Act to incorporate the St. Lawrence and Ottawa Railway Company.

[Re-printed, as amended by Railway Committee.]

WHEREAS, by an Act of the Parliament of the late Province of Canada, made and passed in the thirteenth and fourteenth years of Her Majesty's reign, intituled "An Act for the Incorporation of a Company to construct a Railway between Bytown and Prescott," 5 certain persons therein named, together with such other persons as should under the provisions of that Act become subscribers to and proprietors of any share or shares in the Railway thereby authorized to be made, were united into a Company for carrying on, making, completing, and maintaining the said intended Railway and other works, 10 and it was thereby enacted that they should for that purpose be one body politic and corporate by the name of "The Bytown and Prescott Railway Company," and by that name should have perpetual succession and should have a common seal and other the usual powers and rights of bodies corporate, not inconsistent with the said Act now in recital. 15 And whereas, by a certain other Act of the Parliament of the said Province made and passed in the fourteenth and fifteenth years of Her Majesty's reign, intituled "An Act to amend the Act incorporating the Bytown and Prescott Railway Company;" and also by two certain other Acts of the Parliament of the said Province, made and passed in the sixteenth year 20 of Her Majesty's reign, intituled respectively "An Act to amend the Act incorporating the Bytown and Prescott Railway Company;" and "An Act for the granting of certain Hereditaments in the town of Bytown to the Bytown and Prescott Railway Company," certain other powers and provisions were conferred on or made, enacted, and declared 25 with respect to the said Railway Company. And whereas, by a certain other Act of the Parliament of the said Province, made and passed in the eighteenth year of Her Majesty's reign, intituled "An Act to change the name of the Bytown and Prescott Railway Company, and to amend the Act incorporating the same," it was enacted that the Company 30 incorporated under the first hereinbefore in part recited Act should be called and known under the name and style of "The Ottawa and Prescott Railway Company," instead of being called and known by the name and style of "The Bytown and Prescott Railway Company." And whereas, in pursuance and under the authority of the said several here- 35 inbefore in part recited Acts, or of some or one of them, the said Railway Company carried on, made, completed and maintained the said railway and other works, and purchased or acquired and held certain lands, and laid the track of the said railway and sidings, and erected messuages, houses, buildings and machinery thereon respectively, or on 40 some part thereof, and exercised and maintained the powers, rights, and privileges incident to the carrying on, making, maintaining and completion of the said railway, and granted and conferred in and by the said Acts of Parliament, or some or one of them. And whereas, by a certain other Act of the Parliament of the said Province, made and passed 45 in the twenty-eighth year of Her Majesty's reign, intituled "An Act for the Relief of the Ottawa and Prescott Railway Company, and for ensuring the effectual working of its railway and for other purposes;" after reciting that the interest on the bonds issued under the first mort-

gage, and the interest on the second and third mortgages made by the
 Ottawa and Prescott Railway Company was in arrear, and that the
 Company had also become otherwise deeply indebted, and several of
 the creditors had obtained judgments against it, and that the railway
 was in the hands of a receiver appointed by the Court of Chancery for
 5 Upper Canada, at the instance and for the protection of certain of its
 bondholders; and further reciting that the said railway was out of
 repair; and further reciting that the keeping open of the railway
 for traffic, which was of the utmost importance to the interests of the
 said Province, was by reason of the premises imperilled, and that it
 10 was necessary that the said railway and its franchises should be abso-
 lutely sold to secure thereafter the uninterrupted working of the said
 railway,—it was enacted, that, notwithstanding anything in any
 law or statute to the contrary, it should be lawful for any
 mortgagee or judgment creditor of the said Company to proceed
 15 upon his mortgage or execution against lands, and sell thereunder
 the said railway with all its lands, rights, privileges, franchises, and
 appurtenances, and that any mortgagee or creditor of the said Railway
 Company might become the purchaser of the said railway at such sale,
 and that such sale should extinguish all mortgages, bonds, judgments, and
 20 claims whatsoever existing at the time of the sale of such railway, and
 by and that under such sale, whether made under power of sale in any
 mortgage decree of the Court of Chancery in Upper Canada, or Sheriff's
 sale on such execution against lands as aforesaid, the purchaser,
 his heirs or assigns, should acquire a good title to the said railway and
 25 all the lands, rights, privileges, franchises and appurtenances thereto
 belonging or in any way appertaining, freed and discharged from any
 claim and incumbrance whatever, and should have full power and
 authority to sell and dispose of the same, to use and work the said rail-
 way under the Act of Incorporation of the said Railway Company, or
 30 any amendment thereof, as fully and effectually as if such charter had
 been granted to such purchaser. And whereas, a certain suit was instituted
 in the Court of Chancery for Upper Canada in which Alexander Simp-
 son, Abraham Darby, Henry Dickinson, William Tothill, Thomas
 35 Brown and Joseph Robinson, on behalf of themselves and all others,
 the holders of the bonds of the Ottawa and Prescott Railway Company,
 bearing date the first day of November, one thousand eight hundred
 and fifty-three, and secured as the first charge on the said railway by
 mortgage executed by the said Company to the said Alexander Simpson,
 40 bearing date the sixteenth day of March, one thousand eight hundred
 and fifty-three, were plaintiffs, and the Ottawa and Prescott Railway
 Company, the City of Ottawa and the Town Council of the Town of
 Prescott by Bill, and certain other parties made parties in the Master's
 Office, were defendants; and a sale of the said railway was thereunder
 45 held, at which the said Joseph Robinson was adjudged the purchaser
 of the same. And whereas, by an order of the said Court of Chancery
 made in the hereinbefore recited suit, on Saturday, the twenty-third
 day of December, in the twenty-ninth year of the reign of Her Majesty
 Queen Victoria, and in the year of our Lord one thousand eight hun-
 50 dred and sixty-five, upon the application of the above-named plaintiff
 Joseph Robinson, and upon hearing read the notice of motion and the
 various orders, affidavits and proceedings had, taken and made in the
 said cause, and in pursuance of the sixty-third section of the twelfth
 chapter of the Consolidated Statutes for Upper Canada, and of the said
 55 Act passed in the twenty-eighth year of the reign of Her Majesty Queen
 Victoria, chapter thirty-five, it was ordered that the lands and premises
 in question in the said cause, being composed of all the lands, rights,
 privileges, franchises and appurtenances belonging, or in any way
 appertaining to the said Ottawa and Prescott Railway Company situate
 60 in the City of Ottawa, and in the Townships of Gloucester, Osgoode and
 North Gower, in the County of Carleton, and in the Townships of South
 Gower, Oxford and Edwardsburgh, and in the town of Prescott, in the

County of Grenville, together with all workshops and buildings thereon erected, and the engines, tools, stock and other property contained therein, and all the rights, claims, privileges, tolls, revenues, franchises, and appurtenances of the said railway and all other property of the

5 said Company wheresoever situated, and of whatsoever kind, character or description, including the rolling stock thereof, should be and the same were thereby vested in the said plaintiff, Joseph Robinson, his heirs and assigns for ever, for all the estate, right, title, and interest

10 of the said plaintiffs (other than the said Joseph Robinson), and of the said defendants therein. And whereas, by the twelfth chapter of the Consolidated Statutes for Upper Canada, it is enacted that in every case in which the Court has authority to order the execution of a deed, conveyance, transfer, or assignment of any property, real or personal, the

15 Court may make an order or a decree vesting such real or personal estate in such person or persons, and in such manner, and for such estates as would be done by any deed, conveyance, assignment, or transfer if executed; and that thereupon the order or decree shall have the same effect at law and in equity as if the legal or other estate or interest in the property had been actually conveyed by deed or otherwise for the

20 same estate or interest, to the person in whom the same is so ordered to be vested. And whereas, by letters patent under the Great Seal of the Province of Canada, bearing date the second day of February, in the year one thousand eight hundred and sixty-six, all those parcels or tracts of land situate, lying, and being in the City of Ottawa, in the

25 County of Carleton aforesaid, containing by admeasurement one acre and sixty-five thousand square links, more or less, and being composed of lots numbered four, five and six on the west side of Dalhousie Street, lots numbers ten, eleven, twelve, and thirteen on the north side of Bolton Street, and lots ten, eleven, twelve and thirteen on the south side

30 of Boteler Street, in the aforesaid City of Ottawa, were granted unto the said Joseph Robinson, his heirs and assigns for ever. But in trust to be used, occupied, and enjoyed by the said Joseph Robinson, his heirs and assigns, as a depôt ground, and for all or any the uses of and in connection with the Ottawa and Prescott Railway and its appurtenances.

35 And whereas, by a certain deed poll, bearing date on or about the twenty-ninth day of June, in the year one thousand eight hundred and sixty-six, reciting as is hereinbefore set forth, and further reciting that although the said Joseph Robinson was adjudged the purchaser of the said railway, as set forth in the thereinbefore recited order of the Court

40 of Chancery for Upper Canada, yet in truth and fact the same was so purchased and acquired by him on behalf of other persons thereafter named in the schedule thereunto annexed, together with himself, in the various interests, shares, or proportions thereafter in the said schedule mentioned, and that the name of the said Joseph Robinson was used in

45 the said purchase and in the said recited order as a Trustee for such other persons in respect of such interests, shares, or proportions, together with the interest, share, or proportion of him, the said Joseph Robinson therein; and that the said Joseph Robinson had agreed to execute such a declaration of trust as was thereafter contained: it

50 is witnessed that the said Joseph Robinson, his heirs, executors, administrators and assigns, shall thenceforth stand seized or possessed of all the lands, rights, privileges, franchises, and appurtenances belonging or in any way appertaining to the Ottawa and Prescott Railway Company, situate as in the said deed poll and hereinafter mentioned and set forth, together with all workshops and buildings thereon

55 erected, and the engines, tools, stock, and other property contained therein, and all the rights, claims, privileges, tolls, revenues, franchises, and appurtenances of the said railway, and all other property of the said Company wheresoever situated, and of whatsoever kind, character,

60 or description, including the rolling stock thereof, as the same was vested in the said Joseph Robinson, by the thereinbefore recited order of the Court of Chancery for Upper Canada, And also all those par-

cels or tracts of land in the deed now in recital particularly mentioned as granted to the said Joseph Robinson by the said letters patent, in trust for the several persons named in the schedule thereunto annexed and which schedule is to be taken and read as part of the instrument now in recital, and their heirs, executors, administrators, and assigns, according to the several shares, interests, or proportions in the said schedule mentioned, and according to the nature and quality of the same property respectively. And the schedule referred to in the deed poll now in recital is to the following effect:—

And whereas, by a certain deed, bearing date on the eighteenth day of April, one thousand eight hundred and sixty-seven, reciting the several matters as hereinbefore mentioned and set forth, and that in the re-establishment and re-equipment and otherwise in respect of the said railway upon and since the purchase thereof by the said Joseph Robinson as hereinbefore recited, and in the placing of the same in proper working order and in the provision of additional necessary rolling stock, engines, cars, trucks, machinery, plant, and other appurtenances, debts had been incurred and were then outstanding, and it was necessary and expedient for further and other purposes in the respects aforesaid, and for the more perfect and thorough re-establishment and re-equipment of the said railway and for procuring further additional rolling stock, engines, cars, trucks, machinery, plant, and other appurtenances, for promoting and extending the operations of the said railway, that a further sum of money should be raised and provided; and that for the purposes of payment of such outstanding debts and of such further provision as aforesaid, the said Joseph Robinson, by and at the request of the petitioners hereafter mentioned, on their own behalf, were about to grant, convey and assign, the said Railway, lands, and premises and its rolling-stock, engines, cars, trucks, machinery, plant and other appurtenances, to the Trustees, for the purposes hereinafter mentioned and declared, the partners in the said Ebbw Vale Company, acting therein with the authority of their inspectors, testified by the latter being made parties to and executing the said Deed now in recital, and the said Frederick Augustus Tamplin joining therein to release and assign all estate and interest of him (if any) in the said premises;—it was witnessed that, for the consideration therein mentioned, he, the said Joseph Robinson, by and at the request of the petitioners, being proprietors of the Ottawa and Prescott Railway, did grant, and the proprietors of the Ottawa and Prescott Railway (so far as concerns the partners in the said Ebbw Vale Company, with such authority as aforesaid) did (according to his and their several shares, interests, or proportions in the same, and so far as he and they lawfully could or might) grant, and the said Frederick Augustus Tamplin, as to all estate and interest of him therein (if any), did thereby release unto the petitioners, Alfred Brown and Thomas Abercrombie Wilton (in the said deed named as Trustees), their heirs, executors, administrators, and assigns, according to the nature and quality of the same respectively, all the lands, rights, privileges, franchises and appurtenances, belonging or in any way appertaining to the Ottawa and Prescott Railway, situate in the City of Ottawa,

and in the Townships of Gloucester, Osgoode, and North Gower, in the County of Carleton, and in the Townships of South Gower, Oxford, and Edwardsburgh, and in the Town of Prescott, in the County of Grenville, in the Province of Canada, together with all workshops
5 and buildings thereon erected, and the engines, tools, stock, and other property contained therein, and all the rights, claims, privileges, tolls, revenues, franchises, and appurtenances of the said railway, and all other the property of the said railway wheresoever situated and of whatsoever kind, character, or description, including the rolling stock
10 thereof, as the same was vested in the said Joseph Robinson by the hereinbefore recited order of the Court of Chancery for Upper Canada, and as the same had since been increased and stood at the day of the date of those presents. And also all those parcels or tracts of land situate, lying, and being in the City of Ottawa, in the County of
15 Carleton aforesaid, containing by admeasurement one acre and sixty-five thousand square links, more or less, and being composed of Lots Nos. four, five, and six, on the west side of Dalhousie Street; Lots Nos. ten, eleven, twelve, and thirteen, on the north side of Bolton Street; and Lots ten, eleven, twelve, and thirteen, on the south side
20 of Boteler Street, in the aforesaid City of Ottawa, as granted to the said Joseph Robinson by letters patent hereinbefore in part set forth, to hold the same upon trust by mortgage or other charge of the premises thereby granted, or by such other ways or means, or by such security as they or he should be thereunto advised, or as
25 to them or him should seem reasonable or expedient, to raise or borrow and take up at interest a sum not exceeding fifty thousand pounds of lawful money of Great Britain, bearing interest as thereafter mentioned, and that such sum or sums of money to be raised, borrowed or taken up at interest, should be made repayable in certain proportions and
30 denominations, and, upon trust, to sign and deliver to each person from whom any of the said sums should be raised, borrowed, or taken up at interest, a certificate or certificates of such denomination or respective denominations as should be equal in the whole to the sum so raised, borrowed, or taken up from such person, and each of which certificates
35 should express or denominate therein the proportion of the said sum of fifty thousand pounds payable thereunder, and should be designated by a consecutive number, and be in the form in the said deed set forth. And a further trust was declared that every such certificate should carry a first charge or lien for the amount thereof, and for
40 any interest overdue and unpaid thereon, upon the said railway, lands, rights, privileges, franchises, and appurtenances, and the engines, tools, stock, and other property, and all rights, claims, privileges, tolls, and revenues thereof, provided that all such certificates were to be on an equality so far as regards the security therefor, and that if at any
45 time thereafter an Act should be passed by the Parliament of the Province of Canada, or of the Dominion of Canada, or of any Province thereof having legislative power in that respect by which the Proprietors of the Ottawa and Prescott Railway, or any others with them, or any of them should be created a body corporate and empowered to raise money
50 by the issue of bonds or debentures, or by mortgage, or other method or proceeding so as to carry a security, charge, or lien on the railway and property hereby conveyed, or on any part of it, the Trustees or the survivor of them, his heirs, executors, administrators, and assigns, might call upon and require the body corporate thereby created to issue
55 bonds or debentures or to execute a mortgage or mortgages or such other security as might by such Act be authorized in redemption of or to replace the certificates hereinbefore mentioned, which said certificates so redeemed or replaced should be then delivered up by the registered transferees or holders thereof to be cancelled. And whereas the said
60 Joseph Robinson and others, the proprietors of the Ottawa and Prescott Railway, have presented their petition, setting forth in effect the several statements hereinbefore set forth and recited, and represented

that they had no corporate existence or title, and that great difficulty is experienced by them in such respect. And it is by the said petition further alleged that upon the purchase, by the said Joseph Robinson, of the said Railway, the same had fallen into a great state of disrepair, and was deficient in rolling-stock and in the requisites for 5 efficiently performing traffic and locomotion, and that the petitioners, or some of them, were obliged to lay out and expend large sums in the repair of the Road, and in the necessary provision and equipment for its working; and that under the Deed of Trust hereinbefore mentioned, the sum of fifty thousand pounds sterling was raised as a 10 first charge upon the said Railway and its appurtenances; and that the Railway is the only means of railway communication between the Seat of Government and the River St. Lawrence or any railway, and submitting that it is of great public interest that they should be empowered to maintain and extend the same; and the petitioners have 15 prayed that an Act may be passed to incorporate them under the name of "The St. Lawrence and Ottawa Railway Company," and to vest therein the Ottawa and Prescott Railway, with the lands, rights, privileges, franchises, and appurtenances thereto belonging or appertaining, as the same were acquired as aforesaid by the said Joseph 20 Robinson, with full power to convert the several interests of the present proprietors thereof into stock or shares, and to open stock or share-books, and also to enable the Company to substitute Bonds or Debentures bearing interest for the several certificates of the Trustees under the said Deed of Trust, heretofore made in and upon the said Railway by 25 the proprietors thereof, or to confirm such certificates as Mortgage Bonds, and also to enable the said Company to sell or lease the said Railway and its appurtenances, and also for power to extend the line of the said Railway, from the City of Ottawa, in either or both of the Provinces of Ontario and Quebec, and, if expedient, to alter the 30 gauge of the Railway, and generally to confer upon the St. Lawrence and Ottawa Railway Company, all powers, rights, and privileges necessary in and for the conduct, management, working and efficiency of the said Railway and its appurtenances. And whereas under the Act firstly hereinbefore recited, authority is given to the Ottawa and Prescott 35 Railway Company to build, purchase, hold, and use steamboats or other vessels to ply on the waters of the Rivers Ottawa and St. Lawrence to any place not more than twelve miles distant from either of the said termini of said Railway. And whereas by such means and under such authority ferriage may be established on the River Ottawa, 40 between the Provinces of Ontario and Quebec, and on the River St. Lawrence, between the Province of Ontario and the United States of America. And whereas the Ottawa and Prescott Railway as connecting the seat of Government with the main lines of Railway in Canada and with the proposed Intercolonial Railroad, and as affording un- 45 broken railway connection between the Provinces of Ontario and Quebec, is a work of general advantage to Canada, and it is therefore expedient to grant the prayer of the said petition; Therefore, Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows : 50

1. The Ottawa and Prescott Railway, (after the passing of this Act, to be called and known as the St. Lawrence and Ottawa Railway,) is hereby declared to be a work for the general advantage of Canada.

 15 their first meeting on the second day of November, one thousand eight hundred and sixty-four, and such choice was afterwards confirmed by the said Court), Crawshay Bailey, M.P., John Crawshay Bailey, Henry Bailey, and William Latham Bailey, carrying on business at Liverpool aforesaid, under the name, style, and firm of Bailey Brothers and Com-

 35 Grenville in the said Province, together with all workshops and buildings thereon erected, and the engines, tools, stock and other property contained therein, and together also with all the rights, claims, privileges, tolls, revenues, franchises and appurtenances of the said Railway, and all other property heretofore of the said The Ottawa and Prescott
 40 Railway Company, wheresoever situated, and of whatsoever kind, character or description, including the rolling stock thereof, the whole as the same were acquired by and are vested in the said Joseph Robinson, under the Act of the twenty-eighth year of Her Majesty's reign, and the Order of the Court of Chancery hereinbefore recited; and also all
 45 those parcels or tracts of land situate, lying and being in the City of Ottawa, aforesaid, containing by admeasurement one acre and sixty-five thousand square links, more or less, and composed of Lots numbers four, five and six, on the west side of Dalhousie street, Lots numbers ten, eleven, twelve and thirteen, on the north side of Bolton street, and Lots
 50 numbers ten, eleven, twelve and thirteen, on the south side of Boteler street, in the said City of Ottawa; together with all such additional rolling stock, engines, cars, trucks, machinery, plant and other appurtenances, as may be in or upon the said Railway at the time of the passing of this Act, are hereby confirmed to and absolutely vested
 55 in the St. Lawrence and Ottawa Railway Company.

dollars and twenty cents, part thereof, the parties named in Schedule A, to this Act annexed, shall be interested as stockholders to the extent of the sums set opposite to their respective names, and the same shall be and constitute, to that extent, the paid-up stock of the Company: And the directors of the Company may, from time to time, dispose of, place or allot any portion of the balance of the said stock to any person or persons at such price or prices, or for such consideration or considerations, and in such amounts, and bearing such rank, position, or priority in respect to any other shares, and in such class or classes of order in respect as well to the principal amount of such shares as the interest or dividends therein and so designated and upon such conditions as the directors may from time to time deem expedient: Provided that no preference stock shall be issued unless with the approval of a majority in value of the stockholders, present, or represented by proxy, at a special general meeting called to consider the same, and that no allotment shall in any way interfere with the first security, charge or lien in and upon the said Railway, created by the Deed of Trust hereinbefore recited, and declared in and by the sixth section of this Act. Stock books shall be opened, for the subscription therein of the signatures of the several parties owning the said paid-up stock, and, on the allotment from time to time of the balance of the capital stock, for subscription therein of the several parties taking the same.

5. The capital stock may be divided into shares of one hundred dollars each, if the Directors think fit.

6. Surplus stores of sea-going vessels to be liable to duty. **18.** The surplus stores of vessels arriving in Canada from parts beyond the seas, shall be subject to the same duties and regulations as if imported as merchandize; but if it shall appear to the collector that such stores are not excessive or unsuitable, under the circumstances of the voyage, he may permit them to be entered for the private use of the master or owner, or of any passenger to whom the same may belong, on payment of the proper duties, or to be warehoused for re-shipment for the future use of the vessel. 10

Abatement on goods imported by water and damaged. **21.** If any goods imported by water on which *ad valorem* duties are payable, receive any damage by water or otherwise during the course of the voyage, after such goods have been laden or shipped, and before the same are unshipped or discharged from the vessel in which they are imported into Canada, or from any vessel or craft into which the said goods have been transhipped for the purpose of being conveyed to the port of destination, so that the owner thereof is prejudiced in the sale of such goods,—then if the claim for abatement be made in due form at the first examination of the goods after landing and while they are in the custody of the Crown, the Collector or proper officer of the Customs at the place where the same are landed, being satisfied of the necessary facts, may offer to make such abatement of the duties otherwise payable on such goods as he may think reasonable and just,—but if the owner or consignee of the goods be not satisfied with the abatement so offered, then the Collector may choose three disinterested merchants, experienced in the value of such goods, who, or any two of them, upon viewing the same, shall certify what damage such goods have received, or how much the same are lessened in their true value by such damage, in relation to the duties imposed on them, and thereupon such officer shall make or repay a proportionate allowance to the importer, by way of abatement of the duties due or payable, or which have been actually paid upon the same; And the said 25 30 35 40 45

26. All goods exempt from duty as being imported or taken out of warehouse for the use of Her Majesty's Troops, or for any purpose for which such goods may be imported free of duty, shall, in case of the sale thereof after importation, become liable to and be charged with the duties payable on like goods on their importation for other purposes; And if such duties be not paid, such goods shall be forfeited and may be seized and dealt with accordingly. 40

ENTRY INWARDS—VALUATION FOR DUTY.

29. And inasmuch as it is expedient to make such provisions for the valuation of goods subject to *ad valorem* duties as may protect the revenue and the fair trader against fraud by the undervaluation of any such goods—Therefore, the Governor may from time to time, and when he deems it expedient, appoint fit and proper persons to be Appraisers of goods, and to act as such respectively, at such Ports of entry and places as may be designated for that purpose;—And each such Appraiser shall, before acting as such, take and subscribe the following oath of office before some Justice of the Peace having jurisdiction where the oath is taken, and shall deliver the same to the Collector at the Port or place, or at one of the Ports or places where he is appointed to act:

As to mode of calculating value for *ad valorem* duties.

Nevertheless, by any order of the Governor in Council, it may be provided that in the cases and on the conditions to be mentioned in such order, and while the same is in force, goods *bonâ fide* exported to Canada from any Country, but passing *in transitu* through another Country, shall be valued for duty as if they were imported directly from such first mentioned Country. 15
20

What shall be deemed the fair market value for duty *ad val.*

31. The fair market value for duty, of goods imported into Canada, shall be, the fair market value of such goods in the usual and ordinary commercial acceptance of the term at the usual and ordinary credit, and not the cash value of such goods, except in cases in which the article imported is by universal usage considered and known to be a cash article, and so *bonâ fide* paid for in all transactions in relation to such article ; and no discounts for cash shall in any case be allowed in deduction of the fair market value as hereinabove defined ; and all invoices representing cash values, except in the special cases hereinabove referred to, shall be subject to such additions as to the Collector or Appraiser of the Port at which they are represented, may appear just and reasonable to bring up the amount to the true and fair market value as required by this section. 25

5 **33.** If the importer of any goods whereon a duty *ad valorem* is imposed, or the person authorized to make the declaration required with regard to such goods, makes and subscribes a declaration before the Collector or other proper officer, that he cannot, for want of full information, make perfect entry thereof, and takes the oath or affirmation in such cases provided in the Schedule to this Act,—then the Collector or officer may cause such goods to be landed on a Bill of Sight for the packages and parcels thereof, by the best description that can be given, and to be seen and examined by such person and at his expense, in the presence of the Collector or principal officer, or of such other officer of the Customs as shall be appointed by the said Collector or other proper officer, and to be delivered to such person on his depositing in the hands of the Collector or officer, a sum of money fully sufficient in the judgment of the Collector or officer to pay the duties thereon;—
 10
 15
 20 And if the importer does not complete a perfect entry within the time appointed by the Collector, the money so deposited shall be taken and held to be the duty accruing on such goods, and shall be dealt with and accounted for accordingly;

Entries inwards by Bill of Sight—how and in what cases made.

Deposit of money for duty.

Provision if perfect entry be not made as stipulated.

25 2. Such Sight Entry may be made as aforesaid and the goods may be delivered, if such importer or person as aforesaid makes oath or affirms that such invoice has not been, and cannot be produced, and pays to the Collector or proper officer aforesaid a sum of money sufficient in the judgment of such Collector or officer to pay the duties on such goods, and such sum shall then
 30 be held to be the amount of the said duties ;

If the Importer swears that no invoice has been or can be received.

3. But, except only in cases where it is otherwise provided herin or by regulation of the Governor in Council, no entry shall be deemed perfect unless a sufficient invoice of the goods to be entered, attested as hereinafter required, has been produced to the Collector.
 35

In other cases entry not perfect without invoice.

34. With the Bill of Entry of any goods, there shall be produced and delivered to and left with the Collector, an Invoice of the goods, attested by the oath of the owner, and if the owner be not the person entering such goods, then verified also by the oath of the importer or consignee, or (subject to the provision hereinafter made) other person who may lawfully make such Entry and verify such Invoice, in the form or to the effect of the oath or oaths provided for the case in the Schedule—herereunto annexed, which oath or oaths shall
 40 be written or printed, or partly written and partly printed on such Invoice, or on the Bill of Entry, (as the case may be), or shall be annexed thereto, and shall in either case distinctly refer to such Invoice so that there can be no doubt as to its being the Invoice to which such oath is intended to apply,
 45

Invoice to be attested on oath by the owner of the goods.

Bill of Entry to mention the value for duty and to be attested.

and shall be subscribed by the party making it and certified by the signature of the person before whom it is made ;--And the Bill of Entry shall also contain a statement of the quantity and value for duty of the goods therein mentioned, and shall be signed by the person making the entry, and shall be verified in the form or to the effect of the oath provided for the case in the said Schedule . 5

As to any case where there may be more than one owner of goods.

35. If there be more than one owner, importer or consignee of any goods, any one of them cognizant of the facts may take the oath required by this Act, and such oath shall be sufficient, unless the goods have not been obtained by purchase in the ordinary way, and some owner resident out of Canada is the manufacturer or producer of the goods, or concerned in the manufacture or production thereof, in which case the oath of such non-resident owner (or of one of them, if there be more than one) cognizant of the facts, shall be requisite to the due attestation of the invoice. 10 15

Invoice to be attested by one of the owners of such goods--and also by the importer or consignee.

36. The Invoice of any goods produced and delivered to the Collector with the Bill of Entry thereof, under the next preceding section but one, must if required by the Collector, be attested by the oath of the owner or one of the owners of such goods, and must be verified also by the oath of the Importer or Consignee or other person who may under this Act lawfully make entry of such goods and verify such Invoice, if the owner or one of the owners is not the person entering such goods,—and must also if required by the Collector be attested by the oath of the non-resident owner being the manufacturer or producer of such goods, in the case mentioned in the next preceding section, although one of the owners be the person entering the goods and verifying the Invoice on oath. 20 25

And also by the oath of the non-resident owner, &c.

Provision for the death, &c., of the owner, importer or consignee.

37. If the owner, importer or consignee of any goods be dead, or a bankrupt or insolvent, or if for any cause his personal estate be administered by another person, then his executor, curator, administrator or assignee, or person administering as aforesaid, may, if cognizant of the facts, take any oath and make any entry which such owner, importer or consignee might otherwise have taken or made. 30 35

Party entering may add to the value by the invoice so as to give the true value for the duty.

38. In any such Bill of Entry as aforesaid, the person making the same, may add such sum to the value stated in the Invoice, as will be sufficient to make the value for duty such as it ought to be, and such value shall then, for the purposes of this Act, stand instead of the value as it would appear by the Invoice ;—And no evidence of the value of any goods imported into Canada, or taken out of warehouse for consumption therein, at the place whence and the time when they are to be deemed to have been exported to Canada, contradictory to or at variance with the value stated in the Invoice produced to the Collector, with the additions (if any) made to such value by the Bill of Entry, shall be received in any Court in Canada, on the part of any party except the Crown. 40 45

Evidence of the value of goods, &c.

39. The oath required under the foregoing sections may be made in Canada before the Collector at the Port where the goods are entered, or if the person making such oath is not resident there, then before the Collector of some other Port ;—
 5 And when such oath is required to be made out of the limits of Canada, it may be made at any place within the United Kingdom or at any place in Her Majesty's possessions abroad, before the Collector or before the Mayor or other Chief Municipal Officer of the place where the goods are shipped, and at any
 10 other place before the British Consul at such place, or if there is no such Consul, then before some one of the principal merchants at such place, not interested in the goods in question ;

Before whom the attestation of invoice or bills of entry may be made.

2. And the Governor in Council may, from time to time, by Regulation, appoint or designate such other and additional
 15 persons, officers or functionaries as he sees fit, by name or by their name of office, and in Canada or out of it, as those before whom such oath may be validly taken, and may by any Order in Council relax or dispense with the provisions of this Act touching such oath, in or with regard to goods
 20 imported by land or inland navigation, or to any other class of cases to be designated in such Regulation ;

Governor in Council may appoint other persons before whom attestation may be made.

3. No person other than the owner, consignee or importer of the goods of which entry is to be made, shall be allowed to take any oath under the said foregoing sections, unless there be
 25 attached to the Bill of Entry therein referred to, a declaration by the owner, consignee or importer of the said goods, (or his legal representative under section 137 of this Act,) to the same effect as the oath or affirmation, (adapting the form and words to the case,) distinctly referring to the Invoice presented with such Bill of Entry, and signed by such owner,
 30 importer or consignee, (or his legal representative,) either in presence of the agent making the entry, who shall attest the signature, or of some Justice of the Peace or Notary Public, who shall attest the same ; And such declaration shall be kept
 35 by the Collector ; And for any wilfully false statement in such declaration, the person making the same shall incur the same penalty as if it were made in the oath or affirmation ;—But such written declaration may be dispensed with under the order of
 40 the Governor in Council, where it may be deemed advisable in the interests of Commerce, to dispense therewith ;

No person but the owner, &c., to take oath, except in certain cases.

Proviso.

4. The Governor in Council may, by Regulation, authorize the alteration of any of the forms of oaths or affirmations in the said Schedule , by abbreviating the same or omitting any of the allegations therein contained which may appear to him unnecessary ;—And any amended form prescribed by any such
 45 Regulation, shall be of the same effect as the form in the said Schedule for which it is substituted, and shall thereafter be held to be the form referred to in this Act ; And any such Regulation may from time to time be repealed or amended as
 50 other Regulations in matters relating to the Customs. .

Governor in Council may alter oaths in Schedule B.

No person making or authorizing a false invoice of any goods, shall recover any part of the price thereof.

40. If any person makes, or sends, or brings into Canada, or causes or authorizes the making, sending, or bringing into Canada, of any Invoice or paper, used or intended to be used as an Invoice for Customs purposes, wherein any goods are entered or charged at a less price or value than that actually charged or intended to be charged for them, no price or sum of money shall be recoverable by such person, his assigns or representatives, for the price or on account of the purchase of such goods or any part of them, or on any bill of exchange, note or other security, unless in the hands of an innocent holder for value without notice, made, given or executed for the price of or on account of the purchase of such goods or any part of such price; and the production or proof of the existence of any other Invoice, account, document, or paper made or sent by the same person, or by his authority, wherein the same goods or any of them are charged or entered at or mentioned as bearing a greater price than that set upon them in any such Invoice as first above mentioned, shall be *prima facie* evidence that such first mentioned Invoice was intended to be fraudulently used for Customs' purposes, but such intention, or the actual fraudulent use of such Invoice, may be proved by any other legal evidence.

Collector to retain and file invoices.

41. The Collectors of Customs, at all the ports in Canada, shall retain and put on file, after duly stamping the same, all Invoices of goods imported at such ports respectively, of which Invoices they shall give certified copies or extracts, whenever called upon so to do by the importers, and such copies or extracts so duly certified by the Collector or other proper officer and bearing the Stamp of the Custom House at which they are filed, shall be considered and received as authentic; and the Collector shall be entitled to demand for each certificate a fee of *fifty* cents, before delivering the same.

Certified copies to be evidence.

Power of appraiser or collector to examine the parties on oath, &c.

42. Any Appraiser, or any Collector acting as such, (or the merchants to be selected as hereinafter mentioned, to examine and appraise any goods, if the importer, owner, consignee or agent is dissatisfied with the first appraisalment) may call before him or them and examine upon oath any owner, importer, consignee or other person, touching any matter or thing which such Appraiser or Collector deems material in ascertaining the true value of any goods imported, and may require the production on oath of any letters, accounts, invoices or other papers in his possession relating to the same :

Penalty for refusing to attend &c., \$50.

2. And if any person so called neglects or refuses to attend, or declines to answer, or refuses to answer in writing (if required) to any interrogatories, or to subscribe his name to his deposition or answer, or to produce any such papers as aforesaid when required so to do, he shall thereby incur a penalty of *fifty dollars*, and if such person is the owner, importer or consignee of the goods in question, the appraisalment which the Appraiser

or Collector acting as such shall make thereof, shall be final and conclusive ;

3. And if any person wilfully swears falsely in any such examination, and he is the owner importer or consignee of the goods in question, they shall be forfeited; and all depositions or testimony in writing taken under this section, shall be filed in the office of the Collector at the place where the same are made or taken, there to remain for future use or reference.

- 15
- 20 2. The said merchants shall each be entitled to the sum of five dollars, to be paid by the party dissatisfied with the former appraisement if the value ascertained by the second appraisement is equal to or greater than that ascertained by such former appraisement, or if the value ascertained by such second appraisement exceeds by ten per cent or more the value of the goods for duty, as it would appear by the Invoice and Bill of entry thereof,—otherwise the same shall be paid by the Collector out of any public moneys in his hands and charged in his accounts ;

On each such Draft or Bill of Exchange executed in duplicate, a duty of two cents on each part for the first hundred dollars of the amount thereof, and a further duty of two cents for each additional hundred dollars or fraction of a hundred dollars of the amount thereof ;

On each such Draft or Bill of Exchange executed in more than two parts, a duty of one cent on each part for the first hundred dollars of the amount thereof, and a further duty of one cent for each additional hundred dollars or fraction of a hundred dollars of the amount thereof ;

And any interest made payable at the maturity of any Bill, Draft or Note, with the principal sum, shall be counted as part of the amount thereof.

2 Every bill draft, order or instrument,—

For the payment of any sum of money by a bill or promissory note, whether such payment be required to be made to the bearer or to order,—

82

Every document usually termed a letter of credit, or whereby any person is entitled to have credit with, or to receive from or draw upon any person for any sum of money,—

And every receipt for money, given by any bank or person, and entitling the person paying such money, or the bearer of such receipt, to receive the like sum from any third person,—

Shall be deemed a bill of exchange or draft chargeable with duty under this Act.

3. Every bill of exchange, draft or order drawn by any officer of Her Majesty's Commissariat, or by any other officer in Her Majesty's Imperial or Provincial Service, in his official capacity, or any acceptance or endorsement by such officer on a bill of exchange drawn out of Canada, or any draft of or on any Bank payable to the order of any such officer in his official capacity as aforesaid, or any note payable on demand to bearer issued by any Chartered Bank in Canada, or by any Bank issuing such note under the Act, chapter fifty-five of the Consolidated Statutes of the late Province of Canada, intituled: *An Act respecting Banks and freedom of Banking*, shall be free from duty under this Act,—and

By affixing thereto an adhesive stamp or adhesive stamps of the kind hereinafter mentioned, to the amount of such duty, upon which the signature or part of the signature of the maker or drayer, or in the case of a Draft or Bill made or drawn out of Canada of the acceptor or first indorser in Canada, or his initials, or some integral or material part of the instrument shall be written, so as (as far as may be practicable) to identify each stamp with the instrument to which it is attached, and to show that it has not before been used, and to prevent its being thereafter used for any other instrument,—or

The person affixing such adhesive stamp, shall, at the time of affixing the same, write or stamp thereon the date at which

it is affixed, and such stamp shall be held *prima facie* to have been affixed at the date stamped or written thereon ;

And if no integral or material part of the instrument, nor any part of the signature of the maker, drawer, acceptor or first indorser in Canada be written thereon, nor any date be so stamped or written thereon, or if the date do not agree with that of the instrument, such adhesive stamp shall be of no avail ; and any person wilfully writing or stamping a false date on any adhesive stamp shall incur a penalty of one hundred dollars for each such offence.

5. The Governor in Council may from time to time direct stamped paper to be prepared for the purposes of this Act, of such kinds and bearing respectively such device as he thinks proper, and may defray the cost thereof out of any unappropriated monies forming part of the Consolidated Revenue Fund ; but the device on each stamp shall express the value thereof, that is to say, the sum at which it shall be reckoned in payment of the duties imposed by this Act.

6. The Governor in Council may from time to time direct stamps to be prepared for the purposes of this Act, of such kinds and bearing respectively such device as he thinks proper, and may defray the cost thereof out of any unappropriated moneys forming part of the Consolidated Revenue Fund ; but the device on each stamp shall express the value thereof, that is to say, the sum at which it shall be reckoned in payment of the duties hereby imposed.

7. Provided, that as regards any Promissory Note, Draft or Bill of Exchange on which the duty is payable in Nova Scotia, the amount on which the duty is payable under this Act, and the amount of such duty, shall be reckoned in the currency of that Province, and the stamped paper and stamps to be used there shall be marked accordingly, and shall not be used in any other part of Canada.

8. The Minister of Inland Revenue may appoint any Postmasters, Collectors of Inland Revenue, or other officers of the Government, to be the distributors of stamps and stamped paper, under this Act, and may authorize any other persons to purchase stamps from such distributors to sell again ;—and the Governor in Council may fix the remuneration to be allowed to such distributors, and the discount to be made to persons so purchasing to sell again ; but such discount shall in no case exceed five per cent. on the value of such stamps, and shall not be allowed on any quantity less than one hundred dollars worth.

9. The Governor in Council may make such further regulations as he may deem necessary for carrying this Act into effect,

and may by any order in Council declare that any kind or class of instruments as to which doubts may arise, are or are not chargeable with any and what duty under this Act according to the true meaning thereof ; and any order in Council made under this Act may be explained, amended or repealed by any other such order of later date ; and any order in Council under this Act shall be published, and may be proved in the manner provided by the Act respecting the Customs as to orders in Council under that Act.

10. The stamp or stamps required to pay the duty hereby imposed shall in the case of any Promissory Note, Draft or Bill of Exchange made or drawn within Canada, and not made upon paper stamped to the amount of the duty, be affixed by the maker or drawer thereof, and in the case of any Draft or Bill of Exchange drawn out of Canada, by the acceptor thereof or the first indorser thereof in Canada ; and such maker or drawer, acceptor or first indorser, failing to affix such stamp or stamps at the time of making, drawing, accepting or indorsing such Note, Draft or Bill, or affixing stamps of insufficient amount shall thereby incur a penalty hereinafter imposed, and the duty payable on such instrument, or the duty by which the stamps affixed fall short of the proper amount, shall be doubled ; stamps upon the paper being deemed to be affixed thereto for all the purposes of this Act ; and any deficiency in the amount of the stamp on the paper may be made up by adhesive stamps.

11. If any person in Canada makes, draws, accepts, indorses, signs, becomes a party to or pays any promissory note, draft or bill of exchange, chargeable with duty under this Act, before the duty (or double duty as the case may be) has been paid by affixing thereto the proper stamp or stamps, such person shall thereby incur a penalty of one hundred dollars, and save only in case of the payment of double duty as hereinafter mentioned, such instrument shall be invalid and of no effect in law or in equity, and the acceptance or payment or protest thereof shall be of no effect ; except that any subsequent party to such instrument or person paying the same, may at the time of his so paying or becoming a party thereto, pay such double duty by affixing to such instrument a stamp or stamps to the amount thereof, or to the amount of double the sum by which the stamps affixed fall short of the proper duty, and by writing his signature or part thereof, or his initials or the proper date, on such stamp or stamps, in the manner and for the purposes mentioned in the fourth section of this Act ; and such instrument shall thereby become valid, but no prior party who ought to have paid the duty thereon shall be released from the penalty by him incurred as aforesaid ; and in suing for any such penalty, the fact that no part of the signature of the party charged with neglecting to affix the proper stamp or stamps is written over the stamp or stamps affixed to any instrument, or that no date, or a date that does not correspond with the time when the duty ought to have

been paid, is written or marked on the stamp or stamps, shall be *prima facie* evidence that such party did not affix it or them as required by this Act.

12. No party to or holder of any Promissory Note, Draft, or Bill of Exchange, shall incur any penalty by reason of the duty thereon not having been paid at the proper time and by the proper party or parties, provided that at the time it came into his hands it had affixed to it stamps to the amount of the duty apparently payable upon it, that he had no knowledge that they were not affixed at the proper time and by the proper party or parties, and that he pays the double duty or additional duty as soon as he acquires such knowledge,—and any holder of such instrument may pay the duty thereon, and give it validity, under section eleven of this Act, without becoming a party thereto ;—In this section the word “duty” includes any double or additional duty payable under the said section eleven.

13. If any person wilfully affixes to any promissory note, draft or bill of exchange, any stamp which has been previously affixed to any other, or used for the purpose of paying any duty under this Act or any other Act, or which has been in any way previously written upon or defaced, such person shall be guilty of a misdemeanor, and shall thereby incur a penalty of five hundred dollars.

14. The penalties hereinbefore imposed shall be incurred in respect of each such promissory note, draft or bill of exchange, on which the duty or double duty hereby imposed is not paid as aforesaid, or to which a stamp previously used has been fraudulently affixed, whatever be the number of such instruments executed, accepted, paid or delivered, or offences committed on the same day ; and a separate penalty to the full amount shall be incurred by each person committing such offence, whatever be the number of such persons.

15. The penalties imposed by the foregoing sections of this Act, shall be recoverable in the manner prescribed by the Interpretation Act in cases where penalties are imposed and the recovery is not otherwise provided for.

16. If any person forges, counterfeits or imitates or procures to be forged, counterfeited or imitated, any stamp or stamped paper, issued or authorized to be used for the purposes of this Act, or by means whereof any duty hereby imposed may be paid, or any part or portion of any such stamp,—or knowingly uses, offers, sells or exposes to sale, any such forged, counterfeited or imitated stamp,—or engraves, cuts, sinks or makes any plate, die or other thing whereby to make or imitate such stamp or any part or portion thereof, except by permission of the Minister of Inland Revenue, or some officer or person who, under an Order in Council in that behalf, may lawfully grant

such permission—or has possession of any such plate, die or other thing, without such permission,—or, without such permission uses or has possession of any such plate, die or thing lawfully engraved, cut or made,—or tears off or removes from any instrument, on which a duty is payable under this Act, any stamp by which such duty has been wholly or in part paid,—or removes from any such stamp any writing or mark indicating that it has been used for or towards the payment of any such duty,—such person shall be guilty of felony, and shall on conviction be liable to be imprisoned in the Penitentiary for any term not exceeding twenty-one years; and every such offence in the Province of Quebec or in the Province of Ontario, shall be forgery within the meaning and purview of chapter ninety-four of the Consolidated Statutes of Canada, intituled: *An Act respecting Forgery*, and all the provisions of that Act shall apply to every such offence, and to principals in the second degree and accessories, as if such offence were expressly mentioned in the said Act, and in any other of the Provinces composing the Dominion of Canada every such offence shall be forgery and punishable in the manner in which that crime is punishable by the laws of the Province in which the offence is committed.

17. The duties imposed by this Act shall be duties within the meaning and purview of the Act passed in the present Session intituled: *An Act respecting the collection and management of the Revenue, the auditing of Public Accounts and the liability of Public Accountants*, and the proceeds of the said duties shall form part of the Consolidated Revenue Fund of this Province.

18. No duty shall be payable under the Act of the Legislature of the late Province of Canada, passed in the Session held in the twenty-seventh and twenty-eighth years of Her Majesty's Reign, chapter four, or under the Act of the said Legislature, passed in the twenty-ninth years of Her Majesty's Reign, chapter four, on any Promissory Note, Draft or Bill of Exchange made, drawn or accepted, upon or after the said first day of February one thousand eight hundred and sixty-eight, but to all Promissory Notes, Drafts or Bills of Exchange made, drawn or accepted in the late Province of Canada, or in the Provinces of Quebec or Ontario, before the said day, and to all offences committed and penalties incurred in respect thereof, the said Acts shall continue to apply.
