accidental forfeiture, &c.

A share of profits of the husiness is alloc every year to each policy halder of five as standing, and is applied in reducing his next minum. For many years the Premiuma here thus reduced to less than two thirds of stipulated amount; that is, instead of £10, ment only of £6 30s, has been required from Policy-Holders, and instead of £20, a payman only £13. Under this accent the expense of Assurance is reduced to a comparatively source.
