The copy filmed here has been reproduced thanks to the generosity of:

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

McLennan Library
McGill University
Montreal

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

THE MONTREAL CLUB.

FEB., 1866.

COMMITTEE.

The ordinary weekly meetings will be held every Tuesday at half-past four o'clock, P.M., at which three shall form a quorum. In the absence of the duly appointed Chairman, a Chairman for the day will be first elected, and the minutes of the last meeting having been read, the question will be put by the Chairman "that they be confirmed?"

If the minutes be objected to by a majority of the Members present, the particular subject objected to will be reserved for consideration, either at an extraordinary meeting or at the next ordinary meeting, as may be decided upon, and, if not objected to then, the Chairman will affix his signature thereto.

After the disposal of the minutes of the previous meeting, all such matters as require the consideration of the Committee will be brought before them, discussed, and decided upon.

For the despatch of business, the Committee will, at each weekly meeting, appoint two of their number, to be called the "Active Committee," to superintend the ordinary business of the Club, and submit a weekly report of their proceedings.
