**EXTRACT from the Rules and Regulations or the Conduct of the Land Office,
Department, dated Council-Chamber, 17th. February, 1789.**

IV. **T**HE safety and propriety of Admitting the Petitioner to become an inhabitant of this Province being well ascertained to the satisfaction of the Board, they shall administer to every such person the oaths of fidelity and allegiance directed by law. After which the Board shall give every such Petitioner a certificate to the Surveyor General, or any person authorized to Act as an Agent or Deputy-Surveyor for the District within the trust of that Board, expressing the ground of the Petitioner's admission. And such Agent or Deputy Surveyor shall within two days, after the presentment of the certificate, assign the Petitioner a single lot of about two hundred acres, describing the same with due certainty and accuracy under his signature. But the said certificate shall nevertheless have no effect, if the Petitioner shall not enter upon the location and begin the improvement and cultivation thereof within one year from the date of such assignment, or if the Petitioner shall have had lands assigned to him before that time, in any other part of the Province.

VII. The respective Boards, shall on petitions from Loyalists already settled in the Upper Districts for further allotments of land under the instructions to the Deputy Surveyor-general of the 2d. of June, 1787, or under prior or other orders for assigning portions to their families, examine into the grounds of such requests and claims, and being well satisfied of the Justice thereof, they shall grant certificates for such further quantities of land, as the said instructions and orders may warrant, to the acting Surveyors of their districts respectively, to be by them made effectual in the manner before-mentioned; but to avoid nevertheless, if, prior to the passing the grant in form, it shall appear to the Government that such additional locations have been obtained by fraud.—And that of these, the Boards transmit to the Office of the Governor's Secretary, and to each other, like reports and lists as herein before, as to other locations, directed.

II. And to prevent individuals from monopolizing such spots as contain mines, minerals, fossils, and conveniences for mills and other singular advantages of a common and public nature, to the prejudice of the general interest of the settlers; the Surveyor General and his Agents, or Deputy Surveyors in different Districts, shall confine themselves in the locations to be made by them upon certificates of the respective Boards, to such lands only as are fit for the common purposes of husbandry, and they will reserve all other spots aforementioned, together with all such as may be fit and useful for ports and harbours, or works of defence, or such as contain valuable timber for ship-building or other purposes, conveniently situated for water-carriage, in the hands of the Crown.

And they shall without delay give full and particular information to the Governor or Commander in Chief for the time being, of all such spots as are herein before directed to be reserved to the Crown, that order may be taken respecting the same.

And the more effectually to prevent abuses, and to put individuals on their guard in this respect, any certificate of location given contrary to the true intent and meaning of this regulation is hereby declared to be null and void, and a special order of the Governor and Council made necessary to pledge the faith of Government for granting of any such spots as are directed to be reserved.
