TO MAKE END OF BOLSHIEVIKI IN BRIEF TIME

Four Hundred Thousand Cossacks Support General Kaledines in Revolt.

TO SEIZE RICH SOUTH

New Regime Promises to Protect Granaries and Minerals.

London, Dec. 12.—Russian officials in London who are establishing direct communications with General Kaledines and other leaders of democratic organizations in Russia declared to the Associated Press today that the movement to overthrow the Bolsheviki was supported not only by the Cossacks but by almost all the leaders of the other parties. These leaders, it was said, are confident they will be able to make short shrift of the Bolsheviki. They also feel certain they will be able to present a formidable front to the Bolsheviki by spring. It is said that thousands of Cossacks already have left the fighting front and raised the Kalaidine standard, and it is expected that soon have the entire force of 400,000 Cossacks at his disposal. The officials in London assert that the plans embrace the solidification of the loyal fighting forces, the complete elimination of the Bolsheviki organizations in the cities and towns of southern Russia, the re-establishment of order, the reorganization of supplies and the establishment of a new allied fighting front to protect the rich Russian granaries and coal and mineral fields from the Germans.

BULK OF INJURED STRUCK BY GLASS

Many Persons Lose Eyesight—American Surgeons Help Canadian.

Montreal, Dec. 12.—The Montreal Daily Star published the following today from its staff correspondent at Halifax: "A tour of the many hospitals today revealed the fact that Canadian and American surgeons and nurses are working together in perfect accord and co-operation. Several hospital units from the United States are being conducted independently, but for the most part the American units have been broken up into groups of nurses going where they were most needed and carrying on cheerfully under the orders of Canadian civil or military heads. "Most of the hospital work, as is natural in the garrison city of Halifax, is directed by the military authorities, with Col. McKelvie Bell as the supreme head. Only the Victoria General and the Fairview Hospitals retain their civil autonomy. "At all the hospitals most of the injuries treated are glass wounds incurred when the explosion broke thousands of windows to fragments and the fragments flying in all directions. When these minute glass splinters entered the eye serious results have a tremendous proportion of blind or partially blind. In one day at the Victoria General Hospital 60 eyes were removed. The record to date is several hundred such eye operations here and at Truro.

ENEMY LOSSES ARE HEAVY BUT GAIN IS INSIGNIFICANT

Germans Sacrificed Many Men in Bullecourt Attack and Enter Only Short Section of British Front Trenches.

London, Dec. 12.—The German attack this morning east of Bullecourt was repulsed by the British, except at one point, according to Field Marshal Haig's report tonight. The Germans suffered heavy loss, many dead being left behind on their retirement. The text of the statement reads: "This morning the enemy delivered a strong local attack on the front about a mile east of Bullecourt. On the right of the position attacked the enemy succeeded in entering a short length of front trench, which formed a salient in our line and had been demolished by the bombardment preceding the attack. "At all other points the attack was repulsed with heavy loss to the enemy, many of whose dead are lying in our wire. A number of prisoners were captured. "The enemy's artillery has been active during the day in the area of this attack and has shown some activity south of Lens and in the neighborhood of Arrmentieres and Messines."

BRITISH SHIP LOSSES FOR WEEK TWENTY-ONE

Admiralty Reports Fourteen Ships Over 1,600 Tons and Seven Smaller Craft Sunk.

London, Dec. 12.—A slight increase in the losses of British merchantmen by mine or submarine in the past week is noted in the admiralty statement tonight. Fourteen vessels of more than 1000 tons were sunk, as well as seven under that tonnage. The losses to British shipping by mine or submarine the previous week comprised sixteen merchantmen of 1600 tons or over, and one under that tonnage.

NEW ADVANCE BY BRITISH NORTHWEST OF JERUSALEM

British Push Line Ahead Between Jerusalem and Jaffa—Fifty Turks Killed and Ten Captured in Action.

London, Dec. 12.—The British line northwest of Jerusalem midway between that city and Jaffa, has been advanced, General Allenby's despatches show, contingents of Gurkhas carrying positions as far as the mouth of the Mideh. Fifty Turks were killed and ten taken prisoner. The British airplanes bombed troops and transports in the vicinity of Birah with good results. Premier Lloyd George today announced the house of commons that General Allenby, the British commander in Palestine, entered Jerusalem on foot on Tuesday. Guards have been placed on the holy places, the premier said. The Mosque of Omar has been placed under Mohammedan control. The premier said General Allenby's proclamation insured maintenance and protection of all sacred buildings and holy places. The British commander entered the city with a few of his staff, the commanders of the French and Italian detachments, the heads of the political missions and the military attaches of Australia, New Zealand, India, France and Italy.

DESERT WAS CONQUERED, THEN JERUSALEM FELL

British General Says American Genius Made Possible Triumph of Allies in Palestine.

London, Dec. 12.—Major-General F. B. Maurice today in a talk with the Associated Press outlined the campaign that resulted in the fall of Jerusalem to Gen. Allenby's forces. "Gen. Allenby entered Jerusalem yesterday," he said. "The campaign which led to this has been carried out mainly by British territorial troops, supported by small bodies of Australian and New Zealand mounted men and British yeomanry. In the campaign as a whole the great accomplishment has been, not the defeat of the Turks, but the conquest of the Sinai Desert. The troops who fought at Gaza drank water from Egypt pumped thru an American pipe line and were transported over a broad gauge railroad laid clear across the 150 miles of the Sinai Desert, which has defeated almost everybody who has tried to conquer Egypt for centuries. "Every ounce of material for the pipe line, the railroad and the other works came here from Great Britain or the United States. "All the time this conquest of the desert has been going on, the official communications have been able to say nothing to report, and the public thought we were idle. The fall of Jerusalem was made possible by industry, organization and help of material from the United States."

ENEMY RESUMES ATTACKS AGAINST LINES OF ITALIANS

Few Positions, Abandoned in Early Stages of Battle, Were Later Recovered by Italian Counter Attacks.

Rome, Dec. 12.—The enemy has resumed the attacks against the Italian lines in the mountain district where the Austro-German armies are striving to break thru. The beginning of the snowfall adds to the optimism of those who have been confident that the drive would be checked within its present limits. The weather up to now had been almost unprecedently fine everywhere in northern Italy, a condition which has aided the invaders almost exclusively since the elements have practically none of their customary obstacles. The cloudless skies have made possible aerial reconnoitering and the moonlight nights made it extremely difficult.

Halifax, Dec. 12.—The deputy mayor of Halifax, H. S. Colwell, tonight took action to stop the growing practice among certain classes of dealers who are charging exorbitant prices for a number of lines of goods just now in urgent demand. The acting mayor announces that any persons so acting will be dealt with under the provision of the law in that respect. The chairman of the Dartmouth relief committee has made the same complaint and has intimated that if people overcharged will lay their complaints before him in writing, the matter will be attended to. The lines of goods which are being overcharged for are lumber, general merchandise, nails, glass, putty, foodstuffs, furniture and funeral supplies. With the temperatures nearly zero, people crushed from their houses in Dartmouth in the early hours of yesterday morning, when a vessel believed to be carrying munitions which had

The total dead is put at 1276, which takes in the dead, identified and unidentified, and the missing. The figures, which were issued by A. S. Barnstead, chairman of the mortuary committee, follow: Identified in various mortuaries, 450. Dead who can be identified from effects, 235. Unrecognizable remains, 136. Missing, 400. Dartmouth: Identified, 26. Total, 1276.

BOLSHEVIKI ARE BEATEN IN FIGHT WITH COSSACKS

Maximalist Forces Defeated Near Their Mohilev Headquarters—Fierce Battle at Tamanovka.

London, Dec. 12.—Reports of fighting at Mohilev, Russian general headquarters, between troops newly arrived there and the Bolsheviki garrison, were received in Petrograd Monday, according to the correspondent of The Times in the Russian capital. It is also reported that shock battalions and Cossacks advancing on Mohilev clashed with the Bolsheviki, who were defeated. The fighting at Tamanovka, according to a Reuter despatch from Petrograd, appears to have been between detachments of anti-Bolsheviki shock battalions and local troops assisted by sailors, red guards, infantry and armored cars sent from Petrograd and troops from Khar'kov. The Rusko Slovo of Petrograd says the fighting lasted all day and all night. It adds that it was very severe and that there were a great number of casualties.

BRITAIN'S DAILY WAR BILL IS THIRTY-FOUR MILLIONS

Chancellor Law Asks New Credit of \$2,750,000,000, Making Total To Date \$12,250,000,000 Spent on War.

London, Dec. 12.—(Via Reuter's Ottawa Agency)—Right Hon. Bonar Law in moving a vote of credit for £250,000,000 sterling said it was estimated that the vote of credit for £400,000,000 moved on Oct. 30 would cover the expenditure until Jan. 9 next. The new vote would bring the total voted for the year to £2,450,000,000. The average daily expenditure for 53 days preceding Dec. 1, was £4,794,000, exceeding the budget estimate of £1,383,000 daily. The total excess over the budget estimate was £209,000,000, but £225,000,000 of this was receivable. Therefore, the excess over the budget estimate of daily expenditure was £250,000. One cause of increased army expenditure was the increase in our aviation program. Another was the larger number of Indian troops employed in Mesopotamia and the largest amount due to the advance of our armies in France and Palestine. The estimates of advances to the dominions has not been exceeded. Referring to Russia, Mr. Bonar Law said no state had ever entirely repudiated its debts. It was almost certain that sooner or later there would be a stable government there. He believed responsible government would ultimately be established in Russia. If there were a stable government Russia knew that the development of its resources and prosperity would be impossible without financial assistance from other countries, and financial assistance would be impossible unless previous debts were accepted by that government. Therefore, he believed that the money would be recoverable sooner or later.

Call and see the exhibit of thousands of these horrid monsters expelled by this wonderful remedy and be convinced there is one truly reliable remedy which has proved to be a blessing to humanity, and that is Prof. Mulveney's. A visit to his office will prove this fact to your satisfaction. Office open from 8 a.m. to 10 p.m.

PHONE PARKDALE 4830.

Read This Announcement Carefully

No doubt you have read of Prof. R. L. Mulveney's World-Famous Tape-Worm Remedy. But have you called on his office? Have you seen the collection of the horrid monsters? This Remedy has expelled from people of all ages, from the baby less than two years old to the aged grandfather and grandmother? People of all ages seem to be afflicted with these internal monsters that sap away the life of their victims. If you have not been at 211 Ossington Avenue, already, you will be more than surprised and repaid for your visit, for the most interesting exhibition in the world is there to be seen, and no one can realize, or imagine, or believe that such horrid-looking things could be expelled from a human being. Why, his line busts these life-destroying, horrid monsters from human beings, also letters and testimonials from those relieved, expressing their heartfelt gratitude and thankfulness for being relieved of them. No one can visit Prof. R. L. Mulveney's place of business without being impressed with the fact that Prof. Mulveney's remedies are saving the lives of thousands of sufferers and restoring them to health and happiness. Thousands of people are being operated on for some supposed internal obstruction, when Tapeworm is the cause of their misery. The Professor has many from people who have suffered the pain of the surgeon's knife, when one or more of these horrid monsters were eating their lives away, and one doing his World-Famous Remedy expelled them in from 20 minutes to two or three hours without previous starving and without causing any sickness or distress.

WORMS!

Produce miserable feelings; in some cases their victim is so uneasy and feels so miserable he cannot describe his feelings. They cause irritable disposition and melancholy. The victim constantly thinks something is going to happen, a fearful feeling is produced, and a fear of death. Some people think everyone is their enemy and imagine that everything they do will hurt them. They get nervous at everything and think their case is hopeless. Some have desire to commit suicide, and ask their friends to watch them, as they will tell them they are afraid of themselves. The awful feelings make life unbearable. Children roll and toss in their sleep, some holler and others grind their teeth, complaining of pains in the bowels; some children are feverish and have had breath, others wet the bed, take spasms, wake up in fright, dream, take convulsions or fits; some children of strong constitutions look perfectly healthy, while others pine away and die. Many children have died from convulsions, and in a short time after death worms have crawled out of their nose and mouth, showing the cause of their untimely end. It is sad to think that thousands of people are suffering from some kind of worms and are being treated for the wrong disease, as different worms produce different kinds of diseases and produce the symptoms of many other kinds of disease. Pin Worms cause an irritation that many people mistake for Itching Piles, and are treated for this trouble, and of course, cannot be cured, because the cause, which is Pin Worms, is still left. There are other small Intestinal Worms that cause no end of trouble. The Spike Worm, which crawls backwards, sticking the spike in at every movement, is an awful tormenting creature; in appearance they are like a large maggot, except that in the small end there is a spike about three-eighths of an inch long; this spike is black, like the path of a black pin, and looks like the stinger of a bee. This beast sticks its spike in to pull itself along, and is about 1/2 inch long. There are also small worms like the thousand-leg seems that the different species of bugs, grubs and worms that are found in water and under stones or rotten wood will live in the intestines, as I have been expelled from the human body, and it's horrible to think so many people are suffering from these kinds of pests. The small maggot or grub with six legs is another species of worm, and is certainly a nasty, irritating creature. The Tapeworm is found to extend the whole length of the bowels; many people find out they have them by noticing segments in the stools. The symptoms of Tapeworm are many, and differ, and many of them seem to stand the ravage of this parasite without causing much alarm, while others are nervous, melancholy and miserable, and waste away to a shadow, a ravenous appetite, a longing for food, at other times a loathing for food, dizzy spells, gas or wind, nervous feelings, headaches, moving in the bowels, something is crawling up the throat. The only certainty of knowing one is there is when segments or joints come away at almost any time. They are flat, long, and have from 1/2 to 3/4 of an inch for pin worms by those who do not know the difference. There are many take too long to enquire what would cure them, and many of them would say, some people of strong constitution have very little distress. Tapeworms are found in a parasite, and measure from 9 to 30 inches, and sometimes whole colonies of 13 from a man who was wasted away to a shadow, 7 from a lady who operated on for internal troubles, 4 from a man who was treated for nervous prostration, and many from others who were treated for different diseases and complaints, and quite a number from people whom their doctor tried to persuade to have an operation, when one or more of these vile Tapeworms had been eating their lives away. The Professor has letters from physicians who have used his remedy in their practice. The worms they relieved their patients of by his world-famous remedy are in his office, with words of praise from these doctors, void of prejudice, and they will not consider to be the most valuable, sure and certain remedy.

The pages of all the newspapers in the city could be filled with testimonials of those whose remedy has relieved, and they would not contain half the testimonial he could furnish. A visit will convince you that he has a remedy that certainly does the greatest good, this remedy is invaluable, and can be obtained at a very reasonable price.

See my page advertisement. Read the testimonial and if you require any of my remedies they are at 211 Ossington Avenue. My office is open from 8 a.m. to 10 p.m. every day to wait on you. My Buffalo office is at 73 Niagara Street. If you have friends in the United States you can direct them there. It would be worth your while to call at 211 Ossington Avenue, Toronto, and see the collection of parasites from the women and children. Thousands of men, women and children, thousands of men, are treated for this trouble, and of course, cannot be cured, because the cause, which is Pin Worms, is still left. There are other small Intestinal

MUCH HECKLING AT RAMSDEN MEETING

Soldiers in Audience Put Many Questions to Candidate and Others.

"You can't educate Quebec year after year to one thing and then expect a short notice to turn a hand-spring," said J. G. Ramsden to a large audience in Foresters' Hall last night. "I wish the returned men would come to my meetings and ask me questions."

Several returned soldiers were present and kept asking questions of the various speakers, which they tried to answer, but the "Boos" of some of the lower followers were so pronounced that the speaker was made or little satisfaction gained for anyone. G. L. Mackay acted as chairman, and included in the speakers were J. H. Cascarden, J. M. Ferguson, Rev. Mr. Pike of Montreal and J. G. Ramsden, the candidate.

GUNN SAYS KEMP SHOULD BE KING

Labor Candidate in South York Becomes Vituperative in His Remarks.

"We are told we must elect a Union government, and that we will be traitors to the country if we fail to do so, but there will be a lot of traitors in the government," declared James Gunn, labor candidate for South York, at a well-attended meeting of the electors in the City Hall last night. Gunn, who is a resident in Toronto, was interjected his factory would have to shut down for lack of help, the speaker said.

HANNA DENIES FOUR-DOLLAR MEAL

Woman Who Made the Statement Says She Was Misreported.

Ottawa, Dec. 12.—Hon. W. J. Hanna, federal minister of agriculture, means in an effort to trace its source the deliberate lie which has been persistently published in papers of this province to the effect that somebody saw a railway train carrying a four-dollar meal. Similar reports were published in other newspapers.

SUPPORT OF QUEBEC IS LAURIER'S DESIRE

"The man we have to beat in West Toronto is John Bruce, and not C. W. Kerr, declared Ald. Russell Nesbitt, speaking in the interests of H. C. Hocken, Unionist candidate, in Brady's Hall last night. "Mr. Kerr in this election is going to be the Gordon Walker of the Southwest Toronto by-election," added the alderman.

Halifax Disaster

Subscriptions will be received by T. Bradshaw, Commissioner of Finance, at his Office in the City Hall, for the relief of the citizens of Halifax.

Enquiry is being made of the exact extent of the need and loss, and as soon as the information is available a complete announcement will be made.

BROTHER OF RIVAL PLEADS FOR ORDER

Controller Foster Experiences Noisy Meeting in East York.

One of the stormiest meetings yet held in Toronto during the present election campaign was that called in the interests of Controller Foster, held at the City Hall last night. The speaker, who was assisted by Joseph Oliver to address the audience, he was not permitted to speak for more than a minute.

REMEMBER PLEDGE ON MONDAY NEXT

Rowell Bids Galt Audience Send Message of Help to the Front.

Hon. Mr. Rowell, who was late in arriving, lost no time in putting the issue plainly before the audience. The contest was not one between the old political parties. This Union government, when complete would be on a basis of equality of representation of the two great political parties, with special representation for Labor and Agriculture. Regarding the employment of alien enemies Mr. Rowell said it was against all the laws of humanity to employ them to make armies fight against their fellow-citizens. However, he advocated the imposition of a tax on all alien enemies.

SCORE'S CHRISTMAS GIFT OFFERINGS FOR GENTLEMEN.

That is often repeated complaint that it is hard to choose something suitable for a man for Christmas. Does not hold with people who choose to make selections of high-class haberdashery, such as the Score's are displaying today, for the man would indeed be hard to please who could think amies of almost anything might be chosen for him from these very superior and exclusive stocks of neckwear, specially mentioning the assortment of very rich ribbons in plain colors; and then, too, the gloves, the umbrellas, the cases in the dressing gowns, the smoking jackets, the hosiery, the handkerchiefs, and what not else. Come and see. R. Score & Son, Limited, 77 King Street West.

WILL CARRY ON TILL VICTORY WON

Mr. Rowell, at Whitby, Addresses Big Audience of Invalid Soldiers.

Whitby, Ont., December 12.—Newton Rowell yesterday at the Military Convalescent Hospital, addressed a large meeting composed almost entirely of men who had been wounded in the great war and invalided home. Despite the inclement weather, the wounded men had made their way to the hall by the hundreds, many of them being supported on the arms of the nursing sisters. There were many of the sisters present, and loud applause greeted Mr. Rowell, when he paid a glowing tribute to them.

MANAGEMENT COMMITTEE WANTS GRANT DIVERTED

The management committee of the board of education, which met yesterday, decided to ask the department of education to give the grant from the Industrial School at Mimico of \$3000 to the principal.

WE MUST BE THE SUPPORT TRENCHES

Mr. E. B. Brown for the Government Because He is a Liberal.

Convincing Statements by Mr. W. E. Raney and Mr. J. L. Ross.

Mr. R. J. McLaughlin, Twice a Liberal Candidate, Appeals for Union.

A life-long Liberal is Mr. R. J. McLaughlin—one who has been a keen party man, and who has, at two elections, been the Liberal standard-bearer in Victoria against Sir Sam Hughes. But, despite associations of long standing, he declines to follow Sir Wilfrid Laurier in his present course. "My feeling today," he said, "is that Canada and the British Empire have enemies enough. When we can unite with France, Belgium, Italy, Serbia, Roumania and (above all) with the United States, we ought to be able to unite among ourselves. The country went unanimously into the war. The Union Government is an attempt to give practical effect to that unity of purpose as regards winning the war, which, I am convinced, obtains among the great majority of the people."

Shall Canada Quit?

A Liberal through and through is Mr. W. E. Raney, and as to the duty of Liberals, and, indeed, of all good citizens, at the momentous election of Monday next, he entertains no manner of doubt. Here is the issue, as he defines it: "I have been a good while seeing it, perhaps because temperamentally I was a pacifist, but more and more as the election campaign develops does the issue stand out clear to me as the sun in the sky. That issue is not shall there be a referendum? If Quebec will not obey a law enacted by the Parliament of Canada, neither will she obey a law enacted by a referendum carried over her head by the other eight Provinces. Moreover, the election will itself be a referendum.

Because He is a Liberal

Few things could be at once more satisfactory and more significant than the unanimity with which the bearers of all the honored and historic Liberal names are rallying to the support of the Union Government. The name of George Brown will live forever in the hearts of all Canadian Liberals. It is synonymous with all that is staunchest and sturdiest in Mr. George Brown's nephew, Mr. Edward Beatty Brown, K.C., makes the strongest possible appeal for the Union Government.

Canada is at Stake

An enthusiastic Liberal all his life, Mr. James Leith Ross has made the stern facts of the situation the basis of his action in the political crisis, the greatest in her history, in which Canada finds herself today. He is out for Union Government with all his strength, because he realizes how much is at stake in the coming election.

When the Kidneys Fail

Poisons Remain in the Blood, Which Cause Pains and Aches - Read Here the Surest Way of Setting the Kidneys Right.

Brookville, Ont., Dec. 12.-If you have headaches, backaches and rheumatic pains you have reason to suspect the kidneys. Pain is caused by poison in the blood, and poisons only are effective and fast to their work.

Mrs. Frank Noyes, 9 Stuart street, Brookville, Ont., writes: "For years I was afflicted with kidney trouble. I became very nervous, was easily worried and had frequent headaches and neuralgic pains, especially through the back. I had indigestion, poor circulation of the blood and often was bothered with weak spells."

Dr. Chase's Kidney-Liver Pills had only taken two boxes when I felt greatly relieved. I continued the treatment, however, until I was completely cured. In all I took about ten boxes, and have not been troubled in this way since. I highly recommend Dr. Chase's Kidney-Liver Pills and I think also that the Plasters and Ointment can't be equalled."

Here is another letter to show how the kidneys may disappear when the action of the kidneys is awakened by Dr. Chase's Kidney-Liver Pills: "Mr. John May, Walkerton, Ont., writes: 'I was troubled with rheumatism in my legs and became so lame that I could scarcely get around. Dr. Chase's Kidney-Liver Pills were recommended to me, and so I commenced using them. After I had been taking them for awhile I was delighted to find that my rheumatism had left me, and as soon as I commenced to purchase a get around and attend to business. I have made use of Dr. Chase's medicines in many ways for the last forty years, and can not speak too well of their good qualities.'"

Dr. Chase's Kidney-Liver Pills, one pill a dose, is sent in a box, all orders to Edmondson, Bates & Co., Limited, Toronto. You cannot expect such results from any other medicine. Insist on getting the genuine.

TORONTO PEOPLE WHO ARE SAFE AT HALIFAX

Messages Come From Stricken City Carrying Good News to Some, But Sad to Others.

A number of Toronto families with relatives in Halifax have received word one way or another from them. Among these are Mrs. M. Norroll, of 545 Beverley street, whose daughter, Mrs. G. Swearing, was slightly cut about the head by flying glass, and is now staying with her mother. Mrs. Swearing states that in a single house in Halifax escaped damage, and windows were broken by the force of the concussion in Truro, 200 miles away. Others whose dear ones escaped severe injury are G. T. Smith, 555 Bloor street, whose sister, Miss Edith Smith, is in the Halifax Presbyterian College, in safe and sound health. GENUINE PRODUCERS ARE BEING EXEMPTED

Those Who Till the Soil Are Rated as Serving National Interests and Are Let Off.

Fifty military appeals were handled by Judge Winchester yesterday in the appeal court, and the majority of these were from the rural districts of military district No. 2, Stouffville, Lemonville, Ringford, Bloomington and Bethesda.

The appeal of F. Rogan, of Lemonville, who stated that he has not become a farmer until the terms of the Military Service Act were known, was dismissed, his lordship remarking that he considered it a deliberate attempt to escape conscription. G. S. Young, accountant in the master mechanic's office of the G.T.E., was granted exemption so long as he remains in his present employment.

The appeals made by the military representatives against Joseph Forsyth, S. G. Lewis, R. E. Ratcliffe, E. F. Timbers and G. Stewart, of Stouffville, were withdrawn, as it had been found that they were genuine farmers. Exemption was disallowed in the case of J. J. Rae, Stouffville, who put forth a plea of farming and ill-health. Two brothers, J. C. Tindell and M. Tindell, of Lemonville, were granted exemption because they were producers.

BOARD OF CONTROL RECOMMENDS GRANTS

Women's College Hospital and St. Michael's Hospital Are Favored in Committee's Decision.

The board of control has recommended a grant of \$33,000 to the Women's College Hospital to cover the cost of a new wing, and a grant of \$17,000 to St. Michael's Hospital to meet a deficit on maintenance account. After a heated argument the board decided to grant increases of salary to four city officials, the city treasurer's office. Eight hundred dollars was voted to the band at Exhibition camp, which was given free in meeting returned soldiers. The Police Iron Works was given \$10,000 for the architect to reconstruct their pattern shop, which was burned in the recent fire, at a cost of \$8000.

DIFFICULT LEASE TERMS.

Justice Middleton Refused to Interpret the Conditions for Parties.

At Osgoode Hall yesterday, Justice Middleton refused to interpret the lease under which Ernest G. E. McCorky holds the premises at 113 Bay street from the estate of Dr. J. H. Richardson, but left the parties to adjust their remedies under arbitration.

The lease expired October 31 and the estate refused to tender another 21-year lease, and the question at issue was as to the time at which the cost of construction of the buildings was to be taken. Under the lease, the estate had, in the event of not renewing the lease, to pay the tenant the cost of construction of the buildings, less what appeared right deducted for wear and tear and depreciation. Mr. McCorky argued that the cost of building the structure now was the figure to be taken into consideration.

VICTIM OF OWN ACTION.

Former Mayor of Guelph Loses Damage Suit Against City.

The action brought by Harry Mahoney against the City of Guelph for a sum stated at \$4000, has been dismissed by Justice Clute. Mahoney was mayor of the city last year, and on March 31 the public works commission of which he was a member, decided to blast openings in Hunter's dam, and Mahoney sustained a broken leg when the blasting was done. Justice Clute, in dismissing the action, ruled that as the mayor was himself a member of the commission, who were doing the work, he was a victim thru his own negligence. The damages are assessed at \$100 in case the decision should be reversed on an appeal.

NUISANCE IS ALLEGED.

Harbor Board Claims Companies Harbor Drain Oil Into Sewers.

Following a recent small blaze in the Ashbridge's Bay industrial area, where a certain amount of civic property was damaged by a fire which broke out in the premises of one of the oil companies, the harbor board has issued a summons against the companies for an alleged nuisance. Mayor Church explains that the companies are violating the law by allowing oil to escape into the sewers. The harbor board has asked for a report from their chief engineer on the advisability of increasing the fire-fighting facilities on the waterfront. Among other things it is proposed to purchase a modern fire-tug.

"You say you haven't anything to be thankful for," said the clergyman to one of his parishioners. "Why, look at your neighbor Hayes; he has just lost his wife by dropsy." "Well, really," said the parishioner, "that don't help me any."

SMALL TURNOUTS AT SENIORS' PRACTICE

T. R. & A. A. and St. Patrick's Combine on First Night—Fridays Game.

Things hummed around the Arena yesterday when the three local senior clubs and two junior aggregations held workouts. Perhaps the most interesting to the rabid fans was the first appearance of the T. R. & A. A. and St. Patrick's squads. The fans were taken in somewhat when these two teams got together and held a joint practice. The fans could not separate the players and it is hard to say where these senior candidates will be located.

About a dozen players turned out for the two squads and in this lot were seven men who played senior last year. Gallagher, a junior last year with Aurora; Lee, Steele, from Calgary Vics, and McQuillan, with T. C. C. Juniors two years ago, were the new men. Glen Smith, Harry Smith, Crooks, Guin, McCaffery, Cecil Hill and Glen Sullivan were old-time favorites to take in the practice. When these two teams held a separate practice the fans will be able to line up on the players. Glen Smith announces that he has not decided just whom he will play with, but says he doesn't think he will turn pro.

At a meeting of the executive committee of the Kew Beach Hockey Club the resignation of Mr. Frank Feeney was accepted as manager, owing to Mr. Feeney having been elected to the secretaryship of the Kew Beach Hockey Club. He finds that he will not have time to look after both positions. Mr. A. C. McEwen was unanimously chosen to fill the position vacated by Mr. Feeney. While the Kew Beach Club have lines out for several star players to fill the vacant positions caused by most of last year's team being now overseas still, Manager O'Halloran would be glad to hear from any new ones who are desirous of turning out with this club. He may be communicated with at 4 Lake Front, or by phoning Beach 288 any evening.

Dentals promise to put on a strong team for their exhibition game with Hamilton Intermediate champions on Friday night at the Arena. The Dentals had a big squad out to practice last night

SENIOR GROUPS FOR WESTERN ONTARIO

O.H.A. Asked to Place London Soldiers With Sarnia, Preston and Kitchener.

London, Ont., Dec. 12.—A meeting of representatives of all the military units stationed in this city, held this afternoon at the Queen's Park Y.M.C.A. quarters, decided to enter a hockey team in the senior series of the Ontario Hockey Association.

This decision was arrived at after the whole situation was gone over carefully. The fact that comparatively few teams have been entered in the intermediate series of the O.H.A. in this section of the province, was a big factor in making the choice.

The London Military Hockey Club, as the soldiers' team will be known by, will ask the O.H.A. executive committee to put them in the same group with Sarnia, Kitchener, Preston and Hamilton, at their meeting to allot groups on Friday night. Hockey material in the ranks of the soldiers at the present time, is of unknown quantity and quality, but the Ontario Military League, composed of four teams, is looked upon as a medium whereby the players in all quarters will be disclosed. The fact that the first call of the drafted men will be made on January 3, 1918, is a foundation enough to expect a great many hockey players, who will be centred here in plenty of time to get into the game.

TO DECIDE CUTTING DOWN IN THE MAJORS

When American Delegates Meet National This Week in Chicago.

New York, Dec. 12.—Compared with the excitement attending the National League meeting here yesterday, when the re-election of President Tamm, his own terms and the sale of Philadelphia's rear battery, Alexander and Killam, to Chicago, were the main features, the meeting of the American League club owners up to the time of their meeting tonight, was of a routine order.

The length of next season's playing schedule and the possible reduction of the player limit were informally discussed, but no action was taken on either. Both were unanimously deferred until such time as the National League representatives get to Chicago, where they will hold a joint conference with the American League club owners Friday or Saturday.

The constitution was amended so that there can be no dispute in the future, as was claimed in the recent McGraw case, as to there being no appeal to the board of directors from the action of the league president in imposing a heavy fine for scandalous conduct on or off the field. An appeal may be taken, however, if a player is suspended for a period of time to change the rule so that waivers might be withdrawn, but it was agreed that the existing waiver rule is the best ever adopted and it will remain in effect.

NEW PLAN WORLD'S SERIES MONEY

The league went unanimously on record in favor of the new plan.

The league went unanimously on record in favor of the new plan of dividing the players' portion of the world's series receipts. Based on the returns of the last season, the 1917, the players on the clubs finishing second and third place will receive a share. It is hoped that this plan will prove an incentive to greater effort in playing by second and third place teams.

The league will set aside one day at each ball park during the season, on which 25 per cent of the gate receipts will be donated to the Clark Griffith Bat Club fund, which furnished \$33,000 worth of baseball paraphernalia to the listed men during the last six months. It is estimated that \$100,000 each year will suffice for this purpose.

An expected aftermath of the International League meeting developed when Edward G. Barrow, president of that organization, announced that he had decided to resign the position of league executive, his retirement to take effect Feb. 13. This is the day set for the next meeting of the International League, at which time the club owners will cast a final vote upon the question of continuing the game during the 1918 season.

Ed. Barrow Thru With International

Barrow, whose salary was reduced from \$7500 to \$2500, at Tuesday's meeting, did not attempt to conceal his feeling toward the International League organization, but refused to discuss his future plans, other than to say that he had several propositions in view, both in a commercial and business line.

Barrow, who is now in Toronto, denied that there was any truth in the report that he would be engaged as president of the Boston American League, stating that he knew nothing regarding the matter, except what had been repeated to him by persons to whom he was connected with the Boston club. During the National League meeting, President Charles H. Bennett of the

BY GENE KNOTT

Philadelphia, Dec. 12.—Benny Leonard, the lightweight champion, had a little the better of the six-round bout with Irish Patsy Cline of New York here tonight. The bout was hard and fast and Cline landed several hard punches on Leonard every round. Leonard weighed 134½ pounds and Cline 124½.

B. LEONARD SHADED IRISH PATSY CLINE

Lightweight Champion Had to Box His Best in Every Round of the Six. Each man handed hard jolts and fought so hard in the exchanges as to repeatedly knock the other down. Leonard showed more ring general supremacy. Patsy drew first blood in the opening round when he landed on the leading in this round and frequently repeated the feat. Leonard did most of the damage in this round and frequently landed on the eye of his opponent. In a hard exchange both men landed heavily with rights and lefts, Cline hitting low. The last three rounds were not as fast as the first three. Cline constantly bored in and Leonard almost always met his rushes with left-handed jolts. The champion's boxing ability began to tell and he landed more frequently than Cline, but the latter got in some stinging blows.

To have gained first place as the largest selling gum in the world means much. It means that WRIGLEY'S is liked above all others. That its quality, lasting flavour and its package are the kind most appreciated. Back of all this—the enormous sales of WRIGLEY'S show that people have learned its benefits: refreshment—aid to appetite and digestion—soothing, antiseptic influence to mouth and throat and the advantages of sweet, clean breath.

A SOLID QUEBEC MENACES CANADA

Premier Hearst Says One Province Must Not Rule Other Eight.

TRAITOROUS ADVICE

Political Faction Calls Effort to Save Canada From Prussianism a Crime.

Special to The Toronto World. Georgetown, Dec. 12.—Speaking at a crowded and enthusiastic meeting here tonight in aid of the candidature of Dr. Anterson, the Unionist government candidate for Halifax, Sir William Hearst made some very serious and pointed references to the position of Quebec in the forthcoming election. He referred to the fact that while Ontario had recruited 7.31 per cent of its whole population, which included many people of foreign birth and alienage, Quebec had recruited only 2.11 per cent of its population. Still more striking was the comparison of the results obtained from the French population of Canada with the whole population. The figure showed that the French population, numbering 2,447,000, had sent overseas 14,985 soldiers, or .72 of one per cent.

Mr. Hearst said Premier Hearst, Bourassa and Laurier win with a solid Quebec, it would mean "Quebec over all" in Canada. He declared that one province cannot and must not rule the other eight.

"The heart of Ontario," continued Sir William, "is sound for Union and for victory. It could not be otherwise and still be British. We who have red British blood in our veins know that if we falter in this great struggle we fail. We know that if we fail not only will the good name of Canada be made a hissing and a by-word, but the lives of the brave men and true we have sent to the front will be sacrificed to our indifference. Ontario, therefore, is animated by the highest and most unselfish principles of citizenship."

Call it a Crime Against Quebec. "In the Province of Quebec a political faction is endeavoring to convince the people that the devotion of Ontario to the common cause is a crime against Quebec. Think of the downright folly of it—our efforts to save Canada, including Quebec, from Prussian control, represented as a conspiracy against Quebec."

"Assigning this I protest in your name and I declare that if the people of Quebec listen to this misleading and traitorous advice and refuse to hear the truth, the day will come when they will bitterly rue their mistake. Ontario's plain duty in the meantime is to pile up such a majority for Union government as will effectually defeat and discredit the Quebec faction."

"The issued today is: Shall Canada have a Union government of all provinces and parties outside of Quebec, or shall a solid Quebec control the destiny of a divided Canada? Any man who cannot or will not see the significance of this issue is unworthy of your confidence and consideration. Ontario must stand by the union of the eight provinces and the one province in a manner so emphatic and conclusive that Quebec domination will never again be attempted."

Bring War to Conclusion. "Above all, beyond this, what we have to decide in this election is whether we can best aid in bringing the war to a speedy and triumphant conclusion and stop the crimson flow of Canada's riches blood on the fields of France and Flanders. I believe by Union government and by the co-operation of patriotic men and women of all parties this result can be accomplished. Therefore, I am supporting Union government heart and soul. I am supporting Union government because the return to power of that government ensures the sending of reinforcements and support to our brave Canadian men at the front."

"The question every elector must now answer is, 'Are we going to fight on until the freedom of the world is secured and democracy reigns supreme, or are we going to quit?'"

"The only choice left to the people of Canada is the choice of standing by our boys at the front or deserting them. We must support Union government and the Military Service Act or tell the whole world Canada is quitting the war. This is the paramount issue."

At Meeting in New Germany Unionist Was Well Received. Kitchener, Ont., Dec. 12.—W. G. Welch, Unionist candidate for North Waterloo, wound up his campaign in the rural districts last night, when he addressed a meeting in New Germany. For some time it was rumored that Mr. Welch would not be able to secure a hall at which to speak in New Germany, but much to the surprise of the Laurier camp, Mr. Welch not only secured a hall, but he also secured a most attentive hearing. The crowd was a flattering one for New Germany to turn out to hear Unionist arguments. Mr. Welch made a strong appeal for Union Government and judging from the applause he made a favorable impression on an audience that was supposed to be stubbornly anti-conscription in its views.

A series of rousing meetings have been arranged for the close of the Union campaign in Kitchener and Waterloo. Facilities will be held tonight in both places until the close of the campaign, and a number of meetings have been arranged for the factories when the working men will be addressed. The campaign will conclude on Saturday with two monster mass meetings in Kitchener and Waterloo at which the principal speaker will be Sir George E. Foster.

SCARLETT ROAD ORGANIZES. Mrs. A. McLean Gives Her Home for Meeting of Women. A woman's win-the-war organization was formed yesterday afternoon by Mrs. A. M. Morrison at the home of Mrs. A. M. Scarlett road, Lambton Park, in the interests of Capt. Tom Wallace, Unionist win-the-war candidate in West York. Officers were elected as follows: President, Mrs. H. Taylor; second vice-president, Mrs. M. Arnold; secretary, Mrs. W. Bradfield; treasurer, Mrs. J. Skelton; captain of convolvers, Mrs. A. McLean.

ALL REAL FARMERS TO GAIN EXEMPTION

General Mewburn announces the following: All farmers coming within class A, called out for military service under the provisions of the Military Service Act, who are actually employed on a farm in the production of foodstuffs for Canada and her allies, and whose services are necessary in the work of such farm will be exempted from military service. If their claim for exemption is not allowed by a tribunal an immediate appeal should be made. Arrangements are being made to extend the time for such appeals. The minister of militia further states that if a farmer so called out for military service who is honestly employed in the production of foodstuffs should be drafted into the army, General Mewburn feels that it will be his duty to relieve him from military service on the condition that he returns to the farm and continues to be so employed.

WOMEN BEHIND NEW GOVERNMENT

Female Voters of East Hamilton Attend a Mass Meeting.

Special to The Toronto World. Hamilton, Thursday, Dec. 12.—That the newly enfranchised women of East Hamilton will be behind the Union government with their votes on Dec. 17 was demonstrated beyond a doubt at a women's mass meeting held in the interests of Major-General S. C. Mewburn, Unionist candidate for that riding, in Swale's Hall last night. Besides the minister of militia, addresses were delivered by Mrs. Sanford, Sergeant-Major Anderson, M.C., and Pte. G. Parlington, a returned man.

The necessity for reinforcements was emphasized by the speakers, who pointed out that Sir Wilfrid Laurier and his policy if endorsed by the people would mean that it would be months before the Canadians would be reinforced, providing that the referendum carried.

They urged their hearers to take into consideration the fact that while Laurier and his reformism would be slowly getting under way the Canadian divisions at the front would be dwindling away for want of men. Members of the women's auxiliary of the 173rd Highland Battalion, as their meeting in the Centenary Methodist Church lecture hall yesterday afternoon were strongly urged to support Union government by Captain Trenand, a veteran of the great war. In making his appeal the speaker said that the boys at the front were doing their "bit" for the cause, and appealed to the wives and sisters to support the men who were fighting after their spiritual and physical requirements at the front. Regarding conscription, Captain Trenand said: "To vote against sending reinforcements to your loved ones at the front would be to desert them in their hour of need."

NO REFERENDUM ON NEEDS OF HALIFAX

Hon. R. A. Pyne and Others Point Out Urgent Need of Reinforcements.

John Cross, speaking at a largely attended meeting held last evening at the home of Mrs. J. M. Morrison, candidate for East Toronto, Sir Edward Kemp, asked his audience if any one could think of casting a vote which would give the reins of government into the hands of the side-stoppers of Quebec. "I look upon the possibility of disruption between Quebec and the rest of Canada with grave fears, but if it is to come let it come."

Lieut.-Col. Williams addressed a stirring appeal to workingmen, quoting Ben Pillest, as an evidence of the determination of British workmen to see the war thru to the finish. The situation for the allied nations had never been graver than it was today, yet in face of this gravity one of the most influential men of the day was doing his level best to thwart the best aims of the country's responsible government. The only result of Sir Wilfrid Laurier's proposed referendum would be the weakening of the allied cause, with consequent domination of the Dominion by the ruthless hand of the Hun.

Rev. Dr. Powell of St. Barnabas Church appealed eloquently for the vote which would send reinforcements to the boys at the front, and quoted a letter from Sir George Perley, in which Sir George said he had been compelled to refuse leave to a father of three sons on compassionate grounds, because the necessities of the moment were such as to make it imperative that every available man remain at his post in the trenches.

Mrs. D. E. Henderson earnestly appealed to the women to place their vote unreservedly for the cause of the Unionist government, and all it implied. Hon. Dr. Pyne referred to the horrors attendant upon the disaster to Halifax, and emphasized the fact that the citizens of Toronto were not awaiting the result of any referendum, but were dealing with the disaster immediately and effectively.

Among others who addressed the meeting were Pte. Lambert, Dr. Bryman and Harry Parr of the Typographical Union.

NEEDED IN HALIFAX

Hon. J. D. Reid Will Be Unable to Visit Constituency Before Election Day.

Hon. J. D. Reid, minister of railways and canals, was in Toronto yesterday. He received a telegram which made it necessary for him to leave immediately for Halifax to take personal charge of the railway situation there. He will be unable to visit his constituency during the course of the campaign. He, however, states that everything is looking well and that he has no doubt that his friends will roll up a big majority for him.

WHY CALL YOUNG MEN? Laurier Liberal in Brant Says He Does Not Favor It. Special to The Toronto World. Brantford, Ont., Dec. 12.—There have been many reasons advanced during the course of this election campaign on the part of Laurier Liberal speakers, but a new one was pulled by Blackwell Doran, Laurier Liberal candidate for Brant, in speaking at Bellevue, a suburb of Brantford. He declared that he was not in favor of calling the young men from 20 to 24 to the colors. They were no more able to go than the older ones, perhaps not so physically fit. They, too, had their uses of affection. He followed this up by declaring that the North American continent was tied up because ships were needed by the United States for transporting men and supplies to France.
