## Fifth Annual Meeting.

The Annual Meeting of this Institution was held on Tuesday, October 25th, at four o'clock.

Mr. W. H. Howland presided. The meeting was opened with prayer by Dr. Parsons, after which letters of regret were read from His Worship the Mayor, the Hon. J. C. Aikins, Canon Dumoulin, Dr. Hoskin, Rev. D. J. Macdonell, Rev. Elmore Harris, Rev. A. Baldwin, and others.

Mr. W. B. McMurrich then presented the Secretary's report as follows :

## Fifth Annual Report.

In issuing the Fifth Annual Report to our friends and subscribers, the Committee wishes to draw their attention to the slightly changed basis on which the Home now stands. We found that in order, legally, to receive any legacies left to Hillcrest, where the property might be in real estate, it was necessary that the Home should be incorporated by Act of Legislature. It was decided, accordingly, at a joint special meeting of the Trustees and the Board of Management, held on March 7th, that this should be done.

Mrs. Scott and the Executors of the late William Gooderham gave their consent, as did also the Mission Union Committee, with which we were then connected, and during the last session

of the Legislature the Act of Incorporation was passed, and the Home became an entirely self governing body. Last year we reported that by the erection of a new wing, our home was nearly doubled in size, this year our progress has not been so visible. It was found necessary to do a great deal in the way of renovating and furnishing the original house, also to put in a new furnace. In July, owing to the difficulty that there has always been about drainage, the Committee decided to lay a drain down Bathurst street, to connect with the sewer on the south side of the C. P. R. track, to do this will cost about \$1,000, and one of the ladies of the Committee has kindly offered to advance this sum, thus giving ample proof of her great interest in the Home. In common with several other charities of this city, our funds were largely increased this year by the bequest of the late Mrs. Margaret Eagle; by this legacy from an unknown friend, we were enabled to complete the payments on the new wing, and keep the Home free from debt.

There has been an increase of patients during the year. 415 have been admitted, which is an increase of ninety-four over our number last year. Of these, 223 were women, 192 men. Of these patients by far the greatest number have been sent to us by the General Hospital, or have been paid for by the city. When Mrs. Scott gave the money to build Hillcrest, she intended that it should be used by convalescents, and those worn out by over-work, who were not able to afford the expense of even the cheapest health resorts. To such it was designated that the Home should offer a comfortable and happy resting place at a rate so low as to be within the reach of all. She thus hoped to benefit a class who are rightly too proud to accept charity in any form. This class we have not yet succeeded in reaching in the numbers that we should like, although each year we have

had several, and we can only hope that as the years go by they will more and more avail themselves of the privileges offered them at Hillcrest. The experiment made last year of taking private patients, has succeeded fairly, although our rooms have not been constantly occupied. The Committee can confidently recommend these rooms to those who are unable to bear the fatigue of a journey, the fresh, pure air taking specially beneficial to people recovering from typhoid fever. We have to record three deaths this year, the largest number that we have yet had to chronicle, one of the three, George Smith, was at the Home for some time, his friends in England much appreciated the devoted care with which he was attended by Miss Law and Miss Keith. Both the others, Annie B. and Mrs. L. were suffering from prostration, consequent on several attacks of typhoid fever, and it was hoped that in spite of their being sent there in an almost dying condition, change of air and careful nursing might save them, but it was in vain, for after being there five and six days respectively they died. In the case of Mrs. L. grief largely contributed to this result. Miss Law is still at the head of the household, and it is almost needless to say that her duties are performed with unflinching kindness. Grateful letters constantly proving that her influence is felt long after the patients have passed from under her care. Miss Keith, also in her capacity of housekeeper, continues to give great satisfaction. It has been said that this has been a year of progress, but turning to the list of subscribers, there is no evidence of it in the amount of money collected, the Committee have kept their promise of not making unnecessary demands, but next year, when the drain (already referred to) is completed, we shall again be compelled to appeal to our friends.

The Committee desire to thank, most heartily, Mr. Delamere and Mr. English, who kindly undertook to arrange for and carry

through the Act of Incorporation, first under the Benevolent Societies' Act, and later by Act of the Ontario Legislature. We owe a great deal to their kind services and advice; also to the staff of physicians, to whose care and attention so much of the success of the Home is due. We would also thank those who have looked after the spiritual welfare of the patients, especially the lady (formerly a member of the Committee) who has, for nearly two years, visited the Home every week to read and pray with the patients. Our kind friends, the students of the four Theological Colleges, who hold the Sunday afternoon services, the member of St. Andrews' Brotherhood, who has held a service on Sunday mornings, and the Mr. Robert Hall, the City Missionary, who, out of his kind thoughtfulness, took the services during the summer months, while the students were away.

We would also remember the kind friends who have contributed to our funds; those who through the year have sent us donations of clothing, books, etc.; the tradesmen who have allowed a discount on articles bought, or work done for the Home, and all who have helped forward our work in any way.

S. MICKLE,  
*Secretary.*

The Treasurer's report (which appears elsewhere) was presented by Sir C. S. Gzowski.

On behalf of the attending physicians, the Medical report (on the next page) was read by Dr. Gibb Wishart.

The adoption of the reports was moved by Rev. Dr. Parsons, and seconded by Dr. Ellis.

On motion of Mr. W. B. McMurrich, seconded by Dr. Wishart, the following resolution was carried :

That the very best thanks are due to Miss Mickle, the retiring Secretary, for her valuable services during the last five years. The Committee would also express their high sense of the important services rendered them by Miss Greig in her capacity of Treasurer.

Rev. Dr. Parsons closed the meeting with prayer.

### Medical Report.

*Mesdames* :—

We beg to present the Medical Report on the Convalescent Home for the past year.

It will be noticed that the number of patients who have received the benefit of this truly beneficent institution during the past twelve months is nearly one hundred in excess of the previous year, the figures being :

1890-91, 321 and 1891-92, 415.

As in past years, most of them (*i.e.*, 248) came from the General Hospital, 19 from the Homœopathic Hospital, 4 from the Victoria Hospital and 4 from the Hospital of St. John. The remainder were from various sources.

There were admitted, males, 194 ; females, 208 and children, 13. A complete classification of these would be difficult, but we find the largest numbers, as usual, to consist of convalescents from typhoid fever, 68 ; rheumatism, 38, and debility, 63. This last large number was probably owing to the after effect of La Grippe.

There were also 8 after surgical operations, and a few suffering from Phthisis. With regard to the last, we, the medical officers, beg to draw attention to the depressing influence of such unfor-

tunate patients upon the other inmates, as well as the acknowledged contagiousness of the disease ; we, therefore, ask the Board to take some steps to prevent their admission to the Hillcrest Convalescent Home. We know there are great difficulties in the way, but we trust that the isolation of such patients from the rest may, at least, be effected. Those admitted to the Home have always received great benefit from their rest and good treatment ; the fresh air and good food have worked marvels upon these sufferers, and it must be a source of the greatest pride and thankfulness to the earnest workers in this Home, to see their charges leave them in the enjoyment of health and strength which could hardly have been regained, had they been forced to return at once to their humble dwellings and hard work. We regret to have to report three deaths during this past year, one from relapsing typhoid and two from consumption. The sanitary condition of the building is as perfect as can be desired.

We once more must thank our kind and efficient matrons, Miss Law and Miss Keith, for their helpful co-operation in the past year. It is the greatest comfort to us to have two such efficient and untiring ladies in whom we can place implicit reliance.

(Signed)

**Rooms for Private Patients.**

In building the new wing, special arrangements have been made by the Board for the reception of private patients. Three airy and prettily furnished bed-rooms have been set apart for their use. They will have a separate dining-room and parlor, a separate bath-room, and two verandahs on the west and on the south for their exclusive use. All bedding, linen, china, etc., will be kept separate and there will be good attendance.

The charges for these rooms will be from \$8.00 to \$12.00 per week according to accommodation.

## Act of Incorporation.

WHEREAS the Hillcrest Convalescent Home at the city of Toronto was established for the purpose of a convalescent home, to be carried on in a suitable manner under the direction of a committee of ladies to be appointed annually for the acceptance of convalescent patients, without distinction of creed, and the same has been in working operation for over four years under the direction of a board of management ; and whereas the said home was founded by a grant of land by the late William Gooderham to trustees, and the erection thereon of a large and expensive building at the cost of a charitable English lady, who furnished money for the construction and furnishing of the same to the extent of upwards of \$11,000 ; and whereas the same has been carried on by a committee of management in conjunction with the trustees chiefly through voluntary subscriptions of citizens of Toronto and legacies and bequests from time to time ; and whereas large sums have been expended annually for the support of the said institution and also in making additions and alterations to the buildings to meet growing demands ; and whereas the board of management have been incorporated under *The Act respecting Benevolent, Provident and other Societies*, and their powers to receive by grant, gift, devise or bequest are too limited for the practical working of the same, and it is desirable that the board of trustees and the board of management aforesaid should be united into one corporation and the lands and buildings now vested in trustees vested in such corporation ; and whereas it is expedient to grant the prayers of the same petition ;

Therefore Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows :--

1. The Honourable Samuel Hume Blake, James Kirkpatrick Kerr, John James Gartshore, William Holmes Howland, William Hodgson Ellis, Bertram Spencer, Arthur Hutchison Smith, John Jacob Withrow and Harvey Prentice Dwight, all of the city of Toronto, esquires, together with the present board of management and members of the committee, and all other persons who may from time to time be elected to succeed them as members of the committee, shall be and they are hereby constituted a body politic and corporate under the name of the Hillcrest Convalescent Home, and the said incorporation under the *Act respecting*

*Benevolent, Provident and other Societies* shall merge in the corporation hereby created and cease to exist as a separate corporate body.

2. All the property, real or personal, now held by the said individuals above mentioned, or by any of them or other person or persons, for the use or benefit of the said Hillcrest Convalescent Home shall be and is hereby transferred to and vested in the corporation hereby constituted, subject only to the provisions of the deed of grant from the said William Gooderham to trustees dated the 21st day of August, A. D. 1885, as to the disposition to be made of the said property in case it should cease to be carried on and supported as a convalescent home, and the officers and managing committee of the said institution at present in office shall continue to be the officers and managing committee of the said corporation until others shall be elected in their stead.

3. The said corporation may hold the said lands for use as a convalescent home, and may also acquire and hold additional lands and premises when required for use in connection with the same for actual use and occupation as a convalescent home provided the annual value thereof do not exceed the sum of \$15,000 in all, and may also acquire any other real estate or interest therein by gift, devise or bequest if made at least six months before the death of the party making the same, and may hold such estate or interest in the lands lastly mentioned for a period of not more than seven years and shall within that period alienate or dispose of the same and the proceeds of the estate or interest so disposed of shall be invested in public securities, county or municipal debentures or other approved securities, for the use of the said corporation, and such estate or interest therein as may not within the said period have been alienated or disposed of shall revert to the party from whom the same was acquired, his heirs or representatives.

4. For the management of the affairs of the corporation there shall be a committee composed of not more than thirty persons, who shall be annually elected by the members of the corporation amongst themselves at a general meeting to be held annually in the month of October in each year, and at their first meeting after such election the said committee of management shall choose out of their number a president, two vice-presidents, a treasurer and a secretary, who shall hold office during the period aforesaid.

7. The Lieutenant-Governor shall hold by it Governor

5. The said managing committee may make such and so many by-laws, orders and regulations (not being contrary to the laws of this Province or this Act) as they may deem useful and necessary for the government of the said corporation, and for the admission, resignation and retirement of members of the corporation, and may repeal, revoke, alter and amend any existing by-laws, orders and regulations.

6. The funds of the said corporation shall be used for the purposes authorized by this Act, and nothing herein contained shall authorize the said corporation to engage in the business of real estate.

7. The said corporation shall at all times when required by the Lieutenant-Governor of the Province, make a full return of all property held by it, with such details and other information as the Lieutenant-Governor in Council may require.

## By-Laws.

I.—This Institution is intended for the benefit of convalescents leaving hospitals, or living in houses where their recovery is retarded by the want of needed rest and change.

II.—It is to be managed by a committee of not more than thirty (30) ladies, to be elected annually. The Committee will nominate its successors in office.

III.—The said Committee shall elect by ballot out of its number a President, two Vice-Presidents, a Treasurer and a Secretary, in accordance with clause 4 of the Act.

IV.—The Committee of Management shall hold its monthly meetings on the first Friday of each month at 11 a. m., at such place as it shall appoint. Five members shall constitute a quorum. Weekly meetings shall be held each Friday morning at the same time and place, unless some other day is fixed upon at a previous regular meeting.

V.—The President shall have general supervision of the work. She shall preside at all meetings of the Corporation or of the Committee of Management, and shall perform such other duties as are incident to the office. She shall sign all drafts upon the Treasury before they are paid. In case of her absence, one of the Vice-Presidents shall preside; in case of their absence, such other person as the meeting may select.

VI.—The funds necessary for supporting this Institution shall consist of fees, voluntary subscriptions, donations, bequests, etc.

VII.—All monies received shall go to the Treasurer, who shall keep the same in some chartered bank, and shall disburse them as the Committee of Managers shall direct. The Treasurer's annual report shall be examined by auditors appointed by the Committee.

VIII.—The Secretary shall give notice of stated and special meetings, keep the minutes of the same, and prepare the Annual Report of the Committee of Managers.

IX.—Anyone desiring to obtain a city order for a patient must send to the City Health Officer: (1) A medical certificate either from or confirmed

X.—Any person desiring admission to the Home able to defray his or her own expenses, or paid for by friends, must present to the Superintendent of the Home a medical certificate either from or confirmed by one of the medical staff stating that the applicant is a fit subject for admission; and must pay in advance for one week's board, \$2.40.

XI.—Infectious or contagious cases cannot be admitted to the Home.

XII.—Unmarried women with infants cannot be admitted, nor any man or woman known to be leading an immoral life.

XIII.—A small quantity of alcoholic liquor for use in extreme cases or by medical order may be kept in the Home, but must be in charge of the Matron under lock and key, and only administered by the Matron, and if under medical order, in quantities to be prescribed by the medical attendant ordering same.

XIV.—Members of the Committee are expected to visit the Home weekly in rotation, and will be notified by the Secretary a week before to that effect.

XV.—The visitor for the week must visit herself or provide a substitute from the members of the Board, or notify the Secretary in time for her to appoint another visitor in her place.

XVI.—The visitor must enquire whether the Matron has an order for every patient. In case of any patient remaining in the Home for more than four weeks, the visitor must make full inquiries as to the reason of such stay, and lay the case before the Board at the first meeting after her visit.

XVII.—The visitor must visit every part of the Home and report personally or fully in writing on the condition of the Home and patients at the first weekly meeting after her visit.

XVIII.—Each member of the Board must notify the Secretary before leaving town for a length of time.

XIX.—The managers may appoint from time to time sub-committees from among themselves to attend to any special duties. As a rule such

sub-committees shall consist of not less than three, and not less than two shall be considered a quorum to act. These committees, for the sake of regularity and for future reference, shall as a rule, report to the Board in writing.

XX.—Changes can be made in the by-laws at any regular monthly meeting of the Committee, notice having been given in writing of the intended change at a previous regular monthly meeting.

XXI.—The President and Secretary or other officers for the time being acting in their stead, shall have power to affix the corporate seal of the Home to any document requiring the same and may adopt any form of seal which to them may seem proper as such corporate seal.
