MORE SAINT JOHN HOMES GET NEWS OF SOLDIERS WOUNDED

Eight Local Casualties Are Learned Of In City Homes

New Brunswick Prominent in the Ottawa List and Nova Scotia Has Suffered Severely, Especially in Fatalities

The casualty list brings sadness and anxiety to many homes throughout the maritime provinces. The list is one of the longest received in the lower provinces and gives fresh evidence of the severity of the fighting ten days ago and of the heroism of the maritime men who met the enemy without regard to the danger of wounds and death.

The number of casualties reported among the men from Halifax and throughout Nova Scotia is especially large and the list contains a sad large number of those who have fallen on the field of battle and have given their lives for the cause. The number of fatalities among the New Brunswick men is particularly heavy. The results of the more recent fighting have not yet begun to appear in the lists and it is hoped that the official report that the losses were light will mean a smaller list of casualties to be expected here.

Pte. R. L. Colbourne Wounded. News has been received from Ottawa that Private Robert Layton Colbourne is suffering from shrapnel wounds in the head and was admitted to No. 4 Field Hospital on September 18. The wound was received this morning by his mother, Mrs. Catherine Colbourne, 102 Mecklenburg street. Private Colbourne enlisted with the 50th Battalion and in his anxiety to get to the front, left with a draft and upon his arrival in England was transferred to an infantry unit of the first contingent. He has been at the front for fourteen months and so far has escaped injury.

Private Robert Stephens. As announced in the Times Mrs. Jane Stephens received word yesterday that her son Pte. Robert Stephens, aged forty-seven years, of the 26th Battalion, died of wounds on Sept. 15, 1916. He leaves, besides his mother, five children, Wallace, now serving on a transport ship in English waters; Steven of West St. John; Allan Wellington and Mary at home; Ernest Hamilton, John, now at the front with the 26th; James with the 40th Reserve, and Andrew, who went across with the 26th, but has been invalided home. He has a brother-in-law, who is also a member of the 26th, Lance Corp. Albert Campbell, who was wounded some time ago and is still in England. Six sisters, Mrs. Michael Gray, Mrs. Ernest Hamilton, Mrs. Thos. Trearant, Mrs. Alfred Byers, Mrs. Wm. Knox and Mrs. Albert Campbell also survive. Just before he went away he received a medal for long service in the artillery. His father died while he was at the front.

Private Patrick Joseph Shelley. Private Patrick Joseph Shelley was admitted to No. 9 General Hospital in Rouen on Sept. 20, suffering from a gunshot wound in the head. According to a telegram received last night by his wife, who resides at 68 Moore street, St. John, he was admitted to the 26th Battalion, and in England was drafted into another unit. He entered the trenches on April 23, and had been through many of the large engagements. He is a native of Newfoundland, but resided in this city for the last seven years. Prior to enlisting he was employed on the government steamer Lansdowne. His wife received a letter from him a few days ago, dated September 10. At that time he had been resident at the base after a strenuous period in the trenches.

James Archdeacon. Word was received in the city this morning that Private James Archdeacon, who was employed in the local branch of the Bank of British North America prior to enlisting, had been wounded in the left thigh and was admitted to the Liverpool Merchants Hospital in England on Sept. 16. Private Archdeacon left here with a well known New Brunswick battalion. He is a native of Ireland, but came to this country some years ago. Before coming to this city he was employed in the Bank of British North America in Toronto.

NOVELTY SHOWER. On Thursday evening about thirty friends of Miss Elizabeth Long called at the home of Mrs. Murray Long, Lancaster avenue, and tendered a novelty shower to Miss Long in honor of a coming happy event which will take place in New Orleans during the first week in October. As Miss Long is to spend her honeymoon on the boat with Capt. Stevens the gifts were all in a very pretty boat decorated with red, white and blue paper, and numerous little flags, and commanded by some sailors and a captain. Miss Long was in possession of the secret and after the guests had all arrived she telephoned Miss Long to come to her house, and when she arrived she was taken completely by surprise. Miss Long received one very beautiful gift consisting of cut glass, linen, silver and brass ware. After games and music had been enjoyed refreshments were served and the gathering broke up about midnight. While Miss Long's friends deeply regret her removal from this city they wish her all happiness in her future home.

Haig's Men Capture Strongly Defended Farm—General Joffre Sends Congratulations to Sir Douglas and His Men

London, Sept. 26.—An attack by British troops on the Somme front early today resulted in the capture of a strongly defended farm 500 yards southwest of Le Sars, the war office announces. The official statement follows: "The night was quiet on the greater part of our front. The positions we have won north of Thiepval were heavily shelled. Our bombing parties were active in the neighborhood of the Schwaben redoubt and the Heenan trench, part of which we still hold by the enemy. A strongly defended farm, about 500 yards southwest of Le Sars was captured by our troops early this morning. North of Ypres two miles south of Bethincourt and southeast of Bapaume our aeroplanes observed a huge explosion, as if a large ammunition dump had blown up. The smoke ascended 9,000 feet." "Further progress was made by the French last night between Freguieret and Meval on the Somme front, according to a statement issued by the war office. On the Saloniki front the Serbians repulsed four Bulgarian attacks at Karakalan.

GREEK WARSHIP IS SEIZED AND JOINS ALLIES. Piraeus, Wednesday, 27, Via London, Sept. 26.—The defection of the Greek warship Hydra to the revolutionists early this morning has caused great excitement. The Hydra, anchored under the guns of the forts, was boarded this morning by men in civilian dress. The loyal crew, in a communique sent from the ship, stated that the Hydra had been seized by the revolutionists and that the crew had been ordered to disembark in a rowboat. The commander, being a Venetian, readily surrendered to the boarders. Two tugs were attached by tow rope to the ship, and as no resistance was offered, she slipped her anchor chains and was towed by the tugs from the company of the other Greek men-of-war. The tugs towed her to Salamis Bay, where the allied warships are stationed. The minister of marine stated today to the Associated Press representative that he regretted the incident, as while the perpetrators of it are unknown owing to their attire, it was impossible to still the suspicion that they were not all of them Greeks.

AGAIN SHOWS THAT ENGLAND IS THE ONE MOST HATED. Berlin, Sept. 26.—The speech of Chancellor von Bethmann-Hollweg in the Reichstag today contained no peace offers. He declared that would be useless in view of the attitude of the Entente Allies. There was no intimation of a resumption of the submarine warfare.

ACCOUNTS FOR THREE GERMAN AEROPLANES IN TWO MINUTES AND HALF. French Aviator Then Plunges 10,000 Feet and Escapes Unhurt. Paris, Sept. 26.—Three German aeroplanes brought down in two minutes and thirty seconds is the latest exploit of Second Lieut. Georges Guynemer. Incidentally, Lieut. Guynemer, known as "King of the Airs" fell 10,000 feet, but escaped unhurt. Guynemer went to the assistance of a comrade who was hard pressed by five German machines. He brought down two of them within thirty seconds and then overtook a third which he shot down two minutes later. He was looking for the remaining German machines when a shell burst beneath him and stripped the left wing of his aeroplane of every stitch of its covering. He plunged giddily earthward and gave himself up for dead. Suddenly something happened and the speed diminished. Then there was a violent shock, and when he recovered his wits he was in the midst of the fragments of his machine and practically uninjured. He believes it was the straps which held him to his seat which saved him. He has brought down some twenty German aeroplanes.

KAISER LORDING IT OVER ALL HIS ALLIES. London, Sept. 26.—(New York Sun cable).—According to the Budapest correspondent of the Morning Post, the speech of Count Michael Karolyi, leader of the opposition, in the Hungarian parliament on Sept. 25, was a vigorous protest against the ascendancy of the Kaiser over the governments of all the Teutonic powers, especially Austria-Hungary. Count Tisa, the premier, is unbecomingly known.

Chancellor Says Allies Cannot Break Through in West or East—Bitter Against England

Berlin, Sept. 26.—Germany will persevere until victory is hers, the Reichstag was told yesterday by Chancellor von Bethmann-Hollweg, according to the full text of his speech which was published here today. The chancellor declared that this year's harvest has made Germany's position much more secure than was the case last year. In an attack upon Great Britain, he declared that that country was above all Germany's most egotistical, fiercest and most obstinate enemy. "A German statesman," he said, "who would hesitate to use against this enemy every available instrument of battle that would really shorten this war—such a statesman should be hanged." The allies cannot break through the German lines on the Somme, said the chancellor. The German prime minister made a similar statement in regard to the eastern front. "The English and French, it is true," he said, "have achieved advances. Our first lines have been pressed back some kilometers and we have also to deplore heavy losses in men and materiel. That was inevitable in an offensive on such a mighty scale. But what our enemies hoped to accomplish, namely, break through on a grand scale and roll up our positions, has not been attained. The battle of the Somme will cost further sacrifices. Still another trench and another village may be lost but they will not get through."

LONDON STIRRED BY NEWSPAPER ATTACK UPON LLOYD GEORGE. London, Sept. 26.—(Toronto Globe cable).—A bitter attack by the Morning Post on Lloyd George has stirred London. The Post's intimations of friction between civilian and army officials are considered unjustified and due to misapprehension and over-zealousness. However, many believe it may serve a good purpose in throwing the light of publicity upon unpleasant rumors, widely spread, and clearing up the whole situation.

A few friends motored from St. John and Fairville for the occasion, only immediate relatives were the invited guests.

The young people received many testimonials of esteem. The groom's present to the bride was in gold, while from Mr. and Mrs. Stevens, parents of the bride, they received cut glass and silver. Messrs. The marriage was witnessed by more than 100 guests and was performed in the open air, under an arch of evergreen and golden glow, from which was suspended a large bell decorated with ferns, white sweet peas and white ribbon.

The bride looked charming in a gown of white embroidered tulle, and wore a veil caught up with orange blossoms. She was supported by her father and attended by Miss Besse Patterson as bridesmaid and little sister, Gilda Kirkpatrick, a cousin, as flower girl. The bride carried a bouquet of white roses and asters, and the flower girl a basket of pink and white sweet peas.

They included many useful articles for the home, as well as silver, cut glass, linen and a substantial check, also gifts from members of the family in Vancouver. The groom's gift to the bride was a gold watch. Mr. and Mrs. Jones left for a tour through Nova Scotia where they will visit the bride's brother, Dr. H. H. Kirkpatrick. "MILITARY MOLLY" FAIR

PROVES BIG SUCCESS Will be Continued Tonight, Saturday Night and Saturday Afternoon. As anticipated, the big fair under Rotarian auspices started out successfully last evening. Some 2,000 people were in attendance and all were delighted with the unique character of the entertainment provided by the energetic committee from the Rotary Club. The fact that there are three other sessions of the fair should not be lost sight of, so tonight, Saturday night and Saturday afternoon the rink will doubtless be thronged with pleasure seekers, and those anxious to assist the patriotic endeavors of the Rotary Club.

PATRIOTIC CAUSES

Everybody Buy a Book Tonight. The response to the request for used books of fiction has been most gratifying and the library at the rink was the centre of much interest last night. Books of an excellent quality that would ordinarily sell for \$1 to \$8 or \$9 were donated to the library; and many were sold at 50c. The committee is anxious to bring in all the books you have and place them with the ladies in charge; and in turn by books that you have not yet read. Your pick for 25c—and most important of all, you will be helping in the great Patriotic Fund work.

Lancaster Boys. Tonight the committee in charge of the fund for Christmas boxes for Lancaster soldiers is to hold another meeting in Temperance Hall where contributions will be received from those who have not yet sent in donations. As it is a difficult matter to obtain addresses of all the Lancaster people having relatives in khaki will confer a favor on the committee by sending in the names and present addresses to Miss Mary O'Brien, Mrs. Harry Carr or Chas. S. Tippet. In this way it is hoped no one will be overlooked.

Hodding Bazaar. The Ladies' Orange Benevolent Association will conduct a bazaar in the Orange Hall, Germain street, tonight, and tomorrow night. The proceeds are to go towards securing Christmas boxes for the soldiers in the trenches.

USE THE WANT AD WAY. THE PARKS AND SQUARES. To the Editor of the Times: Sir—If I may be allowed space to reply to the letter from Mr. Peter Sh. express an opinion that the management of the squares is not careless and is not carried on without knowledge.

These squares consist of King, Queen, Burying Ground and Haymarket in St. John, East, and King, Queen and Market Place in St. John, West, besides some smaller squares, including the one at Indiantown. Victoria square in the North End has not yet been brought in to shape.

As to the cleaning and watering of the streets, I agree with Mr. Sharkey that we should have a better service. To obtain this a larger expenditure will be required, but I am inclined also to think that there will have to be improvement in the administration and in an endeavoring to bring about.

Yours respectfully, G. FRED FISHER, Commissioner.

Brightens One Up. There is something about Grape-Nuts food that brightens one up, infant or adult, both physically and mentally.

Just its delightful flavor, and the nutriment of whole wheat and barley, including their wonderful body and nerve building mineral elements!

A crisp, ready-to-eat food, with a mild sweetness all its own; distinctive, delicious, satisfying—Grape-Nuts "There's a Reason" Canadian Postum Cereal Co., Ltd., Windsor, Ont.

JOHN WIGGINS GETS COMMISSION. The Lynch Estate. An investigation being carried on by R. B. Hanson, of Fredericton, to ascertain whether or not the estate of the late Timothy Lynch should pay succession duties on a valuation of \$50,000 or more, was continued before the commissioner on Wednesday afternoon and adjourned until October 7. Two witnesses, Mr. Justice Barry and E. A. McCurdy, manager of the Royal Bank of Canada at Newcastle, were examined. In the application for probate the Lynch stock was valued at ten cents on the dollar. Mr. McCurdy in his evidence placed the valuation at thirty cents.

JOHN WIGGINS GETS COMMISSION. John A. Wiggins, son of Rev. Dr. and Mrs. Wiggins, a better known in Sackville as "Doc," has obtained a commission and appointment to the 10th Battalion at the front. He was one of four officers to be appointed to the first division. He left England on the 11th inst. for France.

Market Square -- King Street

The home guard

To be in a position to repel attack and to preserve inviolate the home and hearth is the reason for the wide-spread movement of the "Home Guard" throughout Canada.

For defense against invasion of the elements CERTAIN-TEED Roofing is the real "home guard".

"Certain-teed" Roofing

protects homes and other buildings from storms; successfully resists the attacks of rain, hail, sleet and snow; is unaffected by the sharp assaults of frost, and the withering fire of mid-summer sun. It even withstands the ravages of time, for CERTAIN-TEED Roofing is guaranteed for 5, 10 or 15 years, according to ply (1, 2 or 3). Experience proves that it will out-last the period of guarantee.

The long life of CERTAIN-TEED is due to the fact that it does not dry out, as ordinary roofing does. This is because it is made of the best quality roofing felt, thoroughly saturated with a blend of soft asphalt—the formula of the General's Board of Expert Chemists. This soft saturation is then covered with a coating of a harder blend of asphalt, which prevents the drying-out process, and keeps CERTAIN-TEED impervious to the elements for years after the harder, drier kinds of roofing have dried out and gone.

CERTAIN-TEED is made in rolls; also in slate-surfaced shingles. There is a type of CERTAIN-TEED Roofing for every kind of building, with flat or pitched roofs, from the largest sky-scraper to the smallest residence or out-building. CERTAIN-TEED is sold by responsible dealers all over the world, at reasonable prices. Investigate it before you decide on any type of roof.

THE WAR NEWS

Any defence the Germans may have between the present line on the western front and the borders of Germany are certainly no more formidable than some of the British and French have already beaten down.

WINNING THE WAR

The British have taken Thiepval, but that is not all. Sir Sam Hughes has attended a concert in Albert Hall, and his aide de camp has been in court for exceeding the speed limit.

NEW PASSION FOR HONESTY

A member of the British Columbia legislature has written a letter in which he speaks of the inspiration there is in the new faith and the new passion for honesty which have been born in that province, and which overthrow the corrupt provincial government.

TAXING EXEMPTED PROPERTY

The new St. John assessment scheme includes a classification and valuation of all exempted properties. In Outremont, near Montreal, it is proposed to get from exempted properties a certain amount of revenue, the Montreal Financial Times would approve of a general application of this principle.

KEEP THE RECORD STRAIGHT

The Halifax Recorder makes some observations which are very timely, in view of the present attitude of such newspapers as the St. John Standard. The Recorder says: "The tory press has been attempting to intimidate that forced the resignation of the admiral."

DO YOUR FEET ACHE?

Men, women, and girls who work in stores, offices or factories, and these occupations require them to be on their feet, usually suffer with foot pains, cramped toes, corns, bunions and callouses, all caused by weak in-step or weak and broken down arch.

LIGHTER VEIN

"Strange, Mary doesn't have any other! She'd make some man a good wife." "Yes, but the trouble is every one knows she'd make him a good wife too."

Little Patriot

All this talk of hyperbated citizens has evidently had its effect upon a San Francisco youngster, American-born, whose father whipped him for some misdemeanor.

"Beat It"

Not a very dignified motto to use in your office, but it works in many ways. You win out by working hard, or, in other words, you "beat it."

Big Meeting But Only One Recruit

Many New Brunswick Names in Casualty List — East St. John Man Reported Dead in Error—Similar Case Reported From Sussex

As a result of the big recruiting meeting held in the Imperial Theatre last night, one recruit, Frederick Carlie of Everett, Mass., was secured. The speakers of the evening were H. A. Powell, K.C.; Lt.-Colonel J. L. McAvity, Captain May, Major Morgan and Sergeant Whittell. John Keefe acted as chairman. A clever exhibition of Scottish dances were given by the Gibb children and a Scotch song was rendered by Mrs. Blake Ferris.

Arrive on Monday
The 182nd Battalion, under Lt.-Colonel Mesereau, will be in Sussex on Monday, 1,000 strong. The advance guard will arrive on Saturday.

Casualties
The names of thirteen New Brunswick men appear in the midnight casualty list. Died of wounds: Private C. Boldon, Minto Mines; wounded, Lance Corporal G. A. Lockhart, Steves Mountain; Edmund McCarthy, St. John; Private W. LeClair, Balmoral. Died of wounds, Private M. Rioux, Anderson Siding, Restigouche county. Wounded, Driver C. C. Barton, Cumberland Bay, Queens county. Killed in action, Thomas D. McGuire, St. John. Seriously ill, William B. McKinnon, Moncton; wounded, Domestius Dionne, Edmundston; Thomas D. McGuire, Bridgeville, Albert county; Herbert James Struthard, Sussex, and Edw. Ralph Gilbert, Powell, Forest Glen, Westmorland county.

Hon. J. A. Murray, minister of agriculture, has received word of his son, Lieut. Ralph Murray, who went overseas with the 64th battalion and was transferred to a Scottish unit, to the effect that he had been slightly wounded.

The name of Frank C. Phinney of East St. John appears in the casualty list last night as "died of wounds," but evidently this is a mistake as Private Phinney's father received official word yesterday from Ottawa to the effect that he had been wounded.

Mrs. Thomas Furlong has received a letter from Rev. D. MacPherson, Catholic chaplain with No. 1 Canadian Stationary Hospital, Salonica, relating to the circumstances of the death of her son, Private Furlong. The letter reads to the effect that the boy died on August 20 and on Monday morning he said requiem mass for the repose of his soul. Two boys received holy communion at the mass. A coffin was provided and the lad is buried at Zetewilk, about two miles from Salonica. Father MacPherson is from Antigonish.

Private Ray Craig of Sussex, who was reported in the casualty list as being killed in action, is only wounded. Word was received from him by his parents on Wednesday to this effect. He is a member of the 8th Highlanders.

BOSTON CONSPIRACY TO SMUGGLE DRUGS ALLEGED

Boston, Sept. 29.—An alleged conspiracy to smuggle narcotic drugs, such as morphine, cocaine and heroin, from Canada into this country, was disclosed by a return of indictments in the United States district court before Judge Morton.

The defendants indicted on a charge of conspiracy are George Provanalis of Lynn, George Wintner of New York and this city, Theodore Deutschman, Julius R. Slosberg, Samuel Cohen, Louis Rothausky and Keith Vaughn, all of this city. Each has an alias.

Customs Inspectors McKenna and Finnegan of this city and Kyle and Lewis of New York have been working on the cases for three months.

It is alleged that drugs of the value of thousands of dollars were smuggled from Canada by automobile and on the train and by persons walking across the border. The drugs were taken to Boston, Providence, Springfield and New York. Boston was the principal distributing station.

Dr. Joseph B. Twadelle was indicted on a charge of facilitating transportation of smuggled heroin and morphine. Others have been indicted in drug cases, and their names will be made known later.

Military Molly Proves Popular

Patriotic Fair in St. Andrew's Rink, Under Auspices of Rotary Club, Draws Attendance of 2,000—Many Attractive Features

About 2,000 good and patriotic people of St. John visited the Military Molly fair in St. Andrew's rink last evening. The affair was most inviting with its brilliant glare of lights, the almost deafening cry of "money makers" and the roaring chatter of the "Kan-kans" above which floated the martial music of a band. In the abatement of the evening the people forgot that their country was at war, but their purses were liberally opened and the contents generously spent.

The decorations were most artistically arranged and to Capt. J. A. Mulcahy goes most of the credit. The harmonious

blending of the many colors was the work of an artist. Military Molly was true to her title being both military and patriotic. Miss Belle Tufts made an admirable and attractive Molly.

The flower booth was one of the charming attractions of the evening. Mrs. A. M. Belding, Rev. W. R. Robinson and others made the beautiful bouquets.

Charles A. Munro, F. A. Dykeman and others aided in the midway. Throughout the entire fair the sweet strains of music were heard coming from the far end of the rink, which added an indispensable touch to the whole evening. The services of the City Cornet band were most generously offered for the occasion.

The fair will be continued tonight and tomorrow night and money making for the patriotic fund is the slogan of the Rotary Club.

On the right of the entrance the Y. W. P. A. had a large booth capable of seating 100, devoted to serving ice cream. Here Miss Johnson, Miss McKinley, Miss Mayale Fleming, Miss Erminie Climo, Miss Doris Murray, Miss Williams, Miss Lillian Vincent, Miss Janie Creighton, Miss E. Daw and Miss Lillian Clark served several hundred during the evening.

Roulette and grocery wheels there were in great plenty. W. A. Stewart, Walter Stewart, Stephen Matthews, C. H. Smyth, E. A. Job, R. H. Watts, H. L. Ginter, R. Tapley, W. Chase, W. Price, A. Burns, Joseph Kennedy, C. Wetmore, R. Edwards, Dr. A. H. Merrill, A. E. Bennett, J. A. Beaver, L. C. Hemmington, R. E. Crawford and E. P. Howard were alive to the possibilities of their posts every moment, and few could resist the temptation to try their luck at the variety of wheels that promised to bring you a lot for a small sum.

Charles Winter Brown, R. G. Schofield, and H. C. Creighton No. 881, a ladies hand bag. Mrs. R. E. Armstrong and the H. F. Rankin who did a thriving business in a small country store. The Misses Sara Hare, Mabel Sedler, and E. Skinner were at the booth. A beautiful upright Anker piano is being raffled with the Misses Helen Marr, Hazel Lewis, Lois Coates, Audrey Cross, Ethel Daley, Valda Fenton, Ethel Perley, Irene Gaster, Mrs. George Hamm, and Mrs. J. A. Beaver as a corps of solicitors. Frank Lewis, H. C. Page and E. C. Phelan give a chance to cover a circle with five dimes and win a prize. The Misses Elsie Hallamore, Dorothy Bayard and Marjorie McKim have a fifty-cent wicker package that is attractive.

The triangle ball game was in charge of G. N. Hatfield and Robert Reid, and nearby were R. D. Patterson, H. C. Mott, and J. H. Marr with a fish pond

that gave up rather more attractive catches than fish. Killkenny Cats, a game that required a good eye and a strong arm was liberally patronized by the young men. L. Johnson and H. Warwick were the caretakers of the felines. A similar game called Kill the Baby Killers proved perhaps a little more attractive because of the targets. Kenneth Carwell, S. A. Sanday, Bruce Atkinson, William Gifford, Lawrence Manning, William Drake, and Roland Pentostowy were guardians of the unhappy monarchs. Hoop La, a game of G. G. Murdoch and Dr. J. H. Barton. The flower booth, was under the direction of Miss Alice Schofield, Miss Gene Schofield, Miss Gertrude Lee, and Miss Constance Ewing. The home-made candy counter and the soft drink booth were tended by Miss Ellis Andrews, Miss Marguerite Ganong, Miss Eileen Keefe, Miss J. Church, Miss D. Creighton, Miss L. Grimmer, J. G. Harrison and Frank C. Smith.

All wooden buckets when not in use should have two inches of water left in them.

Moore, home missionary secretary; Mrs. Annie Brine, secretary of supplies; Miss M. Chase, secretary of young people's work; Mrs. G. E. Forbes, New Glasgow, corresponding secretary; Miss Bessie Wallace, recording secretary; Miss Annie Murray, New Glasgow, secretary of international correspondence; educational committee, Mrs. A. W. Thomson, Mrs. Cruikshank, Mrs. Wm. McNab, Miss I. McCulloch and Miss Chase; missionary committee, Mrs. Wm. McNab and Mrs. Cruikshank.

In the evening Rev. Robert Johnston, of Halifax, convener of the home mission board, gave a most interesting and practical address on home mission work, which was listened to with marked attention.

William McIntosh, curator of the National History Society Museum, has gone to Newcastle to give a series of lectures before the Northumberland Teachers' Institute, now in session at Newcastle.

Starting a New Home
IN the selection of your piano you are at "the parting of the ways." Will music be a temporary or a permanent blessing in your home? No ordinary piano can create inspiration. The **Martin-Orme Piano** inspires ever-growing interest in musical development. Inspiration is indispensable. The true, cheery, round tone of the Martin-Orme awakens every natural musical instinct and keeps alive and growing the love for music. Imperfect tone discourages it. Like the glorious tone of a perfect violin, that of the Martin-Orme improves with the years. The piano keeps in tune wonderfully. You will be proud of the Martin-Orme also for its beautifully finished art case. Write Martin-Orme into the list of things that make a real home. We will be glad to send literature on request.

DENIES THAT EVERS WILL MANAGE YANKEES. Donovan Will Remain in Charge—Hard Luck Put His Team Out of the Running. New York, Sept. 27.—Somebody in Boston invented a story to the effect that John J. Evers will succeed Bill Donovan as manager of the Yankees next year. But Donovan will remain on the job, inasmuch as Col. Ruppert and Capt. Huston believe that he is entitled to another chance. Donovan handled the Yankees so well in the early part of the campaign that they were leading the American League race when they were playing pennant ball when their best men became crippled. No major league club in the history of the sport ever experienced such a run of ill luck. Maset, Gilbooley, Baker, Magee, High, Collop, Mogridge, Nunsamaker and Peckinpaugh sustained injuries at various times that put the team out of the running. Caldwell's fall from grace was another tremendous handicap, yet Donovan's men still are fighting desperately to finish in the first division. Donovan has made himself extremely popular here. He has advocated clean baseball and sportsmanlike tactics. His players have been fairly treated and are strongly in favor of his retention. Under the circumstances it would be manifestly unjust to remove Donovan to make room for Evers or some other candidate for the position. Messrs. Ruppert and Huston believe in fair play and are anxious to reward Donovan for his untiring efforts in their behalf.

THE BIG LEAGUES. Phillies Trim Brooklyn and Are Only Few Points Behind. Red Sox Also Lose. Alexander Has Won Thirty Two Games so Far This Season—Schupp Pitching Great Ball For the Giants, Who Have Won Twenty Five Straight Games.

As a result of the Phillies' victory over the Dodgers yesterday the race for the National League pennant became more exciting. Indications at present point towards a series between the Red Sox and Phillies for the world's championship. The Giants have practically eliminated the Braves and may do the same thing to the Dodgers when they meet. While the Phillies have a six game series with the Braves they stand a better chance to emerge from the fray with a better percentage than the present leaders do with their next competitors. The fall of the Red Sox caused many of their supporters to doubt, but they have such a comfortable lead, considering the few games to be played, that it is hard to see how they can lose. Alexander has won thirty-two games this year, and out of that number nearly half have been of the shut-out variety. Schupp, the Giants' young pitcher, has won nine games and lost seven besides working in several others at the first of the season. He has earned the right to be one of McGraw's first string pitchers.

SPORT NEWS OF THE DAY HOME AND ABROAD. BASEBALL. Ty Cobb for the Movies. Boston, Sept. 27.—Ty Cobb, "the Georgia Peach," generally accounted the most brilliant baseball player ever developed, is the latest popular star to which the movies have hitched their wagon. He will soon make his debut on the screen under the management of the Sunbeam Motion Picture Corporation of New York. Ty "held off" until he was offered more than \$1000 a week for his services. He is to appear in a melodrama involving the great national game, written by Grantland Rice. Edna MacLeod is to play the opposite part. Red Sox Scouts Out. Heinie Wagner and Jack Barry, who, with Manager Carrigan, have formed the Boston Red Sox team's "board of strategy," have been assigned to observe the Brooklyn Nationals in coming games with a view to learning the style of play of the possible rival contenders. Barry is understood to be ready to leave his home in Worcester, where he has been under treatment for a broken hand. Splints have been removed, and the hand is healing well, but the question whether he can take his place at second base in the World's series is still an open one. It Reads Well. A one dollar parlay on the Giants to win twenty-one straight games, would give the winner odds of 2,097,151 to 1. In other words, if a better put up one dollar at even money on the game played September 17, and be continued to follow the fortunes of the Giants in each game up till yesterday, betting the

entire amount each day, he would now have a bank roll of \$2,097,152—provided, of course, that he could have placed his bet each day. TURF. Laoplia Breaks Track Record. Laoplia, owned by P. A. Belliveau of Moncton, captured the free-for-all at the Charlottetown meet yesterday and incidentally broke the track record of 2:16. He negotiated the first and third heats in 2:19 1/2, and the second in 2:15. Bob Mack pressed him hard in every heat and was only a neck behind in the third. Little Smoke won the 2:30 pace in three straight heats by fair margins. Braze won the 2:27 trot, taking three heats out of four, losing to Keltie in the second by a head. James K. Newbro Breaks Leg. James K. Newbro, a fast pacing gelding owned by Hamilton G. Kitchen of Fredericton, fell yesterday in the Fredericton driving park and broke his leg. He had just stepped a mile in 2:14. The right foreleg snapped below the knee and is now in a plaster cast and the horse is in a sling.

THE REVENUE QUESTION. To the Editor of the Times: Joseph Debar, president-elect of the Wholesale Liquor Dealers Association, demands that the Anti-Saloon League tell where the immense federal and state revenue of \$225,000,000 would come from in case of national prohibition because law. The editor of the American Issue answers him in the following manner: "Before we answer his question we also propose to tell where the \$225,000,000 comes from at the present time. Debar and his ilk are mighty careful to conceal the facts as they now exist. "This enormous bill is paid out of the till of the brewer, the distiller and the saloon keeper. It reaches them from the hand of the consumer. Because he has misused it, his wife is consigned to drudgery and toil. His children are in rags and are poorly fed. So in the last analysis the \$225,000,000 revenue is paid by the most helpless slaves in the land, namely, the wives and children of drinking men. And Mr. Joseph Debar wants this condition to continue. If he has any sense he would deduct the percentage of that amount which is caused by the liquor business and it is double the entire revenue of the government from liquor. Wages have been raised, the people eat more and better food and wear costlier and better clothing. "But let us suppose that we saved in carrying for crime and poverty and that it would be necessary to raise the whole \$225,000,000 of revenue, which the liquor business is now turning in. Let us say to Mr. Debar as plainly as the English language can express it, that we would protest against one cent of it being made by making slaves of helpless women and children. We would raise the revenue as other revenues are raised at the present time by taxing the incomes of the wealthy and by other forms of taxation which have no bearing on the liquor business. "But other states which have tried it have found that Gladstone was right when he said that given a sober people there would be no difficulty in raising revenue. H. ARNOLD, B.B., M.C.P.S.

THAT WEST SIDE FIRE ALARM. To the Editor of the Times:— Sir,—Commissioner McLaughlin's statement at yesterday's meeting proves that he is not familiar with the history of the installation of the Ganewell Fire Alarm system in St. John. The late E. Leonard was at that time in the city employ as engine man for No. 3 Fire Engine. He took charge of the system after it was handed over to the city. Charles Jones was acting manager for the Ganewell Company, and nominally contractor, a position similar to the one he now occupies with the Vaughan Company. Mr. Webb was no more subordinate to Mr. Jones than Mr. Vaughan is now. The actual installation, that is hiring of men, laying out of circuits and putting up lines and boxes was done by and under personal supervision of Hiram Webb. The statement under the circumstances that he could not install a few extra boxes is absurd, and there was no reason why tenders could not have been called for this work. HIRAM WEBB & SON.

MONTREAL WILL OPEN PUBLIC READING ROOMS. (Montreal Gazette). An experiment will be made of converting the assembly halls in two municipal buildings in Laurier and St. Paul wards into public reading rooms, which will be supplied with the prominent newspapers and periodicals of the day. This was the decision of the board of control yesterday for which the city council was requested to vote a preliminary credit of \$1,100. This project, which was submitted to the board some weeks ago by Controller Villeneuve, will, it is expected, be very popular, especially in the outlying districts. Controller Villeneuve said yesterday that if the experiment was a success more reading rooms would be opened in other wards of Montreal. The desirability of establishing reading rooms in which good periodicals were supplied was endorsed by Hector Garneau, the newly appointed city librarian.

A CAMPAIGN OF THEFT. (New York Commercial). It has been said that a French housewife could feed a family on the food which an American housewife daily throws away. The saying may not be strictly true; it certainly is false in the case of some American wives, but it crystallizes in a phrase the American habits of extravagance. The American people as a people are extravagant; they have not the habits of thrift which are inbred in the French. We have set a high standard of living and all aspire to maintain it. American women of moderate means are the fashions of the wealthy. Proof of their thoughtless extravagance was had anywhere this summer when they could be seen wearing furs on the hottest days. This latest folly of fashion had not the slightest excuse for existence, because furs are distinctly a discomfort in warm weather, yet thousands of dollars were flung by wily creators of styles for profit from the pocket-books of the public. The appearance of a low collared room can be much counteracted by hanging the curtains from the top of the window straight down to the floor.

BREAK INTO ARMORY; STEAL EQUIPMENT

Three young boys were taken into custody this morning by Detectives Barrett and Briggs for breaking and entering the city armory, and for the alleged theft of several articles from the store-room of the building.

Yesterday afternoon a telephone message to police headquarters revealed the fact that someone had broken into the store-room of the armory, and after ransacking the room, made off with

THREE CITY DOCTORS IN COURT OVER THE AUTO SPEED MATTER

Other Citizens Also Reported For Violation of Traffic Bye-laws

Three prominent physicians were in the police court this morning charged with driving their cars faster than allowed by law in Douglas avenue. Dr. W. W. White was reported by two special constables who said his car was going at the rate of twenty-one miles an hour. Dr. White said that he was not in the car at the time, but it was out. He also said that he had a very careful and law-abiding chauffeur and was surprised to hear that he was going too fast. The case was set over until next Tuesday. Dr. White expressed himself as being of the opinion that in the locality he was reported for speeding there were no houses and nobody in the street that would be endangered.

Dr. F. P. Roberts was similarly reported. The locality is near the road turning into Gregory's mill. He said that he did not know the car was out. The case was set over until next Tuesday. Dr. Roberts suggested to the court that at the corner of Douglas avenue and Main street was a better place for the special men to be placed, as he has seen autos going around that corner at twenty-five miles an hour.

Dr. G. A. B. Addy, also reported, said that it was not his car but one he had sold some time ago. He expressed himself very strongly against the reporting of physicians going on hurried calls. It was just as necessary for a doctor, at times, to go fast as it was for the fire department. He said he was bringing the law justly and so was everybody else that owned a car. He contended that it was absurd to report a man for going fifteen miles an hour. The magistrate said that two or three miles over that allowed by law would be rather technical.

William Donahue, reported for speeding in Douglas avenue, produced witnesses to prove that his chauffeur was not going more than thirteen miles an hour. The penalty was struck but allowed to stand.

Joseph Elnay was also reported for speeding in Douglas avenue. This will come up later when the chauffeur will be in court.

Dr. Moran was fined \$10 for standing his car with the right wheel to the curb in Union street, West St. John. The fine was allowed to stand.

Frank McCarthy was reported by Commissioner Fisher for dumping refuse in Portland place, if not being a public dump.

Commissioner Fisher said that Portland Place was private property and could not be used as a dump. He had written in German to the residents. A. R. Cruikshank was reported for having no lights on his car while it was being driven in German street at 7:30 Monday. He was told he was liable to a \$50 fine.

It was reported for allowing a boy under sixteen to drive his team. The fine was allowed to stand, as Mr. Kelly assented the court that there would be no repetition.

Roy Roberts was reported for exceeding the speed limit. Main street and by so doing running down a small boy. The case will come up again.

Three stands were in court for working in the city in various capacities without either being taxpayers or having licenses. They were told to get the necessary license of rise pay taxes. Some were found to be on the tax list.

Commissioner Fisher asked that the special constables show the court the manner in which they detect an auto exceeding the speed limit. One of the special men explained that they marked off three spaces of 100 yards each. They were told to get the necessary license of rise pay taxes. Some were found to be on the tax list.

ONCE AGAIN IN COURT
In the police court this morning five prisoners faced the police magistrate on drunkenness charges. They all pleaded guilty and were fined \$5 each or two months in jail. Among the number was "Andy Irvine," whose name now appears on the police books for the 12th time, and each time charged with drunkenness. He holds the record.

TO BE MARRIED IN HONG KONG
Mrs. Sarah Elizabeth Dalzell of 225 Waterloo street has announced the engagement of her daughter, Edith Carter, to Captain G. O. Lloyd Kay, now with the British army in Hong Kong. The marriage to take place during the first week in November. Miss Dalzell is a graduate of the Boston City Hospital Training School for Nurses, and for the last five years has been practising her profession in Boston. She will sail for Vancouver on October 9, and will be married in the Episcopal Cathedral upon her arrival in Hong Kong. During the next three years, Captain Kay and his bride expect to make their home in the old town of Howton, Hong Kong.

NEARLY SERIOUS ACCIDENT
Two small boys narrowly escaped being killed or maimed for life yesterday. They were en route to school and started across Main street, near Simonds, when a street car struck them and knocked them down. Fortunately the motorman had good control of his car and brought it to a stop before either had been run over. Citizens who witnessed the accident said that it was a miracle that they were not both killed. Hundreds of children cross the street at this point daily en route to the three schools in Elm street, and it is felt that special precautions should be taken to protect them from being run over by passing vehicles.

PLEASANT RE-UNION
A happy re-union was held at the home of Mrs. D. Farris, 169 Queen street, on Tuesday evening, when, on the arrival of the steamer "Calvin Austin," Harry W. Coe and his family returned after an absence of six years. The house was prettily decorated with potted plants and cut flowers, and the bouquets which were served. Mr. and Mrs. E. R. Coes, of McDonald's Corner, and their family—John, of West End; Harry, of West End; Mrs. E. J. Rupert, of West End; Mrs. W. E. Hamm, and Mrs. B. A. Farris, of Pleasant Point; Mrs. E. Straight, of Fairville; Mrs. J. E. Barrett and Mrs. I. D. Farris of this city, spent a very enjoyable evening. Mr. Coe, although in his seventy-seventh year, joined in many old songs, accompanied on the piano by his granddaughter, Miss Ella Hamm. The gathering broke up with the singing of "Home, Sweet Home."

FIFTY SOLDIERS COME HERE TO GO INTO HOSPITAL OR HOME

About fifty convalescent soldiers arrived in the city today from Valcartier camp, under Captain Brandon of the A. M. C., and will enter the military hospital in St. John street and the Parks' convalescent home.

MUST ATTEND TO THIS BEFORE STARTING ON A CROSS-OCEAN TRIP

With the approach of the winter season and the beginning of passenger sailings from this port before long, the subject of regulations for passengers embarking here again has been a matter for some discussion, as it was last year, the cause of considerable confusion.

Soon after the opening of the winter port season last year, the announcement was received from Ottawa that all passengers leaving Canada for Europe must be equipped with official passports in order to be permitted to land on the other side. Many inland passengers had left their homes for the sailing ports before they were aware of the new order and arrived here with the prospect of being held up indefinitely while arranging to secure their passports from Ottawa. Owing to the difficulty which arose in these cases and in the case of local people who did not learn of the order almost until the steamer on which they had engaged passage was ready to sail, it was found necessary to modify the orders.

Instead of insisting upon passports, the Dominion authorities announced that British subjects would be allowed to sail upon the production of a letter of identification from proper authorities, certifying to their nationality and other information usually required on an official passport. These letters could be secured with much less delay, they proved a great help in solving the problem. It resulted in this new work being taken over by the immigration officials who, almost for the first time, were given an interest in the outward bound passengers. In this port a vast amount of extra work was caused by the new order, but this was cheerfully undertaken by the Dominion immigration agent and his officials in order to simplify matters for the passengers.

It is expected that the same rule will be in effect during the coming winter. Since the introduction of the new requirements have become generally known, and intending passengers make their arrangements in good time, the letter of identification has proved much more popular than the passports, and many more of them are issued.

There is one important distinction between the passport and the letter of identification, however. This is that, while the latter will admit a person to Great Britain, it will not let him out again. A Canadian arriving in England with a letter of identification would have to secure a passport from the British authorities before being allowed to return to this country.
