## University of Trinity College.

---

THE UNIVERSITY OF TRINITY COLLEGE was constituted by a Royal Charter, bearing date 16th July, 1852, and empowered to confer Degrees in Divinity, Arts, Law, and Medicine.

THE CONVOCATION of the University consists of the Chancellor, the Provost and Professors of Trinity College, and all persons admitted to the Degree of Master of Arts, or to any Degree in Divinity, Law, or Medicine, in the University.

No Degree can be granted by the University, unless a Supplicat for that Degree shall have passed the Convocation, having been previously approved by the Caput.

THE CAPUT consists of the Vice-Chancellor; the Deans of the Faculties of Law and Medicine; and Two Masters of Arts, to be elected annually by Convocation at the first meeting in the Michaelmas Term.

The University confers no Degree whatever unless the Candidate has previously taken the oath of allegiance and supremacy, and subscribed the following declaration:—

“I, A. B., do willingly and heartily declare that I am truly and sincerely a member of the United Church of England and Ireland.”\*

---

\* For any Degree in Divinity, subscription to the Three Articles of the XXXVith Canon is also required.

## PROCEEDINGS IN ARTS.

All Candidates for the Degree of B.A. must be matriculated Students of Trinity College, and have kept nine complete Terms. They will be required by the University to pass two Examinations—

I. THE PREVIOUS EXAMINATION, which will take place at the end of the Lent Term in the second year. The subjects of this Examination will be:

One of the Historical Books of the New Testament.  
Paley's Evidences of Christianity.  
The Church Catechism.  
One Greek and one Latin Author.  
Latin Prose Composition.  
Euclid—B. I. II. III. IV. VI.  
Algebra to the end of the Binomial Theorem.  
Trigonometry to the end of the solution of Triangles.

The particular Latin and Greek authors will be fixed at the beginning of the Lent Term in the year preceding. The names of those who pass this Examination will be arranged in two classes, in alphabetical order—the first class consisting of those who shall pass with credit; the second of those to whom the Examiners shall only not refuse their certificate of approval.

Any one who shall absent himself from the proper Examination of his year, without the written approval of the Vice-Chancellor, will not be allowed the Lent Term of that year.

Those who fail to satisfy the Examiners must present themselves at the Examination in the following year.

II. THE EXAMINATION FOR THE DEGREE OF BACHELOR OF ARTS, which will take place at the beginning of the tenth term from Matriculation.

The subjects for this Examination will be :

Old and New Testament History.

One of the Historical Books of the New Testament.

The Articles of the Church of England.

Two Greek and two Latin Authors.

Greek and Roman History.

Latin Prose Composition.

Euclid.

Algebra to the end of the Binomial Theorem.

Trigonometry to the end of Solution of Triangles.

Mechanics.

Hydrostatics.

The particular authors will be fixed before the end of the Easter Term of the second year.

Those who shall have been approved at this Examination may present themselves for further Examination for Honors in Classics or Mathematics.

The Honor Examination will take place shortly after the Examination for the ordinary degree of B.A. The result of each Honor Examination will be published in three classes, in order of merit.

In addition to the Mathematical Lectures on the subjects mentioned for the Degree of B.A., students of the second and third years are required to attend a course of Lectures on Optics, Astronomy, Sound, and the Theory of Light, treated popularly. The course will extend over two years, and the Lectures will be given in the Michaelmas and Lent Terms. Students of the third year will also be required to

attend during the Easter Term a course of Lectures on Fortification.

Questions on all these subjects will be introduced into the Examination for B.A.

Students of the second year will be required to attend a course of Lectures on Surveying during the Easter Term, and questions on the subject will be introduced into their examination at the end of the term.

*N.B.*—The Lectures in the Arts Course commence in the Michaelmas Term; and as the Annual Examination in the following June, and the final Examination for the Degree of B.A., embrace the subjects of the Lectures delivered in that Term, a Student entering at any other time does so under a great disadvantage.
